Support the Football Team At Lincoln Bowl

Drama Club Will Give Three Plays Friday, November 6

Group Leaders Will Direct One Act Plays: Plans for Operetta Begun

Dramatics will play an important part in the extra-corricular activities at P. L. C. this semester with the preentation of several one-act blays in November, and an operetta scheduled for Dec 4

The first Drama night has been set for Nov. 6 when three one-act plays will be presented. As usual Drama club members have been divided into three groups, each of which is headed by a group leader whose duty it is to chose and direct the plays. Margaret Rorem, club president, has appointed Helen Scott, Thelma Ness, and Jesse' Pilueger to serve as group leaders. They will be assisted in directing by Virginia Davis. Verner Bitter, and Beatrice Leland, respectively

The plays to be given are "Eggzack-y," to be directed by Thelma Ness; Pineapple Salad," under the direction of Helen Scott; and Jesse Ptheger will direct "Business, and so Forth,"

Work will begin on the operetta as soon as final selection of a sultable of is made by the committee composed of Keith Reid, Pauline Watts, Marvin Jensen, and Astrid Anderson.

Local Company Has Early Beginning

The development of the Purkland Light and Water Company which was originated by local men, and built up until it has become an outstanding enterprise, is a matter of keen local m-

terest.
The Parkiand Light and Water Company was started in the spring of 1914. The original cooperators, E. B. Ellingson, N. J. Hong, M. D. Campbell, B. Benson, and J. H. Anderson, drew up the articles of cooperation which were signed on April 8, 1914

Beginning with twelve members, the company started with a capital of fine hundred dollars, and built the water system, laying the first water main. At first the people held back being dubious about the whole affair. first pipeswere wooden, and after lying in the hot sun they shrunk a good deal. but they were put together neverthe-

The cracks would come, however, and water spurted all over. The dubious citizens exclaimed. "I told you so." but the water company herors were not to be disheartened. Their patience was rewarded, for the wooden pipes began uncertain ones decided that after all perhaps the new pipe system was advantageous. Within a year the membership had more than doubled. At present there are 280 water users,

The following year the power plant (Continued on Page 4)

Pep Rally Friday

There will be a pep rally Friday noon for the Bellingham game at the Lincoln Bowl on Saturday, Students are requested to meet on the steps in front of the main building at twelvethirty, where the yell leaders will have

charge of the cheering and post talks.

Last Thursday eyening students rallied at a send-off affair to the team. They congregated in the hall of the main building to serpentine through the dorms. and across the football field to the rear of the campus where the freshman boys had prepared a huge bonfire. Yells, songs, and peppy talks by the coach and many of the team featured this rally

Local Teachers. Students, Attend Educational Meet

Many Pacific Lutheran College dacully members and normal department utly members and turrinal department students attended sessions of the Wash-ington Education Associations region-al institute held last Thursday and Friday at Jason Lee intermediate school in Tacomi, with teachers from Pierce, Mason, and Thurston counties in attendance

Mrs. Louise S Taylor. Pierce county superintendeh; of schools, presided as general chairman, and Mr. N. J. Hong. Reverend J. P. Pflueger, and Miss Vivian Johnson were speakers in various sectional meetings of the convention.

Mrs. Taylor is on leave of absence from
the P. L. C. faculty

On Thursday, State Superintendent N D. Showaiter spoke on "Forward in Education" while Dr. Bruce R. Baxter, president of Willamette University, Salem. Ore: had as his topic "The Great-est Man." Other important educators who spoke at the general meetings were Cora L. Olesan, president of Washingten Education Association: Dr. Laura Zirbes, professor of education. Ohio State University; Dr. Paul R. Hanna. associate professor. Signford Univer-sty; and Dr Paul F. Cadman con-sulting economist, San Francisco.

W. A. A. Will Hold Hallowe'en Skate Saturday Night

Party Will Be at King's Roller Rink; Various Prizes for Skaters Arranged

P. L. C. skaters will have an oppor tunity to demonstrate their skill and compete for prizes next Saturday eve-ning at the W. A. A. Hallowe'en skating party which will be held at King's Roller Rink from 9:30 until 12 o'clock.

