Row 1, left to right: H. Henrickson, J. Sefora, B. Kullberg, E. Morken, L. Johnson, J. Nogleberg, J. Kauth, B. Rieke and E. Peterson. Row 2, standing: V. Hance, G. Savage, N. Aageson, E. Hansen, E. Brudie, E. Hassen, M. Sunaet. Row 3: J. Tanner, M. Myklebust, M. Hill, B. Carstensen, D. Thorp, V. Lestrud, R. Madsen, E. McCall, M. Spitznagel, N. Glaser, D. Borrud and B. Green.

Seven Profs Leave PLC For Other Jobs

Seven professors now at Pacific Lutheran College will not be returning to their classes at the fall semester. They have resigned their positions at the college to enter classrooms elsewhere, to return to universities and further their education, and to enter other professions.

Harley I. Christopherson will next year be employed by the Franklin Pierce school district. He will, however, teach evening classes at PLC. Mr. Christopherson has been at the college since 1950 and has been instructor of music education courses and director of the PLC band.

Leaving PLC after four years will be Dwight Zulouf, professor of economics and business administration. He will attend the University of Oregon for one year and then go on to the University of Michigan where he will study for his Ph. D. in accounting. Mr. Zulouf has received a fellowship from the U. of O. and also a scholarship from the Evangelical Lutheran Church.

Director of nursing education, Freda Al Peterson has been at Pacific Lutheran College for two years. Her future plans are indefinite at the present time.

Karye Takel, of the department of economics and business administration, will next year do graduate work at the University of Washington. Miss Takel has been at PLC one year.

Professor of speech, Vernon A. Utzinger will leave PLC and take up his position as postmaster of Tacoma on the 30th of June. He may, however, teach several evening classes at the college. Mr. Utzinger has been at PLC since 1950.

James Jenson, professor of economics and business administration, has been at PLC for one year. Mr. Jenson's future plans are indefinite at the present time.

Leaving PLC after thirteen years will be Harold G. Ronning, professor of psychology. He will be employed next year by the Oakland, California city schools. Mr. Ronning was dean of the college from 1942 to 1946.

Pre-enrollment Hits High Gear; 118 Freshmen, 3 Transfers Accepted

On Monday, May 25, 118 freshmen and three transfer students had been accepted for the Fall term of 1953. As Dr. Eastvold mentioned in his last abep-talk, this is well above the pre-enrollment figure at the same time last year.

So far the number of students accepted and their home states are as follows:

Men		Women		Total	
Washington	23	Washington	52	Washington	75
California	10	California	9	California	19
Oregon	5	Oregon	14	Oregon	19
Montana	1	Montana	1	Montana	2
Alaska	3	Alaska	1	Alaska	4
Idaho	—	Idaho	1	Idaho	1
Alaska	42	Minnesota	1	Minnesota	1
			79		121

Seventeen Receive Confirmation Vows

A class of seventeen, the largest in ten semesters, received confirmation Sunday evening in the Little Chapel. The number brings the total of confirmands instructed by Rev. Keimer Roe at PLC to 116, 63 men and 53 women.

Those confirmed were: Margaret Ambuehl, Joan Backstrom, Robert Brog, Terry Brown, Roxie King, Don Koessler, Dale Keller, Peggy Logan, Janet Miller, Shirley Morgan, Topper Nielsen, Carol Odegaard, John Osburn, Jann Reay, John Robinson, Alplid Skonberg and Glenn Werner. Also baptized were Roxie King, Don Koessler and Jann Robinson.

Topper Nielsen, confirmation class president, expressed appreciation to Rev. Roe. Glenn Werner, speaker, read the response.

Attention

Alpha Phi Omega will again hold its Book Exchange this coming fall. Don't forget to bring all books, that you wish to sell, back to school with you.

Big Brother Project To Begin Next Fall

In an effort to acquaint incoming freshmen with the PLC campus, a big brother—little brother program, modeled after the one now being used by AWS, will be tried for the first time next fall according to Stewart Gilbreath, freshman class president and instigator of the idea.

