Daffodil Queen To Be Chosen Monday Evening

LAARC, a classic Arabian Stallion owned by Mr. and Mrs. Glenn Johnson, appears to be talking horse sense to an attractive pair of Daffodil Princesses and his trainer, Jerry Edwards. The Princesses, Sherry Nylander (left) and Diane Billett, represent Bethel and Franklin Pierce areas respectively. The horse, for the purpose of this picture, represents the Daffodil Arabian Show, one of the many activities of the Puyallup Daffodil Festival. See inside for complete outline of Daffodil Week activities.

Daffodil Festival In Final Countdown

The 1969 Daffodil Festival countdown entered the final week before the Queen's coronation in a crescendo of activity.

Daffodil court members have been making public appearances at a dizzy pace. Service clubs, hospitals, public officials and the press have been recipients of royal visits and gift daffodils in recent weeks.

Plans for the big improved coronation show in the Puyallup High School auditorium April 7 have crystallized. Popular instrumental-vocalist-humorist Roy Clark has been signed to highlight a show including vocalist Bonnie Guitar and Jack Roberts and the Evergreen Drifters.

And everyone is wondering which of the ten lovely daffodil princesses will be selected to reign over the 36th annual Puyallup Valley Daffodil Festival.

The show was moved to the Puyallup site to accommodate the large crowd expected because of the entertainment planned this year. The Puyallup gym seats 4,000 in comparison with the previous site's 1,500.

Approximately 30 floats have been entered in the grand floral parade this year. A new parade route in Tacoma will begin at Stadium High School and proceed down Stadium Way to end at South 21st and Pacific Avenue.

Parade routes in Puyallup, Sumner and Orting are unchanged.

Plans for the nautical portion of the festival — the marine parade and regatta April 13 — are also bearing fruit. More than 20 entries for seagoing floats have already been received with more expected. Twenty-two organizations are participating in the marine show.

More than 80 sailboats have entered three classes of competition in the Daffodil Cup races.

Sporting events, including basketball and volleyball competition are being concluded.

On festival weekend, April 12-13, the Tacoma Agate Club

will be saluting the Daffodil Festival with their annual Gem & Mineral Show. Also on that weekend, the Arabian Horse Show will be held at the Washington Horsemen's Arena.

A noteworthy addition of the festival is the participation of the Hilltop area of Tacoma with events ranging from a tea through selection of Miss Hilltop and an open house of Hilltop Multi-Service Center. Daffodil Festival President Dick Wingard welcomed the Hilltop people to participation in the festival and indicated that similar participation from other neighborhoods and communities would be welcomed.

Sales of patron memberships and booster buttons are continuing as a large percentage of Tacoma and Valley city people take part in supporting the yearly pageant.

This year's events include a new dance for high school age people April 5 in the Winthrop Hotel's Crystal Ballroom.

"Down Memory Lane," the theme of the festival, will be carried out by floral floats as more memories are etched on the minds of spectators and participants.

Festival manager P.G. Martin estimates that the festival this year will give a half million dollar boost to the area's economy.

The flower in the Puyallup War Memorial Building has drawn numerous competitive entries. One of the outstanding features of the show which runs April 11-13 will be a conservation exhibit by fourth graders who form a junior club.

More than 2,300 entries have been received for the Junior Parade in Tacoma April 5. TV celebrities will participate, along with children, hand powered floats and pets.

Grand Marshal Chester A. Hogan, Imperial Potentate of the Shrine of North America, is preparing for the big parade and Fire Chief Jim Reiser is marshal for the children's parade.

Bethel Sunrise Services Announced

The Bethel Ministerial Association and the Bethel High School Booster Club will again conduct the Annual Sunrise Service, Easter Sunday morning, April 6, at 6:30 a.m.

If the weather is exceptionally nice, the service will be held out of doors, but in inclement in the gymnasium.

The message will be delivered by Colonel Donald C. Peterson. Colonel Peterson is a member of the First Presbyterian Church in Tacoma and serves his church as an Adult Bible Class teacher, Elder and Clerk of Session. He was saved under the ministry of the late Dr. Donald Grey Barnhouse in 1946.