Prizes will be awarded to the most skillful boy skater, the most skillful girl skater, the best couple, and the best beginner. Judy Benson, as chairman, is in charge of ticket sales, the admission being twenty-five cents, and Alda Johnson has taken care of the

Bonney Addresses History Students

Mr. W. P. Bonney, secretary of the Washington State Historical Society addressed a group of Northwest History students and other interested perons last Wednesday at one o'clock in the chapel. The talk was arranged by Miss Rencau, in the interests of her class in state manual.

Mr. Bonney, probably the state's greatest authority on northwest his-tory, was born in Washington over eighty years ago, so his contact with the history of the state is closely re-lated to its development. His speech showed continuity throughout, linking facts together as they appeared, and adding incidents of a personal charac-ter which are infrequently seen in history books

Mooring Mast and Herald Offer Combined Rates

In an effort to get more subscribers or both the Mooring Mast and the Pacific Lutheran Herald, a combined rate of \$150 has been approved by Prof. O J Stuen, business adviser of the Mooring Mast, and Mr. Edwin Tin-

Pacific District Will Have League

host to the 1937 North Pacific District Young People's Luther League convention scheduled to be held April 30. May 1 and 2 in Parkland, as announced by the district league president. Rev. Alvin G. Lewis, pastor of Our Savior's Lutheran Church in Tacoma

The North Pacific District extends from British Columbia through Oregon and each League is expected to scrad several delegates and visitors.

No definite program has been planned as yet, but Dr. T. F. Gullixson. president of Luther Theological Seminary in St. Paul, and Dr. N. M. Ylvisaker will be invited as convention speakers. Further surrangements are gelstad, editor and manager of the being made by an executive committee composed of Reverend Lewis, A. Heraiu.

Formerly, the subscription rate for these papers has been one dollar each.

Readers of either paper are urged to Silverton. Ted Iverson. Tacoma. take advantage of this offer which Mrs. Jess F. Klasey, and Reverend T gees into effect immediately.

O. Svare of Parkland.

Tingelstads Back After Four Weeks' **Absence in East**

Mrs. Tingelstad Injures Arm in Idaho Accident; Come Rest of Way by Train

President and Mrs. O A. Tingelstad returned to Parkland vesterday after a four weeks absence in the East. where Dr. Tingelstad has been attend ing important conferences in the interests of Pacific Lutheran College as an official of the school.

as an official of the school.

On the way home they met with an accident in St. Anthony. Idaho, where their car skidded into a bank Mrs. Tingelstad's right arm was broken by the impiret, and site received hospital attention for the fracture. There were no other serious injuries and the car no other serious injuries and the car was not badly damaged, but it was necessary to heave it in a garage for repairs. Dr and Mrs. Tingelstad re-turned from Idaho by train.

The Tingelstads left Parkland Sept-ember 26, and during the course of their trib they ettended five important meetings Aniong them was the Golden Jubilee Celebration at Luther College which is the Alma Mater of a number of local faculty members.

Convention Here Northwest History Told by Pioneer

In a dear, concise address before students of Miss Reneau's Northwest History class and others interested. Mrs. J. H. S. Bates, daughter of the first territorial governor of Washing-ton. General Isaac Stevens, recounted her early experiences of the "good old Injun days," and gave, by her intimate personal touch "life to the dry bones of Washington history." Washington territory was first or-

ganized in 1853 by General Stevens, who resigned from the army to do this work. In the fall of the same year he sent for his family, hiving in New-York, who made the hazardous journey through the Isthmus of Panama and up the Pacific coast. Mrs. Bales told that it took five days of riding over almost impassable muddy roads to complete this latter route. When the Stevens family arrived at

Olympia they found but twenty homes. To create new homes, to try to conclude peace treaties with the Indians. and to learn to know different people, were only a few of the duties of the first executive family. During the three years spent in Olympia many an ex-citing escapade was undergone. Gov-ernor Stevens spent much of his time away from his home because of his work as Indian supervisor and rail-road surveyor, thus throwing his fam-ily more or less on their own resources.

