WELCOME TO J-TERM AND SPRING 2007

Dear PLU students:

The long-range plan of the university, PLU 2010, identifies five institutional aspirations for the future. As you peruse this schedule of classes to prepare for J-term and spring registration, I invite you to think about your academic goals within the framework of these central PLU 2010 themes:

1. Strengthening Academic Excellence: "Ours is an academic experience that helps all individual students discover their own gifts and maximize their achievement."
2. Expanding Community Engagement: "PLU is dedicated to building a strong, collegial, and dynamic learning community."
3. Enhancing Global Perspectives and Local Commitments: "The university will seek to internationalize its curriculum, encourage study abroad and diversify its community, even as it builds connections with its nearest neighbors."
4. Nurturing a Sense of Life as Vocation: "The university strives to awaken the curiosity of each learner so that all of life becomes a quest for knowledge and understanding."
5. Seeking Fiscal Strength: "The university gives living expression to the claim that a university's most important assets are intellectual and not financial."

Successful completion of a curriculum involves more than choosing the right combination of classes; it means becoming immersed in an educational experience that empowers you for a life of learning and service. PLU 2010 gives direction and vision to the entire university. Perhaps PLU 2010 can provide direction and vision for each of you as you plan for the next phase of your educational journey. Find the document on the web (www.plu.edu/~plu2010/). Read it before you visit with your advisors. In addition to registering for classes for next year, you have an opportunity to participate in building the PLU of the future.

Sincerely,

Patricia O'Connell Killen
Acting Provost and Dean of Graduate Studies

Notes on J-Term and Spring Final Exams

J-TERM

- J-Term final exams are held the last day of class.

SPRING

- Late afternoon and evening classes** hold final examinations at the regularly scheduled meeting times during exam week.
- Instructors for classes which meet on Wednesday-only, Thursday-only, or Friday-only** during the semester will need to contact the Scheduling Coordinator at mitchealm@plu.edu to arrange for a classroom during final exam week as Monday-only or Tuesday-only classes are normally assigned to the regular classroom during the final exam day and time indicated to the left of this page. Saturday-only classes normally schedule final exams on the Saturday prior to finals week.
- Students in one-semester-hour courses** may be evaluated prior to the final exam week.
- Final exams are scheduled using the beginning time of the class.**
- Friday of final exam week** is available for make-up examinations, for follow-up to examinations already given, or for student conferences.

RIGHTS AND RESPONSIBILITIES

Upon admission to or registration with the university, the student and/or his or her parent(s) or legal guardian agrees to accept responsibility and the legal obligation to pay all tuition costs, room and meal fees, and any other fees incurred or to be incurred for the student's education. In addition, the student and/or his or her parent(s) or legal guardian is required to complete and submit a Payment Contract to the university each academic year. The university agrees to make available to the student certain educational programs and the use of certain university facilities, as applicable and as described in the PLU Undergraduate and Graduate Catalog. A failure to pay when due all university bills shall release the university of any obligation to continue to provide applicable educational benefits and services, including, but not limited to, the right for further registration, statement of honorable dismissal, grade reports, transcripts or diplomas. The student shall also be denied admittance to classes and the use of university facilities in the event of default.

PAYMENT INFORMATION

Payment may be made in the form of cash; personal, business, or cashier's check; money order; wire; or debit or credit card (VISA or MasterCard). Credit card payments may be made by telephone 24 hours a day on the Business Office secured line at 253.535.8376. Mail payments with billing statement remittance stubs to Pacific Lutheran University, Attn: Business Office Cashier, Tacoma, WA 98447, or deliver payments to the PLU Business Office in Hauge Administration Building, room 110. Checks should be made payable to Pacific Lutheran University. Please do not mail cash.

TUITION REFUND POLICY FOR WITHDRAWAL FROM A COURSE

Withdrawing from a single course after the last day of add/drop waives your right to a tuition and fee refund. If you do not wish to continue a course after the add/drop period, you must withdraw from the course. You must obtain the instructor's signature on an *Add/Drop/Withdraw Form* and submit it to the Student Services Center. Students adding or withdrawing from a course(s) after the last day of add/drop during a semester/term will be charged a late registration change fee of \$50.00 per transaction. Students who are dropped for non-attendance by faculty are also charged \$50.00 per add/drop.

REFUND POLICY FOR COMPLETE WITHDRAWAL (OFFICIAL WITHDRAWAL FROM ALL CLASSES)

Spring Tuition:

100% tuition refund before February 7, 2007

Tuition refunds prorated on a daily basis: Feb. 7 - Apr. 15, 2007

No tuition refunds on or after April 16, 2007

J-Term Tuition:

100% tuition refund on or before the Last Day to Drop w/o Fee for Term (see page 3 for J-Term 2007). No refund after this date.

