'Say It With Music' Theme for Weekend Festivities

Crown Will Grace Queen Esther Ist

" . . . I crown thee Queen Esther I." With these words the 1957 Homecoming, "Say It With Music," will be officially opened. Mr. Fred Mills of Kennewick, Washington, will crown the queen at the program which will be held in the CMS tonight at 8:00 p.m. Mr. Mills is a prominent church layman and a long-time friend of the college.

On hand to entertain the queen and her court will be a variety of student performers including Hazeldell Hanson, Bill Orme, the Eighth Notes, an instrumental ensemble led by Jerry Bayne, a violin quartet, and the college orchestra led by Mr. Gordon Gilbertson.

Past Homecoming queens will be on hand to help make this coronation a festive occasion, as will be Mr. Ron Douglas, president of the Alumni Association, who will bring a greeting from the alums. Another highlight of the evening will be the knighting of the football captain, Lynn Calkins, for the Homecoming game tomorrow.

After the coronation, the queen, princesses, and escorts Dave Knutzon, Merle Martinson, and Darrell Hines will attend the rally on lower campus and the alumni reception in South Hall.

Tonight's announcer will be Cal Capener, who also did the announcing of the queen in today's chapel program. Verna Robinson and Ron Tally are the co-chairmen for the coronation and Eric Nordholm was in charge of the staging.

Admission wil lbc free.

Alums Dwell In Old Main: Late Students Climb Ivy

While the earlier Homecomings may not have been quite so impressive as ours in 1957, they certainly bred an amount of excitement equal to the more recent ones.

For in previous years the weekend alums made themselves at home once more in Old Main. Reservations were sent in, and

Mouse Gives Jordahl News

I've had quite a nomadic existence ever since I began living with Mrs. Katherine Jordahl. You see, I'm not an ordinary mouse; I'm a French mouse. I met Mrs. Jordahl the year she went to school in France, and sort of tagged along with her from then on.

She was born in Indiana as Katherine Stout, but became Mrs. Olaf Jordahl after a time spent at the University of Wisconsin. Both she and Mr. Jordahl received their Doctor of Philosophy degrees there in Madison during the depression.

We spent some time in Evanston, Illinois, where they added to the family. By the time we reached Parkland, there were ifve of us. (I had a most frightening experience whenever he moved. She never planned room for me, and I always had to sneak myself in somewhere just as they went out the door).

They Made Halloween Holloween

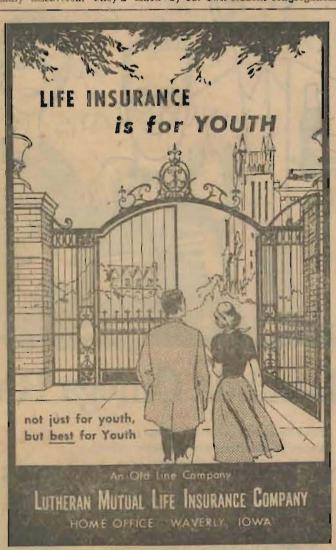

Halloween night can be real fun. Looking back on it, many of us see the joys of an evening spent running around enjoying ourselves and thinking up mischief. Now consider the Hallowen of a life devoid of the fun. Consider, if you will, the Halloween where there is no running around. The Halloween where mischief will be met with punishment. If you will, you will get some idea of the true value of a task undertaken by some of the West Hall girls and PLC fellows.

Into the lives of the kids who are kept within the walls and barbed wire fences of Remann Hall, Tacoma juvenile detention center, come some of the old fun of Halloween-from these PLC students.

We would like to thank, through the pages of this paper, those who gave of their time for others on Halloween.

Hap's Happenings

by EUGENE HAPALA

HAP'S HAPPENINGS

It won't be long now until we will be reading about the selections of candidates for the all-conference team, inspirational award, most improved player award, next year's captain, etc., that always follow the grid season. Not all schools go along with the policy of electing their next year's captain by team voting. Here at PLC it is the policy to elect the captain by the team members, and well it should.

