New High School Philosophies Are Outlined In Report

By Sandy Ingram

The educational guidelines for the proposed high school for the Franklin Pierce School District were introduced at a recent board meeting.

The school will be located on approximately forty acres of land that lies West of the Keithley Junior High School and is bounded by Ainsworth Street to the West, Tule Lake Road to the South and Garfield Street to the North.

It is being designed to have approximately 1,000 students, but it will be planned to provide expansion that will accommodate 1,500 students.

The first section of the guidelines report outlines briefly the educational philosophy set forth in the early stages of planning.

"This philosophy should serve two purposes: It should set the stage for planning the facility; and it should give the staff an opportunity to evaluate the curricula. These statements should not preclude the possibility of change, for flexibility, adaptability and expansibility have been given constant consideration during the planning," says the introduction.

The ten imperative needs of youth set forth by the National Association of Secondary School Principals and the Educational Policies Committee of the National Education Association are as follows:

"All youth need to develop saleable skills and those understandings and attitudes that make the worker an intelligent and productive participant in economic life. To this end, most students need supervised work experience as well as an education in skills and knowledge of their occupation.

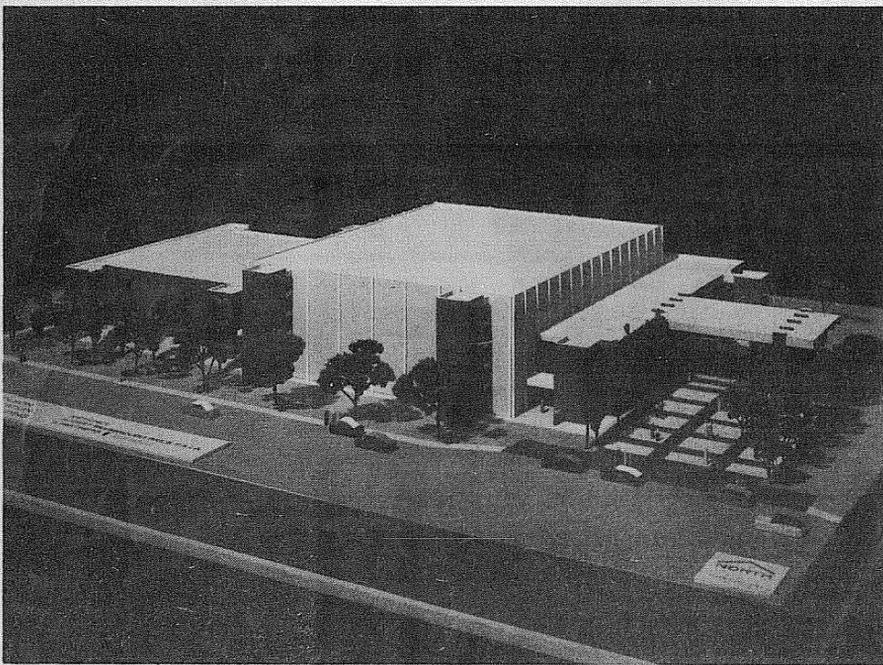

"All youth need to develop and maintain good health and physical fitness.

"All youth need to understand the rights and duties of the citizens in a democratic society and to be intelligent and competent in the performance of their obligation as members of the community and citizens of the state and nation.

"All youth need to understand the significance of the family for the individual and society and the conditions conducive to successful family life.

Proposed Auditorium

A MODEL of Pacific Lutheran University's proposed Clifford O. Olson Physical Education-Auditorium Building will be on display this month in four Tacoma banks. The \$1.4 million multi-purpose structure includes a 10,000 square-foot fieldhouse, pictured on the left, and a 3,500 seat auditorium. It was designed by Robert Billsbrough Price, Tacoma architect. It may be seen through Wednesday at the National Bank of Washington: from Aug. 10-16 at the Bank of California; from Aug. 17-23 at Tacoma Savings and Loan Association; and from Aug. 24-30 at Peoples National Bank.

Fire Reports

Parkland

Fire reports turned into the Parkland Fire Department last week included:

A grass fire at about 102nd and Interstate 5, which apparently started from flying embers from a fire on the other side of the freeway. Two acres burned out.

A grass fire at 10721 So Ainsworth. There was no fire, but some smoldering in the ground.

A house fire and shrub fire at 614 So. 110th. There was damage to both shrubs and house.

And a grass fire at 12316 So. J St. No damage.

Spanaway

Fire reports at the Spanaway - Elk Plain Volunteer Fire Department this week included:

A grass fire at 192 Crescent Park, which was apparently started by motor cycle riders. There was no damage, but approximately one eighth of an acre burned out.

Also on Aug. 1, was a grass fire on Field Road. No damage was done.

Kindling of a previous fire apparently flared up again at the old Tibbetts residence behind Elk Plain School.

A call at Spanaway Loop and Cresso was a pile of burning debris, no damage was caused.

And at 165th and Pacific, children playing with matches apparently set a fence ablaze.

