COUNTY COMMISSIONERS GET PLAN FOR SPANAWAY PARK DEVELOPMENT

Commission Proposes Area Changes

Local Graduates On UW Listings

More than 1,500 June graduates received bachelor's degrees at the 87th annual University of Washington Commencement exercises Saturday, June 9. This brought the year's total to more than 2,800 bachelor's degrees.

Graduates from the local area include the following: Eatonville: Donald Roy Smith, bachelor of science in civil engineering; David Lloyd Thomas, provisional general certificate; Fort Lewis: Robert Todd Ramsay, bachelor of science (mathematics); Graham, John A. Nilsen, doctor of medicine (medicine); Orting, Judith Ann Anderson, bachelor of science in nursing; Puyallup: Jack M. Crabs, doctor of medicine (medicine); Joell Lee McMurray, bachelor of science (dental hygiene); Carolyn Jean Moeck, bachelor of arts (political science); Judith Ann Wiemer, bachelor of arts (history) provisional general certificate.

The Pierce County Commissioners this week were presented with a tentative plan for the development of Spanaway Park and the surrounding property owned by the County.

Spanaway Park, comprising 280 acres near the southeast end of Spanaway Lake, would, under the proposal, be developed into a number of functional areas each having a distinct character as a part of the park. According to the proposal the plan advocates the creation of metropolitan park and recreational areas, with a recommendation for nearby high and low density residential areas and a commercial center serving the area under consideration.

The area which was studied is bounded on the south by 160th Street, on the east by A Street, on the north by 144th Street and on the west by the private property boundaries of the present county land. Among the recommendations being made to the Commissioners is the acreage north of Military Road to be set aside for day or organized camping. The bulk of the park south of Military Road is envisioned as activity areas including: two nine hole golf courses, a golf driving range; bowling green, tennis courts and a combined community center and golf club. The western part is the beach area with two bathing beaches and adjacent activity centers. The area adjacent to the southern cherry range and riding area.

In the proposal is a high density residential area east of Pacific Avenue from 160th Street to the 149th Street alignment on the north. It was recommended by the studying firm that the strip be developed into garden apartments.

The proposed location of the commercial area is at the intersection of Military Road and west of Pacific Avenue, on the northwest corner.

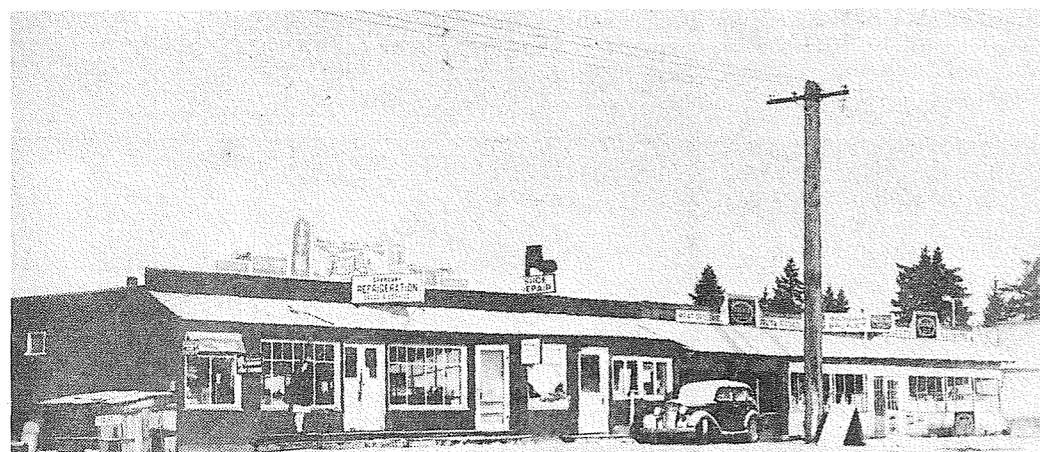

Freeway Bridging Bids On Pacific Open June 26

On Tuesday, June 26 in Olympia the Washington State Highway Commission will open bids on a proposal calling for the construction along the freeway route through Tacoma in the vicinity of Pacific Avenue. The proposal calls for demolition, clearing, grubbing, grading, constructing temporary storm and sanitary sewers and construction of a prestressed concrete girder separation structure. The structure will provide for two 25 feet wide roadways in each direction to carry Pacific Avenue traffic over the route of the freeway. Cost of the project is estimated at between \$500,000 and \$600,000.

