TRUCK INVOLVED IN HIGHWAY SMASH-UP SCHOOL ASKS FOR 15 MILLS

\$2,533,917.77:

New Jr. Hi Increases FP Budget

The Franklin Pierce School District Budget for the 1961-62 period was arrived at Monday night by the school's Board of Directors.

The general fund total is \$2,533,917.77. This is approximately \$400,000 more than last year's budget, which totaled \$2,112,059.04.

The increase in funds is due to the new Keithly Junior High School which began operation this year. The building fund, which includes building sites and additions; totals \$683,281.44.

The bond redemption fund has been set at \$138,985.50. This is used for the retiring of building bonds, as well as payments and interest on buildings already put up.

County Power Co-op Discussed

Officers and directors from six mutual companies met at Parkland, Thursday, September 28th to discuss new business concerning their Pierce County Power Co-Operative Association. This Association made up from members from Ohop, Eatonville, Fircrest, Steilacoom, Parkland, Elmhurst and Lakeview serves more than 50,000 individual power users.

Attorney Don Miles reported on the development of Canadian power resources which indicate that the use of electrical en-

DOOR BELLS RING OCT. 10

Doorbells will be ringing throughout the communities of Parkland, Brookdale and Spanaway the night of Tuesday, Oct. 10th.

The reason for this mass descent upon the homes of local residents is, of course, the annual United Good Neighbors Drive.

Spearheaded by General Chairman Earl Dryden of the National Bank of Washington, the local drive has high hopes of doing at least as well as last year, when the goal was exceeded by about one and a half times the amount hoped for.

This year's goal for all of Pierce County is \$45,000, topping last year's mark of \$43,500.

Helping organize the committees for this year's local campaign are Wes Gilbertson of Economy Furniture, George Potter, local attorney, Chare Cassell of Redi-Gas, Rev. H.A. Thieste of Parkland Lutheran Church, Rev. Orlando Lee of Lutheran welfare, and Jerry Dryer of Dryer Funeral Home.

Rev. George Nafus is general chairman for the Spanaway area. (See picture on Page 10)

ergy from this source is feasible should the need arise for more power than we can supply from our own resources. Other facilities which have been under development during the past 2 or 3 years by private companies and PUD's will provide added sources of electric power throughout the Northwest. John Curtis, Association Secretary-Treasurer of Parkland, stated that by working together the utilities in this county may expect to continue to adequately supply their individual members.

Driver Unhurt In Serious Mt. H'way Mishap

Norman O'Day, a Puyallup logging trucker, is today without the services of his logging truck. He isn't worrying too much about his loss, however. He's too busy thanking his lucky stars he's alive.

Late Monday afternoon he was driving towards Tacoma on the Mountain Highway near LaGrande when his truck went out of control as he rounded a curve. It slid off the road and descended about 10 feet before crashing against a tree. State Patrolmen Doug Treichel and Carl Heagle, investigating the accident, stated the tree kept the truck from hurtling into a creek further below, thus possibly saving the driver's life.

The truck landed on its right side, totally demolished. The cab was smashed flat, jamming O'Day between the seat and the dashboard. It took workmen about 35 minutes to free him from the mass of twisted metal imprisoning him in the cab.

A hacksaw was used to cut away parts of the cab, since it was feared that torches might ignite the gasoline in the truck. O'Day then emerged from the cab, suffering only from slight bruises and scratches on his head. He turned and looked back at the truck's mangled and broken beyond repair in the ditch.

Somehow, he had managed to escape alive, and that was all that mattered. "Watch Speed at Nite" - Betlach

Bethel Evening Program Begins

The Bethel Adult Evening Education Program will start the week of October 9. The following classes will begin at 7:00 on indicated evenings:

Sewing and tailoring will be held on Mondays in room 20 of the high school with Miss Kappahn instructing. Bookkeeping will be taught on Mondays in Room 16 of the high school with Mr. Finchom instructing. Spanish will be taught on Thursdays by Mr. Enochs in his room in the Junior High School.

Shorthand will be on Tuesdays, provided a few more registrants sign up. An organization meeting will be held in Room 14 of the High School, Mr. Lan-

Voters in the Franklin Pierce area must register by tomorrow in order to be eligible to vote in the Franklin Pierce School District election November 7th.

One of the possible road-blocks, of course, is getting the necessary number of voters to the polls. Forty per cent of those voting in the Presidential race must vote to validate this election. This means nearly 3500 votes must be cast. A sixty per cent 'yes' vote is needed for the propositions to pass.

The total millage requested in the four propositions on the ballot is 15 mills. This is a reduction of five mills from the 20 mills passed last year by the voters.

The four propositions are listed below:

PROPOSITION NO. I:
Issue \$350,000 in General Obligation Bonds or such lesser amount as can be legally issued. To be used to construct and equip new school buildings, improve sites, purchase sites and make other capital improvements.

This proposition is necessary if the school district is to continue its building program. It is also necessary to pass this issue in order to bring bonded indebtedness to ten per cent of the assessed valuation. State matching funds are not available until bonded indebtedness reaches ten per cent of assessed valuation.

PROPOSITION NO. II:
An excess levy request for \$148,000.00 (approximately 10 mills) to be used to pay the cost of general maintenance and operation of school facilities for the 1962-63 school year.

This levy is necessary if the school district is to keep our eleven schools maintained and staffed. This levy would also help employ additional teachers and purchase books for the several hundred new students expected next year.

PROPOSITION NO. III:
An excess levy request for \$44,000 (approximately 3 mills) to be used to purchase additional school buses.

This levy is necessary if the Franklin Pierce School District is to safely transport its students to and from school. At the present time the buses are over-loaded and it is becoming an impossibility to transport the large number of students on the number of buses available.

PROPOSITION NO. IV:
An excess levy request for \$29,600.00 (approximately 2 mills) for maintaining and operating kindergartens in the Franklin Pierce School District.

The 1961 Legislature cut the support to kindergartens thirty per cent. If the Franklin Pierce School District is to operate a complete kindergarten program it is necessary to supplement the state funds at the local level.

Collins PTA

The Executive Board of the Collins P.T.A. meets in the Gym Kitchen at 8:00 p.m., Oct. 5th.

Do your hands get roasted when you roast wienies? To avoid this, stab a couple of paper plates through the center and slide them up to the middle of the fork. Keep in mind that the plates are paper and can burn, too!