Housing and Meal Plans:

Housing refund (refer to contract): Refunds prorated on daily basis
Meal plan refund (refer to contract): Refunds prorated on a weekly basis

Notice of withdrawal must be made in writing and submitted to the PLU Student Services Center. Oral requests are not valid. Full charges for the term will remain on the student's account until written notice is received and processed.

Friday 12:30am – 5:55pm
Saturday 12:00am – 11:25pm

BANNER WEB HELP

If you experience problems accessing Banner Web or your PIN has expired, contact the Student Services Center, at ssvc@plu.edu or 253.535.7161, or the Registrar's Office, at registrar@plu.edu or 253.535.7131. Please make sure you provide your full name, PLU ID number, and pin number.

BANNER WEB INSTRUCTIONS

Find Banner Web

Using the most current version of your Web browser, find Banner Web by accessing the PLU home page at www.plu.edu and selecting Academics from the menu at the top of the page. Select Banner Web (located under Support for Teaching & Learning). Select Access Banner Now (Secure), select Enter Secure Area (Banner Web), and log in.

Logging on to Banner Web

1. **Log on by using your PLU ID number as your user ID.**
2. **Enter your PIN** (personal identification number). Your initial PIN is your birth date in MMDDYY format. Example: The PIN for a person born June 16, 1985, is 061685. You may change your PIN at any time via Banner web, but you will be required to change your PIN the first time you access Banner Web.
First-year (Freshmen) and Sophomore Students: This is NOT where you enter your Registration Access Code. You will be asked for your Registration Access Code during the registration process. See the registration instructions on page 9 for details.
3. Click the "Login" button.

Logging Off

Remember to log off of Banner Web when you finish a session, especially if you are in a computer lab. Click the "Exit" button on the upper right corner of any screen to exit.

Helpful Hints

- Use the "Help" button for more detailed information about the use of Banner Web.
- Use the "Return to Menu" button or the menu options at the top of each page. Do not use the "Back" or "Forward" buttons of your browser.
- You have a limited number of attempts to log on correctly, after which access is disabled. Contact Student Services Center or the Registrar's Office in order to reactivate your access.
- There is a 30-minute session inactivity timeout. If you do not use Banner Web for 30 minutes, you will be required to log in again.

BANNER INTERACTIVE SCHEDULE

Banner Interactive Schedule allows you to search for up-to-the minute information about every class and does not require Banner Web log-in to view. Your search criteria can be as expansive or as limited as you desire. Search by term, class status, subject, attribute, day, and time.

How to find Banner Interactive Schedule

Select Academics from the top of the PLU homepage. Select Banner Interactive Schedule (located under Classes, Class Schedules).

Helpful Hints

- Select multiple subjects or statuses by using the mouse in conjunction with the Ctrl or Shift key. Holding down the Shift key allows you to use your mouse to select multiple subjects or statuses that are listed next to one another. Holding down the Control key allows you to use your mouse to select multiple subjects or statuses that are not listed next to one another.
- When searching by attribute, select an attribute and check the box that says "Show all subjects with matching attribute". If this box is left unchecked, your search will be limited to courses offered by the selected subject that also meet the selected attribute.
- Reset the fields by using the "Reset" button at the bottom of the page before beginning a new search.

BEFORE YOU REGISTER

ELIGIBILITY AND REGISTRATION TIMES

Students who have never attended PLU and have not been formally admitted to the university are not eligible to register via Banner Web.

New Students

- **Advance Payment:** A \$200.00 advance payment is required to confirm an offer of admission. This advance payment is required before class registration. The payment is refundable until **May 1** for Fall, **December 1** for J-Term, and **January 1** for Spring. Requests for a refund must be made in writing to the Admission Office.
- **New first-year students** register by individual appointments coordinated by Academic Advising and may not register via Banner Web.
- **New transfer students** register by individual appointments coordinated by Academic Advising and may not register via Banner Web.
- **Non-matriculated students** may begin registering Monday, November 27. For assistance, please go to the Student Services Center.
- **New graduate students** may begin to register on Monday, November 6 at the Student Services Center, and may not register via Banner Web.

