4-H Survey Underway In County

A survey is underway to determine how many rural students in Pierce County would be interested in joining 4-H Clubs, according to George Purcell, County Extension Agent.

4-H Club Interest Survey forms have been distributed to all schools. Youngsters in the 4th, 5th and 6th grades are invited to have their parents fill out the form and return it. A meeting of interested parents will be arranged soon by the Extension service.

4-H members learn by doing in a program of projects and activities geared to suburban as well as rural interests. The purpose of Club work is the development of boys and girls into responsible citizens. The things boys and girls learn in 4-H Clubs are based on scientific research at Washington State University and other land-grant colleges. Each 4-H'er selects a project to carry for the year, and most of the work is done at home. Club years run from October 1 to September 30. A boy or girl who will be ten by Sept. 30 of the current (1963) year is eligible to join. There is no uniform required and no dues.

Either of the County Agents, George Purcell or Bernice Belshaw, at FU 3-3311, Ext. 511, can furnish more information if desired.

Questions Answered Monday At Parkland Sewer Meeting

The question and answer period held Monday night at the meeting sponsored by the Citizens Committee for Sewers in Parkland brought out many of the questions which have puzzled Parkland property owners since the announcement was made that the sewer revenue bonds would be placed on the ballot.

Answering questions about the proposed sewer system were B. J. Qualheim, of Howard Harstad & Associates, engineers; Val Fawcett, representing McLean & Co., financial advisors; Dr. Fargher, Pierce County Health Department. Harry Sprinker moderated the meeting.

A crowd estimated at 120 persons sat quietly while the experts gave short statements about the upcoming election and its effect on the sewer district.

To a question on whether the district would have to buy right of way for its truck line, Qualheim said with the possible exception of crossing a railroad right of way, the rest of the trunk line was on public highway and the cost would include only putting the streets back into their previous condition after the trunk line was laid.

"Can't we hook into the large trunk line maintained by the two military establishments?" was another question. It was pointed out that this had been considered, but was not pursued when the possibility of an emergency military situation filling both bases was brought out.

To the questions referring to areas outside the district, the panel members said inclusion in the district after the project was under way would be accomplished by petition, other areas would pay their proportionate costs for the system, and the final statement, "Nobody gets a free ride."

To specific questions of actual cost, it was pointed out that the estimates were subject to the bids which would be called after the project was authorized. The engineers have made allowances for rising costs and feel that the estimated \$7 per front foot cost would be high enough and that the service charge of \$3.50 per month would be adequate also.

Lots would be assessed along the shortest side, according to the panelists, with the first 150 feet of the long side of the lot exempt from assessment. Each foot after 150 feet would be assessed on the assumption that the back of the lot could be platted into other lots.

For instance, a lot 75 by 150 feet, would be assessed at \$7 per foot for the 75 feet. A lot 50 by 300 would be assessed for the 50 feet and 150 feet of the back part.

It was also pointed out that the acreage would be assessed at the front footage charge established. The steps to establishing a sewer system were listed:

1. November election, voters to approve or disapprove of the authorization of revenue bonds in the amount of \$3,400,000.

2. If approved, Utility Local Improvement District must be established before anything further can be done. (No bonds issued yet, no digging started).

3. Fifty-one percent of the land owners in the ULID must approve before any further steps can be taken.

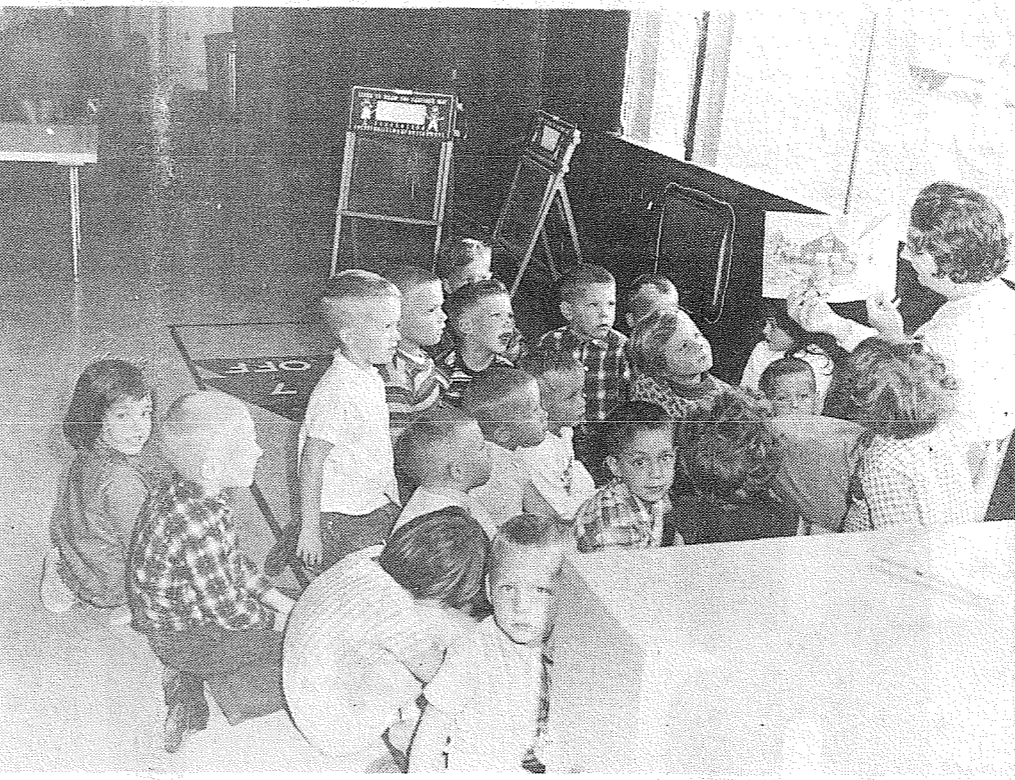

4. Assessment roll prepared (assuming 51% of land owners approve).

5. Public hearing on assessment roll, at which time property owners can protest their individual assessments and meet with officials.

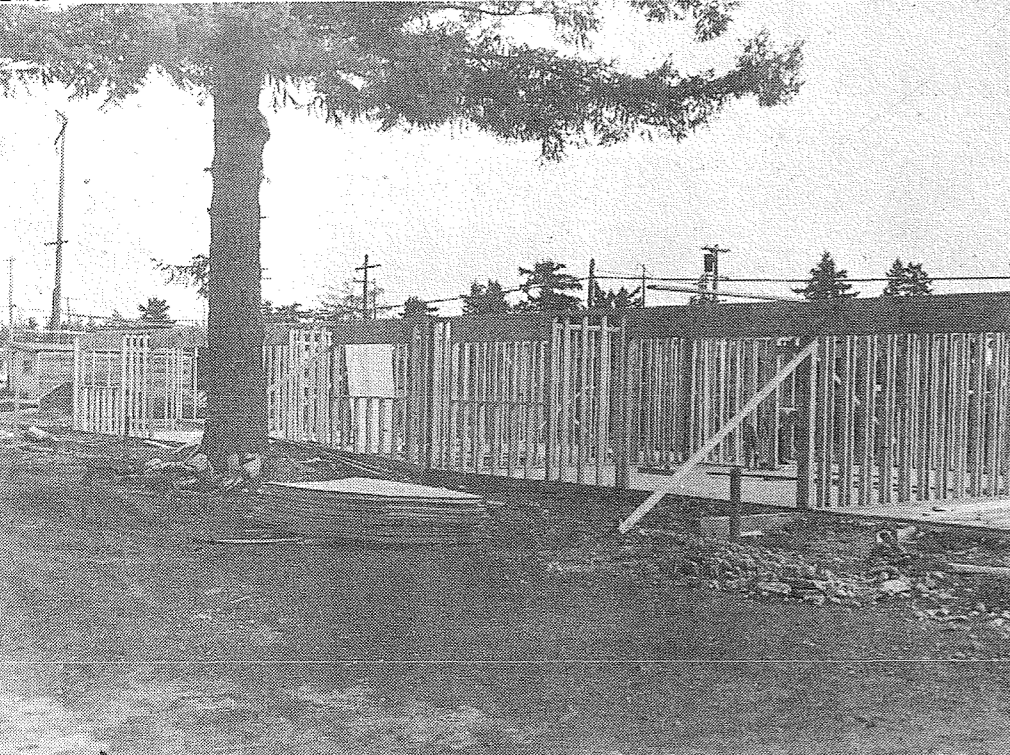

6. Public hearing on final assessment roll.

7. Property owners can protest assessments prior to final assessment roll adoption.

8. Assessment roll published, after which those owners protesting can file the evening schedule of action against district to continue protest of roll.

