Grange Fair Sunday At Waller Road

The annual Waller Road Grange Fair will be held on the Grange grounds at 2708 64th Street East (West of Waller Road) on Sunday, July 28th.

The events of the day get into full swing by noon, according to James Taylor, general chairman.

The Barbecued Chicken Dinner will be served from 11:30 a.m. to 4 p.m. (spaghetti, salad, rolls, and 1/2 chicken) \$1.50 for adults, under 12 75c.

Entries in the Fair are open to the public. They will be received Saturday, July 27th, from 7 to 9 p.m. and Sunday morning from 8 a.m. to 11 a.m.

Outside entries of livestock come in until noon.

There will be no hobbies this year, due to an enlargement of 4-H project displays from throughout the county. This will be the last opportunity for a practice showing for the 4-H or FFA youngsters before the Pierce County Fair at Pioneer Park in August.

The Waller Road Grange has secured trophies to be awarded as well as ribbons, making the effort of showing more worth while.

The horseshoe contest, headed by Carl Schuler is scheduled for 2:30 p.m. with trophy awarded to the winner.

In conjunction with the Fair there will be a 2-day tournament of Little League ball at the Waller Road School playground. Cochairmen of the event are Bob Fredricks and Bob Iverson. Trophies to be awarded to the winning teams by the grange.

There will be a Bazaar booth by the Grange Auxiliary. Hot dogs, pop, ice cream and all the necessary items needed will be found on the grounds. Bring your camera to take a picture of the Grange men barbecuing 150 halves of chickens at a time. They will also be at the barbecuing post at the Pierce County Fair at Pioneer Park.

The flower show, under supervision of the garden club, has become an outstanding show of beauty. Information may be had by calling Chairman Mrs. Maxine Maynard, WA 2-7419, as to entry qualifications.

Special event! Pig scramble - Youngster catching the pig gets to keep it to raise.

There is no admission price to the Fair. Come and enjoy it! There is a grand prize of a young beef awarded to the holder of a lucky number.

Sixth-graders through adults will provide entertainment at a band concert slated for 7 p.m. Monday, July 29th, near the Boathouse at Spanaway Park according to Ray Johnson, director of music at Bethel Junior High School.

Selections of the 50-piece band will include John Phillip Sousa Marches, Music Man, Prelude, and Washington Post.

Parkland Crash Kills Four

A spectacular airborne flight of a car that sailed out of control from the overpass approach on Highway SR 512 to Park Avenue below ended in tragedy early Sunday morning.

The crash claimed the lives of Robert L. Johnson, 25, his wife Margo T., 22, of 6312 76th Ave. East, Puyallup, and Robert L. Phillips 23, and his wife, Barbara Ann, 23, of 1652 South 95th. Johnson was reported to have been driving when the accident occurred.

After shearing off a metal light standard on the freeway (SR 512), the Johnson car plunged over an embankment and sailed airborne over Park Avenue to slam into a concrete bulkhead on the west side of the street. During the fall, the vehicle struck the upper portion of a car driven by Norman S. Whitter, 28, 3309 South Ainsworth. Whitter was headed south on Park Avenue, State Troopers stated.

All occupants of the Johnson car were thrown from the vehicle, killing three instantly. The fourth, Mrs. Phillips, was declared dead-on-arrival at Lakewood General Hospital. The crash occurred at 12:12 a.m. Sunday morning.

Units of Parkland Fire Department were called to the scene to wash a film of gasoline from the pavement.

Johnson, a Boeing employee, and his wife, who worked in the Safeway Bakery, 112th and Pacific, are survived by a son, Michael John.