He is the State Procurement Officer for Selective Service in the Tacoma office. He has served 32 years Active and Reserve in the United States Army, in all grades from Private to present grade of Colonel. He entered the service in 1936 in the National Guard with a Horse Cavalry Unit. During World War II, he served in General Douglas MacArthur's headquarters in Manila. For the past 20 years he has been assigned to a civilian agency, the Selective Service System.

Colonel Peterson is a graduate with honors from the University of Puget Sound, Tacoma. Past Chairman of the Tacoma Christian Businessmen's Committee, Past Chairman of the Tacoma Young Life Council. Presently Chairman of the Board of the Tacoma Christian Servicemen's Center and Chairman of the Board of Northwest Bible Schools, Tacoma.

Colonel Peterson is in great demand as a special speaker in the Pacific Northwest and we are most delighted to obtain him for our Sunrise Service at Bethel.

Music for the Sunrise Service will be provided by the Bethel High School Music Department and will be under the direction of Harold Turney. Mrs. Bill Murphy will be the organist. Members of the Bethel High School Drill Team will serve as ushers.

Special offerings have been received in past years to assist in the Pierce County Hospital Chaplaincy Program to provide literature. Last year New Testaments in Today's Modern English were provided to Senior Citizens Homes in our area.

This year our committee decided it should be received for World Starvation Relief.

Following the Sunrise Service, the Bethel Booster will again be serving their delicious pancakes and bacon, including coffee or hot chocolate (all you can eat) for the slight charge of 35 cents under 11 years, 75 cents 12 and over, or family tickets for \$2.50.

If there is any additional information desired or any questions, please contact either the Rev. N. Schafer, Program Chairman, 843-2416 or Mr. Lloyd Hopkins, President of the Booster Club, VI 7-7448.

Library Trustees Meet

Pierce County Library Board of Trustees will meet April 9, 2:30 p.m., at 2356 Tacoma Avenue South. The meeting is open to the public.

Parkland Cleanup Announced

The first four days of May have been set as the dates of the 6th Annual Parkland Cleanup Drive sponsored by the Parkland Development Association.

Chairmaning the annual campaign is Henry Hetle, who will soon be selecting chairman for the various committees.

School Fund Bill County-Wide Victory Says Sen. McCutcheon

Senator John T. McCutcheon (D-Steilacoom) said today Governor Evans' signature on his bill returning federal "in lieu" funds to local school districts "represents an outstanding victory for all of Pierce County."

The McCutcheon Act repealed a hastily-passed 1967 law which permitted the State Superintendent of Public Instruction to subtract 85 per cent of state school allocations in districts receiving the federal Public Law 874 funds.

"In Pierce County this means that local school districts will receive the full benefit of some \$3.8 million in federal funds which are granted the district in lieu of the tax base that is lost from the location of major military establishments, such as Fort Lewis and McChord Air Force Base, in the county," Senator McCutcheon stated.

He added: "We will not again see the unfortunate and humiliating experience of a local school district like DuPont going bankrupt because the superintendent of public instruction, Mr. Bruno, invoked his authority under the previous law."

"That district was forced into insolvency when state funds of over \$400,000 were withdrawn by Superintendent Bruno. Teachers went unpaid while the district scratched up loans to pay the deficiency."

Senator McCutcheon said his bill to repeal the unfair 1967 act was required by Congress, in order to conform to federal legislation directing states not to cut local funds, where Public Law 874 allocations were involved.

F.P. Librarians Attend State Convention

Mrs. Leila McCoy, Franklin Pierce District Director of Library Services, attended a joint convention of public and school librarians in Seattle recently.

Also attending were Mr. Wayne Ehlers, Washington High Librarian; Mrs. Dorothy Sturdivant, Central Avenue and Parkland School; Magdalen Akre, Midland; Joyce Albert, Collins; and Ruth Hoyte, Elmhurst and Brookdale. Midland School Principal Iver Eliason accompanied the Franklin Pierce librarians.

Barracks Meet

Parkland Barracks and Auxiliary 2131 World War I Veterans will meet April 8 in the James Sales Grange at noon for a potluck dinner.

Those attending are asked to bring their table service. Meeting starts at 1:30 p.m.

