Mr. P. H. Manning, Special Agent in Charge  
United States Secret Service  
Room 220, United States Court House  
Seattle, Washington

Dear Mr. Manning:

Thank you very much for the personally autographed picture of President Kennedy which I received in the mail today. I treasure this very much and am deeply grateful for this remembrance of the President's visit.

It was a pleasure to work with you in connection with the visit of President Kennedy to Tacoma. You and the other members of the secret service were most cordial and helpful in all phases of the event.

With warm personal regards I remain.

Sincerely,

Milton Nesvig, Director  
Public Relations
