# Pastor Questions Ambulance Policy

Dear Mr. Matson

For some time now, you have written editorials to complain vehemently about the State Patrol policy of calling ambulances to an accident on the basis of whose turn it might be to come.

Perhaps, like most people, I was not personally struck by the problem until this morning when I watched two women, severely injured because they were thrown from their car, lying in a ditch for 20 MINUTES waiting for the ambulance.

Now, the closest ambulance was in Lakewood, perhaps 5-7 minutes away. But instead, it happened to be the turn of a company located in downtown Tacoma. And so at a time when every minute is worth years of a person's life, we waited 20 minutes for an ambulance.

Is there anything which

can match this policy for pure stupidity? Fire companies do not take turns putting out fires. Each fire station answers the nearest call. There is no reason on earth for ambulance companies to take turns. Even plain common sense dictates that the nearest ambulance be called to the scene of the accident.

I for one, have no desire to lie in a ditch, dying, while some ambulance from the other side of Tacoma spends 20 minutes to a half hour picking its way through traffic to come to my rescue.

Perhaps you have some suggestions as to what we can do in order to get this ridiculous policy changed.

Yours,  
Daryl Wildermuth,  
Pastor

# Lady Lions Club Sets Installation

The newest organization in Spanaway, The Lady Lions Club, will officially get underway with installation of officers at 6:30 p.m. Friday, October 25th, at The Firs in Elk Plain.

The club, formed at the request of the conventional Spanaway Lions to assist the males in the community service endeavors, was organized September 16th.

Officers to be installed include Mrs. Lionel (Lois) Reeves, president; Mrs. Cliff (Martha) Anderson, vice president; Mrs. William (Corrine) Cunningham, secretary-treasurer; and Mrs. Jack (Lois) Mires, Tail Twister.

Presentation of the gavel will be made by Lincoln Lady Lions, who, according to the local group, were instrumental in organization, giving encouragement and suggestions.

Membership requirement for the club, which will meet at 8 p.m. the 3rd Monday of each month at the Little Park Cafe, is being a wife of a Spanaway Lion.

In addition to officers, members include Mmes Ralph (Bea) Hansen, Clarence (Lou) Jolly, Albert (Aliee) Jenkins, Ed (Pat) Morris, Jay (Dorothy) Campbell, William Dorothy Righetti, Harold (Phoebe) Lloyd, Harvey (June) Ouhl, Ted (Blanche) Stansbie and Roger (Mary) Lincoln.

# New Parkland Branch . . . Bank of Washington Slates Ceremonies

A striking addition to the Parkland area scene will be formally dedicated Saturday, October 5, when the Bank of Washington holds a "bank-warming" for its new Parkland Banking Center at South 112th and Pacific Avenue.

Activities will begin at 10 a.m. with a paper dollar ribbon-cutting ceremony. Parkland civic leaders will do the honors, according to Earl Dryden, Parkland Banking Center executive officer. The \$50 "ribbon" will be donated to the Jesse Dyllin Boy's Ranch after it is cut.

Designed by the local architect firm of Lea, Pearson and Richards, the bank building will cover 9,408 square feet which includes the main banking lobby with 13 teller units, officers' area, conference room, vaults and related areas. The mezzanine floor will

house the employee's lounge and storage areas. Mechanical equipment will be located in the basement area.

Construction highlights include precast concrete columns with exposed quartz aggregate finish; prestressed, pre-cast concrete roof T-beams; marble spandrels under windows and marble paneling; 3/8-inch glare-reducing plate glass, and bronze anodized aluminum windows and entrances.

The main floor will be carpeted throughout and carved teak paneling will accent various interior walls.

Two drive-up teller units will be installed. One will be a closed circuit TV under remote control. This unit will be installed following demolition of the existing bank building.

# FP Property Values Increase 10 Times

Property values in the Franklin Pierce School District have increased more than 10 times in the last 18 years, figures released by the District show.

Dr. Edward E. Hill, superintendent, said that the "cost of school sites is skyrocketing."

In 1950 school officials paid \$400 an acre for the land at 112th and Portland Avenue, upon which Franklin Pierce High School was built. In 1965 the school district paid \$2,700 an acre for the site of Washington High School, which will soon be under construction.

Yet, last year school officials were forced to pay as high as \$4,200 an acre for three sites in various parts of the district.

In order to forestall the expected rapid increase in land costs in the next few years, the school directors are placing a six mill levy on the ballot Nov. 5 to provide \$138,000 for the purchase of three elementary school sites and to complete the purchase of a junior high school site.

"Voters will save tax dollars by having the sites purchased now when they are reasonable in cost," Dr. Hill pointed out.