It is expected that work will commence about three weeks following the award of the contract with completion set for 190 working days.

Development of a broad integrated University program of studies involving Russia and the Far East is currently under way at the University of Washington with the support of a \$2,000,000 grant from the Ford Foundation.

15TH ANNIVERSARY—Ethan Nelson, manager; Leland Wicklein, Dennis Nelson. Back row, left to right are: Ethan Nelson, Dorothy Campadore, Paul Nelson, Bert Nelson, Jim Rogers, Nennis Newman, June Marek, Lee Drake and Larry Nelson.

Local Methodists To Attend Meet

The congregation of the Parkland Methodist Church will join other Methodists in a mass meeting at the University of Puget Sound Field House Sunday, June 17th.

Special music for the services at the Field House, scheduled to begin at 11:00 a.m., will be provided by the Sanctuary and Prelude Choirs.

A Father-Son breakfast at 7:30 a.m. at the Parkland Methodist Church will get the day underway for the local group. They will be served by the church women. Reservations may be made through the church office or by contacting Mr. Burton Brewer.

Church School will begin at 9 a.m. on June 17th and dismiss at 9:45. The regular morning service is cancelled for this day in order to permit the congregation to attend the special event at the Field House.

Regular church school at 9 a.m. and worship service at 10 will resume on June 24th for the duration of the summer months.

Cana Meet Set For Local Parish

A Cana Conference has been scheduled for St. John of the Woods Parish Hall for Sunday, June 17, it was announced this week.

The conference is open to all married couples and will be in session from 2 to 6 p.m. Fr. Thomas Titsch will conduct the conference sessions.

More information may be obtained from Mrs. Peter Coleman, LE1-1349.

Spana-Park Plans Community Fair

A Community Fair sponsored by Spana-Park is scheduled for late this month.

Exhibiting and showing will be held June 22 and 23rd, with a Foreign Food Fiesta Dinner planned for 6:30 to 8 p.m. at James Sales Grange, 113th and Yakima.

More information can be obtained by calling LE7-3370.

Hoedowners Dance Friday

The Harmony Hoedowners will dance at the Fruitland Grange Hall, on East 112th St. and Cherry St. on Saturday evening, June 16. There will be a short business meeting at 8:30 and dancing will start at 9 o'clock with Willis Dodge calling the squares.

Summer Classes In Bands Planned For Bethel Pupils

A six-week course for beginners and advanced band members will be held at Bethel High School starting June 18th.

The class, open to all Bethel District grade school students, will convene on Monday, Tuesday, Wednesday and Thursday of each week from 10 to 12 for the beginners and 12:30 to 2:30 for advanced students.

Instruments will be on hand for rental for beginning groups.

At the end of the session a big picnic is planned.

For more information, Dick Curtis may be contacted at LE1-0109.

LOCAL ARTIST EXHIBITS AT FAIR—Fred Oldfield, well-known Northwestern artist and proprietor of the Indian Village near Mt. Rainier Park entrance, now has three of his paintings on exhibit at the Seattle World's Fair. Oldfield, contracted to do mural paintings at Gracie Hansen's Paradise.

NEW STORE OPENS—Walt Stanger poses in front of his new coin-operated laundry and cleaning establishment at Summit View. The store opened this week as "Walt's Sunshine Center" with all Philco-Bendix equipment. The store will hold a grand opening celebration Friday and Saturday.

