These Bees Don't Know They're Leaving the Old Homestead

ALL IN KNOWING HOW — Pictured above, John Carpenter and William Stilke, both professional bee men, are shown removing several thousands of bees from the wall of a house where they had stubbornly holed up. It was necessary to remove much of the siding from the wall, laying bare the intricate operations of the honey makers. As the great frames of honey were removed, the sweet stuff was cut to size for placing in conventional hives (seen in front of table), each with a queen bee. After a time, the bees will accept the new hives as their homes and will then be removed to another location, leaving the house sans bees — at least that's the idea. Pictured above, Stilke holds a section of honeycomb, with hundreds of bees clinging to it; Carpenter is working on the honeycomb. Both are well protected by bee nets, gloves, etc. —McEwen Studio Photo.

TV Appreciation Night Is 15th At Cheney

One of the biggest evenings of the 1960 home season is scheduled for TV Appreciation Night at Cheney Stadium on Monday, August 15, when the Tacoma Giants conclude their series with the Spokane Indians.

Giant telecasters John Jarstad and Clay Huntington have an exciting program lined up in addition to the key Tacoma-Spokane ball game. There will be a giant fireworks display following the game and the pre-game entertainment will include a community

sing led by the popular Tacoma second baseman Danny O'Connell. Also there will be a dancing exhibition by outfielder Bob Perry plus country music singing by a trio composed of Eddie Fisher, Marshall Renfro and Dusty Rhodes. In addition there will be a special surprise performance to be announced.

There will be scores of prizes for the fans including a portable TV set, a portable transistor phonograph and many more. Every youngster attending the game will receive free picture packets of postcard-size full-color pictures of favorite Giant players.

Over 3000 tickets for TV Appreciation Night will go on sale the evening of the game at the Cheney Stadium ticket offices. Fans are urged to come out early to avoid the last-minute rush. The ticket windows Monday will open at 6 o'clock to handle the anticipated record crowd.

Local Youngsters Win Honors At Fair

THESE PROJECTS PAID OFF — Two young showmen are pictured after they had just won top honors at last week-end's Thrift Community Fair. Both will now be competing for honors at this week's Pierce County Junior Fair at Sumner. The event is an all youth show and admission is free.

Fitness Awards Due On Playgrounds

Playgrounders who have met the challenge of improved physical fitness have been working throughout the summer weeks to master the minimum standards set up by the A.A.U. for physical fitness and proficiency. Youngsters who have successfully passed the progressive tests of speed, strength, agility, and endurance will receive A.A.U. Certificates of Achievement in a special awards ceremony to be held on the playgrounds this week.

The events, well within the "safety zone" and capacity of the average healthy boy and girl, include sprints, walk and run for time and distance, sit-ups, pull-ups, standing broad jump, and several optional events. Over one hundred "fit" youths in the Franklin Pierce area have already qualified for their awards.

The annual Hobo Hike is being planned by youngsters eight years of age and older. An interesting trip will be led by the playground leaders. Lunches will be wrapped in large squares of cloth tied on the end of a stick. Songs will be sung while hiking; stories and games will take over during rest stops. The group will be kept together during the hike and no one will be allowed to stop off alone or lag behind the group.

A Freckle Contest is to be another of the week's features. Those boys and girls who have taken an active part in the operation and direction of the summer play program by assisting the leaders in various ways will take part in a Junior Leader's Picnic in the next few days, as well.

A reminder—the playgrounds will close for the season Friday, August 19th.

Central Avenue's Doll Show was a tremendous success. Award certificates were given to Martha and Katherine Vickers for the most beautiful doll, Betty Beggs for the best dressed doll, Shelly Morris, the smallest doll, and Janet Armstrong had the most lifelike doll. The event was followed by a Dolly Tea Party for all the girls and their dolls.

Franklin Pierce Enrollment Will Start On Monday

New Franklin Pierce High School students may register starting August 15th at the Franklin Pierce High School from 9:00 a.m. until 3:00 p.m., according to Robert C. Richardson, assistant superintendent of the district.

