LUCKY SALES, wrecker, is pictured raising a backhoe bucket loader to release 28-year-old Charles G. McLaughlin, 628 South 168th, Spanaway, who was injured when the rig rolled over a 7-foot bank to pin him under a rear wheel. The

accident occurred as McLaughlin was digging for a retaining wall at Spanaway Elementary School.

FP Board Accepts Bus Bid, Receive Title III Grants

A decision to reject submitted bids for Water proofing and painting of the Parkland School and to resubmit the issue to the market was made by the Franklin Pierce School Board of Directors Tuesday night, because the bids received were 80 per cent higher than the estimates.

Dr. Edward E. Hill, superintendent of the District, told board members that all building projects are on schedule.

The forms are almost ready to provide the concrete "base" for seats at the High School Football field; the James Sales Library is 80 per cent complete and will be finished before school opens in the fall; plans for Washington High School are in the final design stages, the plans are expected to be submitted to the state by June 15th and bids awarded during August.

A request for a continuation grant of \$27,570 has been prepared and submitted by Dr. Hill through the Intermediate Office of Education to the United States Office of

The grant, if approved, will furnish additional training and specialized equipment to help make Project Promise fully

operational next year.

Dr. Hill has been selected to serve on the Title III Advisory Council, the administration of which is being shifted from the US office of Education to the State Department of Education. He will represent the Washington Association of School Administrators.

The state has provided a grant of \$1,000 for administration, clerical assistant, supplies and communication for the study of a team" inter-disciplinary approach to vocational education. They also will fund 50 per cent of six week's training cost for Mr. Miller

and Mr. Alexander.

Approval of a grant for \$2,590, to develop technical math program for the FP high schools, in which Russ Fulkerson will work four weeks and Mr. Ward, two weeks to

develop it, was announced at the meeting. Sixteen teachers were recommended for employment by the administration. They include Ronald Caley for the upper elementary grades; Miss Karen Goodro, PE at the junior high; Mrs. Jill Halverson, primary; Judith Kieser, Home Ec at the senior high; Miss Ola Marshal, German at the junior and senior highs; Mrs. Elaine Motteler, primary; Bruce Orness, PE junior and senior high; Gerald Russell, business education, senior high; Mrs. Marjorie Salzman, primary; Miss Ginger Valor, PE, junior high; Mrs. Mildred Jensen, primary; Miss Donna Lormor, PE, junior high; Mrs. Ruth Ogburn, upper elementary; Richard Parks, distributive edu-cation at the content high. Mishael Behard. cation at the senior high; Michael Roberts, social studies at the senior high; and Miss

Sigrid Shelton, primary.

Resignations accepted included those of William F. Whitesel, Robert Daggett, Mary Lou Davis, Rozanne Hall, Walter Hall, Bonnie Hefty, Connie Kravas, Robert Lovell, Esther Myhre, Gary Parsons, Diana Parsons, Cheryl Pederson, Gerald Rogers, Larisa Schneider, Susan Stewart, Barbara Taplin, Anne Page Ward, Sandra Young, Mary Cay Weikert, Bruce E. Berry and Mrs. Sharon Elston.

Mrs. Faye M. Serviss was granted a maternity leave of absence.
Frank Buchanan Sales Co. of Tacoma

was awarded the bid for two new buses, both 73 passenger. Buchanan, who was the only bidder, submitted the bid at \$48,035.35 for both buses.

FBI Sets Precedent On Spanaway Airport

Federal Bureau of Investigation agents set a new national precedent Tuesday by entering a case involving burglary and vandalism of aircraft parked at Spanaway Airport.

The Bureau was given the go-ahead by the U.S. Attorney in Tacoma after it was determined planes engaged in interstate and international commerce had been broken into and vandalized. According to agents, this is the first time craft smaller than commercial liners have been considered under the interstate classification.

Burglary in question oc-curred May 11 when forced entry was made into a dozen or more aircraft to steal equipment, ransack belongings, tamper with instru-ments, and in one case, pour foreign liquid into a gas tank. Value of property taken during the airport crime spree will probably exceed the \$661 originally estimated by Sheriff's Deputies, and damage to aircraft will total several hundred dollars.

A colored liquid, probably a soft drink, was reported to have been poured into the left wing tank of a plane belonging to Jack Brown, 14620 Pacific Ave. The act of vandalism went undetected as Brown took off on an inter-state flight to Idaho. Because he had a heavy passenger load on the right side of his single-engine Mooney, Brown elected to draw from the right tanks, switching to the left tank later in the flight.