PLAYSCHOOL STARTS — Mrs. Doris Eccles, teacher at the Parkland Cooperative Playschool, tells a story with pictures during the first session of the school. The meetings are held at Gonyea Park playground building. It looks as if the story was taking second fiddle to the photographer with some of the small fry.

SKELETON — The framing of the Concordia Arms apartments rises this week as the builders, George Hanley and Harold Mansfield, get well under way with their projected 48-unit building. The work is now being done on the first 24 units of the building.

SKETCH — This is an artists' sketch of the Concordia Arms apartments which is being built at Tule Lake Road and Pacific Avenue. The sketch shows the outside of the 24-unit building. All apartments will face an inner court with landscaped swimming pool. The project is planned for an early completion date.

Crusade At Spanaway Assembly of God

The special evangelistic crusade at the Spanaway Assembly of God, 166 and Pacific Avenue, which started a week ago last Sunday with the Rev. and Mrs. Kenneth Lindgren of Selah, Washington is now in progress, it was announced by the pastor, Ernest L. Friend. The first week of the crusade was geared to boys and girls between the ages of 5 and 15 years, but starting last Sunday the services are for members of the entire family. These meetings are conducted each evening at 7:30 o'clock, except Saturday, and will close Sunday.

The Sunday services begin with the Sunday school program at 9:45 a.m., and at 11:00 a.m. the Evangelist, Mr. Lindgren, will speak during the 11:00 a.m. worship service. He will again speak during the 7:30 p.m. rally Sunday which con-cludes the special crusade.

FP Paper Wins Honor Rating

The newspaper of Franklin Pierce High School has been awarded a First Class honor rating by the National Scholastic Press Association, John Eyres, advisor, reported.

The rating is based on the issues of the paper from the spring semester last year. It is comparable to "excellent" and ranks second only to the coveted All-American rating. The judge, a professional newspaper man, rated The Cardinal in such areas as news coverage, content, editorials, page makeup, headline and photography. The paper was in a group with 53 other similar papers from all over the nation.

Editor during the spring was Judy McNickle, who had steered the paper to its first All-American award last fall.

Harvard Covenant To Dedicate Organ

Rev. Paul P. Fryhling, Pastor of the First Covenant Church in Minneapolis will be the main speaker at dedication ceremonies for a new organ installed at Harvard Covenant Church 84th and Portland Avenue. The dedication is planned for Sunday, October 14th at 3 p.m.

An organ recital by Miss Julie Forsberg will be included in the program.

Baby Sitting Classes Open Oct. 20-27

Baby sitting classes for the Central Avenue Mother's Club and Collins Tots Club will be conducted by the Summit Fire Department on Oct. 20 and Oct. 27th at the Summit Fire Station.

Mr. Larry Kerwin, Assistant Chief of the Summit Fire Department will teach the classes.

Seasons Now In Progress In State

The hunting calendar's next big day will be October 13.

That is the day the general upland bird and deer seasons get off to a start this fall.

The first shots were fired last month when the band-tail pigeons and mourning doves came under the guns of the hunting fraternity. The seasons ended September 30.

If bear is your game here are the dates for hunting. In Pierce, King, Whatcom, and Snohomish counties open until November 4; to November 7 in portion of Kittitas and Yakima counties; to November 10 in Lewis (portion) and Chelan and Okanogan counties. Bear are legal game throughout the year in Clark, Island, Cowlitz, Pacific, San Juan, Thurston, Skamania and Wahkiakurn counties.

Native, blue and Franklin grouse season will run through November 18 this year, except in a few spots. The second half of the season for Asotin, Columbia, Garfield and Walla Walla counties will open October 13 and close on November 7.

In Western Washington, the rabbit season has already started and runs until March 31, 1963. Five rabbits per day are your limit, except in Island, Snohomish, Skagit, Whatcom and Clark counties, where no limits are imposed.

The chukar and Hungarian partridge shoots have begun and will continue through October 30, in Asotin, Garfield and parts of Whitman and Columbia counties. Take is four huns per day and eight chukars.

Summit Nursery School Meeting

The Summit Cooperative Nursery school will hold a business meeting Tuesday Oct. 16th at the home of Mrs. Ben Hess, 7210 East 104th, Puyallup, at 8 p.m.

A representative from the American Red Cross will speak on first aid on a Nursery School level. Mrs. William Hoffman, President, will be in charge of the business portion of the meeting.

Refreshments will be served. Co-hostesses will be Mrs. Larry Larimore, and Mrs. Duane Lobeda.

Kapowsin Workers To Open Drive For Community

Members of the Kapowsin Community Chest met Oct. 10 at the home of Mrs. H. A. Lauenborg of Graham. Helpers were chosen to assist with the Community Chest drive which begins Oct. 15 and ends Oct. 24. Last year assistance was given to people in the Graham, Thrift, Kapowsin and Benston areas.

The Community Chest has quite a bit of clothing, shoes, etc. stored and anyone in the above mentioned areas in need may contact Mrs. Lauenborg at VI 7-7835.

Please welcome the Community Chest workers when they call for a donation as they are working for the good of the community.

Riverside Holds Booster Nite

Riverside Valley Grange invites everyone in the community to their annual Booster Night, October 15th at their Grange Hall.

An interesting variety program has been planned by the Lecturer, Evelyn Biggs.

There will be a pot luck supper at 6:30 p.m. with the program beginning at 8:00 p.m.

Baptist Church Revival Week Begins Sunday

The Spanaway Baptist Church, West 167th St., will begin a week of revival services Sunday, Oct. 14th at the morning worship hour. There will be evangelistic services each evening of the week through October 21st. Evening services will begin at 7:30.

Sunday morning worship services begin at 11 a.m. following Sunday School for all ages which begins at 9:45. There will be nursery care for infants through three years of age during every revival service.

Rev. Gene Jackson, pastor of Highland Hill Baptist Church in Tacoma will be the guest Evangelist. He is a graduate of New Orleans Baptist Theological Seminary.

Mr. Don Henning, 1520-1/2 South Pine St., Tacoma, will be the guest music director, according to Rev. George Hill, the pastor.

Rural-Suburban Council Elects Local Officers

Rollin C. Miller, Firgrove poultryman, was elected president of the Pierce County Rural-Suburban Council during the recent annual meeting of the group. Elected to serve with Miller include Harold C. Olson, vice-president, from Waller Road; Mrs. Robert Jordna, secretary, from Midland; and Mrs. Lyle Parker, Collins and Warren Bjerge from Fife, board members at large.

Reports from Study Committees included outstanding educational programs in hyway land condemnation, civil defense, youth, family living, dairy marketing and housing, livestock marketing, mineral rights, forest product utilization, poultry marketing and cost of production studies, horticultural management and many others.

During October and November, the Rural-Suburban Council will determine priorities for 1963 programs. Study Committees are busy preparing recommendations to the Council.

Anyone interested in the work of the Rural-Suburban Council may get more information from the county agents' office, 742 County-City Building, Tacoma, Washington.

Howdy Partners

Party-dance night is planned by the Howdy Partners for October 11th at 8 p.m. at the Fruitland Grange.

The president, John Mitchell, will take charge of the evening schedule of dancing.

Let Me Tell One: Voting Studies Start

Beginning this week in the Times Journal is a series of legal notices presented by the Secretary of State to acquaint voters with propositions to be voted on in the November election.