Franklin Pierce Awarded \$26,000 Grant

The Franklin Pierce School District has been awarded a one-year \$26,000 federal grant to plan and operate a pilot program in individualized instruction for elementary schools.

The project, called "Project Skill", will allow the district to establish a team of teachers and administrators to study individually prescribed instruction systems, and to set up and operate a pilot program to test the idea of increasing individual and small-group work at the elementary level. If the pilot program is successful, the project will be re-funded for another year.

The plan is to re-structure the organization small group instruction. The program will concentrate on only mathematics at this time.

The purpose of the project is to put instruction on an individual basis for the students and to increase the amount of time a teacher can spend with small groups of students.

The study team for the project includes Alan Hokenstad, Harvard elementary teacher; Les Storaasli, Harvard principal; Iver Eliason, principal at Midland Elementary School; Dr. Orin B. Fjeran, director of program development; and Dr. Edward E. Hill, superintendent.

They will visit several individualized prescribed instruction systems this summer and next fall will develop the pilot program, which will be put into force during the spring of 1970.

5th Lane Bids Requested

Request for bids for the 5th left turn lane to be constructed on Pacific avenue from South 96th to South 107th were released by the state March 31, State Representative R. Ted Bottiger disclosed last week.

The first phase of construction, from South 96th to South 107th, calls for an asphalt overlay, Bottiger said. The state has retained the Pacific Avenue left turn lane in the priority system, and the 5th turn lane will eventually be extended into Spanaway.

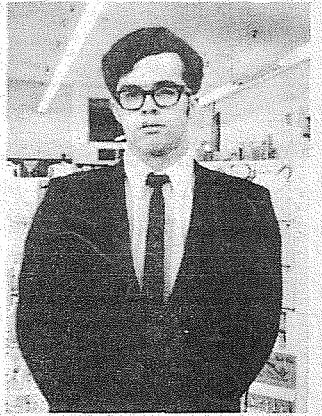

Orthopedic Holds Rummage Sale

The Sylvia Storaasli Orthopedic Guild will hold a rummage sale April 9 and 10 at the James Sales Grange, 113th Street just off Park Avenue.

The benefit for Mary Bridge Children's Hospital will be open from 9 a.m. until 5 p.m. both days.

DeMolays Install

Charles J. Parrish son of Mr. and Mrs. H. O. Parrish, 1633 So. 121st, will assume duties as Master Councilor on April 5.

CHARLES PARRISH

Other officers to be installed in the ceremony at the Parkland Masonic Temple are as follows: Senior Councilor, Chuck Hiller; Junior Councilor, Allen Shaw III; Scribe, Ward W. Staley III; Senior Deacon, Mark Thiel; Junior Deacon, Robert McAntyee; Senior Steward, David Omor; Junior Steward, Steven Douglas; Chaplain, Dennis Coffey; Sentinel, Bob Berggren; Standard Bearer, Ed. Schultz; Marshall, Tom Simchen; Almoner, Tony Hiller; Orator, Al Berggren; and Preceptors are Jess Lyon, Bill Simchen, James Dunhan, Larry Brasher, Henry DeHaan.

The Chapter Sweetheart is Karen Elmquist with Teri Overa Senior Attendant and Carolyn Gormmer Junior Attendant.

The public is cordially invited to the installation.

Spanaway Man Honored

Ralph H. Engle, a service representative with Dennison Copier in Tacoma, has been named serviceman-of-the-month for the entire Copier Division of Dennison Manufacturing Company.

Engle, who lives on Route 2, Spanaway, with his wife, Karen, and their son, Tim, almost 3, joined Dennison in November, 1967, after being discharged from the U.S. Marine Corps, where he served as a radar technician. He has been a two-time member of Dennison's honor society, the 1-2-3 Club.

Senior Craft Display

Paintings, woodcraft, and rocks from collections of senior members of the community will be displayed at the Mobile Senior Center when it will be parked next to Alfred Smith's home 9:30 a.m. until 3:30 p.m., at 16309 Park Avenue.

LEWIS LEWELLYN

Is Sex Education Desirable?

Sex education is being widely hailed as an answer to the alarming increase in sex-related problems among our young people.