During the Civil War Governor Stevens Joined the Northern forces and was killed in action while leading a charge at Chantilly. Stevens County

has been hamed in his honor.

Mrs. Bates was accompanied here by her husband. Mr. J. H. S. Bates, a "Pioneer in Law" if not a pioneer of the country. Miss Reneau, who was responsible for inviting the speaker Mrs. Bates, to the school, introduced

Health Improves

Friends will be happy to know that Elnora Asper, P. L. C. student in the high school department, is greatly improved in health. She has been suffering from a spinal affliction, and is in the Tacoma Convalescent Hospital where it will be necessary for her to remain in a remedial cast for several months. In behalf of the students, the Mooring Mast offers a wish for her complete recovery,

Modern Hallowe'en Traditions Have Pagan Origin

HALLOWE'EN!-Mention the name and what comes to the minds of all?witches on brooms, black cats, weird white-roted ghosts, goblins, and even pumpkins. It is a time for parties and pranks by young as well as old. But how many of us know the strangely mixed origin of the day?

Our Hallowe'en of today dates back to pagan times. It originated, in part, from the ancient autumn festival of the Britons in honor of their sun God. Their homage took on a brilliant form; huge bonfires expressed their gratitude for the harvest. On this night the lord of death, Samhain, allowed the souls of those unfortunates who had died in their sins within the last year to escape their confines in the bodies of lower animals and avenge them-

The traditional day originates also from the ancient Roman festival in honor of Pomona, the goddess of fruit and gardens. She was honored about the first of November, and because it preceded All Saints' Day, it was first

such elemental things as the big fourearth, air, fire and water. Fruits of their cooperation-nuts, apples representing the Goddess' gifts of winter food—still are an important part of the program. However, the impressive, fervent religious ceremonies of oid have gradually developed into the modern revel of merriment and galety. Its former purpose of expressing gratitude for the bountiful harvest has long been replaced by the desire for jokes and

pranks, both amusing and annoying.

Everything connected with Halloween is supernatural. Departed saints find is supernatural. Departed saints find their refuge in the ghosts; black cats. the traditional companion of witches. are always with them. The pumpkin is the symbol of the harvest. Stealing of gates, gateposts, and other loose articles are due to a hangover from the ancient times when these were to have been taken from the wicked by the evil spirits. An old Hallowe en custom was to chalk the backs of those passing by, shout the word, and scamper away. This has appeared in the present use A day so intimately tied up with the world of spirits must naturally feature the year.

Even ducking for apples finds its beginning in an old superstition. The story rims that if the lucky person to catch the apples sleeps with it under his or her pillow, the future help-meet. of that person will appear in a dream. Still another notion insists that if the young lady eats the apple at midnight while standing before her mirror. combing her hair, her future husband will look over her shoulder into the glass. However, under no circumstances can she look around,

Superstitious people avoid the churchyard and the cemetery on this fateful night, because of the common belief that the spirits of the dead walk abroad, and that if one meets a spirit face to face, he will fall insensible Therefore, not even in the most drastic situations should one turn around or look behind if he hears footsteps on Hallowe'en.

Hallowe'en is synonymous with fun It strikes the spooky note just between fear and pleasure that is so intriguing. Thus, the Hallow Even that our fore fathers once knew as a night of rever-ence has today become a night of fun, frolic, and mischief.

COURTESY

COURTESY
Courtesy is a delicate, subfle matter. We don't know just how to moralize about it without offending some conscientions soul. Perhaps it would be easier to laugh it off, kid you about and immediately dismiss it from mind

it would be easier to faught that, sid you about it, and immediately dismiss it from mind. Again, perhaps not.