Picnic Set By Church

The Evergreen Baptist Church Father and Son picnic has been set for June 16 at the church at 6:30 p.m., it was announced this week.

Chaplain Walter Anderson of McChord AF Base will show slides of the meeting. Among other events scheduled at the church is the daily vacation Bible School which will commence on June 18 and run through June 22. The hours for the school are 9 a.m. to noon daily.

New Books Arrive At Local Library

A new shipment of books has arrived at the Parkland Branch of the Pierce County Library, it was announced this week by Mrs. Grace Plummer, librarian.

The new titles, both fiction and non-fiction are in the adult and juvenile categories, with a number of the books for readers from third grade on down.

The Summer Reading Club for pupils from 4th through the 8th grades started on June 1 and will continue through September 1, Mrs. Plummer said.

More new shelving has been added to the library, replacing the old wooden shelves.

Let Me Tell One:

Father's Day

Neil McLean

We're coming up on Father's Day, when we take out a Sunday of the year to recognize "Dear Old Dad", as my children say when they want something.

My oldest (9) was asking about his grandfather the other night and some of the things that my father had done and seen.

It suddenly dawned on me that my children are TV related. They pay no attention whatever to the radio, which my wife and I enjoy. The children can't conceive of not having had television all the time. So we went through a few of the things that we remember from our growing up days.

Time which "creeps in its petty pace from day to day" has the facility to fly in retrospect.

Considering myself a young man, I can remember when the milk man and the ice man came around in horse drawn wagons. When filling stations were still a new type of business and not the mushrooming, blossoming phenomenon which seems to rise on any clear, damp spot.

Not wishing to endow myself with a long gray beard (my children have already given me that surprised stare and the question, "Are you THAT old?") I

no limits for travel he saw and was interested in all of them.

This fact was brought home to me during the conversation with my own children. They found it hard to believe that THEIR dad, much less their own grandparents were not life-long adherents of television and all the other things we have taken for granted.

I think the basic reason for all this is that most of us still feel young in relation to the world around us (maybe we also feel that we shouldn't ever grow old, or at least not admit it) and it takes something like the wide-eyed younger generation to bring home to us that change takes place (I've always thought of myself as the younger generation).

But when you stop and think of it, it has been twenty years since a lot of us marched off to war and that puts us into the just-beginning-to-get-gray group.

All this is a prelude to a Father's Day message which is—you youngsters should take pity on the old boy and take it easy on him. After all, he can remember when Jack Benny was just a voice on the radio and television was part of the Buck Roger's comic strip.

can remember when the radio was quite a new thing.

But this Father's Day season I got to thinking about the era during which my father lived. He was born in 1888, when the country was still horse and buggy, the railroads were still growing and the country was still to a large extent agriculture-oriented. He lived through the invention of a great many of the things which we take for granted today. From the first autos and trucks to the rocket ship which apparently has

Collins Road News

Nineteen members and friends of Collins Neighborhood Club had a luncheon at Ma's Cafe Tuesday, June 5th. Mrs. Frank Most was honored with a miscellaneous shower for her 80th birthday anniversary. Mrs. Most has left with her grandson Richard Manley, who is working at Grants Pass, Oregon, spent this week with his family.

The Collins School picnic was held on June 7th at the son of Matt Manley, for school grounds, and the 6th grade graduates had a dinner Friday, June 1st, at the school.

Mrs. Fred Most went with her daughter and husband, Mr. and Mrs. Carl Mr. and Mrs. Fred Scott to Yakima for the Washington State Meet of the Archery Club for target shooting.

Chuck Moore's sister and husband, Mr. and Mrs. Carl Alan and Danny of Warrenton, Oregon, spent the weekend with the Moore family.

Grange will meet June 15th although many Grangers will be in attendance at the State Grange Convention in Bellingham. Mr. and Mrs. Howard Freeman will be attending as Alternate Delegates from Waller Rd. Grange.

