"Sick-In" Displeasure Expressed By FP Board

The Board of Directors of the Franklin Pierce School District voiced displeasure Tuesday night at the recent "Sick-In" held by the bus drivers of the district.

Herbert Gelman, board member, first of all clarified that any sickness must be proven, by certification, in order for the person to be paid for his absence.

All the bus drivers, with the exception of one who did show up for work, certified they were sick.

Gelman asked for the bus drivers to be mindful that this request for pay asks the board to spend taxpayers money, "we have no proof they were not sick," he stated, implying that this kind of epidemic, striking only the FP bus drivers, is highly unusual.

He added that it becomes a question of honesty, if undeserved pay is being requested.

Other board action included heated discussion with the Teamsters Union, which represents the bus drivers.

Bud Enslow, one of the Teamster representatives, explained why the Union Security Clause, the apparent stumbling block of the negotiations, is necessary.

The first reason quoted was a mandate from the membership, the second being that Chapter 108 of the State Law provides representation for all in the group, but allows that no one must join the union. Enslow pointed out that the obligation of representing everyone entails costs and that all those within the bargaining group, member or not, should bear their pro-rata share. They do not have to join, but must pay the dues, he added.

Gelman stated that a man does not have to join and the union must bear the burden.

The union officials pointed out why the need for dues, they have to pay a per capita tax to the international organization for lobbyists, etc., and also to state and local unions.

Mrs. JoAnne Matson said that maybe that is one of the reasons they do not

have to join. We should not have to make a person pay for your political affiliations in the hiring of lobbyists, she said. The officials pointed out that the lobbyists were only for labor-orientated bills.

A proposal was made to accept the agreement with the security clause, but was defeated by three "no" votes from Mrs. Matson, Harold Sherry and Wilbur Roberts. Gelman abstained stating he agreed with the security clause, but not that a non-member should have to pay full union dues.

The Teamster's union is also demanding vacations and paid holidays for the four-hour-a-day parttimers. If they do not get the paid holidays and vacation, which they do not want to take, but be paid in lieu of, they will demand \$3.25 per hour for the drivers. With the paid extras the demand would be for \$3.10 per hour, stated union officials.

The board gave individual positions on the union security clause:

Gelman: Agrees to the possibility of a union shop, with the pro-rata dues to be negotiated.

Sherry: Not against it, within reason.
Mrs. Matson: Against a union shop.
Roberts: Cannot negotiate another man's prerogative.

It was decided that the union and the board would have to go to a mediator. A meeting has been set for July 2nd, at which it is hoped a member of the Labor Relations Board will act as mediator.

Awaiting for the precedent to be set by the board on the Teamster's contract, the Operating Engineers accepted a preliminary pay scale until the rest of the contract can be deemed acceptable to both sides.

The Public School Employees group, has not yet finished with their meetings, but one of the officials of the group stated that they did not want the Union Security clause. She stated that the PSE wants to work with the School District, not against it.

FP Levy Up 5 Mills For Maintenance and Operation

The maintenance and operation special levy of the Franklin Pierce School District will show an increase of 5 mills at the November election, according to Superintendent Dr. E.E. Hill.

Proposition One, the M and O levy will be for \$792,000, has been increased to meet the demands

of the education program in the district, said Dr. Hill.

The first challenge, he stated, is that of growth. New housing developments are rising in the district at a rapid rate — the actual growth rate has climbed from 3 to 5 per cent — other reasons for area growth included the Auburn Boeing plant and a new division which moved into Fort Lewis. The local share of the increased number of students will be approximately \$46,000 more than this year, requiring an additional levy of about 2 mills.

A second major reason for increased local share is the Public Law 874 Funds, which the state started deducting the amount a district receives in 1963. Next year the school district will lose \$48,000 more than was lost this year under this deduction formula. Another 2 mills.

The PL 874 funds are payment to local school districts for carrying the students of persons employed on a military installation and which does not pay taxes.

This money is sent by the Federal government to the State level, where it should be redirected to the school districts involved. Instead the state deducts, what next year will amount to 85 per cent, from the regular state appointment.

The cost of living spiral hit a new last year, providing a third reason for the raised levy. Costs of supplies, materials and equipment used by the schools went up about three per cent. Cost of personnel, which represent 80 per cent of the schools budget went up 7 per cent. To match state increases in operation funds requires an increase in the M and O of \$24,000.

The Franklin Pierce district has a valuation of approximately \$2,300 behind each weighted student. This is less than one-third of the state average, about one-fifth of the valuation per student of Seattle.

Each mill levied in the FP district raises \$2.75 per student, in a district, such as Renton, \$18.93 is raised for each mill levied.

The average district in the state is now raising \$109 per student for special levies. Projections show that these districts will be raising \$118 per student in 1969. It would take a levy of 39 mills in the FP district to raise this amount. The proposed 33 mill levy will enable the district to raise approximately \$91.00 per student.

Editorial

By EM MATSON

Unless more signatures are secured for Initiative 242 petitions, the Drivers' Implied Consent-Intoxication Test measure will fail to meet ballot requirements by the July 5 deadline.

