Round-up Season In Full Swing Now

With the coronation of the 1959 Parkland Round-up Queen set for Friday evening, May 29, at Bresemann's hall, there will be plenty of excitement in the community until the close of the June 12-13-14 celebration. Following the coronation ceremony, a teen-age dance will be held in the popular Bresemann dance pavilion at Spanaway.

On Thursday (today) Parkland business houses will don festive trappings, with Round-up decorations being put up by Columbia Basin Flag & Decorating Co. of Yakima, the same firm which handled the job so well last year. It is expected that all decorating will be completed by Friday evening.

Beginning Monday all loyal Parklanders are urged to wear Western garb at all times until after the Round-up is over. This gives color to the scene and serves to publicize the event.

Have you started your beard yet? Better let 'er grow. The Round up beard contest is now under way, headquarters at the Shamrock Tavern. They have some beautiful prizes and awards to be given for this event which will be judged and awarded at the Rodeo dance, June 12th, at the Sportsmen's Chateau. If you haven't already started you have two weeks to get going on this, let's get into the spirit of the Round up and see lots of beards sprouting around here soon.

Sunday morning, June 14, the Parkland Jaycees are having a fly-in breakfast at Tahoma Airfield, Spanaway, for guests flying in from out of town for the Round-up. Local folks are also invited and it is hoped that many will attend. Breakfast will be served from 8 a.m. till noon.

Benefit Shower To Aid Family

Friends and neighbors have arranged a miscellaneous benefit shower for Friday evening, June 5, at 8 o'clock for Mr. and Mrs. Erwin Banks who lost their home and possessions by fire recently. Any useful article of household equipment or furniture, or supplies to restock the family pantry, will be most suitable in this effort to help the Banks family get started again.

TV Contest Winner Visits Parkland Field Day at Clover Creek 4th

Gino Prato, star of the \$64,000 TV program, visited Art's Family Shoe Store in Parkland Thursday, May 21. Gino Prato was the first shoe repairman to win on the program; his category was opera. He stopped at \$32,000 at the request of his father. Mr. Prato also appeared on the \$64,000 Challenge, winning \$16,000. At present he is touring the country as a goodwill ambassador to the shoe repairing trade, representing the American Bilrite Rubber Heels & Soles Co. He was very impressed at the modern progressive shoe store and shoe repair service that is being offered to people of Parkland and surrounding communities. Mr. Prato is self educated, having no formal schooling, and speaks five languages. Pictured above, right, he explains to Art Bernstein (of Art's Shoe Store) a detail of shoe repairing which he learned by actual experience. (Photo By McKewen.)

Clover Creek's Field Day will be held Thursday, June 4, at the school. Competitive games will begin at 10:00 a.m. and winners' awards will be presented at 1:15 p.m. Perfect attendance and patrol certificates will also be awarded at that time. Lunch will be served to everyone, donation ranging from 35 cents for adults to 20 cents for pre-schoolers. Each person must furnish fork, spoon and cup. All grades will be dismissed at 1:45 p.m.

Competition opens at 9:00 a.m. Saturday, May 30, with a 28 target Blackface round and continue through Sunday afternoon, to be followed at 4:30 by the awarding of ribbons and trophies and the crowning of the new State Champions.

Canyon Road News

Plenty of Action!
Excitement ran high on Canyon Road last Monday night when the sounds of sirens and shots drew spectators from blocks around to the corner of 72nd and Canyon road where a speeding car being chased by two sheriff's cars had hit another car and turned over. The fugitive, who lost both shoes in the crash, took to the tail toolies in stocking feet with the officers a 'shootin' after him. With other police cars converging on the scene, it was better than TV so everybody stayed round until the fire engine arrived to wash the gasoline off the highway and the spectators home.

Muck-Kapowsin Road Surfacing Job Let

May 19 the Washington State Highway Commission awarded a contract for surfacing two miles of the Muck Kapowsin road from its junction with State Highway 5-N east to its junction with the Orting Southern Road in Pierce County. Robert G. Baker, Olympia, won the contract on a low bid of \$37,833.60.