Under the newly-formed program, those men who have signed the list in the front hall of Old Main, will sometime during the summer receive the address of one new freshman boy, or more if they choose. That person may then do whatever he wishes, write a letter to the newcomer or in some other way encourage him and at the same time arrange for a meeting date at the beginning of the fall term. In the fall the "big brother" will then acquaint the newcomer with the campus for the first day or two.

Dean Eklund spoke favorably of the program as he remarked, "I think the men of this campus have made a great step forward in the community spirit by undertaking this project. I am curious to see what the reactions will be on the incoming freshman class as compared to past classes. It won't work unless everyone cooperates 100%."

Orville Dahl To Speak At Commencement on Sunday

Pacific Lutheran College will hold its annual Commencement exercises on Sunday, May 31, with the Baccalaureate service held in the college chapel in the morning at 11, and the academic procession with Commencement exercises in the afternoon at 3:30 in the Memorial Gymnasium.

'53 Homecoming October 8-10; Genz, Sheffels to Direct

With a good head start on the '53 Homecoming, co-chairmen of the activities, Joyce Genz and Jerry Sheffels, announced Wednesday that sub-committee heads had been chosen and that the program for the weekend of October 8-10 was tentatively lined up.

The home football team will clash with the Central Washington Wildcats in the traditional Homecoming game on Saturday afternoon.

Plans are to start off Thursday night with an organ concert by Alexander Schriener of Salt Lake City. The coronation will take place on Friday night. The "Handsome Harry" contest and the girls' football game will also be re-inacted. On Saturday night the alumni banquet will be held and there will be entertainment in the CMS. Sunday will be open house on the campus.

Slogan Contest Still Open
The contest for an appropriate theme for the '53 Homecoming is still on and entries may be submitted until 4 this afternoon in the boxes in the building. The winner of the contest will be given a free airplane ride. This is one contest to get up in the air about.

Committee heads listed by the co-chairmen are: program, Jim Jaeger and Jean Christianson; pep rally, Bob Ross; alumni banquet, Peggy Holbrook and Marlys Salterbeck; registration, Iris Nordman; girls' football, Loris Zelmer and Mary Olsen; publicity, Dave Neavig and Jeanne Hansen; coffee hours, Kathy Biery and Janet Carson; parade, Mina Raasen and Jack Hoover; campus decorating, Kathy Hinrichs and Dick Nedtveld.

Glad About Town

The Temple Theatre again brought to Tacoma a successful New York production when it presented "Guys and Dolls". May 13 through 20. The show, subtitled "A Musical Fable of Broadway", centered around the difficulties of the promoters of a floating crap game in finding a place for their illegal negocios in time for the arrival of a visiting thug-dignitary from the Chicago gambling circle. The romance of one of the gamblers with a "doll" from the Save-A-Soul Mission let the mission for a good deal of kidding, none of which, however, was particularly sacrilegious.

Patricia Britton and Charles Fredericks headed a very fine cast. All the players were top-notch comedians, and those who sang were generally equal to the light demands of the music ("A Bushel and a Peck", "If I Were a Bell", "Sit Down, You're Rockin' the Boat", etc.) In the vocal department, though, the rumbly expostulations of non-singing Harry the Horse, whose voice sounded something like a Model T engine in an echo chamber, rather eclipsed the efforts of the singers.

There could easily have been much off-color dialogue in "Guys and Dolls" with its Broadway-alter-dark setting and story; actually there was very little. That is not to say that the production was innocent of what is playfully referred to as "spice", but it was certainly one of the least offensive of recent Broadway shows. One would hope that this might indicate the beginning of a trend in musical comedy.

Ashram To Be Held At Interlocken, Mich. Aug. 20 - September 4

More than 1000 Lutheran students are now making plans to hit the trail, for some a long one, for others a short one, to Interlocken, Michigan for the 1953 Ashram. Dates for the international get-together are August 23 to September 4.