Citizens' Committee for Highway Safety, sponsors of the Initiative petition, noted the lag in securing signatures in a release issued last week. We feel the voters of the state should be given the opportunity of exercising their right of franchise on this issue, and should sign the petitions to put it on the fall ballot.

Unfortunately, the consumption of alcohol is a factor in too many of the state's fatal and serious injury traffic accidents. Campaigns urging drivers to refrain from operating their vehicles while under the influence have gone unheeded.

Should the initiative qualify for the November ballot and voter approval motorists suspected of being intoxicated after being stopped for traffic violations, would be required to submit to breathalyzer tests or face revocation of their drivers' licenses for a six month period.

The initiative also would reduce the percentage of alcohol in the bloodstream presumed to indicate intoxication from .15 to .10 per cent.

A few years ago this writer was involved in a televised experiment supervised by Tacoma Police and the medical profession to determine if the .15 per cent figure was reasonable. Results disclosed that in many cases drinkers with a reading of .075 per cent were far from being in condition to safely operate a vehicle.

So it would seem that the .10 per cent figure is not out of reason, and if anything, would permit a few drivers to be considered sober when in reality, they could not be classified as physically able to drive safely.

Similar laws are already in effect in 27 other states including Oregon and California.

Employment Census Slated

Persons in this area will be asked questions about their employment and unemployment the week of June 17-22 by Census Bureau interviewers, Director John E. Tharaldson of the Bureau's regional office in Seattle announced.

The questions are part of the Bureau's monthly population survey taken simultaneously throughout the Nation to gather up-to-date information about the U.S. population. The Labor Department's Bureau of Labor Statistics uses these data principally to evaluate the changes in the national job picture.

Households to be interviewed here are part of a scientifically selected national sample. Their identity is confidential, and the facts obtained in the survey will be used only for statistical purposes.

Census interviewers who will visit households in this area are: Mrs. Arlene F. Riechle, 4515 So. Fawcett Ave. Tacoma, Wash. 98408; Mrs. Harriett D. Lindom, 10919 39th Ave. S.W., Seattle, Wash. 98146.

Lions Install

The Parkland Lions Club will install its new officers Tuesday, June 18th at the Brookdale Restaurant. Mr. Lyle Tinker, past District Lion's International Governor from Olympia will be the installing officer.

The officers to be installed

WSP Trooper PBC Speaker

T. E. Hewitt, Washington State Patrol, will be guest speaker at the June 19th meeting of the Parkland Business Club at the Jolly Roger Restaurant, 3724 112th St. East.

Trooper Hewitt's topic will be "Are You A Driver," which will be accompanied by a film, "The Third Killer."

An "outstanding revelation in tire antics at high speeds" also will be shown in film form by the trooper.

Social hour begins at 6:30 p.m., dinner at 7:30.

Bethel 1963 Grads To Meet

Bethel graduates in the class of 1963 will hold a reunion 8 p.m. June 15, at the Firs.

Tickets will range from \$8-\$10 per couple depending on the selection of chicken or steak dinner. Mrs. Charlene McFadden, VI 7-2715, urges all Bethel 1963 grads to turn out.

Bethel School Board Report

By E.W. (Doc) Webster
Chairman

Due to the fact graduation night fell on school board meeting night, our board met Wednesday, June 5th. The meet lasted until 10:40 p.m., which must be a record for a short session. All members were present.

According to reports, the Thompson school is well on schedule. We approved the proposal to double shift for a short time in this area as it may be several months after fall term starts before the Thompson school is completed. We would all feel much better if this could be avoided, but as of now, it is feared we do not have any other choice.

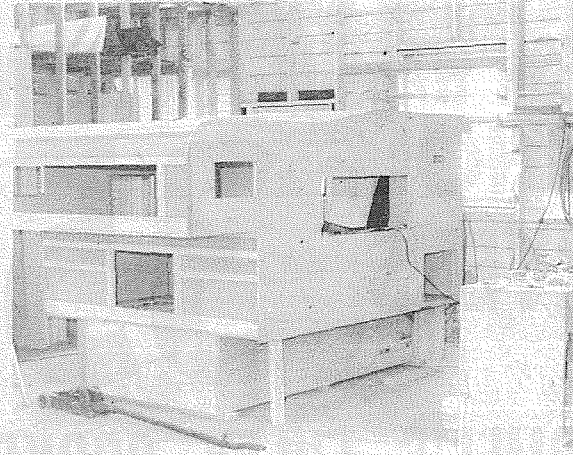

We approved the resignations of Mrs. Margo Kessel and Kathleen Klinger, both of the high school English de-

partment; and approved contracts for George Fossen, Jr. as coordinator of pupil services; Patrick McMurray as speech therapist; Thomas Blanchard for industrial arts at the high school; Gilbert Simmons, German-English at the high school; Mrs. Sandra Blanchard, 1st grade, Clover Creek; Mrs. Carolyn Sluga, 2nd grade, Kapowsin; Miss Rhoda Ingstad, 6th grade, Clover Creek.