FP, Highline Tied At 3-0:

RAMPAGING CARDINALS TANGLE WITH TOUGH GRIZZLIES ON HOME TURF FRIDAY

League-leading Franklin Pierce puts its three-game win streak on the line Friday night when it faces the Glacier Grizzlies on the Parkland field.

Last week's impressive 13-0 win over Puyallup kept the Cardinals' goal line uncrossed, the best defensive record in the Puget Sound League.

Glacier brings a second-place 2-1 record to the gridiron Friday, but close scrutiny shows that the two wins are against Auburn and Sumner, both still looking for their first wins of the season. The lone loss for the Grizzlies was against Highline, which posts an identical 3-0 season with the Cardinals.

Long passes by quarterback Colin Fox pace the Grizzlies attack, but Jack Wagner's running keeps the defense on its toes.

A stout defense and a versatile backfield have kept Franklin Pierce in the win column so far. The line has yielded an average of only 144 yards in three games, while the offensive game, bolstered mainly by rushing yardage, has tallied an average of 217 yards a game. No single individual can be given all the credit, for several

backfield men have shown brilliance at times. The depth at halfback gives Coach Eldon Kylo real strength, for he can depend on the consistent performance of Jim Pederson, Gerald Parker, and Tom Walrath. Fullback Ray Gish continues his steady, dependable play.

The Cardinals play

It's Dad's Nite!

It's DAD'S NIGHT tonight October 5th at the Harvard P.T.A. meeting. Mrs. Eugene B. Garden, Jr. will preside over a short business meeting starting at 8:00 p.m. in the school's multi-purpose room. Following this, Mr. Lester Storaasli, the program chairman and also the principal of Harvard School, will conduct the program geared to the interests of the fathers in the area. Included on the program will be two movies--one on hunting and another on fishing.

During the social hour, refreshments will be provided by the first grade mothers. Sr. mothers. Serving on the committee will be Mrs. Woodhead, Mrs. Rody,

mostly second division teams now until they run up against high-flying Highline and strong Renton in their last two games.

Summer plays here next week, the game figuring to be something of a breather for the Cardinals. Summer has yet to win a game in 13 attempts. (See picture on Page 6)

Well-Baby Clinic

The Harvard, Midland, Central Avenue and Collins well baby clinic will be held at the Midland Fire Hall, 95th and East Jackson, Wednesday, October 11th.

Registration is from 9 to 10 a.m. Doctor William McPhee will be attending physician. Immunization and examinations are given for those children under 5 years whose parents find regular Doctor services a hardship. For further information call LE 7-0457.

Mrs. DeLaVergne and Mrs. Wallin. So Dads, grab your hat, coat and Mom and come to the Harvard P.T.A. meeting for a most enjoyable evening. Remember, this program has been planned especially for you.

Hunters Warned Of Fire Danger

Approximately 300,000 hunters will make use of Washington's forest and range lands during the 1961 hunting season. These hunters will bag 500,000 pheasants, 80,000 deer and 8,000 elk, reported Dr. Ed Boynton, Chairman of the State Sportsmen's Council, Keep Washington Green Committee. Dr. Boynton also expressed grave concern over the number of forest fires that will be set by hunters during this 1961 season.

A report submitted by the U. S. Forest Service to the Sportsmen's Council showed that 80 fires burned 36 acres during the 1960 hunting season on federal lands. This report, Dr. Boynton pointed out, does not cover state and private lands. Fire fighters took action on 53 warming fires, 9 smoking and 18 camping fires. The hardest hit area was the Wenatchee National Forest with 36 fires burning 14 acres. All fires were not reported on federal lands because quick acting sportsmen suppressed many small fires.

Dr. Boynton and the Washington State Sportsmen's Council urged that hunters use caution with all outdoor fires and maintain proper respect for the property of others.

TWISTED, mangled metal is all that is left of this logging truck after it went off the Mountain Highway Monday night near La Grande. The driver, Norman O'Day of Puyallup, miraculously escaped unhurt. Workmen had to use a hacksaw to free him from the demolished cab. (McKewen Studio Photo)

Army Pvt. Receives Advanced Training

FORT RILEY, KAN. (AHTNC)-- Army Pvt. Albert E. Johnson, Jr., whose parents live at 12307 W. Pipeline Rd., Tacoma, Wash., is receiving advanced individual training with the 1st Infantry Division at Fort Riley, Kan. The training is scheduled to end Oct. 13.

Johnson is being trained for proficiency in infantry unit combat tactics and in the handling of light and heavy weapons. Noted for its combat record in both World Wars, the "Big Red One" division was recently designated a Strategic Army Force unit as part of the Army augmentation program. The division is now being armed, equipped and trained to be combat ready.

LET ME TELL ONE...

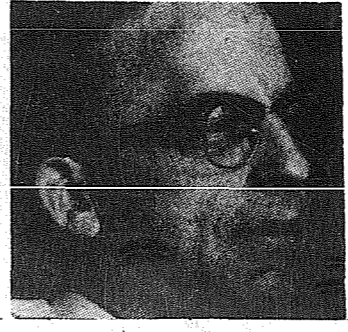

UGN Helps Us Help Others

By NEIL MCLEAN

Beginning this week the United Neighbors start their drive for funds in this area.

This is one of those drives which we can all get behind to put over. The idea, when it was hatched, to have just one drive was a good one and has since been taken up by other smaller organizations within their own circles. There will always be the need for organized help to those in the community who are unable at any particular time to fend for themselves, no matter how much they may want to do their own providing.

and someone was spending much time on collecting and contacting people and selling the need for this or that organization. It got so that This contributor buttoned his wallet and kept it closed during all the drives; on the theory that he couldn't give enough to any one of them and he couldn't say that this one was any better or more deserving than any other. Reading over the weekend, I came across an article which very aptly gives a clue as to the status of the United States in the this drive or that drive (Continued on page 10)

The scope of services provided by the UGN campaign should impress every individual in the area with

What a man thinks of himself, that it is which determines, or rather indicates, his fate.