Each summer L.S.A.ers from the United States, Japan, China, Germany, Italy and Norway gather to consider problems of every degree from local to technical international organizational subjects. The primary purpose is to worship, study and fellowship together with Christ as the focal point.

Special seminars and Bible studies are guided by experienced youth workers and clergymen. Dr. Dr. S. Kvist, Biblical scholar from Princeton Theological Seminary will be one of the leaders. What

L.S.A. is doing in other countries; how it is set up on a national scale; what the problems of other L.S.A.ers are; are what to expect at the Ashram.

N. W. Team is Title Defender In Softball

The Ashram will also make use of the varied recreational facilities in the scenic Interlocken area to round out the program. Mixers, softball, volleyball, tennis, swimming and boating are all available to keep Ashram-goers alert. Defending champions in softball is the Northwest Region team.

The nucleus of the 1952 title-winners were four PLC students.

Registration blanks for this week-long retreat are now available at the switchboard, according to Kathy Bieri and Norm Vorvick, local registration chairmen. Fee for registering before June 15 is \$7.50 and one dollar more after that date. The camp fee is \$25.00, payable when enrolling at the Ashram.

Graduation . . .

(Continued from Page 1)
 The graduation exercises will be held. Reserved seats will be held for those who have given contributions to the Memorial Gymnasium, providing they arrive before the service begins at 3:30. Mr. Cliff O. Olson, formerly director of Physical Education and Athletics at the College, will formally present the gymnasium to Dr. H. L. Foss, President of the Board of Trustees of Pacific Lutheran College.

Five Honorary Degrees
 Five honorary degrees will highlight the graduation exercises this year. They will include: Dr. O. G. Malmin, Editor of The Lutheran Herald, Minneapolis, Minnesota, who will receive the degree, Doctor of Letters; Rev. Magnus Dahlen, Executive Director of the Board of Charities and national officer of the Lutheran organizations of charities, Minneapolis, Minnesota, who will receive the degree, Doctor of Humane Letters; Rev. Eimer Johnson, Editor of the Western Lutheran, Portland, Oregon, who will receive the degree, Doctor of Letters; Professor J. U. Xavier, retired librarian of Pacific Lutheran College, Parkland, Washington, who will receive the degree, Doctor of Divinity; and Rev. H. T. F. Wittrock, pioneer pastor and member of the ministerium of the American Lutheran Church, Portland, Oregon, who will receive the degree, Doctor of Divinity.

Music at the services, morning and afternoon, will be furnished by the Choir of The West under the direction of Associate Professor Frederick L. Newham.

Stuhlmiller, Slattum, Nielsen Win Awards

Early in the semester an announcement was made that a "Reporter of the Year" award would be made at the close of the semester to the most diligent and co-operative member of the reporting staff of the MAST.

After consultation, however, the editors felt that two others had given enough blood to be eligible for similar recognition. Therefore, in addition to the "Reporter" award two "meritorious service" pins will be given.

Marlene Stuhlmiller was chosen the MAST's most outstanding reporter, Bob Nielsen was chosen for his work as sports editor, and Jerry Slattum picked for his superb handling of the ticklish job of ad manager.

The pins have not arrived as yet, but will be mailed to these students as soon as possible.

Mu Phi Pledges Five to Sorority

The PLC chapter of Mu Phi Epsilon, national music sorority, recently elected five new pledges, chosen on the basis of musical ability, scholarship, and character.

The girls are Faith Bueltdann, Kathy Gulhaugen, Jewell Kelly, Onella Lee, and Marguerite Thompson. The formal pledging was held May 18, in the faculty lounge. According to the sorority's president, Jeanette Foss, initiation will take place in the fall.

Hatlen, Rieke Win Trophies For Forensic Abilities

For meritorious service in inter-collegiate forensic work, Alan Hatlen and Bill Rieke, senior forensic squad members, were awarded trophies last Friday evening, May 22, at the formal initiation banquet of Pi Kappa Delta and Alpha Psi Omega held in the Winthrop Hotel.

