Jakob Gimpel, the Polish-born pianist who will open the Drama-Music Festival Thursday, May 6th, has appeared in many Hollywood movies.

He was chosen as the official pianist for the Chopin Centennial in New York. Jakob Gimpel will be the first renowned pianist to play on our C-M-S stage.

The cast for "Joan of Lorraine," which will star Luise Rainer, has begun rehearsals seven days a week, from four to five hours per day.

Miss Rainer will arrive on campus (Continued on Page Four)

### Marie Bloomquist Elected May Queen; Eight Attendants Chosen for May 5 Fete

The freshman, sophomore, junior and senior classes present eight lovely girls to be the attendants to our May Queen for the annual May Festival, May 5. The princesses are Patty and Peggy Arlt, Constance Hustad, Betty Jean Condray, Jeanne Frieske, Jan Whitmore, Janet Carson and Constance Hanson.

Patty and Peggy Arlt are the freshman twins from Ritzville. They have begun their years at PLC as active members of LDR, band, and have worked on the Saga staff.

The sophomore princesses are Constance Hustad and Betty Jean Condray, better known as Connie and B. J. to us. Connie is from Bellevue, Washington, and B. J. is from Oakland, California. Connie is a transfer from St. Olaf College and is a member of LDR, Chorus and an active member of our debate squad. B. J., the young lady we see in Dean Eklund's office, is a member of Spurs, FTA and Curtain Call.

The junior attendants are Jeanne Frieske and Jan Whitmore. Spokane is the home of Jeanne. She is secretary of the junior class, vice-

president of Mu Phi Epsilon and a member of the Choir of the West and FTA. Jan is from Santa Monica, California, and is also a member of the Choir of the West, FTA, and is treasurer of AWS.

The Senior princesses are Janet Carson and Constance Hanson. Janet is from Independence, California, and is a member of Pi-Kappa Delta and has been active in all speech activities. She is vice president of FTA. Connie's home is here in Parkland, and she is a member of the Choir of the West, and of Mu Phi Epsilon. Connie is well-known on campus for her piano playing.

### Exercise Your Right to Vote!

Tuesday, April 27th, marks the day when ALL PLC-ites will go to the polls to elect their prexy and cabinet for the school year 1954-55. Stop a minute before you vote and ask yourself: "Is this the one who will do the best job? If so, why? Does he have the necessary abilities and 'know-how' for such a position? Or are you voting for someone because your roommate is?"

Some say they don't know the candidates. Now really, PLC isn't that big. Maybe if our enrollment numbered four or five thousand that might be some excuse, but this is not the case.

These same people who refuse to vote, or just plain ignore student affairs, are usually the ones who complain the loudest about the results.

Some of you are 21, or soon will be, and eligible to vote in a state or notional election. The habits you form here in college will be carried over into later life, so don't get into the habit of ignoring elections. Remember, it's not only your *duty*, but your *privilege* to VOTE!

Vote Tuesday, keeping in mind not only the person, but also the position. MOST IMPORTANT OF ALL . . . VOTE!!

The following are the students that will be voted upon:

#### President:

Erving Severtson  
Richard Brandt  
William Knorr  
Theodore Carlstrom  
Jack Hoover

#### Vice President:

Maurice Fink  
Peter Luvaas  
Donald Gaarder

#### Secretary:

Thelma Nygaard  
Mildred Van Buren  
Avis Jensen  
Harriet Vorvick

#### Treasurer:

Suzanne Skubinna  
Faith Bueltmann

### April 29 To Be 'Campus Day'

This year, Campus Day will be held Thursday, April 29, with Blue Key in charge of the morning's work, and APO directing the afternoon's activities.

As before, the campus will be divided into sections, with two Blue Key co-chairmen for each area. They will arrange the lists of students which will be posted in the Bulletin Board in the Main Hall, secure necessary tools from the maintenance department, and in general, organize the work crews.

