

## Choir to Present Home Concert April 23, 8 p.m.

Professor Gunnar J. Malm, director of the Choir, has chosen a program for the homecoming concert on April 23 at 8 p.m. in the CMS which includes compositions by contemporary composers, famous church music classics and arrangements of familiar hymns.

To open their program the Choir will sing Martin Luther's great hymn, "A Mighty Fortress," as arranged by Johann Sebastian Bach. The famous chorale, "How Fair the Church of Christ Shall Stand," as arranged by F. Mellus Christiansen will follow. Two Norwegian folk-melodies complete the group. They include "O How Fair Thou Art," arranged by Greg, and "A Norwegian Requiem," arranged by Malm.

The joyful "Alleluia, We Sing with Joy," by Jacob Handl, opens the second group, followed by Orlando Gibbons' "Hosanna to the Son of David." The hauntingly beautiful "Who Is Like Thee," a Hebrew chant, follows. Two classical numbers of the 16th and 17th centuries, Palestrina's "Genitum, Non Factum" and Antonio Caldara's "Crucifixus" are next. Heinrich Schütz's "Glory Be to the Father" completes the group.

Gerehaninoff's majestic "Our Father" opens the final group, followed by his "Lord's Prayer." Next comes "O Bethlehem," by Dom Gregory Murray. Two selections from Randall Thompson's "The Peaceable Kingdom," lend variety. They are "Have Ye Not Known" and "Ye Shall Have A Song." The program concludes with Peter Lukina "Nunc Dimittis." This selection, which has been used as the closing number by the PLC Choir for many years, is out of print and it is believed that the Choir of the West is the only group singing this number.

## State AAUW To Meet Here; Grace Blomquist Fellowship Given

The state convention of the American Association of University Women will hold its day sessions on the PLC campus Saturday, April 13. Between 150 and 175 women are expected for the day.

Each branch of AAUW that raises over \$500 for study grants to foreign women, primarily women from Europe or the Orient, is entitled to name its grant in honor of some person of that local group's choosing. The Tacoma branch, by raising over \$500, has chosen to name its grant "The Grace Blomquist Fellowship" in honor of Miss Blomquist of the PLC English department.

Miss Blomquist has been active in AAUW activities both in the local branch and in the state organization. At the present time she is a member of the publicity committee of the local organization and a member of the state convention committee. She has served as state president chairman and also as president of the local branch. Miss Blomquist was instrumental in getting PLC recognized by AAUW last spring.

Next Saturday's program on the campus includes registration, interest group meetings, business meeting, fellowship luncheon, state board meeting, tour of campus and a tea at the home of Dr. and Mrs. S. C. Eastvold.

Gina Bachauer

## Bachauer Will Appear In Tuesday Artist Offering

by Herb Dempsey

PLC is to be host to a concert given by Greek pianist Gina Bachauer on April 9 at 8:30 in the CMS. The phenomenal Mme. Bachauer has made a long and impressive list of recordings in London, many of which are now to be released in the U. S. by RCA Victor.

During the war, Mme. Bachauer gave over 600 concerts in Egypt and the Near East. In the middle of one such concert in an army hospital, there was an air raid. The wounded soldiers could not be moved. "I was terrified," recalls Mme. Bachauer, "but I was ashamed to think of running for better shelter, so I went on playing, and the soldiers sang all through what turned out to be a very big air raid." On another occasion, the keys of the piano were so badly splintered they had to be patched with chewing gum before the concert could begin.

One of the greatest pianists of our day, Mme. Bachauer was the first such performer to be honored by playing a concert in the Par-

thenon before the King and Queen of Greece.

The background of this great artist is as colorful as her brilliant professional career. Born in a suburb of Athens, daughter of an engineer and dealer in foreign cars, she has studied under Wladimir Freeman at the Athens Conservatory, Alfred Cortot in Paris, and Sergiy Rachmaninoff, with whom she studied for two years.

When not on tour Mme. Bachauer makes it a habit to practice five or six hours a day. Yet she finds time to swim and sail and maintain her hobbies — cooking and collecting small elephant figurines of jade, coral, precious stone, wood or glass.

Two of the artist's closest friends are Queen Frederika and King Paul of Greece. She has been twice decorated by the Greek king. One of her most precious possessions is a platinum vanity box, inlaid with sapphires and diamonds and bearing the royal crest and monogram, which was presented to her after the debut in Athens.

