*We've only just begun ...*

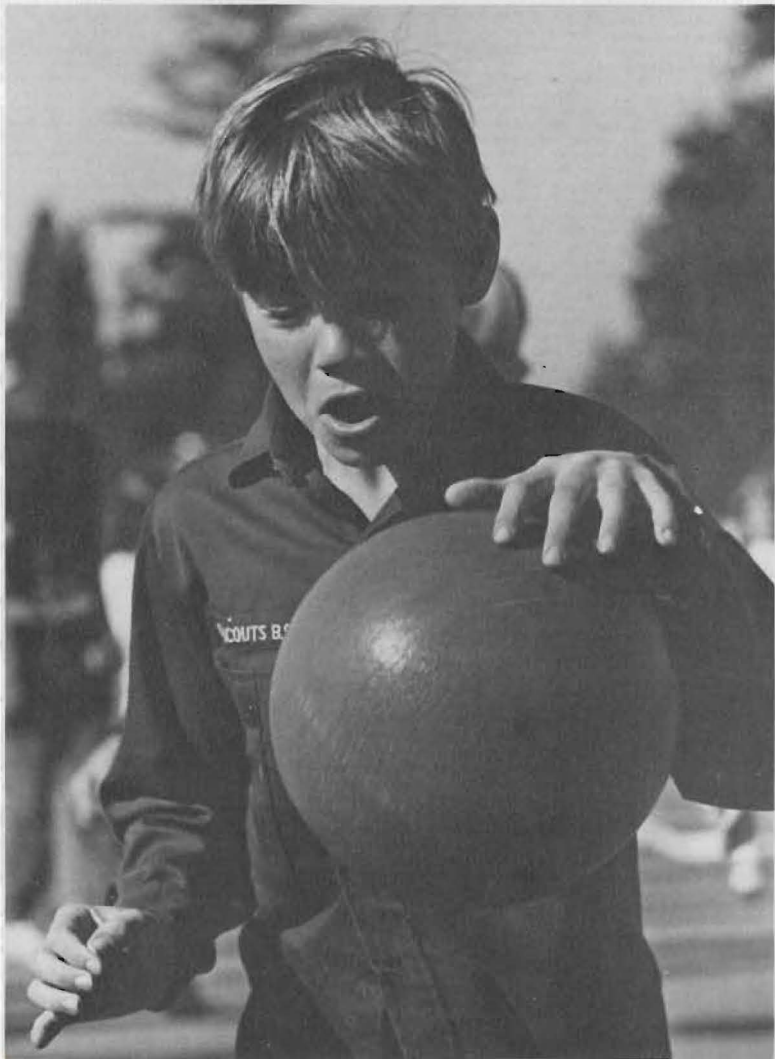

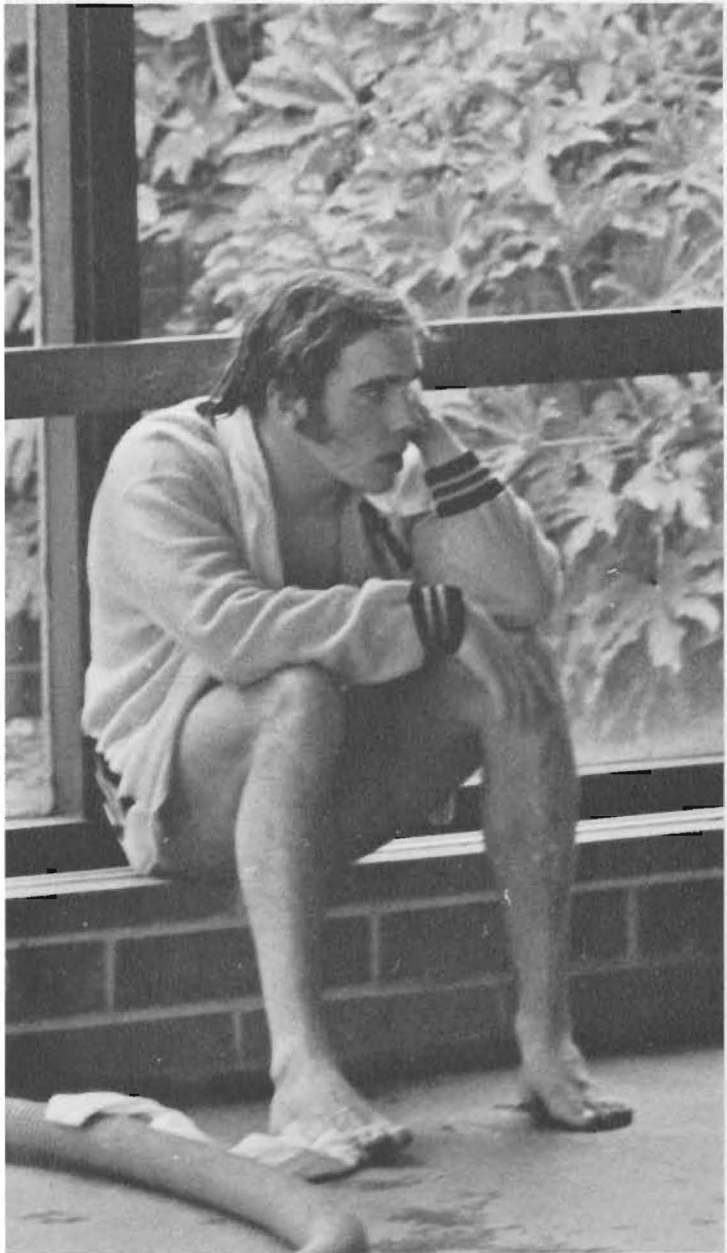

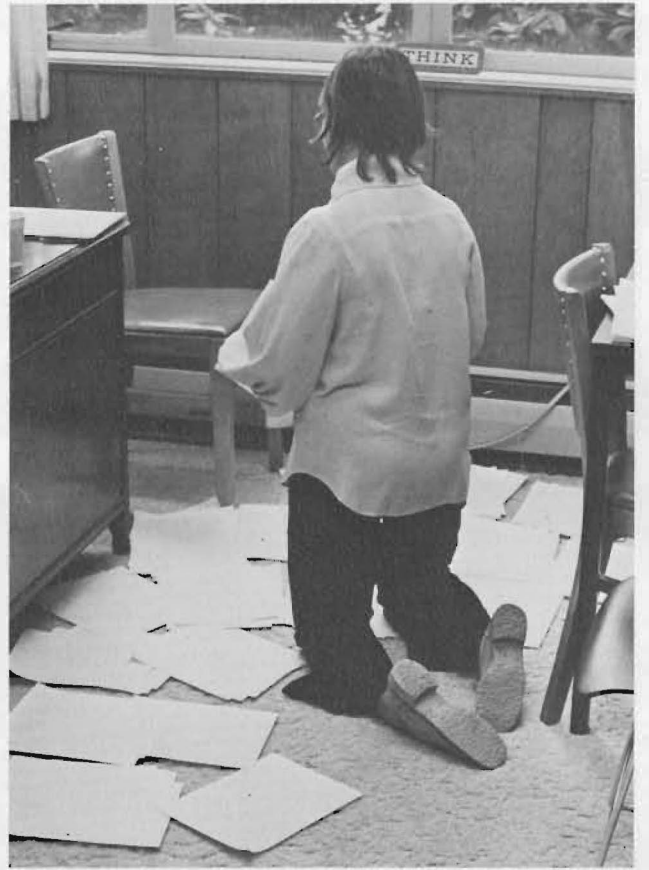

*To appreciate meaningful moments from shadows of earlier years ...*

*As we choose our  
paths from the backwoods  
of our mind.*

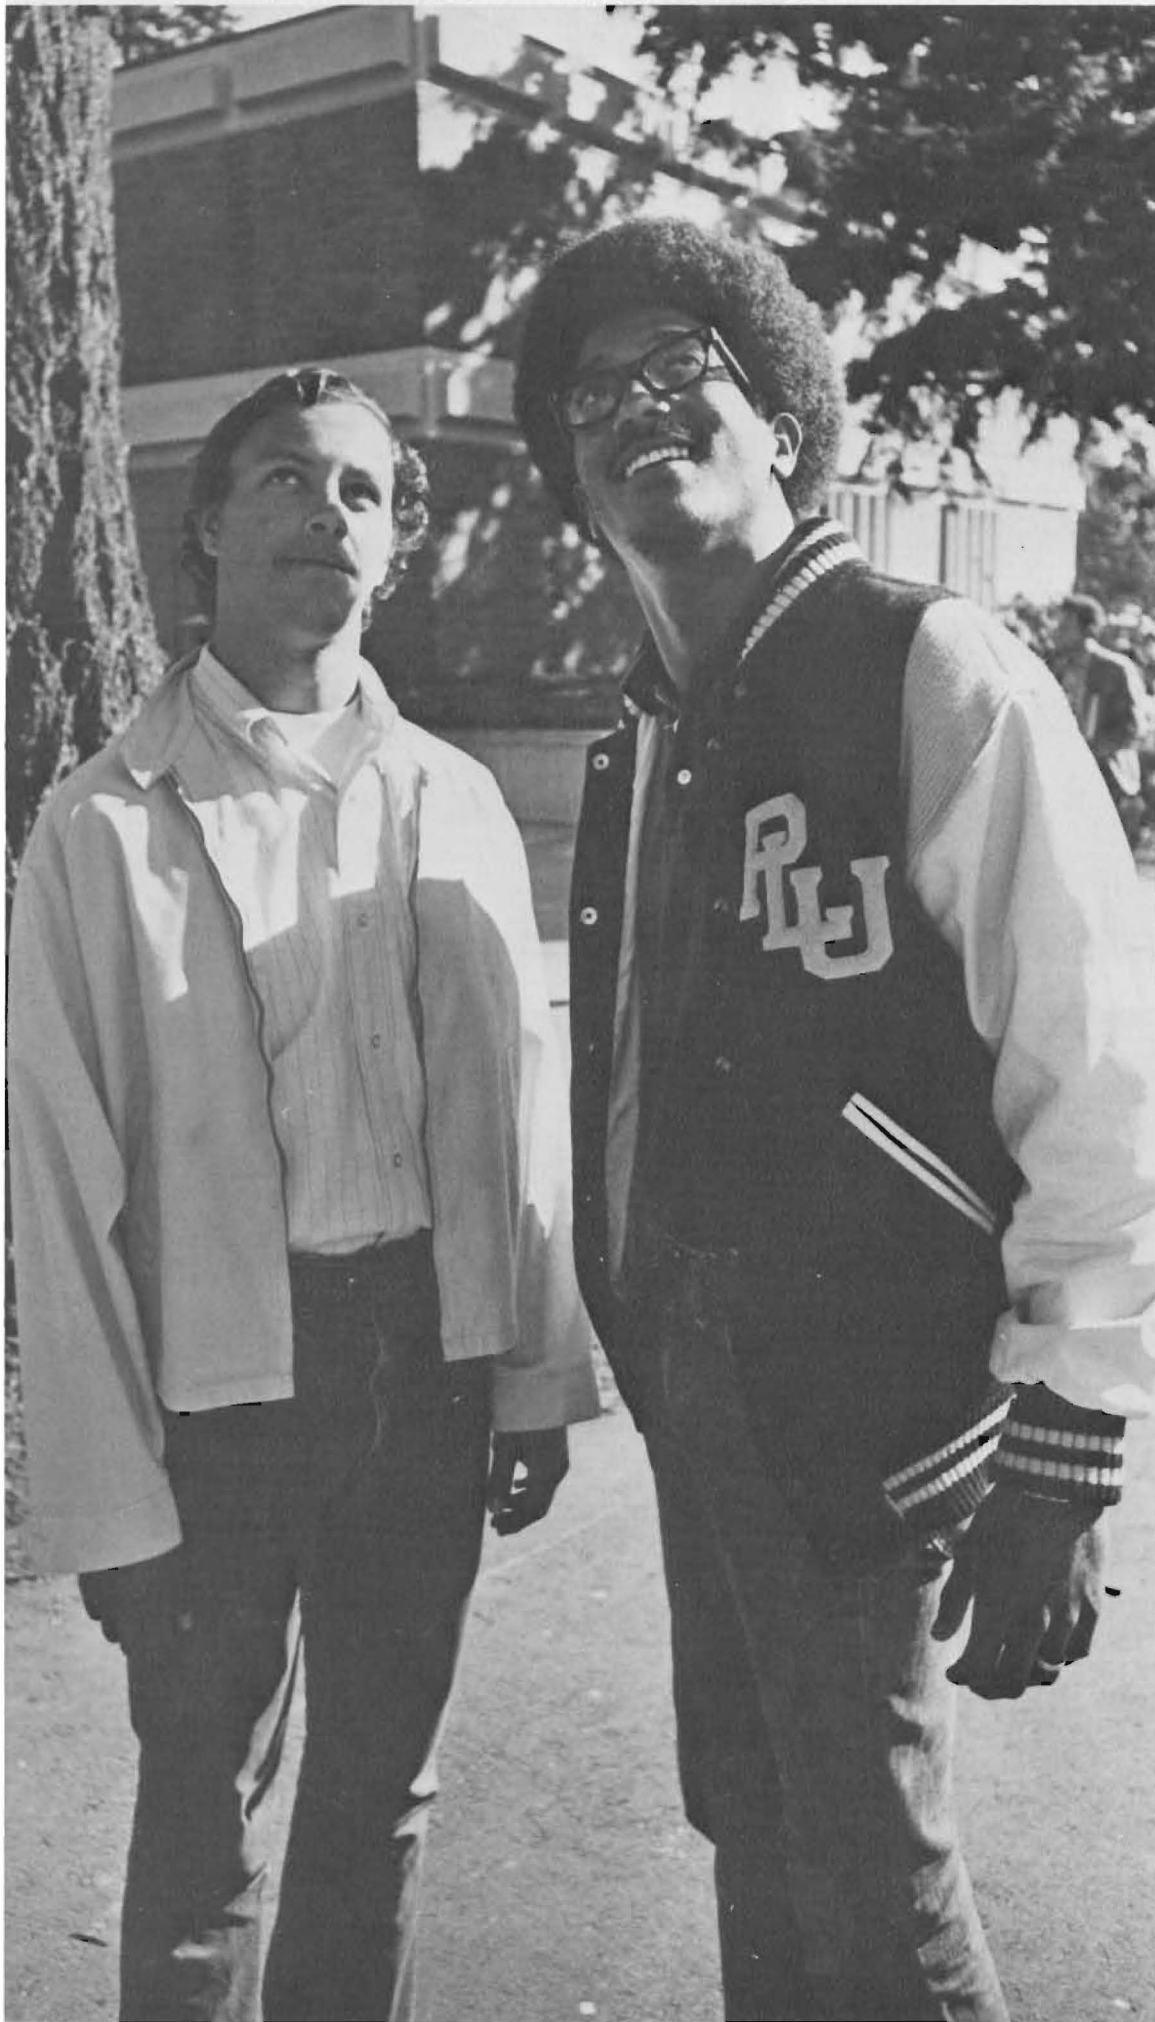

*Today we emerge,  
barefoot and fresh ...*

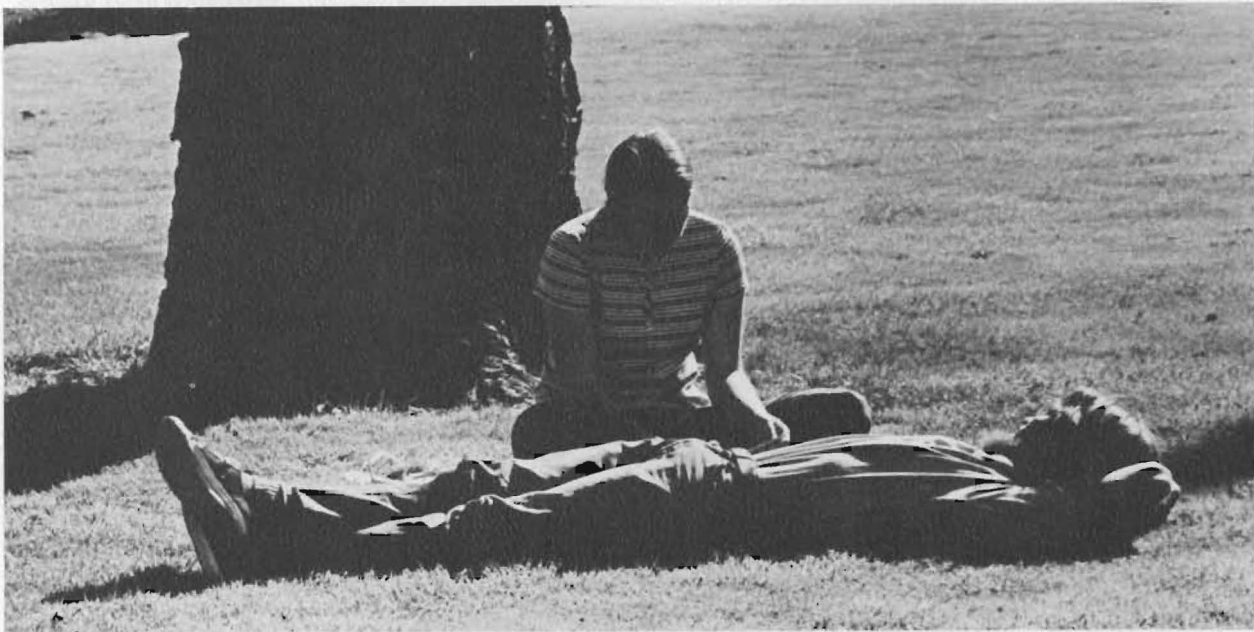

*...in a world  
where we turn  
