Roy History Recorded in Pioneer's Collection

ROY CONGREGATIONAL CHURCH is one of the historic landmarks of Pierce County, and is still in use. Built as a community project by pioneer homesteaders

in 1888, the building appears much the same today as it did when photographed by M.C. Hughes in the early 1900's. More pictures and story about early Roy on page 5.

Names Recommended For New High School

The Name Selection Committee for Franklin Pierce School District's new high school has submitted three names for consideration. The names are Parkland, Washington and Viewmont.

Parkland High School was recommended by numerous individuals and civic groups as the most identifying with the area which the school will serve.

If the high school would be named for a person, the committee felt that Washington was the most appropriate selection; there is no high school in the state with that name.

According to the committee there were many suggestions for names identifying the site as one which viewed Mount Rainier. The committee selected the recommendation of Walter Kunschak for this name.

Other suggestions received by the committee included Kennedy, George Washington, Howard Lee, Gus G. Brechemann, Edwin Nelson, Nathan Hale, John Marshall, Nathaniel Hawthorne, Henry Long Fellow, Robert Frost, Tollentire, Ruth Bethel, Lee Croft, Washington, Dave Turnbull, Albert Reihls, Noah Webster, Parkland, Tule Lake, Oak Ridge, Parkland Central, Park View, Mountain View, Mountain Vista, Mountain View and View Mont.

Census Slated In Parkland

During the week that the Census Bureau's population clock ticks off the arrival of the 200 millionth American, census workers will be taking an employment survey here, Director John E. Tharaldson of the Bureau's regional office in Seattle announced today.

Interviewers will visit local residents Nov. 20-25 to ask about kinds of jobs, hours worked, time off, and job-hunting activities, the regional director said. The data accumulated will be used by the Department of Labor in updating national figures on employment and unemployment. The Census Bureau acts as fact-gathering agent for the Labor Department.

The survey is taken each month from a representative sample of households in 449 areas throughout the U.S. The identity of households surveyed is confidential by law, and the facts obtained are used for statistical purposes only.

The interviewers who will visit households here beginning Nov. 20 are Mrs. Dorothy A. Carden, 1912 East 91st Street, Tacoma, and Harriett D. Lindom, of Seattle.

Measles Clinic To Be Held At Area Schools

"Keep the Spots on the Leopards and off the Little Kids" might well be the title of Washington State's all-out campaign against measles. This deceptively simple childhood disease - known as "hard", "red", or "seven-day" measles - causes serious complications and even death each year throughout the country.

In Pierce County, the campaign is being conducted by the Pierce County Medical Society and the Tacoma-Pierce County Health Department.

Dr. Orvis Harrelson, Director of School Health Services, reports that a study in the county shows that 16,079 children are susceptible to measles.

"This is a serious disease that can cause blindness, hearing loss, pneumonia and other physical and mental disorders," he warned. "A recent study of 53,000 cases of measles, 'for example, showed that one of every 15 produce potentially serious complications.'"

He urged that all parents with children who have not been inoculated against hard measles, or who have not had the disease already, visit their own physicians or attend one of the clinics for free shots on November 19th.

Clinics have been set up in local schools throughout

S.Sgt. Gehri A Member of Best Outfit

Staff Sergeant Michael D. Gehri, son of Mrs. E. Ruth Gehri of Spanaway, Wash., is a member of the U.S. Air Force defense organization that has been selected as best in the United States.

Sergeant Gehri is assigned to the Air Defense Command's (ADC) 26th Air Division that has won the coveted General Frederic H. Smith Trophy. The trophy, which honors a former Air Force vice chief of staff now retired from active duty, was presented at division headquarters, Adair Air Force Station, Ore., Nov. 7.

The 26th was chosen for the top ADC award for demonstrating through year-long evaluation the best ground capability to support ADC fighter-interceptors in identifying, intercepting and destroying enemy aircraft.

Sergeant Gehri is a graduate of Franklin Pierce High School.

His wife, Marlyn, is the daughter of Mr. and Mrs. Clifford A. Askerooth of 1 Yale Drive, Ogden, Utah.

Planning And Organization Conference Slated Nov. 17

A one-day conference on community planning and organization for governmental and civic leaders in Pierce County will be held Friday, Nov. 17, at the Sherwood Inn in Tacoma.

The purpose of the conference is to acquaint county leaders with the manner in which communities of other metropolitan areas have organized to meet their mutual problems.

Several leading authorities on community planning will address the conference. Edwin G. Michaelian, county executive of Westchester County, New York, and past president of the National Association of Counties, will address the noon luncheon.

Porter Homer, county manager of Dade County (Miami), Fla. and Robert Horton, chief administrative officer of Davidson County (Nashville), Tenn., will speak during the afternoon session.

Pacific Lutheran University, in cooperation with the Planning and Community Affairs agency of the State of Washington, is

sponsoring the project. It is being partly financed by a \$18,000 Community Service Grant awarded to PLU's department of political science.

The visiting experts attending the conference will discuss the procedures and techniques which they used to solve problems in their local areas.

The conference's advisory council consists of local governmental and educational leaders. They are: Harry Sprinker, chairman of the Pierce County Board of Commissioners; David Rowlands, city manager of Tacoma; Albert Sabine, city manager of Puyallup;

Phyllis Erickson of Parkland; Col. (Ret.) Harold Liebe of Lakewood; Kenneth Orthund of University Place; Dr. Thomas Langevin, academic vice president at PLU; Dr. Donald Farmer, chairman of PLU's department of political science; and Dr. Culver.

Howard D. Scott, president of Tacoma's Chamber of Commerce, will speak, along with a representative of Gov. Daniel Evans' office.

Alfalfa Preferred Say The Horses

Pierce County owners of light horses with questions about winter rations had some answers today straight from the horse's mouth!

Eddie Thomason, County Extension Agent, said results of light horse feeding trials at Rutgers University show alfalfa was the preferred hay by the horses in the study's taste panel.

Results of the study and their possible application by horsemen are outlined by Joe B. Johnson, Washington State University Extension Livestock specialist. The feeding trial involved taste preference or palatability and nutritive value.