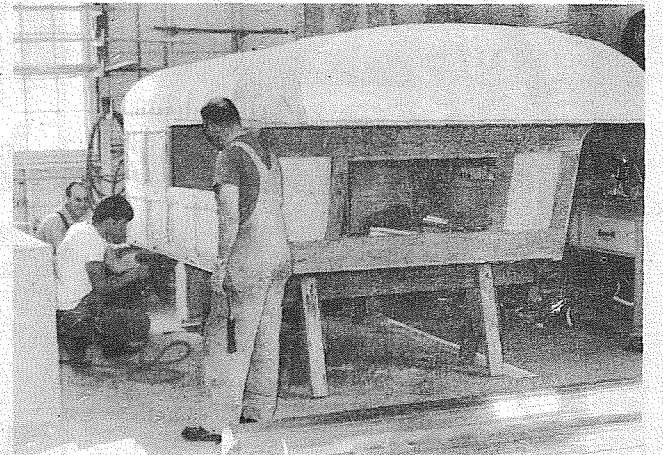

Approval was given to add a half-time vice-principal to the high school staff for 1968-69.

The Board approved the Clerk bidding on 23.5 acres of county land adjacent to present school site in Spanaway. This action will take place on June 10th.

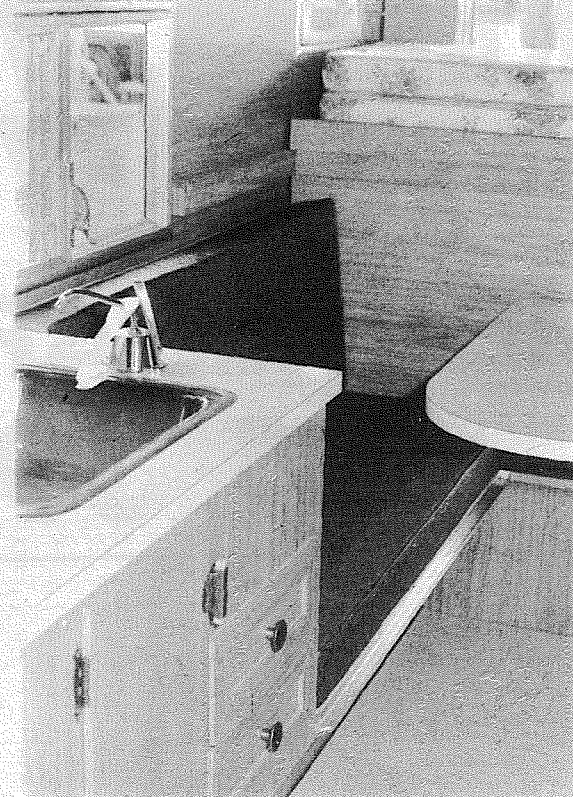

Our next meeting will be June 17th at 8 p.m. in the administration building.

A business that started in the garage of David and Harlene Smith expanded to a new location at 14606 Pacific Avenue last February and is about to expand again.

Called Smith Built Campers and Canopies, the business specializes in the manufacture of pickup truck campers and canopies.

Smith is adding on his new quarters in order to permit assembly line production. He and 5 employees are presently turning out 6 units per week, but with the addition hopes to greatly increase production.

Production employees include: Alexander "Sparks" Parenti, Leroy Wood, Bill Heeb, Jim Doyle, and Pete Smith. Neil Burton heads the sales department. Harlene Smith takes charge of the office duties, occasionally taking time out to chase parts.

Construction of the building addition was recently started and is expected to be pressed into service in the near future.

CPEC Offers New Courses

Clover Park Education Center officials have announced new courses to be offered during the summer session, June 17 to 26. Applications are being accepted now for openings in Power Sewing Machine Operator and Basic Retailing and Cashier Checking, as well as Nursery School Aide classes.

Employment demand for graduates of all three courses is excellent, according to Wilbur Snyder, assistant director. "In fact," Snyder said, "the courses were established because of the demand for people trained with these skills."

The Power Machine Operator course will meet from 8 a.m. to 2:30 p.m. daily, providing concentrated practice in operation of the type of power machines used in local clothing and drapery manufacturing industries.

The popular Basic Retailing

and Cashier Checking course, normally offered only during the school year, is being made available during the summer to prepare interested persons for employment at the time of the annual fall buying period in local stores. Persons who enroll will attend classes from 8:30 a.m. to 3:30 p.m. daily, for four weeks, then during the last two weeks will attend classes only in the mornings and work on the job in local businesses during the afternoon hours. Norris Nelson will be the instructor.

For the first time this summer, a course in Nursery School Aide training is offered to junior and senior high school girls as well as adults. The hours are 9:00 to 12:00 daily for six weeks. Enrollees will get practical training in the development of young children by actually working with children who will be attending the Lakes Nursery School this summer. Mrs. Carol Mooney, instructor, indicated there are still several openings for more students. The minimum age for enrollment is 14. She added that skills gained through this

training will help young women in later life to be better mothers of small children, and also assist them in becoming better babysitters immediately.