Each of these propositions has its supporters and its detractors.

About one hour's time should be spent by each voter in studying the propositions to learn what each is about and to make up his mind on his own judgment about each.

An informed voter is a good voter and will usually make the choice which will be best for his area in the long run.

It is an axiom of politics that uninformed voters tend to vote 'No' on anything they do not understand and

therefore if you want to defeat something make it sound so complicated that the general public throws up their hands and votes 'No'.

The same reasoning goes for individual candidates. The general public, failing to become informed, generally pulls the lever for the familiar name on the ballot, saying "he must be all right, he's been there for years."

Failure to get the facts, sir and ma'am, will keep you uninformed. You can't make a good judgment: about someone you don't know.

The right to vote is not without obligation. No privilege is given to anyone without an accompanying responsibility.

For voters, the responsibility of accepting the franchise to choose your representatives and your laws requires that you become informed and vote according to your best judgment.

Take the time to find out about the issues and the candidates. Then when you go into the voting booth you can pull most of the levers with the confidence comes of study.

And, when elected officials do something which you don't think is right and proper, then you can complain and know that you haven't forfeited the right to complain through apathy.

Most of the dictatorships of the world have been built up on the apathy and lack of knowledge of the electorate in their countries.

FIRE PREVENTION WEEK — John Farren, right, chief of the Spanaway Fire Department, presents some of the helps to students made available throughout the country by fire department. to Richard J. Fraser, principal of the Spanaway Grade School. The week of October 7 through 13 is annual Fire Prevention Week.

Summit News

Yes, the days are drawing nearer and preparations are well under way for the annual event in the Summit Area, the Methodist Church Bazaar. Each pre-bazaar workshop is being held at the Fulkerson's. You are urged to attend and to bring a sack lunch. Coffee will be served.

There is a need for detergent bottles of any size and shape, also useable toys that your children have tired of. For pick-up of these articles, call Mary Graham at LE 7-6265.

Everyone is asked to mark November 2 and 3rd as days they won't pass by, the days of the Church Bazaar.

A rummage sale will be held October 15, 16, 17th at 1113 Tacoma Avenue. If you have donations of clothing, household items or anything of this sort, please call Maybelle Bixby, TH 5-1804 or Muriel Ralph, LE 7-8476 for pickup. A work party for the church rummage sale will be held at Maybelle Bixby's home after the WSCS meeting on October 11th.

Due to the fault of misinformation in the article regarding the Pre-school Mothers Club meeting last week, the speaker was Mr. Larry Kerwin and was a representative of the Fire Department. We regret this mistake and hope that it doesn't occur again.

NOTE--The baby-sitting classes that are scheduled to begin on October 20th are only open to boys and girls in the Summit-Collins area. Please watch this column for more information.

Consecration Sunday for the new sanctuary of the Summit Methodist Church will be October 28th at the 11:00 a.m. service. Guest speaker will be Bishop Everett W. Palmer. All members and interested people are urged to attend this church event.

The second in a series of articles written by William Rave in regards to the Youth Center:

"The Summit Youth Center Association has just completed its annual birthday calendar drive. This is a calendar upon which is inscribed the birth date of the purchaser (and family) complete with wedding anniversary. The calendar sells for \$2, and the proceeds go toward the operation and improvement of the Youth Center.

The sale this year was exceptionally successful, due mostly to the persuasive efforts of a highly competent sales force of 13, with the assistance of four expert typists -- and some others.

A total of 320 calendars were sold, plus a sale of 20 ads to Summit merchants and some others, all for which, thanks a lot. Also thanks to the magnificent support of the Summit community, and some others."

Margie Harte is doing better now after her accident in which she stepped on a nail and ran it into her foot. She's back to school now.

Joni Selden To Appear On Ted Mack Show

Joni Selden, the 9-year-old daughter of Mr. and Mrs. Wally Selden of 2016 South 109th St., well known for her acrobatic talent in the Tacoma-Seattle area, will appear on the Ted Mack Amateur Hour Sunday, October 14th at 5 p.m. on Channel 7.

One of the 18 chosen from the 2,000 talented Northwest people who auditioned for the show, Joni's appearance on Sunday will be the taped result of her performance before a live audience at the World's Fair Opera House Sept. 23rd. Sunday's Show will originate from New York.

In her four years of show business, little Miss Selden has acquired an impressive collection of trophies and awards. Talented as a dancer as well as an acrobat, she won the "Aggragate Cup" in Scotch Highland Dancing last May in Seattle, as well as the Gold Medal in the Sword Dance and the Silver Medal in the Flung. She was named the Grand Winner of the Annual Children's Talent Contest at the Boeing Airplane Co. last May and received the Mrs. Wm. M. Allen trophy.

Joni Selden

She has been a student life-long residents of the Parkland area. Joni's grandmothers, Mr. and Mrs. Eric E. Selden have resided here for nearly 50 years. Joni's grandmother designs all of her costumes.

Canyon Road News

The regular meeting of the Canyon Road Community Club will be held Thursday Oct. 11th at 8 p.m. in the Canyon Road Community Club, East 80th and Canyon Road.

The Canyon Road Garden Club will meet Wednesday, Oct. 17th at 7:30 p.m. in the Community Hall, East 80th and Canyon Road. Mrs. Mabel Niquette will give a talk on horticulture. A surprise program is being planned. Hostess for the evening will be the Mesdames Anna Eldred, Ella Rowe and Phae Crowell.

Word has been received of the passing of a former resident of Canyon Road, Mrs. Naomi Dungey. She was a member of our Canyon Road Ladies Auxiliary and Garden Club. A painting by her is hung on the club walls. She is survived by four daughters, one son, a brother in England and a sister, Miss Catherine Bennett, with whom she made her home in Fircrest. She was a retired medical doctor.

Mr. and Mrs. Ronald Hopkins of East 72nd St. were host and hostess last Sunday for a family dinner celebrating the birthday of Mrs. Hopkins' mother, Mrs. Carl Arneberg. Wishing her many happy returns were her husband, Mr. Arneberg, her sons and their wives, Mr. and Mrs. Robert Arneberg, Mr. and Mrs. Richard Arneberg, Mr. and Mrs. Donald Arneberg and her daughter and son-in-law, Mr. and Mrs. Bruce Anderson and nine grandchildren and Mrs. Arneberg's mother, Mrs. Sophie Johnson.

The Latterell's of Canyon Road, Mr. and Mrs. Royal Latterell, sons Loren and John, Mr. Mike Latterell and daughter Charlene and son Mike went to Wenatchee over the weekend to attend the marriage of Miss Sharon Latterell, daughter of Mr. and Mrs. Howard Latterell.

Mr. Jhn Andrews (Rusty) son of Mr. and Mrs. John Andrews of Canyon Road is home after serving three years in the Navy. He was aboard the submarine Blue Gill for one year and two years on the USS Coral Sea. His last tour of duty took him to the Philippines, Hong Kong and Japan. He hopes to go into the merchant-marines and then to the Maritime Academy in California.

Mr. and Mrs. Donald Walker, Shannon, Jeff and Melodie, and Sheri McCann all of Canyon Road spent the weekend in Portland where they visited Mr. Walker's mother, Mrs. Nola Walker, his sister and brother-in-law, Mr. and Mrs. Manny Davis and Mrs. Walker's grandmother Mrs. Norbeck.

Your Growing Garden

Harriet Kennedy

There is an age old tradition that crops and plants grow best when farmers and gardeners plant "by the moon." Unfortunately modern living and Puget Sound climate so often interferes with this kind of schedule. Work or important events interrupt or it rains. Mostly it rains. A recent scientific report may help solve the problem of it raining in conjunction with planting dates. With this new discovery, we may at least be able to plan ahead.

Scientific research and weather records were combined revealing that rains can be expected near the middle of the first and third weeks of the moon month. Most often on the third and fifth day after both the new and full moon. Weather records show markedly dry periods on the second and fourth quarter. The report also states that weather patterns, like the stars, "incline but do not compel."