The players all know who has the leadership ability and can lead them to greater feats of performance on the field. In the past the selections have always warranted praise and this year is no different. Of course, there is always the few who turn on the captain and coaching staff at the end of a

What these few do not realize are the scenes behind the scene. Injuries, illness, and lack of bench strength are what hurt our Lutes this season; not lack of ffort or knowledge by the coaching staff or Captain LYNN CALK-INS. Adhesive tape and aspirin have played a decisive role in fielding a full

We would like to commend Coach HARSHMAN on his judgement of benching players who were nursing injuries, yet wanted to play. A few of these men might have made the difference between a win or a loss, but in th process could have suffered permanent disabilities. HARSH used his best judgement and was looking after the team, not the win or loss column.

The late Grantland Rice's (the granddaddy of all sports writers) classic saying, "It's not whether you won or lost, but how you played the game," can easily fit into HARSH'S coaching philosophy. Hats off to COACH HARSHMAN and CAPTAIN LYNN CALKINS for their able leadership and judgement against insurmountable odds. When next year's captain is announced, look up to him as a leader. That's what he is.

DEAN STILL BEDRIDDEN

We stopped in to see center JIMMY DEAN again this week. DEAN is still confined to the infirmary with a broken sternum, inflicted during the Eastern-PLC football gafe two weeks ago. He would appreciate visitors, and especially members of the football team. It is not known how long he will be bedridden.

THIRD FLOOR NOTCHES INITIAL WIN

Third Floor's "never-say-die" football team finally added a big "one" in the win column as the boys defeated Tacoma 12 to 6 in their last scheduled game of the first round of football play. All team members unanimously agreed that they couldn't stand another win this season after all the congratulations had been poured on them. After the game the boys announced that the game had been their "little homecoming" and GORDIE SOILAND was to reign as their "little king" from Third Floor to North Hall.

We've traded in our battered old crystal ball and accepted delivery of Ivy, Art "The Arm" Nerheim cona sputnik type sphere that is guaranteed to predict even the route through nected twice with Lowell Sheldahl. the Kiosk (don't bet on it, though). Anyway, we will try it this week in hopes of recovering from the horrifying results of last week's prognostications.

Look for the Lutes to end their losing streak with a 20 to 12 victory over Whitworth tomorrow. CPS has an open date tomorrow, but Washington's Huskies will chalk up their sixth loss of the season at the hands of the league-leading Oregon Ducks 14 to 0. Western Washington's Vikings will have little trouble with British Columbia tomorrow as they roll up a 27 to 6 victory. And in the big game on lower campus, pitting the upper class girls against the frosh girls (?), we'll give the edge to the upper class women.

Have any of you noticed the fine display of pictures of this year's Lute football players in the window of McKewan's Studio in Parkland? A fine display of community interest to PLC.

Dorm Teams Tie in Finals

In the last round of the Lute intramural gridiron contests the Eastern Parkland team scored a 36-6 win over its West side foe, the "sad six," to cinch a first place tie. Simultaneously Ivy and Clover Creek, realizing their league standings were at stake, battled to a 12-12 tie.

In the Eastern-Western game, Eastern was led to victory by Roy Schwarz, Jim VanBeek, and Dave Bernsten. In the Ivy-Clover Creek fray it was Dean Morrison passing to Jerry Curtis for Clover Creek and for

On the twin turf, Fourth Floor was tracking its way to first place under the sure arm of Roger Iverson. Iverson pitched to Chuck Curtis once and Larry Peterson twice as Fourth overpowered Dejardines 18-12. Duane Moe's and Dick Clare's passes to Merle Martinson and Dick Foege accounted for the Dejardine 12 points.

Passers Gary Kamlin, Dennis Troedson and Bill Ray and receivers Jerry Scheele and "Hurryin'" Haaland bolstered the win of Second Floor ever Viebroch, and Ted Berry led the Clover Creek scoring.

Roger "Jump and Throw Iverson kept Fouth Floor on the victory trail which cinched the first place tie. Fourth bowled over Ivy 28-12 on the last day of contests. Gridders Take On Foe Tomorrow in Tacoma

Whitworth's puzzling Pirates, featuring four of the top individual performers in the conference, yet able to record but a single victory in six games, will provide the competition for PLC tomorrow at 1:30 p.m. at Lincoln Bowl in one of the highlights of the three-day Homecoming festivities.

The air-minded Buccaneers, who lead the conference in three passing departments, are looking for their third straight win over the Gladiators, who will be physically fit for the first time in five weeks. The Buc-Lute series dates back to 1931: PLC swept the first nine games, but Whitworth has monopolized in the last three. Last year a field goal in the closing minutes beat the Lutes 23-21.

