Parkland Lutheran To Celebrate 75th Anniversary Gift Shop Preview December 2

Sunday, December 1, Parkland Evangelical Lutheran Church at 123rd and Pacific Avenue will celebrate its 75th Anniversary or Diamond Jubilee.

The Parkland Church had its early beginnings in connection with the establishment of the Pacific Lutheran University Association. The Rev. Bjug Harstad, then of Mayville, North Dakota, was commissioned by his Synod — The Norwegian Synod of The American Evangelical Lutheran Church, now known as The Evangelical Lutheran Synod (E.L.S.) — to assist in locating and establishing a Lutheran School of higher learning in the Pacific North-West. He came to Washington in November 1890; by October, 1894, the first building (Harstad Hall) was completed and a High School in operation.

From the start of his work in Parkland, the sainted pastor Harstad gathered people together for divine worship holding services in private homes. In 1893 a congregation was organized, adopted a constitution, and called the Reverend Harstad to be their pastor. For fifteen years a room in the University building was used as the place of worship. A Christian Day School had also been established known as the "Parochial School." The congregation purchased property for a church building in 1903, laid the cornerstone of their new building in 1907 and dedicated their new and imposing church structure in 1910.

Pastor Bjud Harstad served the congregation faithfully and well until he retired in 1928. The merger of three Norwegian Church bodies in 1917 brought about a division in the congregation, the majority withdrawing and forming the Trinity Lutheran Church. Later difficulties brought about the loss of parsonage and the church property in 1934. However the minority group retained the name and the original charter and the Parochial School. Worship was conducted in the basement of the School building (129th & Pacific) until 1948 when the present building, an army chapel secured from Fort Lewis in September 1947 and moved to the present location at So. 123rd and Pacific Avenue, was dedicated to the glory of God and designated as a "Memorial Church" honoring the memory of Lt. Robert J. Benson, U.S.A.F., killed in action in 1944.

Pastors who have served the congregation are: The Rev. Bjug Harstad, The Rev. M. F. Mommsen, The Rev. W. Schneider, The Rev. Martin Galstad, The Rev. Walther Gullixson. The present pastor is The Rev. Hans A. Theiste, since 1957.

The 75th Anniversary Festival Worship will be held Sunday, December 1, at 10:30 A.M. Congregational Dinner and Fellowship at 12 noon. A Festival Program at 2:00 P.M. Coffee Hour following.

The Rev. Walther Gullixson who served the congregation from August 1940 to December 1956 will be the Festival preacher in the morning service. He will also take part in the afternoon program.

Spanaway Lutheran To Dedicate Organ

Sunday, December 1st at 7 p.m., will be the day of dedication of the new pipe organ at Spanaway Lutheran Church.

The pipe organ was designed and built by Dr. R. Byard Fritts of Tacoma who also recently completed a large organ for the University of Puget Sound. Dr. Fritts, formerly a professor of music at Pacific Lutheran University, is now on the graduate faculty of UPS, and will be playing the dedication recital, assisted by the church choir and Roy Helms.

The new organ is of unique design, planned for a modest budget and for a smaller sanctuary, but with the future in mind so that additional ranks of pipes

and stops may be added as the parish grows.

Most of the pipes were made to Dr. Fritts' custom design in Holland, while others were manufactured in the U.S.

The organ, of only four sets of ranks of pipes, has 16 stops on its two-manual and pedal console. The entire chestwork and pipes are mounted high on the west wall of the sanctuary and are arranged to enhance the architecture of the building.

The console is detached from the pipes and controls all the tonal resources through electric action. Thus the organist is in a position to hear a balance of tone and enjoys a fine flexibility of the instrument in accompanying choirs, soloists, and

Mail Box Vandals Warned

Tearing down or damaging mail boxes can bring fines up to \$1000 and 3 years in prison, Graham Postmaster E. T. Van Slyke said in a release received by the Times Journal last week.

The release was issued in response to a wave of mail box vandalism being experienced in the Graham area. Section 1705 of the United States Postal Laws reads:

"Whoever willfully or maliciously injures, tears down or destroys any letter box or other receptacle intended or used for the receipt or delivery of mail on any mail route, or breaks open the same or willfully or maliciously injures, defaces or destroys any mail deposited therein, shall be fined not more than \$1000 or imprisoned not more than 3 years."

Methodist Women To Meet

The Women's Society of Christian Service of the Parkland United Methodist Church will hold their general meeting on Wednesday December 4, at 10 a.m. in the Fellowship Room, Mrs. William Detering presiding.