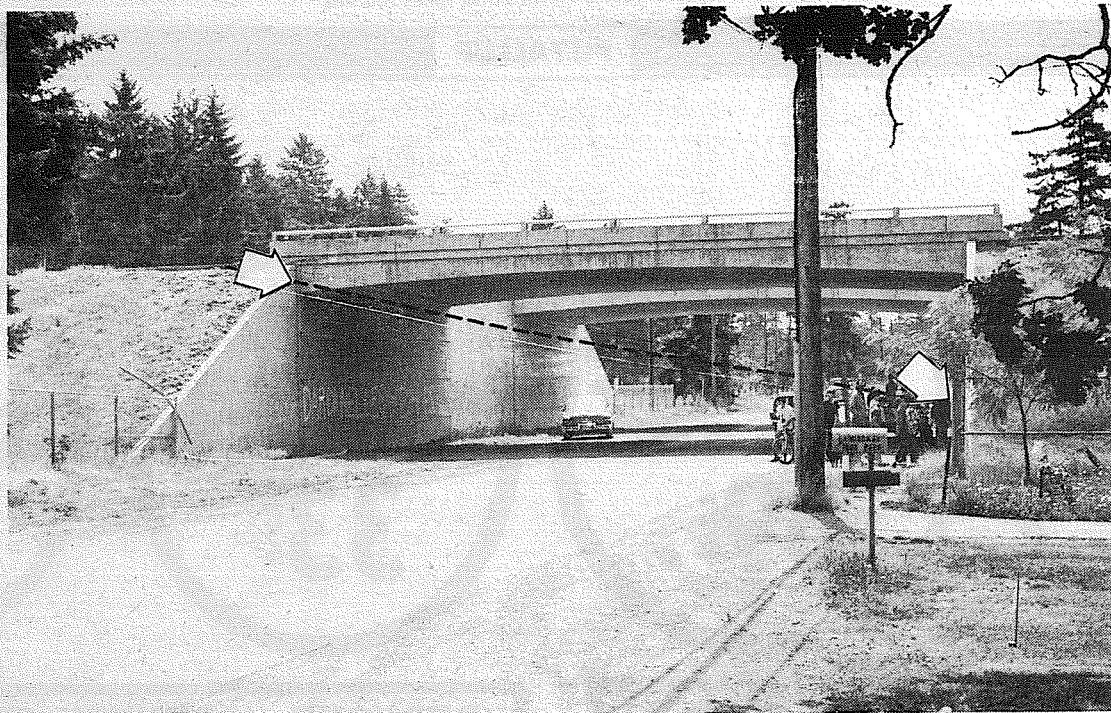

The Phillips are survived by two sons, Daniel and David. He was a welder and has lived in the Tacoma area since he was 9 years of age.

Services for both couples were arranged by Mountain View Funeral Home.

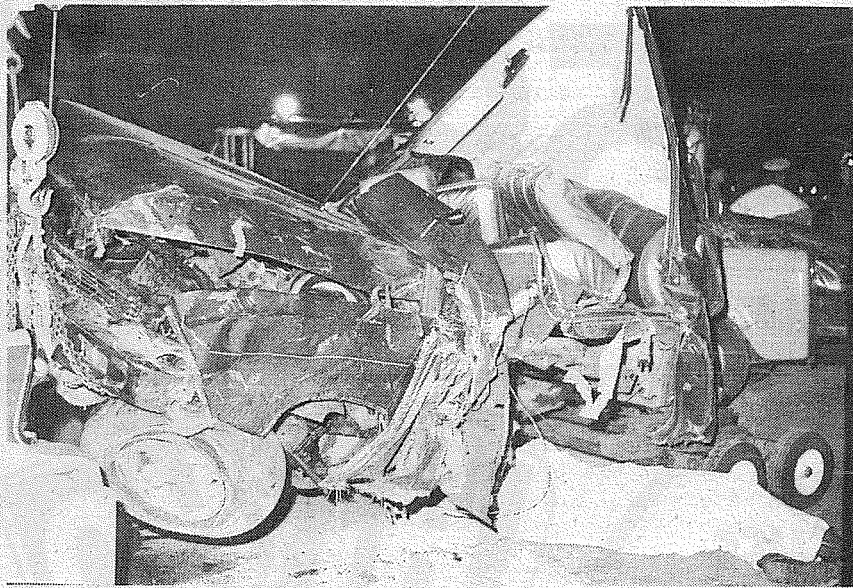

Witnesses To Attend

Many of Jehovah's Witnesses from the local congregation eagerly await their departure day for the "Good News for All Nations" District Assembly in Spokane to be held July 25-28. The purpose of these four-day conventions is one of intensive advance ministry training and Bible instruction. They will learn also how this theme will be carried out and applied to their personal life and ministry.

This is one of the 39 conventions scheduled for this summer by the sponsors, the Watchtower Bible and Tract Society of New York, Inc.

FATAL PLUNGE - Four died early Sunday morning when a late model car sailed from Highway SR 512 above, across Park Avenue, and slammed into a concrete bulkhead after glancing off a southbound vehicle on Park. Arrows indicate airborne flight of the death car. Scene of the tragedy was Freeway overpass at approximately 109th and Park Avenue South.