Openings also exist in real estate career training, in machine trades, office occupations, electronics, and welding. Applications for these courses may be made at the Education Center office at 4500 Steilacoom Boulevard in Lakewood, or by calling JU 4-7611 between 8:00 and 4:30 daily.

An Alaska businessman, down on his luck in Reno, phoned his partner that he didn't even have enough money for food. The partner Air Expresed him the office safe containing \$300 in cash, a loaf of bread and a salami.

It is impossible to wait for a gracious regeneration of society to make human life tolerable . . . It is impossible to cancel the law and wait for the realization of love."

I agree with him. We cannot wait until people are willing to give equal rights to all races. Therefore laws must be made and enforced to give all people the personal human dignity which they deserve to have. I am very much in favor of an open-housing ordinance for Pierce County, and I am relying on the wisdom of the County Commissioners to see that these laws are passed.

Yours truly,

Dear Editor:

Nicholas Berdyaev, a famous philosopher and theologian, was expelled from Russia in 1922 because of his concern for man's personal freedom. He was very aware that laws would limit human freedom, but at the same time he realized that laws were definitely necessary to grant a measure of freedom to all

men. He wrote:

"The law does not know the concrete, unique, living personality or penetrate into its inner life, but it preserves that personality from interference and violence on the part of others, whatever their spiritual condition may be. Therein lies the great and eternal value of law and justice . . .

Library Members Attend Conference

Three members of the Pierce County Library will attend the 87th Annual Conference of the American Library Association in Kansas City, Missouri, June 23 to 29.

Those who will attend include Mrs. Carolyn J. Else, director of the library, Miss Maudie M. Baltzell, coordinator of adult services, and Richard Wolff, member of the Board of Trustees.

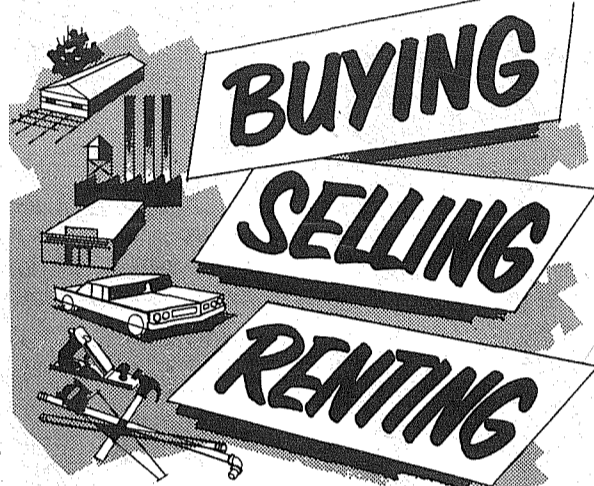

This annual meeting brings together leaders in the library profession to work on the on-going programs of the association. The association works to extend and improve library service and librarianship, seeking to make books and ideas vital forces, and in cooperation with librarians everywhere, to encourage

young people to enter the profession.

The representatives from Pierce County Library will have the opportunity to talk with others having similar situations. They will also attend sessions concerned with the interests of their various capacities, such as: a study on financial, governmental and public service aspects of library systems; a discussion of the changing institution of public library trusteeship; a program on serving adults in today's society, including tapes and films to put librarians and publishers in tune with motives, pressures and desires of those not now reached with meaningful service; and a section titled "Librarians who work with children and young people face the future together."

Arena Show Replaces Parkland Rodeo

A two day Arena Show will replace the Parkland Rodeo Show during the 1968 Parkland Roundup, Earl Clemens, Roundup Chairman announced yesterday.

Sponsors of Roundup Week, the Parkland Business Club, has worked out an agreement with Henry Fawcett to produce special pony events including chariot racing, barrel racing, pony pulling, and pony saddle events, Clemens stated.

In addition, club officials are negotiating with Bob Keller and Joni Selden to perform during the show. The talented Parkland dance team expects to launch a professional career in Las Vegas next December, and Clemens said they will be an important addition to the arena show billing.

Other Arena Show events will include an antique car parade.

The annual Roundup parade Saturday July 27, will start 10 a.m. at 96th and Pacific marching down Pacific Avenue turning to the rodeo grounds on South 138th. Bob Magdanz is 1968 parade chairman. Clemens reported that Roundup Dance Committee Co-Chairmen John Gibson and Mrs. Harold Lloyd are working out details for the event, slated the evening of July 27 at James Sales Grange, 113th and Park Ave.

Roundup button sales will start June 28. Princess judging for personality has been set for July 17 at Barlo's. Judging of horsemanship will be at the Roundup Grounds July 20 11 a.m. until 1:00 p.m.

Food Stamp Opening Set For July 1

When the federal Food Stamp Program opens in King and Pierce Counties July 1, it will be the climax of a long preparatory effort by the United States Department of Agriculture and the State Department of Public Assistance.

