WELCOME TO J-TERM AND SPRING 2004

Dear PLU students:

As you prepare to register for J-Term and Spring Semester 2004, I invite you to view this registration process as part of a larger whole. When you visit with your academic advisors, talk about your goals first, then about the means to achieve those goals. You may find that these goal-oriented conversations will open new ways of thinking about educational opportunities. Yes, you should look at this schedule in advance of meeting with your advisor to pre-plan what you want to take; but the purpose of advising is much more than registering.

I also remind you that this published version of class schedules does change. Corrections are updated regularly on Banner Web. In consideration of this fact, I asked the Registrar's Office to print fewer copies of this booklet than in the past. Good stewardship of University and natural resources is important!

Finally, please note that University practice is to reserve spaces in 100- and 200-level J-Term courses for first-year students, who are required to enroll in J-Term in their first year of study. We have planned to enroll about 2400 students on campus for J-Term 2004, and there are many interesting options from which to choose.

Best wishes,

James L. Pence
Provost and Dean of Graduate Studies

INTEGRATIVE LEARNING OBJECTIVES

The goals of a PLU education

Critical Reflection

- consider issues from multiple perspectives
- evaluate assumptions and consequences of different perspectives in assessing possible solutions to problems
- select sources of information using appropriate research methods

Expression

- communicate clearly and effectively in both oral and written forms
- create symbols or meaning in a variety of expressive media, both verbal and nonverbal
- adapt messages to various audiences

Interaction with Others

- work creatively to identify and clarify the issues of concern
- develop and promote effective strategies and interpersonal relationships
- acknowledge and respond to conflicting ideas and principles, and identify common interests

Valuing

- articulate and assess one's own values, with an awareness of the communities and traditions that have helped to shape them
- recognize how others have arrived at values different from one's own
- develop a habit of caring for oneself, for others, and for the environment
- approach moral, spiritual, and intellectual development as a life-long process

Multiple Frameworks

- recognize and understand how cultures profoundly shape different assumptions and behaviors
- identify issues and problems facing people in every culture
- cultivate respect for diverse cultures, practices, and traditions

CLASS SCHEDULES ON-LINE

While every effort is made to ensure the accuracy of this schedule, changes will occur after it is printed.

This publication will be refreshed on-line on a regular basis to inform you of course changes and cancellations. To view the on-line publication select *Online Services* from the PLU home page (www.plu.edu). From *Online Services*, select *Banner Web*. Then click on *Class Schedule* and select the appropriate document. When available, tentative class offerings for future terms are also on the Class Schedule web site and may be of assistance when planning your current term schedule. You are strongly encouraged to periodically check the updated on-line schedule and reprint your schedule from Banner Web just prior to the start of each term to identify any changes that affect you.

An interactive schedule that allows you to search for open, waitlisted, and closed classes is available at the Class Schedule web site as well. This is a great resource for registration. See back cover for details.

Banner Web Hours:		
	Sunday – Thursday	12:30am – 11:25pm
	Friday	12:30am – 5:55pm
	Saturday	12:00am – 11:25pm

If you are experiencing problems accessing Banner Web or your PIN has expired, please contact the Registrar's Office, at registrar@plu.edu or 253.535.7131, or the Student Services Center, at ssvc@plu.edu or 253.535.7161. Please make sure you provide your full name, PLU ID number, and birth date.

GENERAL REGISTRATION INFORMATION

Pacific Lutheran University is committed to providing equal opportunity in education for all students without regard to a person's race, color, national origin, creed, religion, age, gender, marital status, sexual orientation, mental or physical disability, or any other status protected by law. The university community will not tolerate any discrimination, harassment, or abuse of or toward any member of the university community.

New Student Registration and Advising

A $200.00 advance payment is required to confirm an offer of admission. This advance payment is required before class registration. The payment is refundable until May 15 for Fall, December 15 for J-Term, and January 15 for Spring. Requests for a refund must be made in writing to the Admissions Office.

- New first-year students register by appointment and may not register via Banner Web. Your advisor has the necessary Registration PIN to complete your registration.
- New transfer and new non-matriculated students may begin registering Monday, December 1.
- New graduate students may begin to register on Tuesday, November 11 at the Student Services Center. Registration may not be done via Banner Web.

Continuing Student Registration and Advising

- As a continuing student, you may register for J-Term and Spring semester during your appointment time unless there is a hold on your account. Please see page 14 for instructions on clearing holds prior to registration.
- **RECENT CHANGE:** We will not be sending out registration appointment letters as we have in the past. E-mails will be sent to all continuing students with information regarding registration. Please go to Banner Web to learn your registration appointment time: After logging in, select *Student Services and Financial Aid*, then *Registration*, and *Check Your Registration Status*. You will then need to select the term for which you are registering (either J-Term or Spring 2004). The next page will inform you of your registration appointment time as well as whether or not any holds, academic standing, or student status would prevent your registration. Earned credit and curriculum information, such as your major, are also listed.
- Fall 2003 credits do not count toward completed cumulative credits when appointment times are set.
- As a first-year (freshmen) or sophomore student, you should meet with your advisor between November 5 and your registration appointment time. Your Registration PIN will be given to you by your advisor at this meeting.
- Registration for J-Term and Spring 2004 is by appointment beginning Tuesday, November 11.

Independent Study, Research, Thesis Registration

Registration for special study is subject to the same schedule as registration in other courses but cannot be done via Banner Web. Most departments offer special study options, such as:

- Independent Study
- Research
- Special Projects
- Thesis
- Graduate Readings
- Credit by exam

You are advised to reference the general university catalog at http://www.plu.edu/print/catalog/ and contact each department for details.

To register for special study, a completed independent study card must be brought to the Registrar's Office. Independent study cards are available at the Student Services Center and on the display rack in the hallway near the center. Early submission is strongly encouraged, but cards may be submitted any time prior to the published last day to add/drop for the term. **A $50.00 administrative fee is charged for each transaction submitted after the last day to add/drop.**

Off-Campus Programs

For information regarding opportunities to study off-campus, contact the Wang Center for International Programs.

Consequences of Not Attending the First Two Class Meetings

Students who are unable to attend the first class meetings are expected to notify the instructor prior to the first class meeting. Students who miss the first two class meetings without prior arrangement risk being dropped from the class by the instructor; however, you still need to take responsibility for dropping courses you do not plan on attending.