To be eligible for such an award, a person must have 50 points in inter-collegiate competition including a minimum of six first places and must graduate from PLC. First place counts five points, second counts three, and third place one. At the time the award was established four years ago, only two people on the Pacific coast could have qualified. These two awards are

numbers four and five for PLC. --
PLC Sets High Mark
 Records show that in the past few years PLC's forensic accomplishments have been without equal. Last year PLC held the top spot on the Pacific coast with the University of Southern California second.

Joanne Schief To Lead LDR

Highlighting the annual mother-daughter tea given by the LDR Thursday, May 22, in the Student Union Building, was the impressive installation ceremony for the newly elected officers for the 1953-54 year.

Grace Foege, president, was mistress of ceremonies for the afternoon tea. On the program was Marguerite Thompson, who sang two numbers, accompanied by Onella Lee, and Miss Leone Ingman, director of the Lutheran Service Center in Tacoma, who spoke on "Substitute Parents."

Miss Anne Knudson, faculty advisor to the organization, was in charge of the installation service. Newly elected officers are Joanne Schief, president; Marilyn French, vice president; Thelma Nygaard, secretary; Phyllis Aune, treasurer; Joan Backstrom, ICC representative; Jean Christanson; publicity chairman; Ellen Henry, worship offering chairman and Mary Olsen, hostess chairman.

Baby Spurs Elect Ruth Heino Prexy

Spur pledges received their gold pins and the new officers were installed for the coming year at their formal initiation May 14 in the CMS Lounge.

Officers for the coming year are: Ruth Heino, president; Mildred Van Buren, vice president; Ginny Grab, secretary; June Wigdahl, treasurer; Myrna Shelver, editor; Betty Jean Condray, ICC; and Donna Swanson, historian.

Pictures were taken of old and new Spurs and officers by Jerry Sheffels.

Refreshments were served.

Ole Stuen Succumbs After 71 Active Years

Sharing the sorrow of the family of Professor Ole J. Stuen is the Pacific Lutheran College family. Our beloved "Ole", who had been on the faculty of PLC for 36 years, passed away suddenly on May 20.

Born in Opdal, Norway in 1881, Mr. Stuen came to Pacific Lutheran College in 1902 to take a spec-

ial course for immigrants. During this fifty year period he was a student at PLC, a graduate of the University of Washington and then on the faculty of PLC. As a student he played on a champion tennis team.

He married in 1914. While on the PLC faculty he coached and taught basketball and tennis and almost every other course. He retired as head librarian in 1952.

At the time of his death he was executive secretary of the Alumni Association, secretary of the Parkland Kiwanis Club, treasurer of Parkland Light and Water, member of Trinity Lutheran Church.

Mr. Stuen is survived by his wife Agnes, two sons, John of Port Orchard, Washington, and Dr. Marcus of Parkland, and two daughters, Mary Willis of Auburn, Washington and Anita Pothoff of Port Townsend; also 10 grandchildren. Journalistic tributes of any kind will not express the loss the members of the faculty and student body and feel for this dear friend.

Joan Murray Wins W'AA Tennis Match

The W.A.A. tennis tournament was brought to a close last Sunday when Joan Murray and Carol Edlund participated in the finals. Joan won with a score of 6-2 and 10-8. Both the winner and runner-up received prizes of tennis balls.

The fun and the good experience were appreciated by all the girls who took part in the tournament and they are hoping for another successful tournament next year!

Two New Dormitories To Be Built At \$925,000 Expense

Construction of two dormitories on campus, one for men and the other for women which, will supply housing for 127 and 115 respectively, was announced this past week by President S. C. Eastvold. Work is scheduled to begin in August with completion scheduled for September 1, 1954.

Financed by the government on a 40-year loan basis, the two buildings costing \$925,000 completely furnished will be built on the upper

west campus, the one building directly behind the CMS overlooking the lower campus and the other due north of it facing an inner court. The structures will be of concrete and steel construction with brick facing to match the present buildings, the larger of the two being four stories and the smaller three.