## 'End of Rainbow' Is Float Theme

by Jack Holl  
 Throughout the Tacoma, Puyallup, and Sumner areas spring is synonymous with one thing, Daffodils. As one motors about the city, or better yet, the valleys and dales of the surrounding country side, he can see these heralders of spring growing in abundant profusion.  
 But even this is not necessary, for by just glancing out of the windows of Old Main or watching the workmen as they construct the new patio, one cannot but help seeing these golden beauties.  
 And so each year the business men and civic organizations of this area sponsor the Tacoma-Puyallup-Summer Daffodil Festival. Highlighted by the Annual Daffodil Parade, this festival is one of the most thrilling of the year.  
 PLC in past years has supported this civic project wholeheartedly,

winning first prize in the educational division of the parade three years in a row.  
 This year the parade, which has for its theme Melodies in Daffodils, will be held on Saturday, April 13. In keeping with this theme PLC's entry will be titled "The End of the Rainbow," a Hawaiian love song. Chairman of this year's committee is Don Cornell with Jay Tronsdale and Sue Hatch co-chairmen of the art work, and Jerry Hanson chairman of the construction. Men are desperately needed for construction of the float. All interested are directed to contact Jerry or anyone on his committee.  
 If PLC is again going to win first place, the student body as a whole must be willing to put in some long hours on Friday night constructing the float. All flowers must be put on fresh the night before the pa-

# How to Make Connections, Influence Operators

In writing this article, I should like to relate to you many possible misunderstandings that could come between the operators and anyone on the other end of the light that is blazing away on the board.  
 For instance, there was the time I had been working a three-hour shift and someone who lives in a certain popular residence for men thought he would like to call a girl who has blond hair and lives in West Hall, "but I don't know her name." Well, of course, I was a bit disgusted. It would take three sets of hands to count the number of blondes who live in West Hall. If the board had not been so busy I wouldn't have minded so much. After much discussion, between my answering other calls, we finally discovered she lived in North Hall and had reddish hair.  
 When you lift the receiver and the operator takes a few minutes

to answer, please, oh please, don't jiggle the receiver cradle up and down. When you show such impatience the operator may get a little impatient, too. There are a thousand and one reasons why there may be a delay in the operator answering your plea. Usually the reason for delay is because seven or eight other people picked up their phones at the same instant. With many people to answer at the same time, much thought is given to the person who is blinking the light on and off, on and off.  
 I remember one of the first times I worked on a switchboard. I had been pumped full of knowledge on what to do and what not to do when taking a call. I was the only operator working and there were no calls whatsoever on the board. Then, just as if someone turned on the lights, the board was lit up like a Christmas tree. I finally answered them all. Just as soon as I had the

last one answered the people began to hang up. Needless to say, I did the inevitable. I pulled the wrong cord and disconnected someone. (Have you ever seen the switchboard when there are approximately 20 sets of cords being used at the same time? It is a veritable switchboard jungle!).  
 If you are in the lobby of South Hall sometime and happen to hear the operator answering a call you may hear her say, "Pacific Lutheran College Dormitories." This short greeting is reserved only for those who call into the switchboard from the "outside."  
 ...When you place an outside call, the operator is supposed to take your name, either your box number or room number, depending on where you live, and the number you are calling. After she dials the number she is to listen to see that your call is answered or un- (Continued on page four)

## Again We Ask

... how many times must a person be told? One is not to put nails, tacks, pins or pegs into those decorative slats in the CUB lobby—the air above must be kept free of hanging, swinging and dangling particles—the view viewed via the windows surrounding the central patio must not be obstructed, dimmed or propagandized with the face of a favorite candidate—and don't you know that books left on the retaining wall of the CUB lobby planter are subject to confiscation of the highest degree? An innuendo to the initiated should be sufficient.

## Fleming Sez -

To begin with I'd like to clarify my opening scoop in last week's column. When I said that Dean Eklund and Dean Wickstrom were going to stop necking on the campus I didn't mean they were going to stop necking but that they were going to stop necking. (There, that's better).

Did you hear about the child who placed a bucket in front of the T.V. set cuz he wanted to watch Wyatt Earp?

Discussion: Chopal shop-talk, or There will be no 1st, 2nd, 3rd, 4th, 5th, 6th, 7th periods today.

Say, Rolly, old hear, when do I get my picture in the paper? You promised. What do I pay you for?

I am personally going to run a big, exciting contest to find the girl on campus with the prettiest ears. The lucky girl who wins, will win an all expense paid dinner at a restaurant of my choosing any night that is convenient for her, or more than one night if she wishes. All interested girls may enter as soon as they wish. Just look me up and I'll begin judging.

Say, I hear by the grapevine that some of our more enterprising students on campus are going to direct two complete 3-act plays for performance in mid-May. Gee whillikers, what a terrific opportunity! I hear that they need lots of actors so be sure to watch for tryouts. Ye sad what a chance, eh?