Well, it is raining as I write this column the first week of the new moon. It is traditional to plant all above ground plants at this time, from the first quarter to full light of the moon. So now we know - keep the rubber boots and rain coat handy and rush out between showers.

Below ground crops are planted as the moon wanes to the last quarter. Midway in this period is the date for transplanting and pruning. Weed pulling and cutting is done during the dark of the moon.

This is, of course, just a rule of thumb guide, apparently one can study all of the complications for more accurate planning. We can also get real complicated about the other factors that are involved with good soil husbandry which are of much greater importance to the success or failure in farming or gardening. There are other ways to get rid of weeds. Changing the PH and nutrients in the soil will do wonders. For example, a weedy lawn is a hungry lawn, thistles indicate a need for nitrogen, and so on. Drainage practices are necessary in some cases. Other weeds indicate a need for more humus. Natural rock agricultural minerals are of great aid. Fertilizers, compost and planting to crowd out weeds will often do the job. Because plants in this area don't go through a complete dormancy, fall fertilizing, with the exception of nitrogen, and the application of compost will give a head start and strengthen lawns and plants instead of the weeds that

are primarily predominate in the spring and summer. Repeated tilling is beneficial in some cases. Cutting at the time their sap is rising will make some of them "bleed" to death. Cutting them before they go to seed is a sensible practice too. Mulching is a big help in preventing them in the first place.

If the soil and air are too cold and wet even good seed will damp or not germinate no matter how favorable the moon sign is. Sandy soils heat first in the spring, then sandy loams, last the clay soils warm up. Conversely, fall plantings have an easier time in clay soils. Incorporating lots of humus (compost), and top mulching helps even out temperature variances throughout the year in all soil types. Planting cool weather crops too late in the spring or too early in the fall causes trouble too. There is a time to plant everything. Actually Mother Nature is productive and generous. As long as we cooperate with her basic principles, the earth will respond with abundance.

Several readers have requested a column on pruning and the follow up column on house plants with notes on African Violet culture so that's what we'll have in the next two columns.

Whether there is or is not something to do, you are always doing something.

a - Wondering and a - Wandering

With Jack Brown

The other day while doing a slow cruise down Pacific Avenue, in the Parkland area, I happened to give some thought to the fact that behind each store front was a man whom I could call a personal friend. . . . and some hard working gals, too. One thought came to mind that did disturb me however. As I passed each place of business I kept thinking that the man I knew therein was somewhere near my age. Most of these businesses came into being back some 15, 16 or 17 years ago, each founded by some energetic young fellow in his twenties or maybe early thirties. These businesses have prospered and grown thru the years and community support has proven the merit of establishing a business in this area.

One thing bothers me however. Where are the young men of today in their twenties who should even now be founding new businesses in between those existing along the avenues?

Perhaps the trouble lies in lack of experience and restrictions on our youth. Each of my friends who started businesses here in Parkland I know, like myself, had a varying amount of experience before selecting the type of business they wished to establish.

I'll give you a rundown on some of my past experiences prior to becoming a Parkland business man just to give you an idea of the background of most of these businessmen along the avenue today, for I know, for a fact, that nearly to a man they have similar backgrounds.

Until the day I arrived in Parkland with all my family and worldly possessions stuck in a rental truck and an old 32 Chev, to enter the bicycle business (Parkland Cycle Shop), I had picked up a little knowledge from the following sources: newsboy, selling papers on Seattle street corners and hawking extras; selling subscriptions door to door, presumably working my way thru college; firing a boiler in the old mill at Port Ludlow; peeling spuds and washing dishes on a fishing boat; pearl diving in a lower first avenue fishery, in Seattle; painting cars in Indiana; doing janitor work in a Chicago Theatre and occasionally subbing for an usher; driving truck in the Chicago Produce Mart; working in a mine in Holden; splitting wood for a donkey engine; bicycle messenger for Western Union; motorcycle rider for Western Union; trick motorcycle riding during intermission in a skating rink in Seattle; entering a few motorcycle races and stock car races; doing a flaming wall crash act; picking hops in Wapato; digging spuds in Pateros; house cleaning in Marion Indiana; driving instructor in Seattle; operating my own garage in Ellensburg; picking olives in the Sacramento Valley; cutting oak fire wood in Pleasantville, Cal.; cutting tie logs at Gibbs Lake; trapping along Olney creek in Goldbar; working on a dairy in Goldbar; picking raspberries in Startup; worked in a cycle shop in Seattle; operating surplus business in Seattle with a partner; washing cars in Seattle; pickup man for a Seattle garage; apple knocker in Chelan; a hitch in the Navy that ran the gauntlet from driving truck to getting shot at; working in a ski lodge; peeled enough cascara bark to keep everyone in Tacoma regular for a year; cut and racked enough fire wood to heat Tacoma for a month; drove a tractor, plowing etc on a farm; had my own messenger service with 21 employees working for me at one time; and a few other things I can't recall on the spur of the moment like being a chauffeur for Dave Beck (that one I'd just as soon forget). I bring this out not in any form of braggadocio but only to impress on you the opportunity a young man had to pick up experience a few short years ago. When I came to Parkland I had a little something besides book learning to fall back on. Businessmen along the avenue can match experience stories with me any day and in many cases top this list by a long shot, but this for some reason seems to be the background necessary to stimulate the urge to go into business for oneself, else how do you account for the lack of initiative in new business today?

The average young person today thinking of entering the business world and with the mentality to do so is first faced by the horrible fact that theirs is usually experience gained only by reading and studying. The college of hard knocks has pretty well closed its doors to today's youth. Red tape and restrictions on juvenile employment have hobbled the business man of today to the point that many would rather do the work themselves than go thru with it just to be able to give some young person a chance.

Today the thought of working for nothing to gain knowledge is practically unheard of and in many cases as this publishing business, actually prohibited by law.

The point behind this long winded bit is just this . . . in every city you can see living proof of the fact that unless we are to escape monopoly in nearly every line we must remove the fetters from our young people. We're literally smothering them in protection.

Perhaps in the days when I was working from \$16.00 per week and putting in 48 to 50 hours to earn it, I was being victimized but if so it certainly failed to hurt me. As I look back over the past long list of employers who have given me an opportunity to make a buck or two and pick up some little bit of additional information, I can do nothing but feel thankful towards them and say welcome to every nickel they made off my efforts. At least they gave me an opportunity which is more than our society is giving our young folks today. ****

