THE PACIFIC LUTHERAN COLLEGE DEVELOPMENT ASSOCIATION MEMBERSHIP LIST

The Pacific Lutheran College Development Association was launched on September 23, 1928. In response to the slogan, "At least a dollar at least once a year," and with the declared purpose of maintaining and developing Pacific Lutheran College, friends of the cause of Christian education on the Pacific Coast have enrolled in this Association to the number of 3,815 on November 30, 1929, and the average contribution per member during this period has been \$5.61, or a total of \$21,383.90. Of this amount, \$4,643.47 applies to the budget of the current fiscal year, which began on August 1, 1929. In the absence of greater support through Church appropriations, and in proportion as the endowment pledges remain unpaid (many not being due till 1932), the first purpose of the Association must be to make both ends meet each year, and the second purpose to put the development program into effect as rapidly as possible. With the present membership in the Association the school will survive; with 5,000 members it will probably make progress; with 10,000 members the full realization of the complete development program seems assured. Let all friends of the cause work together to expand the attached membership list to 10,000!

THE COLLEGE SECURES FULL ACCREDITATION

On June 18, 1929, the Washington State Board of Education promoted the Normal Department of Pacific Lutheran College from Class B to Class A accreditation.

The State Board also voted last spring to continue the accreditation of the High-School Division of Pacific Lutheran College, on the basis of the favorable report of the high-school inspector. This favorable report has been confirmed by inspection this fall.