Continuing Students

- **You may add or drop classes using Banner Web** from the date and time of your initial appointment through the last day to add/drop for each term unless there is a hold on your account. Refer to the calendar on page 3 for add/drop deadlines. For hold information, refer to the Registration Holds section on this page.
- **Registration Priority:** Each continuing matriculated student will be assigned an appointment time according to total credit hours completed, earned through Summer 2006. Note: registration times are based on your completed credits and do not include courses in progress as earned credits.
- **View your registration appointment time via Banner Web:** After logging in, select *Student Services & Financial Aid*, then *Registration*, and *Check Your Registration Status*. You will then need to select the term for which you are registering (either J-term or Spring 2007). The next page will inform you of your registration appointment time as well as whether or not any holds, academic standing, or student status would prevent your registration.

ACADEMIC ADVISING

Your advisor is a great resource for developing, refining, and confirming your academic goals. Please consult with your advisor as necessary prior to your registration appointment time.

First-year (Freshmen) and Sophomore Students: To register you need to obtain your Registration Access Code from your advisor, so please see your advisor soon!

Questions about your advisor? Contact Academic Advising at 535.8786 or aadv@plu.edu.

CHECK YOUR PROGRESS

Check your progress toward your major, minor, concentration, and GUR completion on-line. Undergraduates can use Banner Web to check their progress toward completing their PLU degrees. This is known as a CAPP report.

1. Log in to Banner Web using your ID and PIN.
2. Select *Student Services & Financial Aid*.
3. Select *Student Records*.
4. Select *Degree Evaluation*, then *Submit Term*.
5. Select *View Previous Evaluations* (at the bottom of the screen).
6. Select the report you wish to view (highest is most recent).
7. *View General Requirements* should already be selected, then click on *Select Desired View*.

If your CAPP report appears to have an error, please contact the Registrar's Office to have your file reviewed. Please provide your full name, PLU ID number, and the possible error.

REGISTRATION HOLDS

Holds on your account prevent registration. Check to see if your account is on hold prior to your registration time. To view any holds on your account, log in to Banner Web and select *Student Services & Financial Aid*, then select *Student Records*, and *View Holds*. To resolve the hold(s) on your account, locate the hold(s) below and follow the listed instructions:

PLACEMENT EXAMINATIONS

Language Placement

To assure correct placement in language courses, all students with previous study are required to take a placement test. The tests for most languages are offered in the Language Resource Center (LRC) at select times during the year and on a drop-in basis during regular LRC hours.

Math Placement

To insure correct placement of students in beginning math courses, eligibility will be required for registration for MATH 105, 107, 111, 112, 123, 128, 140, and 151. Students may establish eligibility for registration for a course by earning a qualifying score through the math placement system. Students who have completed the prerequisite course at PLU with a grade of C or higher are eligible without taking the placement exam.

Students who have not taken the placement exam may obtain the exam at the Math Department Office in the Morken Center for Learning and Technology, room 252. The exam is also available on-line at http://banweb.plu.edu/pls/pap/hxskmplc.P_MathIntro. The exam and accompanying questionnaire will take about 70 minutes. Allow one to two weeks for the results to be available. New students preferring to take the exam by mail should contact the Math Placement Director at the earliest opportunity at 253.535.8738.

If you have taken the exam and would like to view your placement results on-line, go to Banner Web at <http://banweb.plu.edu>. After logging in, select *Student Services & Financial Aid* from the menu, then *Student Records*, and finally, *View Math Placement Results*. If you have questions about your placement, contact the Math Placement Director at 253.535.8738.

If a student is eligible for a particular math course (either by taking a prerequisite course at PLU or through the math placement system) but experiences difficulties registering for that course, contact the Math Placement Director, Dr. Celine Dorner, at 253.535.8738.

Students who have not taken the mathematics placement test or have not otherwise satisfied eligibility for a math course will not be able to register for any beginning math course.

BANNER WEB REGISTRATION INSTRUCTIONS

1. Find Banner Web. Using the most current version of your web browser, find Banner Web by accessing the PLU home page at www.plu.edu and selecting Academics from the menu at the top of the page. Select *Register for Classes* (located under *Classes, Class Schedules*).

2. Login. Log in by using your PLU ID number as your user ID. Enter your PIN (personal identification number). Click the "Login" button.

Your initial PIN is your birth date in MMDDYY format. Example: The PIN for a person born June 16, 1985, is 061685. You may change your PIN at any time via Banner Web. You will be required to change your PIN the first time you access Banner Web in order to prevent others from gaining unauthorized access to your registration.

First-year (Freshmen) and Sophomore Students: This is NOT where you enter your Registration Access Code. You will be asked for your Registration Access Code later in the process.

3. Select Student Services & Financial Aid. Under *Student Services & Financial Aid*, select *Registration*. The Registration Menu gives you several options.

4. Select Term. Make sure that the term in the text box reads the term for which you are registering. Then click on the "Submit Term" button.