He said present cost projections indicate that land in the school district will be costing about \$6,000 an acre within the next eight years.

# Spanaway Lions Father-Son Banquet Set

A father-son banquet is slated by the Spanaway Lions Club for 6:30 p.m. Tuesday, October 8th, at the Little Park Cafe.

Lion Skip Reeves will entertain the fathers and sons with a slide presentation of his trip to Disneyland.

All Lions and their male offsprings are invited.

**PRE-SCHOOL CHILDREN** are listening attentively to storyteller Mrs. Christopher Grady as she recites, "Way up high in the apple tree, Two little apples smiled at me. I shook that tree as hard as I could, And down they came. M-m-m, were they good!" The children are attending one of the story hours at Parkland Community Library each Wednesday. Pre-school children come from 10 to 10:30 a.m., and school age children from 11 to 11:30 a.m. After the story hour the children check out books.

Charles Irwin and Fredric Erdman, two outstanding cornet soloists, will be featured when the United States Marine Band appears at Pacific Lutheran University Memorial Gymnasium Oct. 14.

Erdman will be featured soloist during the evening performance at 8 p.m., and Irwin will perform during the 1:30 p.m. matinee.

The United States Marine Band program runs a wide gamut of musical types. The director of the band, Col. Albert Schoepper, has had an excellent opportunity to study the likes and dislikes of American audiences on the band's numerous tours.

"The classroom has helped a great deal in recent years with music appreciation courses," he explained. "We play pri-

marily to entertain people and perhaps to enlighten them, but not to educate them. However, there is a great deal of new music being written today and I feel that one of our functions is to introduce these selections, play the best in music and interpret it so the vast American audiences can understand and enjoy all that the composer wrote into his music."

The performances are sponsored by the PLU Lute Club. Admission is \$1 for adults and 50 cents for children at the matinee; \$2.50 reserved, \$2 general admission and \$1 for students at the evening concert.

Tickets are on sale at Lakewood Record and Book Shop, Ted Brown Music Co., and PLU (LE 1-6900).

# Al Frederickson Pierce County 'Man of The Year'

Al Frederickson received the Pierce County 1967-68 "Man of The Year" award Saturday night at the Harold LeMay Enterprises 12th Annual Safety Awards Banquet held at The Firs.

Qualifications for the "Man of The Year" award, which is given by popular vote of all company employees, include personality, honesty, safe driving habits, appearance, customer relationship and ability to get along with fellow workers.

Guest speakers for the banquet were Pierce County Commissioners Harry Sprinker and Wallace Ramsdell, Sgt. Joe Herman, Washington State Patrol; and Sgt. Bud Edmonds, Pierce County Sheriff's office.

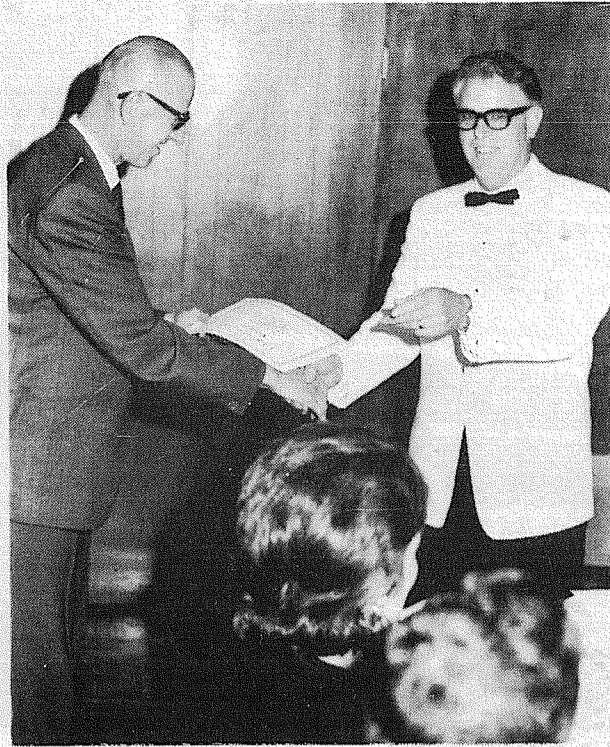

Other 1967-68 winners included Chuck Duncan, Lewis County; and Delroy Cox, Grays Harbor County.

Harold LeMay Enterprises, which boasts an annual payroll of \$350,000, has 34 units in operation which log approximately 70,000 hours of driving time per year.

Safe Driving awards presented were for the number of years driven by company personnel without accident.