A committee from the Waller Road Grange, headed by Master David Van Hulle, a committee from the Waller Road Improvement Club, with a local lawyer as speaker for them, and representatives from Waller Road P-TA and Garden Clubs, attending the City Planning Commission meeting last Monday to voice the protest of the Waller Road area residents to the use of Swan Creek as a garbage fill. Let's all protest!

Recent visitors in Vancouver, B.C. were Mr. and Mrs. Eldon Yoder, Mr. and Mrs. Charles West and Mr. and Mrs. William Hanam of the Waller Rd. and Vickery Rd. areas.

They were with members of the Fern Hill Masonic Lodge on their visit to Southern Cross Masonic Lodge in Vancouver. They brought souvenirs of their trip.

Following the program an exchange of autographs was enjoyed by the students after which refreshments were served to class and parents.

A specially decorated cake was the center of interest on the refreshment table. The reception was under the supervision of Mesdames A. Weston, W. Hoots, C. Schuder, J. Smith A. Fladigar and J. Donnelly.

Waller Road Grange has chosen David and Anna Van Hulle to represent them in the Grange Young Couple of the Year Contest, sponsored by the Washington State Grange.

The Granges throughout the nation pay tribute to young couples who give of their time and talents to be active in Community affairs. Waller Road Grange is proud indeed of the Van Hulle's. Their activities are many.

Flying with Jeanne

Thursday, June 7th, Richard "Dick" Hanson made his first solo flight. Dick is stationed at Fort Lewis and will be going into helicopter school.

Jim Allison made another solo cross country training flight this Sunday. This time he went to Boeing Field, Bellingham, Shelton and return.

Gene Moye and family flew to Albany, Oregon for the Fly-In breakfast Sunday morning. They will be leaving this coming weekend for Denver, Colorado followed by a trip up into Canada for their vacation.

The McGoy's and McCulloughs also flew to Albany. They were too late for the breakfast but enjoyed looking over the planes at the Fly-In and then went on to Shelton for dinner before returning to Spanaway.

Sunday evening Ruth and Walt Stanger and Slim and Jeanne Lawson flew to Sea-Tac for dinner and then made a flight over the World's Fair. The flight over the Seattle-Tacoma area is really beautiful and anyone who hasn't made this flight just hasn't lived.

I shall not let a sorrow die until I find the heart of it, nor let a wordless joy go by until it talks to me a bit.

RYs young people spend Friday night at Ocean City camping. They report good weather and a wonderful time.

Mr. Bud Essman, chairman of the Lacamas Fair Committee, announces that the premium lists will be out during the next week. See fair committee members or Mrs. Charles Larson, Community Club Secretary, to get your copy.

The Roy Lions Little League Baseball team, coached by Gerald Gentry, played two games during this week. Schedule for next week is June 18, Central Avenue at Roy, June 20, Collins' Lucky at Spanaway, June 25, Elk Plain at Bethel High.

Let's get out to see some of these games and give Mr. Gentry and the boys the support they deserve.

A group of Mix Master 4H members and leaders met at the Rodeo Grounds Saturday to clean up. At the meeting that followed ribbons won on demonstrations at Bethel were announced. Blue ribbons went to Eleanor Trusler, Rosemary Smith, Korinne Baldwin, Gail Reeder, Cindy Loveland, Rick James, and Al Berggren. Red ribbons went to Judy Corbin, Larry Smith, Joe Dale, John McDonald, Jane Allender, Elizabeth Collins, Janis Raczynowski, Jan Berka, Laurie Oviat, Darlene Dale, with Lee Betschart awarded a white.

Blue ribbon winners who went to the run-offs at Sumner were also awarded ribbons with Al Berggren and Cindy Loveland getting blue and Rick James, Rosemary Smith and Korinne Baldwin receiving red.

Canyon Road News

The Canyon Road Community Club will celebrate their adjournment for the summer months with a pot luck supper served at 6:30 Thursday, June 14th. After a short business meeting games will be played.