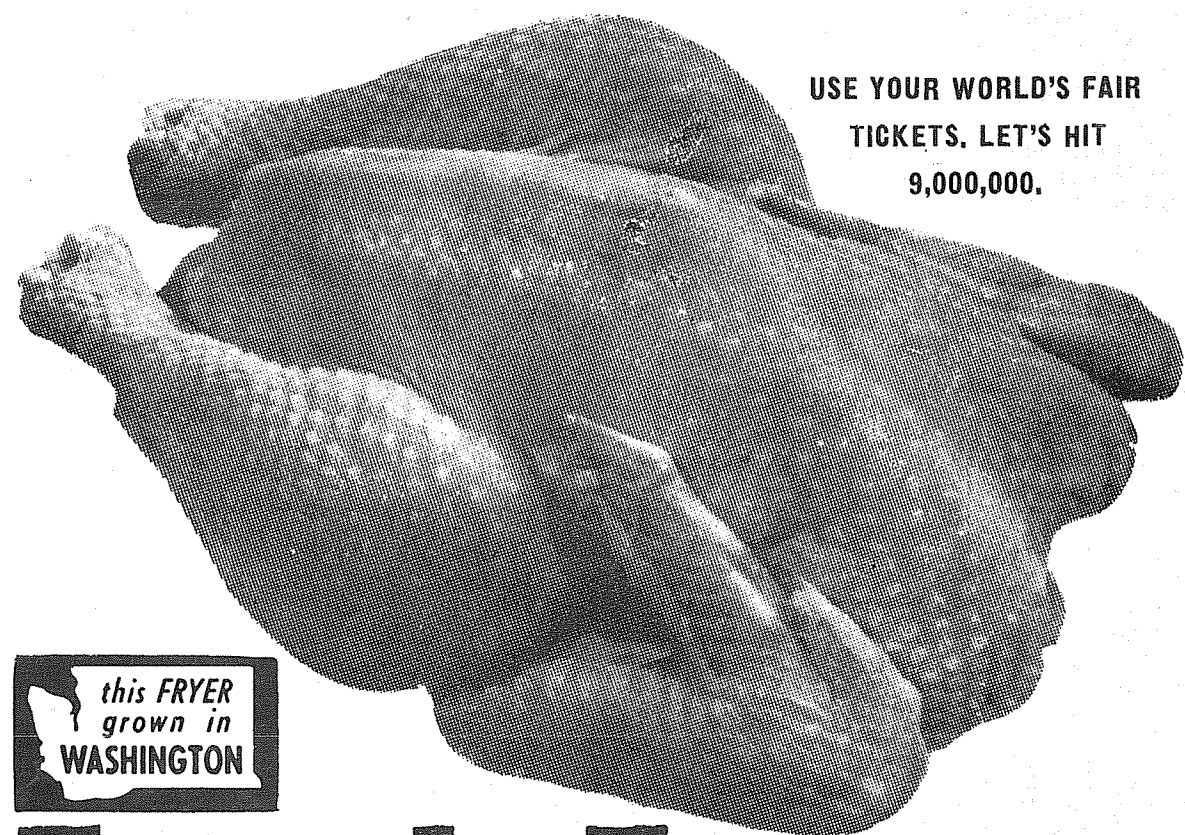

Yesterday as I trudged some 7 to 9 miles out of the Oregon mountains in freezing rain, leading my horse loaded down with what looked like a plane wreck going someplace to happen, I couldn't help thinking if it wasn't possible for a person to overdo this father bit to stimulate kids interest and then too, as frost bit nipped at my face and I turned blue with the cold right down to my toes I couldn't help but wonder what you safe and sane armchair pilots were doing.

Maybe a little more participation with your kids and a little less armchair might have some effect on the ultimate outcome of the achievements of American youth. Think it over.

By Mrs. Oliver Omat...
Spanaway News
Spanaway Grandmother's Club will meet Thursday, Oct. 18th at 1 p.m. at the Spanaway Fire hall.
Mrs. George Schnelle and A. Smith will be hostesses. Officers elected at the last meeting were Mrs. A. Smith, President; Mrs. Emerson Tarpenning, Vice President; Mrs. Lorien Buck, Treasurer and Mrs. Oliver Omat, Secretary.

Mr. and Mrs. Ray Turner left Sept. 16th for a well earned 16-day vacation which took them over 5,600 miles. The trip took them through Idaho, Montana, Wyoming, South Dakota, where they visited Mt. Rushmore, then to Nebraska, Independence, Kansas where they visited Mrs. Turner's aunt, Mrs. W. O. Brice for three days, then visited cousins in Chickasha, Kansas.
They visited Ft. Still where Mr. Turner had been stationed years ago. He was amazed at its size now. They also went to Taos, New Mexico, and to Colorado Spring where they saw Sgt. and Mrs. Humphrey, (former residents of this area).
Other interesting cities included on their trip were Salt Lake City, Vernal and Winna-Mucca.
On the way home, they visited Mr. and Mrs. Cecil Kay in Portland, cousins of Mr. Turner.

Miss Caludette Fueston recently returned to Provo, Utah, to attend the Brigham Young U. She spent the summer with her parents, the Wm. Fueston's.

Elk Plain News

The Elk Plain Girls 4-H Club held their meeting on Sept. 26th at the home of Mrs. Dave Parker. Mrs. Parker is the club leader. Record books were completed and the club bought five shares of I.F.Y.E. (International Farm Youth Exchange) Bonds. Martha Hovey, Junior Leader and Club member, placed third at State 4-H Fair at Yakima in Dress Review. Congratulations and best wishes to Martha on her accomplishment.

The Oct. meeting of the Elk Plain P-TA will be held on Wednesday, Oct. 17th at 8 p.m. in the all purpose room at the school. The speaker for the evening will be Mrs. Stanley Wood.

All P-TA members are requested to wear their membership tags, and there will be a kiss for each paid member present.

Mrs. Wallins, 6th grade, will serve refreshments and hospitality.

The Elk Plain Junior Rifle Club will hold its first fall meeting at the Elk Plain Grange Hall on Thesday, Oct. 16 at 8 p.m. New members will be welcomed at the meeting. Everyone in the community interested in the Rifle Club and its activities are welcome to attend. It is hoped that many of the parents will participate in the administration of the club. Hope to see you there.

Social night will be held at the Elk Plain Grange Hall this Friday at 8:30 p.m. Prizes and surprises are in store for you lucky people. Bring a friend or neighbor with you for an evening of fun.

Recent visitors at the home of Mr. and Mrs. Tom Simms of Elk Plain were his parents, Dr. and Mrs. D. M. Simms, from Albuquerque, New Mexico. Dr. Simms attended the Medical convention in Spokane.

Abolishing Restrictions on Land Ownership

Proposed Amendment to the State Constitution

to be voted on NOVEMBER 6, 1962

OFFICIAL BALLOT TITLE

Senate Joint Resolution No. 21
ABOLISHING RESTRICTIONS ON
LAND OWNERSHIP

Shall the constitutional restriction upon the ownership of land in the State of Washington by certain non-citizens be removed by repealing Section 33, Article II, as amended by Amendments 24 and 29 of the State Constitution?

VOTE CAST BY 1961 STATE LEGISLATURE ON FINAL PASSAGE:
SENATE: 49 members—41 Yeas; 6 Nays; 2 Absent or not voting
HOUSE: 99 Members—90 Yeas; 0 Nays; 9 Absent or not voting

EXPLANATORY COMMENT

Issued By The Attorney General As Required By Law

THE LAW AS IT NOW EXISTS:

The State Constitution now prohibits the ownership of certain land by certain non-citizens.

Ownership of land in this state by non-citizens who have not declared their intention to become United States citizens is prohibited, except where acquired by inheritance, under mortgage or in good faith in the ordinary course of justice in the collection of debts.

The prohibition does not apply to Canadian citizens of those provinces which do not prohibit the ownership of provincial lands by citizens of Washington, nor to non-citizens owning land through a corporation. In addition, the prohibition does not cover lands containing certain minerals and necessary land for mills and machinery to be used in developing those minerals and in manufacturing products from such minerals.

EFFECT OF SENATE JOINT RESOLUTION NO. 21 IF APPROVED INTO LAW:

The passage of the proposed constitutional amendment would repeal the existing constitutional prohibition against ownership of lands by non-citizens.

Voters' Pamphlet—Publication and Distribution

Proposed Amendment to the State Constitution

to be voted on NOVEMBER 6, 1962

OFFICIAL BALLOT TITLE

Senate Joint Resolution No. 9
VOTERS' PAMPHLET—PUBLICATION
AND DISTRIBUTION

Shall Article II, Section 1, Amendment 7 of the State Constitution which presently directs the Secretary of State to send each registered voter a copy of the voters' pamphlet (a publication containing the laws and constitutional amendments referred to the people together with arguments for and against each measure) be amended so as to require only mailing to each individual place of residence, together with such other distribution as the Secretary of State deems necessary?

VOTE CAST BY 1961 STATE LEGISLATURE ON FINAL PASSAGE:
SENATE: 49 Members—44 Yeas; 1 Nay; 4 Absent or not voting
HOUSE: 99 Members—88 Yeas; 1 Nay; 10 Absent or not voting

EXPLANATORY COMMENT

Issued By The Attorney General As Required By Law

THE LAW AS IT NOW EXISTS:

Presently, our State Constitution requires the Secretary of State to send one copy of the voters' pamphlet to each registered voter.