Some of the special features to be included are an intercommunication system for each room, special bathrooms, several lounges, fireplaces and late study rooms.

In the future a third dormitory will be built bringing the total housing capacity outside of Old Main to 350. At that time all the boys living in dormitories will be moved into Old Main.

TRIPLE THREAT MAN!

AIRCRAFT OBSERVER

AIRCRAFT OBSERVER

AIRCRAFT OBSERVER

The Brains of the Team

Teamwork can work miracles. In a football game the man who sparks these miracles is the quarterback. He's the man who calls the signals. There's a man who calls the signals for an Air Force flying team, too.

They call him an Aircraft Observer.

Do YOU have what it takes to become an Aircraft Observer?

It isn't easy. It's tough. You have to be a MAN to qualify as an Aircraft Observer. But when you are one, brother, you're SOMEBODY! The success or failure of a mission involving over a million dollars worth of flight equipment depends on you.

THE AIRCRAFT OBSERVER IS THE SOMEBODY WHO:

As *Bombardment Officer*, is number one man on a bombing run, the man who controls the plane in the target area!

As *Navigation Officer*, is the pilot's guiding hand on every flight!

As *Radar Officer*, is master of a new science and operator of the device that sees beyond human sight!

As *Aircraft Performance Engineer Officer*, is the one who "keeps the plane flying", the man who knows his plane in-

side and out, who keeps it fit for the skies and sees that it stays there!

If YOU can accept a challenge like this, you'll take your place beside the best—you'll find your future in the clouds!

TO BE QUALIFIED you must be single, a citizen, between 19 and 26½ years old, have had at least 2 years of college and be in tip top physical shape. If this describes you, then YOU, too, can qualify. Today!

HERE'S WHAT YOU'LL GET! The world's best training. Good food and plenty of it. Uniforms, flight clothes, equipment. Medical and dental care. Free insurance. Flight training in Uncle Sam's greatest aircraft.

Top Man on the Totem Pole

At this time of the year the days get shorter and shorter as so much of the last moments of school are tried to be packed into their meager span. These conditions prevail also in our writings. There just isn't space to say it all.

This graduation marks the end of college for a good number of Lettermen who's exploits have regularly appeared here, some names more than others to be sure, but we are proud to have been associated with every one. We would like, once again, to set them before you: **HAY BARNES**, football and track; **BOB BROG**, football; **LLOYD EASTMAN**, basketball; **AL FINK**, football and track; **CHUCK FORSLAND**, football; **DICK GRISWOLD**, football and track; **ANDY HELLING**, baseball; **GLENN HUFFMAN**, football, basketball, and baseball; **DALE KELLER**, track; **ROGER MADSEN**, football and track; **OLE MAGNUSSEN**, football and track; **ART SWANSON**, football and baseball; **PAUL WANUSMO**, football; and **GLENN O. WERNER**, football and track. Good luck and a bigger scrapbook to all of you.

The intramural program was a real success again this year with over 200 students taking part in one way or another. The number of participants in all activities was 502 for a total of 2409 different participations in all activities giving an average of 11.83 for the number of times each person participated in some activity. Congratulations if you can see through the smoke.

Central Edges Tacoma In Intramural Finish

Central Parkland is again the intramural champion. For the second time in as many years the men from South of Wheeler St. have fought off the opposition of the rest of the intramural program and gained the top of the heap. They also have the distinction of being the only team to have won the trophy (the program being in operation only the last two years).

Lutherans Compete In Conference Meet

Pacific Lutheran College placed seventh in the Conference track and field meet held at Cheney last Friday and Saturday, scoring seven points. Eastern, favored to win, proved their deciding factor with versatile Ron Chadwick proving a great asset in the team's scoring with 27 points. Pacific Lutheran's points came with Ted Slek, outstanding Lute distance man, taking second place in the mile and a fourth place in the two mile, for six points. The other point was garnered by Big Ole Magnusen for fifth place in the discuss. Stan Jacobson and Roger Madsen the two other Lutheran entries were eliminated in the preliminaries.