Six Standardbred geldings were used in the 12-week study. The feeding trial was split into six 2-week periods. Each horse was fed a different forage for each of the 2-week periods. Forages tested included alfalfa, alta fescue, Reed canary grass, timothy, orchardgrass and bermuda grass.

All the horses showed a strong preference for alfalfa over any of the grass hays. Each horse ate about 1½ pounds more of alfalfa hay per day than any of the grass hays.

In addition, digestion trials showed that alfalfa hay is superior in nutritive value to the grass hays. It provided more energy and maintained a higher Vitamin-A blood content.

Washington horsemen who want to maintain their idle riding horses during the winter on the cheapest possible high quality ration can do so by feeding good green leafy alfalfa hay. The daily hay requirement will be about 1½ pounds of alfalfa hay per 100 pounds of body weight.

With good alfalfa hay, grain will not be needed except in special cases. Growing yearlings, pregnant mares, and old horses with worn teeth may need some grain in addition to hay.

Short Term Classes To Be Held At FP

Five short term classes especially for the coming holiday season will be offered beginning Nov. 27 as part of the Franklin Pierce Adult Education Program.

The classes meet one night a week for three weeks, and extra sessions will be conducted if classes get too large, Howard Motteler, night school director, said.

Two sessions are already planned, one for Monday evening and one for Thursday evening, for gift wrap and paper decorating and for interior decorating. Students will learn techniques of making gift wrapping and center pieces and other decorations from paper in the first class, and will learn how to use greens and teasel, and styrofoam for making various holiday decorations in the second class.

Also being offered is a class on Monday evening in resin craft, and on Thursday evening a class is being offered in using a clear resin liquid to make grape clusters.

A Wednesday evening class will allow students to learn how to make feather flowers, such as chrysanthemum, wild roses and poinsettias.

Students may register in advance by mail or in person at the office of the adult education director, 11124 Portland Ave., or at the first meeting of the class. Monday classes meet first November 27, the Wednesday class meets first November 29, and the Thursday classes first meet November 30.

Sealed Bid Timber Sale At Fort Lewis

About 2,030,000 board feet of standing timber is available for cutting and removal from a portion of Fort Lewis, according to Kelvin Greenstreet, chief of the real estate division, U.S. District Engineer's Office, Seattle District. One sale, containing 2,930,000 board feet, is reserved for small business. Species include Douglas Fir and Minor amounts of other species.

The timber will be offered by sealed bid advertising as three simultaneous separate sales.

Interested persons may inspect the timber by calling the Corps of Engineers representative, Bryan L. Turner, Building T-7985 (North Fort Lewis), telephone Tacoma 967-2004, between 8 a.m. and 3 p.m., Monday through Fridays, except holidays. Bid forms may be obtained there or from the U.S. District Engineer's Office, Seattle District, Corps of Engineers, Real Estate Division, 1519 Alaskan Way South, Seattle, Washington 98134, where sealed bids will be opened at 2 p.m. November 30th, 1967.

Guild To Present Children's Concert

The Parkland Orthopedic Guild will present its annual Children's Concert at 2 p.m., Sunday, Nov. 19, in Eastwood Auditorium at Pacific Lutheran University.

Mrs. Kenneth Johnston, who is co-chairman of the event with Mrs. Henry Burke, said all proceeds go to Tacoma's Mary Bridge Hospital. Tickets may be reserved by calling PLU's information desk.

Gordon O. Gilbertson, director of PLU's Concert Band, will moderate the program and explain the music. The Concert Band will open the program with the "Star Spangled Banner," and follow-up with Mousorgsky's "Pictures at an Exhibition."

"Favorite at all children's concerts," said Gilbertson, "is the Walt Disney Overture arranged by Erickson. This piece contains 'Whistle While You Work,' 'When You Wish Upon A Star,' 'Some day My Prince Will Come,' and 'High Diddle-Dee-Dee.'"

Prior to intermission the band will perform Ole Bull's "Chalet Girl's Sunday," Hartzell's "Egotistical Elephant," and Nelhybel's "Estampie" for symphonic band and antiphonal brass choir.

The second part of the program opens with the "Two Part Contention" by Dave Brubeck.

Next Golbertson has selected Jean Berger's "Baidada" and four Scottish folk tunes.

Rossini's popular "William Tell Overture" will be played, featuring the peaceful Mountain Scene, the Storm Scene, the Song of the Herdsman, and the grand Finale.

A march, Cacavus, "The Sentry Boy" will be next, followed by Haenschen's "La Rosita." The final number will be Ferrar's "Bombasto."

NOT ONLY PROTESTING "SPOTS" but the more serious effects of measles-blindness, mental and physical disorders and even death-are these four-year-olds who got a kick out of being painted up to show dramatically how measles can be wiped out with today's modern vaccines. The kids are volunteers to help promote the state-wide "Measles Must Go" campaign-the biggest mass immunization program since the 1955 polio drive. Ranging from spotty to spotless are Danny Evans, son of Mr. and Mrs. Charles O. Evans; Todd Kleist, son of Mr. and Mrs. Richard Kleist, and Stacy O'Neill, daughter of Sgt. and Mrs. Robert K. O'Neill.

Pierce County for easy access to all. They will be open from 1 p.m. to 5 p.m., and will be staffed by fully competent volunteer professionals. Registration forms are being given to school children or they can be obtained and filled out at the clinic.

Names of schools and their locations for clinics in this area on November 19th are Bethel Jr. High, Muck-Kapowsin Rd.; Eatonville High, P.O. Box 97, Eatonville; Ford Jr. High, 1602 East 104th; and Keithley Jr. High, 12324 So. L.

LETTERS TO THE EDITOR

To Voters in Bethel School District 403:

important business in our area; the boys and girls, future American Citizens.

On November 7th, 1967, you selected your school board, you approved propositions one and three and proposition two lost by less than one per cent. The reports I have had, some objected to the way Proposition two was presented, not fully explained. Believe me there was no intent to deceive you. This was thoroughly explained by Superintendent Dr. Fred Gramann at the many meetings we attended throughout the district.