The problems are real and so well known that it is not necessary to detail them here.

It is a sad fact that hardly anybody was shocked when one county in a southern state reported recently that 20 per cent of the births there during the past year were illegitimate.

But is sex education the way to solve the problem?

Will the morals of young people improve because they understand more about the physical aspects of human reproduction?

Morals Left Out

One of the principles of sex education programs is, as stated by those who conduct them, "We don't try to impose moral standards."

But the question is — aren't moral standards what we really need?

Is it enough to discuss the anatomical and physiological, and leave out the moral?

In one highly regarded program, in California, a motion picture is shown to ninth-grade students — boys and girls separately — telling in graphic detail how a senior boy seduces a girl classmate who was a virgin before the incident occurred.

Giving all involved in the educational program credit for the highest motives, one may ask, "Do available facts indicate that high school boys need

to be shown how to seduce their girl classmates?"

"A Long Way"

In an editorial on the subject recently, the Saturday Evening Post stated, "We have all come a long way since those quaint days when legs were called limbs . . . We have come a long way even from those quaint days when an obscene book or movie was banned as obscene."

Yes, we have come a long way — and some of us are wondering how much farther we must go along this road.

We don't want to return to prudery, but must we continue to travel the downward way which leads to ruin?

There was a Teacher, some years ago, who declared, "Wide is the gate and broad is the way that leadeth to destruction, and many there be which go in thereat . . . Narrow is the way which leadeth unto life and few there be that find it."

Is This Best?

All of us, of course, want the best for our children.

But is it best to give them information about human reproduction and withhold from them the moral aspects of this subject?

Sex education may be needed. But sexual conduct cannot be separated from moral standards.

Haven't we gone far enough down the road to Sodom? Why hasten our pace in this direction?

Sex education programs which fail to emphasize morality should be summarily rejected.

**Moosheart Renovation
Huge Dance Success**

March 29th, at the Clover Creek Grange Hall, members of the Loyal Order of Moose turned out in numbers to support the Mooseheart Renovation Project.

Governor Robert Kennedy of the Parkland Moose reports that renovation of the Loyal Order of Moose "Child City" home of widows and orphans, will require about 1 million dollars which would be approximately one dollar donation from each member.

Many of the Utilities at Mooseheart are 30 to 50 years old and that they are beginning to wear out. Renovation and modernization are so necessary in this modern era of Urban renewal quotes Herbert Heilman, Director of the Membership Department in Mosseheart.

In the past fiscal year there have been more than 53 new Lodges organized and a total of 179,834 new members brought into the Loyal order of Moose and the rapid growth and stability of the Moose can only bring great assurance of a successful Modernization program.

**F.P. School Lunch
Prices Reduced
In Needy Cases**

Reduced school lunch prices for children from low income and welfare families will be in effect next week in the Franklin Pierce Schools under terms of a project financed by the U.S. Department of Agriculture and administered by the State Superintendent of Public Instruction. This program will reduce the price of lunch from 30 cents to 15 cents for eligible children in grades 1 through 6 and from 40 cents to 20 cents in grades 7 through 12.

This Reduced Price Lunch Program is available to students who qualify under the following criteria:

- (a) Any children from families certified as eligible for assistance from the State Department of Public Assistance Cash, Medical and/or Stamp Program. It shall be the parents' responsibility to secure the special certification slip from the Welfare Office and bring it to the school principal. Children will not be eligible to purchase their reduced price lunch until this is done.
- (b) Children whose parents are not on welfare must meet certain income requirements.

A letter to the parents has been sent home by the schools explaining this program and the income requirements more thoroughly.

If you have any question, you are asked to call the principal of the school which your child attends.

This new price reduction program has been federally financed only to the end of the school year in June and its continuance would be dependent upon whether or not funds are provided by Congress.

School officials will take every precaution not to identify the children who receive reduced price lunches.

**Purdue Plumbing
Places In County-City**

Purdue Plumbing, champions of the Pierce County Park Department's adult basketball league, came within a few minutes of qualifying for regional tournament play by finishing fourth in the Tacoma-Pierce County District Tournament.