EFFECT OF SENATE JOINT RESOLUTION NO. 9 IF APPROVED INTO LAW:

The proposed constitutional amendment requires the Secretary of State to send one copy of the voters' pamphlet to each individual place of residence (instead of to each registered voter) and further requires that he make whatever additional distribution he deems reasonably necessary to provide each registered voter an opportunity to study such pamphlet.

School Districts: Increasing Levy Periods

Proposed Amendment to the State Constitution

to be voted on NOVEMBER 6, 1962

OFFICIAL BALLOT TITLE

Substitute Senate Joint Resolution No. 1
SCHOOL DISTRICTS:
INCREASING LEVY PERIODS

Shall the State Constitution be amended to permit school district voters to authorize tax levies in excess of the 40-mill limit at a specified maximum rate for up to four years for operations and/or capital outlay, if the proposition or propositions be approved by a three-fifths majority, and the number of voters voting thereon constitutes not less than forty percent of the votes cast at the last preceding general election in such district?

VOTE CAST BY 1961 STATE LEGISLATURE ON FINAL PASSAGE:
SENATE: 49 Members—42 Yeas; 1 Nay; 6 Absent or not voting
HOUSE: 99 Members—92 Yeas; 2 Nays; 5 Absent or not voting

EXPLANATORY COMMENT

Issued By The Attorney General As Required By Law

THE LAW AS IT NOW EXISTS:

Article VII, section 2, Amendment 17, of the State Constitution (commonly known as the 40-mill limit provision) limits the aggregate of property tax levies by the state and taxing districts, including school districts, to forty mills on the dollar of assessed valuation, except that the voters of a taxing district, under certain specified conditions, may authorize the following levies in excess of the 40-mill limit:

- An excess levy for one year.
- Excess levies sufficient to meet the required annual payments of principal and interest on general obligation bonds issued solely for capital purposes, other than the replacement of equipment, or to refund such general obligation bonds.

In each case, the proposition must be approved by a three-fifths majority of the voters at an election where the number of persons voting constitute not less than forty percent of the total number of votes cast in such taxing district at the last preceding general election.

There are further limitations as to the number of such propositions and the time within which they may be submitted to the people.

EFFECT OF SUBSTITUTE SENATE JOINT RESOLUTION NO. 1 IF APPROVED INTO LAW:

The proposed constitutional amendment would add a new subsection additionally permitting school district voters to authorize, at a single election, tax levies in excess of the 40-mill limit for a specified number of years, not to exceed four years, for either operations or capital outlay purposes, or both. Such propositions would be subject to the same percentage requirements for voter approval as now govern excess levies.

No school district would be permitted to submit to the voters a proposition to authorize additional levies under the new subsection for any year for which the voters have previously authorized an excess levy under this subsection for the same purpose. However, under certain specified conditions, a school district could submit to the voters at any time a new proposition for the same purpose as a substitute for a prior excess levy authorization made under this subsection.

Temporary Performance of Judicial Duties

Proposed Amendment to the State Constitution

to be voted on NOVEMBER 6, 1962

OFFICIAL BALLOT TITLE

House Joint Resolution No. 6
TEMPORARY PERFORMANCE OF JUDICIAL
DUTIES

Shall Article IV of the State Constitution be amended by adding a new section providing that when necessary for the prompt and orderly administration of justice a majority of the supreme court is empowered to authorize judges or retired judges of courts of record in this state to perform, temporarily, judicial duties in the supreme court, and to authorize any superior court judge to perform judicial duties in any superior court of this state?

VOTE CAST BY 1961 STATE LEGISLATURE ON FINAL PASSAGE:
HOUSE: 99 Members—74 Yeas; 0 Nays; 25 Absent or not voting
SENATE: 49 Members—45 Yeas; 0 Nays; 4 Absent or not voting

EXPLANATORY COMMENT

Issued By The Attorney General As Required By Law

THE LAW AS IT NOW EXISTS:

Our State Supreme Court is composed of nine judges who are the only persons authorized to perform judicial duties in the Supreme Court.

Under the constitution, any Superior Court judge may hold a Superior Court in any county of the state at the request of the judge of the Superior Court of such county, and, upon the request of the governor, it shall be his duty to do so.

In addition, by statute, the Chief Justice of the State Supreme Court is authorized to direct any Superior Court judge to hold Superior Court in any county of the state.

EFFECT OF HOUSE JOINT RESOLUTION NO. 6 IF APPROVED INTO LAW:

The proposed constitutional amendment would add to our constitution a provision empowering the State Supreme Court, by the approval of a majority of its members to:

- Authorize any judge or retired judge of a Superior Court or any retired judge of the Supreme Court to perform judicial duties on a temporary basis in the State Supreme Court whenever it is necessary for the prompt and orderly administration of justice.
- Authorize any Superior Court judge to perform judicial duties in any Superior Court of this state.

Qualifications of Voters

Proposed Amendment to the State Constitution

to be voted on NOVEMBER 6, 1962

OFFICIAL BALLOT TITLE

House Joint Resolution No. 19
QUALIFICATIONS OF VOTERS

Shall Article VI, Section 1 of the State Constitution relating to qualifications of voters be amended to reduce the periods of state and county residence required for voting at all elections; eliminate disqualification from voting by Indians not taxed, and allow citizens intending to make this state their permanent residence to vote for presidential electors or President and Vice-President of the United States, after sixty days' residence?

VOTE CAST BY 1961 STATE LEGISLATURE ON FINAL PASSAGE:
HOUSE: 99 Members—90 Yeas; 4 Nays; 5 Absent or not voting
SENATE: 49 Members—35 Yeas; 12 Nays; 2 Absent or not voting

EXPLANATORY COMMENT

Issued By The Attorney General As Required By Law

THE LAW AS IT NOW EXISTS:

Presently, in order to be entitled to vote a person must be at least twenty-one years of age; be able to read and speak the English language; be a citizen of the United States; have lived in the state one year, in the county ninety days, and in the city, town, ward or precinct thirty days immediately preceding the election at which such person offers to vote. *Those Indians who are not taxed are prohibited from voting.

* (Note: While the supreme court has not interpreted this prohibition, the attorney general of Washington as early as 1916 and as late as 1938, concluded that Indians who are citizens are entitled to vote like other citizens under the 15th Amendment to the U. S. Constitution which provides, in part, that the right of any citizen to vote shall not be denied or abridged by any state on account of race. These opinions have been followed by the secretary of state and other election officers of this state for many years.)

EFFECT OF HOUSE JOINT RESOLUTION NO. 19 IF APPROVED INTO LAW:

The proposed constitutional amendment would reduce the period of state and county residence required for voting to six months in the state and thirty days in the county.

*The prohibition against voting by Indians would be eliminated. (*See note above.)

In addition, those persons who can meet all the qualifications for voting except for residence and who shall have resided in this state at least sixty days immediately preceding a presidential election with the intention of making this state their permanent residence, shall be entitled to vote in such election for presidential electors, or on the office of President and Vice-President of the United States, as the case may be, but for no others.

Governmental Continuity During Emergency Periods

Proposed Amendment to the State Constitution

to be voted on NOVEMBER 6, 1962

OFFICIAL BALLOT TITLE

House Joint Resolution No. 9
GOVERNMENTAL CONTINUITY DURING
EMERGENCY PERIODS

Shall Article II of the State Constitution be amended by adding a section empowering and directing the legislature to provide a method of temporary succession to elective and appointive offices when because of an emergency resulting from enemy attack the incumbents are unavailable to act and further empowering the legislature to depart from certain constitutional provisions if, in discharging this duty, the emergency renders compliance impracticable?

VOTE CAST BY 1961 STATE LEGISLATURE ON FINAL PASSAGE:
HOUSE: 99 Members—78 Yeas; 0 Nays; 21 Absent or not voting
SENATE: 49 Members—46 Yeas; 3 Nays; 0 Absent or not voting

EXPLANATORY COMMENT

Issued By The Attorney General As Required By Law

THE LAW AS IT NOW EXISTS:

This state has no laws specifically designed to fill temporary vacancies in the various public offices or to otherwise provide for the continued operation of state and local government during a period of emergency resulting from enemy attack. The power of the legislature to enact such laws is limited by the provisions of the State Constitution which cannot be superseded by an act of the legislature.