New Elementary and junior high school students can start registering Monday August 22nd from 9:00 a.m. until 3:00 p.m.

Kindergarten students must be five years of age before October 31st, however those with birthdays falling between September 10th and October 31st will be accepted on a probationary basis only. It is necessary to bring birth certificates when parents enroll kindergarten students.

All students new to the district are encouraged to register as soon as possible after the registration opens.

Waller Road . . . Community Party For DeMeerlers

THANKS! It's a simple word but the meaning is one of the greatest! Many times, in the hustle and bustle of everyday living, people forget to give thanks where thanks is due. Not so with the friendly folks of the Waller Road area.

The evening of July 28 they gathered, over 100 strong, at Wapato Park to pay tribute to Mr. and Mrs. Henry DeMeerler, who for many years have given of their time, talents and efforts to support every community project. You would find them helping with all P-TA work, Mrs. DeMeerler serving as Den Mother for the Cubs and Mr. DeMeerler as Cubmaster, Scoutmaster and Post Advisor through the years. Camping trips for the Scouts found the DeMeerlers chaperoning. Mr. DeMeerler has served faithfully as an officer of the Waller Road Water Co. Many other good deeds too numerous to mention have been accredited to them.

The honor table for the occasion

held two cakes — one bearing the inscription, "Thanks! Betty and Henry for Everything," and the other made to show an attractive scene of camping, including lake, mountain, campsite and two Boy Scouts. Both cakes were made by Mrs. Roy Nelson, who with Mrs. Roy Looker and Mrs. Harvey Weeks Sr. were hostesses.

Presented to the DeMeerlers by the group was a garden three-tiered waterfall and a gift certificate for something of their own choosing. Might we add — it was a complete surprise to the honored couple.

New Pastor
Preaching his first sermon at Evergreen Baptist church, 92nd and Waller road, July 24, Rev. Virgil Iverson was welcomed by a large attendance. This is his first pastorate, having acted as assistant pastor at a church in St. Paul, Minn., while attending Bethel Seminary there. He was also musical director for the Seminary. Rev. Iverson was born in Bellingham and graduated from Snohomish High School, Seattle Pacific College and Bethel Seminary. Rev. and Mrs. Iverson and children Bruce, Wade and Lori Anne will be honored by the congregations and friends at Open House at the parsonage Friday, Aug. 19, 7:00 to 10:00 p.m.

Members of Waller Road Grange are reminded the Aug. 19 is Grange Night; potluck refreshments following the meeting.

Please come!
Also, remember that Saturday, Aug. 13, is Grange Day at the Junior 4-H Fair at Sumner. All Grangers are urged to attend and give full support to our wonderful youth of the 4-H.

The Waller Road Grangers, families and friends picnicked at Wildwood Park July 31, a large crowd enjoying the wonderful potluck dinner and games.

The library is situated on the southeast corner of the Midland school grounds. Hours are: Monday 1:00-5:00; Wednesday, 1:00-5:00 and 7:00-9:00; Friday, 1:00-5:00. The library will be closed Monday, Sept. 5, Labor Day.

Summit... Cub Scouts To Picnic Sunday

Cub Scouts from Pack 76 will be picnicking at the Summit Youth Center Sunday, August 14, 1:30 p.m. Tobey Torbet, Cub Scout Committee Chairman, Al Smith, games and entertainment, and Fran Torbet, telephone, have been busy planning and contacting for this day of family fun. Each family is to bring a picnic lunch (it will be placed on a potluck table), table service, and of course the kids. The committee will furnish ice cream, pop, and coffee. If the weatherman should decide to become difficult, the picnic will be held inside the Youth Center. Let's show the committee, who has worked so hard for our boys, our appreciation by turning out Sunday.