RIGHTS AND RESPONSIBILITIES

Upon admission to or registration with the university, the student and/or his or her parent(s) or legal guardian, agrees to accept responsibility and the legal obligation to pay all tuition costs, room and meal fees, and any other fees incurred or to be incurred for the student's education. In addition, the student and/or his or her parent(s) or legal guardian is required to complete and submit a *Payment Contract* to the university each academic year. The university agrees to make available to the student certain educational programs and the use of certain university facilities, as applicable and as described in the *PLU Undergraduate and Graduate Catalog*. A failure to pay when due all university bills shall release the university of any obligation to continue to provide applicable educational benefits and services, including, but not limited to, the right for further registration, statements of honorable dismissal, grade reports, transcripts or diplomas. The student shall also be denied admittance to classes and the use of university facilities in the event of default.

PAYMENT INFORMATION

Payment may be made in the form of cash; personal, business, or cashier's check; money order; international wire; or debit or credit card (VISA or MasterCard). Credit card payments may be made by telephone 24 hours a day on the Business Office secured line at 253.535.8376. Mail payments with billing statement remittance stubs to Pacific Lutheran University, Attn: Business Office Cashier, Tacoma, WA 98447, or deliver payments to the PLU Business Office in Hauge Administration Building, room 110. Checks should be made payable to Pacific Lutheran University. Please do not mail cash.

TUITION REFUND POLICY FOR WITHDRAWAL FROM A COURSE

Withdrawing from a single course after the last day of add/drop waives your right to a tuition and fee refund.
If you do not wish to continue a course after the add/drop period, you must withdraw from the course. You must obtain the instructor's signature on an *Add/Drop/Withdraw Form* and submit it to the Student Services Center. **A $50.00 administrative fee is charged for each transaction after the last day to add/drop.**

REFUND POLICY FOR COMPLETE WITHDRAWAL (OFFICIAL WITHDRAWAL FROM ALL CLASSES)

Spring 2004

Tuition:		
	100% tuition refund	Before February 4, 2004
	Tuition refunds prorated on a daily basis	February 4 – April 11, 2004
	No tuition refunds	On or after April 12, 2004
Housing and Meal Plans:		
	Housing refund (refer to contract)	Refunds prorated on daily basis
	Meal plan refund (refer to contract)	Refunds prorated on a weekly basis

Notice of withdrawal must be made in writing and submitted to the PLU Student Services. Oral requests are not valid. Full charges for the term will remain on the student's account until written notice is received and processed.

VETERANS ADMINISTRATION (VA) BENEFITS

If you expect to receive any type of veteran benefits, you must file a *VA Certification Request*, which is available in the Student Services Center. You will be certified for classes only following submission of a written request (purple certification form) to the VA Student Services Counselor.

FERPA (FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT) STATEMENT

In accordance with the Family Educational Rights and Privacy Act of 1974, commonly known as the Buckley Amendment and carrying the acronym FERPA, Pacific Lutheran University has adopted a policy to protect the privacy of education records. This act also establishes the rights of currently enrolled, eligible students to inspect and review their education records and provides guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Parents and currently enrolled, eligible students may review FERPA policy in the Student Life Office, Hauge Administration 105, or on the web at www.plu.edu/print/handbook/conduct/FERPA.html.

ACCREDITATION

Pacific Lutheran University is fully accredited by the Northwest Commission on Colleges and Universities as a four-year institution of higher education. In addition, the following programs hold specialized accreditation and approvals:

Business - AACSB – The International Association for Management Education
Chemistry and Biochemisty - American Chemical Society
Cornputer Science (B.S.) - Computing Sciences Accreditation Board, Inc.
Education - National Council for the Accreditation of Teacher Education
Marriage and Family Therapy - Commission on Accreditation for Marriage and Family Therapy Education of the American Association for Marriage and Family Therapy
Music - National Association of Schools of Music
Nursing - National League for Nursing
Social Work - Council on Social Work Education

Any current or prospective student may, upon request directed to the President's Office, review a copy of the documents pertaining to the university's various accreditations and approvals.

Meeting the Challenge

Support. Focus. Persistence.

Academic Advising

Unsure about your major? Curious to learn what you can do with a major of interest? Take time to map out your academic plans. Meet with a professional advisor. Attend workshops. Take PSYC 113. Be involved in decisions affecting your academic future.

Academic Assistance

Challenging classes are part of PLU. Take advantage of the opportunity to learn and grow, and don't think you have to do it alone. Join a study group or test review session. Pick up flashcards and handouts. Request a tutor. Use the math lab. Attend student success workshops. Join informal foreign language conversations.

Computing and Telecommunications/Computer Lab

Consider it your lifeline to PLU. Your questions regarding computer uses, E-mail and web page accounts, university telephone use and repair, voicemail, residence hall networks and computer lab usage can be answered here. Stay connected.

Library

It's not just about books anymore. Services provided by the Robert L. Mortvedt Library are abundant, and many are accessible on-line. Use the reference librarian to help jump-start a research paper. Search the library catalog. View your library record. Access interlibrary loan and internet directories and search engines. Read journals. Even more is available from the comfort of your computer.

Writing Center

Another paper? Draw on the student staff's expertise for feedback and tips on how to generate ideas. Visit the center for one-on-one consultation. Identify proofreading strategies and patterns of error. The Writing Center welcomes all writers.

See pages 8-12 for contact information.

REGISTERING THROUGH BANNER WEB

Course registration for J-Term and for Spring Semester is as easy as accessing PLU's home page at www.plu.edu for web registration.

Banner Web is available from 12:30am to 11:25pm Sunday through Thursday, 12:30am to 5:55pm on Friday, and 12:00am to 11:25pm on Saturday. You may add (register for) or drop classes using Banner Web from the date and time of your initial appointment through the last day to add/drop for each term (refer to the calendar on page 4 for add/drop deadlines). To access Banner Web, using the most current version of your Web browser, find the PLU homepage at www.plu.edu and select *Online Services*. From *Online Services*, select *Banner Web*. Then click on *Login.*

Web registration requires you to enter your student ID number and your PIN (personal identification number). Your initial PIN is your birth date. Example: The PIN for a person born June 16, 1985, is 061685. You may change your PIN at any time via Banner web. **You will be required to change your PIN the first time you access Banner Web in order to prevent others from gaining unauthorized access to your registration**.

