Expansion Program Okayed by Board \$650,000 Will Be Spent To Improve College Plant

An expansion program, involving the expenditure of \$650,000 was unanimously approved by the Pacific Lutheran College Board of Trustees at their annual meeting held here Wednesday, October 17. This building program will get under way as soon as architectural plans and specifications are completed.

Buildings to be started in 1946 include a new gymnasium, science hall, new girls' dormitory, a sewage disposal plant, and a college shop.

The building fund now totals \$510,450.58, of which \$100,000 is being spent on modernizing Old Main. Completion of the library will require approximately \$40,000, but this project will not be started until funds are available.

Developments approved by the board for 1947, or as soon as possible thereafter, include a new chapel and a control heating plant, as well as the completion of the library.

Dormitory rooms, now nearing completion on the fourth floor will accommodate 47 more students, and the new dormitory will take care of 100 additional girls.

The male population is expected to triple, according to Dr. Eastvold, when the new athletic program is installed at PLC in the fall of 1946. The student

Halloween Celebration To Be At Lutherland

PLC faculty members and students are invited to join the "Atom Smashers, Inc."—who seem for the present to be doing nothing more sinister than dunking doughnuts in cider—at Lutherland, tomorrow afternoon, Oct. 27. Games, stories, a camp fire, and even the food will fit the Halloween occasion.

Spooky activities will begin at 3:00 when the fun-festers will board the Baker-U-Drive trucks in front of the school. After everyone has arrived at Lutherland, Ardys Bredvold and Betty Kenworthy will lead the games. Dinner will be served in the cafeteria for all those who are hungry.

In the evening around the camp fire, Miss Chilson will add to the scary atmosphere by telling a spine tickling story. By that time, cider and doughnuts will be necessary to give strength to the weakened knees of the "atom smashers" before they travel home.

The LSA Council is sponsoring the annual event at Lutherland. Ken Storaaali procured the trucks, Lorraine Lundquist ordered the food, Daphne Hellman planned the games, Telma Metzger reserved Lutherland, and Norene Skilbred and Leta Metzger made the publicity posters.

Dr. Walter Schaefer and Miss Anna Mann Nielsen will chaperone the party.

Transportation will cost 20 cents each way and admission will be 25 cents. Day students will have to pay an additional 35 cents for the supper.

FIVE SENIOR WOMEN CHOSEN FOR "WHO'S WHO AMONG STUDENTS"

(Photo by Myron B. Kreidler)

Five senior women from PLC have been chosen to have their names and biographies printed in the 1945-46 edition of WHO'S WHO AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES. Agnes Mykland, Joan Satern, Marion Soltman, Anita Stuen, and Eunice Torvend were recommended by the faculty scholarship and curriculum committee and elected by the faculty.

Agnes Mykland, College of Education senior from Issaquah, is president of this year's senior class, was ASB president last year, belongs to the choir, has played in the orchestra, and has worked on the **Mooring Mast** and **Saga**.

Joan Satern of Silverton, Oregon, also a College of Education senior, is AWS vice-president; has been ASB treasurer, LSA president and vice-president, on the DPK Council and on the **Saga** business staff.

Marion Soltman, College of Education senior from Seattle, has been outstanding in musical activities. She is a soloist with the Choir of the West, and plays in the orchestra and string quartet. She has also been AWS president and secretary, on the DRG cabinet, and on the **Saga**

editorial staff.

Anita Stuen, liberal arts senior from Parkland, is editor of the **Mooring Mast**, was co-editor last year, is a member of the choir, has been AWS treasurer and LDR secretary.

Eunice Torvend, College of Education senior from Silverton, Oregon, is ASB president, a member of Alpha Psi Omega, was last year's **Saga** editor, has been LDR president, publicity manager for AWS, LSA representative, and sophomore class president.

First printed in 1935, WHO'S WHO AMONG STUDENTS gives national recognition to deserving students and establishes a reference volume of information on the great body of American students.

Tacoma Concert Artist Joins PLC's Orchestra

With the addition of Alice Stockton, Tacoma concert violinist, and eight other new members to the substantial returning orchestra group, the current season looks bright for PLC's "Little Symphony." Alice, who plays first violin, is already known on the campus, as she was a high school student here in 1940-41.