Coach Dave Carr's cagers bowed out of the double-elimination district tournament on an 89-86 loss to Mullan's, but did advance further in the tournament than any recent Pierce County League entry. Ironically, Purdue's first tournament setback was also to Mullan's by an 82-77 tally.

WOMEN'S WORLD

New Library System in Roy, Midland, Parkland

Beginning April 7, borrowers of Midland, Parkland, and Roy Libraries can forget the inconveniences of forgotten, lost, or damaged library cards. A modern self-service borrowing method without use of library cards is being introduced this spring throughout the Pierce County Library system and will go into effect in these libraries on that date.

Mrs. Carolyn Else, director of Pierce County Library, says the method is in use effectively in both the King County Library System and North Central Regional Library in Wenatchee. Based on a method developed by Walter Kaiser, director of the Wayne County Library in Michigan, the system is expected to save both time and money. A study by the American Library Association compares 5.3 hours of library staff time for book borrowing by

self-service against 9.7 hours for the library card method now in use by Pierce County Library.

Desk librarians in the county system look forward to less clerical work and more time to help borrowers with book needs. Borrowers will also be benefited by a faster return of books to the library shelves.

It is estimated that under the present system, each registration for a library card, new or replacement, takes about ten minutes. In 1968, Pierce County Library processed 12,535 library cards—a lot of ten-minute periods.

As with self-service in other fields, the borrower will sign name and address, and list book titles when books are borrowed. Pre-dated and pre-numbered date-due cards will reduce clerical work for librarians and speed passage of returned books from desk to shelf.

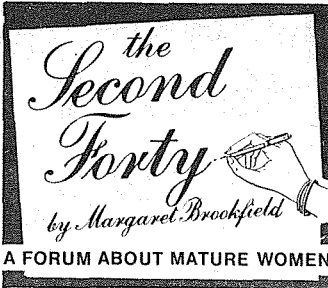

Bethel Board Meets

Notice is hereby given that the Bethel Board of Directors, Pierce County School District No. 403, Spanaway, Washington, will conduct their regular meeting on April 7th at the Chester H. Thompson Elementary School instead of the Bethel Administration Building. (South 159th & East B Streets, Tacoma.) An inspection of the Thompson Elementary building will be made by the Board at 7:30 p.m. After the inspection tour, the meeting will open for business at 8:00 p.m.

Eastern Honor Roll

A Parkland senior at Eastern Washington State College, Catherine M. Whitmer, has been named to the EWSC winter quarter honor roll.

Miss Whitmer, daughter of Mr. and Mrs. E. A. Whitmer, 1929 Wheeler, and a graduate of Oroville High School, is a language arts major at EWSC where she is working for a bachelor of arts in education degree.

A FORUM ABOUT MATURE WOMEN

Discouraged Job Seeker

Dear Miss Brookfield: I am a happily married 49-year-old woman. My youngest son is in his sophomore year at high school. I've got time and energy to spare, so I decided to go to work. For the past six weeks I've been hunting with no luck. Is it that bosses don't want to hire women my age, or am I doing something wrong? I'm getting discouraged. Can you help me?

R.D., Chicago

Dear R.D.:

The community relations director of an employment agency says there is a critical demand for competent office help and mature women can find jobs. She offers the following tips for job interviews:

*Be prepared with a good resume and the right attitude.

*Don't be too talkative. (Sometimes women in their late forties who are disturbed by menopausal problems will even begin to cry during interviews! Of course, if a woman is having this sort of difficulty, she should see her doctor before going job-hunting.)

*Dress properly. Wear a simple dress and not too much jewelry; have well-groomed hair.

*Remember that your maturity is an asset to an employer. There's no need to apologize for your age.

If you still have trouble landing a job, analyze your office skills. Are they rusty? Perhaps you should take a brush-up course. Often these are offered free by employment agencies.

Women who are returning to work after a long absence sometimes find it easier to begin by doing temporary work. This gives them the experience and confidence they lack.

Don't get discouraged. A little more effort and you can get that weekly paycheck.

Cowboy Preaches At Elk Plain

Leonard Eilers, the preaching cowboy, will be at Elk Plain Community Church 7:30 p.m. April 11-12-13.