This year the running was not as smooth as before, with a number of teams giving them a run for the money, especially Tacoma. The issue wasn't decided until the very last and then Tacoma was nosed out by a scant 20 points.

Ivy Hall placed well up in the first division during the offset but a terrific drive in the spring sports by Eastern moved Eastern to third place and dropped Ivy to fourth. Following are the final standings and points of each district:

Central Parkland	1308.9
Tacoma	1283.2
Eastern Parkland	1092.2
Ivy Hall	1082.3
Clover Creek Hall	570.7
Western Parkland	559.1

Lutes, Pirates Vie for Title Today

Lester Cops Award

Bud Lester of Ivy Hall emerged as top man of the intramural program as revealed by the official figures released this week by coach Salzman. Bud's 590.8 points led his closest rival, Ray Bloomquist's 561, by 29.8 points. Last year's winner, Phil Wigen, was third with 500 points.

Lester achieved his total through participation in track, football, basketball, free throw contest, volleyball, horse shoes and tennis.

Ray Bloomquist competed in more events than Lester but he failed to go as far in the different tourneys thus allowing only second in the standings. Earl Tilly was high man in the total number of events entered as he competed in football, basketball, volleyball, table tennis, softball, horse shoes, golf, tennis, track and the free throw contest. Following are the high scorers:

Bud Lester (Ivy Hall)	590.8
Ray Bloomquist (Central)	561.0
Phil Wigen (Ivy Hall)	500.0
Earl Tilly (Central)	464.1
Art Kimball (Central)	440.0
Donn Koessler (Tacoma)	428.0
Len Nelson (Tacoma)	424.0

Swindland, Schimke Top Spring Sports

The final phase of the intramural program was completed last Tuesday as Tom Swindland beat Gerry Petersen to win the golf tournament, 38-41. The first nine hole playoff round resulted in a deadlock at 45 each. In the second round both golfers improved their games but Swindland carded a 38 to edge out his opponent by three strokes, thus giving him the championship.

Last Monday afternoon Gerry Schimke the intramural tennis tournament, coming from behind to down Ted Slek by the scores of 4-6, 6-2, 6-1. Earlier in the tourney Schimke had beaten Ray Bloomquist and Bud Lester to qualify for the finals.

Eastern, Western Divisions Playoff To Begin At 1:30

Cheney Field will be the scene of baseball action this afternoon as Pacific Lutheran meets Whitworth in a two-out-of-three series to determine who is king of the Evergreen Conference.

The Lutes went through their league games without a single defeat to post an 8-0 record. It wasn't that simple on the morning side of the mountains. Eastern Washington and Whitworth were tied for the top spot and kept everybody guessing until Wednesday night as to who was going to play who (or whom?).

Harshman's Tossin' Twoosome, Hansen and Lester, will be out to keep their records unblemished for the 1953 season. Vern has won 6 and lost none for the Lutes. The boy from Ballard doesn't claim to have much stuff on the ball but mixes it up, always trying to fool the hitter and keep ahead in the ball-strike count. Actually he throws a pretty good curve ball and has good control. Hansen is an honor roll student, and with Huffman behind the plate, PLC's battery has the highest grade point average in

the west, probably one of the most effective too!

Bud Lester, the Thin Man, will be trying to protect his 590.8 points he toes the rubber this afternoon. Bud's fastball is a little lively and keeps the batter loose in the box. Occasionally it puts a runner or two on the base paths which hasn't bothered him much. CP's got the sacks loaded against Lester twice with nobody out, but failed to score either time. The 1-0 shutout he tossed against Western was a real gem.

Baseball was invented for sunny afternoons so let's get out and see the Lutes gain another league crown. The fellows' coach have been rather disappointed at the reception they have been getting at their home games.