USDA, which administers the program on the federal level, is responsible for authorizing grocers to accept food coupons. This process began with a series of information meetings for interested grocers in the two counties last month.

According to Dan Boyd, in charge of the Seattle office of USDA's Consumer and Marketing Service, about 450 food stores in King County, 190 in Pierce County, have been ap-

proved. Boyd expects a total of about 750 authorized stores in the two counties by July 1.

Grocers accept the coupons as they would cash. Participants in the program will buy the coupons through about 130 branch banks. Users buy the coupons at a discount, spend them at face value.

At the same time, the State Department of Public Assistance is processing applications for participation in the program by low-income families and individuals.

HORSEMEN'S NEWS

Annual Pony Show June 15

Exhibitors from several states and Canada will vie for awards during the Washington Pony Breeders annual all-pony show June 15 at the Tacoma Unit One Sports Arena one mile east of Pacific Avenue on East 176th.

Many of the nation's outstanding Welsh, Shetland, and Hackney ponies will compete in 33 scheduled halter classes and 26 performance classes.

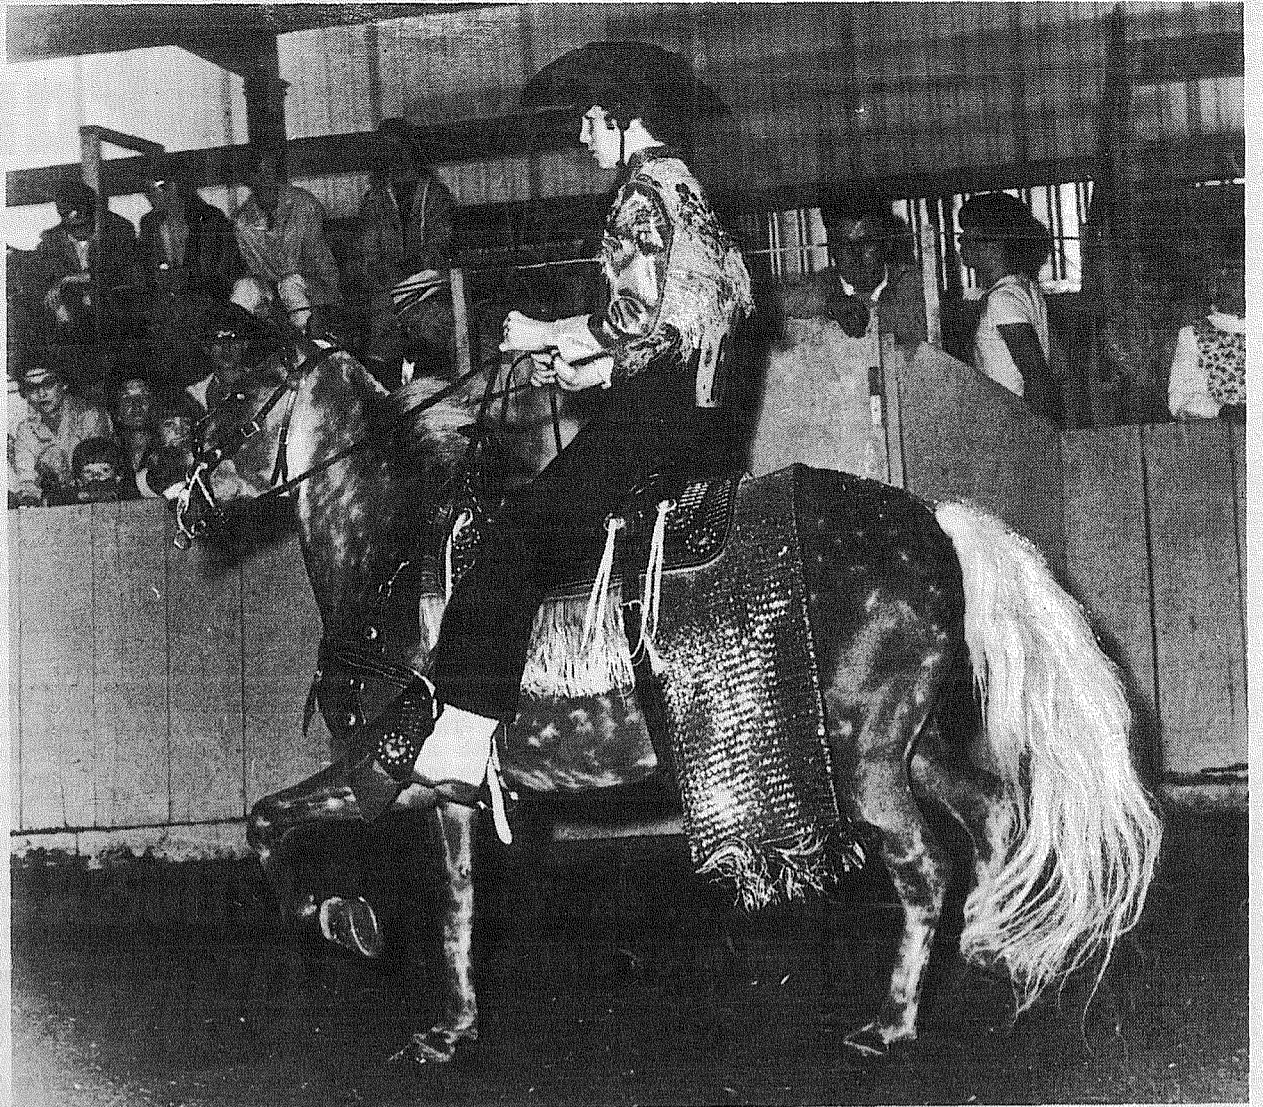

A full day is planned with halter classes beginning at 8 a.m. followed by an afternoon performance show at 2 p.m. Afternoon events will feature high stepping fine harness and roadster ponies, children riding their ponies in parade, equitation, games, and thrilling chariot races.

Evening performances, starting at 7:30 p.m., will begin with the beautiful Fancy Turn-out class. Children attired in tuxedos and hooped-skirt gowns will ride in buggys drawn by show ponies. Other highlights will include championship classes and the exciting 4 pony hitch-es.

Participants are expected to range in age from 2 to 82

years and show officials predict spectators of the same age range will find the show both beautiful and exciting.

Tacoma Handicap Sunday

The Tacoma Handicap - Longacres' oldest feature event - will have its 35th running next Sunday, June 16th. It is the only one of the present stakes races to be run every season since the track's inception in 1933.

Traditionally considered the first leg of the Longacres' version of the "Triple Crown", the \$7,500-added Tacoma Handicap is designed for three-year-olds at six and one-half furlongs. It is followed by the Spokane Handicap at one mile on August 4th, and the \$20,000-added Longacres Derby at 1½ miles on August 18.

In 34 years only two horses, Sparrow Castle and Kings Favor, have managed to sweep all three events. Sparrow Castle (Continued on Page 9)

Longacres News

(Continued from Page 8)
row Castle won the local triple crown in 1960. Kings Favor captured the three events in 1966.