to discover*

*... that we need  
each other's support.*

*And as we learn  
to give,*

***We'll smile,  
knowing that we've  
only just begun.***

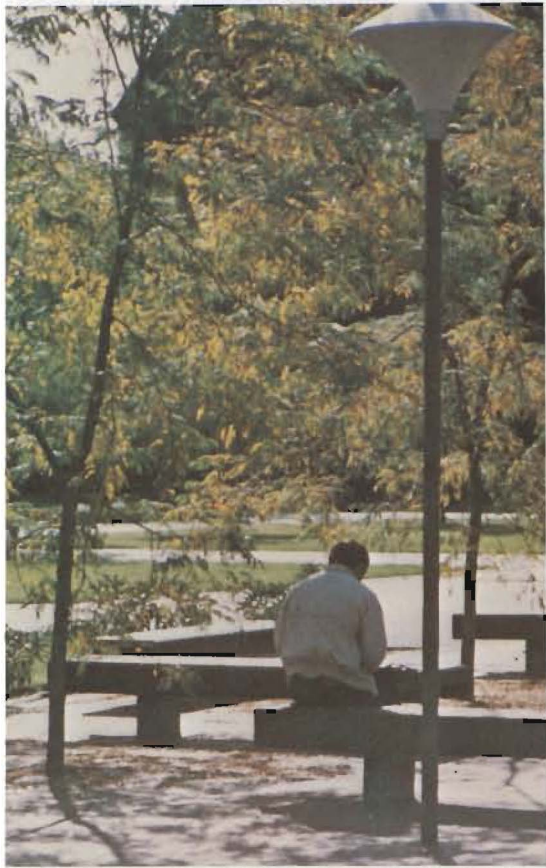

**PACIFIC  
LUTHERAN  
UNIVERSITY**

**Pacific Lutheran  
University,  
1971-72: A YEAR OF  
REFLECTION!**

**“A year of deep thinking,  
a year of thoughtful  
action, and a year of study  
and preparation for the  
challenging days ahead.”**