Just finished a terrific memory course from— what was the name of that school?

Dear Mr. Fleming: I have been engaged to a girl for four months now. Last night she told me that she has a wooden leg. Should I break it off?

Public Service Feature: Attention Dave Lindsey, Attention Dave Lindsey. If you read this column or if anybody reads it who knows Dave would you please tell him! Dave, Dave, Terry sent you out three weeks ago to buy a loaf of bread and she hasn't seen you since. She's tried vainly to locate you, the children are worried. She has pleaded with me personally to try and locate you. So Dave, Terry asks if you would, please think of the children and think of your lovely wife and please would you bring a pound of butter when you bring the bread.

## Letters to the Editor

(Unless your name is Bob Fleming please do not read this letter).

Dear Mr. Editor:

Even though Bob Fleming has continued to use my name in his column, I still like him. I like him a whole lot. But I think what I like most of all is his winning smile, the only trouble is that he has a losing face. Actually, Bob went to a very exclusive school as a kid—you had to be sent there by a judge. He really loved the third grade, he spent three of the happiest years of his life in the third grade—he didn't want to pass up his grandpa, who was in the fourth. I shouldn't really be saying these things about Bob because he really did serve two years for his country on a little island in the Pacific—Alcatraz. The first time that I saw Bob, for a minute I thought he was my cousin, but he couldn't be—my cousin's living.

And in conclusion, Bob, if there's anything about the letter you don't like, just keep it to yourself because I don't like criticism.

Still yours for better journalism,  
DON CORNELL

Dear Editor:

The other day I observed several PLC students having some "innocent" fun with a foreign car belonging to one of the faculty members.

These good, clean-cut kids, filled with character that is supposed to be building around here, and usually is, first hefted the car for muscle-testing purposes, promptly dropping it with a bang and leaving the bumper bent at a rakish angle. Next one of them decided that the roof of the car was meant for sitting, rather than to keep out the weather, and promptly left a large chair-sized dent thereon.

With this delightful experience of happy fellowship, they promptly took a fast leave of the area that can only be described as "french." Having worked in an auto-body shop several summers, I can well imagine the owner's delight when he gets a bill of around \$30.00 for this little fun that was carried on in his absence. If this is the recreational experience that typifies PLC, to destroy not only college property in "patty raids," but now to help destroy private property of faculty members, then I'm off for the University of Washington.  
 Yours for growing up!

## Five Lettermen Aid Squad

### Expect Strong Team With New Material

With the coming of spring all red blooded American boys turn to their one fancy, baseball, and PLC is no different than other colleges throughout the land. The PLC baseball team has been working out for two weeks now, building around a nucleus of five returning lettermen. First college play for the team will be against the University of Washington, tomorrow, on the Seattle diamond.

#### Five Lettermen Return

Returning lettermen for PLC include catcher Larry Lane, pitcher Jerry Larson, second baseman Don May, first baseman Rich Hamlin, and outfielder Curt Kulstad. A big freshman turnout has been encouraging to Coach Mary Harshman as the team prepares for its first practice game.

#### Five Try Pitching

Pitching aspirants include Marv Bohan, Wally Stencil, Chuck Curtis, and left-hander Ardeen Iverson. Coach Harshman has also been trying to convert Bob Roiko into a pitcher for relief roles. Larry Golnick is hustling at first base and giving Rich Hamlin a battle for the opening nod in the game with the Huskies Saturday.

Others fighting for infield positions include John Mitchell, Daryl Hines, Ted Hellman, Jerry Donahue, Glenn Campbell, and Rod Humble. Outfielders vying for starting roles are Jim Kiddlesby, Terry Golnick, Jerry Curtis, and returnee Seth Anderson.

#### Calkins Out

The catching department suffered a setback with the loss of Lynn Calkins, who was forced to discontinue turning out due to ill health. The catching chores will be divided between Wayne Martin, Bob Roiko, Larry Lane, and Eugene Hapala.

No travelling squad has been picked to go to Seattle Saturday as yet, and it is believed Coach Harshman will use the whole bench to piece a winning team together for the league opener with Western Washington College on April 17.

PLC SEVENTH DEFENSIVELY FROMM: "WHAT'S RECORD?"  
Dave Crowner, Sports Editor

Final basketball statistics for the past season were published this week by the National Collegiate Athletic Bureau (NCAB), from which I gleaned the following facts. The top two individual scorers and the only men from the Evergreen Conference who figured in that tabulation showed up as follows:

Pos.	Players	Games	FG	FT	PTS.	AVG.
1	Hanmond, W. Va. Tech.....	27	334	274	942	34.89
2	Vieira, Quinnipiac, Conn.....	21	236	260	732	34.86
22	Adams, Whitworth, Wash.....	26	239	128	606	23.30
31	Curtis, PLC, Wash.....	29	199	194	592	20.40

Pacific Lutheran placed number 27 in team field goal percentage with .428. Whitworth was number six, having .453 per cent, and the top squad in this category was Alderson-Broadus College, W. Va., with .480.