5. Check Your Registration Status. Scroll down and select *Check Your Registration Status*. If you have registration holds, you need to stop and contact the appropriate office to clear the hold before registering (see page 8 for details). If you do not have any holds, you may continue by clicking Menu.

6. Registration Menu. Select *Register/Add/Drop Classes*.

First-year (Freshmen) and Sophomore Students: After you click on *Register/Add/Drop Classes*, another box will pop up asking you for your Registration Access Code. Your advisor has this number and will give it to you when you meet in October or November prior to registration. You won't be allowed to register without this number, so see your advisor soon!

7. Add Classes. Scroll down to the *Add Class* section. In this section you will enter a CRN (course reference number) for each class you would like to take. When finished, select the "Submit Changes" button to continue. When your request is finished processing, you will be returned to the *Register/Add/Drop* page. Should you run into errors during your registration, please reference page 10.

If you are having difficulty finding an available course that suits you, please refer to **Banner Interactive Schedule**, an up-to-the minute version of the class schedule that does not require Banner Web log-in to view. For more information, please see page 7.

8. View Current Schedule. In this next screen, you will have to scroll down to see your current class schedule. Make sure that you look at the status box to see if you are currently registered. If you have a conflict of some sort, the system will notify you under the section called *Registration Errors*. For your reference, a list of common registration errors is found on page 10. Contact the Student Services Center, 253.535.7161 or ssvc@plu.edu, or the Registrar's Office, 253.535.7131 or registrar@plu.edu, with questions.

9. View Student Detail Schedule. Once you have finished selecting your courses for the term, scroll down to the bottom of the screen and select *Student Detail Schedule*. Your schedule will appear on the screen. If you would like a copy, select the "Print" button on the top of the screen. *It is recommended that you return to this screen just prior to the start of each term to confirm any schedule changes (such as room number or instructor) that may occur after your registration is completed.*

10. Complete your registration for J-Term, then return to the main menu to select Spring Semester, and follow the instructions above for Spring registration as well.

11. LOG OUT and close your browser when you have finished registering. This is important so that no one else can make any changes to your schedule.

COMMON BANNER WEB REGISTRATION ERRORS

APPROVAL CODES

Certain courses require approval for registration. Below you will find a list of potential approval error messages and how to register for classes with these restrictions:

Department Chair Signature	Submit an <i>Add/Drop/Withdraw Form*</i> signed by the Chair of the class's department to the Student Services Center
Dean's Signature Req'd	Submit an <i>Add/Drop/Withdraw Form*</i> signed by the Dean of the class's division to the Student Services Center
Dept. Registration Req'd	Contact the class's department
Instructor's Signature	Submit an <i>Add/Drop/Withdraw Form*</i> signed by the class's instructor to the Student Services Center
Center/International Programs	Contact the Wang Center for International Programs
Independent Study Card Req'd	Submit a completed <i>Independent Study Card*</i> to the Registrar's Office

CLASS RESTRICTION

Certain courses are intended for students in a specific year of study. If you receive this message, then you are attempting to register for a course for which you are ineligible. This error most commonly occurs when non-first-year students attempt to register for Inquiry Seminars (190s), which are intended for first-year students only.

CLOSED/WAITLISTED

You may not register via Banner Web for a class that is closed or has a waitlist. Classes become closed when there are no seats remaining. To learn about waitlisting a closed class, please see page 11. Waitlists can and do fill, so if the error message indicates that the waitlist is full, you will not be allowed to waitlist the class. If there appears to be seats remaining but you are unable to register, the class is most likely crosslisted and the combined enrollment is at its maximum or students from the waitlist have yet to be moved into the open seats.

CO-REGISTRATION (LINK ERROR)

If your class requires co-registration with an additional class or classes, such as a lab and/or discussion, you must enter a CRN for those classes as well. Review the "Instructions/Comments" column of the course offerings (or click on the class title in Banner Interactive Web) for information regarding co-registration requirements.

DROPPING YOUR LAST CLASS

You may not drop your last remaining class via Banner Web. The system recognizes that you may be intending to withdraw from the university. To drop your last remaining class, please submit an *Add/Drop/Withdraw Form** to the Student Services Center.

DUPLICATE COURSE

You may not register for the same course (or an equivalent course) twice in the same term. First-year students: you may only take one Inquiry Seminar (190) during your first year; attempting to take more than one Inquiry Seminar will give you this error message.