Waller Road Grange Fair "A Tremendous Success"

Waller Road Grangers are still trying to figure out whether it was the beautiful weather, the new cattle shelters, or the delicious aroma of that bar-b-cued chicken drifting out on the breezes, but last Sunday's Grange Community Fair saw around 1,500 persons enjoying themselves. Close to 500 were served dinners, with an additional 140 taking bar-b-cued chicken home.

Four Little League teams drew a lively crowd of on-lookers when they played a tournament arranged for the day, with a trophy awarded. This was held at the new ball field at the Waller Road school.

There were 180 entries in garden, baking, canning, sewing and other 4-H projects, 104 entries in the Flower Show and 136 in the Outdoor Show of Livestock and project animals.

Mrs. Donna Fredericks was blue ribbon sweepstakes winner; 2nd place went to Mrs. Emma Gordon and 3rd to Mrs. A. V. Johnson. Junior sweepstakes winner in the horticulture division was Cheryl Corigan.

In the outdoor show the judges awarded only one grand champion ribbon in type. It went to Conny Frye of the Cloverettes Club for her excellent beef animal. She also took grand champion in junior division for Fitting and Showing.

Other ribbons went to: Grand Champion in Fitting and Showing, Beef, Senior Division, Kathy Frye; Dairy; Senior Division, Frank Blessing, Intermediate, Ronnie Ulrich and Junior went to Cindy Van Hulle. Sheep - Fitting and Showing Senior Division, Arlie Ireland; Junior, Mary Jo Pasinetti.

Fitting and Showing grand champions also included:

For Rabbits, Twila Burr; Poultry, Richard Hartman; Ducks, Jim Markham and goats, Ann Webber.

Horseshoe tournament winner was Bob McCabe and Mrs. K. Valkovich of Seattle was awarded the whitefaced beef.

Chairman James Taylor thanked everyone for making the Grange Fair a tremendous success.

Smoking Habits

Census Slated

Information about smoking habits will be obtained from residents here the week of Aug. 14 as a part of a national survey, Director John E. Tharaldson of the Census Bureau Regional Office in Seattle reported today.

In addition to the question on smoking habits of the population asked for the U.S. Public Health Service, the August survey will include labor force information for use by the U.S. Department of Labor's Bureau of Labor Statistics in determining the national employment and unemployment figures for August.

All information provided to the Census Bureau is confidential and the facts obtained will be used only for statistical purposes. The same information will be sought from all households in the survey throughout the U.S.

The interviewer for this area will be Mrs. Dorothy A. Carden, 1912 East 91st.

Registration Set For New Students

Registration for all students new to the Franklin Pierce School District will begin Monday, August 21, from 9 a.m. to 3 p.m., and will continue through August 31st. Students should register at the school they will be attending.

No new elementary students will be enrolled opening day, September 5th, but may report Wednesday, September 6th.

Kindergarten students must be 5 years of age on or before September 10th to be eligible for school. Parents should provide birth certificates for the kindergarten students at the time of registration.

Board To Meet

Bethel Board of Directors will hold a Special Meeting on August 16th, 1967 at 2 p.m. in the County Treasurer's Office at the County-City Building.

The meeting will be held to consider the sale of \$360,000.00 of general obligation school bonds.

Charges Dropped

Long distance charges will be dropped for telephone calls between Tacoma, Graham, Roy, Puyallup and Sumner starting Tuesday, August 8.

The extended area telephone service was approved by customers in balloting conducted last year by Pacific Northwest Bell, according to Harry A. Benton, PNB district manager.

Beginning August 8 customers in one of the affected communities can simply dial a number in one of the other communities in the extended service area, Benton said. "It will no longer be necessary to dial '1' before dialing those calls," he said. The call will go through toll-free.

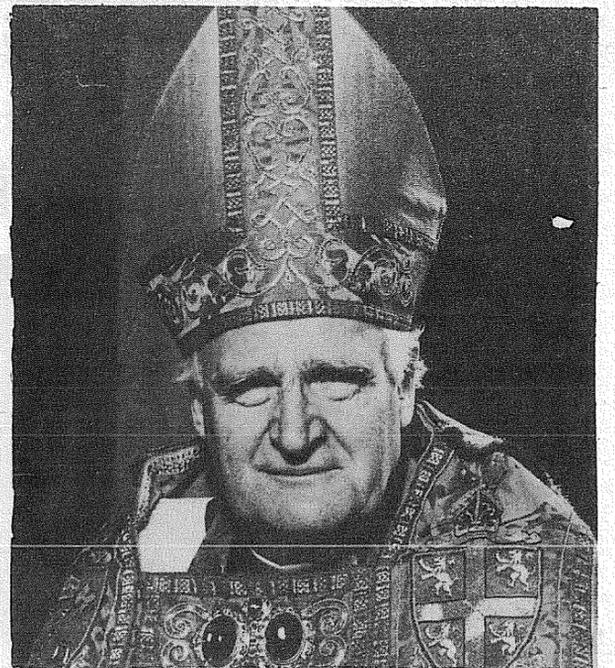

"Once the customers in Roy and Graham indicated a demand for the extended service," Benton said, "PNB began engineering and installing necessary equipment."

A \$51,400 switching equipment addition to the Graham switching center provided 43 trunks to other communities. A \$17,000 building addition was necessary to house added facilities, Benton said.