Be that as it may, discourtesy may sometimes be noticed around school. Oh, it isn't always intentional: Fur from it Most of us slight elders without thinking about it; we don't mean to hurt. But perhaps our intentions register a bit obscurely to the instructor who hears "yeah" as an indication of affirmative response, and "whut" as a request for repetition. Wouldn't a quiet "yes, Miss "or "I bey your "pardon, Mr. "function better on such an occasion?

We pride ourselves on our informality, But that hardly gives coverage to the student who says "Hello, Smith" to his teacher, or the happy hay-maker, who cheerfully "tley's" everybody he addresses, including all his elders in his noisy democracy. Perhaps it should be noted that Mr. Webster omits this fille as a term of polite salutation.

that Mr. Webster omits this title as a term of polite salutation.

Then again, there is the fellow who slams books on desks when first entering a class, producing disordinate and nerve-wracking sounds, of times greatly irritating to teachers and fellow students alike. Wouldn't it be better to withold a little of that excess energy and to though a down gently?

better to withold a little of that excess energy and lay hooks down gently?

We hope you won't think us "picky" if we remind you of 'such little habits as bounding up steps four or five at a time, brusquely throwing open and slamming doors, whistling all the way to class, or shouting in the halls when somehody may be lecturing upstairs; writing sloppily in school papers, or coming into class five minutes late, and so forth.

Courtesy, of course, goes deeper than any given set of please's and thank-you's and after-you,—madam's. But it finds outward expression in a host of small matters. And remember, "It is the foxes, the little foxes, that spoil the vine."

SCHOOL SPIRIT

SCHOOL SPIRIT

One factor that seems to be lacking to a noticeable degree at Pacific Lutheran College this year is genuine school spirit. Nothing, evidently, is able to arouse the many of our sludents from their lethargy. Even with the Gladiators exhibiting the most powerful football team they have had in years, there is not the hearty enthusiasm that they merit. At the football games, at the pep rallies, and in school, a few old faithfuls bear the brunt of the cheering. The bonfire rally last Thursday night proved that conclusively. Of course, the others want the team to win, but are they willing to, get out and support them? No—there are enough others to do that. Why should there he any shirkers?—Why can't we all cooperate? Students of Pacific Lutheran College, let's one and all get out and CHEER—let's show that team to ours that we are behind them one hundred per cent and that, win or lose, we will stand by!

Local Squad Will Face Bellingham Team on Saturday

With the season half gone, the fighting Pacific Lutheran Gladiators face the biggest obstacle in their path to an undefeated season when they match guns with the powerful Beltingham Normal eleven on the Lincoln field, this Saturday afternoon, Oct. 31.

If there is any team on the P. L. C.

schedule that would like to scalp the Gladiators it is the Viking eleven from Bellingham. The northern normalites have been able to score only one win over the Parkland boys who have defeated them four years out of five. Two years ago P. L. C. downed Bellingham by the baseball score of 5-3 on the Lincoln field. Last year it took a 67 yard sprint in the last quarter by that speed demon Hal Votaw to produce a 6-0 win over the stubborn Bellingham

squad.
With these two stinging defeats still ringing in their minds, the Vikings travel to Tacoma Saturday, rated to be one of the strongest teams in the northwest. With this rating and the law of averages on their side, the Bellingham eleven is favored to hand the Luth-erans their first defeat of the 1936

Under Chuck Lappenbush. Viking coach and former University of Wash-ington star guard, they have had a successful season climated by a 6-0 victory over the strong U. of Washington frosh team last Saturday.

on; that's the record the Gladiators will be fighting to uphold next Saturday against Bellingham Normal's pow-erful eleven.

Larry Wolf, former Oregon Norma Football Mentor, who is considered one of the outstanding coaches of the Northwest, remarked after the Monmouth game that he would like to borrow our guards. With this and other well-earned praise, we hope Larry Grenier and wild Billy Capps won't have difficulty in finding large enough ead gears for this week's practice.