The areas of the campus included in the cleaning, are Old Main area, SUB and hill behind it, C-M-S and grounds as far back as the kicking post, Science Hall and hill behind it, Library, Gym and lower campus.

After the grounds are cleaned and inspected, a picnic lunch will be served on the lawn, after which everyone will go out to Spanaway. There, according to APO, there will be baseball, volleyball, swimming, and a picnic supper served.

#### Attention, Students!

Many complaints have been heard by the Mast Staff concerning stories of importance which have not appeared in the paper.

We, of the staff are willing to run news concerning any club, organization or function in which PLC-ites participate.

As there are so many functions that happen at the same time, we cannot possibly know much of the details concerning any of them unless we assign a reporter to cover the event.

It is possible for anyone to make mistakes, and so we wish to suggest two things to help us and the organizations we try to represent:

1) Each club or organization should assign a special officer to cover their meetings and functions, and to report these to a member of the Mast staff.

2) Any student knowing information about functions or events which will or have taken place may turn them in to any person on the Mast staff.

By doing this, you students will cooperate with the Mast and we will be able to cooperate with you more fully.

# Don't Walk on the Grass . . .

Spring has arrived. The trees are budding, the flowers are blooming. In a few short weeks, our campus will be covered with rhododendron blossoms.

This is the time of year families explore the beauties of nature, and our campus is no exception.

As visitors walk around PLC they cannot help but notice the beautiful green carpet stretched between the buildings. This carpet of grass will not always be green, however. It will soon be covered with dark brown streaks and muddy holes. These are caused by students taking short cuts between classes or during their leisure strolls.

We can't be proud of our lawns if they look like cow pastures, so let's not cut corners or take short-cuts across the lawn! Keep our campus beautiful!

# Help Keep Coffee Shop Clean . . .

If you've been in the Coffee Shop lately, you have noticed the newly-waxed and cleaned floors. Maybe you have also noticed that already there are cigarette burns and paper scattered over the floor.

No one likes to eat in cluttered surroundings, so those that operate the Coffee Shop try to cooperate with the students in keeping the shop clean.

Ash trays are placed conveniently for smokers and there are enough waste paper baskets so that no one should have trouble finding a place for his old lunch sack or cigarette stubs. We students can only keep the Coffee Shop as clean as we want to, so let's cooperate by cleaning up our messes.

# Dorm Doin's . . .

By Euny and Joanie

Tuesday again and it's time to ransack the dorm for news! Easter vacation seems to be the topic for discussion. As everyone came trudging into the dorm Monday evening you could almost tell from the expressions on their faces what part of the country they had come from. There were those bright-looking Californians with beautiful sunburned, shining faces, wearing convertible-looking eyes, and then the slightly toasted Oregonians with spring birds' nests in their hair, and then the sad, sad North Pole winter-looking Washingtonians looking like mother's clean, white wash hanging on the line!

Seen sporting a new engagement ring after the Easter holidays was Inga Astrup, who is engaged to Bob McAdams! What a nice Easter bunny! Did you find it in an Easter egg, Inga?

Then there were those who had a little trouble in finding their way back to school! (Intentional?) My partner, Joanie, yellow-convertible Kendall, it seems went 100 miles out of her way taking a short cut. Oh well, the scenery was nice even if it was 9:30 p.m.

As you may have guessed, the question of the week is: "What did you do during your Easter vacation?"

Maggie Thompson: "I went to church three times; worked on a history paper once!"

Patty Hogg: "I worked all vacation at Emanuel Hospital."

Charly Brandt: "I drank up beautiful Willamette Valley sunshine."

Lina Taber: "Went to the coast and got sick!"

Teasie Bashore: "I helped Keith build a rock saw."

Carol Brace: "My brother just got four white rats of which one he boards for twenty-five cents per month, 3 dogs and 1 bird! This is why I didn't go home! No room!"

Pat Soderman: "I got a new car!"