A Christmas program including the singing of carols will be presented. Luncheon will be served by the Martha Circle.

congregation in the services. In spite of its small size, the new organ is capable of extensive varieties of tonal colors and is able play at a whisper or at a full crescendo capable of flooding the entire church with music.

The project to get the organ was initiated by a generous anonymous gift. The public is invited to attend.

Sheriff's Reports

A youthful sack-wielding robber showed up at Morrison's Grocery, 9621 Golden Given, early this week only to find that armed robbery just wasn't his bag.

Mrs. Della Morrison, 68-year-old storekeeper and owner, was handed a sack by the suspect with the words "This is a stick up," written on the bag. The youth then said, "I want your money."

Pushing the sack aside Mrs. Morrison replied, "You must be kidding." In desperation the youth plunged his hand into his pocket in the shape of a pistol. "This is a gun!" the suspect warned.

"Is it really?" asked Mrs. Morrison, who reached out and grabbed what turned out to be the youth's finger instead of a gun barrel.

The suspect then grabbed his sack and disgustedly told Mrs. Morrison to "forget it."

Thieves removed a Willard 12v heavy duty battery from the car of Lois Hanson, 12121 Waller Road E, Deputy Kenneth C. Haire reported early this week. The loss was set at \$35.

A Motorola car radio and domelight was taken from a vehicle belonging to James A. Nylander, 864 So. 142nd. Value was estimated at \$60 by Deputy Donald L. Richardson.

A tape recorder and two record players valued at \$350 were stolen during a burglary of Spanaway Elementary School last week, Deputy Tom Sotok reported.

Burglars continue to steal from area churches, the latest victim being St. John of the Woods, 9903 24th Ave. E, where a 75 watt amplifier system, valued at \$150, was taken.

A pair of hunters shot four pet ducks last week belonging to J.J. Bury, 15124 38th Ave. E, Deputy R.A. Cartisser reported.

The ducks were in the

Canadian Opera Set At PLU

"The Barber of Seville," one of the universal favorites of the operatic stage, will be performed by the Canadian Opera Company at Pacific Lutheran University, Tuesday, Dec. 3.

Rossini's comic opera will be sung in English by the Company, now on its 16th tour in 11 years. For the first time a touring orchestra is accompanying the cast.

The opera performance is the third in a series of five programs sponsored by the PLU Artist Series. It begins at 8:15 p.m. in Eastvold Auditorium.

Musical direction is provided by John Fenwick, formerly music director of the Halifax Symphony and the CBC Summer Symphony. Dr. Herman Geiger-Torel, the moving force in the formation of the Company in 1950, is the stage director.

Canada's first professional company features the best of Canadian and American opera singers, many of whom are renowned in both countries as well as Europe.

The company's tour is made possible by generous federal and provincial grants. First touring with a chamber-style opera to the

Maritime Provinces and Newfoundland in 1958, the company began two tours a year in 1963. Last year's spring tour lasted 17 weeks, the longest tour to date.

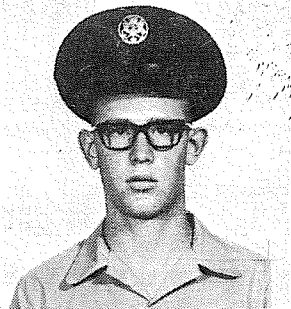

The company's repertory now includes seven operas. Its first tour opera was "The Barber of Seville," with piano accompaniment and little or no chorus.

Tickets are on sale at Eastvold Auditorium from noon to 5 p.m. weekdays and on the evening of the performance. All seats are reserved at \$2 apiece.

Tour Of Homes Sets Annual Date

The Holiday Tour of Homes, an event sponsored annually by Tacoma Symphony Women, will be held this year from 1 to 5 p.m. Saturday, December 7. Three distinctively different homes, all in the Lakewood area, will be open for viewing.

Included in the tour is the

lovely Cape Cod residence of former Congressman and Mrs. Thor Tollefson. Furnished in traditional fashion, the Tollefson residence is located at the North end of American Lake.

Thornewood Castle, a handsome turn-of-the-century showplace on American Lake, will also be open for viewing. This Tudor Gothic mansion was completed in 1911 for Tacoma financier Chester A. Thorne, and features nine Florentine fireplaces, 500-year-old front doors and a priceless collection of stained glass windows.

Thornewood is now divided into several luxury apartments, but the owners, Mr. and Mrs. Frank A. McMillan, have retained many authentic antique and historical items in their private apartment.