The regular pre-school P.T.A. meeting of the Central Avenue School will be held October 11th in the multi-purpose room of the Congregation Guild will be held at the home of Mrs. Philip Farmer. All members are urged to attend as this will be the first meeting of the group since June. Any interested women in the community will be welcomed by the group.
4-H
Bug Buddies 4-H Club continue their winning ways. Western Washington Fair results give Elsie Trusler one Blue, Eleanor Trusler two Blues, Larry Smith two Blues and two Reds, Nick Broz one Blue, one Red, Henry Trusler three Blues and one Red, Rex Dickey two Reds. Only one other entomology club was represented at the fair.
Results from the State 4-H Fair gave Carol Betschart and Martha Berggren a blue ribbon on their Outdoor Luncheon.

school, beginning at 8:00 p.m. Mrs. Stanley Ratcliffe will preside.
The public is cordially invited to attend this most interesting meeting. The program for the evening is entitled, Our Home Education For John, and will be moderated by Mr. Raymond, a Franklin Pierce psychiatrist. The topics to be covered are, dating, marriage, honesty, school at endance, family unity, discipline and sickness within the family. Four of the areas outstanding parents will tell their views on the subjects listed above.
Mr. Edwin Nelson, superintendent of schools for this district will speak on the forth-coming November elections.
The evening is being planned by the pre-school mothers' club study group. Refreshments will follow the meeting.
Sick List
We're sorry to report the following three cases of sickness within the area. Mrs. Carol Tavern of East 101 St. is recovering in

Tacoma General hospital, while Mrs. Dona Hodge is at St. Joseph's. Also recovering is Mrs. Robert Carlson of Canyon Road, who has returned from an emergency operation. We wish these people a speedy recovery.
M.Y.F.
The Summit Methodist M.Y.F. announces its Brownie Bake to be held October 7th. The brownies will be 60¢ a dozen and the orders are to be phoned to either Joyce Morton at LE 7-6428 or Kay Leavens at LE 1-1662. The proceeds will go to the building fund for the new church.
Cub Scouts
There will be a meeting of the Cub Scouts Committee Tuesday, October 10, at 8:00 p.m. in the Summit Youth Center. All members are urged to be present.
"Knock on the Door" Survey
The Summit Methodist Church will make a survey on Sunday, October 8, throughout the area in accordance with the "Mission of the Northwest" activities this year.

4-H Winners
The following is a list of the winners from the Busy Stitches 4-H Club who were entered in competition at the Puyallup Fair, Sept. 16-24: Donna Freestone, two red ribbons for cookies; Angie Holm, a blue ribbon for rolls; Karen Holm, a blue ribbon for rolls; Margaret Adkins, a white ribbon for a dress; and the Food Judging Team received a blue ribbon for their work. The winning team of judges flew, Saturday, September 30th, to Yakima to compete in the Yakima County Fair.
Spanaway Clinic
The Spanaway Well Baby Clinic will be held Tuesday, Oct. 10 at the Spanaway Assembly of God Church. Registration will be from 8 till 10 a.m.
Dr. Donald McKay will be the attending physician. Miss Hansen and Mrs. Burrell the nurses in charge. Examinations and shots will be given.
Reason is only a tool.

Riding Club Meets
The regular meeting of the Parkland Riding Club will be held October 11th at 8:00 p.m., at the club house, adjacent to the Parkland Round up Grounds.
On September 29th a party was given in honor of Grace and Larry Kirkwood in appreciation of their many hours time and work devoted to the Parkland Jrs. this past summer. They were presented with a silver tray.
John Blethen, a member of Parkland Jrs., was presented with a wallet as a going away gift by the club members. John left Saturday to attend Antioch College, Yellow Springs, Ohio.
Toastmistress Club
The Golden Key Toastmistress Club will hold its regular meeting Monday evening, Oct. 9th at 7:00 at the Embers.
Mrs. Mildred Lee, president, will preside. Mrs. Gladys Evers is Toastmistress for the evening.

Graham News
by Marie Tinius
Members of the Kapowsin P.T.A. board and workers for the carnival will meet Thursday night, Oct. 12 at 8:00 in the teacher's room at the Kapowsin Elementary school.
Motycka Guild
Members of the Gloria Motycka Guild of Graham met at the home of Mary Anderson Tuesday. The members are busy making plans for their annual smorgasbord, which will be held in November.
Last week someone goofed in recording this item: The Kapowsin school P.T.A. members are busy making plans for their fall Carnival which will be held at the Kapowsin school Oct. 21, not Sept. 30 as previously stated.

4-H
Congratulations to the following Graham area youths who exhibited Dairy 4-H projects at the Western Washington Fair. Theresa Tomchick received blue ribbons for type and fitting and showing, and placed 8th in open class in the Guernsey division. Vickie Vollbrecht received two blues and Pam Vollbrecht received two reds with their registered Holsteins. Steven Polly received two blues and placed 5th in open class with his unfreshened two year old Arephire heifer. Frank Swetz received two blues and was awarded a beautiful trophy for being named Jr. Champion in Fitting and showing in the Brown Swiss division. He also placed 5th in open class. Annette Goe won two blue ribbons with her Jersey cow.

New Home
Pioneer Park at Graham is now the new home of the "Pioneer 4-H Club". This is a new 4-H club started this year with Mrs. Swetz and Mrs. Robert Pally co-leaders. Monday, Oct. 2nd, a get acquainted meeting was held.
Grange
Graham Grange will have their booster night Monday, Oct. 9. There will be a Pot Luck supper at 7:00 and program following. The guest speaker will be Nab. Iollah Youfeffi Dadras, an international farm youth exchangee from Iran. This is an open meeting and everyone is invited.

Rush hours at the post office are late afternoon and early evening. You can help speed up the delivery of all mail by bringing in your non-priority letters and packages early in the day, whenever possible.

There are 35,000 post offices in the United States. Some of the most profitable of these are the ones that handle the greatest amount of third class mail.

It's The Law!

Unfinished Contract
Bull Dozer was a truck operator who owned several refrigerated trucks in which he hauled fruit and produce.

During a temporary lull in business he entered into a contract with Don Reefer to have the refrigeration unit in one truck overhauled. Reefer agreed to guarantee his work, and said it would take him about a week to complete the work and test the equipment after the overhaul.

After Reefer had completed the job except for testing the refrigeration equipment, Dozer got an order to haul a load of strawberries to Montana. He asked Reefer to let him have the truck immediately. Reefer protested that he hadn't had time to test the overhaul job, so he couldn't guarantee it. Dozer said that he couldn't wait, and that Reefer could test the equipment after the truck returned from Montana.

Dozer took the truck without Reefer's permission, loaded it with strawberries and started for Montana. After the truck climbed the Continental Divide, the refrigerator condenser developed a leak, and gas escaped in the truck tainting the berries. The refrigeration unit stopped operating and the berries were ruined.

When the truck came back from Montana, Dozer insisted that Reefer was responsible for the berries that spoiled and would have to do the repair job over again without cost to Dozer. Reefer refused to repair the truck or pay for the berries and Dozer sued Reefer for the cost of the berries and the repairs.

