Class Schedule

FALL SEMESTER

1967

FALL SCHEDULE — 1967

The 1967 Fall semester offerings are listed alphabetically according to departments.

The number in parenthesis following the course title is the number of semester hours of credit allowed for the course. Courses open to freshmen and sophomores are numbered 101-299 and are considered lower division subjects. Courses open to juniors and seniors are numbered 300-499 and are regarded as upper division subjects. Courses number 500 are open to graduate students only.

Lower division students may take upper division courses and have them apply toward the 40 hour requirement. This opportunity will be quite limited since prerequisites must first be met. Prerequisites can be ascertained from your adviser or the general catalog. In most cases lower division courses are basic and should be completed before registering for upper division courses.

A student must have a grade point average of 2.25 to be eligible to register for any courses in the School of Education. Any exception must be approved by the Director of the School of Education.

The letters L1, L2, L3, etc., refer to the laboratory sections. The letter S with a number (S1, S2, S3) refers to class section; a Q refers to Quiz section.

The time for the courses is given according to periods in the day and not according to the hour of the day. The student's program should designate the period and not the hour of the day except in cases where the time is clearly indicated on the schedule as for late afternoon and evening classes.

The University reserves the right to cancel any class for justifiable cause.

REGISTRATION PROCEDURES

Returning Students

1. Make application for re-entry by paying tuition deposit in Business Office (Full-time students pay \$50.00; part-time students pay \$10.00 per course to be taken).
2. Make an appointment with your adviser.
3. Pick up registration material in Registrar's Office.
4. Complete class schedule with adviser's approval and return to Registrar's office for pulling of class cards.
5. Final registration steps will take place September 18-20, 1967.