TWISTED WRECKAGE of late model car provided Lucky Sales Wrecker crews with problem of keeping remaining components intact during transportation. (Above) Killed in crash were Robert L. Johnson, 25, Puyallup; Margo T. Johnson, 22, Puyallup; Robert L. Phillips, 23, 1652 South 95th, and his wife, Barbara Phillips, 23. Accident occurred at 12:12 a.m. Sunday near 109th and Park Ave.

DAMAGED FROM ABOVE - This stationwagon, driven by Norman S. Whitter, 28, 3309 South Ainsworth, was damaged early Sunday morning when a car driven by Robert L. Johnson, 25, Puyallup, sailed off the SR 512 overpass bridge approach to Park Avenue below striking the Whitter car. Whitter escaped injury.

Sunday Program Purposes To Aid Kidney Patients

SPANAWAY - Four auto racing groups will combine forces Sunday, July 28th at Spanaway Speedway in a "Race for Life" benefit program for the purpose of aiding two people in need of an artificial kidney machine to sustain life.

The Auto Racing Inc, Superstocks, Figure Eight association, Foreign Stocks and Three Quarter Midget Racing association will all donate purses and official's pay in order that Mary Busick of Tacoma and Joe Black of Seattle may obtain medical care.

In Sunday's Figure 8 program, Wayne Crum and Cliff Pierce completely dominated the modified and stock divisions, making a clean sweep in the trophy dash, heat and main events. Doug Lashbaugh and Bob More chased Crum over the finish line and Roger Estrin and Kenny Buchanan followed Pierce across the

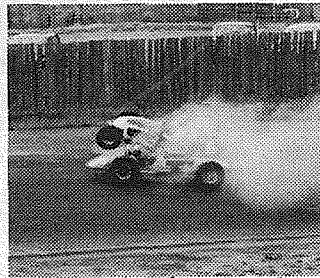

final stripe.

Vern Church captured a hotly contested 30 lap spring car main, edging out Steve Meyers by a short car length. Gerry McLees took 3rd in the feature.

Al Keller and Jim Edwards locked horns in the east turn while both were very much in contention.

DRAGS - On display at Andy Egan Rambler are REVENGE and RETALIATION, the AMX and Javelin drag cars that have set records across the nation. To end the one-week display will be a "Car Clinic" to be Thursday and Friday nights at 7:30. On hand to give the clinics will be Bud Gregson and Miss Patty Smith, well-known drivers on the strips.

The Sunday program will start with time trials at 1:30 and racing at 3:00 pm.

A.R.I.'s regular Saturday night fender banger will also be held and will feature another of the popular Powderpuff Derbies. In last week's program, Don Hall ran off with the 40 lap double "A" main, with Jackie Kuper taking 2nd and Bob Short 3rd. Short captured the trophy dash and fast heat to gain valuable points on both Hall and Kuper in their battle for season standings.

New names popped up in the "A" main finishers as Bruce Liner took the checkered flag in the 50 lap go-round followed by Walt Wooten and Paul Strock. Season point leader Ken Longley came a cropper in the west turn when a multi-car collision practically totaled out his hot 92 stocker.

The 15 lap Powderpuff also added fresh talent to the winner's circle when Esta Willard raced to victory ahead of hard driving Darlene Cress and Dee Brunson.

Don Hall set a new track record for one lap, lowering his 16.08 mark to an incredible 15.98.

Why it pays to call ahead for reservations.

There's nothing more dismal than a string of "No Vacancy" signs after a long day's driving. So do yourself two big favors when you travel by car: (1) call ahead for reservations and (2) plan to stop early enough to get a really good rest. Your trip will be much more pleasant. And safer.

Popular Band Will Feature In Arena Show

For the "hip" crowd at the arena show there will be several appearances by the "Guatamala Tins" band.

This group of Bethel School District students plays the popular Tijuana Brass-type instrumentals.

The group is under the capable directorship of Ray Johnson, director of music at Bethel's Junior High School.

One thing is for sure with this band. You do not have to be under 21-years-of-age to enjoy them.

Ponies To Stage Pulling Exhibition

A contest designed to test the pulling ability of pony teams will be staged during the arena program Saturday and Sunday.

The teams are hitched to a sled loaded with cement blocks and judged on the amount of weight they can handle in relation to the weight of the ponies.

During the competition if the handler touches his team or even allows the lead lines to touch his ponies, he will be disqualified.

Rope Trick Added To Arena Show

Paul Anderson fancy whip and rope artist will demonstrate his talents during the second half of the arena show.

