# General Statement

## HISTORICAL

Pacific Lutheran College was formed by the union of Pacific Lutheran Academy with Columbia Lutheran College.

The first of these, Pacific Lutheran Academy, was established at Parkland, Washington, December 11, 1890, by members of the Synod of the Norwegian Evangelical Lutheran Church in America. It began its work on October 14, 1894, and continued until the spring of 1918, at which time its faculty and students were transferred to Columbia College, where the school was operated for one year.

The second component, Columbia Lutheran College, of Everett, Washington, was established by members of the United Norwegian Lutheran Church. It opened its doors to students in 1909 and continued its work until the spring of 1919, the last year in conjunction with Pacific Lutheran Academy, as already noted.

In 1917 the church bodies were united. In 1920 the Pacific Lutheran College Association was incorporated. By resolution of the Pacific District of the Norwegian Lutheran Church of America, the two schools were united at Parkland under the name of Pacific Lutheran College. The consolidated school was opened to students on October 4, 1920.

In the fall of 1929 the work of Christian education carried on at Spokane College was transferred to Pacific Lutheran College, and this arrangement was by resolution of the Norwegian Lutheran Church of America on May 28, 1930, made permanent.

Up to 1919 Pacific Lutheran Academy and Columbia Lutheran College had been conducted essentially as secondary schools. Only occasionally did they offer classes in college branches. In 1921, however, the amalgamated institution established a two-year Liberal Arts Department and a two-year Normal Department, both of college grade.

In view of educational legislation and other developments, the Board of Trustees of the College authorized the addition of a third year in the Junior College Division, which change became effective in the Normal Department in 1931-32. Similarly, initial fourth-year offerings are authorized for 1939-40.

The High School Division is accredited by the State Department of Education. In the Junior College Division, the Liberal Arts Department is accredited by the University of Washington, and the Normal Department by the State Department of Education. On April 8, 1936, the Northwest Association of Secondary and Higher Schools also granted Pacific Lutheran College initial accreditation as a junior college and a three-year normal school, and on April 7, 1937, made this accreditation permanent.

## GOVERNMENT AND OWNERSHIP

Pacific Lutheran College is owned and operated by the Pacific Lutheran College Association, which is composed of the members of the Pacific District of the Norwegian Lutheran Church of America. At one or more of the sessions of its annual delegate conventions the District resolves itself into the Pacific Lutheran College Association. From its membership at large this body elects annually three members of the Board of Trustees of the school for a term of

three years and adopts resolutions pertaining to the general management and policies of the school. The Board of Trustees is responsible for the maintenance of the school, and elects president, faculty, and administrative staff. The President is the executive agent of the Board.

In May, 1930, by resolution of the Northwestern District of the Joint Synod of Ohio, which resolution was indorsed by the Pacific District of the Norwegian Lutheran Church of America and by the general convention of said church, the President of said Northwestern District became a member of the Board of Trustees of Pacific Lutheran College. A petition for two additional members was granted by the American Lutheran Church at its 1934 Convention.

In similar manner, the Evangelical Lutheran Augustana Synod, on June 11, 1932, approved the cooperation of the Columbia Conference with the Pacific District of the Norwegian Lutheran Church of America and the Northwestern District of the American Lutheran Church in the support and control of Pacific Lutheran College, in response to a petition from the Columbia Conference. Three members of the Columbia Conference now represent this Synod on the Board of Trustees of the College.

## GENERAL AIM

Pacific Lutheran College, the only school of its kind on the Pacific Coast, has an open and increasingly important field, extending from San Diego, California, on the south, to Shishmaref, Alaska, on the north, and throughout the Rocky Mountain territory on the east. In this field it tries, with success, to provide trained leaders and intelligent and consecrated workers, to build Christian character, to develop a Christian view of life, to promote the highest type of citizenship, to help keep America Christian, to advance the righteousness that exalts a nation, and to make especially the Lutheran Church effective in its God-given mission. Its constant endeavor will therefore be to promote the highest intellectual development of its students, to give them a sound religious training, and to surround them with such character-building influences as best will fit them for a useful life in home, church, and state.

## THE HOME OF THE SCHOOL

Parkland, the home of Pacific Lutheran College, is a suburb of the city of Tacoma, and is located in a region remarkable for the beauty and grandeur of its scenery. To the north, bordering on beautiful Commencement Bay, the gateway to the Orient, lies the city of Tacoma, with upwards of 115,000 inhabitants; to the west stretch the snow-clad ranges and peaks of the Olympic Mountains; to the south and east, tier above tier, roll the rugged foothills of the Cascade Mountains, with St. Helens and Adams in the distance, while, towering far above the surrounding peaks, rises the majestic cone of Mount Tacoma, or Rainier, with its mantle of eternal snow, a vision of unspeakable sublimity and beauty. Within this magnificent frame, and extending for miles, lie the beautiful, park-like prairies on which the College has its home.

