

## Dahl Is Chosen as P. L. C. Delegate To Union Meeting

Agustana Academy at Canton, South Dakota to Be Place of Conference of Lutheran Students' Union

In a very close race Irene Dahl came in first with three more votes than John Goplerud. She will represent Pacific Lutheran College at the Lutheran Students' Union conference which will be held March 1, 2, and 3 at Augustana Academy, Canton, South Dakota. All the Lutheran colleges in the United States will be represented at the meeting of this union which helps to support foreign missionaries of the church.

Those whose names were presented as students suitable for a delegate were Rudolph Sanderson, Miriam Heimdahl, Irene Dahl, John Wiese, and John Goplerud.

Irene will be the fourth delegate sent by this school. Martha Hjermsstad represented P. L. C. in 1926 at Mohead, Minnesota; Arthur Knutsen in 1927 at St. Olaf's College, Northfield, Minnesota; Ariene Sannerud in 1928 at Decorah, Iowa.

In connection with this conference a journalism meeting will be held, at which Irene, as editor of the *Mooring Mast*, will be present.

## GREATEST CELEBRITIES' BIRTHDAYS HONORED

The birthdays of two of the nations' greatest celebrities occur this month, namely Washington's and Lincoln's. The question occurs to many as to why these men are remembered so much longer than other presidents. Is it because they were presidents during the two greatest wars in American history? Partly, perhaps; but above all two other reasons stand out boldly as we review their histories: their moral character and their willingness to sacrifice themselves for the American people.

Although the first of these reasons embodies the second, each is quite distinct. It was that "Father, I did it," that made Washington great, and it was the fact that Lincoln walked six miles to pay a widow the three cents he had shortchanged her, which gave this man popularity and responsibilities which were entrusted to him. It was these same qualities together with trust in God which made them successful presidents. Their lives show that popularity and strength lie not in riches or nobility but in personality and trust in one's self and God. Through these marked traits of leadership, personality, and self sacrifice during the wars which saved America, these men helped gain and protect what American stands for—liberty and justice for all.

## SVARE TALKS AT MEETING

The regular meeting of the P. L. C. Mission Society was held Wednesday evening, February 6. After the regular devotional services Miriam Heimdahl gave a reading, followed by a piano solo by Eivina Hokenstad. Then Rev. O. F. Svare gave a talk. The date of the regular meetings of this organization was changed to Tuesday evening instead of Wednesday evening of every other week.

## TEACHING THREE "R's" OBSERVED BY STUDENTS

Back to the good, old red-school-house days again. A score and eight in the methods and technique class have renewed their acquaintance with the little first-grade desks, books, charts, and other equipment of said grade.

Observation of elementary school classes constitutes part of the curriculum of the pre-technique study. So far the schools visited are Parkland and Spanaway. The students make very interesting reports of the things they have noticed in the classes they observe.

## Steady Progress Rewards Campaign

Tacoma Work Postponed Because of Bad Weather; Alumni Promise Aid

Development work is progressing steadily. Although the weather conditions in this state have prevented any extensive campaigning, Dr. Tingelstad and Mr. Elvestrom have been working hard making plans for future work. The work in Tacoma has been postponed, because the snow has made effective work impossible. Many committees have been appointed in different churches to begin work as soon as the weather clears.

Dr. Tingelstad spoke in Our Saviors' Lutheran Church in South Tacoma Sunday, February 10. In this congregation a committee was appointed to begin work as soon as the weather makes it possible. Sunday, February 10, former students of Pacific Lutheran College in that community met at Silverton. Mr. Elvestrom was present and reports that several new students will be coming here next year. A committee was elected to begin development plans in that community at once. The committee consists of John Goplerud, Martin Hatteberg, Esther Towe, and Peggy Goplerud.

A definite program has been arranged by Dr. Tingelstad up to March 10. (Continued on Page Four)

## FA' DOWN, GO BOOM! IS WONDERFUL SPORT FOR FELLOW SKATERS

"Hey, fellas! Why don'tcha stand up for a change?"