He gave up riding the range for the silver screen in Hollywood during the days of Tom Mix, Buck Jones, Bill Hart and Douglas Fairbanks, and then gave that up to ride the range for God everywhere.

Now as an evangelist, he has been preaching the Gospel for over thirty years throughout the United States, Canada and Europe.

British Wives

The Tacoma British Wives Club, a branch of the Transatlantic Brides and Parents Association, will hold their monthly business meeting at St. John's Lutheran Church 8602, Bridgeport Way, Thurs. evening at 7-30 p.m. April 3rd.

Sad Paleface

Dear Margaret:

I've always looked forward to warm weather because I love golf and swimming. Most especially because I look better with a tan. The other day my friend told me that the worst thing I can do to my skin is to get a tan. Is that true? By the way, I'm 54.

J.L., Plainfield, N.J.

Dear J.L.:

The American Medical Association has bad news for you. In its book, "The Look You Like," it says: "Sunlight is the major cause of premature aging of the skin and skin cancer; therefore dermatologists are cautioning people not to overexpose themselves to the sun." It advises that you use sunscreen preparation which provides a great deal of protection.

A woman's skin has a natural tendency to become dryer and more sensitive to heat and cold as she grows older. Overexposure to sunlight aggravated this condition. If you really want to look tan, cosmetics can help. Many cosmetic houses now market make-up gels that give the appearance of a tan without the attendant dangers.

Have you a problem as a mature woman, or with one? For advice and help write to Margaret Brookfield, Information Center on the Mature Woman, 3 West 57th Street, New York, N.W. 10019.

do you really have enough money in your savings account?

If you haven't, please read on.

- 1 Do you pay yourself something every payday?
- 2 Do you have an automatic savings plan?
- 3 Do you get all the interest possible on your savings?

A "NO" answer to any of these three questions can cost you money!

- 1 PAY YOURSELF every payday. Deposit something—any amount—to your bank savings account.
- 2 SAVE REGULARLY! Your Bank of Washington Banking Center has an automatic savings plan that really works!
- 3 DEPOSIT MONEY in your savings account by the 10th of April and earn interest from the 1st!

Over The Fence Rail

By PEGGY PLUMMER
W.B.R.A. has an approved race at the All Arabian Horse Show being held the 12th of this month. It will be held at the Sports Arena on 176th. Entries close Thursday April 10 at 6:00 a.m.

Family Horse Festival night, which was held last Saturday evening, had 121 participants in the events. More people seem to be turning out each week. I was asked to remind all the Junior participants to please bring their releases, concerning the responsibility of accidents at the Arena. There also seems to be a shortage of food. Salads, hot dishes, or the sort would be very much appreciated.

Judges for last weeks show were, Jerry Edwards - Showmanship at Halter and equitation, Leonard Cochren and Clem Wulfekuhle for the game events.

Highest number of points accumulated so far are as follows: High Points Senior-Debbie Bauderer with 30 pts., Loyd Alton is second with 21, High Point Junior-Debbie

Darrin with 29 pts., Jack Wulfekuhle is second with 27 pts.

Members of the Four Hoofs Each 4-H club participated in the Heart Fund Drive in the parkland area and collected \$34.71.

Rod Marecle gave a blue ribbon demonstration at Keithley and plans to go on to the district judging.

This week the members are preparing for a fun day trail ride on the reservation.

Next week a chestnut Stud by the name of "Oh Sage Reed" will be brought up from Chowchilla, California. Harry Twomey has future plans in leasing him.

In attending the R.C.A. Rodeo last week in Portland, I found it to be a very colorful and spectacular Rodeo. Top performers and world champions were present. One of highlights of the evening was the Equestrienne, Elaine Kramer, and her tandem six-horse team of beautifully matched registered Saddle Breds. Miss Kramer stood on the back of two horses and reined 4 others all at once while going over jumps and other obstacles. There were also top barrel Racers present. Times on the Barrels ran from 14.3 and up. Some of our local barrel racers were also there and were placing.

The same performers and top hands will also be present at the Indoor Rodeo starting the 18th of this month at Trails End Stables. This type of Rodeo is one that all the family would enjoy.

