Starr's Sell Rodeo String

Don and Clara Starr recently sold their string of rodeo stock to Fred Dale, Graham, for an undisclosed amount, Clara Starr announced at the Parkland Business Club meeting last week at Johnny's Ranch.

Twenty-five bucking horses and 8 bulls were involved in the transaction, Mrs. Starr disclosed. She said they will continue their rodeo commitments for the balance of the 1967 season with Dale supplying the stock.

In other business, judges were on hand to meet and evaluate the 16 princesses competing for the title of 1967 Roundup Queen. Judging was limited to beauty, poise, and speaking ability. Horsemanship was judged Saturday.

During the question and answer period, M.C. Doyle Collison asked Princess Linda Martin which she would rather be, "A cowgirl or a cowboy's girl friend". "A cowgirl," she replied, "Because a cowgirl gets a horse."

Queen Christina Baydo was asked, "What would you do if you were dismounting your horse and your jeans ripped down the back?"

"There are only two things you can do," the new Queen answered, "Dismount and run for cover or climb back on the horse and ride off."

In answer to the question, "Do you think a boy should kiss a girl on the first date?" Princess Alicia Carson said it depended on whether the boy was good looking and how well the girl liked him. She temp-

MOMENT OF SURPRISE

CHRIS BAYDO registers surprise as M.C. Al Cummings announces she is the new 1967 Queen of the Parkland Roundup. The new queen is the 18 year old daughter of Mr. and Mrs. Arthur Baydo, 10117 78th Avenue East Puyallup. The coronation took place at Sunshine Hall, 107th and Yakima.

ered her observation by saying that in any case, the kiss should be short and sweet and limited to only one.

Princess Kathy Neckolous was asked what she would do during a rodeo run if her horse started to buck, "I'd probably fall off," was the matter-of-fact reply.

"Horses are just fine, but I'd prefer dancing with a good-looking guy," Princess Susan Jensen stated in her answer to the question, "Would you pre-

fer dancing with a good-looking guy or riding a good-looking horse?"

"What would your reaction be if you found out your father wore a toupee?", Princess Vicky Wood was asked, "I'd probably laugh," was the reply.

Princess Henri Milton paused before answering the question, "If you were on a double date and the boy not with you started to pay more attention to you than his date,

what would you do?"

"It depends on whether he was better looking than my date," Henri told the judges. Other replies were:

-Princess Claudette Kaufman said with some of her boyfriends younger brothers or sisters wouldn't present the problem of hanging around.

-Princess Kathy Surplus stated she would prefer a date with a boy who had a new car

In Ceremonies At Parkland

By Sandy Ingram

Queen Chris

Happiness is being crowned the Parkland Round-Up Queen, and for Christina Baydo, 18-year-old daughter of Mr. and Mrs. Arthur Baydo of 10117 78th Avenue in Puyallup, Saturday night was the night.

Miss Baydo, who is sponsored by the Meridian Riding Club, was crowned as a climax to a night of festive activities at the Sunshine Hall, 108th and Yakima.

Kathy Kizer became the first princess, Jan Thackeray, the second princess and Susan Jensen, "Miss Congeniality."

The new queen, attired in a tight-fitting powder blue riding suit, was crowned by the 1966-67 queen, Lou Ellen Hunnicutt.

After Miss Baydo's fan club, her boyfriend's sisters, had gotten over the initial announcement (and all present had their ears returned to normal) Miss Baydo received her coronet, trophy and flowers and said: "I don't know what to say except that these, (the princesses) are a wonderful group of girls and never have so many people helped so much. Thank you."

A 1967 graduate of Puyallup High School, Miss Baydo was a member of the Honor Society, Aqua Club and the Radio Communications Club,

as well as P.E. assistant. She also is a member of the Artic Circle in Burien near Seattle.

When asked what phase of the contest worried her the most it seemed she was a little worried about her horse, "Bafir," who is a game horse.

Bafir is very highly spirited and as soon as she got into the ring during the Saturday afternoon horsemanship judging, expected a barrel race, or pole bending.

Miss Kizer, 19-year-old daughter of Mr. and Mrs. John A. Kizer of Route 1, Box 99, Roy, is a 1966 graduate of Eatonville High School.

