Proposition II, the Building Fund Levy so far has not received the necessary 60 per cent approval, according to Dr. Fred M. Gramann, superintendent of the Bethel School District. Propositions I and III passed with 62.65 and 61.35 per cent respectively. It is still hoped by the district that the absentee ballots will give them the needed affirmative vote.

If the absentee ballots do not bring the percentage above the State-required 60 per cent, then the district must re-submit the

issue to the voters in January.

The 1969-70 building fund levy was for 10 mills, a drop of 3 mills from last year. Voter approval on this issue, along with the sale of bonds in Proposition Three would make the district eligible as an "Emergency district," which would mean a state matching ratio of approximately 82 per cent, but both issues had to receive approval to get the much needed extra monies from the state.

It will be a week before the absentee vote is counted and the election returns made official. "If there are 100 absentee voters, and 66 of them vote yes on Proposition II," stated Dr. Fred M. Gramann, superintendent of the district, "then the issue will come." issue will carry.

If a January election is needed the district will have to secure forty per cent of the voters of Tuesday's general election to turn out and then secure 60 per cent of that vote, which, according to Dr. Gra-mann may prove very difficult because of the tremendous turnout this time.

The basic project for which monies from Proposition Two would be used is an addition to the high school. Upon completion of the addition the school would house 1,350 students, which is the 1970-71 projection for the high school enrollment. The new buildings will have to be buildings. new buildings will have to be built in the 1969-70 school year to be ready in time.

Although it is difficult to predict the exact cost of the high school addition, the district was planning on using part of the building funds for the preliminary work on

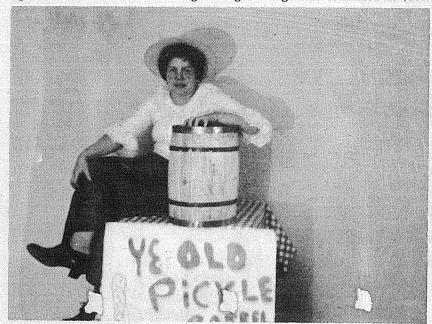

The other projects include: - Equipping the classrooms being built; an addition to the Roy Elementary School of probably six classrooms; a four-classroom addition to the Kapowsin Elementary School; another elementary school in the Crescent Park Addition area; and acquiring additional sites.

Proposition I, the maintenance and operation levy received 62.65 per cent approval. The M and O levy was raised from last year because the assessed valuation per student in the district was dropped. The 25 mill levy will raise \$390,000.00 for the district.

Proposition III is approval for sale of bonds for \$300,000 during the next building

GAS STATION FIRE. A car maneuvering into position along the gas pumps at Brookdale Service, 13106 Pacific Ave., was reported to have sheared off a pump resulting in a spectacular fire last week. Parkland Fire Chief Ray Hixon used a 5 pound extinguisher to knock down the flames before fire-fighters doused the smouldering wiring. Damage was estimated at \$300.

CARNIVAL — The Andrew Christensen School PTA, 102nd and Barnes Lane, will sponsor a carnival from 6 to 9 p.m. November 9th at the school. Everyone is invited to join Mrs. Wusterbarth, above, president of the PTA for the games and booths. Two stuffed animals will be raffled.

#### Biology Prof. Receives Honors

Dedication is the key to effective teaching, according to Dr. Jens W. Knudsen, one of 20 educators across the country being honored today by the Dansforth Foundation.

A professor of biology at Pacific Lutheran University, Knudsen has been selected as a recipient of the 1969 E. Harrison Harbi-son Award for Distinguished Teaching. Today in St. Louis the Foundation is honoring the 20 teachers selected.

Along with the award, the 39-year-old biologist, artist and textbook author receives a \$4,000 grant, to be used as he desires in furthering his teaching and scholarship.

Individuals considered for the award must be outstanding in the art of teaching, in the significance of **their** scholarly contribution, in their concern for the student as an individual and in their commitment to ethical and spiritual values.

The Award, established in 1962, is named after the late Princeton University history professor.

Honors are nothing new for Knudsen. He was select-ed as Distinguished Teacher for 1967 at PLU. The same year he was presented the Faculty Award by the university's chapter of Blue Key, a national honorary fraternity, and the Tacoma Zoological Society's special award for community serv-

FORT LEWIS - Retired and active duty artillery officers in the area are invited to the annual Artillery Ball scheduled at the Fort Lewis Officers Open Mess Saturday, December 7.