Do you think Dozer can win this case? The answer is that he cannot.

When Dozer took the truck without waiting for the testing to be completed, he lost his right to complain if the job was not properly finished. A party to a contract who prevents another party to the contract from completing the work he promised to do has no cause to complain if the work done is not satisfactory. (This column is written to inform, not advise. Facts may change the application of the law.)

Parkland PTA

The October meeting of the Parkland P.T.A. Board will be held Wednesday, Oct. 10th at 8 p.m. at the home of Mrs. A. Emery, 118 E. Violet Meadow. Mrs. N.A. Riggio will preside. The hostesses are Mrs. G.W. Gorman and Mrs. E. Harris.

An increase in Series H Bond purchases improved U.S. Savings bonds sales during August, "County Savings Bonds Chairman Fred C. Osmer said here today when announcing total state sales of both Series E and H Bonds amounted to \$5,024, 884 for August.

"At the present time more than 500,000 Americans own Series H Bonds," the chairman pointed out. "Like the better-known Series E, the H Bond also pays three and three-quarters per cent interest when held to maturity."

"Treasury Secretary Dillon and Savings Bonds volunteers are calling special attention to the Series H Bond. It is designed for people interested in assured, semi-annual income, not subject to market fluctuations and guaranteed by the U.S. Government," the chairman said. "Many people don't seem to know about the advantages of the H Bond. Interested individuals are asked to contact their bankers for further information."

Sales Grange Plans Program

James Sales Grange will present their Booster Night Program Oct. 5th. Mr. Ed McGuire, Pomona Master, will speak on the history of the Grange.

Main speaker will be Mr. Pat Gallagher, Deputy Director of Pierce County Civil Defense. Mr. Dodson from the Extension Office will be present, and Mrs. Gruber from the Franklin Pierce Educational Council. There will be accordion numbers by Monty Critchley and guitar numbers by Mrs. Douglas Morton.

The meeting is open to the public at 8 p.m. at the grange hall, 113th & Park. Refreshments will be served.

Poultry Study Committee Meets

R.C. Miller, chairman of the Poultry Study Committee, announces the next meeting of this group to be held 8:00 p.m., Monday, October 9th, at the Western Washington Experiment Station conference room.

The committee will review previous situational material that has been studied during the past year. From this review, recommendations for action type programs for poultry producers will be made to the Rural-Suburban Council One of the important points to be considered is the study of production and marketing quotas for poultry and eggs.

The Poultry Study Committee is one of several which has been designated by the Pierce County Rural-Suburban Council to find out information about Pierce county resources. Chairman Miller invites all poultrymen to attend these sessions.

There are about 17.5 million milk cows in the United States, reports the National Dairy Council. With current estimated human population at 180,000,000, that's about one cow for a little more than ten people. The trend is toward fewer cows, but more milk per cow, NDC points out.

Consumers usually spend about one-fifth of each food dollar for dairy foods. Last year was no exception, with expenditures for dairy foods representing 19 cents of each dollar spent for food. For this consumers received from dairy foods 75% of the calcium, half the riboflavin (vitamin B2), 25% of the protein, and many other essential vitamins and minerals.

Qualified as a Legal Publication under Chapter 213 of the Legislative Acts of the 1941 Regular Session of the State of Washington.

Delivered free by U.S. Mail, or carriers, to all homes in the trade territory. Paid subscriptions elsewhere. In Washington State \$2.50 per year. Outside the state, \$3.00 per year.

a-Wondering . . . and a-Wandering . . .

Although our state is often the leader in establishing new trends I feel that it is time our State officials followed for once instead of trying to lead.

I speak now of a policy long since established in several other states wherein a white cross is erected at the spot where an accident occurred and a life or lives were lost.

The only opposition to this seems to be from those who claim that the survivors are forever taunted by the crosses when they pass the spot where someone dear or a friend lost their life. This could be true to a certain extent but then if the love for the lost one was real, is not the thought still there when they pass the spot, cross or no cross?

Looking at the good it might do let me say that few people driving past one of these crosses can but wonder what led up to death in such a spot. On some sharp curves where you come upon several crosses the story appears mentally of excess speed and a car unable to round the curve. At cross roads the mind produces a mental picture of a car or truck careening across the road through a stop sign to crash into another car with the right of way.

Whatever the mental picture created by these signs it does have one effect on the driver that should not be overlooked. They definitely lead to a little less pressure on the gas pedal. Another factor is the awakening to the driving public of just how many people are needed about it recently but more people have lost their lives on the highways in the U.S. alone in just the past ten years than have been killed in all the wars known to man. It seems incredible but facts are facts.

I firmly believe this state should put up a white cross at the site of each traffic death. I am equally firmly convinced that this step would be a deterrent factor that would save many lives.

I am certainly glad to hear of the new physical fitness program adopted in our schools. This is a step in the right direction that has long since been needed. Now don't get me wrong, I'm not a health nut but I can't travel around our country and stay unaware of the debauchery of Americans on every hand. Gone are the days when to live meant to exercise. In this modern pushbutton world we live in most men of my age can no longer punch themselves out of a paper bag. Children like mine are soft and short of wind.

Our children should be taught the benefits of exercise while in school so that they will continue the practice once started.

The other day I was standing at the entrance to the hotel at Sun Valley and I noticed a group of portly looking men coming through the door with a photographer giving them instructions as to where to stand.

Since I occasionally find myself doing the same type of work I moved over to watch this shutterbug in action but I soon lost him from mind for once lined up I realized that never before had I seen such a line up of complete slob. I doubt these were members of some fat mans convention but they well could have been. Most of them posed for the camera panting for breath from the exertion of walking across the hotel lobby with stomach extended well to the fore, most were puffing on a cigar or cigarette. Typical U.S. businessmen destined for a shorter life than the insurance companies predict.

This particular portrait once finished would serve as a horrible example that could well be displayed in the schools of our nation.

If America is to survive we Americans should keep an eye on our middles as well as our meddles.

With my luck the above mentioned group were probably from Pierce County and I'll face a firing squad before the weeks out.

—JACK BROWN

FROM \$10 TO \$100:

Pensions Increased

Pension paid to Congressional Medal of Honor winners has been increased from \$10 to \$100 per month by a new law enacted by the 87th Congress, John B. Kirsch manager of Seattle V.A. Office announced today.