12-year awards - Eugene Murat and Harold LeMay; 11-year - John K. Hartsell; 6-year - Roy Reeder; 5-year - Chuck Duncan; 4-year - Al Frederickson, Olaf Hammer and Tom Buchanan; 2-year - Dayton Green, John Hominda, Hiram Patton and Delroy Cox; and 1-year - Harold Davis, Robert Fore, Ray Grodisk, John L. Hartsell, Roger Schmidt, Norman LeMay, Cliff Anseth, Francis Herrman, Leroy Armstrong, Harold Blumfield, John Flanigan and

George Johnson. Other personnel participating in the safety award program included Ron Austin, Floyd Cowan, Bruce Ledbetter, Pat Sloppy, Earl West, Mike Markle, Lee Crump, Bob Rice, Denny Satterlee, Barry Palmer, Harvey Mulleneaux, Bob Hough, Roger Hughes, Mike Haderbrandt, Charles Jones, Ed Black, Harold Knutson, Einar Brannfors, Emmett Martin, Leroy Linke, Monte Brown, Fred Charon, Everett Manfull and Bill Green.

John K. Hartsell receives 11 year Safety Award.

ADMIRING the "Man-of-The-Year" plaque awarded Al Fredrickson for his safe driving efforts are: (L-R) Harold LeMay, Harry Sprinker, Frederickson, and Wallace Ramsdell.

## YOUR VOICE CAN HELP RUN AMERICA

Are you one of the millions of U. S. Citizens who has strong convictions about public issues... but has failed to make them heard where it counts?

Think your voice is too weak or insignificant to carry weight with government officials?

You're wrong. Reports from federal, state and local leaders reveal that their decisions are heavily influenced by the hundreds—and often thousands—of letters and telegrams they receive daily from constituents.

Did you ever stop to think how important these messages are to the democratic process?

Nearly 300 years ago, Thomas Jefferson stated: "The Basis of our government being the opinion of the people, the very first object should be to keep that right..."

Since "the people" means you, next time you're in a fighting mood... about Vietnam—pro or con—, the Presidential elections, crime, civil rights... don't pull your punches; put them into words and send them along to the government official concerned.

To make this as easy and economical as possible, Western Union offers a special service for your personal opinion messages called "POM" wires. For only 90 cents you can file a 15 word message at any Western Union office directly to the President, your Governor, your Senator, Congressman or State Leg-

## Medicare Deductible Increases

Beginning in January, an older person who goes to the hospital under Medicare will be responsible for the first \$44.00 of his hospital bill — now running about \$600.00 for the average hospital stay by a Medicare beneficiary, Jack V. Chastain, Tacoma Social Security District Manager, said.

The \$4.00 increase from the present \$40.00 deductible results from a provision in the law requiring an annual review of the deductible amount. The first such review the law provided, was to be made in 1968. The law specifies that if this annual review shows that hospital costs have changed significantly, the hospital deductible amount must be adjusted for the following year. Necessary increases in the deductible amount are to be made in \$4.00 steps to avoid small annual changes. Following the formula in the law, and figuring the ratio of inpatient hospital costs under Medicare in 1966 with those in 1967, the deductible amount for 1969 worked out to \$45.36. Rounded to the nearest multiple of \$4.00, this will make the deductible \$44.00 for 1969.

The results of the annual review of the inpatient hospital deductible also apply to the dollar amounts a Medicare beneficiary pays toward a hospital stay of more than 60 days, or a post-hospital extended care stay of more than 20 days.

These amounts, therefore, will also increase by 10 percent, effective January 1 — to \$11.00 a day for the 61st through the 90th day of a hospital stay; to \$5.50 for the 20th to the 100th day of a stay in a post-hospital extended care facility; and to \$22.00 a day for each day of the lifetime reserve of 60 days, the reserve account a beneficiary can draw upon if he ever needs more than 90 days of hospital care in the same benefit period. The changes in these amounts apply only to the hospital insurance part of Medicare and do not affect the financing of the supplementary medical insurance — the voluntary program which covers doctor bills and a wide variety of other medical services.

**LEATHER LOOKS—  
 FOR LITTLE MONEY**

Time to let that leather look liven up your wardrobe! Why not take a tip from some legendary ladies who knew the lure of leather—and of styles borrowed from the boys?

Robin Hood's Maid Marian very likely wore a doeskin doublet while frolicking in Sherwood Forest. And Pocahontas undoubtedly sported a fringed buckskin shift. Stitching up real leather can be tricky, but the new leather look-alikes make for simpler sewing—at a substantial saving.

Transform that Wild West uniform, the cowboy shirt, into a sleeveless or long-sleeved button-front dress with McCall's Pattern #9429. Copied from the cowhands are buttoned flap pockets and a hip-slung (or waist-whittling) belt. A split-level version, shirt and skirt in sunset and sand shades, doubles the design's impact.

