THE TASK BEFORE US

1. To keep Pacific Lutheran College maximally useful.

Our lack of adequate dormitory facilities makes it doubtful that Pacific Lutheran College will have any large part in the specialized Army-Navy training program. What we can do, we will do most gladly.

Our College of Education can and will do its part in preparing teachers for the first nine grades and in serving the needs of teachers in service. The maintenance of public education is a national necessity in war and in peace.

Our College of Liberal Arts will function as opportunity permits in conjunction with the College of Education.

Our Senior High School will offer persons of 'teen age education and training under conditions that many parents will especially value amid the dislocations and distractions of war.

Our first task is to carry on as best we can as loyal Christian citizens in harmony with the traditions and ideals of Pacific Lutheran College as a servant of Church and State.

2. To improve the financial status of Pacific Lutheran College.

Now is the time to pay debts. That this can be done now is being demonstrated daily by those who dare and care sufficiently.

There is still much that could be done and should be done in the matter of collecting ancient endowment fund pledges. See List No. 17, published in this BULLETIN.

There are still many who are able and willing to meet in part or in full the pledges they made to our Library Building Campaign in 1936. See List No. 3, published in this BULLETIN.

Of first importance is the continued prosecution of the Golden Jubilee Campaign, scheduled for culmination in October, 1944. Toward the minimum goal of \$150,000 net, \$79,430.37 have been pledged, more than half of which has been paid in. See List No. 1, published in this BULLETIN. Objectives of this Campaign are: Debt Reduction (of first and immediate importance), Girls' Dormitory and Heating Plant (needed as soon as the war is over), completion of the Library Building (another urgent necessity), and Health Facilities (partially acquired and now being paid for); priorities prevent construction now, but now is the time to gather the money.

Remember the Development Association, with its slogan of "At least a dollar at least once a year." Many suggest that the slogan should be changed to five or ten dollars a year; even one hundred dollars has been suggested. But the basic idea is that *every confirmed member of the Church, every friend of the cause, every congregation and every subsidiary organization thereof, should be a member of the Development Association.* Let us not look to others to discharge this responsibility for us. Our best chance of a balanced budget this difficult year lies in generous

support of the Pacific Lutheran College Development Association.

Why not liquidate our total indebtedness while we are about it? The November 1942 Bulletin shows that it can be done. Whether we do it through the Development Association or through the Golden Jubilee Campaign or in some other way is immaterial; but steps should be taken to *do it now*.

3. *To keep faith with God and with all men.*

"Offer unto God thanksgiving; and pay thy vows unto the most High: and call upon Me in the day of trouble: I will deliver thee, and thou shalt glorify Me."
(Pasm 50:14.15.)

PAID-UP GOLDEN JUBILEE PLEDGES

List No. 1

Pacific Lutheran College hereby gratefully acknowledges the full payment of 1,674 pledges to the Golden Jubilee Fund. It is only fair to state that many of the donors intend to repeat their donations in 1943 and in 1944, since war-time conditions made it difficult for many people to make a pledge over a three-year period.

WE ATONE FOR NOVEMBER'S OMISSION

At the time of the publication of our November bulletin last fall we found ourselves unable to present a picture of Mrs. Mabel Metz Dilts, our teacher of voice. With pleasure we herewith atone for November's omission.

PEELMAN LEFT AT CHRISTMAS

On the advice of his physician Professor Glen G. Peelman did not return from Montana after the holidays. Colleagues E. Tingelstad and J. P. Pflueger have taken over the work in speech. Meanwhile Montana is benefiting friend Peelman.

WE FURTHER ATONE FOR NOVEMBER

Photographers were so swamped in this military area of ours before Christmas that Miss Ivy Quale's picture could not be made available for the November bulletin; but we have the pleasure of presenting Miss Secretary's likeness herewith.

IT WAS TOUGH TO LOSE TED

After more than a decade of loyal service to P. L. C. as utility man, field agent, dean of men, and, most recently, business manager, Theodore Nelsson left us on January 2, 1943, to the regret of us all. May he find less tough going elsewhere!

LARSON LOYALLY LIFTS A LOAD

Theodore Nelsson's successor as business manager is his predecessor in the same office, veteran Ludvig Larson, who previously had served our school seventeen years in similar capacities. His abiding loyalty is P. L. C.'s great good fortune.