Formal attire for the affair includes choice of officer's blue uniform, officer's blue mess uniform, red artillery blazer with tux trousers or tuxedo. Long formals are appropriate for ladies.

Âctive duty artillerymen are asked to make reservations with unit representatives. Retired artillery officers should call the adjutant, 2nd Battalion, 34th Artillery, 96-83426 or 96-84193.

Reservations should be made before November 20 and any cancellations no later than December 3.

#### **Elected To National Board**

Two Pacific Lutheran University faculty members were elected to national boards of the American Lutheran Church at the ALC's biennial convention in Omaha, Neb., this week.

Dr. Richard Moe, dean of the college of professional studies, was voted a threeyear term on the board of publications.

Dr. John Schiller, chairman of the department of sociology, was elected to a three-year term on the board of social service.

small California town where learning was sometimes frowned upon. "You would get beat up if you did your homework," he commented.

Nevertheless, Knudsen continued his education, with undergraduate work at PLU. He earned masters and doctors degrees at the University of Southern California.

Teaching, to Knudsen, is "the thrill of launching careers and thus becoming a part of agelessness." spired by his teachers during his collegiate days, he seeks to pass on the enthusiasm for learning instilled

"Today's challenge is to produce an environment where such teachers may be created for the future,"
Knudsen believes. "Dedicated teachers are probably born as students."

He has, however, become concerned about the trend toward impersonal relationships between teacher and student, which he sees as one of the reasons for unrest on college campuses. 'True teaching can only take place between two individuals, the student and the teacher, even in mass situations," he said.

"The teacher must transmit a poignant dedication to the truth," Knudsen contin-ued. "He must project a meaningfulness into his sub-ject matter and a sense of worth to the students.

"I teach biology, not as a bagful of facts, but as something I hope is relevant to their lives.

Taking his enthusiasm be-yond the campus, Knudsen last year completed an exhibit for the Point Defiance Aquarium on oceanic food cycles. He is presently working on another which will depict types of animal camouflage, the only one of its lind in the Northwest. its kind in the Northwest.

## An Invitation . . . o Examine Your School Programs

#### A PROCLAMATION

WHEREAS, The quality of life in our nation's future will be determined largely by the direction given to and the character developed by today's youth; and

HEREAS, Our nation's schools play a paramount role in defining that direction and shaping that character by endeavoring to-

- Offer pupils the opportunity to learn and practice society's values, direct intellectual development toward recognizing, making, and evaluating choices, and consider the curriculum in terms of its total impact on the value development of children:
- Recognize the needs of a complex society, view education in terms of national goals, encourage international understanding, and foster divergent and creative thinking as a means of improving society;
- Encourage the teaching of children as individuals and employ only teachers with the preparation and personal qualities necessary for effective teaching;
- Offer each child a meaningful education suited to his individual needs regardless of the child's ability level, geographic location, or socioeconomic status;
- Stimulate continuing inquiry, with emphasis placed on the value of learning for its own rewards, and provide opportunities for a broad general education;
- Contribute to economic progress by providing early and realistic career counseling, educating all students to the full extent of their abilities, and maintaining a vocational educational program of the highest quality;
- Enhance the human quality of students by helping them discover and develop their abilities and live contentedly within their limits, advocate constructive attitudes toward leisure interests, and encourage both adaptability to change and action to direct change in ways beneficial to humanity; and

WHEREAS, In the achievement of these endeavors lies the happiness and well-being of the individual as well as that of society as a whole; and

HEREAS, One of the primary duties of an enlightened citizenry must, therefore, be knowledge of, interest in, and responsibility for the quality of our schools,

do hereby designate November 10-16, 1968,

to be American Education Week and urge all citizens to examine more closely the existing and projected programs of our schools, as well as their own efforts to ensure the highest quality education for all.

NOTHING NEW - Lieutenant Colonel Kenneth E. Carder, right, Director of Installations for USAHAC, administers reenlistment oath to four Sergeant Majors with a combined total of 91 years military service in Saigon. Taking the oath, from left, are SGM Roger E. Brooks, director of instruction; SGM Charles F. Hopper, USAWDMET; CSM Mervin L. Sanders, USAHAC; and SGM Raul M. Pinedo, IG Office USAHAC.

## **Local Soldier** Re-ups in VN

Ninety-one years of mili-tary experience combined among four enlisted men in the same unit — a com-mander could hardly ask for more than that.