The "vest" of everything is a feminine version of an English gentleman's waistcoat. Unlike the London clubman, the all-American girl will sport her vest atop a dirndl skirt marked

by a blow front and center. For sporty separates, mix with wools and tweeds. Or be a bold smoothie in matching vest and skirt, regular length or modishly mini. Whip up a supply of shirts in pastels or plaids and watch your wardrobe multiply before your eyes. The three-part harmony, McCall's Pattern #9329. For Young Juniors and Teens, Pattern #9330.

Vested interests can pull a switch by adding sleeves to a weskit paired with the front-zipped jumper of McCall's Pattern #9432. Curving princess seams, top-stitched, flatter the figure and give a smooth finish to your leather look-alike. Match jacket and jumper, add a checked wool weskit and bright turtleneck sweater, and you have a perfect outfit for country weekends. Photos, courtesy McCall's Pattern Magazine.

The leather look is both sporty and sophisticated. And since imitation is the sincerest form of flattery, styles borrowed from the boys are sure to impress the man in your life!

**Tomato Tricks**

by Betty Crocker

Since garden-fresh tomatoes are at their prettiest, let's live it up a little. Glamorize tomato slices with a touch of basil, fresh or dried. Sauté tomato halves in butter—serve with cream browned in the same skillet. Or try Tomatoes Vinaigrette: Sliced tomatoes marinated in French dressing an hour or two in the refrigerator, then sprinkled with minced onion or parsley. And for a perfectly beautiful shortcut supper, how about Fresh Tomato Shortcakes? Thick tomato slices between hot biscuits, spooned with Cheese Sauce, strips of bacon on top. Delicious.

**FRESH TOMATO SHORTCAKES**

**Cheese Sauce (right)**  
 2 cups Bisquick  
 1/4 cup butter, melted and cooled slightly  
 1/2 cup milk  
 3 tomatoes  
 6 slices bacon  
 Soft butter

Prepare Cheese Sauce. Keep hot over hot water. Heat oven to 450°. Mix Bisquick, 1/4 cup butter and the milk with fork to a soft dough. Knead 8 to 10 times on lightly floured cloth-covered board. Roll dough 1/2 inch thick. Cut with 3-inch floured cutter. Bake on ungreased baking sheet about 10 minutes. Cut tomatoes into thin slices. Fry bacon until crisp; drain on paper towels. Split shortcakes crosswise; spread butter on halves. Place tomato slices between layers

and on top of each shortcake. Spoon Cheese Sauce over shortcakes and garnish each with a bacon slice. 6 servings.

**CHEESE SAUCE**

3 tablespoons butter  
 3 tablespoons Bisquick  
 1/4 teaspoon salt  
 1/4 teaspoon pepper  
 1 1/2 cups milk  
 1 1/2 cups shredded process sharp Cheddar cheese

Melt butter over low heat in saucepan. Blend in Bisquick and seasonings. Cook over low heat, stirring until mixture is smooth and bubbly. Remove from heat. Stir in milk. Heat to boiling, stirring constantly. Boil and stir 1 minute. Stir in cheese. Cook and stir over low heat until cheese melts. Makes about 2 cups.

## Over The Fence Rail

By Ernie & Paulette Cook

One of our area's best blacksmiths is back. Bill May has returned from Tennessee with his wife and three children. Bill will be official show farrier of the United States Equestrian Team Show to be held October 19 and 20 at the Tacoma Unit Sports arena.

There will be another show at Trails End this weekend. This one is an Arabian show called the Arabian Fiesta.

Come one come all to the funday at Muffet Acres this Sunday beginning at 11 a.m. Donations will be \$1.00 for all day, and pot luck lunch.

Premium lists for the Equestrian Team Benefit show will be out this week. Classes will be held in the following divisions, Appaloosa, Arabian, Hunter — Jumper, Morgan, Shetland and Welsh Pony, Pinto — Paint, Quarter Horse, Saddlebred, and Tennessee Walker.

The officials for the

games division of the Equestrian Team Benefit Show have been chosen. Chet Kelly will judge, Bonnie Parker will be steward, and Jim Scott and Howard Yeager will act as timers.

Watch your Times Journal Horse Page for a complete list of classes.

Whatever happened to the Fort Lewis Riding Club? Several years ago the Fort Club put on a two day horse show, and since we have heard no more from them. How about letting us civilians know what is going on at the Fort Stable.

Phil's Joe Bob owned by Dr. Richard Berg of Pasco, Washington and trained and shown by Jack and Carol Stecker, was Reserve Grand Champion Stallion and Hi Point Quarter Horse of the Yakima Central Washington Quarter Horse Show. Beeotie, owned by Neil Hoff, and trained by Jack Stecker also placed first in his halter class at the Yakima show.

