Pierce County marriages are on the upswing despite the fact it is difficult for couples to get married in a "quickie" civil ceremony. With the elimination of many of the Justices of Peace, couples who seek a non-religious wedding are finding it a trying job to get the matrimonial knot tied.

A check of a few of the area pastors disclosed that they turn down a number of weddings because the couple declines to take pastoral counseling or want to be married without going to the church altar. "I do not run a marriage mill," one minister told the Journal adding, "And my conscience will not allow me to perform an office wedding so the couple can get "the thing" over in a hurry."

But the lack of JPs has not seemed to slow up the increasing number who take their vows one way or another. Apparently love seems to always find

Roundup Parade News

Buggistos Northwest' a Dune Buggie Club, has signed up for the Parkland Round-up Parade, set for Saturday July 5th at 10 a.m. Members of the club are from Seattle and Tacoma vicinities. They plan to furnish their own music according to Robin Christensen, a club member.

Tacoma's Afiffi Shrine Colliope and Al Bicas old time Colliope will be in the lineup as usual.

Lawrence Armstrong, parade chairman, is especially looking for more musical and novelty entries. June 28th is the deadline for getting entries into the parade. For more information call Robert Magdanz LE 7-5538 or Lawrence Armstrong LE 7-5524.

Rev. Harrison Reappointed

WALLA WALLA, WASH-INGTON, June 15 — The Rev. R. Gordon Harrison pastor of The United Methodist Church of Spanaway for the past 3 years, has been reappointed for another year.

The announcement was made here today by Bishop W. Maynard Sparks, spiritual leader of the 102,000 United Methodists of Washington and Northern Ideke, at the classics. Northern Idaho, at the closing session of the denomination's Pacific Northwest Annual Conference.

The six-day session found the churchmen moving from traditional programs seeking new members and new church buildings, toward cooperative ministries for meeting human needs.

LEWIS LLEWELLYN

What Debt Should The Church Pay?

All across the country, people were shocked and angered when James Forman interrupted a Sunday morning service at Riverside Church in New York City, to present the terms of the Black Mani-

Demanding that the churches of the nation produce a half billion dollars for the program of the National Black Economic Development Conference, Forman threatened—in the words of the Black Manifesto- to declare "war on the white Christian churches and synagogues.'

"Total disruption of selected church-sponsored agencies operating anywhere in the U. S. and the world" was threatened.

The Second Shock

The people of the nation were shocked again when some church leaders, including the Rev. Dr. Ernest Campbell, minister of Riverside Church, indicated that they would accede to some of the brazen demands.

These demands have been described as "blackmail," though the NBEDC calls "blackmail," them "reparations."

Perhaps the most appropriate term is that which was used by news commentator Paul Harvey. He compared Forman's tactics with those of Al Capone, famous Chicago racketeer of a former generation.

Said Harvey, "The protection racket is nothing new to us Chicagoans. We learned from Al Capone how to get

money from anybody by threatening to firebomb his business. But the question is: "Does the church owe anything to

anybody?"
The Bible says it does.

What The Church Owes

Writing to the Roman Christians, the apostle Paul said, "I am debtor both to the Greeks and to the bar-barians—both to the wise and to the unwise

Which of these categories includes Forman and his crew each person must decide for himself.

But what was Paul saying he was obligated to do because of this feeling of indebtedness to both the cultured man and the barbari-

Here it is, in Paul's own words: "So, as much as in me is, I am ready to preach the Gospel For it is the power of God unto salvation to every one that believeth.'

Yes, the church does owe something to both black and white.

obligation of the church is to preach the Gospel of salvation through faith in Christ.

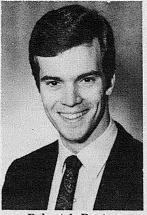

If it fails to do this, while doing a thousand other things, the church has failed in its mission to the world.

Even James Forman and followers should brought to understand that God is willing to forgive their sins, if each of them will take his place as a follower of the Master.

This is the debt which the church owes to all.