An English bred horse is certain to be one of the most highly regarded nominees of the Tacoma. Great Descretion, property of the Elttaus Farm, nom de course of Joseph Gottstein and Robert N. Hutchinson, is a gelded son of Nice Guy out of Queen Of Night. The brown speedster sports a two-win for five-start record thus far this year. One of the victories was registered at Santa Anita in top company and the second win occurred at Longacres Memorial Day.

Mr. Ruler, a California bred chestnut colt haltered for \$17,500 at Santa Anita in February for David Brazier, local construction magnate, is another possibility in the Tacoma. The swift youngster was in the money 8 out of 10 tries as a two-year-old and has a win and a second over top California company in six outings to date.

Mr. Q. D., handy winner of the William E. Boeing Stakes, is being pointed directly for

the Tacoma. Jopeak, two length victor in allowance company at Longacres last Friday, is also pointing for Sunday's headliner.

Other Tacoma possibilities include Bonfire Baby, Agean Star, Six 'L Win, Judgelyn, Royal Fusilier, Kali Tiki and Yakima Princess.

Racing will be conducted on Wednesday, Friday, Saturday and Sunday of this week. Special events scheduled:

Wednesday — The Seattle Traffic Association will be honored.

Friday — The WHBA Auxiliary Fashion Show will be presented.

Wednesday and Friday races commence at 4:15; Saturday and Sunday at 1:45.

Jack Leonard booted in five winners Sunday to take over the riding lead at Longacres after 11 days of racing with 18 victories.

Leonard, who rode Miss Redoubt to triumph in the \$7,500-added Renton Handicap, is the third jockey in the top spot in as many weeks. Lino Burgos was the early leader. He was replaced by Larry Pierce.

For the week, Leonard guided 12 of his mounts into the winner's circle. Pierce and Burgos are tied for the runner-up spot with 15 victories apiece.

Following are the standings through June 9, including every jockey with one or more winners:

Club Reporter

"Truman Teenagers to Disneyland."

The Parkland Milk-A-Ways 4-H Club has a very good project underway right now. It is our community service project for the summer.

Mrs. Ken Evans, the leader of the club, brought up the idea to have a bake sale in order to raise money for this wonderful project.

If you would like to make any donations toward "Truman Teenagers to Disneyland" please send them to the Parkland Milk-A-Ways, Pat Evans, 1411 East 128th, or to any National Bank of Washington.

Our club will deeply appreciate it and I'm sure the kids at Truman would too.

While home on leave at this time the young Franklin Pierce graduate married the former Miss Sonja F. Gaiser, daughter of Mr. and Mrs. Neil Gaiser Sr. of Parkland, also an FP graduate.

The couple are now living in Killeen, Tex.

Steven Brown Appointed To U.S. Academy

Steven F. Brown of the Sixth Congressional District has recently been offered an appointment to the U.S. Military Academy for the class entering in 1968, announced Congressman Floyd V. Hicks today. Steven, who is presently attending high school in Tokyo, where his father, Chief Warrant Officer Gordon K. Brown of Tacoma, is stationed with the Army, will begin his training at West Point in July.