The Puget Sound Zone's Annual High Score Awards Banquet will be held the evening of Saturday, October 5, 1968 in the Athenian Room of Anton's Restaurant, in Puyallup. The award ceremonies will begin at 8 p.m.

## Spanaway Man Entered In Livestock Expo

Franklin Byrd, Sr. of Spanaway has entered one milking shorthorn in this year's Pacific International Livestock Exposition in North Portland October 4 to 12, according to Irvin Mann Jr., Stanfield, Ore., livestock show chairman.

Exhibitors will be competing for a share of \$105,000 in livestock premiums, highest in the history of the 58-year-old show. Also meat animal exhibitors will vie for grand championships in their respective categories.

Visitors to the P-I will be entertained by 12 arena shows during the nine days of the exposition — a show at 8 p.m. nightly, plus 1:30

following a buffet style dinner.

In addition to the presentation of high score awards in both performance classes and game events, awards will be presented to the six outstanding juniors throughout the zone who have been among those participating in the Zone Junior Achievement Program this past summer.

Regardless of whether you or a member of your family will be receiving an award, we feel this is an excellent opportunity to meet with and enjoy the fellowship of other horsemen in the area, as well as provide the recognition due the exhibitors who have earned awards through their participation during the 1968 show season.

p.m. matinees on the two Saturdays and one Sunday. Each arena show will include horse show performance classes, plus finals of the Northwest Rodeo Association-Idaho Cowboys Association rodeo.

Ten leading point-makers from each association in each rodeo event will compete at the 12 performances, with cumulative point totals throughout the P-I to determine the 1968 champions.

Intermission entertainment will include the trick-riding Warvell Family and the Meadowland Dairy six-horse hitch. In addition, there will be six calf scrambles, and the first Friday night will also feature games on horseback by the Western Horsemen of Oregon.

## Feeder Cattle Prices To Remain Strong

Washington cattlemen were advised today that feeder cattle prices are likely to remain strong this fall and early winter, but that the trend in fat cattle prices is less certain.

Frank C. Jackson, county Extension agent, said these price prospects are the gist of the cattle price outlook just issued by Karl Hobson, Washington State University Extension price specialist. A summary of Hobson's outlook follows:

Feeder cattle prices are likely to remain strong because they have four favorable factors going for them: Good prices for slaughter cattle in recent months... Good pastures and ranges throughout most of the cat-

tle country that will delay movement of feeders and cause more heifers to be held back for herd expansion... Abundance of feed grains at low prices... And prospects for good wheat pastures in the central and southern Great Plains.

Any weakening in feeder cattle prices late in the year will be triggered chiefly by a drop in fat cattle prices.

Fat cattle prices have been strong in recent months. And in some markets premiums are being paid for the larger and better finished choice grade steers. A larger than usual proportion of fat cattle coming to market are heifers and most steers are being marketed at moderate weights.

Average weights have declined consistently since mid-June. In the last week of August the average weight of steers at seven

markets was 1,091 pounds, down 19 pounds from the 1,110 pounds a year earlier.

Apparently a large number of feedlot operators have taken seriously the figures showing a sharp increase in cattle on feed and are moving their animals quickly. This market development could eat into supplies available later and moderate or delay the coming price weakness indicated by the large numbers on feed.

However, with fat cattle prices continuing to hold up, and with premiums on better finished animals and low cost feed, operators of feedlots may become more optimistic. This may cause them to start feeding to heavier weights, and could reduce market supplies for awhile, but increase them later on.

# Fire Prevention Week

"Fire is something that happens to the other fellow, maybe, but not to me."  
Do you dismiss fire and its destructive potential in this casual way? Far too many of us do, yet statistics from the National Fire Protection Association (NFPA) show how wide of the mark is this attitude.

Look at the fire record in homes: In the United States, more than 600,000 homes and apartments destroyed or damaged annually, bringing death to 6,500 people; in Canada, more than 50,000 residences hit by fire, with about 500 killed. The greater part of these fatalities are the defenseless young and old.

This very year, on the basis of national averages, a home in your general neighborhood will be involved in fire, possibly a fatal one — and it could be yours.

Consider what fire does to industrial and commercial buildings each year: Over 171,000 U.S. and 16,000 Canadian plants, stores, offices and other business properties destroyed or damaged.

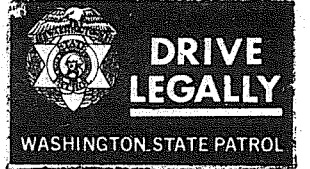

This very year, on the average, a business operation in the area where you work will be hit by fire, possibly involving temporary or longer-term loss of employee earnings and jobs.