"Hi, there! Come on over here! Ain't this keen? I hope!"

And many and varied are the like expressions to be heard at the local lakes these last two weeks.

Wonderful sport—this skating—sliding, gliding over the glittering, slippery ice—

On, on toward an endless goal, turning and ducking and gracefully (?) shifting one's self. And then—bang!! Crash!!

Sure, and "fa' down" they do. Indeed the path is far from being strewn with roses or pillows either, for that matter. "Would that it were," moan many unfortunate human derelicts who have shown enough curiosity to test, by actual experiment, whether their heads are more solid than the ice. Most of the answers are said to have been in the affirmative.

And so, that is why there are so many "lame dogs" stalling about P. L. C. with an excited, martyred expression on their intelligent faces.

## Spokane College Will Send Teams

Basketball and Debate Men to Display Prowess at Pacific Lutheran College in Near Future

To follow the mythical axiom of George Washington, perhaps the most appropriate message to the Spokane College basketball team and debate team would be: "We wish you no hard luck, but we hope that when you leave us, you will carry no victories against us."

This marks the second year of inter-collegiate athletics and forensic relations between Spokane College and Pacific Lutheran College sister schools upheld by the same denominational body. Although quite intense relations are to be expected to quite a large extent between two schools of such nature and so situated as are P. L. C. and S. C., up until last year very few years saw any inter-collegiate relations existent.

Last year the basketball and debate teams from the western side of the mountains invaded the domain of the Inland Empire school. It is hoped that this practice of interchanging visits between S. C. and P. L. C. may and will continue in time to become a tradition of the type that lends zest and interest.

## CHOIR SINGS AT HOSPITAL

Veterans Hear Students at Their First Concert

The Pacific Lutheran College choir under the direction of Mr. Edwards gave its first concert on Sunday, February 17, at the American Lake Veterans Hospital. The following program was given:

"A Crown of Grace"	Brahms
"Agnus Dei"	Kalinnikoff
"Deep River"	Burleigh
"O, Bread of Life"	Christiansen
"Sweet Angel Voices"	Edwards
Intermission	
"Make Me O Lord God"	Brahms
"Gladsome Radiance"	Gretchaninoff
"Come Thou Saviour"	Christiansen
"Beautiful Saviour"	Christiansen

During the short intermission Dagmar Hageness played two violin solos: "Kujawiak" Wieniawski "Songs My Mother Taught Me" Dvorak

The hospital furnished transportation for the choir members, who left the college shortly after two o'clock and returned about four-thirty.

## TOMLINSON LECTURES AT LUTHERAN CHURCH

That our South American neighbors are well worth our admiration and respect was brought out by Edward Tomlinson in a lecture in the Central Lutheran Church on February 5.

The speaker brought out strikingly the immense size, wealth, and possibilities of the South American countries and pleaded for better understanding and cooperation between the two continents. He also stated several reasons why President-elect Hoover visited the South American countries immediately after his election.

Those that attended the lecture were Mr. N. J. Hong, Elmer Tveiter, and Harold Johnson.

## Year's Honor Roll Lists 26 Members

Dahl, Larson and Winney Lead Respective Departments; Mahnecke Cup Waits

One half the year that counts on the first enrolling of names on the Mahnecke scholarship trophy has passed with twenty-six on the honor roll. The cup presented by the Mahnecke Jewelers of Tacoma in the fall will be engraved with the names of the students in each department who have made the best scholarship record for the full school year. Those having the highest grades at the end of the first semester of this year are Irene Dahl in the college department, Edgar Larson in the high school department, and Ladelle Winney in the normal department.

A decrease of one is shown in the list, but there is an increase in the distinguished honor roll. To make the honor roll one must have an average of 90. To make the distinguished honor roll, one must have every grade 90 or over.