The new law lowers the age requirement for eligibility from 65 to 50 years, Kirsch said, and all who are currently receiving the \$10 pension will automatically have their payments increased to \$100 monthly. Kirsch pointed out those who presently have the medal for heroism in combat, but are not receiving the pension because they are under 65 years of age will have to apply to the Veterans Administration in order to receive it.

Boosters Meet

The Franklin Pierce High School Booster Club held its first meeting Tuesday September 28 with Mr. Quincy Carroll, newly elected president presiding. The new officers working with him are; Mrs. Robert Olsen, recording secretary; Mrs. Richard Robbins, corresponding secretary; Mr. Clifford Houskeeper, Treasurer.

Board members are Mrs. Paul Aldrich, Mrs. Vincent Dreis, Mrs. John Fink, Mrs. Kenneth Learens, Mrs. Clinton Wilder, Mrs. Merl Miller, Mrs. Rufus Parker, Mr. Boyd Dickenson and Mr. Wilber Roberts.

The program was furnished by the athletic department with Mr. Eldon Kylo, football coach, introduced his players and pep staff. Also a newly organized high school singing group, presented several numbers, under the direction of Ron Smith.

"Back to School Night" for the parents is being planned for the October meeting.

It is idle to talk to people of their faults, for, if they knew them, they wouldn't commit them.

**ON REDS IN ASIA:
Lecture at PLU**

The threat of Communism in Asia will be discussed in a lecture to be given by the Rev. Harold H. Martinson of Hong Kong in the Pacific Lutheran University auditorium Sunday evening, Oct. 8, at 8 p.m. The lecture will be complimentary to the public.

Mr. Martinson, 56, who was born and raised in China and has been a missionary teacher there since 1930, will speak on the topic, "Red Dragon Over Asia."

In his book, "Red Dragon Over China," published in 1956, Mr. Martinson writes, "We have permitted over 50 million helpless civilians—including our staunchest friends the brave souls who have valued liberty above life—to be slaughtered by a godless regime which demands absolute sway over body and spirit."

Grange Booster Nite

Benston Grange will observe Booster Night Oct. 10, at 8:00 p.m. Lecturer Esther Moreland has arranged a special program that should be of interest to the entire community. Pat Gallagher, representing the Pierce County Civil Defense Committee will be the speaker and will show film on this very important subject. Mr. Gallagher is well known in this area, having served as Master of Benston Grange at one time. There will be community singing and drawing for a door prize.

Master Harold Johnson urges everyone in the area to come to the grange on Booster Night to see what this rural organization is doing for the community.

Observe your enemies for their first find out your faults. -Antisthenes

**Vandals Plague
Parkland Man**

Vandals have been making life miserable for James W. Crate of 808 E. 141st over the past two years. Mr. Crate owns a good deal of livestock. Last year he reported over \$250 worth of property stolen. This year he figures the estimate at about \$200 so far.

Two weeks ago the vandals stole several hogs owned by Mr. Crate, running two of them to death. Sunday night they made off with several Japanese "Silkys" which are similar to bantys.

Mr. Crate told the Times-Journal that repeated calls to the Sheriff's Department have failed to produce results, the vandals always disappearing before law enforcement officers could arrive.

Collins Cub Scouts

Garry Maitrejean, Larry Ecklund and Leeland Rogers recently became Bobcats. David Osborne received his Bear Badge.

TACKLE GARY LARSON is expected to anchor a strong Franklin Pierce line on both offense and defense Friday when the Cardinals meet the Glacier Grizzlies on the home turf.

MISTAKE: When first aid is necessary, ask yourself what a doctor would do, then do it.

FACT: This is one of the most dangerous of all mistakes, for excessive first aid may be far worse than none at all. The important thing, when someone is injured seriously, is to get the help of a doctor as soon as possible. Sensible first aid consists of doing what you can—within the limits of your knowledge—until the doctor arrives.

Mr. Jack Brown
Times Journal
Parkland, Washington

Dear Mr. Brown:
Your column of September 7th provokes this letter. In speaking of Communism, it seems to me that our good but lethargic citizens always tend to build a fence around unpleasantness and once the fence is built they studiously ignore the contents hoping it will go away. If it doesn't they pretend it does not exist - fence or problem.

You have probably been watching the current affairs of British Columbia. I was horrified when the Provincial Government, by decree, confiscated the B.C. Electric Company and in so doing also expropriated a transportation system. Thus the government now owns and controls steamships, television stations, a municipal transportation system,

timber, lands, housing projects, ferries, but not newspapers yet.

The attached clippings appeared in the Vancouver papers September 6th. I draw your attention to the statement by Mr. Strachan under the heading "Where does it (government) stand in B.C."

Very truly yours,
Lee Dilley
Rt. 1, Box 227
Graham, Wash.

(Ed. Note: The statement referred to adds that the government of B.C. can make it legal by passing a retroactive law. It was made by a member of the opposing party.)

Mr. Jack Brown
The Times Journal
Parkland 44, Washington

Dear Mr. Brown,
I've just read this week's Wandering and Wandering column and my initial re-

action is AWWK! There are people who still doubt? Send them around to my husband; he's lived under communism, sacrificed his home, his family and in a manner of speaking, his future, because he refused to accept communism. He believes so firmly that the whole world is slated for the communist apple barrel that he enlisted in the American army when the army of his own country was suppressed by soviet guns. He saw it happen to his own people and heard the intellectuals scoff, saying that it could never happen because there were more intelligent people than, for want of a better word, "alert" people.

Though there may not be an immediately apparent connection between this subject and last week's column about the lazy unemployed, I'd like to try to connect them.

My husband and I have felt as incensed as you over those who collect unemployment or welfare checks when there was work to be done, for example, in the harvest fields. For a year we discussed it and shook our heads in disgust. Then we did some research. No, we didn't go to the shelves marked "Welfare Economics" in the public library; we went to the berry fields and the bean fields. Mr. Brown, you indicated in a column once that you had led a varied life and had worked hard for whatever economic security you might enjoy now. But have you worked lately for \$3.00 a day and spent a third of it for gas? We did. And so when you described the...man who out-smarted a prospective employer to remain on the welfare role, I think I understand why. I'm revolted, yes, but even the most unaesthetic creature today cannot exist on two or three dollars a day, no matter how frugally he

MEMBERS of the Devereaux Realty staff extend a hearty greeting to Parkland residents from their new location at 12152 Pacific Avenue, and invite them to their gala open house Oct. 6, 7, and 8. by Mrs. Frank Gural

The Clover Creek Garden Club will meet at the home of Mrs. Burt L. Vaughan, 8519 Golden Given Road, on Tuesday, October 10th, at 8:00 p.m. Roll call will be answered by members naming their most successful and interesting planting of the year. Mrs. LaVerne Olsen will give a talk on preparing and drying of gourds.