Anderson will exhibit his talents with a bull whip by snapping balloons out of the hand of Princess Colleen Smith.

Anderson is also an expert with a lariat and will demonstrate that talent by doing several unusual tricks.

Round-Up Queen

By Em Matson

Parkland crowned a queen Monday night at the James Sales Grange to reign over the 17th Annual Roundup festivities and represent the community for the coming year.

Pretty Marilyn Mullins, a blue-eyed blond Sumner High School senior, was named the choice of the judges based on beauty, poise, speaking ability, personality, and horsemanship. The Queen is the daughter of Mr. and Mrs. Harold Mullins, 14720 80th East Puyallup.

First Princess is Peggy Plummer, daughter of Mr. and Mrs. George Plummer, 210 Champion, Steilacoom. Named as Second Princess was Lynne Bennett, daughter of Mr. and Mrs. Tony Bennett, Route 1, Box 489A, Graham.

Selected as Miss Congeniality by a popular vote of the princesses was Claudette Kaufman, daughter of Mr. and Mrs. E.C. Kaufman, 13618 Waller Road East.

The new queen, who was sponsored by her employer the Hi Ho Shopping Center, lists horses, water skiing, fishing, hunting, and outdoor sports as her hobbies. Her interests include 4-H, Future Homemakers of America, and the Girl's Athletic Association.

During personality judging July 17 at Barlo's Restaurant, Queen Marilyn was asked by M.C. Dayle Collison what she would advise a teenage daughter about going steady. "I would advise never to get tied down with one boy," Marilyn replied.

The 5'2" 1968 Queen told the Journal that boys with long hair look ridiculous. "I like

QUEEN AND RUNNERS-UP - 1968 Roundup Queen Marilyn Mullins is flanked by First Princess Peggy Plummer (left) and Second Princess Lynne Bennett.

boys to look like boys," she stated.

Country and western music rates high with Marilyn, although she admits to occasionally flipping the radio dial to rock 'n roll stations. Buck Owens and Roger Miller are among her favorite entertainers.

Horsemanship is not new to Queen Marilyn. Her palomino registered Quarterhorse "Sunny Harbor" recently took Grand Champion Gelding halter class honors at a horse show in Graham. She plans to show "Sunny Harbor" at the Quarterhorse Fair in Centralia next month and participate in the Tacoma Unit No. 1 Show in September.

Working as a "box girl" at the Hi Ho to support her horse during the summer, she plans to work part-time at Dee

Parham's Training Stables this fall.

After graduation from high school, the new queen hopes to attend Green River Community College and major in social work.

First Princess Peggy Plummer is a 1968 Lakes graduate, while 16 year old Second Princess Lynne Bennett is a

junior at Bethel High School.

Claudette Kaufman, Miss Congeniality, is an 18 year old graduate of Franklin Pierce High School.

The winners were selected from a field of 14 contestants. M.C. for the coronation ceremonies was John Gibson, Bank of Washington.

GET AWAY FROM IT ALL!

Summer time is traditionally vacation time. So, this year, why don't you and the family get away from it all on that dream vacation. . . . with a personal, vacation loan from the friendly people here at Citizens. (P.S. And, while you're at it, why not open a Citizens savings account, too, and begin putting away, systematically, for that big vacation again next year?)

There will be a special guest of honor in Saturday's parade. He is SSGT Charles E. Whitson of Ft. Lewis. Whitson is decorated with a Purple Heart — with oak leaf cluster —; the Viet Nam Campaign Medal, American Defense Medal and the Viet Nam Service Medal. He will

ride in the Parkland fire chiefs car accompanied by Fire Chief Raymond Hixon, and Clarence Marsh, who is the only surviving charter member in Parkland's 26 year old fire department.

They will follow the Round-up Queen and her court. Queen Marilyn Mullins and her court will be escorted by the Pierce County Sheriffs Posse who will lead the parade.

Directly behind them will be Parkland's other fire trucks. This is something different as fire trucks are traditionally at the end of the parade. But the parade will be partly conventional as the Spanaway Elk Plain Fire Department will act as Caboose.

Other entries in the parade are Tacoma, Model T Ford Club, Model A Club of Tacoma, Model A Club of America, the Jeep Club, "Guatamala Tins" Band, "Traffic Jammers Dixieland Band" and Afifi Calliope.

Riding groups include Tacoma Lariettes, the Wranglerettes, Colts and Fillies, a 4-H club with 22 riders, Liberty riders, Meridian Riding Club and an assortment of independent riders.