The four Army Sergeants
Major who make up that total are all members of US
Army Headquarters Area Command in Saigon. In recent ceremonies held at USAHAC Headquarters, the quartet did just that — gave more. All four men reenlisted for a period of 3 years service, bringing their com-bined total to an amazing 103 years.

A veteran of 25 years service, SGM Charles F. Hopper, 43, Spanaway, serves as Sergeant Major with the US Army Wound Data Munitions Effectiveness Team, Vietnam. The team studies various types of wounds to combat soldiers in order to perfect the Army's weaponry and body armor. SGM Hopper came to Vietnam in June, 1968, from an assignment at Ft. Fannie, is presently living in

Spanaway.
SGM Raul M. Pinedo, 47,
Ft. Smith, Arkansas, has the greatest period of time behind him with 28 years service. Assigned to the USA-HAC Inspector General's office, SGM Pinedo leaves shortly for an assignment in Texas after an 18-month tour in Vietnam. Prior to serving with USAHAC, SGM Pinedo was assigned to Ft. Chaffee, Ark. His wife, Guadalupe, resides in Ft. Smith, Ark.

USAHAC's Command Sergeant Major, Mervin L. Sanders, 38, a native of Basile,

Louisiana, is about to pass the 20-year service mark. A veteran of the Korean conflict, CSM Sanders joined USAHAC in July, 1968. His most recent assignment before coming to Vietnam was as Command Sergeant Major of Sixth Army, Presidio, Calif. CSM Sanders' wife, Beverly, and three children make their residence in Eu-

SGM Roger E. Brooks, 36, Tacoma, Washington, serves as Sergeant Major with USAHAC's Directorate of Installations (Post Engineers) Coming from an assignment at Ft. Belvoir, Virginia, the SGM arrived in Vietnam in May, 1968. An engineer for 18 years in the Army, SGM Brooks works with the larg-

est Post Engineer unit in the world, responsible for care and maintenance of all US and some Free World Forces installations in the Saigon-Cholon-Tan Son Nhut area. SGM Brooks' wife, Sue, makes her home in Tacoma, Wash.

Administering the oath to the quartet of experienced Sergeants Major at the reenlistment ceremonies was LTC Kenneth E. Carder, Fredonia, Kansas, the Director of Installations for USA-

Washington Quarter Horse Association is going to hold its show at the Tacoma Unit Sports arena November 9th and 10th.

Saturday's classes will include 31 classes held in the morning will be showman-ship at halter, and halter classes for fillies, mares, broadmares, colts, stallions, and geldings, as well as grand champion and reserve grand champion horses in each of the halter categor-

Beginning at 1 p.m. Saturday the classes will be trail horse horsemanship, western riding, western pleasure, and reining.

Saturday night's performance will start at 7 p.m. and will include calf roping, heading and realing, WBRA barrel racing, junior cutting, senior cutting and open cut-

There will be two per-formances Sunday. One be-ginning at 8 p.m. with west-ern riding, junior western pleasure, junior bit reining,

barrel racings and jumping. The afternoon performance begins at 1 p.m. with Senior western pleasure, junior hackamore reining, senior bit reining, working cow horse, Western pleasure owner to ride.

There will be high point saddles and high point youth awards given.

Entry fees will be \$7.50 per class for halter and performance; \$3.50 for youth activities. WBRA barrel racing will have an entry fee of \$10. Cow cutting is \$22.50, roping, \$12.50 and working cow horse is also \$12.50.

There will be a \$1.00 extra charge for post entries and a \$1 charge for parking. Sta-bling will be available on the grounds at a \$5 charge for the night.

We hope Dee Parham will make it back in time for the show Saturday, and that he does well at the Cutting Show in Las Vegas.

Larriettes were not going to ride this month, but the large turn out Monday night prompted them to possibly ride a few more times this year in spite of the cold

#### Grange

Grange Variety Show will be at 8 p.m. November 9th at Fruitland Grange Hall.

The 90-minute show will include scenes from the Musical "Lil Abner", which will be presented soon by the students of Puyallup High School.

"Marta the Marvelous Magician" will thrill the youngsters and oldsters alike as she performs her tricks of magic.

A group of students from the Suburban Dance Studio will be presented and there will be special accordian numbers by Jean Hansen and Robert Winter.