When I landed there was only a couple of inches of good gas left in the tank," Brown

A Mooney owned by Harold LeMay, Parkland, sustained \$150 damage, investigating deputy Richard Melin reported. Sheriff's deputies were at the scene soon after it was reported about 8 a.m. Saturday morning. Time of the burglary was estimated to be an hour or so earlier.

Exurbia Filthy Says PCE. Agent

''Today in Pierce County we have over 150,000 people using septic tanks. This contributes to the fact that exurbia has become the filthiest place in the world to live today," said Pierce County Agent Frank Jackson today.

"As water pollution continues to plague all areas of the United States, the need for trained manpower in creases," Jackson continued.

Over \$1 billion were spent last year for facilities to treat industrial and municipal wastes. In the past 14 years over \$9 billion have been invested in such facilities.

"The next few years will witness a rapid increase in demand for personnel of all types in the clean water program,'' promised Jackson. This need would extend from postgraduate trained scientists and engineers to the staff required for day-to-day opera-tion of thousnads of sewage treatment plants. No single geographic area will be exempt from this need.

Trained manpower required to meet this need will have to increase at least 150 per cent by 1972, the report concluded.

PLU Swim Program Outlined By County

Four days have been set aside at the Pacific Lutheran University swim pool office for registration in the first session of the Pierce County Park Department's swim instruction program.
Youngsters from six years

of age and older who stand 39 inches at chin height may register May 23-24 from 6:30 to 8:30 p.m. and on May 25 and June 1 from 10 a.m. to 1 p.m. for the first three-week session.

Classes will be offered for beginning, intermediate and advanced swimmers and a special class for housewives will be conducted at noon. The

opening session will run June 17 through July 5 at the PLU pool.

A registration fee of \$4 per session for children and \$5 per session for housewives will be required. Transportation will be provided at a \$2 per session fee in the Franklin Pierce District and \$3 per session in the Bethel area. Franklin Pierce buses will pick up youngsters at the Central Avenue, Collins, Harvard, Elmhurst and Midland schools.

Classes will be 30 minutes in length starting Monday through Friday at 9 a.m. and concluding with the house-wives session at 12:30 p.m.

Other sessions will be given July 8-26 and July 29 to Aug. 16 at the PLU pool.

RETIRING TEACHERS HONORED. Five Franklin Pierce District teachers who will retire at the close of this school year, were paid special tribute during the FPEA banquet Friday at the Top Of The Ocean. They are pictured (l-r): Frances Johnson (Parkland), Georgia Stay (Parkland), Elza Simsons (F.P.H.S.), Esther Myhre (Kiethley), and Almira Norton (Harvard).

Dear Mr. and Mrs. Parkland:
On behalf of the entire
Parkland Development Association, we wish to extend a
heartfelt thank you to all of
our friends and neighbors that
made this, our 5th annual
Parkland Clean-up Campaign,
a success.

Through cooperation of our fine local businesses, large and small, civic organizations, PLU, Franklin Pierce School District, and our fine Parkland residents, we are indeed proud of each and every one of you who helped on "Clean-up Day" to make Parkland just a little more pleasant to live in.

We cannot stress enough the importance of each and every one of us in the Parkland area to take a second look at his or her place of business and residence and ask ourselves periodically. — "Am I doing my little part to make my place in Parkland a Clean, Safe and Pleasant area in which to live?" This costs so little and does so much to all of us. It could be contagious — so let's try it.

Health and sanitation are vital all year around and we ask your support.

To The Editor:
The statements made by Mr. Harstead at the Hearings of the Boundary Review Board warrant some explaining. His statement

made on the first day of the hearing that the 21inch trunk line was inadequate, is the only one that apparently holds water.

At the hearing, and also in the Tacoma News Tribune of June 7, 1967, he said the plan is designed to service 39,000 persons. In conflict, is his later statement that the line will serve only 17,000 or 18,000 persons — less than half as many. He might explain how he intends to cram 39,000 people's service into this undersized line between Parkland and Lakewood. It is reasonable to assume another line will have to be installed eventually over the same area.

the same area.