Don't gamble that you can escape the financial headaches or family heartbreaks that fire inevitably brings. Make fire prevention your business, too, at home and on the job. Remember, fire hurts.

Fire Prevention Week, which this year falls in the period of October 6-12, re-emphasizes that fire hurts, that fighting fires is everybody's job, during this week and throughout the year.

SPANAWAY — Elk Plain Fire Chief John Farren, right, and Volunteer Sonny Beegle raise the 30-foot sign announcing the onset of Fire Prevention Week, October 6-12, at the Spanaway Fire Hall. Lectures and a parade will highlight the week.

When the driver is loaded with alcohol — and the majority of fatal crash drivers are, says the State Patrol — it's no accident, it's a crash. And when you hit the windshield or the steering column because you're not wearing your seat belt, that's no accident either.

## It's the LAW

PRESENTED AS A PUBLIC SERVICE BY THE WASHINGTON STATE BAR ASSOCIATION

"Since we've got a new car and just bought a house, I suppose we ought to look at our will to see if any changes need to be made," Fred said to his wife.

"Good idea. I'll get the will out of the file box and we can change what's necessary right now. This is a bad TV night anyway," she replied.

"Wait a minute," Fred cautioned. "We can't change the will that way. We'll have to take it to our attorney to make any legal changes."

"What for? The will is signed and witnessed. We can make the changes in ink right on the will, initial the changes and that will be O.K. — won't it?" Fred's wife replied.

"Not according to the law. We've got to make a codicil, the only legal way to change a will. Let's not ask for more trouble than we've already got," Fred replied.

Fred is correct, of course. Only a codicil, a specific legal

document, can legally alter a will. It must be drafted and signed in the same manner as the will. Two witnesses are required, just as with a will.

Corrections made to the original will, such as striking out a word or phrase, could make the entire will void. Even initialing the changes do not make them legal.

Depending on the changes needed and the complexity of the will, a codicil may not be the best answer. An entirely new will might have to be drafted.

However, if the codicil is determined to be the best answer, then it should be attached to the will so that heirs will know of the changes.

When your will was drafted, it took into account numerous factors that would relieve your family of financial and legal problems which could come if you had no will. Don't ruin all this planning by making illegal changes.

(This column is written to inform, not advise. Facts may change the application of the law.)

Whether you're a scientist or a seer, numbers as well as stars may figure in your destiny.

Well known prophetess Jeane Dixon believes that your birth date influences your personality and that your personal vibrations are dictated by your own personal number and your Zodiac sign. Did you know for example that the number "5" is associated with adventure and good fortune. Or that "7" is the most mysterious of all numbers and has been used throughout history to express completion in all things spiritual?

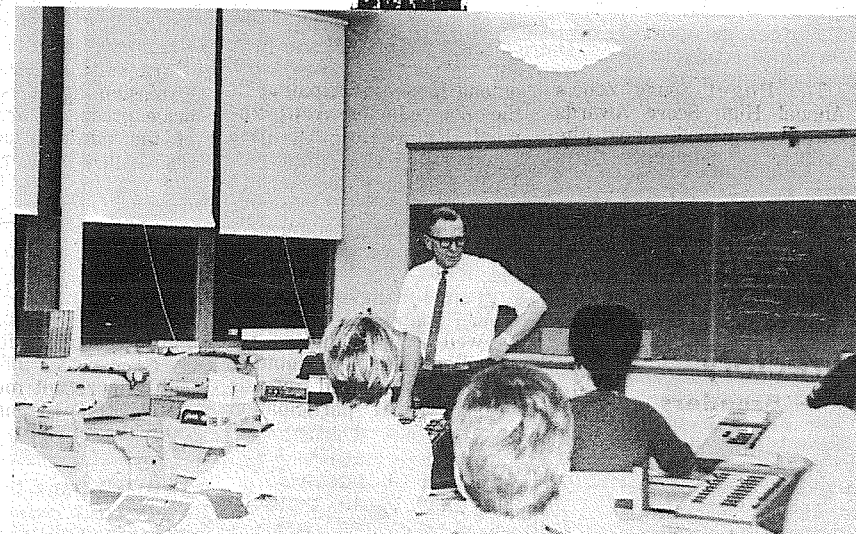

Whether you become a "true believer" or not, you'll enjoy the magic of the oldest science in the world. And you may find that you like what's in the stars!

## SPORTS

### Braves Scalp Bulldogs

By KEVIN KELLY  
Bethel Braves moved into contention for the Seamount League title Friday as they downed the Foster Bulldogs 13-0.