BEFORE YOU BEGIN

New Students

Students who have never attended PLU and have not been formally admitted to the university are not eligible to register via Banner Web. New first-year students should go to the Academic Advising Office for assistance. Other new students should go to the Student Services Center for assistance.

New transfer students may begin to register via the web on Monday, December 1.

Registration Holds

Check to see if you have any holds prior to registration. Log in to Banner Web and click *on Student Services and Financial Aid*, then click on *Student Records*, and *View Holds*.

There are several types of holds. To clear the holds listed below contact the following offices:

- Financial and Payment Option holds – Contact the Student Services Center
- Junior Review Holds – Submit Junior Review paperwork to the Academic Advising Office
- Medical Holds – Return your medical history form with proof of required immunization to the Health Center

Appointment Times

Each continuing matriculated student will be assigned an appointment time according to total hours completed. Registration appointment times will not be sent via mail as in the past. Instead, an E-mail will be sent to all continuing matriculated students with information regarding registration. To learn your registration appointment time, please go to Banner Web: After logging in, select *Student Services and Financial Aid*, then *Registration*, and *Check Your Registration Status*. You will then need to select the term for which you are registering (either J-Term or Spring 2004). The next page will inform you of your registration appointment time as well as whether or not any holds, academic standing, or student status would prevent your registration. Earned credit and curriculum information, such as your major, are also listed. If you need assistance, please call the Registrar's Office at 253.535.7131 or the Student Services Center at 253.535.7161.

Waitlisting cannot be done via Banner Web

Waitlisting courses must be done in person at the Student Services Center and is limited to two courses per semester. Waitlist forms are available on page 81 or in the Student Services Center. The waitlist form must be completed and submitted to a Student Services employee for processing. Waitlisting guarantees that the instructor will be informed that a student is interested and where the student is on the list. The Registrar's Office will move students (in waitlist order) from the waitlist into closed classes as seats become available until one week before the term begins, then the instructor determines who will be admitted to closed classes. Students still on the waitlist when the term begins must attend the first class and get the instructor's signature on an add/drop form to grant them a place in the class. Faculty reserve the right to deny admission after the first week when initial sessions are irreplaceable. The add/drop form must be taken to the Student Services Center before the deadline to add/drop courses. Students who are below third or fourth place on the list are strongly advised to register for a substitute course, as it is unlikely they will get into the waitlisted class.

Note: Do not try to move yourself from the waitlist into a class, even though the system indicates there is an opening. This cannot be done on Banner web and will only cause you to lose your place on the waitlist.

Looking for a class to take? Check out the Banner Interactive Schedule! See back cover for details.

BANNER WEB REGISTRATION

Find Banner Web. Using the most current version of your Web browser, find Banner Web by accessing the PLU home page at www.plu.edu and selecting *Online Services*. From *Online Services*, select *Banner Web*. Click on *Login*.

Login. Log in by using your PLU ID number as your user ID. Enter your PIN (personal identification number). First-time user PIN's are set as your birth date in MMDDYY format. Click the login button. Important note for first-year (freshman) and sophomore students: This is NOT where you enter your Registration PIN. You will be asked for your Registration PIN later in the process.

Select Student Services and Financial Aid. Under *Student Services and Financial Aid*, select *Registration*. The Registration Menu gives you several options.

Select Term. Make sure that the term in the text box reads the appropriate term for which you are registering. Then click on the *Submit Term* button.

Check Your Registration Status. Scroll down and select *Check Your Registration Status*. If you have registration holds, you need to stop and contact the Student Services Center to clear the hold before registering (see page 14 for details). If you do not have any holds, you may continue by clicking *Menu*.

Registration Menu. Select *Register/Add/Drop Classes*.

First-year (freshmen) and Sophomore Students: After you click on *Register/Add/Drop Classes*, another box will pop up asking you for your Registration PIN number. Your advisor has this number and will give it to you when you meet in November prior to registration. You won't be allowed to register without this number, so see your advisor soon!

Add Classes. Scroll down to the *Add Class* section. In this section you will enter a CRN (course reference number) for each class you would like to take. Remember that if your class requires co-registration for another class (such as a lab), you must enter a CRN for that class as well. When finished, select the *Submit Changes* button to continue. When your request is finished processing, you will be returned to the *Register/Add/Drop* page.

Looking for a class that suits you? Check out the Banner Interactive Schedule! See back cover for details.

Current Schedule. In this next screen, you will have to scroll down to see your current class schedule. Make sure that you look at the status box to see if you are currently registered. If you have a conflict of some sort, the system will notify you under the section called *Registration Errors*. Contact the Student Services Center at 253.535.7161 or ssvc@plu.edu, or the Registrar's Office at 253.535.7131 or registrar@plu.edu, with questions.

Student Detail Schedule. Once you have finished selecting your courses for the term, scroll down to the bottom of the screen and select *Student Detail Schedule*. Your schedule will appear on the screen. If you would like a copy, select the *Print* button on the top of the screen. Make sure that when you have finished registering, you LOG OUT and close your browser. This is important so that no one else can make any changes to your schedule. *It is recommended that you return to this screen just prior to the start of each term to confirm any schedule changes (such as room number or instructor) that may occur after your registration is completed.*

SPECIAL REGISTRATIONS

Special registrations should be completed by the **add/drop deadline** according to the published term schedule on page 4. The following registrations must be done in person at the Student Services Center unless otherwise indicated:

- **Auditing a Course.** To register to audit a course (no credit), get an instructor's signature on an *Add/Drop/Withdraw Form*. The cost for auditing a course is the same as the cost for taking the course for credit.
- **Courses Requiring Approval.** To register for a course requiring approval, get the authorized signature on an *Add/Drop/Withdraw Form*.
- **Course Load Exceptions.** Registering for more than 18 hours in one semester requires at least a 3.00 grade point average or consent of the Registrar. Registering for more than 17 hours costs an additional $612 per credit. To register for more than 5 hours in J-Term, you must complete a *J-Term Overload Request Form*, available in the Provost's Office, Hauge Administration 103. (Use Banner Web to register for up to 17 hours in Spring Semester and up to 5 hours in J-Term.)
- **Independent Study Cards.** Completed cards are returned to the Registrar's Office. See page 6 for details.
- **Credit by Exam.** Completed forms are returned to the Registrar's Office. See pages 6 and 7 for details.

