VOLUME 32, NUMBER 27

PUBLISHED BY THE STUDENTS OF PACIFIC LUTHERAN COLLEGE

FRIDAY, MAY 27, 1955

SOON TO RISE! Pictured above is the architect's conception of the new College Union Building, due to be completed next fall.

## Bids Let for New Union, Building Starts Next Week

Bids were let Wednesday for construction of the new college union and a decision was made to erect a new dormitory in the fall at a meeting of the executive committee of the college board of trustees.

Tacoma firms were awarded the contracts for the college union, which will cost \$300,000 when completed in the fall. Northern Construction Company will be the general construction contractor, and Bergh-Griggs Company will be the mechanical contractor.

Johnson-Austin, Associate Architects, Tacoma architectural firm, designed the modern building and will supervise construction.

"Funds are on hand to completely pay for the building," President S. C. Eastvold stated after the meeting, "and the contractors have assured us that construction will start the first of next week."

The one-story building will have a covered area of 23,000 square feet, and a terraced court and patio area in the middle of 3,000 square feet.

### New Dormitory

The new dormitory will cost about \$500,000 and will house 130 students. It will be located west of North Hall and will form a quadrangle with North and South Halls.

Ratification of this decision must be made by the PLC Association, which will meet here June 7 in connection with the Pacific District convention of the Evangelical Lutheran Church.

The \$100,000 bequest received recently by the college from the estate of the late John S. Baker, Tacoma financier and philanthropist, will be applied toward the cost of the new dormitory.

The housing needs of the college during the coming year will determine whether the new dormitory will be used for men or women. It is expected that the building will be ready for use by September 1, 1955.

### Mrs. Young Gets Leave

In other action Wednesday the

executive committee granted a sabbatical leave to Mrs. Walter Young, assistant professor of physical education. She will do graduate work at the University of Washington during the coming school year.

This is the first sabbatical leave granted by the college under a new system set up this year. While on leave Mrs. Young will be paid half of her regular salary.

R. Byard Fritts, assistant professor of music, was granted a year's leave of absence to work on his doctor's degree at Eastman School of Music, Rochester, N. Y. The college granted him a scholarship of \$1,200 for this year of study, in addition to this the Department of Christian Education of the Evangelical Lutheran Church has granted Professor Fritts a scholarship.

## Senior Chapel Day Features '55 Class Gift

The class of 1955 presented the annual Senior Day program in chapel this morning, to begin the commencement weekend. It was also the last day of school at PLC for most of them.

Marching in the auditorium, led by junior marshalls Stuart Gilbreath and Ruth Helno, the class formed an impressive group. Class advisor Pastor Kuethe then presented the graduating class to the student body. Scripture and prayer was led by Bob Keller.

Class President Vera Hanson gave a talk on behalf of the class. The presentation of the class gift was made by Bud Lester.

Following this the senior class sang the school hymn.

Entertainment in the program included Jeanne Frieske, singing "Song of Love" and "Deep in My Heart"; Ted Carlstrom presenting a reading, "Why Bother About Brotherhood"; and a piano duet by Anna Lee and Kathy Eide.

Following the chapel program the class gathered outside for the planting of the class bush. The planting was done by the class president, Vern Hanson, and class secretary, Beverly Tranum. John Holm read the proclamation at the ceremony.

To complete the day, there will be a class picnic at Lake Wilderness this afternoon.

## QUO VADIS?

As we come to the end of the semester, let's not look at it as something final. We should consider it as the beginning of a new experience. After all, for the seniors it is "Commencement." Why shouldn't it be just the same for the rest of us? Next year we'll be seniors, juniors, and sophomores, which is in itself something new. But we need not go that far.

Summer is the next step (if they have one here). A few of the students will attend summer school here and at other colleges. Others will begin working in the occupation which they use as a means to finance their education. Still others will travel, the Ambassadors will sing, some will attend conventions, and a multitude of things.

In the wanderings of the vacation you will find that you are a traveling billboard. You will come to realize that you are an advertisement of PLC, of college, of Christ. Before this knowledge comes to you, it will seem unimportant how you act. But after you see how much your conduct, thoughts and speech influence "your" school and "your" God, it will be hard to be less than perfect. This is not only for the sake of example to others. Rather, it is to show yourself that you live the ideals which you express and profess to believe. (DEUS VOBISCUM)

## Saga Dedication Announced; Professor Ramstad Is Selected

Delores Hagevik, editor of the 1954-55 Saga, announced this past week the staff's decision to dedicate the annual to Professor Anders

William Ramstad, head of the chemistry department.

A B.A. graduate of Saint Olaf College in 1914, Dr. Ramstad attended Luther Theological Seminary and received his C.T.S. in 1918. From here he took the congregation at Phinney Ridge Lutheran Church in Seattle and some years later accepted a call to Bremerton. His schooling was complete when in 1936 he was granted his M.S. from the University of Washington.