The Braves scored in the third period when Steve Josmer fell on a blocked punt which fell into the end zone. Larry Lorry carried the ball over for the extra point.

Walt Houston carried the ball five yards for the second TD.

In statistics, the Braves rolled up 207 yards rushing, holding the Bulldogs to 87.

Several possible scores by the Braves were hampered by fumbles, once on the Bulldog 3-yard line.

Tomorrow the Bethel team (2-1) will travel to Sumner to tangle with the league leading Spartans (2-0-1).

In other Seamount action Friday Curtis (2-0-1) travels to Mt. Si (2-0-1), Peninsula (2-1) takes on Enumclaw (0-3), White River (2-1) clashes with Fife (2-0-1), Tacoma (0-2-1) goes to Foster (0-2-1) and North Thurston (1-2) is at Tumwater (0-3).

### Patriot Harriers Seek Win

Washington High School's cross country team will attempt to get in the win column in a match with Clover Park Friday after dropping their first two contests of the season.

At a Friday, Sept 27 meet, Washington runners were outdistanced by Rogers 32-29 at the Spanaway Park course. Patriots Gary Arndt, Ken Capron, and Ed Denmark finished 4th 5th, and 6th respectively.

The previous week it was Lakes 41, Federal Way 27, and Washington 61 in a three way meet at Western State. Top Patriot harrier was Arndt, who finished 8th.

### Cards Face Warriors

Franklin Pierce Cardinals will meet Clover Park in the opening of Southern Puget Sound League conference play Friday October 4 at Cardinal Field.

Pierce suffered a 34-18 setback last Friday at the hands of Tacoma's Lincoln High School and Clover Park was edged by Auburn 7-6.

Despite Lincoln's 34 points, the Cardinals looked strong. A few costly mistakes seemed to give Lincoln the edge early in the game.

Steve Slavens galloped 80 yards on a kick return to an apparent 6 points in the opening minutes of the game, but the play was called back on a clipping penalty. Before the disastrous first quarter had ended and the Cards had regained their composure, the Abes had 20 points on the scoreboard.

Lincoln scored again in the second quarter on a 66 yard run by Ken Harvey. Final Abe touchdown came early in the fourth quarter when the Tacoma eleven drove 48 yards to pay dirt.

The Cardinals found the key to scoring following the Lincoln kickoff, and tallied on a 23 yard Woody Harris pass caught by Ken Tripp. Before the final gun sounded Franklin Pierce scored twice more.

In the first down department, the Abes edged the Cards 13-12. Three of Lincoln's five TD's were scored on long, break away runs and a fourth was set up by a Cardinal fumble.

### Seattle Pilots Operation Question Mark

(EDITOR'S NOTE: Marvin Milkes, General Manager of the Seattle Pilots American League baseball team, has the awesome responsibility of drafting from the existing 10 A.L. teams the players who will staff the rosters of the Pilots next year. This article by Milkes is one of several exclusive stories on this project which are being provided to certain selected Washington periodicals.)

By Marvin Milkes  
General Manager,  
Seattle Pilots

Several names come to mind when you discuss the possible expansion candidates for third base. Some we have mentioned in previous articles at other infield spots, but who could also hold down the "hot corner." Oakland's Ted Kubiak is one, so is Cleveland's Chico Salmon.

Expendable third-sackers are not in large commodities. However, we might expect to see Washington's Gary Holman on

### Patriots Face Lancers

Washington High Patriots will be seeking their third victory Thursday when they meet the Lakes Sophomore team in an afternoon contest at Franklin Pierce Field.

The Patriots won their second victory against no defeats last Thursday by shutting out John Rogers High 21-0. Tight defensive play by Washington denied the Rogers eleven from making a first down during the contest.

Washington saw 7 points registered on the scoreboard in the first quarter when Hans Woldseth intercepted a Rogers pass and scampered 35 yards to pay dirt. Wayne Hammer ran the ball over for the extra point. Steve Butt broke loose for a 61 yard touchdown run later in the first half, but the play was nullified by a holding penalty.