MAXIMUM HOURS EXCEEDED

You may register for up to 5 total credit hours in J-Term and up to 17 credit hours in Spring via Banner Web. To register for additional credit hours in J-Term, please obtain a *J-Term Overload Request Form* from the Student Services Center. To register for additional credit hours in Spring, please submit an *Add/Drop/Withdraw Form** to the Student Services Center. Please see page 11 for more information regarding course load exceptions.

PRE-REQ/TEST SCORE ERROR

Several classes have prerequisite or placement requirements. If this error appears, then you have not been cleared to register for this class. For registration approval, please contact the respective departments. This error often appears with the following departments:

- **BUSA:** To register for an upper-division Business class, students must be declared Business majors. Many Business courses also have specific prerequisites as listed in the PLU Catalog.
- **COMA:** To register for an upper-division Communications class, students must be declared Communications majors. Many Communications courses also have specific prerequisites as listed in the PLU Catalog.
- **INTC:** Core II students, students who have taken INTC 111, are able to register for INTC courses via the web. Core I students registering for an INTC class must receive the instructor's signature on an *Add/Drop/Withdraw Form** and turn the form in to the Student Services Center.
- **MATH:** A placement test and background survey are used to help insure that students begin in mathematics courses which are appropriate to their preparation and abilities. Enrollment is not permitted in any of the beginning mathematics courses until the placement test and background survey are completed. If you have taken the test and receive this error, your test results may not yet be in Banner or you may be attempting to register for a course for which you are ineligible. To learn more about taking the math placement test and viewing your results, please see page 8.
- **MUSI:** Many Music courses have specific prerequisites as listed in the PLU Catalog.

REPEAT HOURS EXCEEDED

Many classes may not be repeated for credit. When you receive this error, you have taken the course or its equivalent before. To repeat a course, submit an *Add/Drop/Withdraw Form** to the Student Services Center.

TIME CONFLICT

You may not register for classes with a time conflict via Banner Web. If you wish to register for conflicting classes, you must obtain all of the conflicting courses instructors' signatures on an *Add/Drop/Withdraw Form**, specifically approving the time conflict, and turn the form in to the Student Services Center.

* Forms located in the display rack across from the Student Services Center.

WAITLISTING CLASSES

WAITLISTING CANNOT BE DONE VIA BANNER WEB

Waitlisting courses must be done in person at the Student Services Center and is limited to two courses per semester. Waitlist forms are available on page 77 or outside the Student Services Center. The waitlist form must be completed and submitted to a Student Services Center employee for processing. Waitlisting guarantees that the instructor will be informed that a student is interested and where the student is on the list. The Registrar's Office will move students (in waitlist order) from the waitlist into closed classes as seats become available until two weeks before the term begins, then the instructor determines who will be admitted to closed classes. Students still on the waitlist when the term begins must attend the first class and get the instructor's signature on an *Add/Drop/Withdraw Form** to grant them a place in the class. Faculty reserve the right to deny admission after the first week when initial sessions are irreplaceable. The *Add/Drop/Withdraw Form** must be taken to the Student Services Center before the deadline to add/drop courses. Students who are below third or fourth place on the list are strongly advised to register for a substitute course, as it is unlikely they will get into the waitlisted class.

Note: Do not try to move yourself from the waitlist into a class, even if the system indicates there is an opening. This cannot be done on Banner Web and will only cause you to lose your place on the waitlist.

SPECIAL REGISTRATIONS

Special registrations must be completed by the add/drop deadline according to the published term schedule on page 3. A \$50.00 late registration fee is charged for each transaction submitted after the add/drop deadline.

AUDITING A COURSE

To audit a course (no credit), obtain an instructor's signature on an *Add/Drop/Withdraw Form**, and submit the form to the Student Services Center by the add/drop deadline for the course you are registering for. The cost of auditing a course is equal to the cost of taking the course for credit.

CREDIT BY EXAM

Credit by Exam Forms are located in the display rack across from the Student Services Center. Return completed forms to the Student Services Center by the add/drop deadline for the term you are registering for. For cost information, see page 6.

INDEPENDENT STUDY CARDS

Independent Study Cards are located in the display rack across from the Student Services Center. Return completed cards to the Student Services Center by the add/drop deadline for the term you are registering for.

COURSES REQUIRING APPROVAL

To register for a course requiring approval, obtain the authorized signature on an *Add/Drop/Withdraw Form**, and submit the form to the Student Services Center by the add/drop deadline for the term you are registering for.

