Puget Sound Bank Slates Open House

Another step in the rejuvenation of Parkland's "main street" is the opening of a new branch office of the Puget Sound National Bank at the corner of Garfield and "C" streets. Garfield Street, gateway to Pacific Lutheran University, has had its ups and downs since the time many years ago when street cars clanged their way across the Garfield and C St. intersection. With the establishment of Puget Sound's new banking facility in this section, and rumored new businesses about to enter the area, Parkland seems on the threshold of a new era.

The new branch of the Puget Sound National Bank at 401 Garfield will be a temporary location, as a new building to house the bank will be constructed nearby, according to an announcement by Reno Odlin, president of the bank.

The new banking facility will be open for business Monday, but this Saturday there will be a special preview "Open House" to which the public is invited. Hours are from 11 a.m. until 6 p.m. There will be refresh-

ments for all, and there will be two special attractions. Each half-hour during the Open House, a \$25 U. S. Savings Bond will be awarded, and there will be exhibited an exact replica of one of the U. S. space satellites.

The manager of the Parkland office will be Clarence Nelson, whose home is in the Parkland area, and all but one of the people employed in the office will be Parkland people. These include Wilbur Brackman, Helen Cullen, June Prettyman and Betty Mickelson. Nelson has been assistant manager of Puget Sound's Lakewood branch at Lakewood Center.

In making the announcement of the establishment of Puget Sound's Parkland branch, Odlin

Paul Bunyon's Toothpick?

SHADES OF PAUL BUNYON — A hunk of timber which might have been one of Paul Bunyon's toothpicks, measuring a mere 9" in diameter at the large end, was transported from the Randle area recently by Cotton Bros. of Tacoma. Bob Brown, engineer and pilot for Cotton Bros., stretches his full six feet in an effort to reach the top, but to no avail. Bob might have better luck at the small end, which measures only 7 1/2" across. Watching Bob's effort is Lynn Randall, driver of the truck. A 13,000 lb. over-weight permit was needed to haul the monster, which contains 6800 board feet. The log weighed in at 75,000 lbs., or close to forty tons. (Photo by McKewen Studio)

MIKE AND JEAN JOHNSON of Clover Creek gaze at their three week old daughter, Betty Louise, as she lies in St. Joseph's Hospital. The child was injured in an auto accident recently when the car she and her mother were riding in was hit broadside by another vehicle. Jean had 85 stitches in her head. The baby suffered a skull fracture and brain concussion. The Johnsons have no insurance to pay the hospital and doctor bills which needless to say, will be tremendous. (They always are, nowadays). In view of this, a "Betty Louise" Fund has been set up by local residents. If you would like to contribute, you may do so by calling Mrs. Hutson at LE 7-6122, or Mrs. Marshall at LE 7-4045. Kudos
We'd like to offer congratulations to the two boys from Woodland area 4-H clubs who did such a fine job at the recent West Cascade Hereford Association Show in Lewis County. David Muxen, son of the Milo E. Muxens of Woodland Road was second and Bill Holliday, son of the Joseph Hollidays of Rt. 2, Puyallup, who was third. These boys were second and third place out of some 150 4-Hers who were judging beef cattle.

seconds in individual matches, and copping a second place team finish in last week's West Central District Tournament at Puyallup. Franklin Pierce showed its real strength, which was not indicated in its season record of three wins, six losses and one tie.

Jim Kent, rugged 194-pound class, continued his winning ways, and now sports a season record of 14 straight victories. Larry Gehrman, heavyweight, also took three straight in the District meet, and has only one mar on an otherwise perfect season record, an early season loss to Bethel's Larry Stearns.

Both Bob Lincoln and Jack Tillman dropped their final matches at Puyallup, but go to the State tourney on the basis of two early round wins. One Cardinal was eliminated from further competition in the District meet. Fritz Herrick lost two of three matches and failed to make the finals. Larry Gehrman is the only repeat winner for the Cardinals from last year. However, he did not compete at Pullman due to a head injury received in the preliminary meet.

Dance Successful, Another Coming

Since the last dance was successful, the Pioneer Park Board of Graham has been able to buy fencing and posts for the fence around the ball park. They have also enlisted the aid of the people in the community to have good top soil hauled on the baseball fields. They paid for the moving as well as a foundation under the club house.

The lights, steps and heat are yet to be installed. The dirt needs to be leveled and the fence must be put up.