Switching equipment additions at Roy totalled \$11,700 in preparation for the elimination of toll charges.

"Extended area service is becoming more common in today's world of telephone communications," Benton said. "PNB is placing emphasis on providing this type of increased service where customers indicate approval."

Head of Church of England To Receive PLU Doctorate

Dr. Michael Ramsey

The Archbishop of Canterbury, Dr. Michael Ramsey, will receive an honorary Doctor of Divinity degree Sept. 22 at Pacific Lutheran University, President Robert A. L. Mortvedt announced Saturday.

The honor will be bestowed upon the leader of the Church of England at PLU's first official convocation of the academic year.

Dr. Mortvedt said that the University's board of regents and faculty decided to confer the degree upon the Archbishop in recognition of his great service to all Christians.

The church head will arrive in the United States on Sept. 12 for an ecumenical service in New York City.

From there he will go to Chicago to meet with church leaders.

His tour will bring him to Seattle where he will address the general convention of the Protestant Episcopal church. His visit to the United States

will end in New York City on Oct. 5.

The British ecclesiastic is a graduate of Repton School, Magdalene College, Cambridge, and Cuddesdon Theological College, all in England. As an educator and churchman he has served as president of the World Council of Churches, and has received numerous honorary degrees and citations.

A noted author, the Archbishop's latest books include "Canterbury Essays and Addresses," and "Sacred and Secular."

Included in the Archbishop's traveling party will be his wife and personal chaplain, The Rev. John Andrew. Area church leaders and city dignitaries will coordinate his travel plans in the Northwest. Gerrit Vander Ende will handle arrangements in Tacoma.

Parkland Man Receives MCD

James B. Olsen, son of Mr. and Mrs. Robert C. Olsen of 502 124th So., has received Master of Communication Disorders from the University of Oklahoma.

Olsen, a 1963 graduate of Franklin Pierce High School and a graduate of Pacific Lutheran University, has accepted a position in Salem, Oregon at the State School for the Deaf.

Upon graduation of Pacific Lutheran University, he received a Will Rogers Service Scholarship to attend the OU Speech and Learning Center in Oklahoma City.

Christmas In August

Liquid embroidery hobby-crafters will present a Christmas in August show and exhibit Aug. 26-27 at the Summit Youth Center, 4505 1/2 East 104th, 1-8 p.m. Anyone wishing to exhibit contact Dorothea Long VI 7-7375 by August 21.

Judging for ribbons and a door prize will be awarded. Admittance is free to the public.

Pierce County Sheriff's Reports

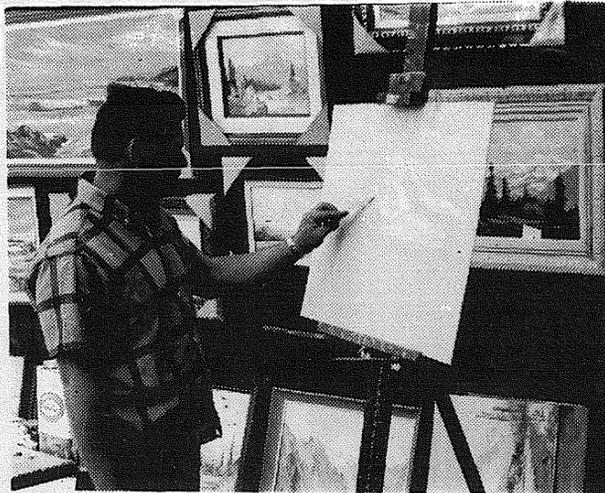

While in the process of moving Albert Leland Riley reported to Pierce County Sheriff's Office that a complete set of barbells, weighing 110 lbs. were removed from the floor of his open garage last Wednesday.

Other reports included four cases of indecent exposure in the Parkland-Spanaway area; Robert Hirst of 14806 Terry Lane E., in Spanaway, reported that someone entered his home, via the front door, and removed a 17" portable television and also broke the passenger door, and driver's door windows and the windshield of his pickup truck;

Gary William Black of 16515 So. Park reported that the front tires and wheels were removed from his auto, which was parked at the corner of 166th and Park Ave.;

Fifteen cases of beer, 11 cartons of cigarettes, five packages of cigars and 15 to 12 packages of gum was stolen from Woody's Market at Elk Plain. Entry was gained by the burglars breaking the door glass and reaching thru to the lock. A total of \$88 in merchandise was missing.

Brand Inspection Fee Increased Five Cents

State Director of Agriculture Donald W. Moos has ordered the fee for brand inspection of cattle increased from 20 cents per head to 25 cents, effective August 20. The action follows a public hearing on the proposal held in July after the 1967 state legislature amended the state brand act to raise the fee maximum to 30 cents.

Noting that the increase in the brand fee is the first since 1949, Moos said higher costs forced the boost. He said the Department's Brand Division is entirely self-supporting, financed by receipts from brand registrations and brand inspection.

The increase will produce approximately \$50,000 additional annually.

Timber Sales Set

The Board of Natural Resources approved the sales of state owned timber, including one million board feet, seven miles east of Elbe, at its monthly meeting held Tuesday August 1.