Whitworth has a new mentor this year in Wally Uphoff, who introduced a new system at the school, the split-T. Despite the loss of three all-conference stars, Whitworth retained allconference halfback and captain, Bernie Rakes, halfback Warren Lashua, and tackle Paul Ward.

In the pre-season outlook, the chief Whit concern was the lack of depth at quarterback. Tacoma's Vic Ferguson has more than solved the quarterback problem; he has developed into one of the outstanding passers in the conference and holds a substantial lead over his nearest rival in passing

There is a look of optimism for a change in the Lute picture. The flu siege appears to be over, and the Glads should be nearly at their full strength, including the long-awaited return of star fullback, Tom Gilmer.

Gilmer Back Again

Gilmer, injured in the Pacific U. game, undoubtedly will see much action tomorrow. The triple-threat senior is leading the conference in punting with a 40.7 average. His presence in the lineup will be particularly noticeable on pass defense.

HAP'S HAPPENINGS

It won't be long now until we will be reading about the selections of candidates for the all-conference team, inspirational award, most improved player award, next year's captain, etc., that always follow the grid season. Not all schools go along with the policy of electing their next year's captain by team voting. Here at PLC it is the policy to elect the captain by the team members, and well it should.

The players all know who has the leadership ability and can lead them to greater feats of performance on the field. In the past the selections have always warranted praise and this year is no different. Of course, there is always the few who turn on the captain and coaching staff at the end of a

What these few do not realize are the scenes behind the scene. Injuries, illness, and lack of bench strength are what hurt our Lutes this season; not lack of ffort or knowledge by the coaching staff or Captain LYNN CALK-INS. Adhesive tape and aspirin have played a decisive role in fielding a full

We would like to commend Coach HARSHMAN on his judgement of benching players who were nursing injuries, yet wanted to play. A few of these men might have made the difference between a win or a loss, but in th process could have suffered permanent disabilities. HARSH used his best judgement and was looking after the team, not the win or loss column.

The late Grantland Rice's (the granddaddy of all sports writers) classic saying, "It's not whether you won or lost, but how you played the game," can easily fit into HARSH'S coaching philosophy. Hats off to COACH HARSHMAN and CAPTAIN LYNN CALKINS for their able leadership and judgement against insurmountable odds. When next year's captain is annonneed, look up to him as a leader. That's what he is.

DEAN STILL BEDRIDDEN

We stopped in to see center JIMMY DEAN again this week. DEAN is still confined to the infirmary with a broken sternum, inflicted during the Eastern-PLC football gafe two weeks ago. He would appreciate visitors, and especially members of the football team. It is not known how long he will be bedridden.

THIRD FLOOR NOTCHES INITIAL WIN

Third Floor's "never-say-die" football team finally added a big "one" in the win column as the boys defeated Tacoma 12 to 6 in their last scheduled game of the first round of football play. All team members unanimously agreed that they couldn't stand another win this season after all the congratulations had been poured on them. After the game the boys announced that the game had been their "little homecoming" and GORDIE SOILAND was to reign as their "little king" from Third Floor to North Hall.

vember, football history will be made on the lower campus of PLC. The Karen (Kapturer) mighty Wonder-Women of the upper class girls will meet the Galloping Girlies of the freshman class in the annual gridiron classic, the Powder-Puff Bowl.

The game, which is scheduled to start at 8:00 a.m., should be a thriller. The Wonder-Women, under the

able coaching of Rog (Jump) Iverson, assisted by Jim (Wonder-Boy) Van Twila (Tiger) Gillis5-3 Beck, will field the strongest and biggest team they have had in many a sputnik.

Camile Emerson, the all American girl, will again hold down most of the passing chores while Marilee (Rip) Anderson will be doing the quarter- within an inch or a pound or so. backing. The line averages an astund-

Rog and Jim were quoted as say-"They're rounding out pretty The tentative starting line-up for good, but if they don't come through the Wonder-Women, as announced we'll sell 'em for six cents a pound."

> Things are relatively quiet in the freshman camp. Coach Hump Arnston refuses to give out any vital details on his squad, except to say, "The Girlies have all the curves and the coach has all the angles."

The frosh will probably field their usual strong team, but to find out if they have anything to match the bigboned bonnies of the Wonder-Women we'll have to be at the big game ZehmLG 6-0 265 tomorrow.