Prizes are being donated by the Ladies Auxiliary, the Garden Club and the Pre-School mothers. Let's have a big crowd for our last night and have a lot of fun.

The Canyon Road Garden Club presents "Beauty Around Our World" at their annual flower show held at the Canyon Road Community Hall, East 80th and Canyon Road June 20-24, from 2 p.m. to 8 p.m. Saturday, the 23rd and from 12 noon to 6 p.m. Sunday, June 24. For further information call Mrs. Signard M. Hansen, 6308 Fairview Rd., Puyallup. Evenings, call WA2-8844.

Mr. John Folk of Canyon Road, with his brother Tom of Hillsboro, Oregon, left for a week's fishing at Lac La Hoshie in British Columbia. We hope the fish are biting good.

A near tragedy was averted last week when Mr. Harry Carlsen with his partner Mr. Arthur Nelson, noticed the ditch caving in while they were working on the water mains on Canyon Road. Mr. Carlsen said he hadn't known he could move that fast.

The high-flying X-15 is flying even higher, with NASA pilot Joe Walker's last flight in April computed by radar at 246,700 feet or 46.7 miles.

MT. RAINIER NATIONAL PARK SUMMER SEASON BEGINS SATURDAY, JUNE 16th

MT. RAINIER NATIONAL PARK contains 378 square miles of America's superlative mountain grandeur, is easily accessible from the gateway cities of Tacoma and Seattle. Towering above all this is Mt. Rainier, an extinct volcano, 14,408 feet above sea level. It is the highest perpetually ice-clad peak, and has the largest single system of glaciers in the U. S. These glaciers, 26 in all, contain more than 45 square miles or 29,000 acres of ice. Beneath these masses of moving ice are born many turbulent rivers which flow through the Evergreen Playground to the waters of the Pacific. Almost 700 species of flowering plants in addition to hundreds of ferns, mosses and fungi; 34 waterfalls, 62 lakes, and trees centuries old, add to this Mountain grandeur. Here is fun for all — hiking, mountain climbing, saddle horse riding, fishing, dancing and easy walks through flower meadows. Hotels, lodges and camp grounds are provided for your comfort. Guides, Ranger Naturalists, spacious lobbies and experienced, intelligent personnel provide for your entertainment.

PARADISE VALLEY, situated on the south side of Mt. Rainier, is reached by way of the excellent high-ways leading directly to Paradise Inn. You will thrill at the huge evergreen trees lining the highway on either side,

the great Nisqually Glacier that flows precipitously down the mountain toward the roadside, beautiful Narada Falls dropping 168 feet to the Paradise River Canyon, unexcelled panoramas from the highway at Ricksecker and Inspiration points, and spectacular Mount Rainier itself, rising 14,408 feet above sea level.

We urge you to visit Paradise for it is without doubt **THE GREATEST SINGLE SCENIC ATTRACTION IN THE ENTIRE NORTHWEST.**

Paradise Inn, with its unique timbered lobby and dining room, is renowned for its excellent food and comfort, and will be open June 25th.

STEVENS CANYON ROAD is now open for your pleasure, bringing new panoramic views to the traveler, never before accessible except via horseback.

NATURALIST CONDUCTED TOURS—See the beauties of Paradise Valley and the Tatoosh Range with Mt. St. Helens sixty miles away.

Be sure to plan a trip to the park this summer. On this page you will find listed many businesses and their location shown, who will endeavor to make your trip more pleasant. Keep this page, referring to it on your trip.

It's The Law \$368,000 Waits

What would you do if your house had termites and you were trying to sell it? Would you tell the prospective buyers of this hidden defect or let them find out for themselves? Such a predicament was decided recently by our State Supreme Court. The owner of the house knew termites had infested the house for he had attempted to eradicate them. The buyers inspected the house but did not notice nor test for termites. The seller failed to mention the termites and the house was sold to the buyers.