PLC earned a seventh spot in the nation on team defense, holding the opponents to 60.3 points. First was S. F. Austin State, Texas, with 51.4. West Virginia Tech led the scoring pack on offense with an average of 102.6 points per game (23-4 record). PLC didn't come in until number 48, on 73.2 points per game. With only 15.8 personal fouls a game, the Lutes fitted into the fifteenth place spot in the nation in the PF category.

The highest team showing for the Lutherans was in the average scoring margin. The first three were: W. Vir. Tech, 25.4; Wheaton, Ill., 20.7; and PLC, 17.9.

Perhaps one of the most interesting items was the single game scoring list, in which Vieira, from Quinnipiac, topped the group with 63 points in a contest against Brooklyn Poly. In two other games he hit 50 and 51 points. — Not bad.

If you discuss the Lute track squad, it's a sure bet you'll mention John Fromm, who has already won two javelin contests, and as you probably know, is one of the best tossers in the nation. One of the first things John asks whenever he goes to a meet is, "What's the record around here?"

A word of thanks and congratulations to Dave Nesvig for the fine Sports Award Banquet. Under his chairmanship, the second annual event was a good one. Of special note were the awards of Most Inspirational Player of the hoop team, given to Jack Sinderson, and Honorary Captain, Nick Kelderman. Felicitations!

## Netmen Practice For Season Opener

Yesterday Pacific Lutheran's tennis squad opened its inter-collegiate play by holding a practice meet with CPS.

With six men returning from last year's team, and four new recruits, the racketmen hope to come out with a better season's record than the previous year. The team looks better, and the men expect a fairly good showing.

Veterans on the racket squad are, in order of their ranking: Bill Johnson (student coach), Dale Schimke, Jim Gunderson, Dave Lindsay, Spencer Aust, and number seven, Loren Hillebrand.

Sixth in the seeding is Dave Nesvig, and the other three players are Dennis Troedson, Rich Fisher and Wally Hall.

# Boxing-Wrestling Slated For April 12

One week from today, April 12, the big, second annual PLC Smoker is being held in the Lute Memorial Gymnasium. This event, which which admission is 50c stag and 75c drag, will begin at 7:30 p.m., and after the fights, work will be done on the Daffodil Float.

Over nine boxing matches are scheduled for the evening, plus a tag team for a wrestling contest.

One of the glove-fests will feature two feminine boxing enthusiasts.

Referee for most of the bouts will be Pastor Lutnes. Boxing and wrestling will be done on the raised arena, around which will be the ringside seats. Admission charge is the same for all the seats.

Following are the scheduled boxing matches: Larry Golnick vs. Terry Golnick; Bill Hannah vs. Rich Hamlin; Dave Hiatt vs. Les Wisen; Bob Fram vs. Lowell Sheldahl; Norm McCullough vs. Jack Holl; Glen Campbell vs. Ted Mey-

ers; Barb Standari vs. Leland Beecroft; and these men had not been paired off yet—Daryl Doug, Gordie Hoffenbacker, Lee Peterson, Gary Kieland and John Mitchell.

The wrestling tag team event sets The Two Toms, Tom Glimmer and Tom Suhli, against Carl Searcy and "The Crusher." There is a possibility that a girls' tag team will be entered in the wrestling finale.

This smoker, being sponsored by Lettermen's Club, will be over in time for students to help decorate the Pacific Lutheran float for the Daffodil Parade. Thus the two events do not interfere with each other, and those wishing to help on the entry can also attend the sports program.

"Last year's Smoker was a great success, and we think that this one will be even greater," stated Lettermen's president, Curt Kaban. A large crowd is expected for this year's boxing-wrestling night. If the enthusiasm raised by the first Smoker last year is an indication of how successful this one will be.

## Dogs Win Three Volleyball Tilts Table Tennis Tourney Nearing Quarter Finals

Three wins were posted by the Prairie Dogs during Monday and Tuesday nights' intramural volleyball contest to put them out in front on the winning path.

Those who were pounced on by the Dogs were the Deacons (15-9, 15-8); Ivy B. (5-15, 15-6, 15-4); and the Midgets, (15-12, 10-15, 15-5).

