

Rain Brings Problems To Area

WATER HAZARD. A log, about 12 inches in diameter and 15-20 feet long drifting across this pond flooding South 125th Street just west of Pacific Avenue appeared to be an unusual subject for Times Journal photographer Em Matson Monday afternoon. As Matson focused on the log, an eastbound vehicle came into the camera viewfinder and to the photographer's surprise, collided with the obstacle as the shutter was released. Momentum of the car carried it over the log, and after completing the crossing, the embarrassed driver inspected for damages. Finding none, he continued on his way. Bystanders thought the incident was planned as a gag.

BRIDGE ACCIDENT. The Highway SR512 bridge over Park Avenue was the scene of an accident 3:55 a.m. Sunday when this hardtop convertible went out of control and struck the bridge abutment. Injured was 27 year old Marilyn Rasmussen, 3614 East 182nd, who was taken to Lakewood General Hospital with a leg injury, head cuts, and possible neck lash. The driver, Joseph Glaizer 24, appeared to be uninjured, Troopers reported.

MARVIN L. MASSENGALE, 32, of 8002 So. J St. escaped with lip and forehead cuts from this accident on Pacific Avenue Monday evening. The 1965 Dodge pickup severed sixty feet of guardrail before slamming into the overpass across the 512 Freeway.

RAIN WASHOUT. Tow truck operators secure lines to the car belonging to Glenn Rogers, 610 East 112th, after it stalled in a hole about 2 feet in diameter and 5 feet deep that caved in as the vehicle was about to enter East 112th. Mrs. Rogers, who was driving, said the driveway culvert gave way as her car passed over it. Rogers blamed poor drainage of the area as the cause stating the roadside ditches frequently overflow flooding both his and his neighbors front and back yard after a heavy rain. The incident happened Monday morning. Numerous complaints to both the State Highway Department and County have resulted in little action, he said.

TJ Editor's Book To Debut In PC

By SANDY INGRAM

The national premiere of the book "Longhouse Legends" will be held in conjunction with the dedication of the James Sales Library

EMERSON N. MATSON

and Children's Book Week Tuesday, November 19th, at an open house meeting of the James Sales PTA, according to Mrs. Leila McCoy, Franklin Pierce District Librarian.

Special arrangements with the book's publisher, Thomas Nelson and Sons, Camden, New Jersey, and the author, The Times Journal's managing editor, Emerson N. Matson, was made by Mrs. McCoy in order to host the official national introduction in Pierce County. The book is being circulated throughout the United States and Canada.

Since the introduction coincides with the dedication of James Sales School's recently completed library and "Children's Book Week," November 17-23, school officials decided to combine the three events into a special open house. The library was given final acceptance by the Franklin Pierce School Board of Directors last month and completes the district library program.

Nancy Motomatsu from the Washington State Superintendent's Office will be guest

speaker with one of the evening's highlights being authentic Puget Sound Indian songs to the beat of a tom tom by Swinomish Chief Martin J. Sampson. Sampson was instrumental in outlining the stories found in "Longhouse Legends" from early translations, wood carvings and his memory of potlatches held a half century ago.

Original art work used in the book, as created by internationally famous illustrator Lorence Bjorklund, will be shown. Bjorklund was selected by the publisher to illustrate the collection of legends.

The book, which was published

MARTIN J. SAMPSON

ished the middle of October, contains a brief outline of how early Puget Sound Indians lived and the stories that were passed on from generation to generation by Western Washington's first citizens. Written in the traditions of European fairy tales with some reminiscent of the moralistic fables of Fontaine, the collection is designed to preserve the literature of an almost completely

vanished culture.

It is expected that the book, geared for 3rd through 6th grade reading levels, will provide youngsters with a new insight in their study of the American Indian.

During the open house, Matson, who spent three years on the research end of the book, will be on hand to sign copies for those who bring their book.

Driver Safety, Gift Wrapping Classes At FP

Defensive driving training is one of several short term classes beginning Nov. 18 at the Franklin Pierce Adult Education Center, according to Howard Motteler, director.

To be taught by Carl Nelson in cooperation with the Tacoma-Pierce County Safety Council, the course will meet for four Monday evenings. It is designed, Motteler said, to change drivers' attitudes and to give the driver specific, practical tools to help him avoid injury producing accidents.