After a few months the buyers noticed a definite weakening of important floor joists and investigation revealed the termites infestation. They brought suit to collect the difference in the value of the property without termites and the value after the termites moved in. The court held the seller of real property is liable for damages for failure to disclose to his purchaser even without inquiry by the purchaser, the existence of a termite infestation in the property being sold. The sellers were under a duty to disclose the fact of termite infestation to the purchasers, and their silence constituted fraudulent concealment. The court said the presence of termites entailed a latent condition dangerous to life, health, or property and it was the duty of the seller to disclose defects which are dangerous to life, health or property. We can conclude from the above that any hidden

"RS" Insured Vet

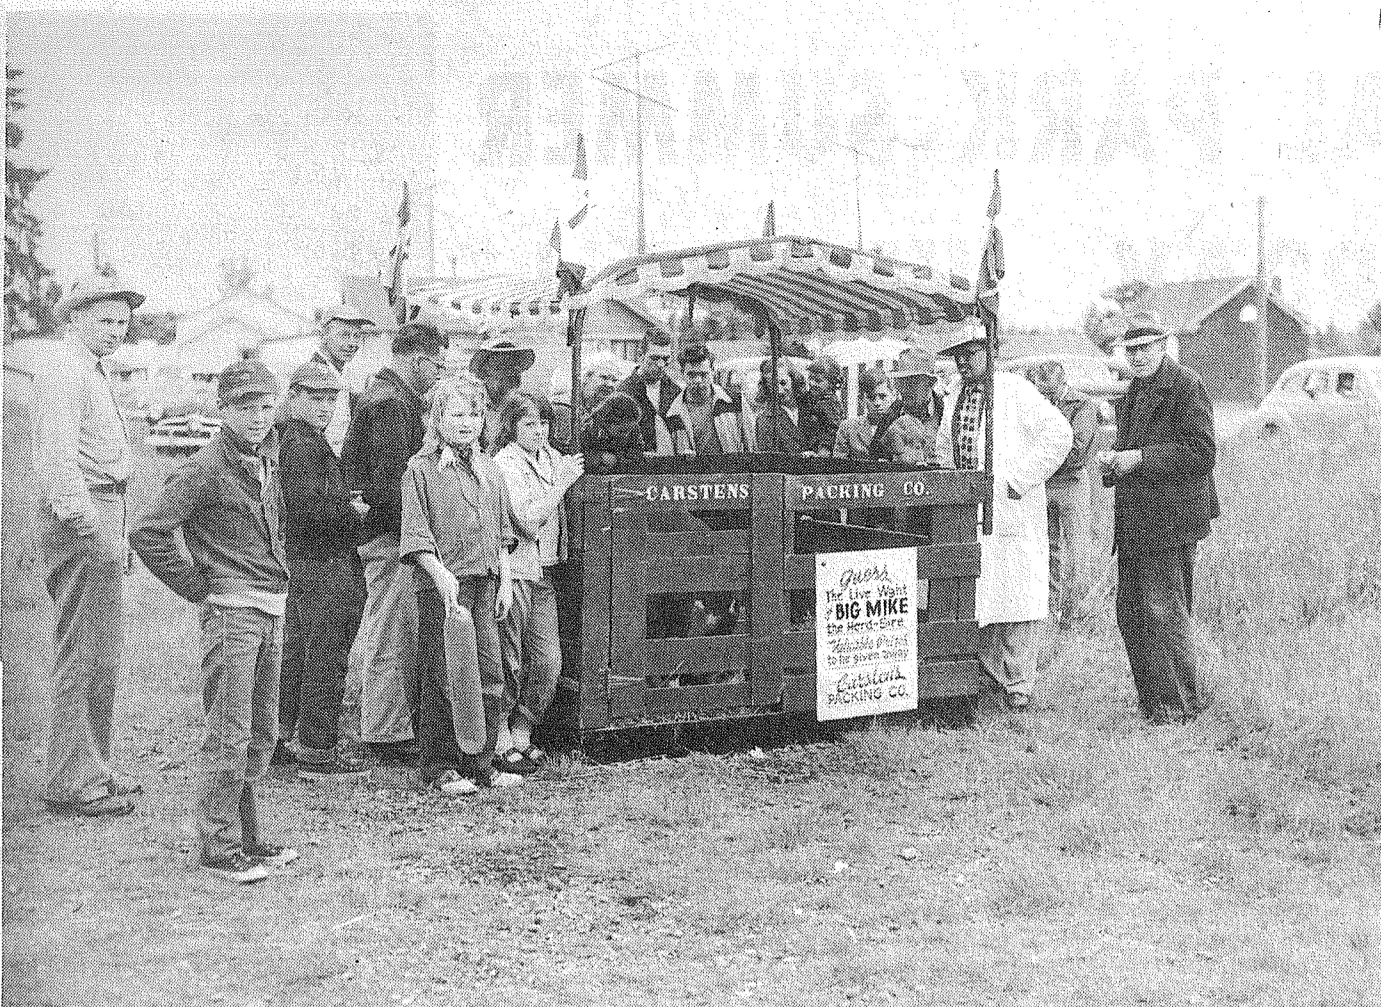

Approximately \$368,000 is still available to pay dividends to some 3,400 Korea veterans in the State of Washington who hold "RS" term insurance policies, according to John B. Kirsch, Manager of the Seattle Veterans Administration Regional Office. This special dividend, Kirsch pointed out, is available only to those veterans who still hold policies with the prefix "RS" in front of their policy number. No other Government life insurance policyholders are eligible.

The "RS" policyholder cannot be paid this dividend unless he takes one of the following two actions:

1. Exchange his "RS" term insurance policy for a term policy that (a) will generally cost him only one-third of what he is now paying; and (b) the new policy cannot be renewed as term insurance after age 50—but it can be converted to a low cost permanent plan insurance policy at any time before the insured reaches age 50.
2. Convert his policy to a low cost permanent plan insurance policy now.