Marlene Went: "Went went went to Aberdeen!"

Marys Ensberg—Ate liver! Four times! She says, "I had to because my blood count is low. On Easter I celebrated and had ham!"

Norita Miller: "I went to a wedding but didn't know the bride or the groom!"

Connie Bjornson: "I herded cows when I went home with my roommate!"

Mary Alice Drexel: "I went to a party and had a wisdom tooth pulled!" (All at the same place?)

Jeannie Christianson: "I went swimming, skiing and fishing!" (Jeannie tends to exaggerate).

Peggy and Patty: Went to a wedding and ate and ate and ate.

Ruthie Skow: "I went to the beach."

Gerda Nergaard: "I went to Seattle and loafed around the library!"

Flash! Flash! Flash! Here is a new list of stags going to the Tolo: Miss Wickstrom, Mrs. Holstad, Mr. Weiss, Dave Roe, Janet Ida Claire Olsen, Miss Schmieder, Pops. Of course this is a very incomplete list!

Hey Putrid Profiles, we're still here!

P.S.—Read this column next week for the complete list of names of those who have been seen recently studying in Chapel. Another exclusive!

# APO To Give Pledge Party, Steak Fry Soon

The Alpha Phi Omega is making plans for a combination pledge party and steak fry to be held in the near future. Paul Running is in charge of the party and Roald Feness is making the plans for the steak fry.

The APO is also making plans for a "Keep Off the Grass" campaign. David Shearer is the head of this.

This semester's pledges are: Harvey Schulenburg, James Simonson, Maurice Hillis, Donald Ripley, Robert Sebo.

# From the Clubs . . .

The plans for the annual Linne Outing on April 23, 24 and 25 are all complete and those going are looking forward to a few days of fun and relaxation in the out of doors.

Mu Phi Epsilon Monday evening, April 26th, will pledge three members of the Tacoma Alumni Chapter: Mesdames Janice Rickards, Dorothy Gilmore and one other member. The Lincoln High School Choraliers will also sing.

Pi Kappa Delta will initiate eight people within the next week. At a recent meeting, the following people were elected for initiation: Constant Hustad, Margaret Canis, Beverly Sveningson, Judith Bureker, Robert Lundgren, Alan Carlson, William Finkle, and Paul Jordan.

At a 4 o'clock meeting Tuesday, April 20, Alpha Psi Omega chose the four neophytes to become future members. May 21st is the date for the combined Alpha Psi and Pi Kappa formal initiation ceremonies.

L. D. R. met Thursday, April 22, in Dr. Nodtvedt's home and slides on Columbia Missions were shown.

According to David Roe, American Chemical Society is still trying to get tear gas into the girls' dorm.

# LSA To Be Host At Lutherwood

Western College of Education's L.S.A. group at Bellingham will act as host at the regional L.S.A. retreat to be held at Lutherwood from April 30 to May 2.

P.L.C. is in charge of the Bible Study and the L.S.A. council has made arrangements to have Rev. Stime, of the Lutheran Bible Institute, for the speaker.

The retreat will be located at Lutherwood on Lake Samish near Bellingham.

# Sophs To Give 'Comic Opera' in Chapel

Sophomore class will present a Comic Opera to the student body April 27 during Chapel time.

The roles in the opera will be played by Stuart Gilbreath, Arthur Getchman, Gordon Strom, and Thomas Swindland. They acted out a comedy opera in the play "Sleeping Beauty," which was sponsored by the Sophomore Class. Their new act will be on this same order.

# Proletarian Profiles

By Steen-Roe-Utzinger

Easter eggs come and go but the hot rod crazy Paul keeps running. The reason that Easter eggs don't last is that there is a tendency for them to hatch. Paul is one of the unhatched variety which is uncomfortable to sit on, hence unhatched. One of the great virtues, or appealing things about this set of wheels is that he is always in season. Thirty ought six traffic tickets are mute evidence to the attitude which California cops have towards the clean-cut hardened man of chrome who never runs.