The members of the distinguished honor roll are Irene Dahl, Inga Goplerud, John Goplerud, Verna Gano, Leah Grass, Ida Hinderlie, Edgar Larson, Jens Rikshelm, B. nard Sandwick, Gertrude Sydow, and Ladelle Winney. Other members of the honor roll are: Lillian Anderson, Eugenia Crosby, Peter Flott, Elvira Hokenstad, Margaret Holmberg, Christina Johnson, Mae Keith, Berdine Knutsen, Eva Knutsen, Gerhard Molden, Bertha Rose, Fred Scherf, Evelyn Solum, Rena Strandberg, and Arnold Thostevon.

## CUPID AND PEB JOIN ON VALENTINE'S DAY AT DINNER PARTY

With the College dining hall as his playground, Dan Cupid played havoc with hearts on St. Valentine's Day.

A dainty valentine basket at the center of each table, served as a hub from which the streamers radiated. Heart lollipops were placed on gay napkins at each plate. The flickering light of the tall candles, which furnished the sole illumination of the dining hall, added to the spirit of festivity and romance.

A delicious dinner had been prepared for the occasion by Mrs. Peterson. Cupid's assistants furnished the "Hearty Ice Cream" as the dessert.

Towards the close of the meal Erling Jacobson announced that he had heard that the Girls' Pep Club was responsible for this enjoyable treat; and suggested that the boys give fifteen rials to show their appreciation. The fifteen rials were given with zest and graciously accepted by the girls as reward for their labors.

## Reunion of Former Students to Take Place on March 9

Special Gatherings of Classes From Beginning of Institution Will Be Feature; Big Program Is Planned

Reunion—the annual homecoming of all former students of Pacific Lutheran Academy, Columbia Lutheran College, and Pacific Lutheran College—will be held March 9, at the Tacoma Hotel, 6:30 p. m.

The executive board of the Alumni Association met Saturday, February 15, and elected a committee to make detailed plans for the reunion. The committee members are: Conrad Gaard, Norris Langlof, Ruth Fadness, Irene Dahl, Mr. O. J. Stuen and Mr. P. H. Hauge. The faculty has also elected a committee—Mrs. L. Kreyder, Mr. J. O. Edwards and Mr. V. Elvestrom, who will assist the Alumni committee.

The committees expect to make this year's reunion the biggest and best ever held in the history of this institution. While, as before, the homecoming will include all students of the three schools, a new plan has been adopted which, it is hoped, will increase the interest. There will be held special gatherings of every fifth class, counting back from the 1929 graduating class. Consequently this year's special reunion will include the classes of 1924, 1919, 1909, 1904 and 1899. In addition special gatherings of the classes of 1900 and 1902 will take place in honor of Doctor Tingelstad. Since these plans will take in several special classes this year, it is hoped that the members of those classes. A peppy program is being planned by the committee. It has promised the best and biggest reunion Pacific Lutheran College has ever had.

## ST. VALENTINE DAY FITLY KEPT BY GALA PARTY OF DAY GIRLS

If one had been in the vicinity of the Day Students' room on second floor at noon Thursday, February 14, he may have heard many intelligent (?) statements such as this: "What's all the noise and excitement about? Oh, yes, I imagine it's those day students up to something again." However, when the curious one had taken just a little peek into the fudde kitchen, which seemed to be the center of attraction as far as the day students were concerned, he beheld a scene which would have taken any one's breath away in surprise—a long table, set for fourteen and cleverly decorated in red and white to fit the occasion. But the most beautiful table decorations, in the onlooker's estimation, were fruit salad, lemon pie, devil's food cake, and Oh, those olives. So that was what it was all about! The day students were celebrating Valentine's Day in a safe and sane way. The observer then passed on his way, satisfied in knowing that he had discovered the reason for such excitement, but mournfully wishing he were a day student, even for just a few minutes.

Those who participated in the celebration were: Irene Dahl, Nelma Gulson, Anna Mickelson, Sylvia Larson, Annik Olson, Dorothy Lehmann, Inga Olsen, Evelyn Moman, Pauline Larson, Ida Hinderlie, Thekla Anderson, Gertrude Sydow, Gladys Swenland, and Margaret Fadness.