COURSE LOAD EXCEPTIONS

You may use Banner Web to register for up to 17 credit hours in Spring Semester and up to a total of 5 credit hours in J-Term. Registering for more than 17 credit hours in one semester requires at least a 3.00 grade point average or consent of the Registrar. Registering for more than 17 credit hours costs an additional \$731 per credit. To register for more than 17 credit hours in Spring Semester, submit an *Add/Drop/Withdraw Form** to the Student Services Center by the add/drop deadline for the term you are registering for. To register for more than 17 credit hours, if your grade point average is less than 3.00, submit an *Add/Drop/Withdraw Form** and a written request to the Registrar by the add/drop deadline for the term you are registering for. To register for more than 5 credit hours in J-Term, you must complete a *J-Term Overload Request Form*, available in the Student Services Center, by the add/drop deadline for the term you are registering for. Requests will be evaluated by the Registrar.

OFF-CAMPUS PROGRAMS

For information regarding opportunities to study off-campus, contact the Wang Center for International Programs at wang.center@plu.edu or visit their web site: www.plu.edu/wangcenter.

* *Add/Drop/Withdraw Forms* are located in the display rack across from the Student Services

AFTER YOU REGISTER

CANCELLED CLASSES

If a class is cancelled before you register, you will not be able to register for that class. If a cancellation occurs after you have registered, you will be dropped from the class and notified by the respective department via E-mail. You may add another class prior to the add deadlines published on page 3.

CONSEQUENCES OF NOT ATTENDING THE FIRST TWO CLASS MEETINGS

Students unable to attend the first class meetings are expected to notify the instructor prior to the first class. Students who miss the first two class meetings without prior arrangement risk being dropped from the class by the instructor; however, you still need to take responsibility for dropping courses you do not plan on attending prior to the drop deadlines published on page 3. Students who are dropped for non-attendance will be charged a \$50.00 fee per drop.

BUYING YOUR BOOKS

You can purchase your books on-line, or you can stop into the bookstore located in the University Center. To purchase your books or other supplies on-line, please visit <http://luteeworld.plu.edu/>. All books may not be available for purchase at the time of registration. For more information about the bookstore, see page 12.

Welcome to J-Term 2007!

Pacific Lutheran University's January Term provides students and faculty with a unique opportunity to concentrate their attention intensely on one class at a time. Not only can that deepen one's understanding of subject matter, but it makes it possible for each class to become a closer community of learning.

All students, not just freshmen, will find within this schedule courses of interest to them. In addition to a few unusual courses peculiar to January (generally those involving an off-campus experience), you will find here a broad range of offerings within the regular curriculum—interesting electives, upper-division courses in many specific majors, and courses satisfying various university-wide requirements.

For your convenience, attribute codes appear at the end of course titles. The attribute indicates which university-wide requirement a particular course meets. In some cases a course may be assigned multiple attributes. Keep in mind that you may only use a single course to satisfy a maximum of two university-wide attributes once, even though that course may be assigned three or more attributes.

The First-Year Experience J-Term Requirement

All first-year students must complete the three requirements of the First-Year Experience during their first year at PLU. In addition to the Inquiry Seminar and Writing Seminar, first-year students are required to fulfill the First-Year J-Term requirement by enrolling in a J-Term course that fulfills one of their university-wide, major, minor, or program requirements. The J-Term requirement can also be fulfilled by enrolling in a J-Term Inquiry Seminar.

The purpose of the First-Year Experience J-Term requirement is to provide an opportunity to take another general university requirement in a setting with more focused attention on the learning process as well as course content. J-Term is a stimulating change from the regular semesters, and most students find J-Term courses to be very worthwhile and enjoyable.

Please be advised – No single course can be used to satisfy more than two general university requirements. Read course attributes carefully.

LANGUAGES & LITERATURES

All language students will use the Language Resource Center for additional study and practice.

To assure correct placement in language courses, all students with previous study are required to take a placement test. The tests for most languages are offered in the Language Resource Center (LRC) at select times during the year and on a drop-in basis during regular LRC hours.

Students may meet the Diversity Requirement, Cross-Cultural Perspectives, by taking a 201 or higher-level course in a language used to satisfy the admission requirement or 8 credits in a language not previously studied. All 300- and 400-level literature courses meet the Core I Literature requirement.

The following courses are taught in English:

PHYSICAL EDUCATION

Four one-hour activity courses (100-259), including PHED 100, are required for graduation. Eight one-hour activity courses may be counted toward graduation. Activity courses cannot be repeated for credit. Students are encouraged to select a variety of activities at appropriate skill levels. All physical education activity courses are graded on the basis of "A," "Pass," or "Fail" and are taught on a co-educational basis. PHED 100 is required for graduation and is offered every semester. It should be taken during the first year, but may be taken during any semester.