Professor Ramstad's career on the PLC campus has been long and varied. Before he came to PLC as a faculty member, he served as a member of the Board of Trustees. Then in 1925 he joined the college family. One year later he organized the chemistry department and is still the head of that division. At one time, "Rammy" was the athletic coach for all sports, at which time he received his familiar nickname.

Professor and Mrs. Ramstad have three children, all living in the Tacoma area. Their son, William Jr., is past president of the state W.E.A. and has served on the alumni board.

## Step Toward the Future

"With the past put behind us, we set our steps towards the future."

The student body of Pacific Lutheran College may this week look forward again to the time of graduation—the commencement of a new life in an ageing yet opportunity-filled world. Our seniors are on the threshold while the underclassmen seem merely to have begun their trek on the path to learning. But time goes so fast—will we be ready to open the door when our commencement is here?

The prayers of the college family will be with each graduating student; prayers for happiness and success. And prayers also that God will lead them, as well as all our students, on the right paths to His eternal kingdom.

### Led by the Hand

Written by Beverly Smith, Soph., Hawthorne, Calif.

A figure of despair,  
A tear, a sigh,  
The moon looking down  
A river close by.

A musical cricket,  
A gay little frog,  
A playful squirrel,  
An old brown log.

What is it that causes the tear and the sorrow;  
Can it be fear of life and tomorrow?  
A quiet; a calm,  
A bright twinkling star,  
An answer to prayer  
Not too far.  
The still of the night  
A soft, cooling breeze,  
The tinkling music  
Of the leafy trees.  
Gone is despair, but victory must  
trod,  
Led by the hand of Almighty God.

## Awards Given PLC Students In Assembly

Recognition for scholarship and leadership was given several students last Friday at the annual awards day chapel program.

Dr. Eastvold opened the program with a talk challenging the entire student body to strive for excellence of scholarship and service. He emphasized that the student body represented the future leadership in church, state and home.

They are: Faith Bueltnan, Donald Garder, Vernon Hanson, John Holm, Jack Hoover, Iris Nordman, Carol Paul, Alta Prestbye, Brian Price, Mina Raasen, Ramon Reier-son, Gerald Schimke, Erving Severtson, Nancy Turman, and Phillip Wigen.

Clifford M. Korsmo, representing the Lutheran Brotherhood Life Insurance Society, presented \$300.00 scholarships to pre-seminary students Delvin Hutton and David Wold.

The George Fisher Memorial Trophy was awarded to Vern Hansen. This trophy is given annually to a senior athlete on the basis of character, scholarship, leadership, contributions to school life and athletic record.

Happy daze, pomp and circumstance, it's all over—for some, that is. As far as athletics are concerned, everyone can go home happy, having witnessed everything from good, hard-fought football to Bud Lester's dazzling agility at the ping-pong table. Vern Hanson also wanted me to be sure and make known the fact that he is intramural horseshoes champion for the third year in a row.

Seriously speaking, though, since this is the last edition of the Mooring Mast, it is only fitting to bid adieu to the graduating athletes, and in so doing acquaint the reader with some of their accomplishments. So, goodbye and good luck to:

- Bud Lester, who has lettered in baseball for four seasons.
- Brian Price, who has earned two letters in football, and one in baseball.
- Don Gaarder, with one letter in football, two in track and two in baseball.
- Vern Hanson with four letters in baseball and three in basketball.
- Pete Luvaas has four letters in tennis.
- Iver Eliason has two letters in track.
- Bob McPherson, one-year letterman in football.
- Ivan Seppala, two-year letterman at tennis.
- Frank Lancaster, who earned two letters in football.
- Bob Romnes, with three letters in golf.
- And to Bob Marvonek, who has managed all four sports for the last 12 years.

I would like to take this opportunity to thank all of the members of the sports staff during the past year, which includes Brian Price, Dwayne Brandt, Dan Rose, Looie Spry, Eddie Larson, Clyde Genz, and Gary Schuilenberg.

And then I suppose I should thank the one or two idiots (besides myself) who read this worthless column.

### WHAT'S NEXT?

The only thing left on the sports scene this year is the State N.A.I.A. Track and Tennis Meet in Renton this afternoon. At the time I am writing this the names of the participants from PLC, if there will be any, have not been disclosed. But I look for these entries: Gaarder, Nusbbaum, Gilmer, Storaasli, Eliason, Schimke, Luvaas and Hille.

Should any of the aforementioned win in their specific event, the chances are they would qualify for a trip to Abilene, Texas, at the National N.A.I.A. meet. Good luck, fellas!

And so with this happy prospect, I say farewell.

## Golf Squad Ends Successful Season

The PLC golf team closed out their season with two impressive triumphs in the last two weeks.