ON-LINE REGISTRATION WORKSHEET

J-Term = 5 Hour Maximum per term / Spring = 17 Hour Maximum
Complete your registration for J-Term, then return to the main menu to select the Spring Semester.

Using the class schedule, select the course request numbers (CRNs) of the courses you wish to add. Select alternate CRNs in case your first choice is unavailable. Beware of time schedule conflicts. Some courses require additional registration in labs and/or discussions or other concurrent courses. Check Instructions/Comments for information regarding these courses.

If you are having difficulty finding an available course that suits you, please refer to Banner Interactive Schedule, an up-to-the minute version of the class schedule that does not require Banner Web login to view.
To get to the Banner Interactive Schedule, select *Online Services* from the PLU homepage. In the featured links, select *Banner Interactive Schedule*. You can also get to this link by selecting *Banner Web*, *Class Schedule* (located directly below the login link), and *Banner Interactive Schedule*. Your search criteria can be as expansive or as limited as you desire. Search by term, class status, subject, attribute, day, or time. Select multiple subjects or statuses by using the mouse in conjunction with the Ctrl or Shift key.

Making the Most of Your Academics

Challenge. Enrich. Broaden.

Professors

Students rate PLU professors very highly. Visit during office hours. Go early to class or stay after to talk about class. Invite your professors to campus events (especially your events). E-mail questions regarding coursework. Be actively involved in your education.

"The attention I received from my professors made me feel that they cared about my learning and that they wanted me to succeed."
-Jennifer Baumgarten '01, PLU graduate

Advisors

Check in periodically with your advisor. Advisors are a key resource at PLU. Use their knowledge about general education requirements and requirements in your major as well as course selection. Use their expertise about life after college.

Off-Campus Programs

The Wang Center for International Programs offers many opportunities for studying off-campus for J-term, one semester, or one year. International internships are also coordinated through the Wang Center to selected locations around the globe. Expand your horizons.

"Studying in Italy was the most incredible and unforgettable month! There are no words to describe the amazing sights and what I learned about myself, my own culture, and the culture of another country. It truly is a once-in-a-lifetime opportunity!"
–Stacy Wilson '03, PLU graduate

Summer Sessions

Take classes during one, two, or all three summer sessions when tuition is lower. Use this time to catch up or explore new ideas. Classes are more intense and challenging, but well worth the effort. Stretch your mind. PLU is a great place to spend the summer. For updated course information, check out www.plu.edu/~summer.

Provost and other Academic Administrators

Visit the chief academic officer at PLU, Jim Pence, in Hauge Administration 103, or other academic administrators such as the deans of academic divisions and schools. Share your academic experience. Exchange ideas. Invite the Provost or others to student events. The Provost, along with faculty, develops and oversees the curriculum and degree requirements.

See pages 8-12 for contact information.

Career Services

Trying to figure out what major fits your interests? Trying to match your major with a job? Need help constructing a résumé and cover letter? Are you prepared for an interview? Get a jump-start on your career plans now. Don't wait. Make "Be Prepared" your motto.

> *"What helped me the most was having someone who was willing to take the time to help me sort out my ideas. I wanted to write the "perfect" cover letter, but I couldn't get any words onto the paper. Beth helped me relax and concentrate on the letter instead of worrying. She also gave me information to help prepare for an interview."*
> - Serene Stambaugh, '02, PLU graduate

Clubs and Organizations

Want to test your interests in an academic area or career field? Interested in acquiring invaluable (and employable!) skills and experiences? Believe in giving back to your community? PLU recognizes over sixty student organizations that represent various academic, service, religious and social interests. Find your niche and get involved! See Student Involvement and Leadership for details!

Cooperative Education

Numerous professional internship opportunities await you. Take advantage of the chance to have a job in your major or in an area of interest and get course credit. Cooperative Education also helps with major-career matching. The experience is invaluable (and looks great on a résumé, too!).

> *"I had gone into this internship thinking the most valuable thing I'd receive was a line or two on my résumé, but I left with knowledge about getting a job in advertising that I would never be able to find in a book and contacts I would never have met any other way."* Mike Houston '02, PLU graduate

LuteLink

The Office of Alumni and Parent Relations sponsors this mentoring program. PLU alumni share their personal and academic career paths, provide internship or job-shadow opportunities, critique résumés, and more.

Student Employment

Enhance your educational development (and your wallet) with work experience. Numerous challenging and diverse employment positions are available on and off campus. Establish contacts and networking.

Volunteer Center

Volunteering just a few hours a week or even a month can make a difference, in your life and in other lives. Apply your education with direct impact. Contacts are established with over 150 agencies offering various volunteer opportunities – near and far. Live the mission: educating for lives of service.

See pages 8-12 for contact information.

Welcome to January Term 2004!

Pacific Lutheran University's January Term provides students and faculty with a unique opportunity to concentrate their attention intensely on one class at a time. Not only can that deepen one's understanding of subject matter, but it makes it possible for each class to become a closer community of learning.

All students, not just freshmen, will find within this schedule courses of interest to them. In addition to a few unusual courses peculiar to January (generally those involving an off-campus experience), you will find here a broad range of offerings within the regular curriculum—interesting electives, upper-division courses in many specific majors, and courses satisfying various university-wide requirements.

For your convenience, attribute codes appear at the end of course titles. The attribute indicates which university-wide requirement a particular course meets. In some cases a course may be assigned multiple attributes. Keep in mind that you may only use a single course to satisfy a maximum of two university-wide attributes once, even though that course may be assigned three or more attributes.

The First-Year Experience J-Term Requirement

All first-year students must complete the three requirements of the First-Year Experience during their first year at PLU. In addition to the Inquiry Seminar and Writing Seminar, first-year students are required to fulfill the First-Year J-Term requirement by enrolling in a J-Term course that fulfills one of their university-wide, major, minor, or program requirements. The J-Term requirement can also be fulfilled by enrolling in a J-Term Inquiry Seminar or Writing Seminar.

