LAND PHARMACY—a baby hot

The 1949 tourist total should exceed by 600,000 the 1948 record according to Charles E. Johns, supervisor of state progress and industry development and executive secretary of the Washington Advertising Comnission

ists spent \$116,000,000 in Washington. It is estimated that beween 80 and 85% of the tourists come by automobile, with the number of Canadian travellers by autos totalling 19,620 for the first six months of 1949. That is a 96% increase over the

ngton via the Interstate Bridge will be about 12% above 1948 and cars entering the state at other points along the Wash-ington - Oregon boundary will approximate an 11% increase over last year. The Washington ldaho boundary has noted a 16% increase since last year. These increases combine to give Washington a record breaking tourist total for 1949.