Also beginning at the same time will be classes in gift wrap and paper decorating, glamour grapes, hair piece and wig clinic, holiday decorations, Thanksgiving and Christmas fun, sew easy with Christmas gift ideas, feather flowers and sugar molds and holiday cake decorating.

Most of these classes are designed to assist people interested in doing interesting things for the holiday season. The classes are taught by women who have special talent and experience in each of the specialized areas, Motteler said.

Registration can be taken care of at the adult education office any day or at the first meeting of the class.

CENSUS

Census Bureau interviewers will ask about voter participation in the 1968 election during the Bureau's monthly survey of households here the week of November 18, Director John E. Tharaldson of the Bureau's regional office in Seattle announced today.

Surveyed households will be asked if they were registered, if they voted, if they cast a vote for President, if something prevented them from voting in 1968, and if they voted in the 1964 Presidential election. No questions will be asked about party or candidates. Answers will provide a statistical analysis of the voting habits of persons of voting age. The survey is similar to one made shortly after the 1964 general election.

The questions on voting will be added to the Bureau's regular monthly queries about jobs that provide data to the U.S. Department of Labor for use in determining unemployment figures.

Households in the survey are part of a representative sample throughout the nation, from which the Bureau collects data. All answers are confidential, and the information obtained may be used only for statistical purposes.

Interviewers who will visit households in this area during November 18-23 are: Mrs. Harriett D. Lindom, 10919 39th Ave. S.W., Seattle, Wash. 98146; Mrs. Alene F. Riehle, 4515 So. Fawcett Ave., Tacoma.

GARY BROWN, UPS Fullback, a 1967 Bethel Graduate, eludes the last Western Washington State College tackler to score. In last Saturday's UPS-Western game, two old friends from the Bethel Varsity played on opposing teams. Brown, who has had a good year at UPS, faced Dan Dolfin, another 1967 Bethel graduate in the Tacoma contest. UPS won 42-7.

BRAVE JODY MILLER receives a handoff from quarterback Larry Loete to pick up yardage for Bethel Friday night at Art Crate Field. Bethel overpowered Mt. Si cuts, and possible neck lash. The driver, Joseph Glaizer, 24, appeared to be

Braves Bag Wildcats

By BILL HALLMAN

"That was a dream come true," stated head coach Ed Tingstad after his Bethel Braves downed the Mt. Si Wildcats 33-20.

Jody Miller led the team on the ground, breaking loose for three touchdowns and an extra point.

Senior end Steve Jasmer had a big night breaking four school records in the pass receiving department. He broke the record for the most catches in a single game with eight, most yardage in a single game with 133, most yardage in a single season with 436, and most catches in a single

season with 31. Steve broke the season yardage record by 70 yards and still has one game to play. He also caught a seven yard touchdown pass from quarterback Larry Loete and a pass for an extra point.

Jody Miller took a pitch-out from Loete on the 30 yard line and raced into the end zone for the first Brave scoring of the game. On the next point he scored the extra point on the same pitch-out option. He next scored on a one yard run then took the second half kickoff for a 90 yard runback to score.

Loete had a big night as he completed eight of his 19 passes for 133 yards and scored on the ground in a four yard run. In Coach Tingstad's words, "Larry is fast becoming a fine quarterback."

Halfback Gary Grazzini threw some key blocks as two of his blocks broke

Bethel ballcarriers loose for touchdown runs.

Special mention in the game goes to offensive and defensive stalwart Bill Thomas who caught an elbow in the mouth to break his jaw in three places. Tingstad places the loss of Thomas as one of the real setbacks the team will have to overcome in the one remaining game against Tumwater, Nov. 15, at Bethel.

In the defensive department Chuck Bullion put the skids under 12 Wildcat plays. His defensive play was backed up by Jody Miller with 11 stops and Dale Failey with eight.

Organizational meetings for women's and girls' recreation basketball teams will be held this month by the Pierce County Park Department and the Metropolitan Park District.

Cardinals End Season With Loss

Franklin Pierce ended a disappointing season Friday by losing to Auburn 20-7 at the Trojan Field. It was the Cards' fifth league loss and gave them a final 1-7-1 record.

Woody Harris connected with Steve Slavens for 79 yards in the third quarter to give FP their only score. Two

pass interceptions by Trojan defenders gave Auburn the winning margin.

Head Coach Jim Mancuso commented on his first season at Franklin Pierce, "It has to be termed disappointing with only one win and one tie. We've developed a lot of talent, however, that should help in the future."