I am sure all board members and administration will welcome your suggestions.

Again thanks to you the voters in Bethel District 403.
E.W. Doc Webster
Route 1, Box 153A,
Graham.

506 So. 115th St.
Tacoma, Washington 98444
November 9, 1967

Gentlemen;
We would like to correct a misunderstanding about some of the information we gave people concerning the South Suburban Sewer District. We said the Federal Grants had been approved.

The State now gives matching funds for swimming pools, which are classed as teaching stations. With the crowded conditions, it was finally decided this was the course to take.

We should have said the Washington State Water Pollution Control Commission, the State Health Department, and the County Engineer have all approved the amended comprehensive plan for the District. These approvals are an important and necessary step toward securing the Federal Grants.

Also included in proposition two was classrooms at Spanaway Grade School, these long suffering folks have been sending their children to classrooms long ago declared sub-standard. The cost of this would have been just 14 mills for one year only at local level. Many requests are coming in to re-submit this proposition on a special election.

The approvals were received on Nov. 3rd and so it was impossible to inform the citizens of the South Suburban Sewer District of this important advance before they voted.

My idea is, you elected me to serve you, so how about making your voice heard. Take part in this the most

Sincerely,
The Giddings

Council Studies

State Taxes

The Tax Advisory Council has resumed its study of the state's tax structure which it commenced in 1966. G. Keith Grim, Chairman of the Council, has announced that the Council invites the views of all persons interested in the state's taxes. Any group or individual having suggestions or recommendations which it would like to present to the Council should write to the Tax Advisory Council at the General Administration Building, Olympia, Washington.

Patrol Chief Asks Drivers Take Blame

With the state approaching an all-time high in highway deaths, state patrol chief Will Bachofner suggested perhaps it's time for the drivers themselves to stand up and take some of the blame.

The Council Chairman stated that the Citizens Group will be reviewing the major tax proposals which were included in its 1966 report and which were considered, but for the most part not adopted, by the 1967 Legislature.

In a statement, Bachofner said Washington's highway system is rapidly being improved so as to compare with the country's best; high schools are providing driver training to a large percentage of the students; drivers' license examinations have been improved over the years and state troopers are among the finest in the nation and are doing everything in their power to rid the highways of the careless and dangerous driver.

In its 1966 report the Council recommended that the state enact a single-rate net income tax, reduce its retail sales tax to 3.5 percent and remove the sales tax from food purchased for off-premises consumption and from prescription drugs. Also recommended was a reduction in the rates of the business and occupation tax and a general program for improved administration of property taxes with the ultimate objective of keeping those taxes from continuing their upward increases.

"Can the road be blamed when an intoxicated driver gets on the wrong side of the freeway and hits another vehicle head on?"

Grim made it clear that the continuing examination of state and local taxes will not be limited to the Council's 1966 proposals. "We are interested in receiving ideas and suggestions on every aspect of state taxes," Grim said.

"Can the schools be blamed when one of their students speeds around a curve at nearly 100 miles an hour, leaves the roadway, flips the car over and kills himself?"

"Can testing procedures be blamed when a driver one hour later drives straight into a moving train at high speed?"

"Can troopers be blamed when a driver stops in the middle of a roadway to fix a tire and another driver steers directly into him? We think not," Bachofner said.

Early Roy Recalled By Pioneer

PRIZED TEAM belonging to the Betchard Mill Company stopped for a picture in 1912 enroute to deliver a load of wood to a local resident.

CHARLES A. THROSSSELL as he celebrated his 80th birthday two years ago. One of his primary projects is collecting pictures and compiling data regarding the history of Roy.

By Em Matson

"Roy was a rough and ready old town in its day," Charles A. Throssell, Roy pioneer, stated in recalling the events that make up the town's history.

Throssell, a man of 82 years and as spry as one 30 years his junior, has collected photographs and historical facts covering Roy and supplements them with his memories over the past 75 years.

Among his pictorial treasures are photographs exposed on glass plates taken by the late M.C. Hughes. Hughes, who homesteaded on the site where Bethel High School is now located, excelled in photography and recorded the Roy area in pictures for 50 years.

The town enjoyed a steady rate of growth until 1917, when the Government bought much of the surrounding land to form Fort Lewis, Throssell stated. The army paid \$1.50 up to \$8 an acre for land that would yield 30 bushels an acre, he recalled. With the loss of wheat farmers, Roy businesses began to dwindle, and 15 homes were left empty.

The first school in Roy opened in 1888, and was replaced in 1904 with a larger school house that later burned down. In 1936, the present elementary was built.

Throssell was 5 years old when his parents homesteaded 1½ miles west of Roy in 1890. He married the former Martha Myhre November 17, 1907, and the couple will soon celebrate their 60th wedding anniversary.

"Martha's sure been good to me over all these years, waiting on me hand and foot," he commented. "She has helped make life worth remembering."

Editor's note: Pictures on this page are from Charles Throssell's collection of M.C. Hughes photographs. Hughes, who was a former Roy mayor, died in California at the age of 94.

SPAR TREE, to be used as a gin pole, was cut in error from property belonging to Charles Throssell about 1922. Throssell was offered 75c for 100 foot monster, but held out for a \$5 settlement.

ENTIRE BLOCK pictured in this 1929 photograph of Roy Department Store. Business houses were wiped out by a fire that broke out in the attic of block one of McNaught's first addition to Roy.

STUDENT BODY of Roy School pose for a picture in 1904. Teacher is Miss Dora Hines, who is still living.

MRS. ALMAN WERT, wife of Roy's first mayor, proudly poses for Hughes' camera in front of her home about the turn of the century. Wert was one of the early town merchants.

MURRAY GENERAL STORE was established in 1889 and has continuously served the town's needs over the years. Nelson Murray took over management from his father in 1925 and is still operating business.

WOMEN'S WORLD

**Mayfair Children
To Perform**

At Elmhurst

The Mayfair Children's Theater will present "Rumpelstiltskin" at the November 21 Elmhurst P.T.A. meeting in the school multi-purpose room.