Area Students Visit Far East

Three Tacoma students will study political systems in the Far East on a summer study tour led by Dr. Joseph Lowe assistant professor of political science at Pacific Lutheran University.

Robert A. Bexton

The tour, which left Monday for Tokyo, included Robert A. Bexton, 122 E. 121st St.; Cecilia Carpenter, 9609 S. Sheridan; and Mary Lynn Howard, 601 S. Jackson. All are PLU students

Mary Lynn Howard

Following their stay in Tokyo, the students will visit Kyoto and Osaka in Japan; Seoul, Korea; Taipei, Taiwan;

and Hong Kong.

A comparative analysis of these political systems will be made through an intense pro-gram of observation and meetings with governmental and educational leaders in the three countries. Free China will be exhaustively studied in Taiwan with a study of Communist China conducted in Hong Kong, where contacts with the mainland are maintained.

The tour leader, Dr. Lowe, joined the PLU faculty in September 1968. He is a former colonel in the Republic of China army

WOMEN'S WORLD

"Pill" Might Cause **Guilt Complex**

Cambridge, Mass. (WMNS) An eminent gynecologist is convinced that guilt plays an important role in convincing many women that oral contraceptives cause minor side effects.

'Why should women taking estrogen to relieve painful menstruation so rarely com-plain of side effects?" asks Dr. Robert Kistner rhetorically. The assistant clinical pro-fessor at Harvard Medical School and author of the forthcoming book, "The Pill: Facts and Fallacies About Today's Oral Contracep-tives," says patients taking estrogen for diseases related to the lining of the womb are also remarkably free of side-

effects.
"I think that many women who are on the oral contra-ceptive who do have side effects have these side effects because their subconscious minds tell them they're doing something wrong in avoiding pregnancy," the gynecologist says. "If they take the same pill for painful menstruation they feel they are not doing anything wrong and so they feel fine. We've used estrogen for 25 years for painful men. feet fine. We've used estrogen for 25 years for painful menstruation and, amazingly enough, we didn't have any of these complaints."

Needle Handicap At Longacres

Seattle's Space Needle, distinctive among world communities as a symbol of an area, will be featured Sunday through another context which has brought justifiable praise to the Pacific North-

The Longacres race track, a model of its kind, will present the eighth running of the \$7,500-added Space Needle Handicap. The race, inaugurated in 1962, year of the Seattle World's Fair, is a six and one-half furlongs.

It is not abuse of the obvious to relate that the Space Needle and Long-acres both are something "worth seeing" for visitors to this corner of the country.

The Space Needle 'Cap was created for older handicap horses with long range designs on the season's richer stakes, especially the famed \$35,000 Longacres Mile this year to be run August 24th.

Best time recorded in the seven runnings of the Space Needle is 1:143/5 — fractions lighted up by Jim's Purchase in the 1966 and tied by Black Pool in 1967

On Sunday morning commencing at 8:30 a.m. performance classes (both English and Western) will be offered. Trophies and ribbons to 7 places will be awarded. Six Drill Teams are expected to perform in competition throughout the day. Everyone enjoys these interesting maneuvers put on by these hard working juniors. Meridian Riding Club has a group of 16 juniors in their drill team this year. They travel to different clubs in the State competing against some very fine teams. Karin Moye, assisted by Linda Pilcher has been practicing real hard with these youngstes. They meet twice weekly at the club grounds. Gate donation to this show is \$1.00 per car. Refreshments will be available in the kitchen of the club

house. For further information you may call TH 5-3448. Other show dates at our club this summer will be on July 27th and again on August 24. Both of these shows are state and zone approved shows. The show on July 27th is held in conjunction with the Ezra Meeker Days Celebration in the valley. Wherever there is a show there you will find a group of spirited riders from our club. On the Family Night Games that were held at Tacoma Unit, we had a number of award winners. Among these were Jr. keyhole, Mike Miskar 1st place trophy; Jackie Dillman 2nd place. Senior keyhole, Linda Pilcher 1st Place trophy; Margie Curbow 4th. Jr. barrels, Jackie Dillman 2nd; Mike Miskar 5th; Sr. Barrels, Ward Bradley 2nd, Val Merrill 5th. Jr. Poles, Scott Miskar 5th. Sr. Poles, Ward Bradley 2nd and Marlene Medley 4th and Don Miskar 5th. Qute a representation!
At the Lariette Show on May 24th, Ward Bradley and

Vince Dechaux were tied for High Point reserve for men and Marlene Medley was High Point reserve for women. At The Cabellero Show on June 8th our club was presented with a plaque for having the most riders present from an outside club. There were some individual awards picked up too.

