Answers from the Survival Cover Quiz:

1) If you missed the mistake here you are probably episcople. The answer: Luthern doesn't have an "a" in it.

2) We were going to have the computer center run a program which would have calculated the odds against the three surfaces of the clock tower ever agreeing with one another, but we figured, with breakdowns, that it would have taken the center five years to do it. Nevertheless, there is no mistake here because the clock on the right has 6:00 p.m., while the clock on the left has 6:00 a.m.

3) Just to make the quiz rough we put two mistakes in this frame. The mistakes were, one, the obvious misspelling of Wiegman and, two, zoe is spelled with an "e."

INTRODUCING THE WORLD'S GREATEST \$300⁰⁰ SYSTEM!

FROM: KENWOOD · BSR · CREATIVE

The heart of this system is the all new Kenwood KR2200 30 Watt AM-FM stereo receiver. Amongst the many features of the KR2200 are a base contour switch, 2-set speaker switching, FET's and a 2 year parts and labor warranty. To reproduce music the way it is we've matched the KR2200 with a BSR 310 automatic changer with a shure M-75 cartridge (includes base and cover). To complete this system, we've included two Creative Industries model 77 speakers. These are 3-way systems that you must hear to appreciate. These speakers carry a 5 year written guarantee.