The timber near Elbe has been appraised at some \$13,-288, and will be sold September 11 at Elbe.

Other Pierce County timber includes West Fork Crossing Blowdown, about 21 miles southeast of Enumclaw. There will be 323,000 board feet, appraised at \$7,237 sold September 12 at Enumclaw.

Big Brother's Receive Full Membership

The Tacoma-Pierce County Chapter of Big Brothers of America is pleased to announce that it has been granted full membership status in Big Brothers of America.

Forty Big Brothers are now helping forty fatherless boys in this local chapter of Pierce County. It is hoped that this will be augmented by more men volunteering to serve more of the 950 fatherless boys in Pierce County.

According to Roger Smith, local chapter executive secretary, continued growth of the Tacoma-Pierce County Chapter is contingent upon more men volunteering for leadership and Big Brother status, and also adequate financial support.

Potluck Dinner Slated For Pioneer's Children

The sons and daughters of the Pioneers of Parkland will host their seventh annual reunion at Spanaway Park, Kitchen No. 7, at 11 a.m. Thursday, Aug. 17.

The dinner will be Potluck, bring your favorite food and table service. Coffee, cream and sugar will be furnished.

More than 90 were present last year, representing many early settlers in this area.

Educational Guidelines

Continued From Page 1

"All youth need to know how to purchase and use goods and services intelligently, understanding both the values received by the consumer and the economic consequences of their acts.

"All youth need to understand the methods of science, the influence of science on human life, and the main scientific facts concerning the nature of the world and of man.

"All youth need opportunities to develop their capacities to appreciate beauty in literature, art, music and nature.

"All youth need to be able to use their leisure time well and to budget it wisely, balancing activities that yield satisfactions to the individual with those that are socially useful.

"All youth need to develop respect for other persons, to grow in their insight into ethical values and principles, and to be able to live and work cooperatively with others.

"All youth need to grow in their ability to think rationally, to express their thoughts clearly, and to read and listen with understanding."

As a summary to the guidelines study the report states: "The challenge is to develop a citizen that will be independent, self-reliant and ready to meet the social and technological changes of a complex society. Board members, school administrators, teachers and parents must all rally their forces if public education is to meet the challenge of the times."

The new school is planned to open in September of 1969.

Lions Club Wins Award

Spanaway Lions Club held a car wash on the 29th of June and receipts totaled \$158.00. The proceeds will be used for community projects, according to Ralph Brink.

The club also entered a float in the Parkland Round-Up Parade and won the award for the Best Comic Novelty Float. The float, when seen from the front, said "Beware of the Lion" on the back of the truck was a shetland pony, as docile as could be.

Queen Carol To Parade At Enumclaw

ENUMCLAW - Daffodil Queen Carol Parcheta will be special guest of honor in the Enumclaw Rodeo Parade to begin at 10 a.m. Saturday in downtown Enumclaw.

Grand marshal of the parade will be Captain Kidd of the Seattle Seafair Pirates. Other special guests will include Lt. Governor John Cherberg.

Orting Adopts New Liquor Sales Hours

ORTING - This town's liquor hours were brought into conformity with those approved by the State Liquor Control Board by adoption of a resolution recently announced acting town attorney John Engerson.

Orting's three taverns will be allowed to remain open from 6 a.m. to 2 a.m. Monday through Saturday and from 2 to 10 p.m. on Sunday. The new hours will be effective Saturday, Aug. 19, the same day the new state rules go into effect the Puyallup attorney said.

The changes were made following a request by tavern owner Don Puermer.

The resolution was approved by Councilmen Robert Cope, Don Silvernail and Ed Mazza and opposed by A.W. Enborn and Wayne Harman.

"That's Not My Fault!"

Ned was digging a flower bed in his newly acquired property when -- ZAP -- sparks flew as his shovel chopped into a power line. The line was connected to some outdoor lights erected by the former owner of the property.

"I'll sue the son of a gun," Ned howled as the emergency squadman dressed Ned's burned hands.

"That's not MY fault," the former owner said when Ned called. "You should have been careful digging around those lights."

"Oh, yeah? For your information, mister, that type of cable is supposed to be buried six inches below the forest line. It should have been obvious to you that someone would dig in that area. You should have warned me about that cable being so close to the top of the ground," Ned replied.

Will Ned recover any damages?

Possibly. A seller has some continuing responsibilities, especially if he conceals dangerous hidden defects. The seller in this instance knew he was not installing the cable at the proper depth and should have warned Ned.

The fact that you sell a piece of property does not relieve you of all the responsibility. For instance, if there is an old, unused well or cistern on the property which was covered, but not filled in, the seller should notify the buyer. Otherwise, he

could ultimately be liable for any damages should someone fall in.

However, if the cistern's existence was not known to the seller then there probably would be no liability on his part. He must know of the defect to be held responsible for it.

FT. McCLELLAN, ALA. (AHTNC) -- Army Private Michael D. Kappahn, 21, son of Mr. and Mrs. Harold R. Kappahn, 19410 Twinkle Dr. E., Spanaway, Wash., completed eight weeks of advanced infantry training July 27 at Ft. McClellan, Ala.