EFFECT OF HOUSE JOINT RESOLUTION NO. 9 IF APPROVED INTO LAW:

The proposed constitutional amendment empowers and directs the legislature to immediately provide for the continued operation of state and local government during periods of emergency resulting from enemy attack by prescribing a method of temporary succession to elective and appointive public offices of whatever nature should the incumbents and their legal successors become unavailable.

In addition, the legislature is empowered and directed to enact such other measures as may be necessary and proper to further insure the continued operation of government during such emergencies.

During a period of emergency caused by enemy attack, the legislature is authorized to deviate from certain specified constitutional provisions if, in its judgment at the time of such emergency, conformance to such constitutional provisions would be impracticable or cause undue delay in providing for the continuance of governmental operations.

There are further limitations as to the number of such propositions and the time within which they may be submitted to the people.

EFFECT OF SUBSTITUTE HOUSE JOINT RESOLUTION NO. 1 IF APPROVED INTO LAW:

The proposed constitutional amendment would add a new subsection additionally permitting city and town voters to authorize, at a single election, tax levies in excess of the 40-mill limit for a specified number of years, not to exceed four years, for capital outlay purposes, only. Such propositions would be subject to the same percentage requirements for voter approval as now govern excess levies.

No city or town would be permitted to submit to the voters a proposition to authorize additional levies under the new subsection for any year for which the voters have previously authorized an excess levy under this subsection for the same purpose. However, under certain specified conditions, a city or town could submit to the voters at any time a new proposition for the same purpose as a substitute for a prior excess levy authorization made under this subsection.

Issued By The Attorney General As Required By Law

THE LAW AS IT NOW EXISTS:

Section 1, Article XXIII of the State Constitution presently requires that the text of each proposed constitutional amendment be published in some weekly newspaper in every county where a newspaper is published for three months immediately prior to the election at which the proposed amendment is to be voted upon.

EFFECT OF SENATE JOINT RESOLUTION NO. 25 IF APPROVED INTO LAW:

The proposed amendment would amend Section 1, Article XXIII, of the State Constitution so as to require instead that notice of the proposed constitutional amendment be published in every legal newspaper in the state at least four times during the four weeks immediately preceding the election at which the proposed amendment is to be voted upon.

TACOMA, Wash. (Special) --Pacific Lutheran University's Knights will be seeking their first Evergreen Conference victory under the guidance of first-year coach Roy Carlson Saturday afternoon when Eastern Washington State visits Lincoln Bowl. Kick-off is 1:30 p.m.

The youthful Lutheran's own a 1-2 record to date, while Eastern is winless in its three outings.

A 33-yard field goal by Jim Mancuso spoiled PLU's bid for a tie with rival University of Puget Sound last Saturday as the Loggers pulled out a 10-7 victory in the final five minutes. The powerful running of junior fullback Keith Shahan, who scored the lone Knight touchdown on a 1-18 yard plunge, was a bright spot in the offense. Shahan

gained 68 yards in 19 carries. The game also marked the return of quarterback Garry Nevvers and guard Norm Juggert, both sidelined with injuries. The Knights are expected to be at full strength this weekend.

Both clubs have yet to discover their offensive machines. PLU is still looking for its "big" game. The Knights are averaging 84.7 yards per game rushing, and 67.7 yards per game passing. Meanwhile, a stubborn defense has limited the opposition to 270 net yards per contest.

In the rushing department Shahan has gained 178 yards (59.3 game average). Shahan, who scored the lone Nevvers has completed 9 of 18 for 122 yards (61.0 average) in the firing department. George Vigeland

is the leading pass receiver with 5 catches for 47 yards. Freshmen Jim Pederson and Bob Hoey follow with 4 each, with Hoey covering 81 yards. Nevvers also leads in punting with a 32.9 yard average for 10 punts.

Carlson is expected to open the EWSC game with the following lineup: Ends Mike Smith and Vigeland; Tackles John Aune and Ed Brannfors, Guards Dave Olson and Juggert; Center Craig Knutzen; Quarterback Nevvers, Halfbacks Bob Hoey and Jim Pederson; and Fullback Keith Shahan.

Post 228 Meets Oct. 11th In Sunshine Hall

Commander Connie Lawson and President Gladys Lawson cordially invite all members and friends to the October 11th meeting in the Sunshine Hall at 8 p.m. This meeting is being held to honor the American Legion Baseball Team and coach Bud Gulusha. We are very proud that they placed 2nd in the Summer League. Harriet Fix and Lynn Still Aux. Girl Staters will give their reports at this meeting. Bob Gunther, the Boy Stater will also report his activities.

Connie Lawson has announced his Chairmen for the coming year, who are: Americanism: Mel Van Liew; Athletics: Glen Galbreath; Boys State: Frank Berry; Child Welfare: A. L. Macky; Community Service: Walter Fritz; Education: Frank Berry; Legislation: Sev Kittleson; Membership: Ken McReynolds; National Security: Sam Carta; Rehabilitation: Sev Kittleson.

Vicky Vollbrecht 4-H Club President

Vicky Vollbrecht was elected president of the Benston 4-H Club at its last meeting. Other officers included Vice President, Kathy Dean, Secretary, Terry Tomchick, Treasurer, Ronnie Dean, Reporter, Maureen McClure, Telephone Chairman, Debby McClure and Social Chairman, Christine Scott.

Guy Norman will be the leader for the coming year, assisted by Mrs. Paul Tomchick and Mrs. James McClure. Pam Vollbrecht will be the Junior Leader. Anyone wishing to join is advised that the club will be working entirely with dairy projects, and children must be accompanied to their first meeting by a parent. Also, they must furnish their own transportation to meetings and fairs.

The first meeting will be held October 15th.

Creative Dance For Tiny Tots

New classes at the South Park Community Center this fall include a creative dance class for the tiny tots. Pre-school children will have an opportunity to participate with others of their own ages, under the instruction and guidance of Miss Carolyn Glass, a student at PLU, who teaches ballet at the center. The interpretive dance group is aimed at encouraging imagination and developing creativity. Familiar stories set to music will be dramatized while the children learn creative movements.

For further information attend class at 10 on Saturday morning, Oct. 13th and enroll your child or call GR 2-0443.

Bridge classes, for both beginners and advanced, will start Wednesday evening, Oct. 10, from 7 to 9 p.m. for a six-week period.

Improvement Club To Discuss Zoning

The Midland Improvement Club will hold its monthly meeting on Wednesday evening, October 10th, at 8:00 p.m., at the Midland Improvement Club Hall. Discussion will be held on the zoning of the property between McKinley and Portland Avenues and 85th to 96th Streets. On hand to answer questions will be Robert Eveleigh from the Planning Commission, Pat Gallagher and Harry Sprinker, County Commissioners, and also a representative from the Pierce County Health Department and a representative from the Pierce County Engineers' Office. All Midland residents are urged to attend.

The Midland P.T.A. meeting is to be held on Wednesday evening, October 17th, at 8:00 p.m., at the Midland School, with President Mrs. Bea Downs presiding. All parents are urged to attend.

A Seventy-fifth birthday party was celebrated by Mr. Martin Peterson, formerly of Midland, at the home of his daughter, Mrs. C. B. Smith. It was a reunion of old friends, whom he hadn't seen for a long time. Those who attended were Mr. and Mrs. Jack Olson, Mr. and Mrs. James Walker, Mr. Alex Huseby, Mr. and Mrs. Henry Teffre, Mr. Harold Wartenbe, Mr. Hienie Blaser, Mr. Herman Bolender and Mr. Charles Peterson.