Harry Carlson, Jewell Keller, and Eleanor Hellbaum are other freshmen violinists. LaVonne Densow supplements the clarinet and Jean Harbeck the viola section. Vera Buth, June Jorgenson, and Bob Hogberg play French horn, bass viol, and flute, respectively. The orchestra meets every Tuesday and Thursday afternoon, seventh period.

Dr. J. A. Elson Passes

News has been received that Dr. J. A. Elson, professor of biology for a short while last fall, passed away October 15. Dr. Elson was a member of the Gustavus Adolphus College faculty at St. Peter, Minnesota, since 1925. Last fall he came to PLC on leave of absence from Gustavus but left here because of illness. He was a patient at the Good Samaritan Hospital in Portland, Oregon, at the time of his death.

Girls' Chorus Organized

The Girls' Chorus, with a membership of about 30, has recently been organized under the direction of Professor Malm. Ardys Bredvold is president; Brita Skoog, vice president, and Betty Reiman, secretary-treasurer. No programs have been scheduled as yet, but the girls are learning several new songs, part of a musical collection recently donated to the school by the St. Cecilia music club of Tacoma.

M. Harshman Becomes New Basketball Coach

Back on our campus, no longer as a student, but as our new basketball coach, is Marv Harshman. Certainly he is not new to the sports fans who followed the great Lute gridiron and basketball teams of 1938-1942. Twice "Harsh" was named by the football team as the most inspirational player in 1940 and '42, and he was named by the Tacoma Tribune as Sportsman of the Year in 1941.

The appointment of Harshman as basketball coach was the second big boost given to the sports picture at PLC within a week, the first being the announcement that the Winko League would resume basketball competition this winter.

Coach Harshman lost no time in assuming his new duties as he listed turnouts to be held five afternoons a week. He was greeted by a group of fourteen boys at the initial turnout. Heading the list is Ernie Perrault, recently released

from the Army, a Lute basketball great of the '39 and '40 seasons. Bob Hauge and Glenn Neal are also former Lute

Sharpen your skates, kids. Tonights the night of that AWS skating party. Two Baker U Drives will leave the school at 9:00 for the Lakewood Ice Arena. Any day students who wish to be picked up in town should contact drivers Pete Peterson or Jim Zittle.

Nancy Fant, committee chairman, announces that Orna Steiro and Lois Robertson are buying prizes for the funniest and best skaters. Betty Hoyt is in charge of tickets.

Mrs. Rhoda Young, Prof. and Mrs. A. E. Fritz, and Mr. A. W. Ramstad will be on hand to keep everyone in line.

Come whether you already know how to skate or not. Here is your chance to learn. And, if at first you don't succeed—wham and wham again!!

Pres. Truman Awards Certificate to Eastvold

Word has reached this office that President Harry S. Truman has awarded a Certificate of Appreciation to Dr. S. C. Eastvold, president of Pacific Lutheran College, in grateful recognition of uncompensated services patriotically rendered his country in the administration of the Selective Service System for a period during World War II.

This certificate is signed by Harry S. Truman, President of the United States, and by Mon C. Wallgren, Governor of the State of Washington.

We See By the M. M.

Now is the time for action instead of words, or, to be more concrete, for assistance instead of criticism in keeping the annals of our school. We are sending out an S.O.S. for more student news to fill our pages (at least that space left to us by kind ad-chasers). We know that there are many prospective writers wandering among the students in the halls of Old Main and our plea goes out, not only to them, but to *everyone* of you.

This is your paper and our wish is to make it representative of the *whole* school, not just for the few who put it together.

Our greatest need at present is for short personal items for the Kampus Kombings column, and like departments. We can't know everybody—and this is where *you* come in.

A box has been placed on the desk in the reading room of the library for your contributions, so *please* keep your pen filled with ink and your eyes open for news.

The Shouting Has Just Begun

Basketball season will begin soon, and this year PLC's sports future looks much brighter than it has for some years past. Several former Glads have returned to school, and lots of visibly potential new material is walking about on the campus. The Winko League has been resurrected, and with its full calendar we are looking forward to some rousing games. Which brings up the question—if we are going to have an active season, how about some *yell-leaders* to help make it one to shout about?

Let's Finish the Job

Monday, October 29, marks the beginning of the last formal Bond drive, which will continue until December 8. As our education isn't finished (we hope) after we receive our diplomas, so the savings program will continue even after the formal drive is over.