Canada Trip
Mr. and Mrs. Burt L. Vaughan have just returned from a two-week vacation in the Kootenay Valley, in lives. He may hate himself for having to parasite himself, but he will also hate the society that, as he may reason, produced the situation.

Keep in mind that the Midland Orthopedic Guild will hold their annual Turkey Dinner on Thursday, October 12th, at the Midland Improvement Club Hall, between the hours of 5:00 p.m. and 8:00 p.m. Bridal Shower
Miss Carol Cordes, whose marriage to Keith Tuhrmann will take place on November 10th, was guest of honor at a surprise bridal shower on September 25th. Hostess was Mrs. Earl R. White.

Floral decorations were rust and yellow chrysanthemums. A cake symbolizing the double ring was made by Mrs. White, and corsages were presented to each guest.

Guests attending were Miss Kristie Cordes, and the Mesdames Karl Cordes, Vera Puhmann, David Preston, Charles Waldherr, Gail Munsey, James Brook, Elmer Molund, Pat Rooney, Albert Baard, Ronald Hutt, Ward Traf-ton, Joseph Olson, Cleve Redig, Lawrence Beckman, Leslie Roley, Therman Simpson, and Howard Vanderberg.

Jr. High Boosters
The Morris Ford Junior Hi-Boosters will hold their first meeting of the year on Wednesday night, October 4th, at the Morris Ford Cafetorium. At that time, the teachers will be introduced. Everyone is invited to attend this meeting.

Camp Fire Girls
The Kicuwacota Campfire Girls began their new year with a nature hike on Saturday, September 23rd, to Wapato Park. Those attending were Christie Lorange, Letty Wolfe, Judy Crawford, Denise Fleming, Connie Kazda, Marilyn Theno, Patty Qunell and Valerie Harrison who will be assisting Mrs. David Lorange with the group this year.

Corinne Leavitt, Christie Lorange, Judy Crawford, Marilyn Theno, and Letty Wolfe all received ribbons on their entries at the Western Washington Fair, at Puyallup, this year.

80th Birthday
A birthday party was held in honor of Charles Berg on the occasion of his 80th birthday, on Wednesday, September 20th. Attending the dinner at the Berg home were Mr. and Mrs. John Huff, and daughter, Karen; Mr. and Mrs. Archie Frost; Mr. and Mrs. William Gildart; Mr. John Nilsen; Mr. Jack Anderson; and Mr. and Mrs. Berg.

Busy Blue Birds
The Busy Blue Bird troop, under the leadership of Mrs. Albert Downs, held its first meeting on

Don Morgan, Firecrest, was elected president of the Pierce County Rural-Suburban Council at the recent annual meeting of that group. Mr. Morgan has served for the past two years as chairman of the Natural Resources Study Committee of the Rural-Suburban Council. He also has served as vice-president of the Rural-Suburban Council. Other officers elected with Morgan includes R.C. Miller of Firgrove as vice-president, Mrs. Anita Jordan from Midland, secretary, and David Matlock of Alderton and Harold Olson of Waller Road as directors. Mr. Miller is chairman of the Poultry Study Committee of the Rural Suburban Council. Mrs. Anita Jordan is chairman of the Youth Study

Committee, David Matlock is chairman of the Horticultural Study Committee and Harold Olson has served as chairman of the Public Affairs Study Committee. A public relations committee consisting of C. Melvin McKenney from Tacoma, Warren Bjerger from Fife, and Mrs. Lyle Parker from Puyallup was appointed to help carry out action programs recommended by the Council.

The Pierce County Rural-Suburban Council sponsored by the County Extension Service is presently engaged in studying situational material in Pierce County. Recommendations for action programs based on these findings are channeled by the Study Committees to the Rural-Suburban Council for action programs. Present plans indicate that action programs will be reviewed by the Rural Suburban Council at the October and November meetings in order that programs may be initiated for the year 1962.

Anyone interested in the various study committee activities is invited to participate. Present study committees include Youth, Natural Resources, Family Living, Public Affairs and Agriculture. The agricultural committee is divided into Horticulture, Poultry, Dairy, and Livestock.

It will be party nite and refreshments will be served.

September 25th, at the home of Mrs. Kenneth McCulloch. In conjunction with their regular meeting, they had a birthday party for Colleen McCulloch. Attending were Alice Casey, Christy Brogden, Christy Downs, Darlene Fleming, Joella Gordon, Anita Wolfe, and Linda Ledford. The girls are looking forward to their next meeting on October 2nd, when they are going to visit the Tamala tree farm, near Orting, and have a picnic lunch there.

HERE ARE THE SPANAWAY AUCTIONEERS, actual winners of the Bethel Pee-Wee league. It was erroneously reported in the Sept. 21 Times Journal that the Spanaway Hawks were first in the league. Front row, left to right, Tim Pietz, Lyle Olier, Danny Zurfluh, Steve Drexler, Bill Cantrell, Gary Grazzin, Ernest Hadman,

and Steve Brown bat boy. Second row, left to right, Joe Talbolt, Harold Thomas, Curtis Jacobs, Chris Zurfluh, Gary Olier, Chuck Brown, Bill Thomas, and John Zurfluh. Absent when the picture was taken was Mark Brown.

Waller Road News by Mrs. Vern Fogle

Waller Road Grange has been assured by County Commissioner Burke that work will begin immediately to improve the dangerous intersection of E. 64th and Vickery.

A committee from the Grange headed by Master Harold Olson met recently with county highway of-

ficials and Mr. Burke at the site to bring to their attention the need for action. Also present were, Mrs. H. Good and Mr. and Mrs. V. Smith, who reside near the intersection.

Danger The danger of the children crossing the road on their way to and from school has grown steadily worse. The accidents here have increased alarmingly.

Scouts Any boys 10 to 14 who are interested in joining the boy scouts should contact Tim Lefler. The scout committee has planned a good new program for the boys to follow for the coming year.

Grange Waller Road Grange was among the top 15 winners in the state entries for the National Community Ser-

vice Contest sponsored by the National Grange and Sears Roebuck Foundation. A total of 125 Granges entered the Contest. Over 5,000 Granges entered throughout the nation. A report from the judges stated at least a quarter of a million man hours of labor was donated by Grangers and their neighbors in the state, carrying out the innumerable projects des-

cribed in the reports. Many of these projects benefited entire communities, rather than the Grange itself.