On Monday night DeJardines downed the Midgets and Tuesday night they also took a set from the Deacons. Clover Creek defeated Ivy A in two games, as did 3rd Floor East over the Deacons. The Road Runners and Ivy B took wins from Clover Creek and 3rd Floor West, respectively.

Moving along towards the championship play-off are the table-tennis double and single contests. As of last Tuesday these doubles matches were scheduled for the quarter finals:

John Milbrath-Ted Bondurant vs. Russ Hansen-Wayne Campbell, Lindsey-Dob Fleming vs. Al Radmacher-Roy, Dale Schimke-Al Cudahy vs. (not decided), Rich Hamlin-Dave Hiatt vs. (not decided).

Of these matches, those teams going into the semi-finals were Milbrath-Bondurant and Lindsey-Fleming.

Single matches were one step from the quarter finals, with the following men paired off for elimination: Dick Olson vs. Al Cudahy, Doug Longgren vs. Jim Von Scharltz, Dale Schimke vs. Jon We-fold, Dan Cheng vs. Dave Berntsen, Bob Mortenson vs. Rich Hamlin, and Rod Humble, Bob Fleming and Al Radmacher against opponents then undecided.

Two out of three table tennis games decide an intramural match.

## Lutes to Host SPC Ovalmen

The 1957 track and field season officially gets underway this Saturday at 1:30 p.m., when the Lute thinclada clash with power-laden Seattle Pacific College at the PLC athletic field.

Fifteen events are slated for the meet, with the javelin, shot, discus, and other field events starting at 1:30. Throwing the javelin will be John Fromm, who has done 217 feet, 9 inches, and 211 feet in two meets, the WSC Invitational and the Willamette Relays. Dick Graves will also throw the spear. In field events the Lutes have for shot putters Searcy and Burwell; discus throw, Searcy; broad jump, Schimke and Johnson; high jump, Gilmer, Storch and Jorgenson; pole vault, Gilmer and Crondol.

The first running event, the mile run, begins at 2 o'clock with Ted Siek being possibly the only PLC entry. Lute 100 and 200 men are Johnson and Vesey. Slated for the quarter mile are Witmer, Vesey and Schimke. Hurdle men are John Jacobson in the high and Jim Von Scharltz in the low. Other events and probable entries are as follows: 800, two-mile, Siek and Schultze; starters uncertain; mile relay, Vesey, Witmer, Schimke, and Siek.

### Making Connections

answered so that she will know whether or not to bill you.

It is completely, absolutely and decisively against the "law of the operator" to listen to any conversation. Scoop—if you imagine some operator is a busy-body and that she is listening to your conversation, relax and say what you want—there is no one listening.

What really upsets me most when I am working on the switchboard and I am tired are those who play games by calling each other back and forth three or four times each day and they only live next door. I guess having a telephone in every room has made us all too lazy to even open the door and take a few steps. However, it could be said, mind you this is only my observation, that the girls are increasing their own number of telephone calls. The Letters to the Editor must not have worked!

There was another time when a person got the wrong room. This was my fault because I couldn't

### Women's Dorms Plan Parties April 13th

Want to meet new friends and have a night of fun? This is the purpose of Saturday evening, April 13, when the three women's dormitories open their doors and lounges to everyone.

Each dormitory is planning a special program with refreshments included. Heading the parties in various lounges are Pat Rankin, South Hall; Joy Nelson and Joy Jorgensen, North Hall; and Kathy Almgrin, West Hall.

Oh, and in closing, please don't shout into the receiver. Your shouting will produce harsh reverberations in the ear of the tender, young operator and will result in a definite tone deafness.

### Frosh to Sponsor Weekend; Pick May Queen Attendants

Plans for Freshman weekend, May 10 and 11, election of next year's Student Council representative and election of May Queen attendants were the items of business at the freshman class meeting, on Tuesday, April 2.

Freshman weekend, sponsored by the class for the student body, will include on Friday night, May 10, a movie—probably "The High and the Mighty"—arrangements for which Dan Whitmer was appointed. Following the movie a roller-skating party will take place. Ken Gilliland, class president, will head the committee for the skating arrangements.

Saturday evening the class will sponsor a talent show premiering new talent and an unusual theme. Tryouts for the talent show will be held at a later date. Meg Evanson is the committee chairman.

Bob Erickson will take over the duties of student council representative for the class next year. Other nominees for this position were John Amend, Barb Stuhmiller and Toni Hughes.

Karen Sandstrom and Meg Evanson were elected May Queen attendants from the class. The other girls in the election were JoAnn Apker, Marilee Anderson, Jan Snyder and Carole Hawthorn.