The money is needed for a number of things—to pay the cost of guarding Germany and Japan, to pay for the care of our wounded and disabled, to pay off and provide benefits for veterans, and to keep the lid on price inflation. These are only a few of the Government's needs.

Millions of Americans have bought partnership in the Government which has meant unity during the war. This unity should continue in the postwar days.

The welfare of each American is linked up to the welfare of our country which in turn is linked up to the welfare of the world. Students notoriously have lean purses. But what we have we must share as good citizens of the new "together" world.

Lt. Elmer M. Aronson, ex '43, who is in the Army Air Corp, called at PLC recently. He has seen service in England and France and is now at home in Graham. Elmer expects to continue his education in the near future. Address: Lt. Elmer M. Antonson Sq. R MAAP, Merced, California.

Lt. Torger Lee, '40, who has seen duty in California, New Mexico, and Hawaii, was discharged from the Army Air Corps on the first of September.

S/Sgt. Kenneth M. Douglass, ex '42, received his discharge from the Army last month.

A/S Chuck Bilingsley, H. S. ex '44, has been transferred from Kingman, Arizona, to Chandler, Arizona. Address: A/S C. W. Billingsley, 37218661, Williams Field, Chandler, Arizona.

Pvt. Edward H. Berndt, ex '45, is continuing his training in the paratroopers. In five weeks he expects to come home on furlough. Address: Pvt. Edward H. Berndt, 39485958, Co. K, 1st PTR Class 171, Fort Benning, Georgia.

Capt. Harald V. Johnson, H. S. '30, recently sent his new address and added the following note, "Glad to get news thru the Mooring Mast." Address: Capt. Harald V. Johnson, O-338177, I. G. Sect. Hq. Oise Intermediate Sec. APO 513, c/o P. M. New York, N. Y.

Sgt. Robert H. Reitz, ex '42, visited the campus for the first time in three years this week. He reported to Ft. Lewis following a 45-day furlough at home and is now being sent to Ohio for further duty. Robert spent two years in England and France.

Jack Bratlie, ex '43 and Paul Pollilo, ex '43, were visitors on the campus this week. Both Jack and Paul were star football players here before the war.

players who saw action in the '42 season before entering the service. Returned also are six members from PLC's team of last season. The list includes Erl Nordeng, last year's scoring leader who found the hoop for a total of 308 points. Others returning are Ivar Pihl, Jim Rediske, Walt Kunschak, Warren Jaech, and Walt Logsdon. Five new men showing promise are Ken Storaasli, Si Torvend, "Pete" Peterson, Cal Watness, and Gene Harkness.

The job of manager will be held down by Bob Forness.

Fifth Floor Dorm Rooms Are Nearing Completion

In addition to the dormitory rooms furnished in knotty pine, nearing completion on the fifth floor of Old Main PL.Cites are interested in the proposed Viking Room, to be built in the southeast corner of the fifth floor. This room will have a twelve foot window overlooking Mt. Rainier, the P. L. C. golf course and the area south and east of the college. As a memorial to the Norwegian founders of PLC, Norwegian murals are to be painted on its walls. The room will provide a place of recreation and relaxation for the dormitory students.

Remodeling of the college kitchen was started this summer and PLC will soon be equipped with a kitchen with walk-in refrigeration, stainless steel working tables, buffalo food cutter, mixing stand, bakers table, steam pressure cooker, combination baking and roasting oven, appliance and toaster table, gravity-fed electric slicer, hot food serving steam tables, chief cook's office, staff dining table, automatic dishwasher, and one deep custom cooking top electrically operated kitchen stove. Sounds like a culinary paradise!

The "Great Division" at the last Fireside meeting Sunday evening, Oct. 21, held around the fireplace in the reception room. Nellie Risa led in opening devotions.

LDR—The Eastvold home was the scene of the LDR meeting Wednesday afternoon, Oct. 24. Alice Kjesbu, vice-president, conducted "Information Please" to help the new members. Marie Lien led devotions and Carolyn Severid sang a soprano solo. Mrs. J. P. Pflueger, the group's adviser, installed the officers for this year. Hostesses for this meeting were Mesdames S. C. Eastvold, J. P. Pflueger, and V. Holstad.