Mr. Harstead might also explain his "logical" reasons for omitting the Franklin Pierce High School from the first L.I.D., and those reasons for including one side of a boundary street and not boundary street and not the other with the same density of population. One example is Croft Street, where, according to the statement made by Curt Roberts, "sewage is running down the street." A new home has recently been constructed directly across from Mr. Roberts place of residence on this street. It seems incredi-ble that the County Health Department would permit the issuance of a septic tank permit in an area that Mr. Roberts has termed as "unbearable." The South Suburban Sewer District is being selective and inconsistent in providing sewer service for Parkland.

As to the annexations to the S.S.D., it is apparent that the more land that is annexed the more irregular the boundaries become, and descriptions of future proposed annexations show that there would be jogs formed in boundaries which are now straight. Mr. Binns stated that the S.S.S.D. "should not be critized for using the method most likely to succeed." It was methods used, not sewers, that started the minor "civil war" in Parkland, and it will not be easily forgotten. The people of Parkland are entitled to be shown a comparison of cost figures per acre between the County's \$400

per acre for a permanent line, and the S.S.S.D's proposed temporary line. An election has been held and those supporting the District will lose a constitutional right as well as those opposing it if the vote is not recognized.

Instead of the County being 3 years away in planning, Mr. Sprinker estimated it at 4 to 6 months. It is very gratifying and encouraging to the residents to find rapid progress is being made by the one source that can provide a complete sewer service line for the entire area of 35,000 people.

Dr. J. Anderson Is Best Teacher

Pacific Lutheran University's chapter of Blue Key, national honorary fraternity for men, announced Wednesday its selection of Dr. Joseph Anderson as the recipient of the "Best Teacher" award.

Dr. Anderson, an assistant professor of religion, was chosen on the basis of his classroom teaching ability, promotion of in-tellect outside of the

classroom, and willing-ness to aid students. The son of Lutheran missionaries, Dr. Anderson was born on Mount Kilimanjare in what is now the Republic of Tanzania. He graduated cum laude from Augustana College, Rock Island, Ill., and received his bachelor of divinity degree magna cum laude from Augustana Theological Semi-

Following his schooling Dr. Anderson served as a field representative of the Lutheran World Federation Service in West Germany. In 1950 he accepted the Centennial Graduate Scholarship of

the Augustana Lutheran Church and started at Union Theological Seminary in New York. Two years later he received theology and theology and theology are county eitigens to join

That same year the Augustana Lutheran Church ordained Dr. Anderson and called him to a church in Corona, New York. In 1954 he accepted a call to Elizabeth, New Jersey where he also served as a guest lecturer at Upsala College.

A short time later Dr. Anderson accepted another call, this time to Quincy, Mass. In 1958 he enrolled as a candidate for the Ph.D. degree at Boston University. Grants from the Board of Theological Education en-abled him to take leaves of absence from his congregation so that he finished his degree in theology in 1966. He came to PLU in September of that year.

In designating May 19 to 26 Soil Stewardship Week, Governor Daniel J. Evans said changing events within the state, the nation, and the world are focusing attention on resource management.

The Governor stressed that the issues bearing on re-sources have been broadened to include population growth, the spread of hunger, concern for resource quality, interest in resource planning, and urban growth.

Other aspects of resource management listed by the Governor included the basic and continuing problems of water supply, flood prevention, wildlife preservation, forest management, and erosion control; also, outdoor recreation, wilderness, multiple use of resources, river basins, natural beauty and reclamation.

"Heat Lightning" Drink Cools You In A Flash

Streak into favor with friends this summer when you serve "Heat Lightning" refreshers, a dramatic combination of ice cream, quick chocolate-flavored mix and milk. First aid for the hot and thirsty was never achieved in such simple fashion as with drinks made with quick chocolate-flavored mix and milk. The mix stirs into milk and blends instantly. No beaters are necessary. Keep a box of quick chocolate-flavored mix on the shelf for a shortcut to nourishing coolers for summer.

"Heat Lightning"

For each serving, put scoop of vanilla ice cream in 12-ounce glass. Sprinkle with 1 heaping teaspoon quick chocolate-flavored mix. Repeat until glass is 3/4 full. To serve, add milk to fill glass. Stir gently. Add whipped topping if desired. Eat with spoon. TO DE TIE

SPANAWAY - A complete superstock racing program, with an additional feature of the Disc Jockey Jubilee debut, is on tap for Spanaway racing

fans this coming Sunday.