Plans for the contract call for the road to be widened from 20 to 22 feet, and for oil and new surfacing to be placed on the surface. The contract will be carried out under the Federal Aid Secondary program. Pierce County Engineer Keith Jones will direct the work under the supervision of the Washington State Highway Commission. Work will begin in about three weeks and is to be completed within 60 working days after starting.

a-Wondering . . . and a-Wandering . . .
With JACK BROWN

It's getting close to Round-up time and of course most folks around the Parkland area are getting ready or at least thinking about the big celebration. As long as rodeos, cowboys etc. are in the minds of a lot of people I thought maybe you'd be interested in some information along those lines about our soon to be 50th state.

The land of the pineapple and the hula is also the land of the cowboy. In fact, cowpunchers were riding the Hawaiian ranges several years before Texans began driving their steers to market along the old Chisholm trail.

Capt. George Vancouver, the English explorer, brought the first cattle to Hawaii in 1793. Protected by the king, the longhorns ran wild and multiplied. When John Palmer Parker settled in the islands in 1815, the king hired him to slaughter the cattle, prepare their hides, and salt the beef for sale to visiting ships. At first the king owned all the herds. But after the Great Mahele, or division of land, selected herds were settled on private ranches. And Parker's business mushroomed into a 300,000-acre ranch in the uplands of Hawaii Island that was to become the second largest cattle ranch in the U.S.

The Hawaiians learned to ride and rope from Spanish cowboys imported from Mexico. Their word for cowboy still is "paniola", from "español", or Spaniard. Hawaiian paniolas like Eben P. K. Low, grandson of the founder of the Parker ranch, have won many rodeo events on the U.S. mainland. Even after he lost one hand in a roping accident, Low, nicknamed "Rawhide Ben", challenged any man to top his roping skill. In 1908 he was crowned at Cheyenne, Wyoming, as the one-handed champion roper of the world.

A philosopher is a man who knows how to make himself comfortable behind the eight-ball.

The U.S. public is fed up with bureaucrats." That is the finding of a Trendex News Poll, made in mid-April. Those polled were asked whether, based on their experience, they preferred dealing with the employees of government or of private business. The result: private employees, 65.75 per cent; government employees, 12.75 per cent; about the same, 18.4 per cent; no opinion, 3.6 per cent.

The critics of government employees, the poll adds, used such words as "nasty", "uncooperative", "unqualified", and so on.

There are, of course, many excellent and dedicated workers in government. But, that aside, bureaucracies tend to develop an attitude of indifference and outright contempt toward the citizens who foot the payrolls. That good old term, "public servant", seems to have pretty largely lost its significance.

American Legion News
Parkland Post No. 228
By Paul R. Irmier

Edward Nolen Davis of Parkland was elected 4th District Commander at the Spring Conference in April. Mr. Davis is an old time resident of Parkland and members of the Post feel most honored in his election. He is well known for his work on veterans' affairs and for his ability to express viewpoints.

Initiation by a 40 et team of new members will be held at our next regular meeting Thursday, May 28, at Sunshine Hall.

Record Poppy sales are anticipated this year. A report from two members indicated sales of over 400 poppies the first day. No report has been received as yet from other poppy distributors in the Post.

The Auxiliary of Post 228 wishes to thank all the people of the Parkland area whose contributions made Poppy Days a success. The Child Welfare and Rehabilitation programs will use all proceeds.

The Auxiliary will join the Post on Memorial Day in the memorial services at Parkland.

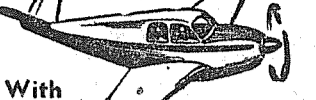

The next meeting is this (Thursday) evening at 8 at Sunshine Hall. Spanaway Post No. 118
American Legion Post 118 at Spanaway will hold memorial services for all veterans at Spanaway cemetery on 17th street, two blocks east of Pacific avenue. Assembly is at 10:30 a.m., Taps at 11. A firing squad from Marymount Military Academy will give the salute.

All veterans and ex-servicemen and their folks from the surrounding community are invited.

Hi Boosters Will Sponsor Dance Show
The Mildred Keller Dance Review will be sponsored by the Franklin Pierce Hi Booster club on Wednesday, June 3, at 8 p.m. at the Morris E. Ford Junior High.