The young Academy appointee has expressed a strong desire to make the military his career, as he feels it would be a great honor to serve his country as an officer in the U.S. Army. In this respect, congressman Hicks said that he is sure Steven will make a fine representative of the 6th District at West Point and a worthwhile contribution to the military profession.

Spanaway Sets Three Days Of Racing

SPANAWAY - Three days of racing is planned this week at Spanaway Speedway with action set for Friday and Saturday nights and Sunday afternoon.

Last weekend huge crowds saw a double day of action in which Don Hall won the AA Main ARI superstock event Saturday night and set a new track record in a one-lap time trial. Hall's win in the AA event edged out Ron Eaton

and third place winner Bob Short before 2,800 fans.

In the A Main Event, Ken Longley grabbed the win followed by Dave Rogers and Steve Kaiser while Pete Burton won the Class B, Main edging out Dick Henning and Harold Jones.

Saturday B - Division AA trophy dash was won by Rick Swain with Fred Sorenson, Jerry Couch and Vern Huson following. Jack Cooper won the AA trophy dash followed

by Hall, and Dennis Scott, The Class B dash went to Henning while Nick Roughich was second and Terry Boyle third, Bruce Liner won the Class A trophy dash with Longley and Bruce Stanley next.

Hall's record snapped his own previous mark set in April. The new time for one lap is 16:08 which bettered a 16:33 time.

On Sunday the popular Figure 8 racing was introduced with the Main 20 lap event being won by Carl Zaretzke with Jim Fitzpatrick and Bill Williams second and third. On the 11th lap of the event Ken Buchanan rolled side for side after being hit by Fred Strain. Buchanan escaped with no injuries but his wife, who was

in the stands became ill and was rushed to a hospital.

Also on Sunday was a 20 lap Foreign Stock race with Dan Quinn edging out Gerry Holland and John Lorentzen. Another Main event was the 10 lap to Midget which was won by John McIntire followed by Warren Wilbert, Don Preston and Bill Vincent.

This Friday's card includes a Full Midget Benefit race starting with 7:30 time trials and 8:30 racing. Saturday ARI Superstocks plus Formula B Sports card will race. A 6:30 time trial is set with racing at 8 p.m. Sunday will include Figure 8, Foreign stocks, TQ Midgets and Superstocks with 1:30 time trials and 3 p.m. racing.

Keep your eye on apprentice "Bug Boy" Richard "Tex" Hollingsworth. He's a comer and could be top flight jockey when he absorbs a little more experience.

"Tex", so named by owner and trainer Jim Penney, is a contract rider for the Penney Farms (Yakima). He wound up as the leading rider this season at Yakima Meadows with 27 wins astride the Thoroughbreds and one win on a quarterhorse. He is off to a

fairly slow start at Longacres (two wins on 11 mounts) but will improve as the season progresses.

He hails from Dallas, Texas and had ridden some in the "bushes" while living with his sister in Cle Elum. Harold Bear gave him his first riding chance at Playfair in '64 and that was his first look at a recognized track.

A broken left leg and a cracked knee last spring put him on the shelf for several months. The leg has healed in nice shape but he carries a steel pin in the knee.

The 1968 Longacres meet is his first fling at the "big time" and he holds promise for the future. Tex is 20 years old and rides at about 114. Weight making comes easily and the scales hold no fear for him.

Tex will be able to hold his "bug" until late in March 1969 and will have plenty of chances to ride the Penney Thoroughbreds as well as the others trained by Jim Penney.

NEXT BIG ONE: The Tacoma Handicap, one of the oldest of the Longacres Stakes. It was first run the 1933 opening year. It is for three-year olds at six and one-half furlongs for \$7,500 added.

Learn-To-Swim Program OK'd For Hi-Dive

Registration will be taken Monday for the first three-week session of the Pierce County Park Department's learn - to - swim program at Lake Surprise.

The first session June 17 - July 5 will offer instruction from 1 - 4 p.m. at Hi-Dive Resort on Lake Surprise. A fee of \$3 will be required at the time of registration, 1 - 1:30 p.m. on June 17.

UPS Is Site Of Field Meet

TACOMA - The first weekly Park Olympics track and field meet for youngsters 9-17 years of age will be held Wednesday, June 19, at Baker Stadium on the University of Puget Sound campus.

The Metropolitan Park District and Pierce County Park Department will offer six weekly meets each Wednesday through July 31, except for July 3. Competition will begin at 6 p.m.

Stellings & Moss To Enter Big Drag Championships Here

Stellings and Moss have announced that they will attend the 6th Annual North American Fuel and Gas Championships at the Puyallup Dragway June 15-16.

Stellings and Moss are from Laguna Beach, Calif., and are the present track record holders at Puyallup, both in the ET and the MPH departments . . . 223 MPH and 7.01 Elapsed time. These

were set at their last appearance during Labor Day in 1967.