He received specialized instruction in small unit tactics and in firing such weapons as the M-14 rifle, the M-60 machine gun and the 3.5 inch rocket launcher.

U. S. ARMY, VIETNAM (AHTNC) -- Army Specialist Four Bruce S. Little, 24, son of Mrs. Geraldine Damas, 3909 Orinda Drive, San Mateo, Calif., is participating in "Operation Pershing" in Vietnam.

Spec. Little and other members of the 1st Air Cavalry Division have evacuated more than 19,000 refugees from coastal areas to numerous refugee centers in secured areas and have also inflicted heavy damage on the Viet Cong.

During the search and clear operation, Spec. Little has been engaged in dragging the VC from their vast network of tunnels and bunkers. They had been driven underground by constant U. S. artillery and air strikes.

Spec. Little is a medic assigned to Company A, 2nd Battalion in the division's 12th Cavalry.

His wife, Judith, lives at 13803 Pacific Ave., Tacoma, Wash.

Mmmmm -- That Heavenly Aroma!

Ham steaks slowly grilling to a succulent goodness fill the air with an appetizing aroma that draws the family near before they are called. Equally aromatic and delicious as an accompaniment is Minute Spanish Rice—and, if you like, with a bit of mushrooms or ripe olives added. This custom-flavored mix can be made quickly in the kitchen and kept warm on the side of the grill while the ham cooks. Try this same mix with franks or fish fillets that are grilled outdoors or in the oven broiler.

Spanish Rice

1 can (1 lb.) tomatoes* 1 cup water*
2 tablespoons butter or 1 package (6 oz.) Spanish
bacon drippings rice mix

*Or use 1 can (8 oz.) tomato sauce and 1-3/4 cups water.

In a medium saucepan, bring tomatoes, water, butter, and contents of seasoning packet to a full boil. Add rice. Mix well. Cover; remove from heat. Let stand 12 minutes. Stir well before serving. Makes about 3-1/2 cups or 6 servings.

Mushroom Spanish Rice. Prepare as directed above, adding a drained 4-oz. can sliced mushrooms to tomato mixture.

Olive Spanish Rice. Prepare as directed above, adding 1/3 cup sliced ripe olives to rice mixture after removing from heat.

Mariam Cleveland

Christian Science was read Saturday for Mariam F. Cleveland, 59, a retired Puyallup mathematics teacher who died in a hospital Thursday.

Powers Wrigley Clements Funeral Home Chapel was the scene of the service. Cremation followed.

Miss Cleveland, who lived at 1513 W. Pioneer Ave., had taught in the Puyallup system 31 years. She was born in Grand Rapids, Mich., and Grand Rapids, Mich., and moved here in 1936.

She was a member of Fern Chapter 7, OES, Tacoma.

Survivors include a brother, Warren G., a nephew, Richard C. Vanderflute, and three nieces, Mrs. Marilyn Heinrich, Mrs. Beverly Anne Edminister and Mrs. Pamela Bowmer, all of Tacoma.

Parkland Barracks, Veterans World War I, will picnic noon, August 15 at Kitchen 2 in Spanaway Park.

August 13th, The Governor's Handicap for three-year olds at six and one-half furlongs for \$10,000 added.

James Sales Grange

Back on Schedule

James Sales Grange will get back on schedule for its meetings after the summer vacation, according to grange members.

Early American Sets Opening

Rated one of the finest "Colonial" shops on the Pacific Coast, The Early American Inc., 8021 Portland Avenue, will be opened to the public Thursday at 10 a.m. for a three-day Grand Opening. The store will be open until 6 p.m. each day.

Proprietors of the Early American are Robert and Jean Moore, who report their 15,000-square foot store will feature "country elegance in home furnishings."

The Moores have spent six months preparing for this week's opening, including several buying trips which were climaxed by their attendance at the Coast's two major fall furniture shows, at Los Angeles and San Francisco, in July.

"We feel we are justly proud of what we have to show the public this week and in the future," Moore commented. "Through extensive effort, aided by occasional good fortune, we have been able to obtain, some exclusively, many of the most famed, and authentically identifiable as soon as they're seen."