The Children's Theater was established as a summer activity for Mayfair children, and successfully presented the play twice during the summer in a double garage converted into a stage. All materials used by the group were donated by Mayfair residents.

RUMPELSTILTSKIN players pose for a dress rehearsal picture. The Mayfair Children's Theater will present the play Tuesday, November 21, for the Elmhurst P.T.A. — Russ MacDonald Photo

With growing enthusiasm the children are already planning their next summer play, a musical based on the Legend of Rip Van Winkle with all the original music and script.

The P.T.A. meeting will be called to order at 8:00 p.m. A pre-holiday bake sale will follow the meeting. Everyone is invited.

**DRAPERIES

OF YOUR LAUNDRY AND DRAPES

**DAVE'S NU-WAY
CLEANERS**

— phone GR-5-1144 — 7209 Pacific Ave.

ANXIOUSLY awaiting the evening of November 22 are the members of Bethel's Senior Ball royalty; two of whom will be crowned king and queen. Top row from left are Dick Hopkins, John Briehl, Dick Shephard and Steve Harlow; Center, Fay Coonc, Vicki Vollbrecht and Linda Noe; Bottom, Ed Warring, Linda Hudson, Debi Miles, Ed Mayo; Sue Kelly, Candy Ritz and Mike Buck. The theme "Through Tinted Glass" will be carried out in decorations to grace the Sherwood Inn for the formal ball from 8:30 to 11:30 p.m. Dance music will be provided by "The Donnells."

Notices

Elk Plain Grange elected Leonard Blakely as the Master for 1968. Members also voted to hold only one meeting a month on the third Monday of each month; beginning with the January meeting.

Eager readers will have a brief shut-off of supplies next week. Parkland and Roy community libraries will both be closed on Thursday, Thanksgiving Day.

Calendar of Events

Collins Grange Annual Dinner and Bazaar has been slated for Sunday November 19 from noon to 4:30 p.m. The menu includes roast beef and homemade pies. There will be Christmas gifts for sale. Donations will be \$1.50 for adults, children under 12, \$1.00 and pre-schoolers, free. Location of the event is 120th St. E and 34th Ave. E.

Margaret Udall Orthopedic Guild a member of the

Tacoma Orthopedic Association, will be sponsoring a used book sale from 10 a.m. to 6 p.m. Friday and Saturday, Nov. 16th and 17th, at the Tacoma Public Library.

Proceeds from the sale will go to maintaining and operating the Mary Bridge Children's Hospital of Tacoma.

Brookdale PTA will sponsor a Christmas Bazaar from 3 to 7 p.m. Saturday, November 18th, at the Brookdale School, 132nd and Park Avenue.

"Crazy Capers" is the theme for the carnival which will feature a white elephant booth, cake walk and games.

Parkland Light and Water Co.
The Nation's Oldest Member-Owned Light & Water Co.
Presents Two New Parkland Homes

Built by a well-known Parkland Builder, J. L. Smith, the homes have been equipped with Electric Furnaces which will offer new owners the most care-free type of forced air heating system available on today's market.

It's cleaner; absolutely no dirt will enter the new home through the electric wire.

It costs less to own; service calls are almost non-existent.

It costs less to operate; electric heating equipment puts all its heat into the house, not up the chimney vent. Plus Parkland Light and Water's low 8 mill rate, together with an occasional "free bill" is an unbeatable combination.

It's safer; electric heating equipment offers a greater margin of safety than any other commonly used heating method to date.

It Improves the Community

In Parkland, when you pay your electric heat bill, you help defray the cost of several community improvements, such as the street lighting system. While most of the revenue going to competitive sources is taken clear out of the Community, and even out of the State, leaving behind only cut and patched streets and sidewalks.

When you are ready to purchase, see any of the local Electrical Contractors or Business Houses.

**Scout Troop
Needs Master**

Waller Road Boy Scout Troop No. 23 is in need of a Scout Master.

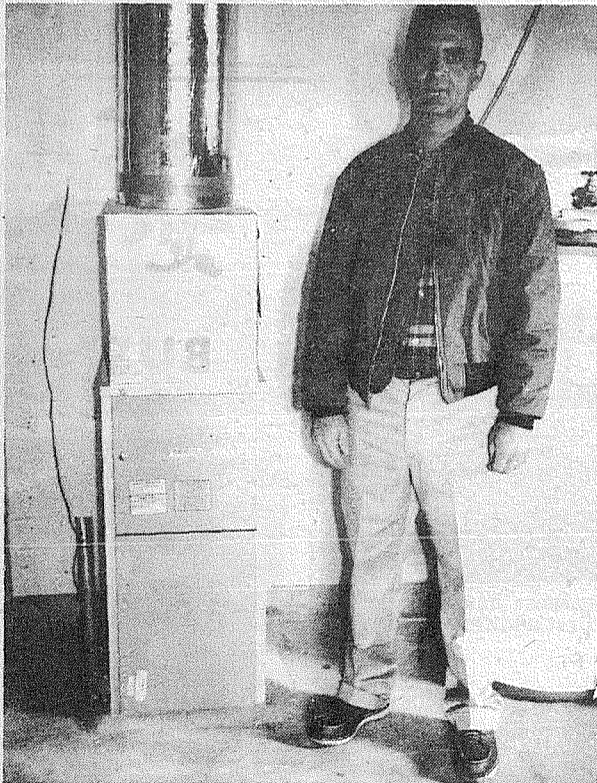

Many times this call has gone out from the Waller Road Grange and throughout the years, always someone comes forward to give their time to help out. Orris Larson who has served as Scout Master for several years, will be unable to do so after the first of the year. Anyone interested please call Larson at WA 2-8814. He will furnish information.

**HINTS FOR
THE HOMEMAKER**

We all, or at least most of us place foil in the bottom of our ovens for easier cleaning, but this one hint which takes a little time is to wrap your racks in foil, use heavy duty foil and cut in strips, wrap each wire of your oven rack individually. Leave until after the holidays, when you remove this and see your shining racks it will have been worth the effort. This is something you can do evenings instead of knitting, fills your time and is real rewarding.