Miss Thackeray, who will be a senior this year at Puyallup High School, is the 17-year-old daughter of Mr. and Mrs. W.H. Thackeray of 10902 East 112th in Puyallup.

Beginning Saturday night festivities was a basket social. Many ladies of the surrounding area, including most of the princesses, prepared basket lunches and donated them to the Round-Up social. The baskets were then auctioned off with boyfriends and husbands vying for baskets. The amount collected off the baskets is expected to be near \$70.

Parkland's Time Bomb of Pollution

"Parkland is sitting on a time bomb of subsurface pollution," Clayton Peterson, president of the South Suburban Sewer District, said Saturday.

"The appearance of contamination in the wells of the Parkland Light and Water Company explodes the idea that Parkland doesn't need sewers because of its good gravel," he said.

Earlier this week the Parkland mutual utility announced that it planned to chlorinate its entire water supply as a safeguard against contamination. Two wells, located near McChord Air Force Base, needed chlorination after it was found that they contained traces of contamination. That area has heavy deposits of gravel.

Quoting Dr. Ernest Kredel, director of the Pierce County Health Department, Peterson said: "Safe disposal of all human and domestic wastes is necessary to protect the health of the individual family and the community. To accomplish satisfactory results, wastes must be disposed so that they do not contaminate any drinking water supply;

give rise to a public-health hazard by being accessible to insects and animals; and be accessible to children."

"The situation has become critical," a thoughtful Peterson added, "We have had adequate warning by the contamination of our wells. Now we must take action to permanently solve our greatest community problem; the lack of sewers."

"Although the water can be chlorinated to make it safe for human use, there is no easy way to purify the soil. The bacteria remains as a constant threat to the health of the community," said Peterson. He added that: "We have been fortunate thus far that we have not had an epidemic."

Peterson said that this contamination results in part from the growth in population in the Parkland area, and from continual deposits of sewage in the ground during the past 30 years.

New Bus Viewed

By Bethel Board

Bethel School Board members viewed one of the two new Gillig buses, purchased from monies from the special levy of \$190,000.00 passed by the voters last November, and were told the safety features by Lloyd Burdick, head mechanic, according to Dr. Fred M. Gramann, superintendent of Bethel District.

Burdick stressed the quality of the buses by saying: "Some of our buses like this are seventeen years old and are still in excellent condition."

After a ride in the new bus, Board Chairman Walt Webster commented that it was indeed an excellent piece of equipment.

The board indicated they felt the bus was well worth the money, also that the stainless steel interior "was a real improvement."

A resolution calling for the sale of \$360,000.00 of bonds on August 16, 1967, at 2:00 p.m. was passed. Also passed was a resolution directed to the State Superintendent's office indicating the amount of special levy money passed last November for \$190,000.00 did not include monies to replace the "assured money" in the allotment from the state.

The board heard there was

still a need for elementary teachers in the district, with seven positions still open at this level.

A program of updating the School Board Policies to be accomplished during the next two-year period was appraised by the board. This will be done by using the Davies-Brickell System, whereby each policy and practice is indexed by number and subject.

REO Board Meet Set

The Board of Trustees of Rural Economic Opportunity, Inc. is holding its regular monthly meeting at 1:30 p.m. Wednesday, Aug. 2, in the Parkland Office at 401 Garfield So.

Some of the items to come before the board are a proposed health center for Gig Harbor and vicinity; a mobile health center for Gig Harbor and vicinity; a mobile multi-service unit project, and a family financial and counseling project; also Head Start in the rural areas, according to Laura de Veuve, acting director.

Fire Reports

The residence of Wayne Underwood, 411 So. Judson, went ablaze last Monday and caused an estimated \$3,500 damage, according to officials at the Parkland Fire Department.

A fire in a vacant house was reported to the Spanaway-Elk Plain Volunteer Fire Department last Tuesday. The house had been vacant a number of years.

Lake Spanaway Golf Course Hosts Tourney

By Marie Harrison

Tele. No. 843-2323

Lacamas Community Fair Committee, headed by Mr. Dick Thurston has presented a fine "Premium Book" to all exhibitors, in preparation for the Fair to be held this year

at the Lacamas School Grounds on September 9, 1967. The premium book is full of fine information and I'm sure that if you are interested in exhibiting some of your wares, Mrs. Henry Trusler, Sec'y, could supply you with information, Phone Roy 843-2474.