Not only do we have games and performance riders, we also have some interested trail riders. On May 24th, a group consisting of Bob Bell, Ray Johnson, Toni Johnson and Sandra Keulper went on a 25 mile competitive trail ride at the Steele Ranch. Sandra placed 3rd in her class, and Bob and Ray came home with a 6th and 7th place ribbons. On May 31, Bob Bell, J. R. Pilcher and Stan Moye undertook the 32 mile ride on the Larange Ranch. Bob Bell placed 2nd and J.R. 4th. Then on June 8th Ray and Toni Johnson went to Selah on a 30 mile ride. Toni

Our Memorial Day Play day was a real success. Lots of thrills and excitement. We had a few minor accidents but all went well. High Point Junior was Carrie Jane Todd, and High Point Senior was Vince Dechaux.

There are approximately 55 families who now belong to our club, and needless to say we are still expanding.

Competition Day for the Parkland Roundup Princesses has been scheduled for this Saturday starting at 11 in the morning. It will be held at Hayes Stables, 150th SW near Woodbrook. ***

New Report On DDT Usage

By Frank Johansen

Usage of DDT has been largely replaced by other insecticides, according to a recent report by the U. S. Department of Agriculture Economic Research Service. Production has dropped sharply, down to about 40 million pounds, just about one-half of the amount produced ten years ago.

Most of the current usage is on non-food crops, chiefly cotton. About 70 per cent of U.S. production is purchased by the Agency for International Development (AID) to combat malaria by killing mosquito carriers in India and nearby countries.

During World War II, DDT made history. It was used as a louse powder in the European campaign and effectively stopped the spread of typhus. In World War I typhus killed more soldiers than did bullets. In the Pacific campaign,

DDT, was used to kill mosquitoes, halt the spread of malaria. Thousands of soldiers who might have been victims of malaria, probably owe their lives to DDT

After World War II, DDT was hailed as the "miracle insecticide." It has many virtues but close scrutiny also revealed many faults. One of the greatest services rendered to the public is the tight examination of other materials that was brought about by the discovery of shortcomings in DDT. Before any new pesticide is made available to the public it must meet rigid requirements for registration

Robert Wallin

DHIA Leader

The dairy herd of Robert Wallin, Orting, is the leader in the Pierce County DHIA summary for the month of May, announces County Agent Eddie Thomason. Wallin's Herd of 121 Holsteins averaged 58.0 pounds of milk and 2.00 pounds of butterfat per cow per day.

Honor roll leaders for cows completing lactations in May are: Two year old - number 352, a grade Hostein, owned by Pete DeVries, Orting, with 20,534 pounds of mild and 804 pounds of butterfat; three year old number 88, a grade Holstein owned by Walter Schodde, Buckley, with 18,659 pounds of milk and 758 pounds of butterfat; four year old -Lulu, a grade Holstein owned by Harold Eatherton, Buckley with 19,439 pounds of milk and 825 pounds of butterfat; five to ten year old - number 38, a grade Holstein, owned by Pete DeVries, Orting with 17,913 pounds of milk and 825 pounds of butterfat; and ten years and over - number 195, a registered Holstein owned by Louie Deck, Eatonville with 22,201 pounds of milk and 685 pounds of butterfat.

Testing and calculation of records was supervised by Washington State University.

Local supervisors are Roy Hartschorn, Orting, Rodney Howe, Parkland.

Methods are developed for safe usage and the message is summarized on the label.