Third home in the tour is the spacious contemporary abode of the William B. Hydes. Located on Gravelly Lake Drive, the Hyde home is noted for its architectural detail, which features the

beautiful landscaping as an integral part of the interior design.

Chairman of the Symphony Women's fund-raising home tour, Mrs. John Copeland, assisted by Mrs. Nelson Stade, has worked closely with the three home owners for this occasion. Varied musical programs are planned for each residence and refreshments will be served at Thornewood.

Leubkuchenhauses, German gingerbread houses, will be displayed and orders taken. Holiday breads will also be available.

Proceeds from this fund-raising tour will be used to provide Little Concerts for the public and private schools of Tacoma and Pierce County. These concerts enable the children to meet a symphony orchestra conductor and see actual concert performers playing instruments, and at the same time, develop their appreciation of music.

Some 150 Tacoma Symphony Women members and friends are assisting with the arrangements of the tour.

Tickets are available from UPS-Symphony Women members, Ted Brown Music Co., Lakewood Record Shop and Music City in the Villa Plaza.

One of these lovely Lucia Bride candidates will be selected Queen of Light during the annual Lucia Bride Festival at Pacific Lutheran University Dec. 7. From left, back row: Laurel Clark, Ellen Bakke, Gayle Severson, Marcia Anderson, Joanne Bommersine; second row: Debbie Hutson, Chayo Herdman, Kathy Johnsen, Kathyellen Case; front row: last year's bride Judy Zatterberg; Ann Caswell, Karen Christianson and Lynda Slovik.

Food Stamp Program To Open December 2

After a five months' delay, the federal Food Stamp program will open in King and Pierce Counties December 2. This will make the program operative throughout the state of Washington.

The program originally had been scheduled to open July 1 but was delayed pending Congressional action on appropriations for the 1969 fiscal year.

By the first week in November, the State Department of Public Assistance had certified 7,608, households in King and 3,270 in Pierce. This means more than 30,000 persons in the two counties are ready to benefit from use of food coupons.

Carl Hagberg, Food Stamp program supervisor for SDPA said most families receiving welfare benefits automatically are eligible for the food stamp program. But he added SDPA is anxious to hear from any low-income households who may be eligible, depending on their income and resources.

Hagberg urges all low-income people to ask their nearest SDPA office about the Food Stamp program now. In Seattle: 2809 26th Avenue South, PA 5-6200, or 1231 North Allen Place, ME 2-0410. In Tacoma: 1301 Tacoma Avenue South, MA 7-

9141.

The United States Department of Agriculture, in addition to administering the program on the federal level, is responsible for authorizing grocers to accept food coupons. This entails a series of information meetings for interested grocers November 19 and 20.

According to Dan L. Boyd, in charge of the Seattle office of USDA's Consumer and Marketing Service, about 500 food stores in King County and 190 in Pierce County are approved. Another 190 stores are authorized in Snohomish County, where the Food Stamp program has operated since June 1, 1967.

Grocers accept the coupons as they would cash. Participants in the program buy the coupons through

about 130 branch banks and other outlets. Participants pay for the food coupons what they normally would be expected to spend for food. The federal government adds a bonus amount of free coupons.

Retailers must be authorized before accepting the coupons. Those who have not applied for authorization may contact Boyd's office in room 6056, Federal Office Building, 909 First Avenue, Seattle.

Card Cagers Meet Abes In Opener

Freshman varsity Coach Tom Whalen will taste his first cage battle as head mentor of the Cardinal hoop team December 7 against a highly touted Lincoln Abe basketball team.

Six returning lettermen, Mark Korsmo, Woody Harris, Jim Furlong, Tom Harvie, Doug Cail and Mark Salzman along with some fine junior varsity and sophomore prospects, grace Coach Whalen's roster. However, it will take more than

grace to upset the tall, speedy Lincoln five who are expected to perform a repeat of last season's outstanding record that carried them to the runner-up position in the state tournament.

The Cards will be playing without the services of Jim Hadland and Doug Armstrong who were lost through graduation.

Coach Whalen, who will be assisted by Ken Laase and sophomore mentor Bruce Orness, rates his chances for the southern division championship as a toss-up with Puyallup, Federal Way and Auburn, with Clover Park and Lakes not to be overlooked.

However, the most accurate gauge on their chances will be recorded Friday when the Cards play Lincoln in a king's X meeting.