Therefore, it was decided to hold another dance on Feb. 25 at the Graham Grange Hall. Boettner's Orchestra will play from 9:30 until 2:00. Tickets

are on sale by Park Board members, announced Bob Abroe, chairman.

a-Wondering . . . and a-Wandering . . .

with JACK BROWN
It's been estimated that "seekers after greener pastures" carry about 35% of our wealth downtown and into other communities. The sad part about this drainage from our local area is that in the long run these shoppers end up spending more than they would right here in the South End.

There are several explanations, for this wanderlust shopping on the part of our local residents: Some are just looking for an excuse to go somewhere. Some feel it is 'chic' to say they went shopping down on Broadway or in the Plaza. Then there are those who were just born to do things the hard way. I think most of them, however, are just ordinary hard pressed consumers who honestly believe the grass is greener downtown. This is far from true. You can find a representative business in the South End for any of your needs. If you consider quality and distance traveled, you'll find time after time that you not only can make your purchase for at least the same price here, but many times actually save money.

This problem of our residents wandering off to other areas is one in which some local merchants share the blame. Downtown merchants know that to lure the county shopper into their stores they must advertise and advertise hard. While they spend money to bring in their customers, quite often the local merchant with the same wares stands idly by, turning his stock by hand and dusting it off to prevent shop wear while the downtown merchant who advertises is busy wrapping his merchandise and ringing up a sale. True, the local merchant was able to save on his advertising, but who gained? Not he. Not our local wanderers. The downtown businessman made the gain.

There is still another side of this wandering to be considered. As you drive past our local stores on your way to town to blow your month's loot, do you ever have a touch of guilty conscience? You should, for the businessman you just passed up has shown a faith in you and in the community by opening a store here for your convenience. Besides, you can bet he lives here and helps pick up the tab for the good streets, schools, policing, etc., that we enjoy in this area. To be absolutely blunt about it, he deserves your business because he is carrying a big load for you.

A good example of the whole situation is my own business. Week after week I publish this paper and send it to your homes free of charge. The paper is crammed full of community service items published free to further the cause of the organizations you belong to. I got my valentine in the mail again this year from the county treasurer. I am going to contribute \$850 this year in taxes towards paying for the benefits we all enjoy. I'll sign pay checks this year to the total of \$55,000 or more which goes to the support of local families. Through this paper you are brought into contact with news that would escape your attention entirely, did the paper not exist. Do you appreciate it? Of course some of you do. Yet every day I glance at the daily and see that even when it comes to advertising for a 'lost dog' you have the wanderlust. Apparently your first thought is to go downtown, figuratively speaking, and spend about twice the amount it would cost you to get your dog back by spending a little money here at home with The Times Journal Publishing Company.

Think about this. You probably let out quite a yelp when you got your tax bill this year. What do you think it would have been if it weren't for my \$850 and the tax money from all the rest of the business houses in this area? The next time you drive by these businesses on your way to blow your dough in the supposedly greener pastures give this some thought. And, Mr. Merchant, while you stand in the door of your store and watch Joe Blow drive by on the way to blow his dough in the supposedly greener pasture, who don't you give a little thought to advertising and giving Joe some essential shopping information on what you have to offer? Believe me, you'll save money in the long run.

Here's one I just can't let go by without making a few remarks . . . barbed remarks, that is. Impertinence of public servants has reached a new high with the bill introduced in Olympia to prohibit service station operators from exhibiting signs showing how much gasoline tax we motorists pay. Violation of the act would be a misdemeanor. If this bill passes, the Communists couldn't be happier. Withholding public information from the public is one of the basic steps in upholding the Communist line.

Soups and Soup Making
Homemade soup is good for the whole family. Remember to heat soup gradually to the simmering point, and simmer slowly for the required cooking time. *Boiling impairs the flavor of soup.*

QUICK TOMATO RICE SOUP
Add a large can of peeled tomatoes to beef stock and bring to a simmer. Add 1/2 cup of rice and 1/2 teaspoon of Lea & Perrins Worcestershire, and simmer until rice is cooked.

EXCELLENT soups can be made using canned soup as a base. When winter wind chills you to the marrow, heat canned consommé with the juice of a lemon added.

Make Ruby Consommé by mixing a can of tomato juice cocktail with a can of condensed chicken consommé. Add 2 teaspoons of Lea & Perrins Worcestershire, salt and pepper to taste, and garnish with lemon slices. For more soup recipes, just