### WELCOME BACK, ALUMNI

P. L. C. is still the good old place it used to be when your gang was here. Your gang will be back March 9, will you join them? Think of the days you spent here with them. Your roommate, your pal, perhaps your springtime rival, the fellow who married the girl you used to sit on the kicking post with. Yes, they will all be here. If you are old and grown up you can come back and be reminded, to your embarrassment, of the foolish and childish pranks you indulged while a student here. If you have not yet reached the age of sophistication, you can laugh heartily when a fellow classmate recalls such incidents.

The school is growing, will you help it grow? Come back and keep acquainted. Perhaps you know most of your fellow alumni now, but every year there are new members added to your alumni association, new students at school, and new faculty members coming in. In union there is strength, come back and let's all work together for a bigger and better Pacific Lutheran College. Mooring Mast, 1925.

### LETS SUPPORT!

We are now in the midst of the debate season at our College. For the past month intensive work has been done by the teams under the coaching of Mr. Hange. Students, let us support our debaters.

In all activities of the school, debate is perhaps the one which is taken least seriously. Yet, we find that debate is also the one that causes most work and worry on the part of the contestants. Debaters usually receive less support, less honor if they win a debate, and more criticism if they lose, than the participants in any other contests held in the school.

Should this be the case, students? No, it should not. The debaters need your support as well as do basketball and football players.

During the next few weeks you will have an opportunity to hear several debates. Attend them, and show your debaters you are interested in them.

Students, come out and support your school.

Dear Ma and Pa

This cold weather has its advantages for anyone who has skates and can use them the way I can. There is many students which wish they could skate, like me but can't on account of not having the natural talent. Sleigh riding is their specialty. Some even went sleigh riding during exam week, but I suppose this is only fitting and proper, as they have been "sliding" all semester.

The only thing which is keeping me from creating a sensation is that I have not got a white sweater. But they cost \$10, and I can't think of it. I can wear my white midie instead, as I don't think the weather will ever be more damp and raw than it was yesterday. I hope I do not get pneumonia or anything, but anyhow we'll be money ahead, as hospital expenses here don't amount to anything.

Valentine Day has now safely came and went. According to the rule that "all the world loves a lover" you might expect a exhilarating atmosphere in this college after this. There was one fellow, which made a mistake when he sent a valentine to a P. L. C. sophomore, without enough stamps on it. Uncle Sam ain't much on lovers I guess, as he made her pay the full amount before she could see who it was from.

One evening I was walking down the hall, when I heard loud voices in a room next to me. Being naturally of a daring disposition I decided to look into the matter. What do you suppose it was? No, it wasn't no fight, but only a couple debaters practicing for the debates which is to come off this month. They was arguing over the insanity question, which is a crazy subject anyhow. I got out again as fast as I could as I didn't want them to asking questions and using me as a authority.

The choir has been giving free concerts in the chapel this week. This gives the lie to the guy that said "You can't get anything for nothing." He should of known better than to say anything like that, however, as people will try to get it anyhow.

The demand on the students for charity is something awful. I gave a whole dollar for the starving Lutheran students in Europe without no overcoats or white sweaters or anything. When I think of these drives, my sentiments are the same as the quartette's which sings, "That's where my money goes." But again, when I picture them trying to keep warm, skating or something, I say, "Anything I have yours," as I know how they feel.

If I don't write again for some time, you will know that I have pneumonia. Your loving daughter,  
Cheroba

### Men's Dormitory Student Council Will Be Continued

At a Men's Dormitory Union meeting held Monday evening, unusual interest was shown in discussions as to whether or not the Student Council should be continued. After heated discussions between Mr. Ramstad, John Wiese, and Peter Plot, it was decided to continue it.

The following were elected to act on the council:

Peter Plot, president; Rynold Jacobson, vice president; Fred Lee, secretary; John Gopierud, treasurer; and Arthur Olson, sergeant at arms.