FP Recreation

An expanded program of men's volleyball league competition will be offered during the winter recreation program by the Pierce County Park Department and the Metropolitan Park District.

Teams will be able to choose one of three leagues — Open, Recreation and Industrial — for competition starting Monday, Dec. 2. The season will continue until March 5, with no games scheduled during Christmas vacation.

Coaches of teams interested in the program met this week with recreation department officials in the County-City Building. The leagues are open to city and county volleyball squads.

A deadline date of Tuesday, Nov. 26, has been set for entering teams in volleyball league play. Teams must pay a \$20 entry fee and will be assessed \$3.50 per set of games per night.

The Open League will be the top volleyball teams in the city and county areas. Other unlimited teams may enter the Recreation League. Business firms, school faculties and other limited groups may compete in the Industrial League, provided the players are full-time employees of the firm represented by the team.

The Metropolitan Park District and Tacoma School District will provide Hunt Junior High School to men's and women's volleyball teams for practice sessions on Monday, Nov. 18, and Monday, Nov. 25.

Additional information is available at the County Park Department office, County-City Building, Room 735.

Recreation basketball and wrestling for youngsters in the Franklin Pierce area will begin Saturday, Dec. 7, at the Ford and Keithley junior high school gymnasiums.

The announcement of the program was made by Bob Ross, Franklin Pierce area recreation director, and Tom Cross, Pierce County director of parks and recreation.

Basketball sign-ups for boys in the fifth through seventh grades will be held on Dec. 7 at Ford and Keithley from 9:30 a.m. to

12:30 p.m. Fifth-grade boys will register at 9:30, sixth-graders at 10:30 and seventh graders at 11:30 a.m.

The Ford recreation hoop program will be directed by Tom Whalen. Keithley's director will be announced later.

Ernie Peltó will supervise boys wrestling at Ford Junior High School from 9:30 a.m. to 12:30 p.m. for boys in fourth through sixth grades starting Dec. 7.

Girls basketball play will be offered at Keithley from 12:30-1:30 p.m. for fifth and sixth-grade girls and from 1:30-2:30 for seventh and eighth grade girls. Donna Lorlor will supervise the program.

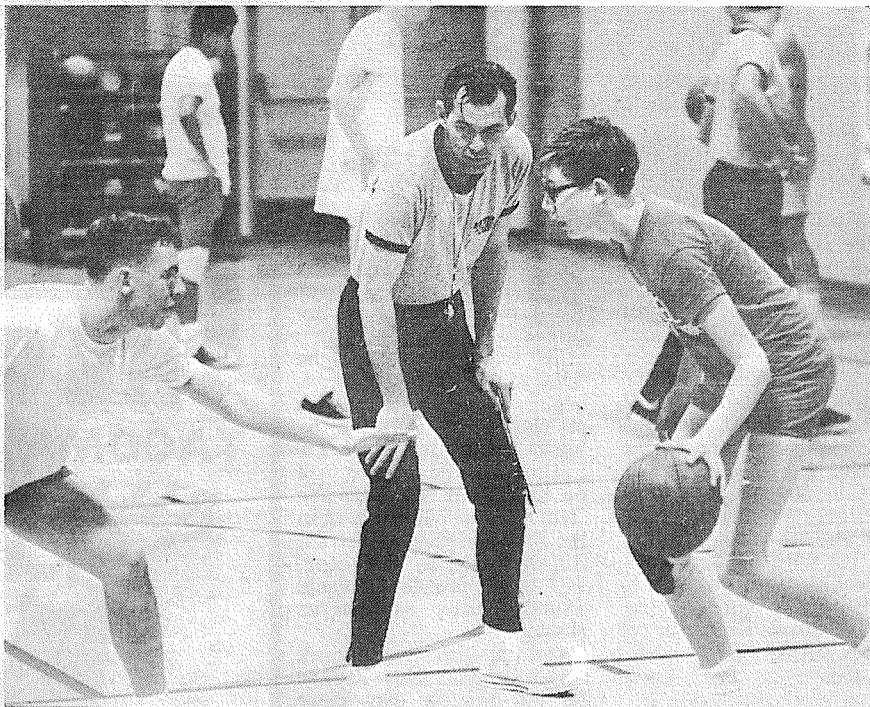

Salmon Regs To Be Aired

Proposed 1969 sport fishing regulations for salmon will be presented by the Department of Fisheries at a public hearing on Saturday, December 14, at 10 a.m., Director Thor C. Tollefson announced today.