Waller Road Grangers and neighbors contributed over 4,000 hours of donated labor on their building project, and an additional 500 hours on others.

Public Affairs Group Meets

By Ernest Hopp

Harold Olson, chairman of the Public Affairs Study Committee of the Rural-Suburban Council, announces that the next meeting of this group will be 8:00 p.m., Wednesday, October 11th, at the Western Washington Experiment Station conference room. Gus Partridge, Pierce county Civil Defense head will be present to lead a discussion in Civil Defense activities for rural Pierce county areas.

Mr. Olson invites all people interested in learning more about rural civil defense activities to attend the meeting.

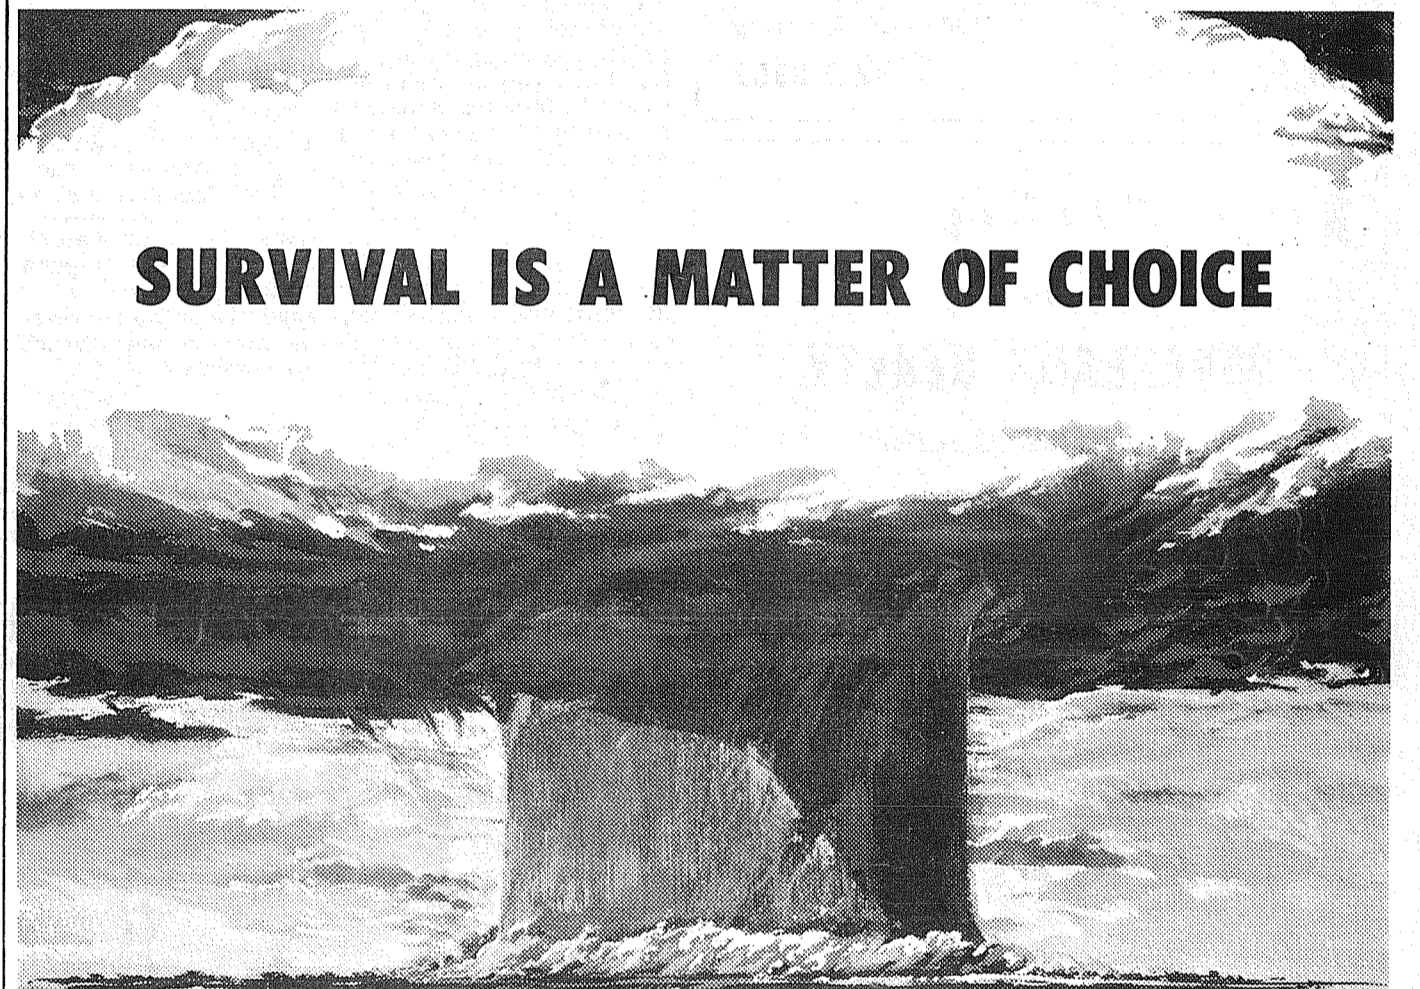

Spanaway PTA to Hear Attorney

Attention Parents! Attorney Paul Boyle will speak on the "Legal Responsibilities of Parents" at the next Spanaway P.T.A. meeting to be held in the school gym Tuesday, Oct. 10th at 8:00 p.m. Also on the program, Mrs. Paul Boyle will entertain the P.T.A. members with several vocal selections.

The Spanaway School staff headed by Principal, R.J. Fraser are as follows: Kindergarten - Mrs. Lorraine Loete; First grade - Mrs. Ila Green, Mrs. Elsie Pease, and Mrs. Janet Peterson; Second grade - Mrs. Grace Kallander, Mrs. Rose Monaghan; Third grade - Miss Inez Arneson, Mrs. Shirley Griesbach; Fourth grade - Mrs. Opal Busch, Mrs. Ebba Turner, Mrs. Norma Brown; Fifth grade - Mrs. Marguerite Flander, Mr. Frank Moon; Sixth grade - Mr. James LaMont, Mrs. Madge Moyles; Band and Chorus - Mr. Lee Whiteman; Secretary - Mrs. Freddy Creso; Cooks - Mrs. Heien Olin, Mrs. Palma Nissen; Janitors - Mr. Lester Coss, Mr. Bob Miller, and Mr. Lorien Buck.