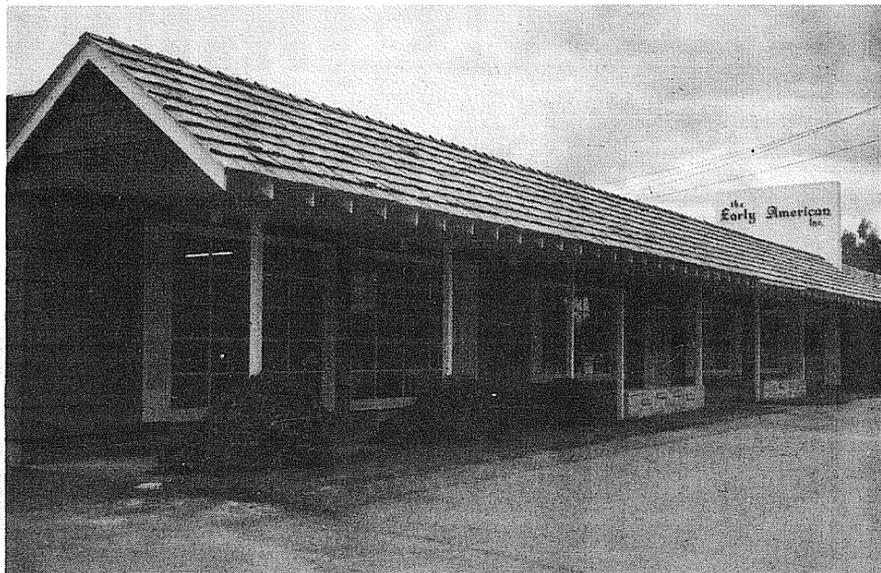

Those lines include three exclusive dealerships, Moore added -- Cal Shops (Califor-

nia Furniture Shops Ltd.), Royal Coach and California Trends. Additionally, in the furniture line, the Early American has stocked the Tell City, Mode of California, Rose City and Bauman lines. In carpeting, Berven, Evans & Black and Downs products will be offered. The nationally-renowned Tacoma line of Spring Air mattresses is also on display at Early American.

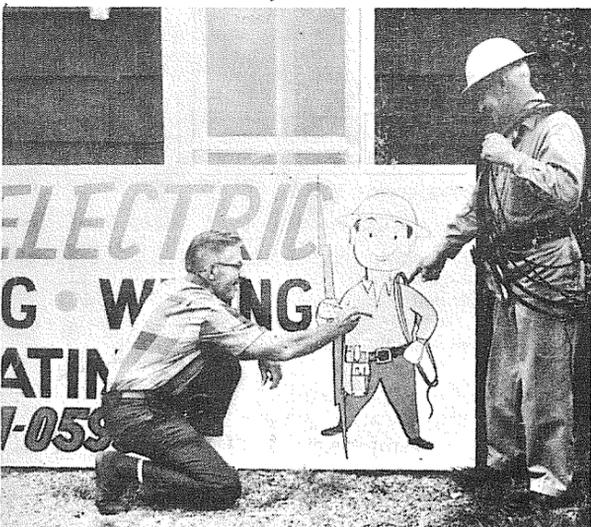

The Daneker and Tell City clock lines will be seen in the shop; paintings by Savage Industries and Van Patten; lamps by Sharbro, Kayess, London and Lampmaster; sculpture by Thomas Holland, and accessories by Syroco, Delft, Golden Crown, Paragon and others.

After the three-day opening event, the Early American will observe hours as follows: Mondays and Fridays, 12 noon to 9 p.m.; Tuesdays, Wednesdays and Thursdays, 10 a.m. to 6 p.m. and Saturdays, 10 a.m. to 4 p.m.

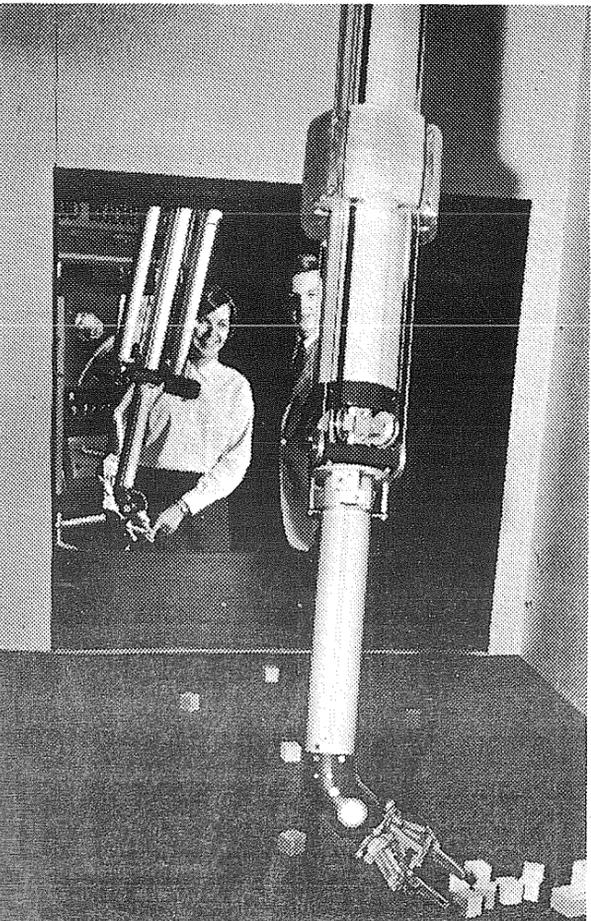

The easy-to-find Early American will be found a few blocks east of Pacific Avenue, on Portland Avenue between 72nd and 84th Streets.

EARLY AMERICAN TO OPEN--The elegance of the merchandise inside is reflected in the appearance of the exterior of the Early American, Inc., 8021 Portland Avenue, a store "featuring country elegance in home furnishings." The 15,000-square foot shop observes its grand opening Thursday, Friday and Saturday, with the public invited to inspect its many features and quality lines of Early American furniture and accessories.