The hearing will be held in the main conference room of the General Administration Building on the Capitol grounds in Olympia, he said.

Most of the proposed regulation changes deal with freshwater and would provide more opportunity to catch hatchery-produced salmon. This favorable trend is the result of data obtained from salmon punch cards, together with a higher production rate in salmon hatcheries which has boosted freshwater catches 400 percent in the past four years, Tollefson said.

Saltwater regulation changes are primarily designed to protect the 1969 pink (humpie) salmon run into Puget Sound. The run is expected to be critically low due to flooding of spawning areas two years ago, Tollefson said.

BETHEL BASKETBALL hopefuls Ken Krumpos, on the left and Ken Lichtenwalter, on the right, face one another as Coach Bob Fincham studies their moves.

Bethel Recreation

The winter recreation basketball program will get underway in the Bethel District during the week of December 2nd.

League play will again be at the high school on Saturday mornings starting January 4th. This year there will

be a fifth-grade and a sixth-grade league for boys, and if enough teams are acquired a league for girls will be formed. Seventh and eighth grade boys will meet on Saturdays at the junior high school.

Senior high boys and adults will meet on Thursdays at the high school.

The following schedule will be followed:

Clover Creek, Dwight Williams, Monday evenings 6-9;

Elk Plain, Bob Folk, Monday evenings 6-9; Kapowsin, Dick Hansch, Monday evenings 6-9; Spanaway, Ernie Atkins, Monday evenings 6-9; Roy, Dave Ketter, Monday evenings 6-9; Thompson, Lance Van Brocklin, Wednesday evenings 6-9; Junior High, Bob Kain, Saturday mornings 9-12; High School, Hal Madison, Thursday evenings 6-9.

For further information call Ed Niehl, Bethel Area director, VI 7-2353.

PLU Knightlog

Pacific Lutheran University football fans watched a group of young men grow this season.

They grew, not only as gridders, but as men. As the season wore on they learned teamwork, drive, that second effort. In spite of setbacks, several of those "almost" wins, they finished the season with a winning attitude. There were no doubts in any of their minds that they were as good as any team in the Northwest Conference.

There was genuine disappointment after the 21-20 loss to Willamette Saturday. The Knights were convinced they were capable of winning that game.

The team, ranked near the bottom of the pack at the beginning of the season, improved to a point where they were only three-point underdogs before the Bearcat game.

They finished with a 3-4-2 season record, however, all but one game was close. Only six seniors are graduating, so next year should be a big one for the Lutes.

The first quarter was nearly over when Willamette hit pay dirt for the first time Saturday. After several turnovers, Bearcat quarterback Mike Shinn hit half-back Bob Riley with the third of his 13 record-setting completions. The play carried to the PLU one-yard line.

On the second play half-back Osa Morgado dived over for the score.

The Bearcats continued to dominate the game. On their 30th play (PLU had 13), Shinn tried to hit Riley again. But the Lutes' Jack Irion picked off the pass and raced 38 yards for the score. Hammer's kick made it 7-7.

Following the kickoff Willamette drove for 17 more plays to the PLU nine before Tim Chandler intercepted a Gib Gilmore pass on

the two and returned it 30 yards. Gilmore had faked a field goal.

PLU gave up the ball shortly thereafter only to retrieve it again as Ross Boice pounced on a Bearcat fumble at the Willamette 14. A Lovell to Hammer aerial was one yard short of a first down on the five but PLU got the ball back four plays later.

With one minute left in the half, Halstead hit for 11 to the Bearcat 33, Rod Bolek hit Mike Murphy on the 15, then Lovell came in to hit Hammer with an 18-yard TD aerial. Score at half-time: PLU 14, Willamette 7.

In the third quarter Willamette took only two plays to tie the game after a Mike Robbins punt went out of bounds on the PLU 24. Shinn hit Riley again for 22 yards and the score.

PLU came back with the help of a fourth down Bearcat penalty to march 88 yards for the go ahead touchdown. Lovell set up the score with a 62-yard romp around left end to the Bearcat 10. Grant Spencer went over from the two. The kick failed; the score was 20-14 with 8:31 left in the third quarter.

Another two-play drive gave Willamette their winning score as the final period began. Shinn tossed to Morgado, who rambled 62 yards to pay dirt after Tim Chandler almost intercepted the pass. The ball bounced out of his hands into Morgado's.

Dave Halstead, running on a badly sprained ankle throughout the game, fell short of John Fromm's school rushing record of 695 yards. Halstead finished the season with 691 yards, best in the conference.