In healthfulness Parkland can scarcely be surpassed. Situated midway between the Cascade Mountains and the Pacific Ocean, it enjoys the blending of the invigorating mountain breezes with the softer winds from the ocean and has a mild, even temperature throughout the whole year. Pure air, pure water, good drainage, and excellent opportunity for outdoor exercise at all seasons make it an ideal place for students.

## THE TEACHERS

The teachers of Pacific Lutheran College are men and women of broad training and successful experience. Loyal to the school, devoted to their work, enthusiastic and helpful in their attitude, they are able to supply the stimulus so essential in arousing and maintaining the intellectual interest of their students. In their daily contacts as teachers, companions, and advisers they seek to promote in their charges the ideals of Christian manhood and womanhood.

## THE STUDENTS

The students of Pacific Lutheran College come chiefly from the great American middle class and represent the most varied occupations and conditions in life. Some come from wealthy homes, but the majority are young men or women of moderate, or even slender, means. Some of them have to support themselves while attending school, and practically all have been accustomed to hard work. They bring with them rugged energy and habits of economy and industry, coupled with an intense desire to learn and to improve themselves—qualities which are bound to make school work an inspiration and a joy.

## THE EDUCATIONAL PLANT

The Main Building is a five-story brick structure, 190 feet by 78, heated by steam and lighted by electricity, and supplied with water from Tacoma's Green River gravity system. Above the first floor the building is partitioned off into two dormitories—one for the girls and one for the boys. In the Main Building are also housed the administration offices, reception rooms, most of the recitation rooms, the book store, the kitchen and dining room, as well as the apartments for the Dean of Men and the Dean of Women.

The library, comprising about eighteen thousand volumes, exclusive of a large number of unbound magazines and pamphlets, is in process of transference to the new fireproof Pacific Lutheran College Library building.

The chemistry laboratory, the physics laboratory, and the biology laboratory have been installed in the basement of the gymnasium building.

The Gymnasium has a clear floor space of 50 by 80 feet for games and exercises; a stage twenty feet in depth, with dressing rooms on the sides; and a running track, serving as a spectators' gallery at athletic events.

The Chapel, a two-story frame building, 40 by 60 feet, has a seating capacity of about 325. It is used by the school for its daily devotional exercises and for choir rehearsals and was used by the local church for divine services till Easter, 1935.

The campus is covered with a natural growth of trees, chiefly fir and oak, interspersed with open spaces, where are located the athletic field and tennis courts. A College-owned 18-hole golf course adjoins the campus on the south.

The Board of Trustees of the College, on the recommendation of Mr. Charles Altfillisch, architect, has approved a comprehensive and forward-looking plan for enlarging and beautifying the campus and for locating contemplated buildings, the first of which, a residence for the President, was erected in 1930. In May and June, 1936, citizens of Tacoma and Pierce County pledged approximately \$100,000, payable over a three-year period, for the erection of a library-classroom building at the earliest possible date. On October 23rd, 1937, the cornerstone of the Pacific Lutheran College Library was laid with appropriate ceremonies, and on May 1, 1939, the building was dedicated and taken into partial use.

In the spring of 1938 the College acquired the Paul A. Preus home, north of the President's residence, for use as an auxiliary dormitory for girls. As the first monument to the efforts of the Pacific Lutheran College Dormitory Auxiliary, this building is appropriately named Auxiliary Hall.

### THE DEVELOPMENT ASSOCIATION

The Pacific Lutheran College Development Association consists of a large circle of friends of the school, who have agreed to contribute "at least a dollar at least once a year," in order to maintain the school and to develop it as rapidly and as efficiently as available resources and common sense will permit.

The Association was organized on September 23, 1928. On July 17, 1939, it had an enrolled membership of 9,839, who had contributed a total of \$87,291.47.

The membership is entirely voluntary and lapses automatically one year after the receipt of the last contribution. The Development Association has been officially endorsed by the cooperating church groups.

### THE ENDOWMENT FUND

In the summer of 1927 friends and supporters of the College gave pledges toward a permanent endowment fund, payable over a five-year period in the sum of \$290,000. Of this sum \$146,784.87 had been paid on July 17, 1939, and pledges totaling \$20,126.89 had been cancelled by transfer to the library building fund. The investment of the endowment fund is in the hands of a committee appointed by, and responsible to, the Board of Trustees. The present members of this committee are: Mr. August Buschmann, Mr. George H. Fisher, Mr. A. L. Leknes, Mr. F. C. Mason, and President O. A. Tingelstad. The invested fund is managed by Mr. H. E. Anderson, Mr. Ludvig Larson, and the President of the College, under mandate from the Board of Trustees.