SPAN AWAY ARTIST Paul Chalk puts the finishing touches to a sign he painted for electrical contractor Ernie Skance (right). Although Chalk has turned out hundreds of oil paintings, this was his first venture into the commercial sign field. Skance operates E&S Electric, 13621 Pacific Avenue.

Operating an intriguing "master-slave" manipulator is one of the fascinating activities this summer in Seattle at the Pacific Science Center's special exhibit, "Nuclear Science and Oceanography." Ordinarily used for remote-control handling in nuclear research laboratories, the equipment has been installed at the Science Center for visitors to operate. Many other demonstrations, films, and exhibits are incorporated in the special two-month show which will continue daily from 1 to 9 PM through Labor Day. (Photo by Paul Thomas)

At last Tacoma and Pierce County can enjoy an authentic "Colonial" shop, fully stocked with fine dining, living and bedroom furniture of which any home will be proud.

After months of preparation for this open-event, the Early American's Proprietors, Robert and Jean Moore, recently returned from the Pacific Coast's major furniture shows in Los Angeles and San Francisco.

Justly proud of their selections, featuring the designs of many of the nation's best-known manufacturers, the Moores invite your inspection. They're easy to find---only a few blocks east of Pacific Avenue, between 72nd and 84th Streets. Plenty of parking, too!

Midgets, Superstocks Head Spanaway Card

Rollins, Kiser Capture Main Features

A ROLLING STONE. Tacoma's Dave Rogers brought the Spanaway crowd to their feet with a spectacular rollover in last Sunday's main at Spanaway. The 13 car did a complete flip, landing back on all four wheels. Rogers was uninjured.

SPANAWAY - Midgets and super stocks will again highlight this weekend action at Spanaway Speedway, with the small buzz bombs slated for Saturday evening and the ARI fenderbangers going Sunday afternoon.

About twenty of the full midgets, including Kenny Peterson, Joe Webbey and Palmer Crowell will time in at 7:30, with racing one hour later. The three top pilots have taken turns in the winner's circle over the past two months and another hotly contested main should bein the offing for racing fans.

Last Sunday's super stock card proved to be one of the most exciting of the season. Bob Rollins made a successful return to the racing circuit by outlasting Mike Willard in a red hot 65 car. Willard set a new lap record in earlier time trials, turning the 3/8ths mile Spanaway oval in an incredible 16:15 seconds.

Rollins got off to a beautiful start, threading his way through heavy traffic and breaking clear in the 3rd lap. Willard quickly worked his way through, then set sail to collar the sweet running 7-11 car. After bird-dogging

his quarry for two laps, Willard finally took him high in the east turn, then drew out to a seemingly comfortable 50 yard advantage late in the race. The old pro Rollins played it cool, waited for a mistake and found it when Willard lost it with only 4 laps remaining. The 7-11 car found a little piece of daylight low in the west bank, carried Willard out of the turn, then held off a last minute charge through the final lap to take starter Lucky O'Neil's checkered flag.

In the 40 lap main, Steve Kiser drove his 63 car to a most impressive victory over a 23 car field. The car set beautifully through the turns, coming off the corner with good power.

Dave Rogers, driving the 13 car, brought the crowd up with a spectacular rollover after a hectic east turn slide caught four cars in a mixup.

Another thrilling home stretch mishap saw Longview's Al Millikan barrel thru the infield to wipe out the flag pole standard and base. None of the drivers were worse for wear after their pileups.

An added attraction of the popular Demolition Derby was well received and will no doubt become a fixture on future Spanaway programs. Fourteen cars of varied descriptions spent a half hour of hunt and destroy raids on their counterparts, with only head-on collisions barred. Al Comstock was declared the winner when all other wheels ceased to turn except his. The infield looked like ground zero for an atom bomb test after all the unguided missiles ground to a halt.

Full results of last Sunday's card was as follows: "B" Trophy Dash - Bruce Liner (5), Dick Scott (61) and Ron Wilbert (1). Time 1.16:54.

"A" Trophy Dash - Steve Kiser (63), Dave Rogers (13) and Ken Longley (92). Time 1.11:42.

"AA" Trophy Dash - Jackie Kuper (1), Don Hall (5) and Mike Willard (65). Time 1.08:43.

1st Heat (10 laps) - Liner, Bruce Wooten (68) and Scott. Time 3.15:47.

2nd Heat - Longley, Kiser and Bob Aarhus (38). No time available.

3rd Heat - Terry Standish (41), Joe Hill (46) and Duane Buttner (12). No time.

4th Heat - Rick Brock (33), Jack Kuper (1) and Bob Rollins (7-11). No time.

"A" Main (40 laps) - Kiser, Lou Bramer (10) and Rick Norton (51). Time 12.41:17.

"AA" Main (35 laps) - Rollins, Willard and Leon DeLapp (34). No time.

Peterson, Crowell Head Midget Card

SPANAWAY - Kenny Peterson and Palmer Crowell are favored to lead the mighty midgets in their race for the checkered flag next Saturday evening at Spanaway Speedway. Jack Conley of Portland and Joe Webbey are expected to provide the major competition as a field of 20 full midgets head into the final months of their racing slate.