Chester N. Miller, machinist's mate third class, USN, son of Mr. and Mrs. Eugene R. Miller of Roy, Wash., is serving aboard the attack aircraft carrier USS Bon Homme Richard, a unit taking part in Exercise Pork Barrel, a 10-day Navy training operation beginning, May 14, off the coast of Southern California. Some 25 ships and 20,000 men of the First Fleet are in the exercise which centers around a fast carrier striking force opposed by submarines and aircraft. At-sea replenishment from various types of supply ships is another feature of Pork Barrel.

The Air Force disclosed a new jet fighter the Lockheed F-94C Starfire, the first Air Force fighter to be armed solely with rockets, on July 2, 1952.

ARE YOU IN THIS PICTURE?—The above photo, made about 1950, shows a group of area residents clustered around one of Bargain Basket's promotional efforts—guessing the live weight of Big Mike, the herford in the enclosure. If you see yourself in the picture, go in and tell the folks at Bargain Basket and get a free gift. The store celebrates its 15th anniversary this week.

Market Book Ready For Wood Lots

The latest and expanded edition of the Pierce County forest marketing directory now called "Markets and Services for Woodland Owners" is now available for distribution, reports Loren Curry, forester from the county agents' office.

Woodland owners and others interested in forest products wishing a copy may secure one from the Agricultural Extension Office, Room 742 County-City Building or from one of the following: Department of Natural Resources offices; Farm Forester's office, 506 River Road, Puyallup District office, P.O. Box 96, Alder; or the District office in Enumclaw.

The new edition sponsored by the Natural Resources Study Committee of the Pierce County Rural-Suburban Council contains the following five sections:

- (1) Services and Organizations which provide assistance to woodland owners in the county.
- (2) A listing of minor forest products buyers, including evergreen brush, tree boughs, Christmas trees, Cascara bark, tree seed cones, etc.
- (3) A listing of peeler log and sawlog buyers.
- (4) A listing of pole and piling, pulpwood, hop pole and other miscellaneous forest products buyers.
- (5) A list of logging operators who work in this area.