Mr. Leon Rediske, Chairman of the Roy Rodeo Board, announces that the September 3 and 4 Rodeo has been approved by the Northwest Rodeo Association, which should bring many fine performers to the Roy show. The monthly board meeting of the Association will be held at the Rodeo Hall, 8 p.m. on Tuesday August 1st, with final plans for September show the main item of business. Any interested parties are welcome.

The Roy Grange will hold a public card party at their hall in Roy on Friday P.M. at 8 o'clock, with "500" and "Pin-ochle" as the going games and refreshments following. Come join the fun.

The Ladies' Aid of the Congregational Church are planning their annual picnic at the Roy Park on Wednesday, August 2, at 12:00 noon. All friends and families are invited to bring their food and join the fellowship.

The Roy Fire Department responded to a fire at the County Dump on the Roy-Muck road this past week and quickly put it under control.

Town Marshal Coggin has returned to his duties following a short leave of absence.

Mr. S. Sprouffske, Rural Carrier, returned to his duties Monday, following an extended stay in Washington, D.C., where he and his wife and daughter visited family and friends.

The morning mail schedule for the Roy Post office has been changed, so that it arrives just before 7:30 a.m. now, and leaves at 7:30 a.m. according to Postmaster Elizabeth Wallace. Office hours at the P.O. will remain the same, however.

The "Ways and Means" Committee of Warren Rebe-kah Lodge met at the home of Mrs. Ace Klotzner on Tuesday P.M., to lay plans for taking their "Chuck Wagon" to the Tacoma Retriever Club Field Trials at Shaver Lake, just north of Roy on August 5 and 6.

If you have news for next week, please call Beth Joubert on Friday A.M. at 843-2396.

Tom Coleman of Yakima hit a hole-in-one using an eight iron on the third hole at Lake Spanaway Golf Course, during a practice round for the Washington State Golf Association's Men's Junior Championship last week.

Kim Wenger of Fircrest Community Club, Tacoma, became the 1967-68 champion with a 70-67 for 137 on the par 144 course.

Washington, 8 from North Jay-Cee and 2 from the U.S.G.A. Juniors in Spokane.

Midgets, Super Stocks Head Spanaway Card

SPANAWAY - Another double header is on tap for race fans at Spanaway Speedway this weekend, with the midgets set to roll Saturday evening and the ARI super stocks back for another rock-em-sock-em fenderbanger. Just to make the two day card complete, a powderpuff main will also be in Sunday's program. Watching a powderpuff is like taking in a 3 ring circus with only one eye.

Last Sunday's super stock features produced a few shockers...Harold LeGault boomed his 17 car loose from the pack in the 40 lap "A" main on the 2nd lap and held on to win from perennial winners Ken Longley and Steve Kiser. Jackie Kuper took the measure of Portland's Paul Steinke in the 35 lap double "A" main, giving the local contingent a little revenge after their shellacking in last month's Elscan feature. An old familiar face also returned to Spanaway's oval, but not with the success he normally has. Arlyn Wolanski climbed behind the wheel of the silver 65 car and gave the rest of the jockeys a few bad moments before Kuper received the checkered flag.

Midget driver Palmer Crowell drove his 75 car to victory in the mid-season championships held last July 15. His old adversary Kenny Pet-

erson came in 2nd and Jack Conley captured 3rd.

Why it pays to call ahead for reservations.

There's nothing more dismal than a string of "No Vacancy" signs after a long day's driving. So do yourself two big favors when you travel by car: (1) call ahead for reservations and (2) plan to stop early enough to get a really good rest. Your trip will be much more pleasant. And safer.

Pastor Responds To

"God Is Dead" Movement

Guest

Editorial

By Rev. Daryl Wildermuth

Editor's Note: The Rev. Daryl Wildermuth is pastor of Our Savior Lutheran Church, East 112th and Bingham Ave. Prior to accepting a call to Our Savior, he graduated from seminary in 1957, studied under a Lutheran World Scholarship in Germany for a year, and has served as a parish pastor in California.

"God is dead," certain people have been saying. What they mean, of course, is that God has lost any effective influence over large segments of our society. But we are not so sure.

It seems that God is still very much a part of our society. In spite of the "God is dead" movement, in spite of the noise which atheistic communism has made, most people are very much in favor of God, much as they are in favor of motherhood.