Three Puyallup favorites will be gunning for honors when the green flag drops. Dick Morrison, Denny Long and Eric Palmer ran one, two and three in the "B" trophy dash during the last racing card at Spanaway July 29th. With time trials slated for 7:30 and racing at 8:30 p.m., fans can expect anything to happen during the course of the evening.

Results of the July 29 card are as follows: Time trials, Peterson 14:81, Crowell 14:84, Webbey 14:86 and Conley 14:94. Offy trophy dash, Peterson, Crowell and Webbey. 1st heat, Eric Gibson,

Floyd Anderson and Denny Long. 2nd Heat, Crowell, Webbey, and Peterson. 3rd heat, Conley, Ray Oban and Bob Woods. Main, Peterson, Crowell, Webbey, Oban, Anderson, Morrison, Long, Gibson, Bob Woods, Bill Hall and Curt Kinnerman.

Gilbert (Gil) Simonis at 42, always one of Longacres' leading jockeys, is known as "The Dean of Jockeys". He's been racing a quarter of a century and horses, particularly Thoroughbreds, are his way of life.

Gil is currently serving as the Northwest Director for the New York Jockey Guild with specific duties concerning the welfare of all jockeys riding here and in the other parts of the Northwest. He has his problems at times but says, "The problems are all pretty simple when you get right to the heart of things. I never find them too hard to solve and with a little understanding they are soon resolved."

Simonis began with horses at home with his own little mare and went on from there to riding at fairs and on small tracks. He broke his maiden at Gresham, Oregon and continued from there to riding at larger tracks. He says "I prefer to ride in route races (at one mile or more) rather than sprint races and I find it easier to 'rate' my mounts." And how does he do this?

He continued, "I can tell when a horse begins to tire. He slackens up on the bit and shortens his stride." This is the time when real intelligent riding becomes a factor and spells the difference between a winner and an also ran.

Gil rates winning the Longacres Derby as his biggest day with the most thrills.

He makes his home, when he's there, in Bend, Oregon, but he is so busy riding and handling the Guild directorship that he's rarely at home. This work requires frequent trips to New York, Phoenix and other major tracks.

Paul Bunyan Club Slates Picnic, Dinner

The Paul Bunyan annual club picnic will be held Sunday, August 13th at the club's picnic grounds. Chairman for this year's event is Louie Crothers.

A pot luck dinner by the auxiliary is set for Tuesday evening, August 15th, and is for members and husbands only.

Runners Nab 2nd Crown In Two Weeks

ORTING -- The Waller Roadrunners captured their 2nd Little League tournament in two weeks, this time downing Cope's Blue Devils 14 to 6 and nab top spot in the Orting Invitational last Saturday.

The Roadrunners reached the championship bracket by edging Cope's Red Raiders 4-1. The Blue Devils staged a comeback against Eatonville to eliminate their southern neighbor 6-5 in a thriller.

In the consolation round, the Red Raiders edged Eatonville 3-2 in another well played contest.

The Roadrunners displayed good power at the plate, banging out 4 round trippers en route to their victories.

Conservation Ed. Program Set By Sports Council

The Pierce County Sports Council will undertake a conservation education program this fall, offering nine, half hour TV spots on KPEC, channel 56 and also supplying a year's subscription of Wildlife magazine to 56 schools in the county.

Featured on the TV programs will be hunter safety, Salmon identification, firearm legislation, predator control and National Parks and Forests and their uses, plus others.

Roadrunners Capture Grange Fair Tourney

Two big upsets marked the Little League tournament at the Waller Road Grange Fair last July 30th, as both 10 and under division winners, Albertson's Angels and Larson's Ramblers, were defeated in opening round games.

Copes from Orting was the undoing of the Angels, jumping off to a big lead and then holding on for an 8 to 7 victory. The Waller Road Roadrunners also upset the dope sheet by pinning a 7-3 loss on the Ramblers.

REMEMBER AUGUST 10, 1931?

"Scarface Al" was heading up the river!

In the "Windy City" Al Capone was allowed to withdraw his plea of guilty to income tax evasion... but it was just a prelude to future trouble for the underworld king.

Here at home the famous recreation center, "The Willows", was destroyed by fire following the inter-community celebration of the completion of the new highway south from the forks of the S. Meridian Road and the Woodland highway. Golf was 25¢ a round at the Green Fairways. Mitzi Green was starring in "Forbidden Adventure" at the Liberty Theater in Puyallup. And W.R. Daniels had just lost three inches off his waistline with just two bottles of KRUSCHEN SALTS in warm water. Nice going W.R.

Meanwhile, we here at Citizens State Bank already had measured over a third-century of service to our neighbors in the Puyallup area.

Today, with nearly 70 years of experience, we are prepared to provide you and your family with the fullest array of banking services available.

NOTHING WOULD GROW?

NORMALLY GROWING out to about five feet, this Golden Bantam corn, belonging to James Putvin of Route 2, Box 2320, Spanaway, stands better than seven and one half feet. The owner uses a mink fertilizer in his garden and a combination of the fertilizer water and sunshine have made this 90-day old corn. Putvin called it to the times Journal's attention after he had on the radio that nothing would grow out in this area. (Staff Photo)