The Championships this weekend are considered the biggest show for the Northwest in Drag racing. Cars from all over the West Coast will participate. Last year of 500 cars made over 5,000 runs through the quarter mile making it the biggest race of 1967.

The Pierce County Park Department will conduct a track and field clinic at Edgemont and Gonyea Playfields next week for youngsters 9-17 years of age.

Dan Inveen, Pierce County track and field supervisor, will conduct clinics Monday and Tuesday, June 17-18, from 11 a.m. to 1 p.m. at Edgemont and on Thursday and Friday, June 20-21, from 1-3 p.m. at Gonyea.

The first-day instruction will deal with field events - high jump, long jump, shot put and softball throw. The second day will feature running events, including hurdles and relays.

The first weekly Park Olympics track and field meet for youngsters 9-17 years of age will be held Wednesday, June 19, at Baker Stadium on the University of Puget Sound campus.

The Metropolitan Park District and Pierce County Park Department will offer six weekly meets each Wednesday through July 31, except for July 3. Competition will begin at 6 p.m. and post entries will be accepted.

The meet is open to all youngsters in Tacoma and Pierce County and will feature competition in Small Fry, Pee Wee, Midget and Junior divisions for boys and girls and a Senior Boys division.

Playground activities supervised by the Pierce County Park Department will open Wednesday at nine locations throughout the county.

Miss Nikki Mahnkey, coun-

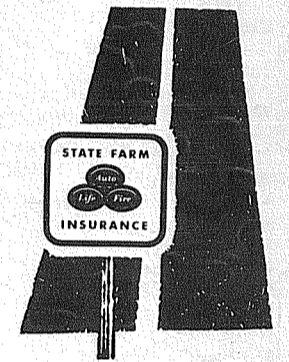

ty recreation supervisor, has announced programs from 9 a.m. to 5 p.m. at Dawson Playground, S. 90th and Portland Ave., and Gonyea Playground, 134th and S. J., in the Franklin Pierce area; Colegate Park in University Place; White River High School in Buckley, and Main St. Park and 16th St. Park in Summer.

Morning activities will be supervised at Elmhurst School in the Franklin Pierce area, Edgemont Playfield and Orting High School from 9 a.m. to 12:30 p.m.

The playground program will continue through Aug. 16, but no activities will be supervised July 4-5.

Special events and county-wide activities will be scheduled throughout the playground season.

Waller Road

By Mrs. Verne W. Fogle Le 7-5210

David Larsen, son of Mrs. Lavelle Larson, is in St. Joseph's Hospital for treatment for cuts to his foot following an incident when he slipped under the edge of a lawn mower operated by his brother Randy.

Mrs. Edith Sullivan spent a few days in the hospital recently.

Gilbert Carlson is getting on nicely with crutches, necessary because of a fractured leg. He is really "catching up" on rest at the Carlson home.

The final days of school were filled with excitement for Waller Road students.

May 28th the 4th-5th- and 6th-graders presented their spring program in the form of an Operetta, entitled "Dust in the Sky". The band, the Orchestra and the Waller Road Boys Chorus participated. Parents of the children were guests for the program.

The 6th-grade party was a "much-looked-forward-to" occasion for the graduates. It was June 4th at the multipurpose room of the school with mothers of the 5th-graders in charge. Mrs. Walter Ehnat, president of the PTA, was chairman.

Thirty-two boys and 30 girls were seated on the stage. From there each received a special certificate, made for them by the committee. Cor-

sages and boutonnieres were presented to each student, a gift from the Waller Road Garden Club, who also furnished the floral baskets for the stage and centerpiece for the refreshment table.

A musical program was presented by the children. Following the program the youngsters shared the cake and other refreshments with their families.

The awards assembly was June 6th at Waller Road School for presentation of awards for sports — the President's physical fitness program — and ballroom duties. Pins and certificates were presented to the school patrol, the boys' chorus and the school chorus. Awards were also presented for perfect attendance.

With school out, it is doubly important to DRIVE CAREFULLY.

Grange Asks Extension

An appeal for early congressional action extending the 1965 Food and Agriculture Act was voiced today by A. Lars Nelson, Master of the Washington State Grange, at the organization's 79th annual convention on the Whitworth College campus.

Nelson urged approval of several other features of President Johnson's 1968 farm message including (1) establishment of a "food bank" or strategic reserve of wheat, feed grains and soybeans for emergency needs, the reserves to be "insulated" from the commercial market and thus prevented from depressing farm prices; (2) a \$20 million increase in the food stamp program; (3) legislation to give farm groups bargaining power, and (4) programs to provide employment opportunities and eliminate poverty in the rural areas.

The 1965 law, now slated to expire at the end of next year, covers existing supply management and price support programs for wheat, feed grains, cotton, milk and soybeans. Also included is an incentive program for wool which is in perennially short supply.

Nelson also endorsed extension of Public Law 480 or the Food for Freedom Act, on which Congress is now completing action.

He said the farm programs are essential to prevent additional thousands of farm families from leaving the land and joining the exodus to the Nation's big cities.