Thinclads, Netmen To District Meet

Today and Saturday the Lutes travel to Renton, Washington to compete in the NAIA district No. 1 meet for small collegés of the state. Representing the Glads will be Ted Slek, running the mile and two mile; Ole Magnusen in the discuss; Stan Jacobsen running the half-mile; and Dave England pole vaulting. The athletes who qualify will travel to the NAIA national track and field championships, held in Abilene, Texas, June 5th and 6th.

The top flight tennis players from the small colleges will compete in the NAIA tournament at the Tacoma Tennis Club this weekend. The single elimination tourney will include both singles and doubles competition. Winners will proceed to the Nationals at Abilene.

Carrying the colors for PLC will be Pete Luvaas and Ivan Seppala. Pete will play singles and will team with Seppala in the doubles. On the basis of Luvaas' play in the Evergreen Conference meet at Cheney, he rates as a dark horse in the NAIA competition. He reached the semi-finals where he lost a three hour match to Snowland of Central, 9-7, 7-5.

Len Nelson is the lone Lute entrant to the district NAIA golf meet this weekend.

And Even The Lettermen Elect Some New Officers

Officers of the Lettermen's Club for the Fall semester of the 1953-54 school year were elected Monday at the last regular meeting of the Lettermen's Club.

Garne Lund was chosen to be the guiding genius, coordinator, solicitor, deligator, advisor, planner, procurer, and representative on all committees (president). Dick Larson was elected vice-president, in charge of keeping the pencils sharpened for the newly elected sec-treas. Phil Nordquist, Nordquist has been awarded a long pencil and a short leash since the club has become highly conscious of recent history.

Strong-arm men of the outfit are Bob Ross and Burly Bud Lester, the sgt. at arms. They promise that everything will be strictly army (non-combatant).

John (Edgar) Hoover will probably show up at the ICC meetings since he is somewhat of an abbreviated fisherman.

Rounding out the cabinet is Larry Eggan, the unofficial parliamentarian and promisor of "I-will-make-the-sing-in-the-true-fashion-of-president."

LSA Assumes Responsibilities For Needy Congregations

What happens when 60 students taken an interest in a church and lend their talents and time to it? The net result is an increase in Sunday School attendance from a weekly average of 12 to 80, a new pulpit and baptismal font, a newly painted exterior and interior, and a complete landscape job.

Trinity Lutheran church of Spanaway was taken under the wing of LSA last Fall at the suggestion of Hal Ruddick, Sunday School superintendent and vice president of LSA. With the help of members of the congregation and their donations, the results have been attained.

More Improvements Planned
Resolutions have already been adopted by the LSA service committee for continued improvements next year. Refinishing and remodeling of the pews, a new sign identifying the church and a new roof are among the plans.

Under the guidance of Alura Amdal, who has served as organist all year, and Hal, special Thanksgiving, Christmas and Easter programs were presented. PLCites contributed heavily to these special events.

The regular pastor of Trinity, Rev. Synth, who also serves two other parishes in the area, Gene Perry, chairman of the project, and Hal all expressed their deepest gratitude for the work that has been done.

LSA Adopts Olalia Church
This project doesn't end with the school year however, and Sunday School teachers and an organist are needed for the summer. Anyone who can help out this summer is asked to contact Gene or Hal.

Since the venture at Spanaway has been so successful, another church under full swing next fall. It is hoped that a third needy church, in the Puyallup area, will be added to the list, to give more students an opportunity to serve under the service arm of LSA.

Erickson Music Lib. Now Open Afternoons

The long-awaited Erickson Music Library is finally open! Because there are only a couple of weeks of school left, and a complete staff has not yet been appointed, the library will, for the remainder of this academic year, be open in the afternoon only. The hours for Monday through Thursday will be from 2 until 5, and on Friday from 2 until 4.

Students are invited to come in and make use of the constantly growing facilities of the library—both for study and enjoyment purposes. There are six listening desks where students may listen, by means of headphones, to any of the approximately 800 records in the library, to which additions, chiefly of the Long-Playing type, are being frequently made.