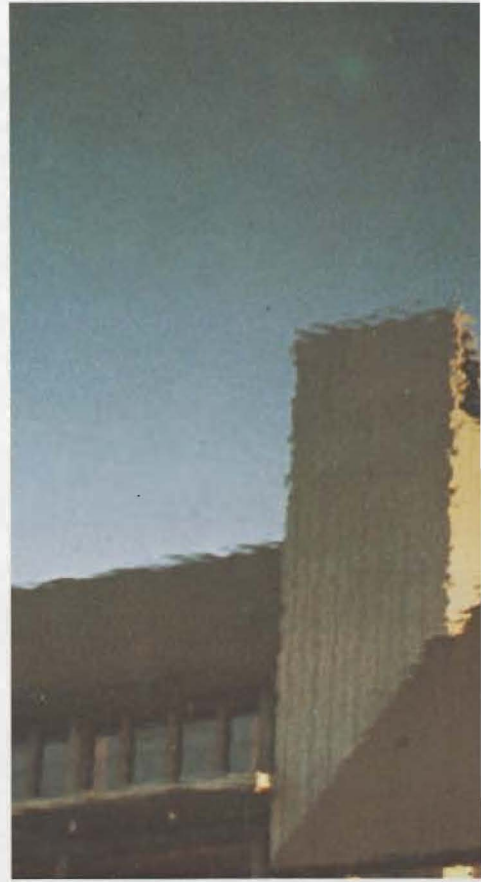

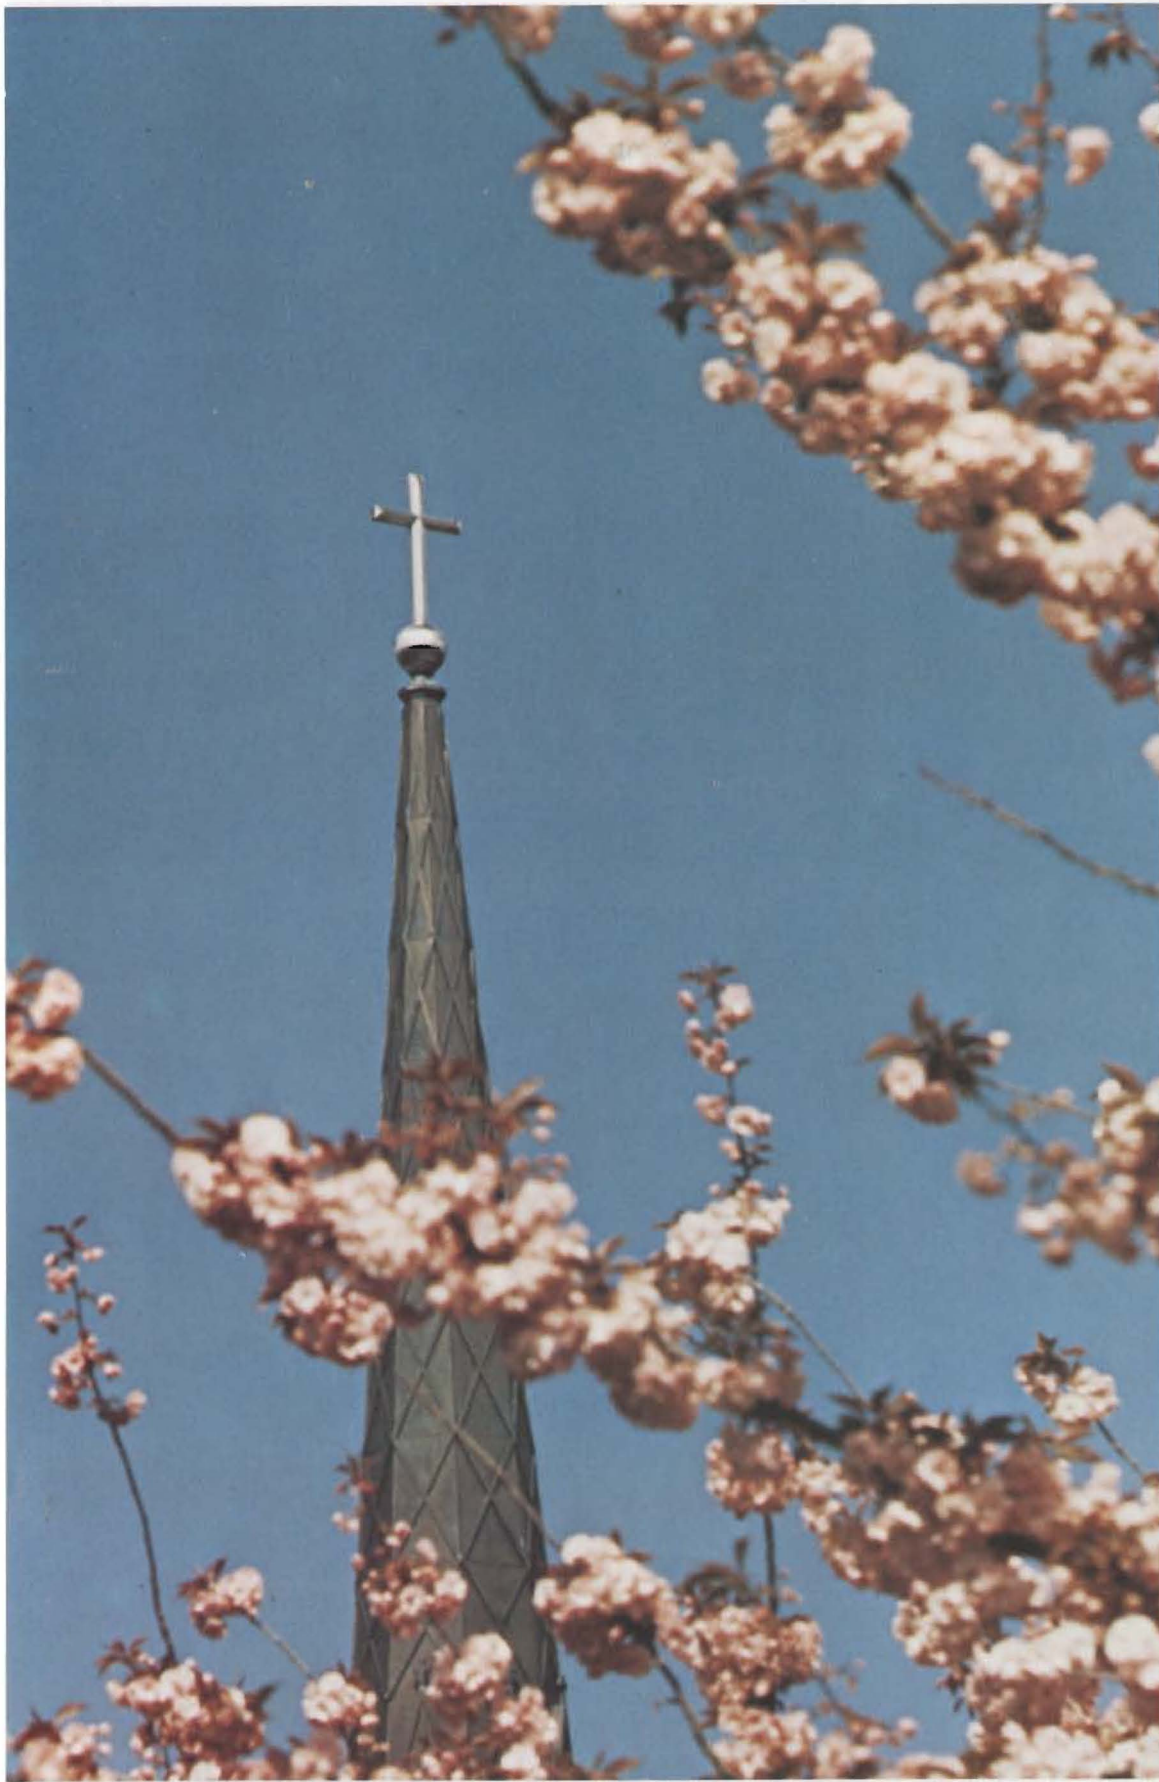

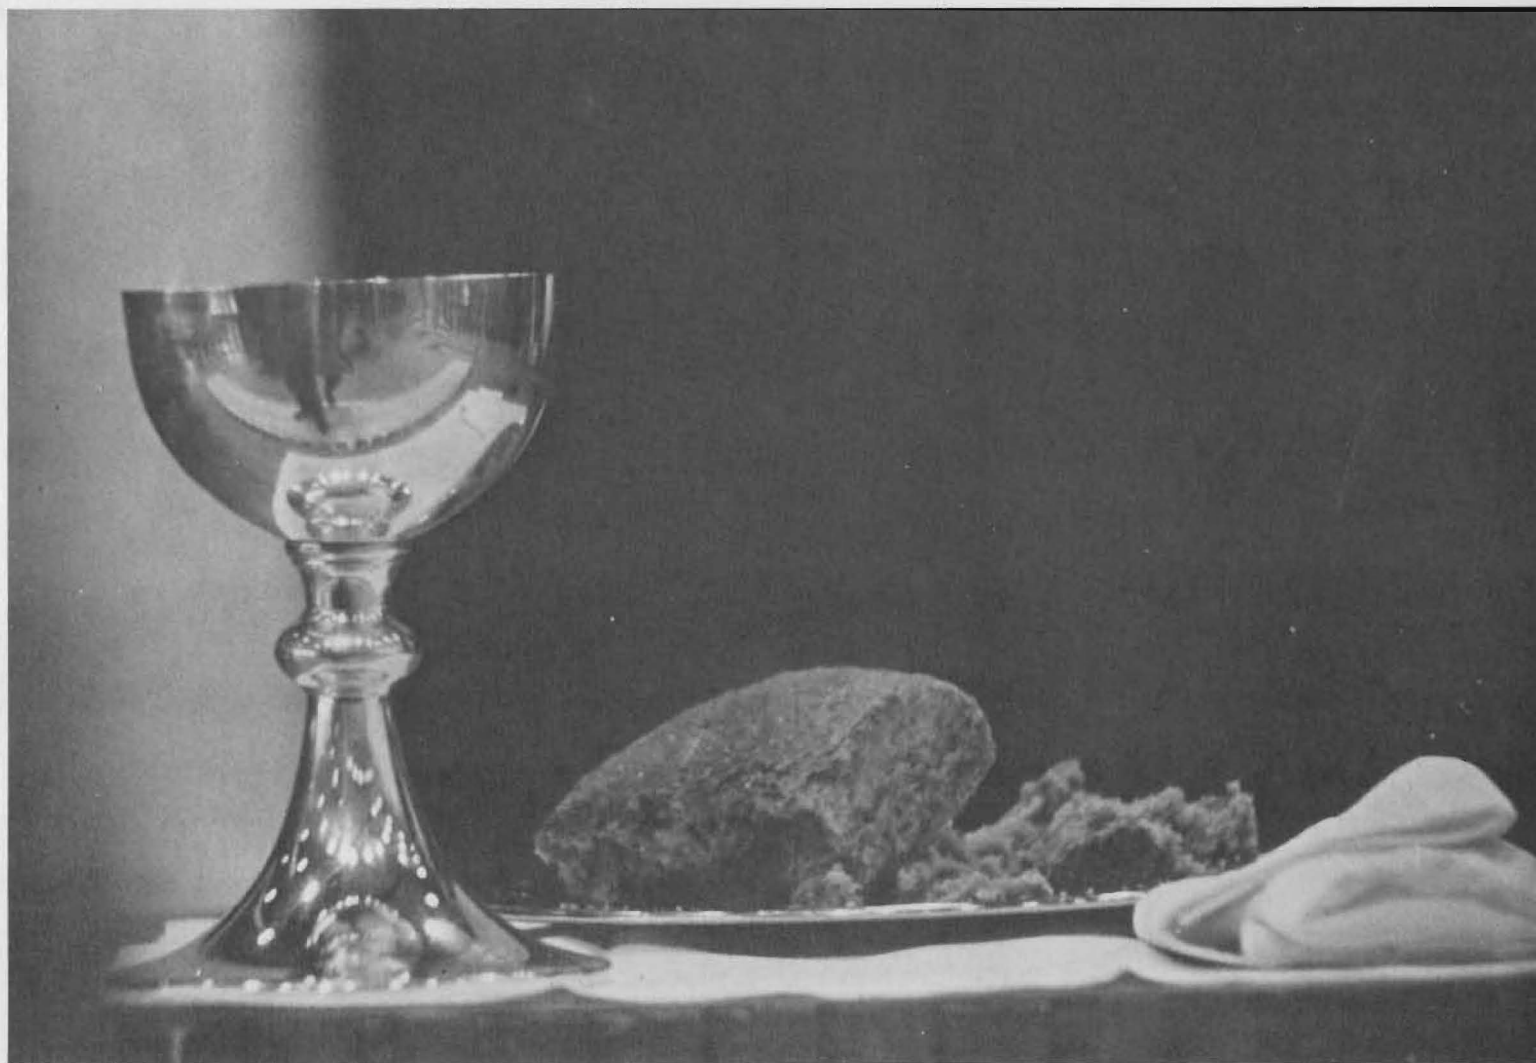

*When the white eagle of the North is flying overhead,  
The browns, reds, and golds of autumn lie in gutter dead.  
Remember then, that summer birds with wings of fire flying  
Came to witness springs new hope, born of leaves decaying.  
Just as new life will come from death,  
    love will come at leisure.  
Love of love,  
    love of life and giving without measure.  
Gives in return a wondrous yearn of a promise almost unseen.  
Live hand-in-hand, and  
Together we'll stand on the threshold of a dream.  
                                Moody Blues*