The only male hula dancers in the Northwest will perform their speciality.
Others billed include gos-

pel singers Gail Kunz and Linda DelAir. Vocalist Dolly Smith and humorists also

add to the enjoyment.

Harold C. Olson will act

as master of ceremonies. Donation will be \$1 for ad-

ults and fifty cents for children under 12.

#### 4-H Dog Club Elects Officers

Carl Tankersley has been elected president of the Collins VIP 4-H Dog group.

Other officers installed include Michele Simon, vice president; Adel Leuesque, secretary; Theresa Gregory treasurer; and Linda Tankersley, reporter.

The club held their first board meeting on October 30th and discussed plans for the new year.

ning of junior halfback Jody Miller, the Bethel Braves trounced the North Thurston

Rams 27-14.

Miller broke loose for scoring jaunts of 51 and 68 yards and was stopped three yards short of the goal line on another good run. Jody carried the ball eleven times and picked up 170 yards for a 15.5 yards per carry aver-

Toting the ball six times for 30 yards and a 5.0 yard per carry average was jun-ior fullback Chuck Bullion. Chuck also scored on a three-yard run for the Braves and collected seven

The Braves senior quarterback Larry Loete played one of his better games of the season as he carried the ball eight times for 24 yards and passed for one touchdown and two extra points. Larry also was tied with Dale Failey for high tackles with nine each.

Bethel's outstanding senior end Steve Jasmer hauled in four passes against the Rams. One was a nine yard shot from Larry Loete which was good for the the season. Steve also caught a pass for an extra point.

Gary Grazzini and Rick James scored an extra point apiece for the Braves.

James caught a Loete pass in the end zone and Grazzini scored on a pitchout.

Bethel ripped off 203 yards rushing as compared to North Thurston's 179. The Rams led in the passing department, gaining 102 yards in the air, holding the

Braves to 83.

"That was as fine an offensive game as a Bethel team has shown in years, they have even impressed themselves with their ability to move the ball. We did not play as well on offense as we would have liked but with two games left and the enthusiasm building over our possibility of our best season in six years, these kids should be hard to handle," stated head coach Ed Ting-

Friday night the Braves will try for a homecoming win against the Mount Si Wildcats. Kickoff time is 8 p.m. with the presentation of the royal court at halftime.

# Grid Play At Auburn

Franklin Pierce will have one last chance to break into the South Puget Sound League win column when they meet Auburn (2-1-1) on the Trojan home field.

The Cardinals suffered through a long evening of football at Puyallup last Friday night, ending up on the short end of a 37-7 score. Rolling up 304 yards rushing and passing, the Viks had little trouble running the score up to 30-0 at halftime.

standings, eased by Glacier 12-7 last week in a crossleague game. The Trojans pulled the game out of the fire in the final 67 seconds of play to give them a season record of 4-3-1. Pierce has a season record of 1-6-1.

TRUCK FIRE. A truckload of furniture belonging to Discount Furniture, 13014 Pacific Ave., was damaged by fire 10 p.m. Halloween night. "All evidence indicates the fire was set by Halloween pranksters," Parkland Fire Chief Ray Hixon reported. Most of the estimated \$3400 worth of furniture loaded on the truck at the time of the fire received some degree of damage, owner Chuck Cygan stated. Damage to the truck was listed at \$700 by Cygan.

SALVAGED FURNITURE. Some of the furniture that escaped flames but received smoke or water damage is pictured following a truck fire reportedly set by Halloween vandals last week. The merchandise belonged to Discount Furniture.

SILVER STAR RECIPIENT — Michael D. Stewart, son of Mr. and Mrs. Christ Bertsch, 865 So. 111th, has been awarded the Silver Star "For gallantry in Action" in the Republic of Vietnam. The Award states that . . . "Sergeant Stewart distinguished himself by heroic actions on 8 May 1968, while serving as a tank commander for Headquarters Company, 2nd Battalion, 34th Armor on a combat operation in Vietnam. When his tank came under intense enemy automatic weapons in an assault upon the enemy positions, Sergeant Stewart commanded his tank to continue the assault. When hit by an anti-tank round, he directed his tank right over the enemy positions. He repeatedly exposed himself to hostile fire and climbed out of the hatch to throw grenades into enemy spider holes. In spite of a heavy volume of anti-tank rocket fire at close range, he continued the devastating assault until his tank was hit by a fifth rocket and he was wounded..."