Paul got his first taste of the thrill of the spoked wheel at the soft age of seven-come-eleven. A bosom buddy sold him a second hand speed shift and ever since Running has been shifting for himself.

Coherently speaking though, Paul Running, the subject of this prose, is quickly acquiring the appearance of a perpetual college lad. Besides spending the last three years at our own little, dearly beloved halls of ivy, Paul has previously been seen on the campi of Redlands University (in sunny Calif), and St. Olaf College (whatever that is). Not being satisfied even yet, Paulus is planning on about fifty years at the seminary in St. Paul. So at the mere age of seventy-nine our young stripling will be fully prepared to become a member of the tax paying public. We don't mean to imply that Paul is having any trouble with his school work or anything, but confidentially, we have the latest word, which we can't print; this is a Christian college.

A car is a car, but in the rough and ready hands of this grease monkey-boy a car is a mode of conveyance to eternal bliss. Eternal lives in far off Roy who is the son of Rob.

Paul is now working on a bust of himself which he plans to donate to the hall of Old Main. The demand for these busts will be appalling when he perfects his new invention; The Running Steam Engine. The principal for this revolutionary device lies in the transfer of heat spontaneously from a hotter body to a colder body in the presence of a perfect insulator. The efficiency, Paul bragged, will be 100% when operated at zero degrees absolute. But, as the old saying goes: What's good for Paul is good for nothing.

Paul is planning a quick trip to Europe this summer, though we away from himself. Come fall, we may see a new man in Paul's shoes, if his money runs out in the Lourve. Until then his itinerary includes the carefree (at ten bucks a shot) fling at cafe life, monestaries in the Alps, and shaking hands with Venus de Milo.

Remember June first is the close of the tattoo contest, but don't let it interrupt your studies.

Question of the populous: Why is "Dorm Doin's" such a popular column? Answer: Because it is the only connection with the outside world for 200 co-eds.

# Choir Has Successful Trip; Glad to Return

By Carol Edlund

"Oh the Choir of the West is gone away, And we betcha that you're hoping that we would stay, But your peace and quiet's over now Cause the Choir of the West is back, and how!"

Once again the choir has returned from its annual spring tour. This year we went through Washington and Oregon, singing 12 concerts in 12 cities. We had a lot of fun together, but to write an account would take much space. However, there are some things that deserve mention.

First of all, to our choir mother, Mrs. Knorr; our director, Mr. Malmin; our manager, Milt Nesvig, and our bus drivers, Floyd Ohman, Don Brunner and Jerry Sheffels, go a vote of thanks. They were tops. To Miltie we give a special citation. He was great. Besides getting soaked with squirt guns (Oh row, row, row your boat), he was the recipient of such prizes as fish tails, burned waffles, a powder puff and a shower cap. In return for this he presented dish towels to all those coming late to the bus in the morning. These were presented at each evening meal and were a much sought after prize.

Don Nelson knitting on the bus, Ed (Philanthropist) Larson telling his "On the Riviera" stories, Jim Evans sleeping, or trying to, on the suitcase racks on the day 60 of us rode over 100 miles in one bus, Ruth Hanson spilling cherokal on the Prineville church steps (we left our mark there), Ed (Frenchman) Ken-

edy sitting in the governor's seat in the Oregon State Capitol building while the rest of us were content to be senators and representatives, fellas lifting weights at the Mental Hospital before our concert, namely Duane Romo lifting 125 lbs. and Ron Smith struggling with 25, Myrna Pfannekuchen visiting a Catholic monastery and cathedral at Mt. Angels, six girls going wading at Seaside, several going swimming in the heated pool (fun but painful for Shirley Savage), Jo Schwarz leading us in "Dona Nobis Pacem," Faith Buelman and Lois Anseth providing good laughs for bus "38," Milt N. dressing as a gypsy and thumbing for a ride, in Kennewick, our veep Jim Jaeger presenting Mr. Malmin with cuff links and studs on his birthday, which we celebrated at Silverton, helping him eat his birthday cake.