The purpose of the First-Year Experience J-Term requirement is to provide an opportunity to take another general university requirement in a setting with more focused attention on the learning process as well as course content. J-Term is a stimulating change from the regular semesters, and most students find J-Term courses to be very worthwhile and enjoyable.

Please be advised – No single course can be used to satisfy more than two requirements. Read course attributes carefully.

Off-Campus Course Offerings

J-Term Off-Campus Courses:

For more information and applications for any of the following off-campus courses, contact Charry Benston, Wang Center for International Programs, at 253.535.7628 or benstocl@plu.edu. Application for these off-campus courses began in April, so many of them are already full. The Wang Center for International Programs will register students for off-campus courses unless otherwise noted.

ANTH 190 OFF FI: Practicing Anthropology: Makah Culture, Past and Present (192) A, F, S1 (4 credits) FIRST-YEAR EXPERIENCE OFFERING
This class will study Makah culture in Neah Bay. Archaeological, historical, and anthropological research have shed light on the Makah way of life over the last 3,000 years. Students will receive instruction in Makah culture by Makah, contribute to a project, and learn what life in Neah Bay is like. Part of the month-long class will be spent in Neah Bay on the Makah Reservation. Can only be used for two of the three university-wide requirements.

ANTH 392 OFF Gods, Magic , and Morals C, S1
Constructed around a fieldwork component, students will be placed in faith communities in the Salishan and East Side communities. Students registering for this course must be willing to work in the field, interviewing church leaders and members and generally participating in community life. Students registering for the course must also be willing and able to put time in during the evenings and weekends, or whenever church and temple activities are scheduled. This is a terrific opportunity for anyone who is interested in experiencing field research and for those starting a longer-term field project, for example, for the Capstone Seminar in Anthropology.

ANTH 491 OFF Practicing Anthropology: Makah Culture, Past and Present A, S1 (4 credits)
This class will study Makah culture in Neah Bay. Archaeological, historical, and anthropological research have shed light on the Makah way of life over the last 3,000 years. Students will receive instruction in Makah culture by Makah, contribute to a project, and learn what life in Neah Bay is like. Part of the month-long class will be spent in Neah Bay on the Makah Reservation.

ARTD 390 OFF 19th Century Art in Paris AR (4 credits)
Spend three weeks in Paris studying art movements and painters of the 19th century. Learn about the different styles of art and where they originated. Explore the café-lined streets where great artists lived and worked. Knowledge of French is not required.

BIOL 333 OFF Biology of the Andes, Amazon, Galapagos (4 credits)
One might best describe this course by saying, "It's like walking through the pages of *National Geographic*." Features of this class include: tropical alpine paramo studies in Cotopaxi; ecological studies in Cuyabeno (in the upper Amazon); and snorkeling and terrestrial ecological observations in the Galapagos Islands. Studies will highlight historical and cultural aspects as well as biological attributes.

BUSA 485 / COMA 393 OFF A Celtic Experience: Exploring Irish Culture & its Modern Business (4 credits)
The primary goal of the class is to expose students to historic Celtic tradition and culture, and its fundamental relationship to evolving international business activities within the Republic of Ireland. This immersion in Irish culture and modern Irish businesses provides a unique opportunity to see how the country has emerged from economic dependency to a leading role in the European community.

COMA 392 OFF Communication Abroad: Media in Australia (4 credits)
During this urban J-Term course, students will learn from Australian media professionals how their film, television, radio, and Internet differ from the same products in the United States. Students will have the opportunity to observe Australian media and their connection to the Australian culture.

J-Term Off-Campus Courses (continued)

ENGL 213 OFF Topics in Literature: Communities Promoting Peace LT (4 credits)
Spend four weeks in South Africa exploring how four crucial social institutions—the courts, the arts, the church, and the schools—work to promote peace and justice in their society.

ENGL 224 OFF Travel Writing WR (4 credits)
Spend a month of the Australian summer traveling through major cities, the outback, along the coast and looking into conceptions of future living possibilities. Travel essays will be developed along the way, while incorporating readings applicable to each locale. The wildlife and scenery will be varied and inspiring as you journey through this vast country.

ENGL 234 OFF Environmental Literature LT (4 credits)
Ecuador, land of the Galapagos, Amazon, and Andes. Combine the study of nature and literature in a diverse South American country. Watch for huge scarlet macaws and troops of squirrel monkeys in the trees. Come face to face with giant tortoises. Spend a week in the Galapagos Islands where you will see unique marine iguanas and snorkel with sea lions and brilliantly colored fish.

FREN 141/241/341 OFF French Language and Culture in the Caribbean (4 credits)
Enhance your French language skills, indulge in the rhythm and energy of the French Creole cultures in the bustling stylish city of Fort-de-France—not far from lovely beaches and dense tropical forests. Experience France and the European Union while taking intensive French from native speakers as a student at the Université des Antilles.

GERM 231/331 OFF Language, Art and Culture in the New Germany (4 credits)
German language and modern German culture will be the focus of this full-immersion J-Term program. Students will combine intensive German language instruction with close study of the historical intertwining of public art, politics, and the rapidly evolving commercial landscape in reunified Germany.

INTC 246 OFF Cases in Third World Development: Community Development in Cuba C, I2 (4 credits)
Participate in this course and experience the daily life of ordinary people in Cuba. Learn the history of why Cuba initiated a socialist experiment and study the perilous consequences of this choice. Meet with community, political, and religious leaders, and draw your own conclusions.

MUSI 390 OFF The Organ, Netherlands, and Germany: An Intensive Organ Performance Study Tour AR (4 credits)
The most important time period in the literature of the organ is the 17th and 18th century. Designed and geared for organists, this J-Term study course and tour will allow organists to study and play repertoire of this period on instruments of this period. It will allow students to see how the organ reacts to their playing, what kind of performance practice works best, and allow students to get a sound image of the 17th and 18th centuries.

PHED 319 OFF Tramping the Tracks of New Zealand PE (4 credits)
Spend J-Term learning about the history and culture of New Zealand while backpacking and hiking in some of the most dramatic scenery in the world. Explore museums that reflect the history and culture of the other land "down under," and hike up ancient volcano craters to glacial mountain lakes and along sandy ocean beaches.