FRESH PHONE—A refreshing new look is in store for coin telephone users when Pacific Northwest Bell starts installing this new public telephone. The instrument, now undergoing field trials in the East, features a single coin slot which accepts nickels, dimes or quarters, and the handset hangs across the face of the dial, similar to residential wall telephones. Inside the attractive two-tone gray housing, an electronic note will signal the type of coin deposited—instead of the familiar gong. Following successful field testing, PNB anticipates installing the stylish phone in new coin booth locations.

President Coolidge signed the Air Commerce Act, the first Federal legislation regulating civil aeronautics, on May 20, 1926. Amelia Earhart in Waspowered Lockheed Vega began the first solo flight across the North Atlantic by a woman, on May 20, 1932.

Two-Day Training Session Planned For GS Leaders

The Day Camp Committee of the Girl Scout Council will sponsor a two-day Unit Leader Training session, beginning June 26th at the South Tacoma Community Center. The second day's training will convene at the picnic area in Wapato Park. Both days will get underway from 9:30 a.m. to 2 p.m. It is recommended by the coordinator, Mrs. Betty Hartley, that inexperienced leaders attend both days. Experienced leaders are invited for the afternoon of the second day.

For more information leaders may call Mrs. Hartley at LE7-3333.

Mothers Club

The final meeting of the year for the Mother's Club of Faith Rainbow Assembly will be held June 14 at the home of Mrs. William Tyler, 6520 South Tacoma Avenue.

A picnic supper has been planned for 6:30 p.m. and the meeting is scheduled for 7:45 p.m.

Spanaway News

The Spanaway Kan Do Grandmother's Club will meet at the Spanaway Fire Hall Thursday, June 14 at 1 p.m. Hostesses will be Mesdames Emily Ball and Beulah Ballard.

Earl Thomas of Washington, D. C. is visiting with his son and family, the Harry Thomas's.

Deepest sympathy is extended to the family of Mrs. Margaret Ferguson who passed away last week.

Mrs. Charles Phipps has been a three time visitor to the Seattle World's Fair.

Little Donnie Funkhouser, son of Mr. and Mrs. Donald Funkhouser was rushed to the hospital Saturday evening, after he fell from the porch at his home. The resulting gash required several stitches.

State Convention

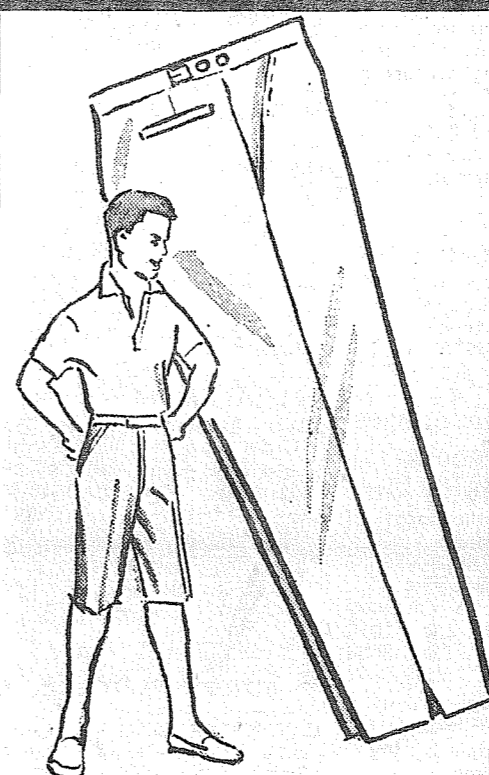

Riverside Valley Grange will meet for their regular business meeting on June 18th at 8 p.m. at which time members will hear a report about the State Grange convention from some of the members who attended.