The builder, Mr. J. L. Smith, is pictured standing beside the compact electric furnace which he has installed in one of the three bedroom homes.

Although common in other parts of the State, the electric furnaces are rather new to the Parkland area. Therefore the Parkland Light and Water Company is indebted to Mr. Smith for making possible the opportunity for those interested to see the installation first hand.

If you wish to see these heating systems, call the Parkland Light and Water Co. (LE 1-5666). A member of the Staff will gladly arrange an appointment.

For those interested in buying a new home, we suggest they see Mr. Smith at the site.

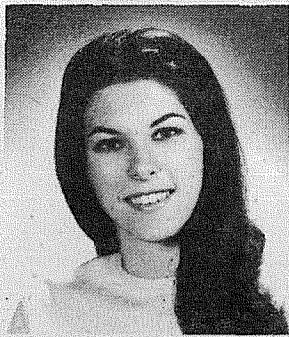

For information on Electrical Heating Equipment, get in touch with your Parkland Light and Water Staff.

ENTERTAINMENT

Around The County

By DONNA DIXON RESTIVO

Stand-up comedian George Wilcox handles the trumpeting and drumming duties for The Hilarities, a lounge show trio opening a one-week stand at the Winthrop Hotel's Sabre Room. The group, headed by pianist Pete Matteo, former leader of Suzie and the Night Owls, features the voice of bass player Gene Hammond. I stopped by last night to watch their show. The group is really good. I only wish their stay could pass the one week.

The Spanaway Cafe is in the process of moving and will soon have a gala re-opening. Watch for it.

John Savory, distinguished British pianist, will present a concert at 8:30 p.m. November 21 at the University of Puget Sound's Jacobsen Recital Hall.

Savory will play works of Brahms, Beethoven, Webern, and Smetana and Ravel in the complementary program.

Savory, a Londoner, is on his fifth tour of the United States. He has presented con-

certs throughout the U.S. and Europe particularly for university groups. He also has made radio and television appearances.

PARADISE BOWL

Express — Dick Breon, 619; George Moe, 223; Jean Moe, 456; Betty Breon, 168. Split pick up: Frank Guesman, 4-7-9.

Tahoma Downs Bethel 6-0

By JOHN BRIEHL

Art Crate Field was the scene of the final game of the season for the Bethel Braves. Finishing the year with a 2-6-1 record, the Braves were much more successful than is shown on paper.

Two obvious records were set by the "Big Red" this season. A twenty-seven yard field goal by Ed Mayo proved to be the longest on record at Art Crate Field and six pass interceptions by John Zurfluh bettered the old school record by one. Both players are seniors and will be missed by the 1968 Braves.

At a sports banquet to be held November 20 at Brad's Restaurant, Bethel plans to letter at least twenty grid-ders. Probable letter winners for 1967 include: John Zurfluh, Mike LaVine, Dave Gordon, Ed Warring, Mike Poorman, Ed Mayo, Marv Antonie, Doug Lee, Dave Agnew, Mike Stafford, Larry Loete, Gary Hopkins, Bill Thomas.

Steve Jasmer, Tom Rice, Jack Doyle, Jody Miller, and Chuck Bullion.

Through a scoreless first quarter the Bethel defense shined as Tom Rice and Mike Poorman both made fumble recoveries. A booming 51 yard punt set the Bears from Tahoma deep in their own-territory as the period ended.

In the second quarter sophomore Ken Krimpos pulled in a John Zurfluh aerial for forty yards and the Braves advanced to the four yard line before being stopped on downs. The half ended with two big goose eggs on the scoreboard.

The Tahoma backfield ground out four first downs a the second half opened. Full-back Mike Davies finally broke the tie with a drive into the line and the Bears were ahead to stay.

Despite sizeable gains for Bethel by Jody Miller, a holding penalty took the fire out of the Braves as Tahoma held on for a 6-0 victory.

HALFBACK MIKE LaVINE attempts to avoid a Tahoma tackler on the first play of the game following a mix up in the backfield. The Bears won 6-0. Steve Harlow picture.

Joint Recital Slated At PLU

Mrs. Kathryn Seulean Strickland and Mrs. Charlotte Garretson will present a joint recital at 4 p.m., Sunday, Nov. 19, in Jacob Samuelson Auditorium in the Administration Building of Pacific Lutheran University.

The first half of the program will feature Mrs. Strickland at the piano. She will play the "Italian Concerto" by J. S. Bach, the "Three Rondos" by Bela Bartok, and Chopin's "Fantaisie in F. Minor."

Mrs. Garretson will be accompanied by Mrs. Strickland during the second half of the recital. She will sing the entire song cycle "Frauenliebe und Lebe" by Robert Schumann and three English songs by Samuel Barber.

RECORD DEER? — This grizzled old stag had weathered many a hunting season until it ran up against Mario (Maude) Vincenzi, 204 S. 201st St., Seattle. The five-point mule deer weighed 425 pounds field dressed, which would put its on-the-hoof weight at about 500 pounds. Vincenzi shot the deer in the Makin Creek area of British Columbia a week ago. It is probably the biggest deer brought in this year (by a Northwest hunter) and could be a record. The animal was weighed by Ray Schumsky at Dunham's Food Center Sunday. Vincenzi said he is sending the big buck's jaws to the British Columbia game department at their request in order that its age be determined.

For generations, Puyallup-area citizens have found that dealing with the friendly people at Citizens State Bank can be habit forming.

Car buyers who bought their first "flivver" with us when cars were still more horse than power are still financing their cars here.

Grandparents who financed their first home with us over a half-century ago have sent their children and grandchildren to us for the same personal service.

And many of the families who began saving with us here at Citizens "away back when" are still doing it. And mighty glad they are.

Nearly 70 years of service is a mighty long time. And we've learned a lot about people and the banking business over these years. Now we're ready and eager to put it to work serving you.

Stop by soon.

SPORTS

Harlem Clowns To Play Bethel Faculty All Stars

A basketball game with a show!