NSCI 210 OFF Natural History of Hawaii NS, SM (4 credits)
The Hawaiian Islands are an active museum of geology and tropical island plant and animal life. The islands, the most isolated in the world, have native plants and animals, 95 percent of which occur nowhere else. Students are expected to participate actively in daily lectures and fieldwork involving the geologic formation of Hawaii and its subsequent population by plants and animals, stressing the impact of human intervention.

PSYC 493 OFF History and Systems SR (4 credits)
Study the history of psychology in the place of its roots—Germany. Germany boasts the first psychological laboratory established by Wilhelm Wundt at the University of Leipzig. Several major schools of thought—such as structuralism, physiological psychology, Gestalt psychology, and psychoanalysis—have their roots in Germany and Austria. Our visit to historical psychological sites will include stops in Berlin, Leipzig, Passau, and Vienna, Austria. Students will attend lectures given by experts in the history of psychology, read primary historical literature, and perform minor research projects with psychological collections housed at the Freud Museum and at the Institute for the History of Psychology.

RELI 221 OFF Ancient Church History R2 (4 credits)
This J-Term course will be held in the city of Rome and environs. Participants will study the emergence of the Christian movement through reading primary and secondary texts, the study of imperial and early Christian buildings and artwork, and lectures with PLU and on-site instructors. Students will examine the Roman imperial social context, the entrance of Christians into the city through Jewish communities, the establishment of house churches and Christian community centers, and the emergence of western monasticism.

RELI 365 OFF Christian Moral Issues: Environmental Ethichs R2 (4 credits)
Holden Village is an educational center of the Lutheran Church and an intentional community of approximately sixty people during the winter. Nestled in a scenic valley 3,000 feet up in the Cascade Mountains, it is something to behold in January. Christian perspectives on the environment will be the special focus of this course. Causes of the environmental crisis, attitudes toward nature and resource use, the role of Christian thought and the Church in the crisis, preservation of wilderness, personal responsibility, and population/food issues will be grist for class deliberations. The village itself will be a laboratory for meditation, exploration, and reflection.

RELI 392 OFF Gods, Magic , and Morals C, R3
Constructed around a fieldwork component, students will be placed in faith communities in the Salishan and East Side communities. Students registering for this course must be willing to work in the field, interviewing church leaders and members and generally participating in community life. Students registering for the course must also be willing and able to put time in during the evenings and weekends, or whenever church and temple activities are scheduled. This is a terrific opportunity for anyone who is interested in experiencing field research and for those starting a longer-term field project, for example, for the Capstone Seminar in Anthropology.

SOCW 201/491 OFF January on the Hill A, S2 (4 credits)
January on the Hill provides students with an intense experience of community work in Tacoma's Hilltop District and/or Tacoma's Eastside. Students learn first-hand about urban poverty and how it manifests itself through participation in community projects, volunteer work at social service agencies, and conversations with people who live and/or work in the community.

SPAN 231/331 OFF Intensive Spanish and Development Issues in Costa Rica C (4 credits)
This Spanish language and Costa Rican culture immersion experience links language study with learning about a society. The program's primary objective is improving Spanish language knowledge and skills. The second objective seeks to identify the root causes and consequences of underdevelopment and to examine the effects of current development strategies on women, poverty, culture, and environment.

Proposed Summer 2004 Off-Campus Courses:

ANTH 465 OFF Archaeology: The Field Experience S1
Off-campus course meets Workshop Week. The minimal lab fee will be assessed. Contact Professor Dave Huelsbeck for more information, 253.535.7196.

SABR 100 OFF Study Abroad: Granada, Spain (4 credits)

THE INTERNATIONAL CORE

INTEGRATED STUDIES OF THE CONTEMPORARY WORLD

Students currently taking INTC classes are able to register for INTC courses via the web. Students registering for an INTC class for the first time need to contact the Provost's Office, in Hauge Administration 103, prior to registration for INTC web registration setup. Registration for INTC classes will occur at your regularly scheduled appointment time.

LANGUAGES & LITERATURES

All language students will use the Language Resource Center for additional study and practice.

To assure correct placement in language courses, all students with previous study are required to take a placement test. The tests for most languages are offered in the Language Resource Center (LRC) at select times during the year and on a drop-in basis during regular LRC hours.

†Students may meet the Diversity Requirement, Cross-Cultural Perspectives, by taking a 201 or higher-level course in a foreign language (not sign language) used to satisfy the entrance requirement, or completion through the first year of college level of a foreign language (not sign language) other than that used to satisfy the foreign language entrance requirement.

All 300- and 400-level literature courses meet the Core I Literature requirement.

The following courses are taught in English:

CHIN 271	Perspectives on Chinese Film C
LANG 271	Literature and Society in Modern Europe LT
SCAN 215	Introduction to Scandinavia LT

PHYSICAL EDUCATION

Four one-hour activity courses (100-259), including PHED 100, are required for graduation. Eight one-hour activity courses may be counted toward graduation. Activity courses cannot be repeated for credit. Students are encouraged to select a variety of activities at appropriate skill levels. All physical education activity courses are graded on the basis of "A," "Pass," or "Fail" and are taught on a co-educational basis. PHED 100 is required for graduation and is offered every semester. It should be taken during the first year, but may be taken during any semester.

EDUCATION

Prerequisites for entry into undergraduate program (includes all EDUC, EPSY, and SPED courses except EDUC 205 and SPED 195):

- PSYC 101, WRIT (ENGL) 101
- Passing score on Washington State Basic Skills Test
- Submission of Writing Sample
- Admission to School of Education by first Friday in March for Fall term or first Friday in October for Spring term.

Undergraduate and MA Cert courses are offered sequentially. Because assignments and instruction are integrated across courses, students must follow established course sequence. See School of Education advisors for copy of course sequence.

Students are required to devote 6-8 hours/week to field work in assigned schools prior to student teaching. Students seeking elementary K-8 certification should reserve 6-8 hours Monday, Wednesday, or Friday a.m. for work in schools. Students seeking secondary certification (4-12 in a content area) should reserve 6-8 hours per week for work in schools, preferably in the a.m.

Students seeking a Bachelor of Arts in Music Education take the following courses in the School of Education: EDUC 391, EPSY 361, and SPED 480
Students seeking a Bachelor of Arts in Physical Education take the following courses in the School of Education: EDUC 390, EDUC 392, and SPED 480
Students in these programs must establish a program of study with advisors in their respective departments.