Tacoma Livestock

Tacoma Livestock Market Report for Thursday, March 20: 537 cattle. Top Holstein heifers springing up to \$435. Holstein heifers ready to breed or just bred brought \$250 to \$275.

Choice Veal	\$40.00 to \$44.50 cwt
Heavy Bulls	up to \$26.50 cwt
Best Slaughter Cows	\$20.00 to \$23.00 per cwt
Med. Weight Hol. Steers	\$25.00 to \$27.00 per cwt
Light Hol. Steers	\$29.50 cwt
Good Steer Calves	up to \$33.50 per cwt
Good Heifer Calves	up to 29.00 per cwt
Feed Steers	\$26.00 to \$28.00 cwt
Baby Calves	\$25.00 to \$40.00 per hd
Block Hogs	\$19.50 to \$20.50
Sows	\$12.00 to \$16.00
Weaner Pigs	\$ 9.00 to \$12.50

Market in general looks bright for this week. Stock cows and pairs are selling now \$200 to \$250. Auctioneers - Ed and Lee Flood, Route 2, Box 2330, Spanaway. VI 7-7567.

Longley, Standish Take Spanaway Race Features

SPANAWAY - Over 4,000 racing fans turned out to witness Spanaway Speedway's 2nd week of competition and were treated to some of the wildest action ever assembled on a set of wheels.

Three track records were broken, one in the space of just a few minutes, the "A" 40 lap main saw four cars practically total out in a spectacular pile-up in the west corner, and the 30 lap double "A" main run under a down-pour resulting in many yellow and red flag conditions.

Ken Longley, back again in his 92 car, picked up where he left off last season by capturing the "A" main ahead of Dave Rogers (13) and Dennis (The menace) Scott (61). A few new faces appeared in double "A" competition, with Terry Standish sloshing to victory over Walt Wooten and Rick Brock.

Cardinal Track

Franklin Pierce came out on the short end of both their track meets last week as the Cardinals suffered a 73-54 defeat at the hands of Clover Park last Friday, and were dumped by Lincoln of Tacoma last Tuesday.

Card sprinter Steve Slavens recorded his third straight double triumph in the sprints, but an even more outstanding performance by Clover Park's Bob Brandon plus great team depth figured in the Warrior's win.

behind the plate.

A real battle is raging for the remaining two outfield positions. Mike Hegan, the team leader in hits, will probably be in the opening day lineup, but Manager Joe Schultz is doubtful as to whether Hegan will start in center or in right. If Hegan starts in center Lou Piniella will probably get the nod in right. However, if Hegan opens in right, either Wayne Comer or Jim Gosger will start in center. Tommy Harper, who has seen duty at second base all spring, might be moved to center field on opening day, throwing the second base position open to either Chico Salmon or Gus Gil. A lot depends on whether or nor Harper can successfully handle the intricacies of the double play.

Opening on the mound for the Pilots will probably be Gary Bell, although the berth might go to either Steve Barber or young Marty Pattin.

The Pilots' home opener is against the Chicago White Sox, April 11.

Pilots Debut April 8

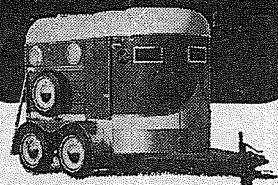

TEMPE, ARIZ. - (Special) - When the Seattle Pilots travel to Anaheim to meet the California Angels in the season opener, April 8, they will start a veteran lineup.

Five positions on the team appear to be sewn up. Don Mincher, the Pilots first pick in the expansion draft, will open at first base against his former teammates. Joining Mincher in the infield will be Rich Rollins at third base and Ray Oyler at shortstop. Rollins has been hitting at a .500 clip most of the spring, while Oyler has been turning in some great plays afield.

Former National League leading hitter, Tommy Davis, will open in left field for the Pilots. Davis has consistently been around the .500 mark in Cactus League play. Gerry McNertney, former White Sox receiver, is the likely starter

"FLYING L"
Tribe

THE CHIEF
Horse trailers with the "Flying L" brand stand out. They're stronger, sturdier... built of steel. The smooth ride of a "Flying L" horse trailer is safer for your stock - its steady tracking - safer for you. Sensibly priced, too. The CHIEF is just one of a complete line of horse and stock trailers.