Floyd Cook of Midland and Charles Moody, of East 72nd Street, enjoyed a wonderful hunting trip to Tsumiah Lake, out of Alexis Creek, British Columbia. Mr. Cook bagged his moose, which dressed out

at 596 pounds. The men left home on September 24th and returned on the 30th.

September 29th, the Midland Fire Department celebrated the 20th anniversary of the signing of their charter. Following a buffet supper, movies were shown of the department when it was first organized. There was discussion of the changes made over the years and reminiscing of many little incidents and happy memories for all the charter members present. The Auxiliary acted as hostesses, with Mrs. William Shanahan chairman, assisted by Mrs. Albert Bombardier, Mrs. Walter Olsen, Mrs. Richard Johnson, and Mrs. Edward Burness.

On Saturday, September 15th, the Kodawhah Camp Fire Group had a bake sale at the Midland Food Center. They earned \$12.50 which they used to pay for their membership dues. The girls in this group are Anna Becker, Deborah Cody, Judy Hansen, Ada Huffman, Wendy Leavitt, and Maxine Theno.

A potluck dinner and family reunion was held on Sunday, September 30th, in honor of James Wiley Cook's retirement from Wonder Bread Company, at the home of Mr. and Mrs. Harold L. Cook in Parkland. A decorated cake signifying a baker hanging up his apron was presented to the guest of honor, as well as other gifts. The celebration also honored the birthdays of Mrs. Lester Holbrook and Wiley Cook.

James Kenndy and Bill Hammar won second place in the Educational Demonstration at the Poultry Exposition held at Puyallup on Saturday, October 6th. The Senior Judging Team, consisting of Jim Kennedy, Russ Ganey, Robert Tschabold, and Darrell Peterson, placed second. The boys are members of Mrs. Ivy Hammar's Triple F 4-H Club. Numerous blue and red ribbons were earned by the boys on their poultry exhibits.

Roy News

The large turn-out of parents gave a lift to the new officers of the Roy P-TA at their first meeting. Mr. R. R. Mann was given a special thanks for her work in making corsages and boutonnières for the teachers and lovely centerpiece for the table. Following the business meeting Earl Solie, principal, explained the working of HJR 1 and SJR 1, constitutional amendments to be voted on in the November election. Solie explained the measure allows school districts to levy millages with voter approval, for one, two, three, or four years. This means less frequent elections and still maintains the 40 mill limit.

The community extends its sympathy to the family of James T. Harrison, a resident of the area for many years, who passed away recently.

Mix Master 4-H members went to lunch at the Top of the Ocean on Saturday noon and spent the afternoon at Pt. Defiance Park. This was a luncheon to celebrate the ending of their successful year of work. Those attending were Korinne Baldwin, Judy Corbin, Eleanor Truslre, Doug Corbin, Ricky James, Cindy Loveland, Jane Alender, Gail Reeder, Darlene Dale, Joe Dale, Al Berggren and Bob Berggren. The young people were accompanied by leaders Mrs. Eloise Corbin and Mrs. Elsie Berggren.

Be careful
Prevent loss
Save lives!

Protect your family and yourself... make it a habit to play safe with fire. A little care can save a lot in terms of human tragedy and serious property loss. Check your home for fire hazards... be careful with fire and flammables.

Some Common Questions Posed During Fire Prevention Week

"If there is a fire and you have pets, should you go back into the house for them?" — Helen Rita Kothe, St. Petersburg, Fla.
ANSWER: In case of fire, the most important thing to do is get out of the house and stay out. A Junior Fire Marshal should never enter a burning building for any reason. Leave rescue work to the firemen.

"How would you call the fire department if a fire happened in the room where the telephone is?" — Richard Couse, Oneonta, N.Y.
ANSWER: If you live in a city, go outside to the nearest fire alarm box. If there are no alarm boxes in your community, go to a neighbor's house and report the fire from there.

"Why should you walk instead of run when there is a fire drill?" — Steven Braun, Bergenfield, N. J.
ANSWER: If you run, you may fall and injure yourself. Also, if you fall, you may block the way of others behind you and create a panic.

"Should you replace an electric cord which has a double cloth insulation with the first layer worn off?" — Gary Scillian, Wheaton, Md.
ANSWER: Yes. If the first layer is worn off, the inside layer is probably dried out and will soon wear out, too.

"If a fire starts when you are taking a bath, what should you do?" — Brenda Jo Taylor, Arlington, Texas
ANSWER: Get out of the house as quickly as possible. Don't stop to look for your clothes. A robe or even a towel will do in such an emergency.

Waller Road News
Mr. and Mrs. George May of East 48th St. enjoyed a three weeks vacation in California. They visited with relatives in Livermore, Oakland and Sunnyvale, and spent a week with friends at Lake Tahoe and Squaw Valley.
A trip to the Ponderosa, the stage setting for the filming of the TV show "Bonanza" was a memorable occasion for the Mays. They also stopped at Carson City, Nevada before returning home.
Don't forget the rummage sale, sponsored by the Waller Road Grange Auxiliary at Grange Hall, Oct. 9-10-11--good clean rummage! The hall is located at 2708 East 64th St.

The Waller Road Garden Club will meet on the second Thursday of the month instead of the first Thursday, as had been the previous meeting night.
The October 11th meeting will be at 8 p.m. at the Waller Road Grange Hall. It is guest night, and members are urged to especially invite neighbors or friends to attend.
Mrs. Davies of Davies Floral will give a demonstrative talk on the growing and care of chrysanthemums.
Mrs. A. Victor Johnson will have a seasonal hint on horticulture to share with all.
Hostesses are Mrs. Woodrow Farrington and Mrs. H. Lynne Brown.

Waller Road P-TA will meet Tuesday, October 16th at the Multipurpose Room at the school at 8 p.m. with Mrs. Richard Frank presiding.
Flag presentation will be made by cubs of Mrs. James Olsson's den.
There will be a speaker on physical fitness in the Puyallup Elementary Schools.
Hostesses for the evening will be Mesdames Steven Rosenbloom, William Hoots, James Smith, D. Bullo and Bud Shonborg.

Mrs. Leonard Merkt of Vickery Road entertained a group of friends at a luncheon at her home, Wednesday, Oct. 4th.
The guests, former classmates at the Orting High School, class of 1941, spent a pleasant afternoon visiting and reminiscing. They were Mrs. Marguerite Preimesberger, Mrs. Alice Sulkosky and Mrs. Maxine Omundsen of Orting, Mrs. Louise Howard and Mrs. Grace Hentshell of Puyallup, Mrs. Joy Miko of Tacoma, Mrs. Ellen Karlson of Edgemont and Mrs. Barbara Ladwig of Canyon Road, and the hostess, Mrs. Doris Merkt.

Gathering huckleberry bouquets to add to bouquets to be given to invalids, was one of the many activities filling a recent weekend spent by the Ne-Ki-A-Ha, Waller Road Campfire Girls.
The outing was held at the summer place of the Carl Schulers on Mason Lake, Mrs. Schuler and Mrs. Arthur Weston, guardians for the Camp Fire

Brookdale P-TA
The Brookdale P-TA will be held on Wednesday, Oct. 17th, at 8 p.m. in the multipurpose room at Brookdale School.
The program will feature "Dad's Night." A physical fitness program will be conducted by Mr. James Jacobson, and Mr. Edwin Nelson, superintendent of Franklin Pierce School District, will call a square dance.
Hostesses will be the kindergarten mothers.

Group, accompanied them. A visit to the Capitol building and a climb to the dome, got the weekend off to a rowing start. (The elevator was not running at the time, girls didn't mind at all, but the stairs are steeper for those over 21).
On the trip to the Lake, penalties were given the girls for using other than Indian names, in their conversations. By the time they reached Shelton, their clothes were decorated with clothespins. It created an interest among the people in the store, where they stopped to purchase groceries for the weekend. A little explaining was in order.
To complete the planned activities, the girls went on trail marking hikes in the

hills and along the shore, participated in fire building, outdoor cooking, singing, boating, swimming and crafts. The girls were credited with 18 honors, and treasure happy memories.