The never to be forgotten performance of the Pan Handle Symphonette conducted by Ruth Hanson complete with comb section, Duane, Gordy and Johnny on the ukes; Nancy and the hangars; Mina and the cake tin; Jan on rubber bands and Schwarz playing cymbals and all of them played two classics, the first being their encore and finishing with a song dedicated to Milt, Jim LaMont playing his harmonica upside down and blindfolded; Cath, Myrna and Mary Lou comparng stitches on their argyles; everyone taking car sick pills for the rough trip from Astoria to St. Helens (we were all so groggy as a result that everyone slept the whole trip); Jewel Kelly getting more mail than anyone else, Don

## WISHFUL THINKING?

Wouldn't it be great if PLC had a real nice baseball field with bleachers where we could have lots of ball games and all the students and faculty could watch a red-hot Lute nine pound out victories.

Wouldn't it be great if PLC could send a track team back to the Drake Relays in Iowa like Seattle Pacific College is doing. PLC has almost the potential in the four-man two-mile relay that SPC has, with six capable half-milers here.

How could PLC miss next year in football if we had a slick ball-handling quarterback to go with the speed and power which is already guaranteed in the backfield; also, how about two more 220-pound tackles like Ollie Magnuson and Chuck Forsland.

Wouldn't it be great if Nick Kelderman developed into a better player than Phil Jorden of Whitworth and if Bill Ketelle brought a 6-foot, 10-inch little brother to school with him next fall.

Wouldn't a field house with a dirt floor and a high roof complete the building plan at Pacific Lutheran College. It could be used for football turnout in bad weather (which is usually), for winter and early spring baseball and track turnout, for intra-mural sports like badminton, volleyball and horseshoes, for gym classes and play-nights, and place for a tremendous Saga Carnival, a place to make floats, and for those who like to swim, well, you take it from there.

## ITEMS

You can't keep a good man down. A couple of weeks ago Dave England, a husky lad who turns out for track, was taken to the hospital with a fractured ankle bone, which he broke while pole vaulting. The doctor predicted that his ankle would be in a cast for at least two months. Two days later Dave was on his feet again without a cast; in fact, not even a crutch to lean on!

Don Gaarder's :09.8 hundred-yard dash time is the best I've seen in the Northwest, including meets between Coast Conference teams.

If PLC doesn't win the Conference baseball pennant again, it shouldn't be for lack of pitching. Vern Hanson, Bud "Stacky" Lester, Duane Brandt, Gerry Larson and Roy Paulson compose a fearsome five-some that makes the ball dance some before the batters' eyes.

You take the Yankees and I'll take vanilla. With every American League club saving their best pitcher for the Yanks, they'll be lucky if they win their sixth straight pennant. Watch out for Cleveland, though.

## S.U. Wins Two From Lutherans

Seattle University added two more wins to their victory lists as they throttled Pacific Lutheran College in a doubleheader last Thursday noon in Seattle 16-2 and 3-0.

Bud Lester was the Chiefs' victim in the first game as he was tagged for 10 runs in five innings. Ragged fielding was responsible for a large part of the scoring as the Lutes' lack of practice showed itself. Dwaine Brandt finished out the remainder of the game. The Lutes managed six hits off two Seattle hurlers, George Karpach and Wayne Sroka. Frank Karwoski was responsible for two of the six hits. In the second game, Morrie Galbraith and Bob Ward teamed to throw a shut-out against the Lutes. PLC was able to get only two hits, one by Tom Swindland and one by Vern Hanson. Dwaine Brandt pitched the first five innings and was hit for two of the three Seattle runs. Vern Hanson finished the ball game allowing the final run.