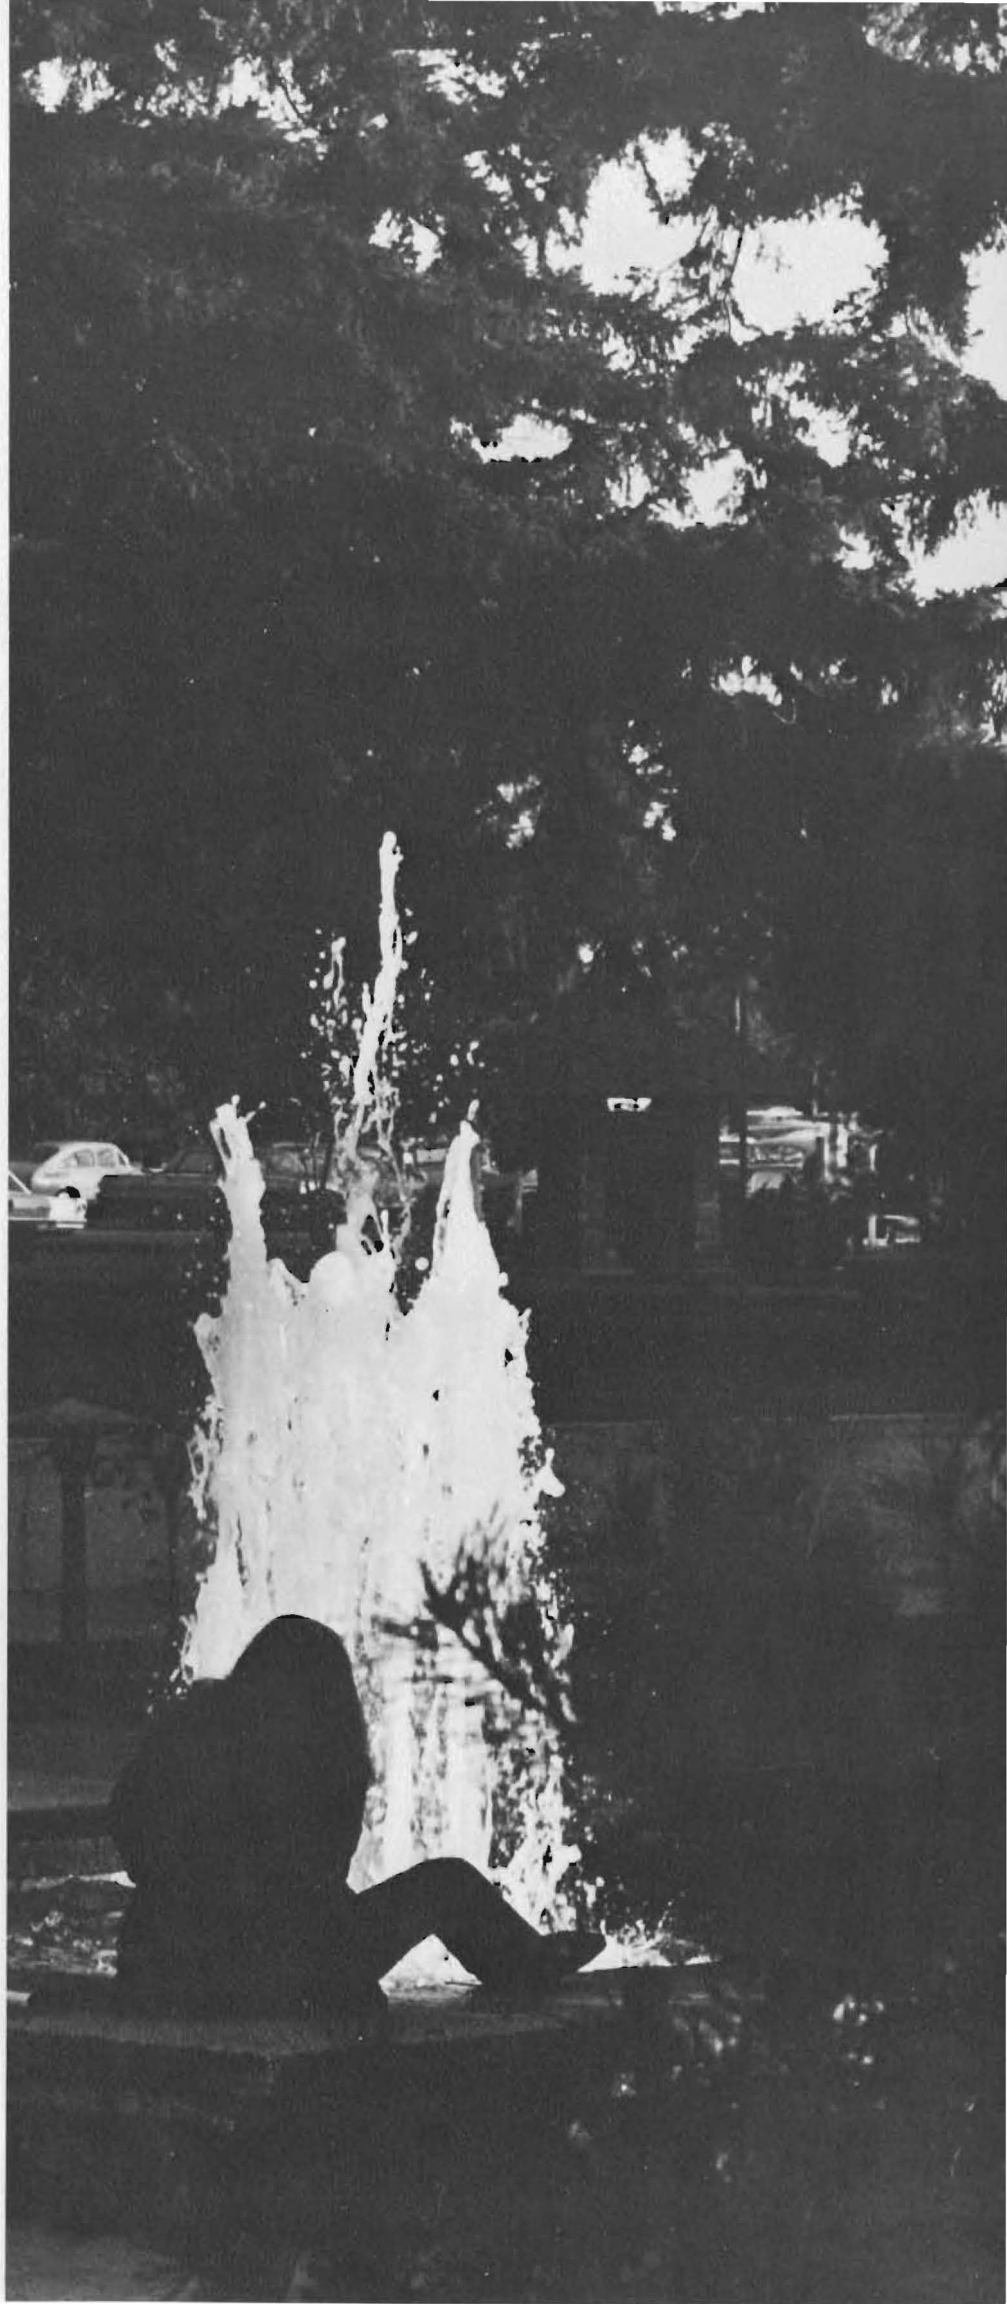

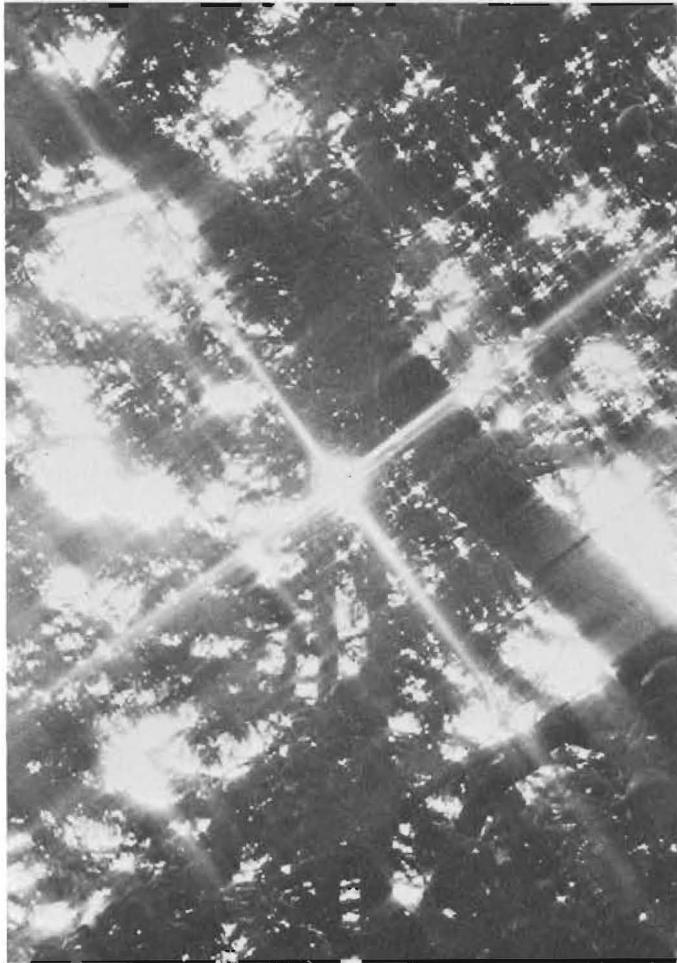

*Ask, and it shall be given you;  
Seek, and ye shall find; knock,  
and it shall be opened unto you.  
Matthew 7:7*