"In God we trust", is still printed on our coins and bills. "God damn it" is still our favorite curse word. Only the most stubborn atheist absolutely refuses to let his wife and children attend church or Sunday School, and we quickly label him the village scoundrel.

God is not dead, not yet.

But if anyone is dead for the average person, it is Jesus Christ. We call ourselves a Christian nation. But great numbers of our people have judged Jesus Christ to be, as they say in the courtroom, "irrelevant and immaterial." They have not learned much about him other than a few snatches in an occasional visit to a Sunday School.

Letting him be their boss, their Lord, the one to whom their lives are dedicated, this is plain 19th century foolishness. His morality is outdated. The fact that he claims to be their Lord, their God, and the judge of their eternity is just plain uninteresting.

This Christless segment of our society is growing.

Society and its children become more and more devoted to pleasure and self. "Anything for kicks" becomes the motto. All this is a great distance from the faith in God through the death and resurrection of Jesus Christ. It is far from peace and trust in God, and from the dedicated life which walks in the footsteps of the God-man, Christ.

In spite of its many failings, the church is still the custodian of the Bible, Baptism, and Holy Communion. The church is the Body of Christ, the place where sinful believers gather to be cured of their sins.

God is not dead ... he never was. Jesus Christ was once dead. He rose and can be found where one finds his Word, Baptism, Holy Communion, and his Christians.

Four Area Men Enlist

John W. Zurfluh, Melvin N. Huntley, Leonard F. Knecht and Robert Arne Pederson have enlisted in the U.S. Air Force, according to T. Sgt. Splane, local U.S. Air Force recruiter.

Zurfluh, 20, a graduate of Bethel High School, is the son of Flossie Zurfluh, Route 2, Box 2505, Spanaway. He enlisted in the Delayed Enlistment Program on May 10 and will go to Lackland AFB, San Antonio, Tex., on Aug. 4 for

basic training.

Huntley, 19-year-old son of Mr. and Mrs. Thomas Melvin Huntley, also enlisted in the delay program and will receive his basic at Lackland AFB beginning July 28. He is a 1966 graduate of Eatonville High School.

Basic training will begin for Knecht in August. He is the 18-year-old son of Mr. and Mrs. Alex P. Knecht of 811 So. 112th and graduated from Franklin Pierce High School in 1966.

Pederson, son of Arnie K. Pederson of 11915 So. Park, is a 1965 graduate of Franklin Pierce High School.

President's Message

Welcome to one of the finest Roundups ever produced by the Parkland community.

Many hours of hard work have been donated by both Parkland Business Club members as well as civic-minded organizations and individuals. Their combined efforts make the seventeenth annual Roundup activities well worth attending.

All net proceeds derived from this annual event are used to maintain Gonyea Playfield and Rodeo Grounds. The Parkland Business Club, with the help of community organizations and individuals, has sponsored the Roundup over the years in an effort to help provide youngsters with a place to play.

The fun and excitement of participating in Roundup Week will be a rewarding experience for all the family. Won't you join us for all the activities?

PARKLAND BUSINESS CLUB
 JOHN GUIZZETTI, President.

Pancake Breakfast Set

A pancake breakfast will be served from 7 a.m. to Noon on July 29-30 at the Gonyea Park Building, adjacent to the Rodeo Grounds at 135th and J St.

Menu for the breakfast, being sponsored by the Parkland Lions Club in conjunction with the Roundup, will include pancakes, ham, milk, juice and coffee.

Tickets will sell for \$1.00 adults, and 50¢ for children under 12. Proceeds will go to the Gonyea Park facilities' needs.

There will be live western entertainment throughout the eating period.

Fred Dale Stock Contractor

Graham rancher Fred Dale, stock contractor for the 1967 Parkland Rodeo, has a sharp eye for picking rodeo stock that will provide cowboys a challenging ride and please the crowd.

In four years of stock contracting, Dale has qualified as a NRA stock supplier and now sends his string of broncs and bulls to supply the action for many of the Northwest's leading rodeos.

"We're especially proud of our bulls," Dale boasts point-

ing out that many have yet to be successfully ridden this year. Parkland fans can expect plenty of thrills from such bovine brutes as Soft Seat, Spec, Disaster, Number 30, Number 5, Brute, Sport, and Elvis, a Scottish Highlander.