# *Junior College Division*

## **ACCREDITATION**

The Liberal Arts Department of the Junior College Division is accredited by the University of Washington, and the Normal Department by the State Department of Education. On April 7, 1937, both were also permanently accredited by the Northwest Association of Secondary and Higher Schools.

## **ADMINISTRATIVE REGULATIONS**

### **Requirements for Admission**

The following are the requirements for admission to the Junior College Division:

1. Graduation from an accredited high school or its equivalent. It is strongly urged that the high-school training of the college entrant should include the following: English, 3 units; algebra, 1 unit; plane geometry, 1 unit; history and civics, 2 units; foreign language, 2 units; science, 1 unit; electives, 6 units.

2. Satisfactory personal recommendations, including a statement from the applicant's high-school principal or pastor that he is a person of good moral character.

### **Admission to Advanced Standing**

A student may be admitted to advanced standing by presenting credentials from another college of approved standing. These should include an official transcript of his record and a letter of honorable dismissal.

### **Definition of Credit Hour**

A credit hour represents one full period of prepared class work a week or, if in a laboratory subject, at least two periods a week, for not less than eighteen weeks.

### **Student Programs**

Sixteen credit hours of work in addition to physical education constitute a full average program for a semester.

In order to secure credit for their work students must have their programs approved by the Registrar. All subsequent changes in programs must be similarly approved.

### **Marking System**

A—96-100	Exceptionally good.
B—86-95	Above average.
C—76-85	Average.
D—70-75	Below average.
E	Below 70—no credit.
K	Conditioned. To be changed to D when condition is removed.
Inc.	Incomplete.
P	Passed without grade.

Conditions and incompletes must be removed within the following semester of residence in which the course is given, or no credit will be allowed.

### Requirements for Graduation

To graduate from the Liberal Arts Department a student must complete the work in his curriculum, earning sixty-four credit hours and a similar number of grade points.

In addition to the 64 credit hours necessary for graduation, the student must have at least 64 grade points, based on the quality of his work. These are determined as follows: Each credit hour completed by the student with a grade of A entitles him to 3 grade points, with a grade of B to 2 points, with a grade of C to 1 point, and with a grade of D to no point. One grade point is deducted for each credit hour with a grade of E. An *incomplete* when properly removed will receive the grade points appropriate to the mark finally awarded. A *condition* or *failure* when properly made up by additional work will receive the grade points originally deducted.

To graduate from the Normal Department a student must complete the three-year normal curriculum approved by the State Department of Education, earning ninety-six credit hours and a similar number of grade points. The same principle in regard to grade points as described above also applies to the Normal Department.

### Withdrawal from Courses

With the consent of the Registrar a student may withdraw from a course before the end of the sixth week without prejudice to his standing. During the second six weeks permission for withdrawal will be given only upon consideration of health, outside work, or other matters for which the student is not held culpable. During the final six weeks of any semester the dropping of a course will result in a *failure* or an *incomplete*, depending upon whether or not the work has been of passing grade up to the time of withdrawal.

### LIBERAL ARTS COURSES

The Liberal Arts courses aim to give high-school graduates two years of training in the superior forms of culture and of social and religious fellowship. Whether the students are destined to enter one of the professions or to become farmers, merchants, engineers, contractors, home-makers, or any other kind of workers, the training they will receive here should make them more sensitive to the world of truth and beauty about them, more alert to the happenings in their community or in the world at large, and, especially, more ready to appreciate the finer things outside their own vocations: good literature, good art, good music, good housing, good city planning, good government—in short, the most desirable things in our common life. These courses aim also to arouse the spirit of scholarship, that intellectual curiosity which asks for a reason, that interpretative thinking which looks for the hidden motives of things and penetrates to where are the issues of life. Finally, they aim to develop a firm and kindly philosophy of life, a philosophy born, not of pagan or semi-pagan beliefs or ideals, but of the *example* and teachings of the God-man, Jesus Christ, constraining its adherents to do justly, love mercy, and walk humbly with their God.

**NORMAL DEPARTMENT**

The Normal Department offers the professional courses required by the state for elementary school teachers. The curriculum meets present requirements for diplomas as prescribed by the State Board of Education. After September 1, 1942, four years of training on the college level will be required for certification. Each student graduating from the Normal Department of Pacific Lutheran College is required to shape his Normal curriculum in such a way as to provide for an acquaintance with those major fields that were not included in his high-school training. In addition each student should prepare for teaching some specific grade or grades or for departmental work. The following explanations govern the interpretation of the curriculum: 1. Students may, upon examination, be exempted from the first semester of English Composition. 2. The science requirement is to be determined on the basis of work included in high-school training. 3. The students planning on specializing in primary or intermediate teaching are urged to get a practical knowledge of the piano. 4. Students preparing for departmental teaching in a non-departmentalized upper grade should include in their electives a major

subject with a minimum of 14 hours besides special curriculum courses. 5. Special subjects which are provisionally required include: Art Structure, Art for the Primary Grades, or Art for the Intermediate Grades, Children's Literature, and Nature Study. 6. Entering freshmen are given a test in penmanship. Those failing to meet the standard required for prospective teachers will take a course in penmanship without credit.