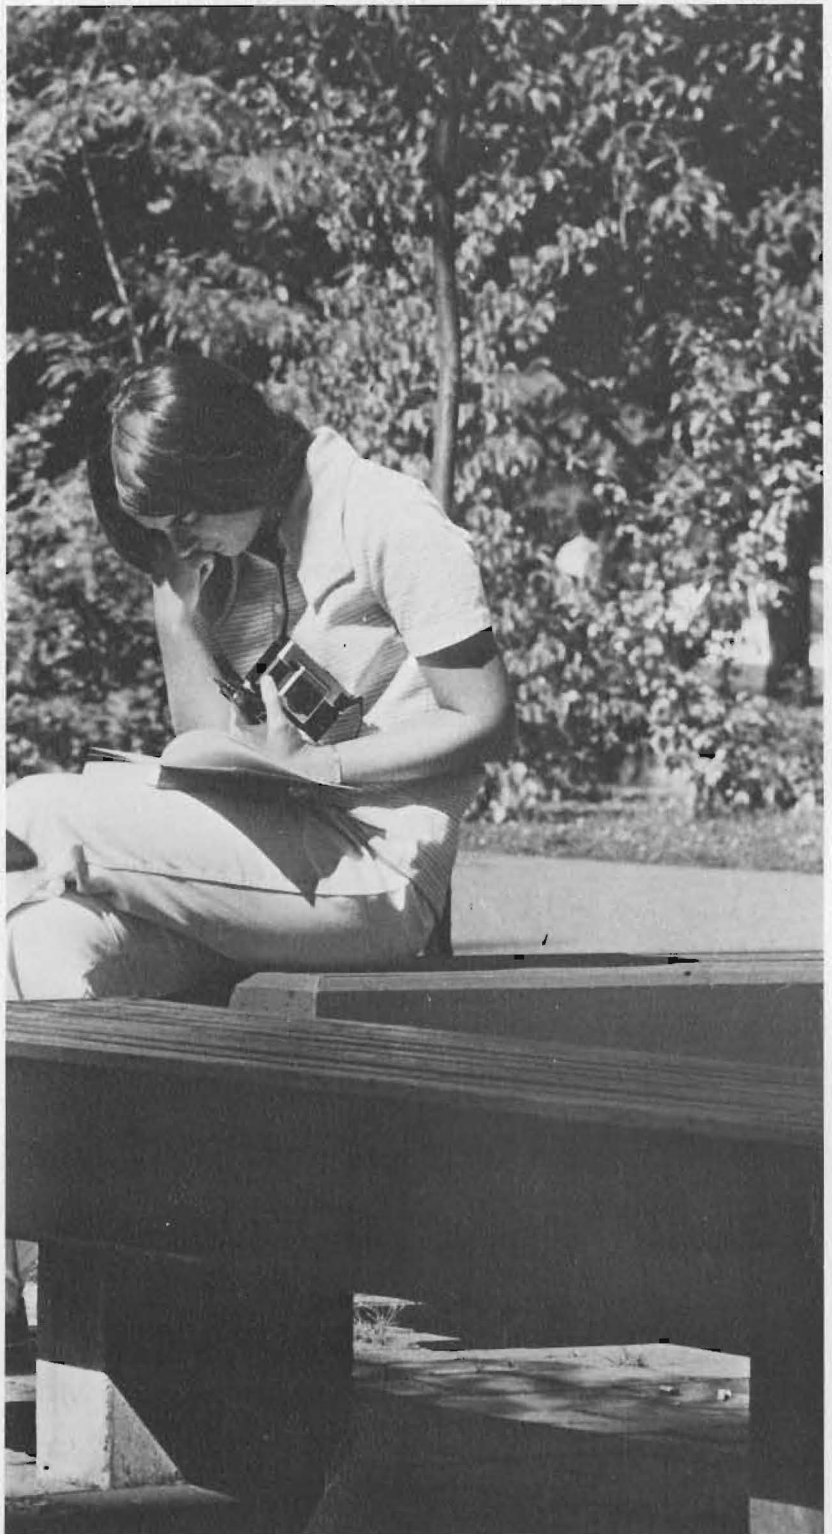

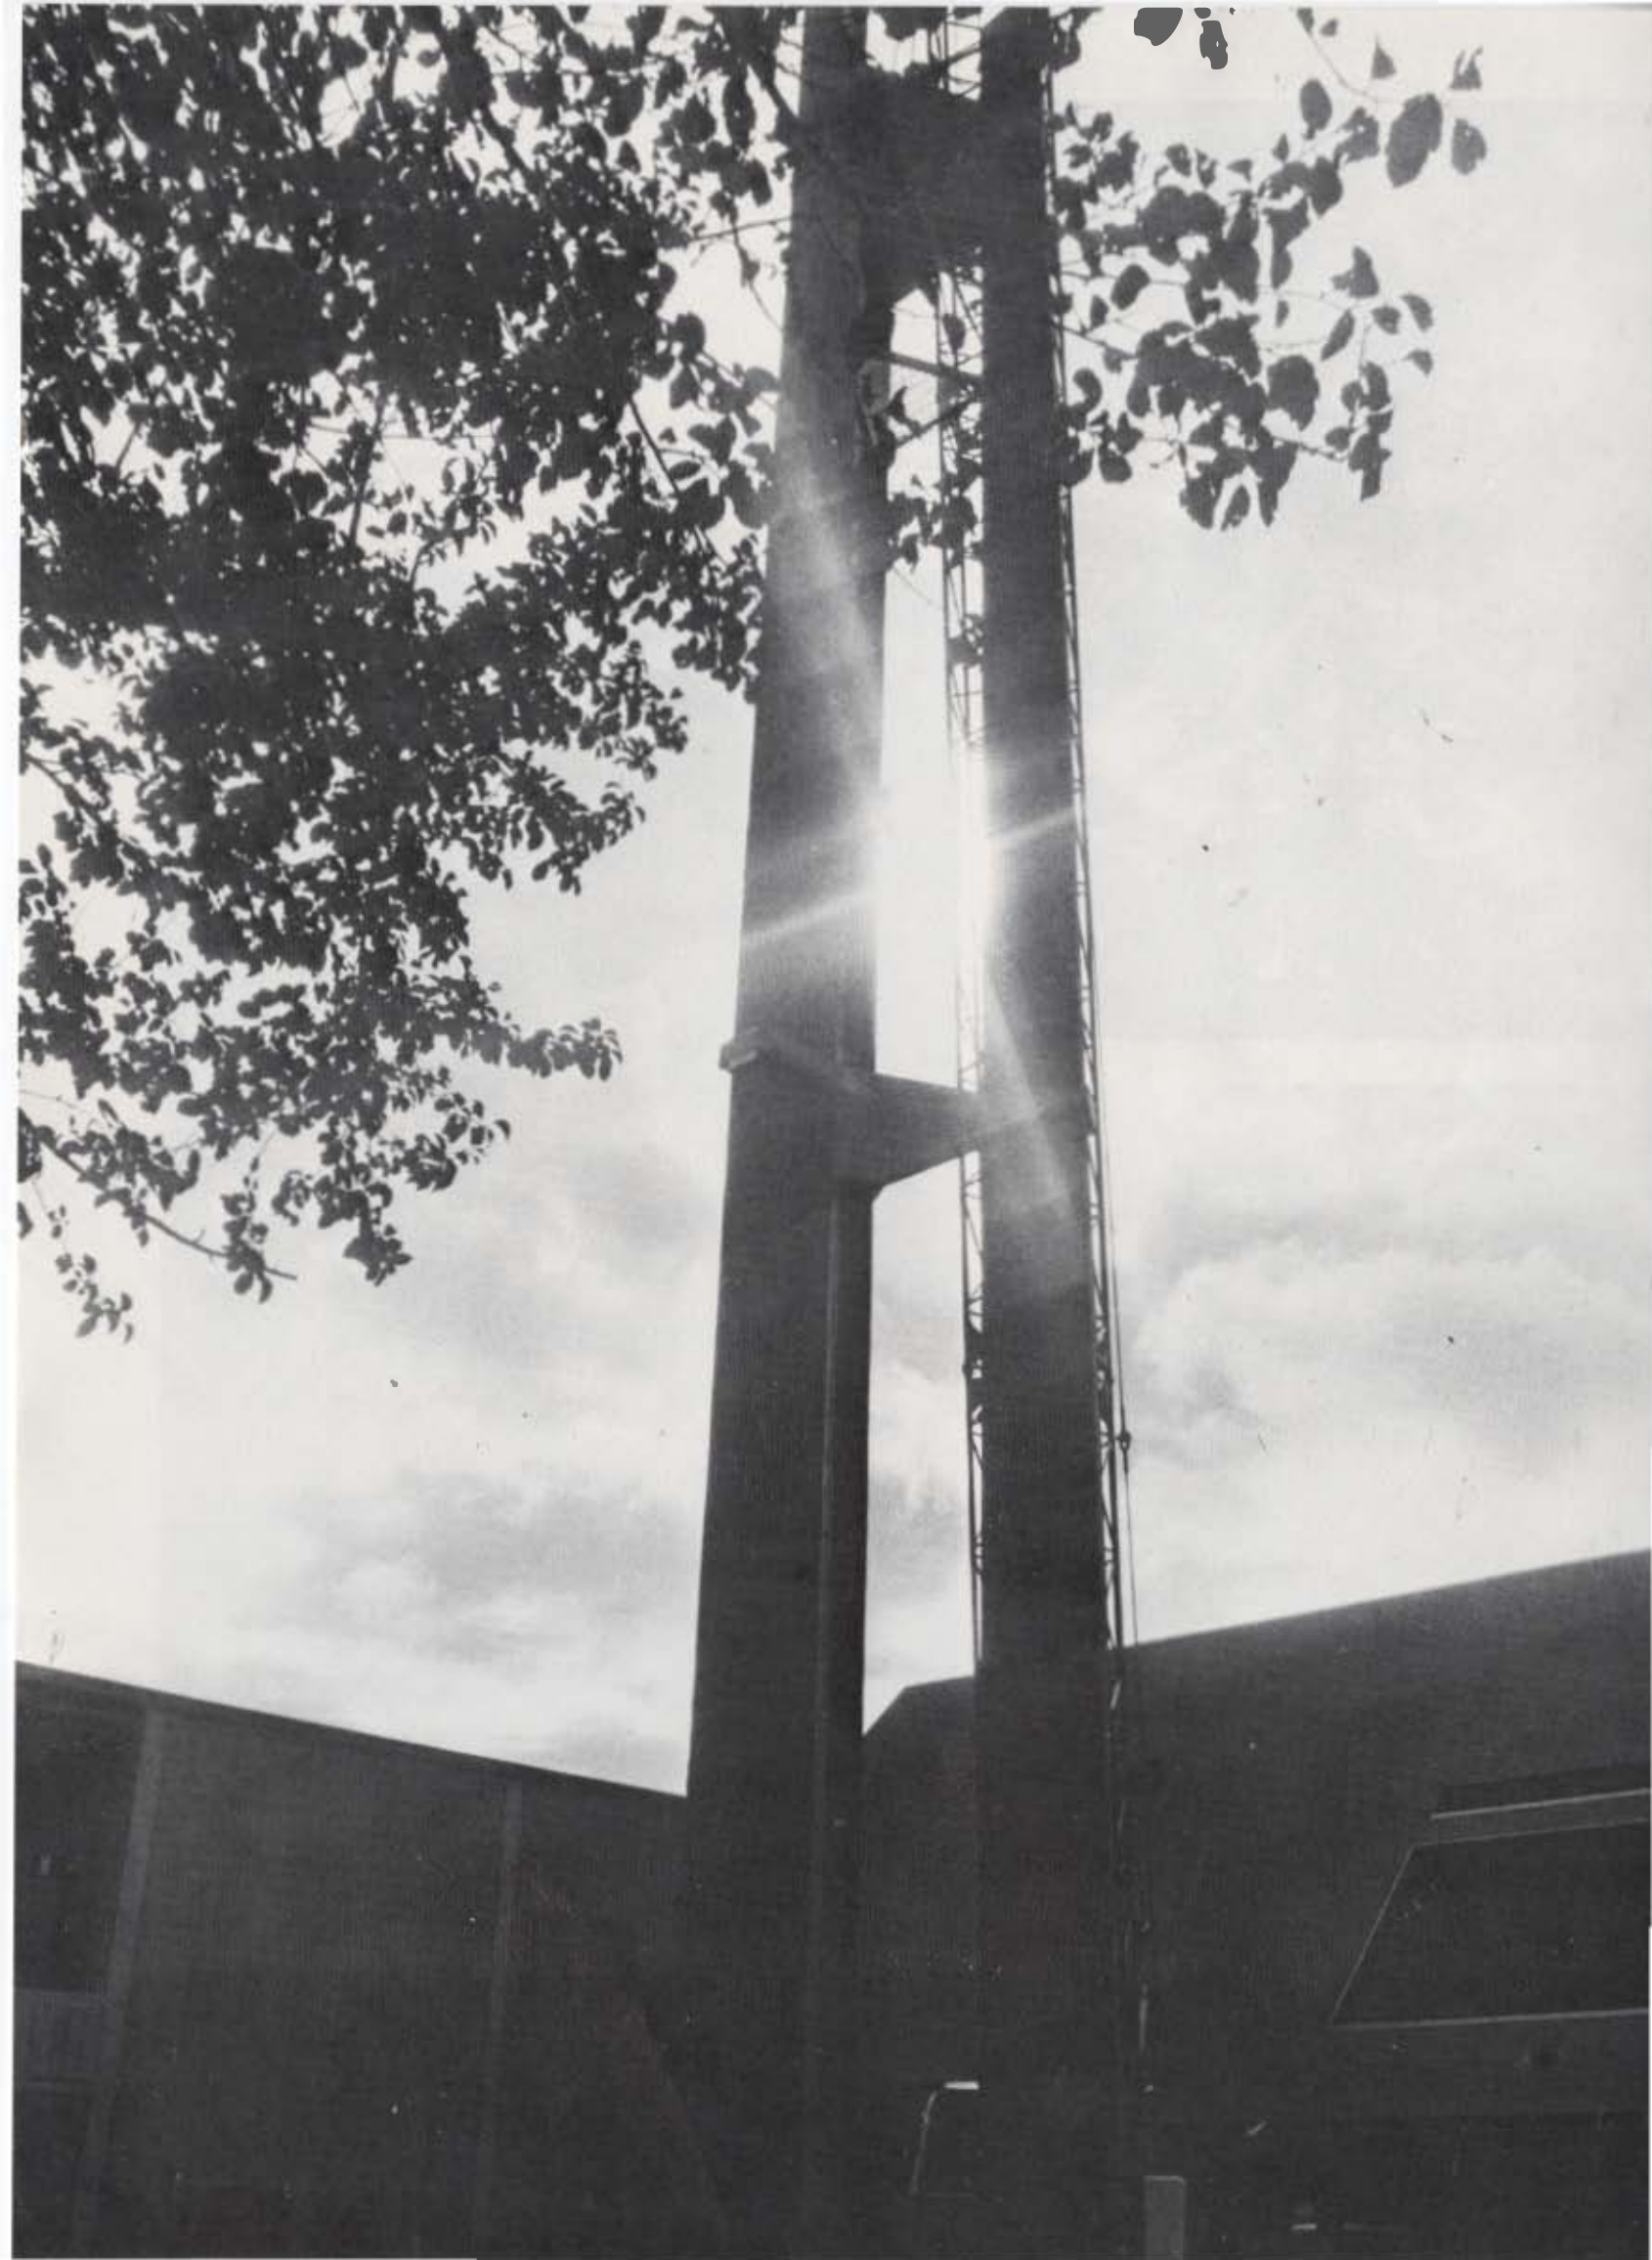

*We do not need words,  
our eyes speak,  
our touch reveals.  
Each day we discover new beauty in silence,  
of each other.*