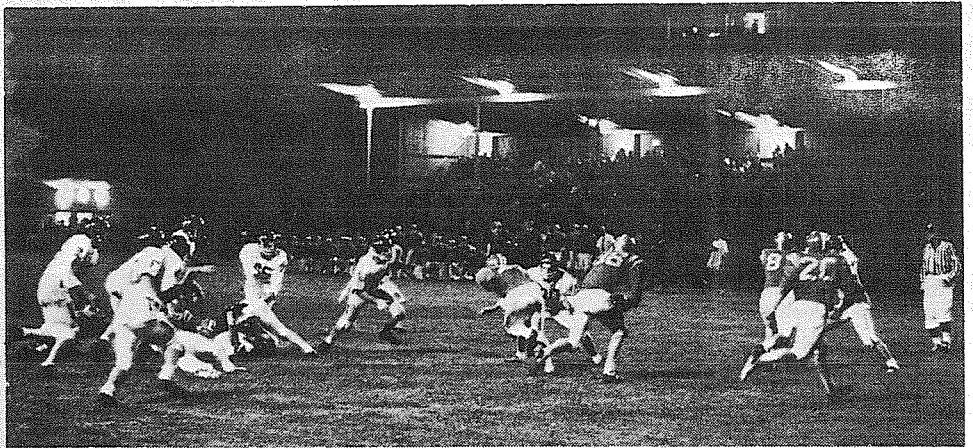

Early in the third quarter, Patriot back Mark Ballman scored on a one yard plunge. The tally came after Washington's Dave Rink recovered a fumble on the Rogers 7 yard line. Two plays and a penalty moved the ball to the one yard line setting up the scoring play. Dana LeDuc booted the extra point.

Final Patriot touchdown came when Ballman dashed 34 yards on a draw play. LeDuc converted for the point after touchdown.

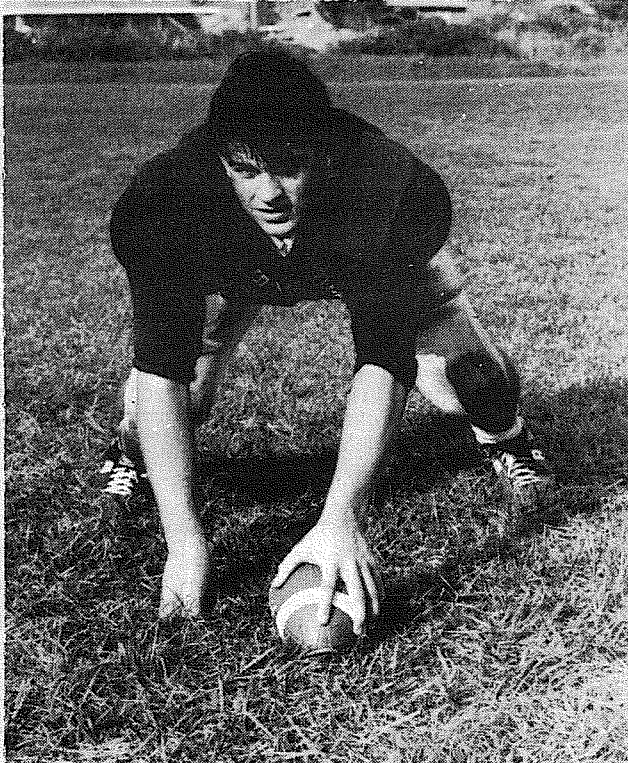

Patriot standouts included quarterback Hans Woldseth who threw 6 completed passes out of 10 attempts for 50 yards, Steve Butt with 40 yards gained, and Bob Southwell who snagged 4 passes for 40 yards. Defensively, Mike Blair and Dana LeDuc were leading tacklers.

Rogers, like Washington, is a school that opened its doors for the first time this fall.

The block, or Chicago's Dick Kenworthy. The Minnesota Twins have an excellent prospect who played this season for the Denver Bears by the name of Graig (that's the way he spells it) Nettles. Some observers think Boston will risk Jerry Adair, and New York may let Charlie Smith become vulnerable. The latter is the best at the plate with an average near .275.

LARRY LOETE, Bethel quarterback, finds a large hole in the Foster line at Art Crate Field last Friday night. Bethel won 13-0.

PATRIOT Dana LeDuc helped his team over-run Rogers High School, Puyallup, last week by kicking 2 extra points and sharing the honor of leading tackler with Mike Blair.

The outfield holds the best opportunity for Seattle and Kansas City to pick up batting strength and several names come to mind - names that may be unprotected and who could help considerably.

Cleveland's large supply of outfielders at the major and Class AAA level make them a productive subject. The Indians' Lee Maye is hitting .293 and may be on the block. If not, Tommy Harper, or farmhands Lou Piniella and Lou Klimchok are prospects.

Brant Alyea, hitting in the .280 category, at Washington, and Cap Peterson,

Tacoma's contribution to the Senators, are said to be available, as is Chicago's Tommy Davis and Leon Wagner. Davis is the former Dodger who can still get the job done.

Surprisingly, Minnesota's Bob Allison might be had, along with Bob Oliver. Allison, hitting about .250 could be unprotected because of some promising rookies. Oakland could sacrifice Mike Hershberger (.260) and Jim Gosger, and veteran Curt Blefary and Paul Blair of the Baltimore Orioles also loom as possibilities.