EDUCATION

Prerequisites for entry into undergraduate program (includes all EDUC, EPSY, and SPED courses except EDUC 205 and SPED 195):

- PSYC 101, WRIT (ENGL) 101 (Grade of C or better in both)
- Passing score on Washington State Basic Skills Test (WEST-B)
- Participation in School of Education Interview
- Application to School of Education due by first Friday in March for Fall Term.

Education courses are offered sequentially. Because assignments and instruction are integrated across courses, students must follow established course sequence. See School of Education advisors for copy of course sequence.

Students are required to devote 6-8 hours/week (each semester) to field work in assigned schools prior to student teaching.

Students seeking a Bachelor of Arts in Music Education take the following courses in the School of Education: EDUC 391, EPSY 361, and SPED 320.

Students seeking a Bachelor of Arts in Physical Education take the following courses in the School of Education: EDUC 390, EDUC, 392, and SPED 320.

Students in these programs must establish a program of study with advisers in their respective departments.

Students must register for student teaching during the preceding semester. Applications are due by the first work day in March, for Fall student teaching and the first work day in October for Spring student teaching. The state requirement for FBI and Washington State Patrol fingerprint clearance must be completed prior to second semester. Anyone completing a certification program after September 1, 2005, must pass the WEST-E (Praxis II) in any area for which an endorsement is sought. All students must have at least one endorsement. Passing the WEST-E is a pre-requisite for student teaching.

Additional fees required include:

- Initial certification fee- \$35.00
- Fingerprint fee- \$59.00- plus clearance fee (approximately \$12.00)

Students are to provide their own transportation between campus and assigned schools.

LANGUAGES & LITERATURE

All language students will use the Language Resource Center for additional study and practice.

To assure correct placement in language courses, all students with previous study are required to take a placement test. The tests for most languages are offered in the Language Resource Center (LRC) or on-line at www.plu.edu/~lrc.

Students may meet the Diversity Requirement, Cross-Cultural Perspectives, by taking a 201 or higher-level course in a language (not sign language) used to satisfy the entrance requirement, or completion through the first year of college level of a foreign language (not sign language) other than that used to satisfy the foreign language entrance requirement.

All 300- and 400-level literature courses meet the Core I Literature requirement.

MATHEMATICS

To insure correct placement of students in beginning math courses, eligibility will be required for registration for MATH 105, 107, 111, 112, 123, 128, 140, and 151. Students may establish eligibility for registration for a course by earning a qualifying score through the math placement system. Students who have completed the prerequisite course at PLU with a grade of C or higher are eligible without taking the placement exam.

Students who have not taken the placement exam may obtain the exam at the Math Department Office in the Morken Center for Learning and Technology, room 252. The exam is also available on-line at https://banweb.plu.edu/pap/hxskmpic_PmathIntro. The exam and accompanying questionnaire will take about 70 minutes. Allow one to two weeks for the results to be available. New students preferring to take the exam by mail should contact the Math Placement Director at the earliest opportunity at 253.535.8738.

If you have taken the exam and would like to view your placement results on-line, go to Banner Web at <http://plu.edu/banner/>. After logging in, select *Student Services & Financial Aid* from the menu, then *Student Records*, and finally, *View Math Placement Results*. If you have questions about your placement, contact the Math Placement Director, at 253.535.8738.

If a student is eligible for a particular math course (either by taking a prerequisite course at PLU or through the math placement system) but experiences difficulties registering for that course, contact the Math Placement Director, Dr. Celine Dorner, at 253.535.8738.

Students who have not taken the mathematics placement test or have not otherwise satisfied eligibility for a math course will not be able to register for any beginning math course.

MUSIC

Students currently registered for private lessons may register for continuing lessons via Banner Web at your regularly scheduled registration appointment time. First-time music students should contact the Music Office at 253.535.7602 for assistance.

Registration procedure: Go to the *Spring 2007 Music Student Reference* at <http://www.plu.edu/academics/>. Determine which CRN(s) you need by verifying the course ID and title, the name of the instructor, and the number of credits for which you wish to take the class. Once the CRN(s) have been determined, follow the normal registration procedures detailed on page 9. Please be aware that you may need to change the credit hours at the time of registration as the system will default to the lowest possible number for that course. If you get an error message indicating "PREQ & TEST SCORE-ERROR" contact the Music office at 253.535.7602 for assistance. For HOLD errors please see page 8 for resolution information. PLEASE NOTE: You may not register for more than 17 credits via Banner Web. If you wish to exceed 17 credits, register for the first 17 credits via Banner Web and then go to the Student Services Center, in Hauge Administration 102, for assistance with the additional course(s).

Private lessons require concert attendance in addition to individual instruction. See <http://www.plu.edu/~music/announcements/> or contact the Music office for details.