That is what fans will see at 8 p.m., Monday, November 27th, when America's band of comedy athletes, the Harlem Clowns play the Bethel Faculty All Stars at the Bethel High School Gymnasium.

If you've seen them before, you know that Al Pullins' hoop comics always try to stage a better-than-ever show. If this is your first time, then you're in for a real treat.

There's no question that the Harlem Clowns are the funniest basketball team in America. Night after night they put on their tremendous show of ball handling, shooting and comedy routines.

Some fans like straight basketball, others like comedy. So the Harlem Clowns dish up generous helpings of both.

"Send the fans home laughing and they will be back next year," Owner Al Pullins said early in his career of traveling show basketball.

This policy has paid off. Year after year for more than a quarter of a century the Harlem Clowns have returned to the same towns and the crowds get bigger and bigger. New generations of fans turn out to see these crazy court comics and the demand for their appearance has grown to the extent that many requests for games are turned down — there's just not enough nights during their five months season.

The Clowns never try to run away from an opponent. They keep the score close — sometimes too close and if the "local team" gets hot — you see some real basketball — as well as comedy.

So be prepared for an evening of amazing basketball that includes fancy ball handling, trick shooting, comedy routines, both planned and spontaneous.

The Harlem Clowns can play great basketball and mix in laughs. They start the evening's festivities with their famed "magic circle" to the tune of theme song "Sweet Georgia Brown." Then the razzle-dazzle warm-up and an exhibition of "dunk shots."

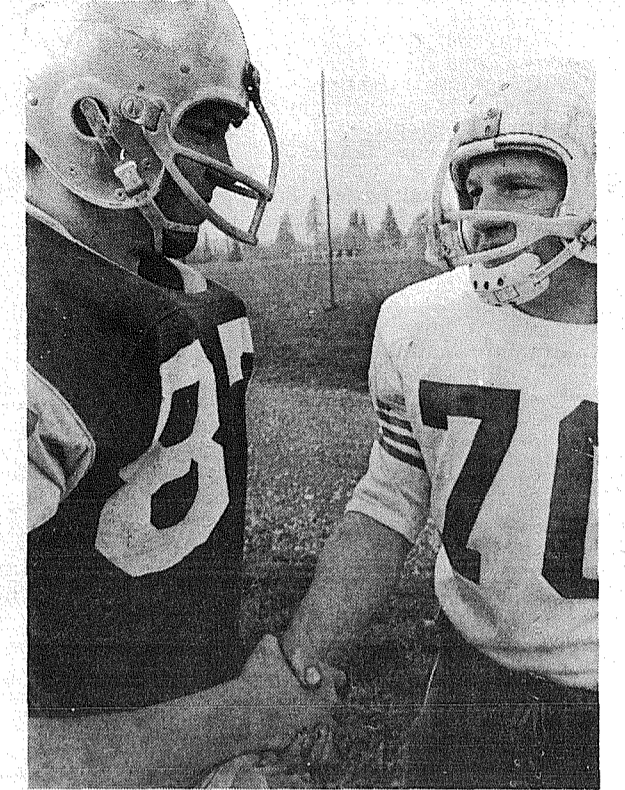

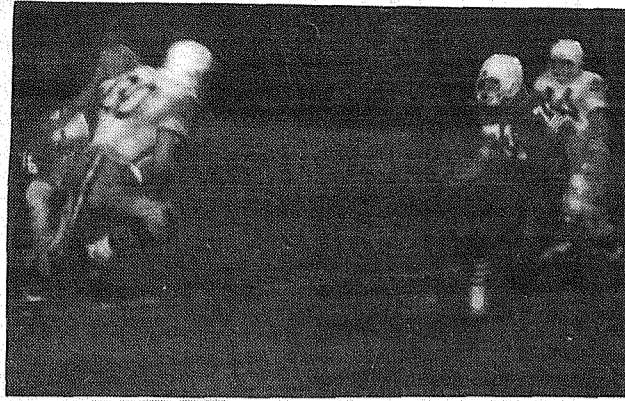

When the referee blows his whistle to start the game the Clowns begin their comedy and the official sometimes is perplexed as to how he is going to get these funsters serious enough for the opening toss-up.

Usually the Clowns open with a quick basket, dunked in after the jump. Then a quick ball handling routine, followed by a few minutes of fast scoring with a bit of comedy thrown in between shots.

Of course there are regular routines — but the impromptu stuff and the ad lib gag is the stock in trade of these natural comedians. And they are not above getting the fans into the act.

Cards Southern Division Champs

To Meet Renton Nov. 17

'GOOD LUCK, CUZIN!' — Mark Hanis (left) and Albert Downs are cousins — grandsons of Mr. and Mrs. Albert T. Downs of 509 Bronson Pl., Renton. They are also members of Puget Sound League teams: Mark, a senior, is a Renton end; Al, also a senior, is a Franklin Pierce tackle. Their squads meet at 7:30 p.m. Friday in Highline Memorial Stadium to decide the 1967 Puget Sound League championship. Mark is the son of Mr. and Mrs. Fred Hanis of 507 Windsor Pl., Renton. Al is the son of Mrs. A.H. Downs, of 10310 34th Ave. E., Tacoma.

The high-flying Franklin Pierce Cardinals sailed past the Auburn Trojans 21-7 last week to capture the PSL Southern Division crown and a chance to meet Renton November 17 for the Puget Sound League title.

The Cardinal's rugged defense will challenge what has been described by many as the best offensive high school football team in the state, in the PSL playoff at Highline Field.

"We know we'll be playing one of the best, if not the best high school football team in the state, but you can bet we're not going out there feeling whipped before the game starts," Coach Eldon Kylo commented on the coming contest. The Cards are in top condition and have been working hard to polish their attack, he said.

Of his team's recent victory over Auburn, Kylo said Pierce played more of a wide open game than against Puyallup.

A 64-yard touchdown sprint by Trojan Tom Ness on the second play of the game only added to the Cardinals' determination to win. Doug Armstrong grabbed one of Jim Hadland's passes for the first Card score midway through the second period capping a 76 yard sustained drive. Morry Shanahan booted the tying point.