## Lute Track Squad Takes WWCE, 79-50

The Western Washington Vikings stopped the Lute track squad by taking eleven first places in posting a 79-50 victory. PLC's Don Gaarder, however, had the best performance of the day as he blazed to a sparkling :9.8 hundred and a :22.2 twenty-two. Don ran the 100-yard dash a tenth of a second faster than the Evergreen Conference record.

Terry Brown and Dale Storaaslie were the other first place winners for PLC, Brown copping the 880 in 2:10.7 and Storaasli tying for first in the high jump at 5 feet, 9 inches.

**Choir of West Has Successful Trip**

(Continued from Page Two)  
 Brunner getting a permanent key to his bus, Jim Simonson busily taking pictures with his trusty little camera, last minute instructions to Diane "Prudence Pimple" Bassett before her trip home, and last, but not least, is Ray Gold thinking himself worth a fortune after hearing how much the price of gold is that was used in the statue atop the Oregon State Capitol Building.  
 Some of the outstanding scenery along the way included: the beautiful Cascades in both Washington and Oregon, the endless blue waters of the Pacific along the Oregon Coast, Silver Creek Falls (we walked under North Falls), and the view of Astoria from the Astor Column. Besides singing our regular evening concerts, we sang at: Silverton High School, Columbia Hospital in Astoria, Salem State Capitol and the Mental Hospital in Salem.  
 Now for coming events: Saturday, April 24—the choir will record for RCA Victor in the hopes of getting an album of this year's work. Sunday, April 25—an evening concert at Central Lutheran Church, Tacoma. Sunday, May 23—our final concert of the year in Everett.

**Two Pairs Shoes Will Be Given Away In Chapel**

"Booster—the most walked about man's casuals, have led to the neatest fashion swipe of the day—Boosterettes."  
 Instead of the usual drawing for a sundae or soda, the lucky chapel seat winners (there will be two—a boy and a girl) will each receive a pair of shoes—Boosters for the boy and Boosterettes for the girl.  
 These students will be given a choice of colors also. Boosters come in brown, navy blue, faded blue and claret. Boosterettes are Harbour blue, flash red and faded blue.  
 Both pairs of shoes are donated by Malcolm Soine of Soine's Shoe Store and they will be given away next Tuesday in Chapel.

**Chorus Sings in Capitol**

On Wednesday, April 21, at 7:00 p.m., the Pacific Lutheran College Chorus presented a concert for the public in the Rotunda of the Capitol Building at Olympia.  
 This program was recorded and broadcast over KGY, at 8:00 p.m., and consisted of the following numbers: Ride On King Jesus, a Negro spiritual proclaiming the faith of the singer who sings: "... No man can hinder me... King Jesus rides a milk white horse; the River of Jordan He did cross... No man can hinder me," Kyrie, Eleison, by Milton Dieterich, which is a contemporary composition patterned after the oldest music of the Christian church. Sung in Latin: "Lord, have mercy upon us, Christ, have mercy upon us, Lord, have mercy upon us," Lullaby, a tender melody sung to a sleeping child. "Our Father, who are in heaven, send Thy blessing; protect thy child and guide him till morning, when dawn appears," and Go Down Death. This music was composed especially for the chorus of Pacific Lutheran College by R. Byard Fritts, the director. It is intended to represent the reaction of a Negro congregation as it listens, suffers, and rejoices while listening to a most powerful sermon-story preached in the remarkable poetry of James Weldon Johnson. This sermon is taken from the collection entitled "God's Trombones," and was narrated by John Rydgren.

**A. S. B. Meeting**

The Associated Student Body Council had a brief meeting to consider the coming elections. J. P. Carlstrom's motion that the standard voting machines should be used in place of the older ballot method was passed. However, a limit as to the expense of such a machine was fixed.  
 The only other business brought out was the "Lucky Chapel Seat" milkshakes. Formerly, they had been provided by the Coffee Shop. But it was decided that this should be paid by the Student Council. The motion of Glenn Johnson's to that effect was passed unanimously.