### PRE-NURSING COURSE

The Association of Collegiate Schools of Nursing and the League of Nursing Education have both placed themselves on record as favoring advanced entrance requirements for admission to the Schools of Nursing.

Many Schools of Nursing now recommend a one-year pre-professional course beyond high school. In harmony with this recommendation Pacific Lutheran College is now affiliated with the School of Nursing of the Tacoma General Hospital and will give in the one-year course such subjects as the hospital shall recommend. HIGH-SCHOOL BOARDING STUDENTS, PER SEMESTER .....	147.00

In the case of boarding students, the above charges include good table board and room in the College dormitories for eighteen weeks. Meals will not be served in the College dining hall during Thanksgiving, Christmas, and Easter vacations.

The rooms are heated and lighted and furnished with dressers, tables, chairs, beds, and mattresses. All other necessary articles, including pillows, blankets, sheets, and pillow cases, towels, rugs, curtains, and reading lamps, must be provided by the student. The smaller rooms are designed for two occupants, the larger for three.

A medical fee, which entitles all students to a physical examination and boarding students to ordinary medical attendance by the school physician, is also included. Ordinary cases are cared for at the college infirmary without additional cost to the student. The treatment of more serious cases, or cases where a specialist is called in by the college physician, or those requiring the services of a trained nurse or removal to a hospital, must be paid for by the student.

A charge of \$10.00 for dues to student organizations is included in the above semester rates. This fee entitles the student to membership in student body organizations, admission to all games and programs given by such organizations, and one semester's subscription to *The Mooring Mast*.

Private lessons and laboratory fees are not included in the above charges.

Two or more students from the same family in attendance at the same time will receive a discount of \$15.00 for college students and \$7.50 for high-school students, except in the case of the children of pastors. All pastors' children receive a discount of 50% on tuition only.

### Book Store

The College maintains a book store for the convenience of the students, where books, stationery, and school supplies may be obtained. The book store is operated on a strictly cash basis.

### Payments and Adjustments

Semester expenses are payable one-third at the time of registration, one-third at the beginning of the seventh week of each semester, and one-third at the beginning of the thirteenth week.

Cash must accompany registration for at least one-third of the expenses for one semester. Credit for future services to be rendered by the student can in no case be used to satisfy this requirement. Failure to make subsequent payments when due will automatically cancel registration.

A cash discount of 5% per semester will be allowed for payment in full at the time of registration.

No refunds or allowances will be made except for board. No allowance for board will be made for less than one week. A deposit of \$5.00 per person is required for reservation of room in the dormitories.

## GENERAL REGULATIONS

Only such rules have been adopted as have been found necessary for the promotion of the highest interests of the students. On admitting students the College does so with the express understanding that they will cheerfully comply with its rules and regulations in every respect and deport themselves as Christian ladies and gentlemen.

Every student is expected to be present at the daily devotional exercises of the school and, on Sunday, to attend divine services in the church with which he or his parents are affiliated.

The College maintains the right to exercise supervision over the work and conduct of day students outside of school hours.

Students are expected to employ their time to the best advantage and to avoid everything which has a tendency to interfere with legitimate school work. Dancing, gambling, visiting gambling houses or other places of questionable nature, and the use of intoxicating liquors are strictly forbidden.

Students who are not living at home are required to room and board in the College dormitory, unless excused by the Registrar.

### Eligibility Rules

In order to be eligible to represent the College in intercollegiate contests of any character, in any athletic, dramatic, forensic, or musical performance or on *The Saga* or *The Mooring Mast*, a student must:

1. Be registered at Pacific Lutheran College.
2. Be registered in at least 12 hours work in the regular College Division, or 3 regular credit subjects in the High School.
3. Have completed successfully 12 hours of work in his previous semester if in the College Division or 3 regular subjects if a High-School student.
4. Be carrying successfully at least 12 units of work at the time of participation (3 regular subjects if in the High-School Division).

Eligibility is to be certified by the Registrar at the end of the first, second, third, and fourth quarter of each semester.

Exceptions shall be considered on their merits.

### HOW TO REACH PARKLAND

Parkland, a suburb of Tacoma, is located about seven miles south of the center of the City.

On arriving in Tacoma by train, bus, or boat, take a Parkland or Spanaway bus on Pacific Avenue. The telephone number of the College is GARland 0577.

Students will do well to leave their baggage at the Tacoma station and bring their checks to the College, where arrangements will be made to have the baggage brought out to the school in the speediest and cheapest way.

For additional information write to PACIFIC LUTHERAN COLLEGE, Parkland, Washington.