The review will be presented in three parts:
1. Ballet, The Nutcracker Suite Ballet.
2. Aboard Ship, a floor-show type of presentation.
3. The Grand Finale, "Around the World."
There will be an intermission, and refreshments will be available. All proceeds will go into the Franklin-Pierce Hi-Booster's treasury, for their various projects.

Flying

With **JEANNE**

Paul Hoffman, in his Cessna 175, received his Private Pilots License this week and then took his wife and another couple on a flight to Portland where they stayed overnight and returned Sunday morning.

A first solo flight was made by Ed Larson in the Signaleers Champ, with John Macauley of Tacoma Flying Service instructing. Dual cross-country training flights were taken by Ronald Yingling, Frank Bristow, Stan Bryant and Harry Palmer. All were under the supervision of John Macauley.

Dick Newman and Dick Vanderflute completed their solo cross-country training, while Ronald Yingling got in two of the ten hours required solo cross-country.

Phil Johnson and Bob Birch each took some night time instruction. Cecil Jackson, his folks and brother were called to Buhl, Idaho for the funeral of a cousin of Cecil's. They left here in the Mooney Mark 20 Saturday morning and returned Tuesday.

Private licenses were issued to Orville Coombs in Thun's Tri-Traveler and to Howard Beckstrom in his Ercoupe.

A first solo flight at Thun Field was made by John Wamberg in his Cessna 140.

Peggy Immen was further checked out for Dual Cross-Country and radio work. Jim Mathwig took his dual cross-country training this last week in his Cessna 180 with Mrs. Mathwig riding along.

Trips this past week out of Thun

Field were made by Bud Blancher, his sister Judy and Rena Winters to Pullman in Bud's Stinson. Babe and John Thun and Babe's sister Shirley Redford flew to Portland and return in the 172. The Thuns also took a trip to Colville and Spokane stopping at Ellensburg on the way back to pick up Lyle Hedon from Salina, Kansas.

Ben Warneker flew in from Corvallis, Or., on Thun Field on a business trip in a Bonanza.

Those taking part in the wonderful clam digging tide at Copalis Beach Saturday were: Joe Miller in his Cessna 140; Glen and Aleta Howell and Mr. and Mrs. Dewey Wydemyer in their 170; Orv McCoy and friends in Orv's 182; Wayne Russell and friends in the 195 and Bob Villont and family and Donna Terrien in the Signaleers Tri-Pacer.

The Eatonville fly-in was attended by Cliff Johnson, Howard Beckstrom and Boone Willmot. There should have been many more take part in this good breakfast flight. Let's all get together and make these flights. They really are lots of fun.

The Western Travelairs have as their guest speaker this next meeting Friday June 5, Mr. Pete Bowers who will show some movies as well as talk on Antique aircraft.

Spanaway News

Members of the Community club, in talking to some home owner and business men, have found that the majority favor the incorporation of Spanaway.

Opinions favoring the Bethel school district boundary in the Orchard Hill area as the north boundary of the town of Spanaway, the west boundary to border the military reservation. This would include all of Spanaway Lake and the Park.

Nothing definite has been considered yet on the east and south boundaries; however the people contacted favor making the town of Spanaway as large as possible within the boundary lines of the Spanaway community.

Next meeting of the Spanaway Community club will be Tuesday,

June 2, at 8:00 p.m. at 167th and C streets. Byron Parker is president.

Firemen, Auxiliary
The Spanaway Firemen and Auxiliary will meet Tuesday, June 2, due to school graduation. Members don't forget the White Elephant sale. Hostesses are Mesdames Irwin Timm, John Todd, William Walin, Morgan Webb, Grace Kintz and Lawrence Ma-doche.

Orthopedic
The Dr. Lee A. Rademaker Orthopedic Guild will meet at the home of Mrs. Arnold Sanders Thursday evening, June 4, at 8:00 o'clock. Mrs. Ray Hartung is co-hostess. The president, Mrs. Fritz Paulsen, will preside over her first meeting.

Reporter—Mrs. Oliver Omat, LE 7-6466.

Cub Scouts Win
One of the first place blue ribbon awards at the May 1 Scout Exposition held in the CPS Field-house was awarded to Cub Scout Pack 302, sponsored by Our Lady Queen of Heaven Catholic church.