Y.M.C.A. Indian Guides, past trophy winners, will be in the line up, as will Fawcett Chariot group, Lawrance Armstrong's 1880 high wheel bicycle, Girl Scout Troop 9, 4-H Pacers Riding group, Tiny Hoofs 4-H club, past trophy winners; several political cars and numerous independent old vintage cars of all descriptions. There are numerous ponies, carts, and buggies.

The parade will start at 96th and Pacific Ave., and will run straight south to end at 138th Street.

Trophies will be awarded for the best float, best riding group, best novelty and best comic novelty.

President's Message

The 1968 Parkland Round up is progressing into a full week of activities and began Monday night with the coronation of Marilyn Mullins as queen, chosen out of 14 beautiful and talented princesses at James Sales Grange.

Saturday night there will be a round-up dance at James Sales Grange from 9 to 12 with live western music.

The parade will be Saturday morning, July 27.

Starting time is 10 a.m., at 96th and Pacific and ending at Gonyea field. This is one of the longest western parades of its kind in this area. The parade will include riding units, musical groups, novelty and vintage cars and floats.

A carnival atmosphere will prevail Saturday and Sunday with games of chance being operated by the various civic organizations, there will also be a Pancake breakfast both days.

The main arena show will include chariot racing, barrel racing, pony pulling and saddle events, produced by Henry Fawcett.

Bob Keller and Joni Selden, the talented Parkland dance team, will perform during the show and also the Guatamala Tins, a young musical group from Bethel, will perform for your enjoyment.

The 1968 Round up queen and her court will be on hand to greet all comers.

I would like to express the thanks of the Parkland Business club to the many people of the Parkland Lions, Parkland J.C., Spanaway Boy Scouts, Altrusa club, Spanaway Lions, Spanaway and Parkland merchants and all other helping hands that made this program possible.

With combined efforts of all the community backing civic organizations, we will help improve and build Gonyea Park into a bigger and better place for our children to play. So let's have a big turn out for the 2-day community event, because all proceeds go to the park board for improvement of Gonyea Field.

Chariot Racing Will Billboard Roundup Show

The 1968 Arena Show promises to delight hundreds who join in the Round-up festivities, according to Henry Fawcett, producer.

Vying for purses up to \$200 will be the Yakima Chariot Club, Pulling Racing Pony Club of Buckley, Mustang Racing Club from Everett, two racing clubs from Woodinville, Washington, and the recently organized Tacoma Chariots Unlimited.

In addition to the chariots, Fawcett stated, the program will list a figure 8 chuck wagon race, Queen's barrel racing, children's saddle barrel races, a pony team pulling contest and a Roman style pony express race.

The afternoon programs, that will start approximately 1 p.m. will feature top racing ponies which come within 3 or 4 seconds of beating a racing Quarter Horse in a 3/4 mile run.

An additional attraction for the youngsters during the 1968 arena show will be pony and wagon rides. One of the wagons was brought to Parkland by Henry Fawcett from his home state of Kansas. Fawcett has been contracted by the Parkland Business Club to produce the show.

Special Thanks

The 1968 Roundup Committee wishes to issue a special thank you to those businesses donating queen's awards and to the princesses judges, Chairman Earl Clemens announced Tuesday.

Donating awards for the 1968 Queen were The Bunkhouse, a western hat; Rodeo Custom Shop, a pair of spurs; and Simon's Western Store, a belt buckle. Store owners attended the Coronation to personally make the presentations.

Judging for the queen were Carol Stecker, Stecker's Stables; Marie Hayes, Hayes Stables, and Wynette Russell, The Bunkhouse.

Spanaway Lions donated the trophies to be awarded Sunday, July 28 to the princesses voted "All Around Sports Girl."

THRILLER - Joni Selden and Bob Keller, a Parkland area dance team, will thrill the crowds at the 1968 Parkland Round-up Arena Show with an "Adagio Acrobatic Number." The team has been working as one for a year now and plan to turn professional this year. Sixteen-year-old Joni, who will be freshman at Clover Park High School this coming year, has been dancing for 10 years. Her partner, Bob, a graduate of Franklin Pierce School, has enjoyed the art for 17 years.

Proceeds To Gonyea Park Make Up Roundup History

By Sandy Ingram

"All proceeds to go to Gonyea Park." An extremely popular statement in Parkland during July of each year.

We know what Gonyea Park is, but do we realize what went into the how? and why? of this recreational area.