First among the victories was the win over the CPS squad. The score stood 11½-3½ in favor of PLC. The scores for the Late golfers were: Gary Morris, 69, the low score among the linksmen this season; Bob Romnes, 73; Dick Kent, 78; Ed Larson, 81; and Dave Berntsen, 82.

In the last match of the season the golf squad defeated the U. of W. freshman team, 10½-4½. The scores for that match were Bob Romnes 70, Ed Larson 75, Gary Morris 76, Dick Kent 78, and Dave Berntsen 80.

These last two matches also determined who went to the conference meet at Spokane. Gary Morris and Bob Romnes were two of three qualifiers and Ed Larson edged Dick Kent in a play-off for the third spot.

In Spokane the Late forces finished fourth. Play was at the Indian Canyon Golf Course. Rumors were that horses were furnished to help the players up and down the hills. It was around 85 degrees both days over there.

Romnes is the only member of the team who will be lost by graduation, so prospects are for a better season next year.

This year's final record was 3 wins, 7 losses and 2 ties.

## Awards Are Given

Philip Wigen, teaching fellowship in chemistry at Michigan State University.

For his outstanding achievement in freshman mathematics David Knutson was given a volume of "Standard Mathematical Tables," by the Chemical Rubber Co.

The award for the first place float in the Youth and Education Division of the Daffodil Parade was given to Stanley Read, construction chairman, and Jerry Slatum, art designer.

Gene Jack of Tacoma, president of the PLC Alumni Association, welcomed the seniors into the association.

Service organizations on campus who were given praise for their work during the year were: Spurs, Tassels, Blue Key and Alpha Phi Omega.

## INTRAMURAL HIGHLIGHTS

Ivy Hall, who have been in the championship running for each sport, have won the over-all championship for the year. They led the runner-up Eastern team by a large margin of over 300 points.

In the softball league, this spring, Central Barracks and Tacoma tied for the first place honors. Each team sported a 5 and 1 record in finishing the season. Jerry Schimke won the singles tourney in tennis.

Take the doubles round, Vern Hanson dumped Bud Lester for the third straight year to win the title in horseshoes. Hill Johnson took the badminton championship.

Next year, in addition to the main sports on campus, bowling is being planned for intramural competition. All those interested, get those arms in shape this summer and next fall be ready for the king pin sport.

A word of thanks goes to those men who make this intramural program possible, Mr. Salzman, the main supervisor, who does the sta-

# School Faculty Members Plan Summer Tours

While traveling through Norway, Denmark, France and England, Miss Knutson was followed by two special agents of the Universe, Time and Calendar. These two forward individuals kept such a good watch on her that soon she had to recognize them as a hindrance to her travels. Finally Time and Calendar brought her back to the campus of PLC, where she must stay for the rest of her life and have the wonderful memories of her travels in Europe tucked away in a bottom drawer.

Friday, June 3, this much admired English professor will board a Stratocruiser at the Tacoma-Seattle Airport and begin her journey to Europe. Miss Knutson will arrive in Norway in time to see the last days of the "Grieg Festival," composed of plays, symphonies and Folk Art. In August the professor will take

the famed Western Europe Tour by Linjebuss. This trip starts on a Monday with the departure point at Paris. From Paris they go to Brussels and then such stopping points as Amsterdam, Copenhagen, Frankfurt, Switzerland, Milan, Italian Riviera, Nice, and Arles. This tour will last for twenty-one days.

When summer session ends, Miss Schmieder will pack up and begin her long journey home to West Virginia. Her homeward travel will take her through Idaho, where she will stop for a few weeks and then through Montana, the Dakotas and up into Canada, back through Niagara Falls and Pennsylvania to W. Virginia and home.

When Miss Schmieder leaves this summer she won't be coming back again next fall, but will continue with her teaching at West Virginia. This summer Dr. Pflueger will spend three months in Europe. As a beginning trip, he will fly to Dubuque, Iowa, Monday, where he will give the commencement address at Wartburg Seminary, June 1, and on June 2 he will return to Parkland.

On June 9, accompanied by his son, the Rev. Raymond Pflueger of Ephrata, he will leave for Europe. They plan to visit France, Italy, the Holy Land, Turkey, Greece, Germany, Scandinavia and the British Isles.

The friendly smile of Mr. Dvergdsal, our Norwegian exchange teacher, will long be remembered on the campus of PLC, or the click of a camera at one of our gatherings or possibly the skill and grace he has on skis, or just the memories from his language class; no matter what it was he shall be remembered by many.

The hand of fate smiled on Mr. Dvergdsal for he was called to the University of Wisconsin for the coming year. If he is able to work out the plans with his country and obtain a renewal of his visas, this man from Norway will spend an additional year traveling in the United States.

Homer Lawless, assistant professor of economics and business administration, is leaving to do graduate work.

Elvin Akre, associate professor of history, who has been an exchange teacher in Norway this year, will return in the fall, as will Grace Blomquist, associate professor of English, who has been teaching in Germany.