Campus Devotions—Stanley Williamson was elected president of Campus Devotions to complete the term of Shirley Morgan, who found it necessary to leave school. At the devotional meeting yesterday noon, Mr. Satre, Dean of Men, spoke to the group and Norm Moore presented a vocal solo.

SOCIAL ORGANIZATIONS

AWS—As a result of last week's election Jean Keller is the secretary and Doris Storaasli is the social chairman.

DPK—The DPK has invited the DRG girls to a slumber party Friday night, Nov. 2. Afton Hjelm is in charge of the details.

GLADS RESUME WINKO SPORTS

Winko league basketball is back on the schedule—a fact which is pleasant news to PLCites and Tacoma sports fans alike.

The decision to resume conference competition, dropped during the last two years of the war, was announced after a meeting of the Athletic Directors of the Washington Intercollegiate Conference, October 13.

A full program of spring sports and the reopening of the regular football campaign next fall was decided upon by the conference directors. This will put the Winko league back on a pre-war footing.

Leo Nickelson of Central Washington College of Education, Ellensburg, was chosen president, and Charles Lappenbusch of Western Washington College of Education, Bellingham, was elected secretary in the organization meeting of the directors. Cliff Olson of Pacific Lutheran College, and "Red" Reese of Eastern Washington College of Education, participated in the meeting. St. Martin's College, the fifth Winko member, was not represented, but indications are that it will remain in the league.

PLC Welcomes.. Marv Shaw

In this column we introduce veterans on our campus. Ernie Perrault was interviewed last issue and now we continue with Marv Shaw.

"I couldn't expect any happier or more satisfying homecoming than coming back to PLC." So states Marv Shaw, another PL.Cite home from the war.

Associate editor of the Mooring Mast in '42, he donned civilian clothes early this week to resume life as a college student.

In that modest manner characteristic of our returning service men, Marv related the story of two years and nine months in Uncle Sam's Army.

Leaving his sophomore class in February, '43, he began his army career which included an eventful year overseas. Seeing action in Africa, Italy, and France, he took part in two amphibious invasions, one at Anzio and the other in southern France. A member of the army's third division, he was wounded three times. The Purple Heart was awarded him in Italy, and two Oak Leaf Clusters for service in Italy and France.

After a nine months' stay at Madigan Hospital, Marv has returned with an honorable discharge to take up studies once more in the College of Education. As a second-term sophomore, his specialties are history and literature.

"I like speech, too," he commented, and judging from play-cast pictures in past issues of the M.M., we find he was quite adept also in the field of dramatics.

Beginning classes the seventh week of school sounds difficult and involved to most of us, but with Marv's background it should be no time at all before he's back in the swing of things on P.L.C.'s campus.

Tacoma Civic Music Announces Concerts

The annual Lyceum Series of musical programs has been announced by the Tacoma Civic Music Association. The ASB has purchased 25 season tickets and each student can sign up for one concert which he can attend free of charge. Ruth Bjerkan is in charge of tickets.

The concerts, to be held at the First Baptist Church, at 8:30 p. m., include the following: December 12, 1945, Leon Fleisher, Pianist; February 20, 1946, Joseph Schuster, Cellist; April 23, 1946, the Southernaires; and date to be announced later, Selma Kaye, dramatic soprano.

Nancy Fant has made a brand new request of the Mooring Mast. "Please," she says, "Oh please, try not to fold the papers where the pictures are. I cut them out and save them." We'd like to see your scrap book sometimes, Nancy.

After much thought and deliberation, **Catherine Yandell** has decided that her next Frosh Comp theme will be "Who Cut My Bangs?" or "The Case of the Clip Joint."

ALUMNI FETED AT HOMECOMING

Laughter and gay reminiscing filled the halls of Old Main week-end 'fore last, as students old and young celebrated Homecoming.

Open house in the dormitories, a DRG tea, and three one-act plays in the gymnasium kept the alumni busy until time for the evening banquet.

Prof. A. E. Fritz, banquet speaker, painted a vivid and inspiring picture of "The Christian College in the Post-War World." LaVerne Linnerson, sophomore pre-sem, made the atmosphere pleasant with his quips as toastmaster.

Special Homecoming services were held Sunday morning at Trinity Lutheran Church with Dr. H. A. Stub, pastor of Immanuel Lutheran Church, Seattle, as guest preacher.

Added attraction of this year's celebration was the return of numerous PLCites home from war in Europe and the Pacific.