### WORK ON FIRST ACT OF PLAY HAS BEGUN

The cast has begun work on the first act of the play "Clarence," by Booth Tarkington, which will be given by members of the Literary-Dramatic Society.

Kurma Hoff will take the part of Cora Wheeler instead of Bobby Wheeler as was stated in the last edition of the "Mooring Mast." George Lane will take the part of Bobby.

The tentative date for the presentation of the play has been set for March 16.

## SPOKANE TO COME

Friday and Saturday the Spokane College quartet will be guests at Pacific Lutheran College, during their stay for a two game series which is to be played in the local gym.

Much enthusiasm is being shown in the contests as the Gladiators have not forgotten the defeat handed them in Spokane last year. Although no definite gope is available on the Spokane hoopsters, they are rated as a strong aggregation in their class and are out to repeat from last year. The Gladiators have been in a terrible slump for some time, but the results of their last two contests may prove to be a change for the better. If the Gladiators play up to form, the contests should be lively and close games.

Coach A. W. Ramstad announces that preliminaries are being arranged for both contests.

## Credible Game Is Played by Team

All-Stars, Tacoma's Undefeated Club, Fight Hard to Keep to 83 to 44 Score

In one of the most thrilling games Tacoma basketball fans have seen this season, the Lutheran five held the strong All-star aggregation to a 53-44 score Thursday evening, February 14, in the Lincoln high gym. The All-stars, coached by Bob Hager, former Oregon State College star, has gone thru the season undefeated and is rated as one of the strongest independent clubs in western Washington. The Gladiators' playing was a credit to any team, and they took well with Tacoma basketball enthusiasts.

Led by Crowe and Wilson, former College of Puget Sound luminaries, the All-stars' offensive abilities were not to be denied but the Gladiators returned the favors by keeping victory within their grasp throughout the game. At the end of the quarter the Gladiators led 10-8 and half time found the score 28-25 in favor of the all stars. Timely substitutions by Hager gave the All-stars an advantage, as a fresh group was kept on the floor through the game.

Sanderson, Lutherans' ace forward, possessed some of his old time form again and hit the hoop for twenty-two counters. Crowe led his team with 16. The entire Lutheran line-up played an exceptional game.

**The line-up**  
 P. L. C. (44) All-Stars (53)  
 Sanderson (22) F (12) Wilson  
 Colton (9) F (16) Crowe  
 Carlson (8) C (2) MacDougall

 Substitutions: P. L. C.—Howick (4), Stars—Toilefson (4), D. Wasmund (8), Yengling

## GLADIATORS LOSE BY 23-19 SCORE TO RAILSPLITTERS

The Gladiators continued their slump which has followed them through the last five games by dropping a close one to the Lincoln five Tuesday, February 12, on the Lincoln court. The Lutherans' playing was far below par, and as pre-game dope had the Lutherans booked for easy victory, the game was somewhat of a surprise. However, due credit must be given the "Axe men" for their victory, as they marked themselves an exceptional high-school quintet. The score was 23 to 19.

The Gladiators started the scoring, but both teams battled for the lead throughout the first three quarters. At the end of the third period the Lutherans led by five points, but the "Railsplitters" staged a rally in the final quarter which the Gladiators could not subdue and managed to flash into the lead in time to win.

For Lincoln Sorboe and Mazza played an exceptional game. Sorboe, with 11, capped scoring honors, while Mazza contributed his share toward the cause by playing a stellar defensive game and scoring six points. Carlson, a former Lincoln star, was big performer for the Lutherans, while Sanderson also played his usual good game.

**Lineup**

## HI SCHOOL QUINLET DEFEATS CITY TEAM

Friday evening, February 8, Coach Sanderson's Hi School quintet outpointed the Thirty-Eighth street Cubs, a city team, 22-20 in a nip and tuck affair. The game was played as an opener for the game of the Parkland Men's Club.