One of the high lights of the gam

was Ken Anenson's interception of a forward pass. With a little neat foot-work, and some high class hip shaking. the pride of Burlington seemed off to the races. However, in his excitement Kenny got one foot in the way of the other. down went the Skagit streak, and P. L. C. lost another chance to

Whoever said that P. L. C. lacked a

the Gladiator backs mouth line and

and blocked like champions. P I. C's most successful play is a with Bucky O'Connor the ball. Bucky is a blocking back and seldom gets a chance to carry the ball However, when his signal is called he can usually be five or ten yards.

A big reason why P. L. C. has been so successful in football this season is due to our reserves who have played a part of every game

Bob Martin and Hal Votaw Gladiator stars, were enthusiastic spectators at the Monmouth game. Both boys are making good in a big way at Linfield. Hal is an outstanding Linfield back, while Bob has made a name for himself at guard, being co-captain for the Willamette-Linfield game.

The football squad welcomed Stan Sherry and Emil Smith, who returned to practice this week.

San Jose College is now sending out strong running attack? Against Mon-mouth, the Glads used only one pass, The Black and Gold forward wall rip-ped large holes in the heavier Mon-suggestion. Coach Olson.

meaned toward Mollinduth. At Michael Minnville. equa-distant between the two cities, the troupe stopped for lunch, and there were received by Hal Votaw and Bob Martin, former P. L. C. stu-dents now attending Linfield College. Following a light lunch the travellers. with Hal and Bob on the free list, conthued the jaunt to Monmouth for the big game with the powerful Oregon State Normal aggregation.

On the way back to Portland after the game. Northup House, a Linfield frat house, was the first stop. There Russ and Norm Frye, Grenier, and this Scribe left the bus to stay for supper meet some Linfield footballers, and be shown about the campus. Later the above-mentioned plied into Hai's aging roadster and dashed to Portland. coin a phrase, they drove "like sixty."

Ask Norm and Grenier how they enJoyed the cold ride in the rumble seat.

Little need be said about Saturday night, since all the fellows were pretty much worn out after the hard game and retired early. Nevertheless a thrilling evening was spent in the ho-tel lobby with everybody catching up on home work (eh Durga?). Well, after all, they did win the game.

Early Sunday morning, in fact much too early, came the voice of the girl at the desk; "Good morning. It's seven-fifteen." Somehow her voice didn't seem so pleasant that morning. add to their worries the time of the train's'departure was moved ahead fifteen minutes, leaving very little time to dress, eat, and reach the depot.

At the station Frank Unger was as k ed by the station-master if he was one those football players." When he replied in the affirmative, he was directed to a special car on a train near-by. Later he discovered that he was the train of the California Bears and hastily located the Parkland cohorts, lest he end up at the Berkeley

It was an enthusiastic bunch of fellows that climbed off the train in Ta-"vow boys" had kept their promise to bring home the bacon. In so doing they had kept unblemished their record of not having been scored upon.

Gladiators Upset Monmouth Normal By 13-0 Victory

Greatly outweighed but not outought. P. L. C.'s Gladiators chalked up a 13-0 triumph last Saturday over the powerful Monmouth Wolves in the latter's homecoming event.

In downing the Wildcats the con Olson aggregation displayed a highly effective running attack which developed into several yard-gaining lateral pass plays, of which one resulted in scoring the first touchdown.

While the first quarter of play was still in its infant stage, the Gladia-tors unfolded their bag of tricks a-perfectly maneuvered touchdown play in the form of a lateral from a forward pass. Tommervik completed a short pass to O'Connor, who lateraled to "Chet" Solie. Behind a bevy of fastforming running mates. Solle raced the remaining twenty-five yards to cross the double stripes, standing up. The try for point was wide, leaving the score 6-0 in the first quarter, favorng P. K. C.