Students must register for student teaching during the preceding semester. The state requirement for FBI and Washington State Patrol fingerprint clearance must be completed prior to student teaching.

Additional fees required include:

- Initial certification fee – $25.00
- Fingerprint fee – $59.00 – plus clearance fee (approximately $12.00)
- First Aid Training and care – $45.00

Students are to provide their own transportation between campus and assigned schools.

LANGUAGES & LITERATURES

All language students will use the Language Resource Center for additional study and practice.

To assure correct placement in language courses, all students with previous study are required to take a placement test. The tests for most languages are offered in the Language Resource Center (LRC) at select times during the year and on a drop-in basis during regular LRC hours.

†Students may meet the Diversity Requirement, Cross-Cultural Perspectives, by taking a 201 or higher-level course in a foreign language (not sign language) used to satisfy the entrance requirement, or completion through the first year of college level of a foreign language (not sign language) other than that used to satisfy the foreign language entrance requirement.

All 300- and 400-level literature courses meet the Core I Literature requirement.

The following courses are taught in English:

CHIN 190	First-Year Inquiry Seminar: Chinese Literature in Translation (371) C, F, LT
CLAS 231	Masterpieces of European Literature LT
CLAS 321	Greek Civilization
LANG 446	Theories of Language Acquisition

MATHEMATICS

To insure correct placement of students in beginning math courses, eligibility will be required for registration for MATH 105, 107, 111, 112, 123, 128, 140, and 151. Students may establish eligibility for registration for a course by earning a qualifying score through the math placement system. Students who have completed the prerequisite course at PLU with a grade of C or higher are eligible without taking the placement exam.

Students who have not taken the placement exam may obtain the exam at the Math Department Office in the Math Building, room 101. The exam is also available on-line at https://banweb.plu.edu/pap/hxskmplc_PmathIntro. The exam and accompanying questionnaire will take about 70 minutes. Allow one to two weeks for the results to be available. New students preferring to take the exam by mail should contact the Math Placement Director at the earliest opportunity at 253.535.8738.

If you have taken the exam and would like to view your placement results on-line, go to Banner Web at http://www.plu.edu/banner/. After logging in, select *Student Services and Financial Aid* from the menu, then *Student Records*, and finally, *View Math Placement Results*. If you have questions about your placement, contact the Math Placement Director, 253.535.8738.

If a student is eligible for a particular math course (either by taking a prerequisite course at PLU or through the math placement system) but experiences difficulties registering for that course, contact the Math Placement Director, Dr. Celine Dorner, at 253.535.8738.

Students who have not taken the mathematics placement test or have not otherwise satisfied eligibility for a math course will not be able to register for any beginning math course.

MUSIC

Students currently registered for private lessons may register for continuing lessons via Banner Web at your regularly scheduled registration appointment time. First-time music students should contact the Music Office at 253.535.7602 for assistance.

Registration procedures: Go to the *Spring 2004 Music Student Reference* at http://www.plu.edu/banner/bansched.shtml. Determine which CRN(s) you need by verifying the course ID and title, the name of the instructor, and the number of credits for which you wish to take the class. Once the CRN(s) have been determined, follow the normal registration procedures detailed on page 15. Please be aware that you may need to change the credit hours at the time of registration as the system will default to the lowest possible number for that course. If you get an error message indicating "PREQ & TEST SCORE-ERROR" contact the Music office at 253.535.7602 for assistance. For HOLD errors please see page 14 for resolution information. PLEASE NOTE: You may not register for more than 17 credits via Banner Web. If you wish to exceed 17 credits, register for the first 17 credits via Banner Web and then go to the Student Services Center, in Hauge Administration 102, for assistance with the additional course(s).

Private lessons require concert attendance in addition to individual instruction. See http://www.plu.edu/~music/announcements/ or contact the Music office for details.

Class Lessons:	1 credit hour:	Meet twice a week for 50 minutes each
Private Instruction:	1 credit hour:	Twelve 30-minute private lessons per term plus weekly performance seminars
	2 credit hours:	Twelve 60-minute private lessons per term plus weekly performance seminars
	3-4 credit hours:	Permission of Instructor is required: Twelve 60-minute private lessons per term, plus additional outside work and weekly performance seminars

NURSING

NURS 190 is open to non-majors. NURS 280, NURS 330 and NURS 365 are open to non-majors with departmental permission. Enrollment in all other nursing courses requires formal admission to the nursing major or minor.

NOTE: Registration for all courses must be done by web registration unless otherwise noted in this schedule. Clinical sections are subject to change after registration due to agency and/or school needs. If the section you want is full, waitlist for that section and then sign up for another section. If, for some reason, no section is available, do not worry. You will be placed in a clinical section by the course coordinator.

PHYSICAL EDUCATION

Four one-hour activity courses (100-259), including PHED 100, are required for graduation. Eight one-hour activity courses may be counted toward graduation. Activity courses cannot be repeated for credit. Students are encouraged to select a variety of activities at appropriate skill levels. All physical education activity courses are graded on the basis of "A," "Pass," or "Fail" and are taught on a co-educational basis. PHED 100 is required for graduation and is offered every semester. It should be taken during the first year, but may be taken during any semester.

WAITLIST FORM

Keep this half for reference

PLEASE READ THE PROCEDURE REGARDING WAITLISTING CLASSES.

1. You may waitlist only two courses per term. Be sure to fill out the Waitlist Form completely and return it to the Student Services Center or it will not be processed.
   - Waitlisting cannot be done via Banner web.
   - **Waitlisting does not guarantee that you will get into the course.** Please register for an alternative course.
   - If the course you are waitlisting has an associated lab, please include that lab section on the Waitlist Form. Associated lab sections do not count as your second waitlisted course.
2. The Registrar's Office will move students into open spaces from the waitlists until one week before the start of the term. Call 253.535.7113 or e-mail registrar@plu.edu if you have questions or concerns about your waitlist transactions.
   - If you are moved from the waitlist into a course, you will be notified by PLU e-mail. You may check your new schedule on Banner web. If you don't have a PLU e-mail address you will be notified by letter and a copy of your new schedule will be included.
   - Your campus or local address will be used through the last day of classes for the current term. Your permanent or 'Address Between Terms' will be used after the last day of classes for the current term.
   - Moving you off the waitlist and into a course may be complicated because of conflicts with another course, or the waitlisted course may put you over maximum hours for the term. Indicate on the form what class should be dropped if such complications occur.
   - You will not be registered for courses for which you lack the prerequisite or required concurrent registration.
3. After the Registrar's Office has stopped moving students off the waitlists, it is your responsibility to attend the first day of the waitlisted course to insure the instructor knows you want to be enrolled in the course.
4. You must obtain the instructor's signature on an Add/Drop Form and return it to the Student Services Center for processing. This is necessary only after the Registrar's Office has stopped moving students into courses (one week before the start of the term). The Add/Drop Form must be completely filled out or it will not be processed.
   - **Faculty reserve the right to deny admission after the first week when initial sessions are irreplaceable.**