Class Lessons:**1 credit hour: Meet twice a week for 50 minutes each**

Private Instruction:

1 credit hour:	Twelve 30-minute private lessons per term plus weekly performance seminars
2 credit hours:	Twelve 60-minute private lessons per term plus weekly performance seminars
3-4 credit hours:	Permission of Instructor is required: Twelve 60-minute private lessons per term, plus additional outside work and weekly performance seminars

Private Lesson Fees in addition to tuition (per course)

1 credit hour	=	\$200.00
2 credit hours	=	\$400.00
3 or 4 credit hours	=	\$400.00

Performance Seminars: See seminar information at right and/or check with instructor at beginning of the term.

NURSING

NURS 280, NURS 330 and NURS 365 are open to non-majors with departmental permission. Enrollment in all other nursing courses requires formal admission to the nursing major or minor.

NOTE: Registration for all courses must be done by web registration unless otherwise noted in this schedule. Clinical sections are subject to change after registration due to agency and/or school needs. If the section you want is full, waitlist for that section (waitlisting cannot be done on Banner Web, it must be done in the Student Services Center) and then sign up for another section. If, for some reason, no section is available, do not worry. You will be placed in a clinical section by the course coordinator.

PHYSICAL EDUCATION

Four one-hour activity courses (100-259), including PHED 100, are required for graduation. Eight one-hour activity courses may be counted toward graduation. Activity courses cannot be repeated for credit. Students are encouraged to select a variety of activities at appropriate skill levels. All physical education activity courses are graded on the basis of "A," "Pass," or "Fail" and are taught on a co-educational basis. PHED 100 is required for graduation and is offered every semester. It should be taken during the first year, but may be taken during any semester.

WAITLIST FORM

PLEASE READ THE PROCEDURE REGARDING WAITLISTING CLASSES AND COMPLETE THE FORM BELOW AND RETURN IT TO STUDENT SERVICES FOR PROCESSING.

1. Waitlisting cannot be done via Banner Web.
2. You may waitlist two courses per term. If the course you are waitlisting has a lab, you must include the lab section you want on the form. (The lab does not count as your second course.)
3. **Waitlisting does not guarantee you will get into the course.**
4. If a seat becomes available, students are moved into the course in the order in which they submitted the waitlist form. Students are notified by email if they get a seat in the class. The Registrar's office moves students into open seats from the waitlists until two weeks before the start of the term.
5. Beginning two weeks prior to the start of the term, **it is your responsibility to contact the instructor and get his/her signature on an Add/Drop Form and bring it into the Student Services Center in order to be registered and get credit for the class!** There are late registration fees and deadlines – see the Class Schedule for information.
6. Faculty reserve the right to deny admission to any student on the waitlist.

FERPA (FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT) STATEMENT

In accordance with the Family Educational Rights and Privacy Act of 1974, commonly known as the Buckley Amendment and carrying the acronym FERPA, Pacific Lutheran University has adopted a policy to protect the privacy of education records. This act also establishes the rights of currently enrolled, eligible students to inspect and review their education records and provides guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Parents and currently enrolled, eligible students may review FERPA policy in the Student Life Office, Hauge Administration 105, or on the web at <http://www.plu.edu/print/handbook/code-of-conduct/FERPA-policy.html>.

PLU STUDENT CONDUCT INFORMATION

When accepted for membership in the PLU community, each student assumes the responsibilities and rights emerging from the university's goals and objectives. These include, but are not limited to, its dedication to exploring human knowledge and culture while promoting the intellectual, physical, social, and spiritual development of students, and nurturing each student's preparation for responsible participation, not only on the campus but also in local, state, regional, national, and international settings.

The university adopts only such policies, rules and regulations that seem necessary for the welfare of the educational community. Regulations include those items that fall within policies set by the Board of Regents and the university administration, along with local, state, and federal laws. Each student associated with PLU is expected to be familiar with and to follow all policies, rules and regulations promulgated by the university. Failure to abide by the policies, rules, and regulations may result in disciplinary action(s) outlined in The Student Conduct System. The university policies/student code of conduct and conduct system procedures can be read in full at www.plu.edu/print/handbook/.

The following policies and procedures apply to all students at Pacific Lutheran University. Other rules and regulations developed by the university to maintain a safe and orderly environment may be found in the *University Catalog*, *Living on Campus brochure*, *Housing and Meal Plan Contracts*, *Vehicle Parking Regulations Guide*, and the *PLU Housing Guide*. These publications may be obtained from the Residential Life Office, Campus Concierge, Campus Safety and Information, and the Student Services Center.