From mid-field. Parkland's ebony-shirted warriors commenced their sec-ond touchdown drive. A reverse carried by Bucky O'Connor netted twenbed by Bucky Occanior netted twen-ty yards. Line bucks with Heany and Solie packing the ball resulted in sev-eral first downs for the Gladiators. bringing the oval within Monmouth's six yard marker. With less than a minute to play in the first half. Fred Heany ploughed over for the Gladla-tors' second touchdown. O'Connor's place-kick was good, resulting in thir-teen points for Pacific Lutheran Col-

During the second half competition was fairly even, but P. L. C. still out-charged their heavier opposents. In a last minute raily the Wolves unleashed a somewhat effective spread formation and passing attack, but the Giadiators tightened their defense by intercepting several of Monmouth's

The Southern Oregon school only once seriously threatened the Gladia-tor's goal. During the second quarter they advanced the oval to P. L. C.'s five yard line as the result of a blocked punt, but were smothered by Park-land's strong forward wall.

Plans for the sediester include social meetings with guest speakers. Anong those who will be invited to address the group is Mrs. Meslin of the Lincoin high school faculty

College Library Gets Books, Equipment

One thousand dollars has again been appropriated for benefit of the Pacific Lutheran college library, which has been operated for the last three years with no financial backing.

Already Mr J. U. Xavier head liber of books, which will arrive in the near future

Due to the lack of sufficient space ir the main library, books of the edu-cation department have been placed in the room, across the hall, which was formerly the high school physics laboratory

Freshman Meetings

The freshman chiss will meet at noon on the first Tuesday of each month. Semester dues which are twenty-five cents will be collegted under the direction of Harold Hoiby, treasurer

Shrewd Guessing Gets Dean Shoes

Mr. Hauge has some new Sunday shoes. Whether it be psychle powers. Stark, secretary-treasurer. Mr. Pránck will again be the faculty adviser. Kloppfensteinsof Tacoma. Dean Husse Kloppfenstelnsof Tacoma. Dean House guessed the outcome of 15 of the im-portant games in the U.S. and received a pair of shoes for the prize. There were three prizes offered: a sult, two tickets to the U. of W. game, and the pair of shoes. All three winners guessed the same outcome for the 15 games, but two were more accurate as to scores. The local prophet foresaw the out-

come of the Monmouth game as 14-0. which rang almost true, being as the final score was 13-0. Shoes off to Mr. Haûge!

We wonder how he does it. He says
It's done scientifically by the statistical and guess method. We guess so!

Federal Theater **Group Gives Play**

'It Can't Happen Here," a play based on the current novel of the same name written by Sinclair Lewis was presented last night by the Federal Thea-Of the three hundred and three students enough the project players at The Scotish Rus dents enrolled at the time this record was made, only thirteen students show twenty-five cents for students, and the project players are the project players.

Mr. Clarence Talbot, who represents the Pederal Theater Project in Tacpina, spoke in chapel last Thursday, October 15. explaining the efforts of this movement to foster interest in drama and a Tacoma repertory group who are supported by this project.

Recent reports from Silverton indicate that Mrs. B. Tingelstad, mother of Dr. Tingelstad and Mr. Edvin Stanley Pries has been named chair-man of the social committee. His as-having been fill for some time. The sistants are Astrid Anderson and Viv-Tingelstad, is improved in health after forty-four years

The Spectator Observes:

no less than seventeen people chewing the smooth finish from their pencils as a means of concentration in class-rooms. At least five people are constantly sucking on the end of a pen, and we count on our fingers and toes the number who are energetically marking crosses and weird hierogly-

phics on any handy scrap of paper.

Do you remember certain characters
in "Mr. Deeds Goes to Town"? Are
you by any chance an "O-filler" or a "doodler"? Catch yourself poking your cheek with your tongue or tearing bits of paper into grotesque designs. Some of you amateurs may well put our magical Thurston to shame.

We haven't found a nose twitcher amongst us, but there are a few lip-biters. And we'd wager our pet dog that you could find some tonguetwisters about if you looked in the right corners. Have you seen the boy who is always running his fingers through his hair and the girl who is everlast-ingly tucking in that unruly little wisp that insists upon juinping from behind her ear?

Then we have a certain acquaintance who invariably compresses his lips firmly after almost every statement