ADDRESS CONFIRMATION FORM

The Address Confirmation Form is required for all PLU students. It is the student's responsibility to make any necessary updates regarding the permanent, billing, mailing (local), and parent addresses including telephone numbers. If mail becomes undeliverable, an Address Hold will be placed on the student account. Refer to the Undergraduate and Graduate Catalog regarding holds. Return this form to the Student Services Center, Hauge Building, Rm. 102. See the Student Life Office for a non-disclosure of information form if needed.

If you are an **INTERNATIONAL STUDENT**, **Federal Law requires** you to have current addresses and telephone numbers. Your foreign address must be in the Permanent Address Box and you must have a current local address in the Mailing Address. The Mailing Address cannot be a PO Box.

PLU STUDENT CONDUCT INFORMATION

When accepted for membership in the PLU community, each student assumes the responsibilities and rights emerging from the university's goals and objectives. These include, but are not limited to, its dedication to exploring human knowledge and culture while promoting the intellectual, physical, social, and spiritual development of students, and nurturing each student's preparation for responsible participation, not only on the campus but also in local, state, regional, national, and international settings.

The university adopts only such policies, rules and regulations that seem necessary for the welfare of the educational community. Regulations include those items that fall within policies set by the Board of Regents and the university administration, along with local, state, and federal laws. Each student associated with PLU is expected to be familiar with and to follow all policies, rules and regulations promulgated by the university. Failure to abide by the policies, rules, and regulations may result in disciplinary action(s) outlined in The Student Conduct System. The university policies/student code of conduct and conduct system procedures can be read in full at www.plu.edu/print/handbook/policy.html.

The following policies and procedures apply to all students at Pacific Lutheran University. Other rules and regulations developed by the university to maintain a safe and orderly environment may be found in the *University Catalog, Living on Campus brochure, Housing and Meal Plan Contracts, Vehicle Parking Regulations Guide,* and the *PLU Housing Guide.* These publications may be obtained from the Residential Life Office, LuteCard and Information Center, Campus Safety and Information and the Student Services Center.

- Late afternoon and evening classes should hold final examinations at the regularly scheduled meeting times during exam week.
- Instructors for classes which meet on Wednesday-only, Thursday-only, or Friday-only during the semester will need to contact the Scheduling Coordinator, at classes@plu.edu to arrange for a classroom during final exam week as Monday-only or Tuesday-only classes are normally assigned to the regular classroom. Saturday-only classes normally schedule final exams on the Saturday prior to finals week.
- Students in one-semester-hour courses may be evaluated prior to the final exam week.
- Final exams are scheduled using the beginning time of the class.
- Friday of final exam week is available for make-up examinations, for follow-up to examinations already given, or for student conferences.

FINAL GRADES

Submission

Final grades for each course are due no later than noon on the fifth business day following the end of the term. See the J-Term and Spring calendars on page 4 for the specific date for each term.

How to Access Final Grades

Grades may be viewed on Banner Web as soon after the term as the grades are posted. Go to PLU's home page at www.plu.edu, select *Online Services*, click on *Banner Web* and *Login. Select Student Services and Financial Aid*. Under *Student Services and Financial Aid*, select *Student Records*, and *Final Grades*. You will be asked to submit the term. **Note:** The term will not appear as an option until at least one grade has been posted for that term. Please see the Student Services Center information on page 9 or 84 for information on how to obtain a hard-copy official or unofficial transcript.

IMPORTANT NOTICES

- **J-Term Reserved Seating:** University practice is to reserve spaces in 100- and 200-level J-Term courses for first-year students, who are required to enroll in J-Term in their first year of study as a part of the First-Year Experience.
- **Add/Drop Deadlines:** Please reference page 4 for deadlines and calendar information for J-Term and Spring 2004.
- **Banner Web Registration Instructions:** For instructions on how to register via Banner Web, please reference pages 14 and 15.

BANNER WEB: A GREAT RESOURCE

- **You and your advisor can now go on-line to check your progress toward your major, minor, concentration, and GUR completion!**
  Undergraduates who entered PLU beginning in fall of 2000 and who have no transfer credits can use Banner Web to check their progress toward completing their PLU degrees.

  1. Log in to Banner Web using your ID and PIN.
  2. Select *Student Services and Financial Aid*.
  3. Select *Student Records*.
  4. Select *Degree Evaluation*, then *Submit Term*.
  5. Select *View Previous Evaluations* (at the bottom of the screen).
  6. Select the program you wish to view (the higher number is the most recent).
  7. *View General Requirements* should already be selected, then click on *Select Desired View*.

- **Get up-to-the-minute information about every class! Search for open, closed, and waitlisted classes!**
  All this information (and more) is available on the **Banner Interactive Schedule** and does not require Banner Web login to view. Select *Online Services* from the PLU homepage. In the featured links, select *Banner Interactive Schedule*. You can also get to this link by selecting *Banner Web*, *Class Schedule* (located directly below the login link), and *Banner Interactive Schedule*.

  Your search criteria can be as expansive or as limited as you desire. Search by term, class status, subject, attribute, day, and time. Select multiple subjects or statuses by using the mouse in conjunction with the Ctrl or Shift key.

- **View your registration time and check on any holds that could prevent you from registering!**
  Log in to Banner Web using your ID and PIN. Select *Student Services and Financial Aid*. Select *Registration*. Select *Check your Registration Status*.

- **Waitlisting**
  As user friendly as Banner Web has become, waitlisting still must be done by the friendly staff in the Student Services Center, Hauge Administration 102. Please see page 14 for more information on waitlisting.