*Walter Rinder*

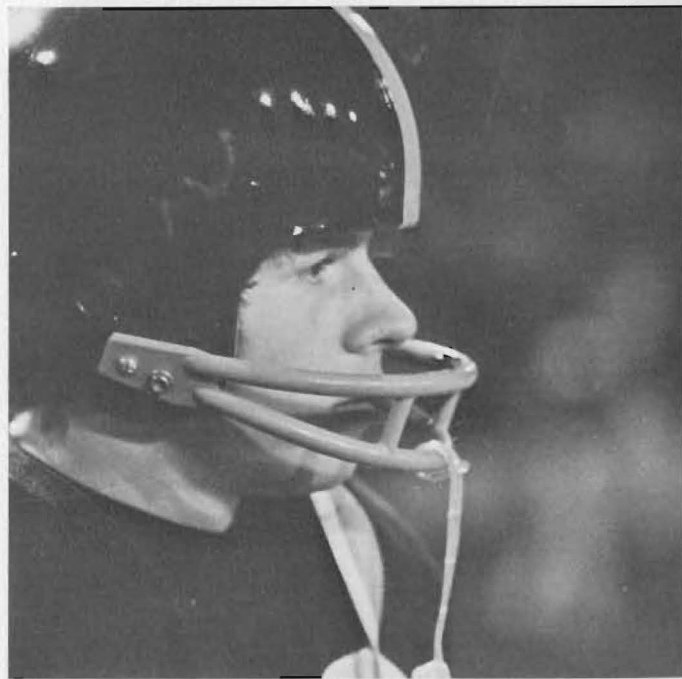

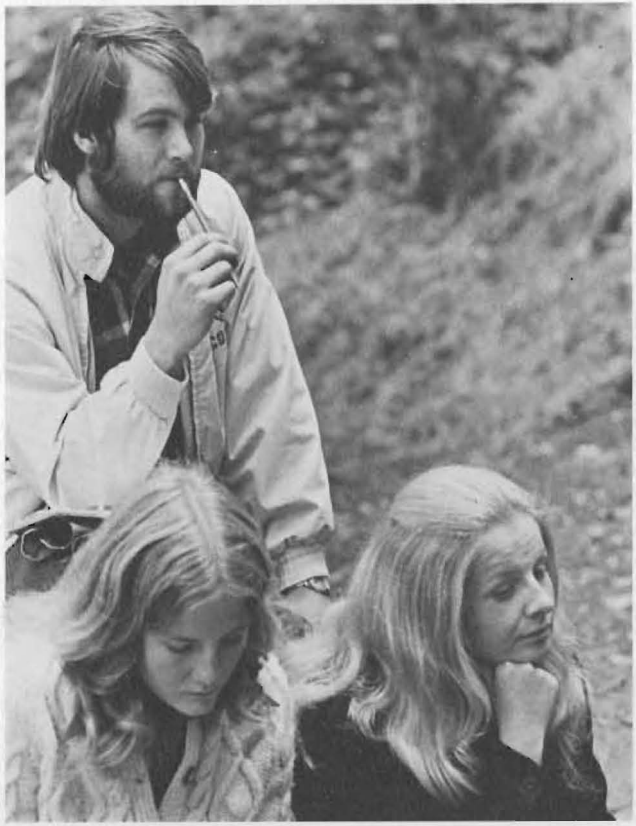

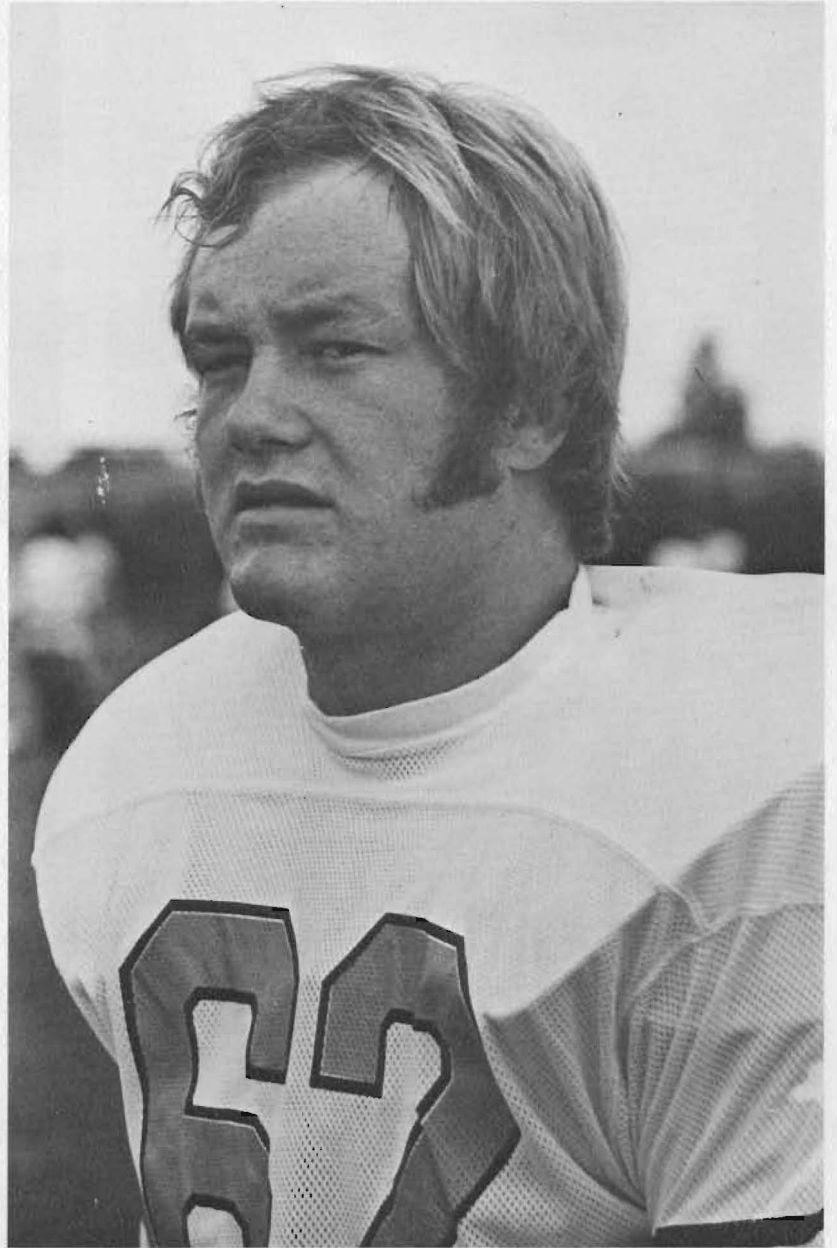

*I learned this, at least, by my experience: If one advances confidently in the direction of his dreams, he will meet with success. He will put some things behind him; he will pass an invisible boundary; new laws will establish themselves, old laws will be expanded. As he simplifies his life, the laws of the universe will appear less complex. Solitude will not be solitude. Weakness will not be weakness. If you have built castles in the air, your work need not be lost; that is where they should be. Now put the foundations under them.*

*Henry David Thoreau*

*Do not ask them  
For as much as each would try  
None can singly answer you,  
Just be a part,  
Eyes and mind wide open,  
And try to understand  
The sum total of their devotions and dreams.  
Ask as they ask,  
in unison as you search  
What is the university?*

*Mary Dunlap*

*This is Pacific Lutheran University reflected in a year of education, activity, and involvement.*

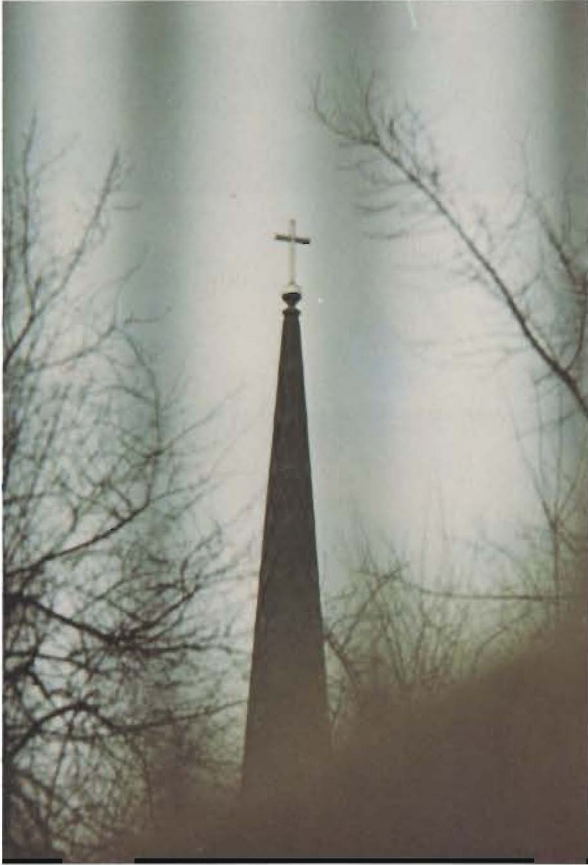

*The university - the establishment for the union of education and experience; the blending of truths and the isolation of fallacies; a forum on life and its commitments, a process for the realization of self and for the cultivation of toleration.*

*Mike Gallagher*

*Ride the crest of the wave to the shore,  
Follow the river till it merges with the ocean.  
Look at the clouds till they disappear.  
Watch the sun rise, its path across the sky, then vanish.  
When you have experienced these things,  
You will know your heart ...  
Follow it.*

*Walter Rinder*

*A careful tuning before performance is an important detail.*

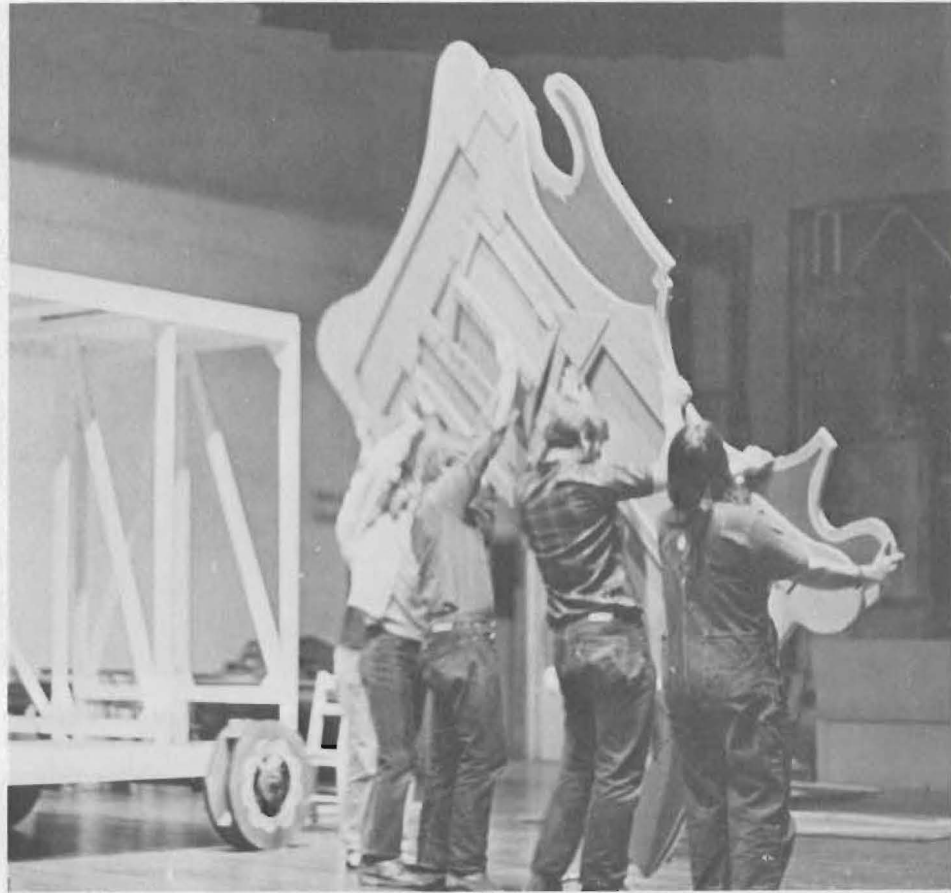

*The ensemble performed, in perfect pitch, classical favorites by Stravinsky and Shostakovich along with many others.*

# Kids' Show Tries Something New

*Lowell Schoch served as Production Manager for the Interim-Spring project. If he looks worried, it's because those wheels he's building must hold one wagon, eleven people and a multitude of props.*

*"Androcles and the Lion" was done in the style of Commedia dell'Arte-the theater style of 15th century Italy. Traveling troupes of actors staged performances directly out of a gaudy wagon that lacked symmetry. Costumes, too, were elaborate and dazzling.*

*Greg Thompson and Terry Porter listen as Nordie makes a suggestion. Eric Nordholm again proved his artistry through designing and directing.*

*Androcles gives Isabella a plan to unite her with her lover, Lelio. The Commedia employed stock actions (the original slapstick) as well as stock characters (young lovers, a miserly uncle or guardian, a braggart army officer, and stupid servants.)*

# And, Of Course, Succeeds!

Loading the truck are Jay Field and Chuck Hewitson, the shows electrician and carpenter. A veteran of many Kid Show acting leads, Chuck was just as good on crew. Other crew members were Karen Anderson (costumes) and Carol J. Brandt (properties).