PLU's other H-bomb, Gary Hammer, finished the season with 594 yards rushing, second or third in the conference. The two sophomore halfbacks tied for team scoring honors, each with 42 points.

Ski School Accepting Registrations

Registration applications are still being accepted for enrollment in the Franklin Pierce Ski School, though applications will not be accepted after Dec. 1.

The school, the first in the history of the school district, begins its eight-week series of classes at Paradise on Mount Rainier Jan. 11.

Because the classes will be limited to 400 students, from grades 5 through 12 in the Franklin Pierce District, Richard Larson, director, said that interested students should register as soon as possible.

Cost of the eight-week school is \$43, plus \$2-\$3.60 for lift fees for each class session. The cost includes transportation to Paradise and return each week and instruction by qualified ski instructors.

Pilots Set Schedule

SEATTLE - The Seattle Pilots announced today a 28-game spring training schedule that will pit the new American League team against six Cactus League foes.

The Oakland Athletics, the Chicago Cubs and the Padres have four games each with the SePilots, while San Francisco meets Seattle twice.

Seattle will meet Arizona State in Tempe on March 15 in the only non-professional game on the spring slate.

'Native Son' Program Set

Tacoma's fourth annual "OPERATION NATIVE SON" program is all set again for the Christmas Holiday Season when 27 industries, businesses and professions will interview graduating college seniors whose homes are in the Puget Sound area. Welcome too will be degree holders engaged in graduate study and those returning from military service. Employment opportunities right in our own Pacific Northwest will be outlined by forest products and chemical industries, retail stores, insurance, finance, architectural and engineering companies, City of Tacoma and State of Washington personnel departments and other businesses, both large and

small. The program, sponsored by the Industrial Bureau of the Tacoma Chamber of Commerce, again provides for 2 days of interviewing — December 23 and 24 in Tacoma's Winthrop Hotel, with registration and individual interviews starting at 8:30 A.M. the 23rd. A complimentary luncheon for all registrants will be held in the Crystal Ballroom, after which interviews resume for the rest of that day and the 24th.

Degree candidates are urged to register their names, both college and home addresses and major fields of study with the Tacoma Chamber of Commerce, Tacoma, Washington 98401, or call MA 7-2175 at once. Complete details with information on the participating firms will be sent to each registrant. Parents too can register for their senior sons and daughters. There is no fee of any kind.

It's the LAW

PRESENTED AS A PUBLIC SERVICE BY THE WASHINGTON STATE BAR ASSOCIATION

A shot rang through the neighborhood.

Frank rushed out to see his pet dog lying dead in his neighbor's yard. Jack, the neighbor, was standing in the yard, a pistol in his hand.

"That ought to keep your darned dog out of my flower beds," Jack yelled.

"Why you screwball — you had no right to shoot that dog! He's never been in your yard before!" Frank yelled back. "I'll have you arrested for this."

Can Frank make good his statement?

Yes. A person cannot kill a domestic animal on his property just because it is digging up a flower bed or otherwise being a nuisance. He may chase the animal out of the yard, but killing it is another matter.

If the animal is a nuisance — for instance, it's been in the flower beds many times before — the animal's owner may be called into court for permitting the animal to run loose. Many cities and counties have laws regulating when animals must be restricted.

In the case of a rabid dog or cat, a person may be justified in killing it especially if it is endangering other animals or persons. However, the ailment of the animal should be very apparent before anyone tries this act.

The law also permits a person to kill a dog or other animal which is attacking another animal, such as your pet dog or farm live-

stock. This law also applies where the animal is attacking yourself or another person.

"Hard work never hurt anyone," Eddie Beaver always said. He worked faster than anyone else in the shop.

But Eddie's union had a rule that any member who produced more than the set piece-rate must take time off. His extra production would be "banked" and he could take time off or use the extra work to get full pay when the shop work slowed down.

Eddie disobeyed the rule. He kept on working faster than the rule allowed, and taking less time off. His union warned Eddie to slow down, or it would "fine" him. Eddie and his employer complained that the rate was unfair.

When the union fined him, Eddie went to court, but lost. He had to pay the fine.

Joining a union is somewhat like joining a club. If most members vote a course of action, you either go along or pay the penalty. Your best bet is to try to work within the organization to bring about change.

Eddie's union had voted the piece-work limit to help its members. Older or slower men could not keep up the pace. The rule spared them embarrassment or even their jobs. Thus the law watches labor and management closely, limiting what they may do.