Promising to tool the hot iron around Spanaway's asphalt oval are Jim Rogers (KTVW), Ed Dollar and Charlie Burd (KMO), Pat Pattee of Portland, plus an assortment totaling about 10 others. This one could easily end up like a freeway in a fog, with the boys spinning the wheel like a turntable.

In last Sunday's Mother's Day program, a die-hard core of 1,000 fans voted to watch an abreviated program in spite of the rain. Aiming to please, a record turnout of 34 cars cranked up and ran heats and 50 lap mains, using time trials from two weeks ago for

starting positions.

Don Hall continued his amazing string of successes, stretching an unbeaten streak through four straight, It wasn't easy, as Jackie Kuper and Bob Short chased him all the way home. Hall took over on the 24th lap, managing to get in-side of Kuper's number 1 car.

In the 50 lap "A" main, Ken Longley took the checkered flag in front of Dave Rogers and Terry Standish, Steve

PS Amateur Golf Tournament Set

A classy field of 200 amateurs appears likely for the third annual Puget Sound Amateur golf tournament to be staged May 25-26 at Lake Spanaway by the Tacoma Sports-Recreation Federation.

Pro-manager Ken Tyson of Lake Spanaway and tourna-ment co-chairmen Marty Erdahl and Larry Iverson have combined to make several changes in the format of the \$2,500, 36-hole tournament. Proceeds will be used by the Federation to promote the Tacoma-Pierce County area junior golf program at Lake Spanaway and Meadow Park.

The latest group of entries in the tournament includes former City Match Play champions Bob Morris and John Kahaniak and Pacific Northwest Golf Association official Clarence Smith of

Seattle's Rainier Golf Club. Young Orrin Vincent of North Shore, a semi-finalist in the 1968 City Match Play tournament and former Seattle University golf star, has indicated he will participate, along with University of Washington golf team mem-bers Steve Cole and Gary Henderson, two-time left-handed golfers national champion Jack Walters of Firerest and Chuck Morris, No. 1 man on the Tacoma Community College's golf squad.

More than 75 players have already submitted entries for the tournament with more than a week remaining until the May 16 deadline date. Starting times and pairings for the competition will be made May 17 at Lake Spanaway by co-chairmen Erdahl and Iverson and other members of the tournament committee.

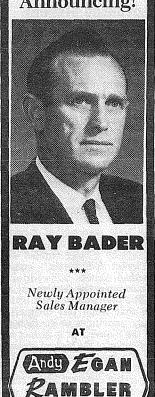

The competition will feature an extra attraction of a special hole-in-one contest on the practice area at Lake Spanaway during the two days of play. The contest will offer a \$100 prize for a hole-in-one and \$35 top prize for the closest shot to the flag each

Junior Golf Registration

Offices of the Metropolitan Park District and Pierce County Park De-partment will begin accepting registrations Mon-day, May 20 for the summer junior golf free playinstruction program.

Youngsters between 11 and 18 years of age may register for the 10-week program beginning at 8 a.m. in either the Park District office, Room 236, or the County Park Department office, Room 735, in the County-City Building.

Sandpipers To Perform ART GALLERY At PLU Show

The Sandpipers, a young musical group that rose to recording fame in 1966 with their release "Guantanamera," will present a concert U V E at 8 p.m. Thursday May 16 at Pacific Lutheran University.

Tickets for the performance at PLU's Memorial Gymnasium may be purchased at the door. Seats are not reserved.

Prior to the release of "Guantanamera" in the sum-mer of 1966 the three singers, Michael Piano, Jim Brady and Richard Shoff, performed under the name "Grads."

Fame came fast upon the release of their first major record hit, and they followed it up with an album by the same name. A short time later they released another single, "Louie, Louie," which also was a big seller.

Success didn't come over-night for the Sandpipers. They recorded four songs before producing a hit, and all three held other jobs to supplement their incomes. Eventually, however, they contracted nightclub jobs in Reno, Lake Tahoe, San Jose and Las Vegas.

The three men, all 23years-old, formerly sang to-gether in the world-traveled Mitchell Boys Choir.

Advanced Student **Art Display At PLU**

The department of art at Pacific Lutheran University is displaying the works of its advanced students this month in the University Gallery of the Robert Mortvedt Library.

Members of the art depart ment faculty selected student work representing all levels of study. On display are sculptures, oil paintings, ceramics and other art forms.