In the third period Franklin Pierce broke the deadlock when end Mike Stogsdale snagged a Hadland toss and ran the ball across for 6 points. Shanahan converted and the Cards went out in front 14-7. The scoring play culminated a drive that started with the second half Auburn kickoff.

Pierce dominated second half play, maintaining almost unbroken ball control. A long 4th quarter drive brought the Cards to the Auburn two yard line where Ross Ratcliff plunged across for the final tally.

Franklin Pierce dominated the statistics, swamping the Trojans in the first down department 21-6. The Cardinal offense rolled up a total of 274 yards with 235 yards gained on the ground. Pierce had the ball for 70 plays against 41 for Auburn.

The loss shattered Auburn's hopes of winning their first Puget Sound League championship. The school never has won the honor in the league's 42-year history.

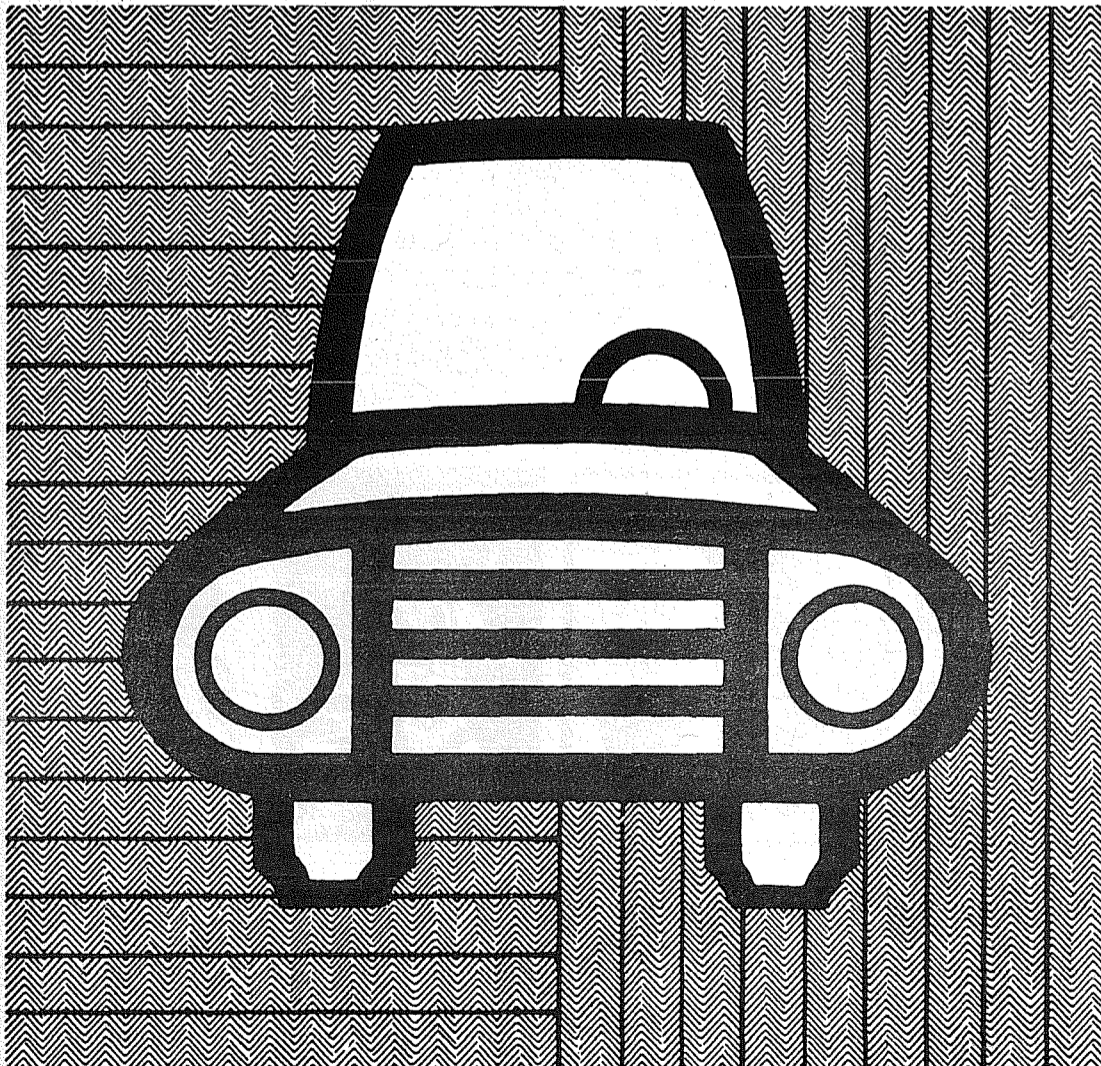

Coach Kylo To Be Hospitalized

Franklin Pierce head football coach Eldon Kylo will report to Lake-

wood General Hospital for a back operation following the Cardinal-Renton football game, he disclosed to the Journal yesterday.

The spinal operation is slow healing, and he expects to be laid up about 8 weeks, the coach stated.

Buying a car?

Check your dealer about a Bank of Washington low-cost auto loan

Your dealer not only knows cars, he knows how to arrange the most comfortable financing for the ones he sells. Chances are, he'll be quick to suggest an auto loan from Bank of Washington. If he doesn't, just ask for one by name—"A Bank of Washington low-cost auto loan, please." Have you tried us lately?

PLU Upset By Whitman Renton Wins

The Pacific Lutheran University Knights found out Saturday that there isn't a team in the Northwest Conference that is a sure pushover. Whitman College, the league's consistent cellar dweller, scored an upset by beating PLU 14-7.

The Lutes' lone touchdown came on a 52-yard pass from junior quarterback Bob Lovell to all-conference end Jeff Carey. Fred Moe converted for PLU's seven points.

Whitman snapped a five-game losing streak in defeating the Tacoma club. They used the Lutes' own defense to win. Head coach Ray Carlson said the Lutes were not expecting a different defense, and they couldn't adjust in time to stop the Missionaries from scoring.