HOBBY SHOW
Judges Sue Morris and Lloyd Wray found it difficult to narrow the many entries in the Central Avenue Playground Hobby Show to the top three. Entries were judged on the basis of the owner's knowledge and interest in his entry and the quality of the exhibit. After much reviewing, the first, second, and third place certificates were given to Jim Rave, model airplanes and missiles; Allan Cail, matchbooks, and John Rave, model cars. Other entries were: Rocks, pennants, coins, stamps, baseball cards, and post cards.

Giant-Spokane Showdown At Weekend

Tacoma's 1960 Pacific Coast League pennant chances will definitely be on the line this weekend when the Giants open a five-game crucial series against the Spokane Indians at Cheney Stadium.

With the season approaching the final stages, the Giants are faced with a do-or-die showdown with the league-leading Tribe and Manager Red Davis is hoping for a complete sweep of the set or at least a four out of five series win.

Single games are scheduled for Friday, Saturday and Monday nights in addition to the Sunday afternoon doubleheader. The weekend games will mark the final meetings of the two teams this year.

"This definitely is the make or break series for us," Manager Davis remarked, "and we'll have to come up with a big effort if we are to stay in contention for the PCL championship. Our club is in good shape for the series and the players are confident they'll be able to take over the top spot."

Following the Spokane series, the Giants are on the road again for a week against Seattle and Vancouver before returning home against San Diego and Salt Lake City.

a-Wondering... and a-Wandering...

With JACK BROWN

O.K. You win. I've heard enough about my big ears and long forehead to last for a while, so back to the old stlye layout on this column. Without my picture.

This country's defense system, along with its power of retaliation in the event of war, is based in large part upon foreign bases. These bases, which were built at an enormous cost in money and effort, amount to a ring around the Communist empire. From them American military power could be thrown against any Communist center.

Most of us have assumed that these bases are secure, and that the government agreements which made them possible are permanent in nature. But, according to an article in U.S. News & World Report of July 4, the picture is not bright today. In its words, "All around the world, the military bases upon which the U.S. and its allies depend for defense against Soviet Russia and Red China are in danger."

In part, the danger comes from Communist stratagems — but only in part. There are strong forces within allied governments which are opposed to having U.S. military installations within their territories, and which are pressing hard, and sometimes successfully, for U.S. withdrawal.

Our Far Eastern position, for example, depends on our outposts in Japan and Okinawa. As U.S. News observes, "The use of U.S. forces based upon Japan now is to be subject to possible veto by a Japanese Government. To defense officials, violent outbursts in Japan against these bases raises a question about their future, despite any new rights in the treaty just ratified."

Some of our biggest and most important air bases are in Morocco. Here too, pressure has become so strong that we have agreed to completely evacuate them.

We have already withdrawn all our remaining ground forces from Iceland, at the request of the Icelandic Government.

All our nuclear bombers have been withdrawn from France, and some bases closed in that country. This followed the French Government's demand that it have the right to veto the use of nuclear weapons, which the U.S. Government could not agree to.

Even in England, U.S. News adds, there is dissension. Our bases "are becoming the center of more and more political controversy," one argument being that they needlessly bring Britain into the firing line and subject her to tremendous dangers. This has not reached the point where there is any immediate question of U.S. withdrawal, but the criticisms are widely quoted in and out of the British press.

So it goes, U.S. News continues, throughout the world. Difficulties of one kind or another and with varying degrees of intensity are appearing in Libya, Turkey, Norway, Korea, Pakistan and the Philippines. The magazine says: "Trouble thus seems to be cropping up all around for this country's world-wide network of military bases — at a time when Russia's missile threat is growing fast and America's defenses still are geared in large measure to retaliation from bases abroad." What solution will be reached remains to be seen. But it is one more big problem to be added to all the other problems with which the next Administration and the next Congress will have to deal.

If ever the American people should give careful consideration to the selection of our government officials, this is the year to do so. In the past it has been real easy for many of us to just let it go. Let Jim Jones next door pick the guy he wants and we'd go along with it. So what if a couple of jug heads get into office. Everything always seems to come out all right anyway.