'Exhibitions of student endeavors are frequently potpourri in nature because of the wide diversity of media and as a result of personal efforts by a large number of different individuals," commented Ernest Schwidder, chairman of the department.

The professional artist added that while this diversity may sometimes be confusing to the viewer, "It is in fact a reflection of the highest ideals of this department. Each student is engaged in a search, exploring different ideas and investigating a variety of materials in a never-ending confrontation with his own reflections."

TECHNICOLOR'

PLU To Present FP Slates Major Musical

Pacific Lutheran University will stage its second major musical production in less than one week next Sunday when it presents the unusual "The Unicorn, the Gorgon and the Mantacore.

This musical work, written by Gian Carlo Menotti, is a madrigal fable for chorus, dancers and nine instruments. Performing these roles at 8:15 p.m. in PLU's Eastvold Chap-el May 19 will be the school's Madrigal Singers, the Jan Collum Concert Ballet Group of Tacoma, and instrumentalists from both the university and the community.

David Urness, a member of the music faculty and conductor of the University Chorus, will direct the work. It will be the second production for him in a week span, as he is director of PLU's weekend (May 11-12) presentation of

Bach's "Mass in B Minor." According to Urness, the story of "The Unicorn, the Gorgon and the Mantaçore" is about a strange character who is bored with life. However, on Sundays he leads three different animals on prome-nades. The beasts symbolize youth, middle age and old age, and the plot of the story concerns the reactions of the man's associates to the ani-

The Franklin Pierce High School Spring Music and Art Festival will be presented May 17 at 7 p.m. A combination concert by

all of the music groups and a fine and industrial art display, the festival will open with an hour's showing of art in the cafeteria. At 8 p.m. the musi-cal concert will begin in the

Jan Collum's ballet dancers play the main characters. Larry Sutton, a PLU graduate who teaches at Westport, Wash., has the lead role. He is supported by Steven Karnos of Tacoma; Donna Jeanne Harter, a junior at Tacoma's Lincoln High School; and Francy Dickenson, a senior at Stadium High School in Taco-

Dancers enacting the part of the animals are Leonard Mills, a Tacoma teacher; Lee Brunswick, a junior at Curtis High School in Tacoma; and Steven McGloghlin, a student at Stewart Junior High School in Tacoma.

Two members of the Madrigals, Karen Helland and Constance Koschmann sing solos in the performance. Mrs. Floy Dalton, wife of PLU's student congregation pastor, is the costume designer.

gymnasium, and after the concert, the art display will continue to be open for an-

other hour.

This is the only art show to be held at the high school during the year.

The concert will include numbers by the varsity band, the orchestra, concert band, mixed chorus, choir, and girls' glee club.

The varsity band will play "Trumpets Up," Alan A'Dale," and "Fairest of the Fair."

Orchestra numbers will be "Music for the Royal Fire-works," "Fugue and Vivace," and "Sonata.

The numbers of the concert band, will be "Barnum and Bailey's Favorite," "Roman Carnival Overture," and "Up, Up and Away."

The mixed chorus will sing

"He Watching Over Israel,"
"Bless the Lord, O My Soul,"
and "Praise to Him, Allel-

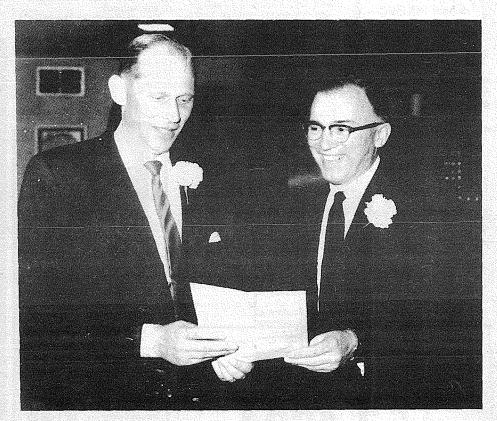

Numbers to be sung by the choir include "Joobali," "Spring," "Sanctu and Glo-

ria."
The girls' glee club will sing
"Fire, Fire," "Hush, Hush
Sweet Charlotte," and "Wendy." The combined choirs will present "Ain't Got Time to

In charge of the concert are Angelo Manzo, Vocal; Sharon Wilmeth, Orchestra, and Eugene Ahrendt and Robert Harper, Band. The entire music and art festival is free to the public.