Gardlin and Thostenson for the young Gladiators were most effective. Webster, flashy forward for the Cubs played an outstanding game, tying with Gardlin of the Lutherans for scoring honors, with 10 markers.

**Lineup**  
 P. L. C. (22) (20) Cubs  
 Munson (2) F (4) Farley

 Substitutions: P. L. C.—Myhre (2).

## Sumner Girls Lose Game by 20 to 17

Basketball Girls Appense First Defeat by Victory Over Same Team; Game Here

Smashing all records of this season and no doubt those of all other seasons, the P. L. C. girls basketball team defeated the strong Sumner team 20-17, last Friday, February 15.

P. L. C. took their first defeat from Sumner this year by a score of 69-21. The students, teachers, and players were therefore surprised at the defeat of Sumner, Friday evening on the P. L. C. floor.

The P. L. C. girls played as never before and their faces set to win before the first whistle blew. It was a fast and rather rough game, in which every player showed up well. The "Gladiators" kept their score ahead of Sumner during the first three quarters, but at the beginning of the fourth quarter Sumner crept one point ahead. The home team rallied, however, and sunk a few more baskets, which settled them winners. There were no outstanding players on either team, as each side displayed good team work.

**The line-up is as follows:**  
**Sumner**  
 Purvis (12) F (6) Larsen  
 Geiger (5) F (6) Ebersole  
 Livesly (5) C Lofthus  
 Clerge C Gardlin  
 Tarbox G Knutson  
 Giefer G Cline  
 Substitutes: Sumner, Jansen and Gaines. P. L. C. Kaaland (8) and Quast.

## GIRLS VICTORIOUS IN GAME

Lincoln Park Team Defeated by Score of 18-20

The P. L. C. girls' basketball team played the Lincoln Park team for a second time, February 5. The Lincoln Park girls won the first game which was played earlier in the season by 2 points, and the P. L. C. "Gladiators," after a hard fought game, won the second game by a score of 18-20. It was an all around fast game and gave everyone a chance to yell.

**Lineup**

## HIGH-SCHOOL FIVE DROP TO LINCOLN

In a preliminary to the Lincoln-P. L. C. varsity game the Pacific Lutheran high-school five dropped a 30-17 contest to the Lincoln Reserves. Lincoln's big advantage lay in their size, thus rendering the young Gladiators unable to put up much of a defense.

Lyal Sanderson, ably assisted by Gardlin and Thostenson, played a flashy floor game with seven counters to his credit. Hall, diminutive Lincoln forward, starred for Lincoln, entering the game in the last half to score 10 points.

## RETURN CONTEST AT ELLENSBURG IS DEFEAT FOR BOYS

Friday, February 15, the Gladiators packed their outfit, boarded the "rattier," and journeyed over the mountains for their return contest with the Ellensburg "Teachers." Although defeated, the Gladiators console themselves with the fact that the scorebook indicates a better showing than they made in the first encounter. The final score was 50 to 25. Coach Sanderson's boys were at home in their own gym and had little difficulty in finding the basket.

For the Normal five, Magnusson had an unusual night garnering 18 points. Sanderson's 12 points and Palo playing good square features for the Lutherans.

**Lineup**  
 P. L. C. (25) (50) Ellensburg  
 Sanderson (12) F (9) Rodgers  
 Colton F (2) Sutphin  
 Carlson C (16) Morrison  
 Nyman (2) G (7) Gagnon  
 Palo (4) G (10) Jensen  
 Substitutions: P. L. C.—Gardlin (2), Howick (5), Ellensburg—Pumhes, Thomas, Hedlund, Isaacson (4), Rey (2).

## FIFE BEATS GIRLS

In a close game yesterday afternoon the Fife high school girls beat the P. L. C. girls basketball team. Only once were the Lutheran girls ahead of the Fife team, that in the third quarter. The score was 33 to 32.

The first game played between the two teams ended with the P. L. C. girls four points ahead.