The 'Why?' was to fill in the area. The children had nowhere to play games and become involved in sports.

The solution to 'why' answers 'how.' Parkland Business Club members, along with other residents and civic organizations, and a 13 acre donation from Henry Gonyea was the beginning.

Gonyea specified in the donation that the land must be used for playground and recreational purposes and with that promise made signed an agreement giving Pierce County ownership of the property.

Immediately following the donation an all out effort was made by the Parkland Community.

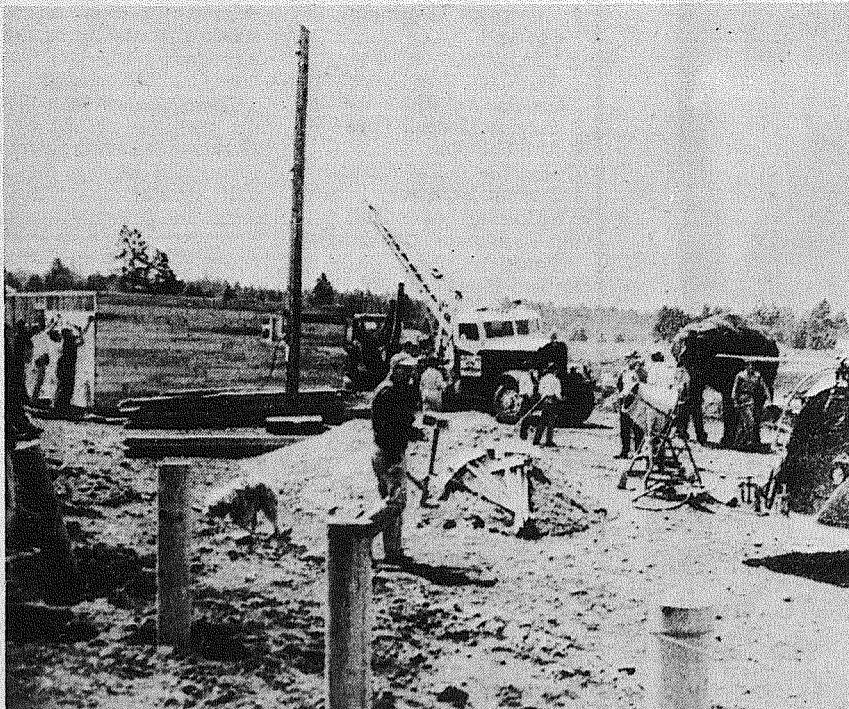

Sleeves were rolled-up for the "playground in a day" project.

Local firms donated lumber and equipment, which was topped by a circus group, stranded in the Parkland area, that volunteered the use of the elephants, which supposedly would give the necessary publicity, but had a big hand — er, hoof — um, paw — cough, pad, — anyway they helped in grading the field and lifting timbers.

Within twenty-four hours there was "Gonyea Field."

Business Club members, in cooperation with Kiwanis, Jaycees, Lions, Altrusa, and the Parkland Fire Department have given aid since.

In its 17-year history, the Parkland Roundup has mushroomed from a combination

COMMUNITY WORK-BEE — Most everybody in Parkland turned out for the "playground in a day" project. With the help of cranes, elephants and plenty of elbow grease, within twenty-four hours Gonyea Park was a reality.

community carnival, livestock show to a full-fledged week long festival.

During that time it has moved from a vacant lot on Garfield Street to the 1500 capacity arena, and its proceeds have all gone to Gonyea Park.

The first Roundup was June 2, 1951, and saw Virginia Topping heralded as the successful queen candidate by a band of performing Swiss yodelers.

Walter Young was general chairman, and the program was M.C.'d by a young state

senator, Don Eastvold.

Floyd Hicks took time out from Superior Court to preside over a Kangaroo court formed to try those who failed to wear western shirts.

Television personalities Stan Boreson and Sheriff Jim "Texas" Lewis were featured in a variety show at the PLU gym to highlight the coronation of Parkland's second Roundup Queen, Carmen Robinson.

Ten thousand spectators were reported to have jammed newly established rodeo grounds next to the Na-

tional Bank of Washington, 112th and Pacific, to witness the first Roundup rodeo in 1953.

This was the year Parkland Business Club took over as sole sponsor of the event.

Volunteer work parties worked day and night to build a rodeo arena at the present site, just in time for the 1954 Roundup and rodeo.

The activities have progressed until now the 1968 Parkland Roundup is underway and well on the way to being the greatest success of all.