Dale isn't lacking in his string of 65 ornery broncs either. The ponies "PDQ", Stoney, and "Croppy" are three of several that have thrown every rider to mount them so far this year.

PICTURED HERE is a scene from the 3rd annual Parkland Round-Up in 1953. That year Jack Brown and Trav Dryer, Business Club president for '53 were co-chairmen for the festivities. The rodeo grounds and carnival area was located next to the Parkland Bank on

112th and Pacific Avenue. Variety shows, kangaroo courts, horse shows, a carnival, rodeo, pageant parade, cattle shows and a host of other entertaining features provided everyone with a fun filled weekend.

**Parkland Rodeo
 NRA Sanctioned**

The 1967 Parkland Rodeo will be NRA Sanctioned with top cowboy talent competing for an expected purse of \$6,500 and qualifying points for the 9 day Northwest Rodeo Finals to be held in Portland, Oregon this October, Producers Don and Clara Starr told the Journal last week.

Cowboys from all parts of the West are sending in entries, and among them are some of the top names in rodeo events, Mrs. Starr disclosed. Bob Wagner, former world champion bull rider, is among the many top competitors who have already entered, she said.

Pointing out the difference between a Northwest Rodeo Association event and amateur rodeo, Mrs. Starr stated that NRA contractors cannot limit the stock. Every NRA member cowboy who enters must be given the opportunity to compete. Amateur cowboys are permitted to enter, but only after NRA members have been accommodated, Mrs. Starr said.

The contractor is guaranteed money through the Association for all NRA riders, she stated. In addition to event purse money, the participating members are awarded points in relation to their winnings. Season high point winners earn a chance to participate in the Rodeo finals and are awarded a saddle at the end of the year.

An unusual amount of interest has developed in the bull-riding events, Mrs. Starr disclosed. Entries have been pouring in for this event, and the purse is expected to be boosted to \$650 or more, she said.

Community Cooperation

A community-wide "work bee" of citizens truned out to build Gonyea Playfield in 1956. Parkland roundup proceeds help provide the necessary funds to maintain Gonyea Playfield and Community Center for youngsters and adults. We feel that's worthwhile. Thats why all the "hands" at the Parkland Banking Center, National Bank of Washington, annually go all out to support the Roundup.

Whether you're planning to move to Parkland or just enjoy a weekend of rodeo, Parkland Light & Water is always ready to serve you.

Parkland offers you the best in modern living, underground wiring, fire protection, modern street lighting, and low water and light rates.

Clown's Job To Save Fallen Rodeo Riders

No broken bones, but a number of bruises that are painful to remember, is the record of the 1967 Parkland Roundup Clown, John Irwin.

Now in his fourth year as a bull distractor, the 1960 graduate of Franklin Pierce High School, will again this year be the only person between the maddened bulls and the riders.

The clown's primary job is to distract bulls so riders can escape in one piece. Unlike bucking bronc events, pickup men are not provided for those who dare to ride the bulls. Bullriding rules state it is up to the cowhand to clear the animal on his own, only the clown stands between the rider and possible goring.

Irwin became interested in rodeos when he was very young. Three years ago at the Parkland Rodeo, one of the clowns took an interest in him and taught him some of the tricks of the trade. From that time, Irwin said he'd been on his own.

"At first my parents didn't go along with my ambitions," Irwin said, "but now they know that it is the kind of work I enjoy."

The young clown works as an electrician for Washington Electric when he is not on the road.

Even though he has been run over a time or two during his career, Irwin says he wouldn't trade this type of work for any other. He works at rodeos in Washington, Oregon and Idaho.

Round-Up Entries Coming Cover Girl

Entries for the 1967 Parkland Round-Up Parade, set for 10 a.m. July 29, are coming in fast, according to officials of the event.

Tacoma's Afifi Collopio and Al's famous Collopio from North Wallingford in Seattle

have turned down invitations from Seattle's Seafair Parade to enter Parkland's lineup. There will be many riding groups including Hoofbeats Bareback Riding Club, the Wrongluettes, from Tacoma, and the Parkland Riding Club,

1966 Roundup Queen Lou Ellen Hunnicut is the cover girl pictured on the front page of the Roundup Supplement. Lou Ellen is the daughter of Mr. and Mrs. Harold W. Hunnicut, Spanaway.