A third game is being contemplated. **The lineup**

 The substitutes were: P. L. C.—D. Ebersole (8); P. Grande

## NORMAL FIVE DEFEAT TEAM

Ellensburg Holds Lead Throat Game; Score Is 33-11

Marking themselves as a superior basketball team in every department of the game, the strong Ellensburg five ran true to their reputation by defeating the Gladiators 33-11 Thursday evening, January 7. The "teachers" easily distinguished themselves as the best that fans have seen in action on the local court for some time. Their defense was flawless and led by Sutphin. Ellensburg's scoring ace, their offensive work was somewhat different from anything the Gladiators had hitherto met.

The Gladiators played a consistent game throughout, trying to hold the score within reason. In the first 10 minutes of the second half the Normal five was held scoreless, but they found themselves again to cage 14 more points before the contest ended.

Sutphin, with 14 markers, was high scorer of the contest and easily the class of the floor. Colton stood out for the Lutherans with 6 points and a nice floor game to his credit.

**The lineup**  
 P. L. C. (11) (33) Ellensburg  
 Sanderson (2) F (4) Rodgers  
 Colton (6) F (14) Sutphin  
 Carlson (1) C Morrison  
 Howick G (6) Gagnon  
 Nyman (2) G (5) Jensen  
 Substitutions: P. L. C. Palo, Ellensburg—Isaacson, Thomas (4).

spirit to college life.

Of the men who last year journeyed to Spokane—and who by the way were profoundly impressed by the excellent and appropriate entertainment they received—six men are still with us, and of course the two coaches. This fact, however, need not bring doubts of any kind to anyone, for there are more men to replace those who have left. Of last year's basket ball team Evans Carlson, Rudolph Sanderson, and Marvin Howick are members of the squad that will encounter Spokane, while Erling Jacobsen is the only debater left of the four of last year.

The first game has been scheduled for eight thirty Friday evening and a second game on Saturday evening at the same hour, with a debate to open at seven o'clock on Saturday evening. In addition the women's debate team of P. L. C. will meet the Bellingham State Normal School women's team at one thirty on Friday afternoon, which encounter is given more attention elsewhere in this issue.

The Pacific Lutheran debaters who will uphold the affirmative side of the question, "Resolved that a substitute for the trial by jury should be adopted," are Erling Jacobsen and Olaf Ordal. The names of the members of the Spokane team are not available.

This will be the first forensic encounter for the debate team this year and it promises to be an interesting as well as instructive match.

**LETTER REPORTS**  
**CALIFORNIA COLD**

The following is part of a letter received from Arnt Oyen, '27, who is working on a farm in El Monte, California.

El Monte, California, February 12, 1928

Cheer up! You are not all alone about the cold weather. We, too, have had rain and frost alternately every day since February 1. At every orange tree a fire pot is kept burning during the night and forenoon. Since the oil used for this purpose is of a very inferior grade, the air for miles around is filled with dense black smoke. Once in awhile the sun will shine through the smoke, but it feels as if it has lost its heat. We have now had four successive days of this apparently total eclipse of the sun, and as I am working outside all day long, I have acquired a complexion rather difficult to describe. However, this is sunny southern California, and the Californians will inform you that the cold spell won't last long.

This is a great life if you don't weaken. I have a family of 170 heads, counting cows and calves, and leaving out myself. The most interesting job I have is to instruct calves in the fine art of taking nourishment. They are like students; you know; they don't like to listen to the advice of the old and experienced teacher. Methods of instruction are somewhat similar to those employed in the classroom, although I have found it necessary to eliminate sarcasm and adopt corporal punishment. I have plenty of time for meditation as I don't begin to work until five in the morning and often quit at eight in the evening.

How are the plans for reunion progressing? Of course, I won't be there, but I want you people to have a wonderful time. Accept my best wishes for a successful school year and an interesting reunion.

Miss Ida Oas, who is at present attending North Western Business College in Portland, has had a severe attack of appendicitis, which probably will result in an operation.