A good listener is not only popular everywhere, but after a while he knows something.

- Wilson Mizner

SURVIVAL IS A MATTER OF CHOICE

LOANS FOR FALLOUT SHELTERS!

President Kennedy, in a recent message to the American public, said, "Nuclear weapons and the possibility of nuclear war are facts of life that we cannot ignore today." He urged everyone to consider carefully the importance of providing fallout shelters as a means of protection from nuclear fallout.

We at National Bank of Washington agree with President Kennedy, and are prepared to make sound loans for fallout shelters.

your local Civil Defense office. Then, determine which fallout shelter meets the requirements of your family.

FOLLOW THESE STEPS:

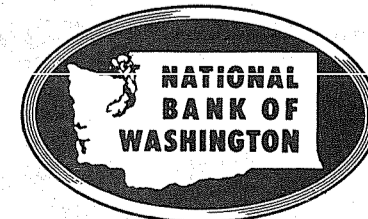

- Pick up official Civil Defense material on fallout shelters at your nearest branch of National Bank of Washington or

- Get a bid from your contractor, or if you plan to do it yourself, find out the cost of materials. *Whichever way you choose, be sure that the shelter meets the requirements of the Civil Defense headquarters in your area.*
- Call at your nearest office of National Bank of Washington and discuss financing. Costs vary widely depending upon your needs, but here are some representative figures:

COST OF SHELTER	EXAMPLE OF LOAN PAYMENTS		
	18 MONTHS	24 MONTHS	36 MONTHS
\$ 500	\$ 29.91	\$22.94	\$15.96
700	41.88	32.11	22.35
1,300	77.77	59.64	41.52
1,700	101.70	78.00	54.29
2,000	119.65	91.76	63.87

Thank You

We wish to thank the fire department and the men who helped to control the recent fire in the Parkland theater building, and especially Mike Barovic, owner of the building, who started rebuilding the next morning.

We were fortunate in that we suffered very little loss.

Legal Notice

In the Superior Court of the State of Washington for the County of Pierce.

NOTICE OF HEARING FINAL REPORT AND PETITION FOR DISTRIBUTION No. 68184

In the Matter of the Estate of JOSEPH S. KUSEK, Deceased.

Notice is hereby given that Robert Kusek, Administrator of the estate of Joseph S. Kusek has filed in the office of the Clerk of said Court his Final Report and Petition for Distribution, asking the Court to settle said report, distribute the property to the persons thereto entitled and to discharge said Robert Kusek and that said report and petition will be heard on the 31st day of October, 1961 at 9:30 a.m., at the court room of the Probate Department of said Court, at which time and place any persons interested in said estate may appear and file objections thereto and contest the same.

Dated this 3rd day of October, 1961.

Robert L. Dykeman
Clerk of said Court
By Henry Rutt, Jr.,
Deputy.

Published in the Times Journal October 5, 12, 19, 1961.

Happy, Not Shy
Officials in a London, England, zoo explained why a 5 1/2-foot earthworm could not be seen by the general public: "If an earthworm is happy it burrows."

Reason is nothing but the analysis of belief.

HELPING to get the ball rolling for the UGN neighborhood drive October 10th are, left to right, Jerry Dryer of Dryer Mortuary, George Potter, local (McKewen Studio Photo) attorney, Earl Dryden, chairman, from National Bank of Washington, Rev. Orlando Lee of Lutheran Welfare, and Charles Cassell of Redi-Gas.

Let Me Tell One..

(Continued from Page 1)

world today. The writer related the U.S. and her give-away programs to the character of Willie Loman on the play "Death of a Salesman". And the point he brought out was that Willie was thought by himself to be 'well-liked', but only by himself. This point can be directly related to Uncle Sam. We give and give to other countries and this is not bad. Our job of rehabilitating our enemies after World War II was one of the finest things any country has ever done.

But the resulting Foreign Aid program whereby we made the attempt to be 'well-liked' throughout the world has gone against us. The recent conference in Belgrade where our 'friends' sat down and took a few pokes at us around the table with some who are at best unfriendly should show us that our programs are missing the boat at some point or other. I think the problem is lack of a definite aim and what looks to other people around the world like a lack of principles.

We pay lip service to the theory of freedom, yet abandoned freedom seekers in Hungary. We aid certain countries and when they exercise their freedom and do something contrary to what we think they should do, we are hurt because they are 'ungrateful'. I am all for helping other countries help themselves, and I think the Peace Corps, if properly handled will be a great thing for the world. But let us not be afraid to sell America and Americanism as an ideal to everybody. We need the almost religious fervor of the Communists if we are to sell our way of life to the world. And we must promote among the John Does of the world and not just wit their leaders.

If we say that we want to help John Doe to overcome his poverty and build a better life, then let's help HIM by showing him how HE can build a better plow or rotate his crops or whatever is necessary to bring HIM up from the depths of hunger and poverty.

Building an airfield in a country where everyone walks, or a power plant where animal fat is used to light a hovel, will not do the job, and it gains us enemies in the very ranks we are trying to help.

The United States has always been a nation of individuals, and our Foreign Aid should be set up to help individuals.

FALLOUT ON THE FARM

You may be wishing while you could bet er be studying your family and livestock protection from radioactive fall-out. According to Gus Partridge, Pierce County Civil Defense Administrator, and the Pierce County Grange people who manned the Civil Defense booth at Western Washington Fair last week, there is an accelerated interest in this subject. We have a free bulletin for you if you are interested, entitled "Radioactive Fallout on the Farm". Here are some excerpts from it - Fallout will affect livestock the

same as humans. They can suffer skin burns. Also if they eat forage or drink water that is contaminated with fallout it may cause serious internal injuries. If you get ample warning (640 or 1240 on your radio dial) you should get stock under shelter. Most any shelter affords some protection, the tighter the better. Also here you have a chance to feed feeds not contaminated. Contaminated feeds may be fed later depending on nature of the fallout and concentration. Systemics for cattle grub control - although most beef cattle in our area are relatively free from

grubs, we have a few herds with a lot of them. If you plan to use any of the new systemics, any time between now and November 1st is the time for application. Many people still prefer the cheaper rotenone treatment.

***Scuse Please!**

The picture-story in the Sept. 21 issue concerning the Spanaway Hawks failed to mention two of the team's sponsors. They are Gib's Barber Shop and Houston's Radio & TV.