At Peninsula High the company sampled Food Service lunches. The original purpose of touring was to bring theater to children in out-lying areas.

Amps are not light! An original score for the show was written by PLU's David Robbins. The excellent music ranged from love ballads to light pop, to brazen rock along the lines of BS&T. Heavy, indeed!

The company: Larry Walsh (drums), Annette Tabet (electric piano), Kathy Fredstrom (flute), and Jerry Lemieux (guitar). Gail Viele (Prologue), Jeff Spere (Captain), Jim Johnson (the Lion), Greg Thompson (Androcles), Carol Malvin (Isabella), Terry Porter (Lelio), and Mark Egerton (Pantalone).

# “Bury The Dead”: Live, Think, Do

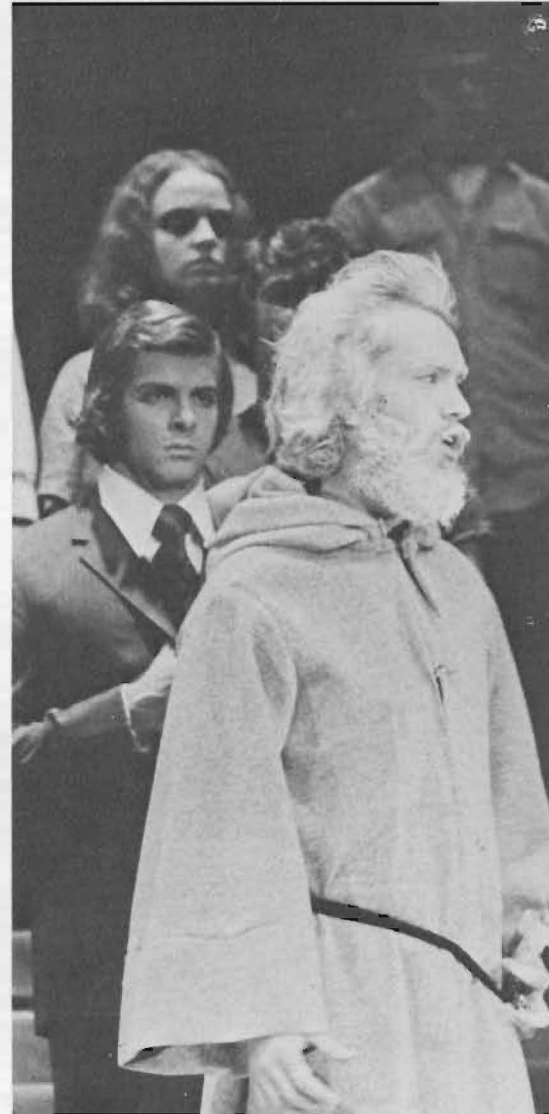

*Irwin Shaw's play was adapted by Bill Parker, who added rock music, choreography, and a compilation script of anti-war material in building an experience. There was no intermission, nor were there curtain calls, all of which added to it. The audience remembered more the thought of the play than the play itself.*

*Wagner and Willis played two soldiers with differing opinions concerning the dead soldiers who refused to be buried. Their end was sudden when a machine gun riddled them with bullets.*

*Don Poier, as a secretive general, tried to persuade the dead men's women—C. Birkeland, K. Johnson, C.J. Brandt, K. Dowling, K. Hook and L. Vikesland—to get their men buried.*

*Craig Huisenga played up the foolishness of the warlord in his portrayal of Saint Bernard.*

# Osipov Balalaika Orchestra

*The 75-member company bids a fond farewell to their audience.*

*One of the highlights of the evening's performance was Yulia and Stanislav Vlasov of the Bolshoi Ballet.*

*The Osipov Ballakia Orchestra from Moscow was presented for the last Artist's Series program on March 11. They were received warmly.*

# “And the Two Become One”

*Gene Lundgaard talks strategy during a timeout.*

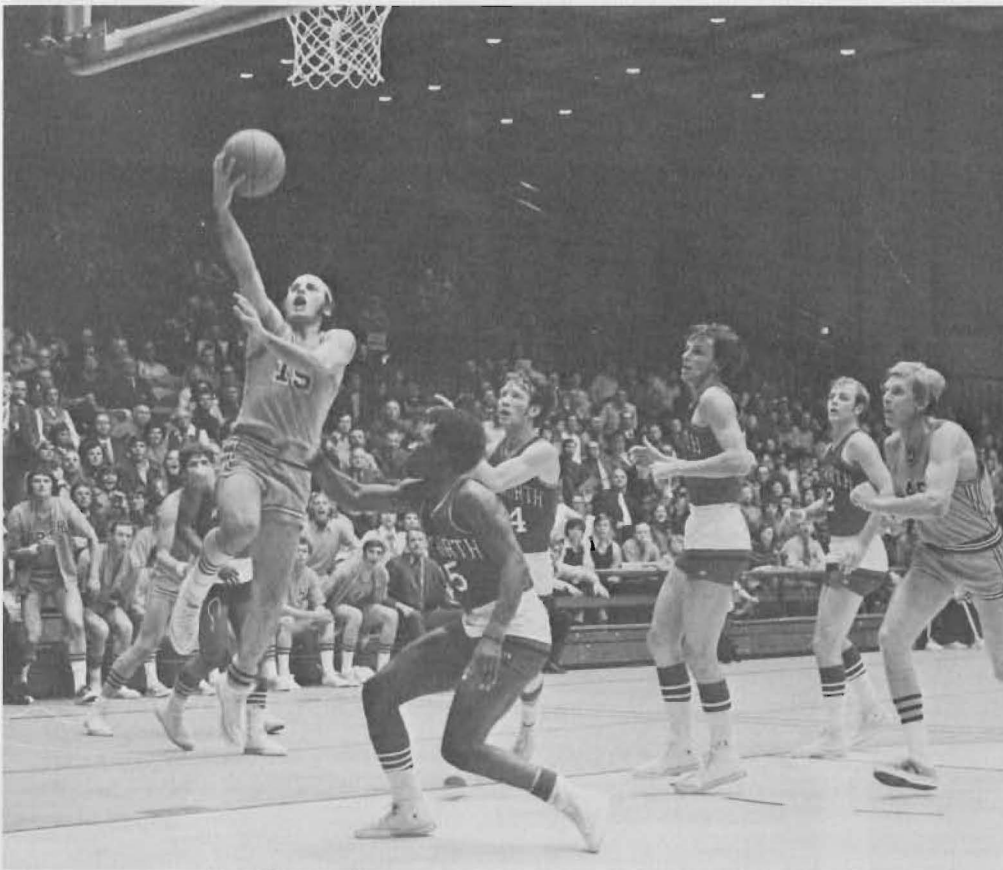

*Fireball Randy Leeland throws up a shot against a hapless defender.*

Senior Ake Palm muscles up two points as seniors Bruce Willis and Tom Patnode watch the play.

The entire PLU bench watches as Tom Patnode drives past Whitworth defenders.

It was a memorable year for PLU basketball as a 15-11 record pushed the winning season streak to the magic plateau of twenty-five consecutive winning years, (1948-1972) but there were few plans being made for an anniversary celebration in early January when the Lutes were bogged down with a dismal 2-6 record.

Eight lettermen returned. The Lutes stumbled along with only Ake Palm showing any consistency until sophomore Neal Andersen was recalled from the junior varsity. With the lithe speedster in the lineup, the Lutes were no longer vulnerable to the full court press and the Lute machinery began to get in gear. Tom Patnode bounced back to the form which earned for him second team all-conference honors in 1971 and Bruce Willis became a standout when switched from guard to forward, doubling his scoring output from the previous season and stabilizing the offensive game with his court savvy.

The Lutes won eleven of their final fourteen games and tied for third place in the Northwest Conference. By-passed for the NAIA playoffs, PLU still enjoyed many moments of satisfaction and gave cross town rival UPS a scare-losing an 81-77 thriller. Ake Palm rose to his greatest height in that contest, connecting on 16 of 17 field goal attempts, tying the single game total - bettering the single game percentage mark.

Pitchers Art Ruud, Mike Berger, and John Roeber show why PLU's pitching staff was one of the most improved in the league.

PLU continued its steady, if unspectacular, building program in baseball by doubling the win total for the second straight season, finishing on the sunny side of the scoreboard in eight games and moving up two notches in the Northwest Conference standings.

Behind the solid pitching of Mike Berger, an All-NWC selection as a freshman, with help from John Roeber, Ron Chapman, and Dave Bennett, the Lutes finished sixth in the conference with a 7-9 mark and were 8-17 overall. This upgraded the 4-13 and 4-21 figures of 1971.

Berger, the conference strikeout king, whiffed 55 batters in 47 innings, winning four contests, losing three with a 1.72 ERA in loop action.

Senior Phil Lavik sparkled in the field at third base and wielded a potent bat. Lavik, named most valuable player for the third successive season, hit .295 for the year and was an honorable mention NWC selection. Don Griffith and Tracy Totten led the way in conference play with .327 and .324 swat marks while the Lutes' third outfielder, Art Ruud, set a modern school record with five homeruns.

Mike Guajardo fires a strike to first base.