Mistakes, which usually hamper Whitman, occurred to PLU instead Saturday. The Lutes fumbled six times and lost the ball four times.

Now 2-6 for the season, PLU ends the year by hosting Lewis and Clark College, defending Northwest Conference Champions. The Pioneers are fighting for a share of the crown, and they need a win over PLU to get it. Linfield College defeated Willamette for a sure tie last week, and Willamette hosts College of Idaho Saturday to decide if they will be in the win circle. The Pioneers, also with

one loss, need a PLU win to place on top.

Carlson said his team is going to spend the week working on fundamentals. "We didn't block well, and our play execution was off," he said.

Several lineup changes are also suggested. Defensive end and tackle Mark Yokers will be switched to a corner half-back slot. It will be the first time the big end has played out of the line, but Carlson is hopeful Yokers can help stop Lewis and Clark's passing game.

Moe, the Lutes' kicking specialist and backup full-back, will start in a line-backer slot to replace ailing Skip Miller. Yokers is taking the spot usually filled by Doug Jansen. An injured knee forced the talented junior to the sidelines.

Although he was disappointed with the loss last week, Carlson did praise the work of freshman Pete Olbertz of Olympia. Starting for the first time on defense, Olbertz made 13 unassisted tackles and four assists. And as a backup quarterback he connected on three of five

passes.

Freshman Dave Roller of Tacoma continued to pace PLU's passing game with seven receptions.

The two schools have met each other eight times since 1933, and PLU leads the series with four wins, three losses, and one tie. The Lutes' last victory was a one-point win, 21-20, in 1965. Last year the Pioneers won 33-13.

Hammer And Nail

Overlaid plywood is an Exterior-type plywood, permanently protected with fused resin facing of either Medium or High Density. Both types can be worked in the same manner as regular plywood with the following exceptions:

If back side of plywood is to be exposed, chipped edges may be minimized by placing a wooden block under back during the cutting or drilling operation.

For maximum results when cutting and drilling it is very important to keep tools true and sharp.

LAVINA R. THOMPSON, Defendant.

THE STATE OF WASHINGTON, to the said LAVINA R. THOMPSON.

YOU ARE HEREBY SUMMONED to appear within sixty (60) days after the date of first publication of this summons, to-wit: Within sixty days after the 2nd day of November, 1967, and defend the above-entitled action in the above-entitled Court, and answer the Complaint of the above-named Plaintiff and serve a copy of your Answer upon the undersigned Attorney for above-named, C.M. Thompson, Plaintiff at his office below stated; and in case of your failure to do so, judgment will be rendered against you according to the demand of the Plaintiff's complaint which has been filed with the Clerk of said Court.

This is an action for divorce.

FROM OUR
Correspondents
Waller Road

By Mrs. Verne W. Fogle Le 7-5210

Election of officers for 1968 for Pomona Grange, found Lee Biggs of Riverside Valley Grange holding the reigns of Master. Other well known county Grangers elected with him are as follows. Harold Johnson of Benston Grange, overseer; William Markham of James Sales, Lecturer; Noland A. Nelson of Graham, steward; David Van Hulle of Waller Road, assistant steward; Rev. W. A. Moore was re-elected Chaplain for the 27th year as a member of Riverside Valley; David Harper of Waller Road, treasurer; Agnes Kropf of Ohop, secretary; Gertrude Ellison of James Sales, Flora; Helen Ballow of Fuitland, Pomona; Helen Nelson of Graham, Ceres; Herbert Piper of James Sales, Gate Keeper; Myrtle Leach of Riverside Valley, Lady assistant steward; Howard Freeman, retaining Pomona Master; elected to three years on the executive committee; Freeman is of Waller Road Grange.

Ed Ellison of James Sales Grange will finish the one year unexpired term of Harold Johnson on the executive committee.

Anna Van Hulle of Waller Road will continue as Junior Grange Chairman for Pomona.

The first craft session held at Waller Road Grange Hall, was attended by only 10 ladies, but more are expected as the interest builds. The next class is set for 7:30 p.m., November 20th. Creative embroidery was undertaken. Finished items will be brought back and other ideas for burlap will be discussed. Ideas are welcomed. A Christmas workshop is scheduled for December 4th.

A workshop for grange auxiliary members will be at 10:30 a.m., November 21st at the home Gilbert Carlson.

Items will be made for the coming bazaar and thrift shop held in conjunction with the Harvest Smorgasbord luncheon November 29th at the grange hall.

James Taylor Master, announces that the Waller Road Grangers at their last meeting, voted to "pay off" the amount due on the loan that will leave them completely out of debt. However, the mortgage burning ceremony will take place when the grangers hold "open house" for the birthday celebration in February.

It has been a short eight years since the grangers plunged into a building project with a small amount in the bank, but loads of faith in their fellow man. The grange hall and grounds surrounding it, stand today as a tribute to all who have helped in this project.

Collins News

Sunday, October 29th, the Silver Wedding Anniversary of Mr. and Mrs. Walter Balmer, of Collins Road (now 128th Street), was observed with an open house reception in the fellowship Hall of Mt. View Baptist Church. Ice cream, cake, coffee and punch were served the friends of the couple.

The couple's daughters, Janice and Jolene Balmer and Mrs. Jeanne Sorrell, were hostesses.

Mr. and Mrs. Chas. Bruner, of Rapid City, S.D., spent last week visiting with their daughter, Mrs. Robert Pottinger and family. They will spend Thanksgiving in Salem, Ore., with Mr. Bruner's sister, after which they will visit relatives and friends in California, Phoenix, Ariz., and Minneapolis, Minn.

The annual Homemakers Club Christmas Bazaar will be in Waller Road Grange Hall on November 17th from 10 a.m. to 3 p.m.

Each Homemaker's Club will have a booth of items for sale. Lunch, a la carte, will be sold. There will be drawings for door prizes every half hour.

Every now and then a "how to do" demonstration will be given by a club. Thrifty Maids will be hostesses this year.

9 a.m. - 10 p.m.