Well friends, this is not the time to adopt that sort of an attitude. We'd all better listen, think and take a hand in the picking this time for we can't afford to be wrong.

Flying

With **JEANNE**

A solo cross-country training flight was made by Wayne Afrank from Spanaway to Yakima and return. Glen Laird made a long solo cross-country flight, flying from here to Albany, Oregon and return.

This last week Mr. and Mrs. Lloyd Sapp and son Dick arrived at Spanaway in their Cessna 172 from Council Bluffs, Iowa. They are visiting with Mrs. Sapp's sister and family the Pete Svith's Jr. on Bingham Road. The weather has been beautiful for their visit which included boating and water skiing on American Lake. Sunday afternoon they all visited the airport where Mr. Sapp treated the friends and relatives to airplane rides.

The annual Fly-In by the Astoria Chapter of the Oregon Pilots Association was attended by Gene and Jo Moye, Don Abbott and Cecil Jackson from this area. Bill Athow, of Tacoma, flew down in the Big "O" Club Mooney. The clam Chowder was delicious.

The Northwest Flyer was represented at the Astoria Fly-In by Don Norris and Darrell Dugan.

Life Looks Brighter
Now For the Doyles

When it seems that a family has experienced the worst possible tragedy, from the depths of suffering and sorrow there is no way to go but upward.

Such is the case for Mr. and Mrs. Larry Doyle of 11609 A Street.

This last week Larry came home from the hospital where he had spent six months overcoming the terrific odds in his fight for life after suffering burns which covered 80 per cent of his body, sustained when the pipe lines at Puget Die & Casting Co. burst while he was working there. He is not yet able to walk but he and his wife are sure he will make a complete recovery.

Larry's ghastly accident was but the first tragedy involving the Doyles. In April, while Larry was still only inches away from Death's door, his wife was very badly injured in an auto accident which claimed the life of 3½-month-old Craig Steven, the couple's only child. Mrs. Doyle spent a long month in the hospital but has recovered very well.

But the Doyles don't dwell on their misfortunes—instead, they think only of the blessings they still cherish. They are happy to be alive and deeply grateful for all the kindnesses and generosity of their many friends. The kind messages and beautiful flowers gave them hope and cheer—the 40 pints of blood provided for necessary transfusions gave Larry his slim chance to live. They have asked the Times-Journal to convey their heartfelt thanks to all who have helped them.

The Elk Plain Girls 4-H club participated in the Thrift Community Fair July 30-31. They entered with sewing and livestock and brought home lots of blue and red ribbons.

Carol Ocken won a beautiful pair of table lamps as a special award; several other girls received awards. All had a wonderful time.

The Pierce County Junior Fair will be held Aug. 11-12-13 at Sumner. The Elk Plain Girls 4-H Club will enter their projects there in hopes of winning blue ribbons so they can enter the Western Washington Fair at Puyallup in September.

The Elk Plain Boys 4-H club also plans to enter projects at Sumner and the boys are working hard to complete them. It is a new club which received a charter this spring. Anyone wishing to donate time or money would be greatly appreciated. C. J. Potter is the leader.

Special Nights To Boost Attendance For Giant Games

With the Tacoma home attendance already over the 200,000 mark, the Giant management has scheduled several special nights and promotions to further enhance the city's banner turnout.

In addition to the TV Appreciation Night slated for Monday evening, August 15, the Giants will have a big South Tacoma Night on Friday, August 12, with the businessmen of the community going all out to assure a bumper crowd.

Don Hill, the Giants radio sportscaster, is lining up what promises to be one of the biggest and most entertaining nights of the season on Wednesday, August 24. The popular Tacoma broadcaster has scores of prizes for the fans including transistor radios, season baseball passes and a full-color picture of the entire Tacoma Giant team.

The Voice of the Giants has also lined up an entertaining pre-game show featuring comedy stunts to be performed by the Tacoma players.

Tickets for Radio and Players' Appreciation Night may be reserved at the Giant ticket office or by calling Cheney Stadium, SKyline 2-7707.
