

HIGH SCHOOL QUINT DEFEATED BY GLADIATORS

P. L. C. Victorious in Interesting Game with Kapowsin High School; Score: 30-16

The P. L. C. basket shooters turned in their second victory of the season by defeating Kapowsin High 30-16 in the Parkland gymnasium on December 20th.

Both teams played a good brand of ball and the Gladiators could not gain a safe margin until the last period. The score at the half was 12-11 in favor of Kapowsin but the victors were leading by four points at the end of the third period. In the last quarter the locals began shooting and gained a substantial lead and had the High School boys off their feet.

The rangy Whippets worked well in the first half and kept the ball on the offense but they slumped in the third quarter while the Gladiators became stronger as the game advanced. Attempts at long shots by Kapowsin weakened the clever five man defense which had been a worry to the P. L. C. boys in the early part of the game.

Close checking was necessary for the Whippets were lanky and played the ball over the heads of the local boys. Fowler and Ted Felt always took the ball from the back board on missed shots, however, and did close guarding around the basket.

Capt. Rudy Sanderson played his first game this season and won high honors in shooting. He made some neat shots and his teamwork with Felt and Carlson kept the Kapowsin guards busy.

The lineup:

P. L. C.—30	Kapowsin—16
R. Sanderson (10) F	(4) Command
I. Felt (10) F	(4) Crosetto
Carlson (9) G	Chase
B. Fowler G	Woodring
T. Felt G	(8) E. Command

PLAY GIVEN BY DRAMATIC CLUB MEMBERS JAN. 7

Station Y. Y. Y., a novel one-act play by Booth Tarkington, was given by members of the Dramatic Club on Sat. evening, January 7, in the College gymnasium.

The cast was as follows: Mrs. Winstead—Glady Jorkenson Herbert—Gerhard Soll Anita—Dorothy Zimmerman Caroline—Victoria Rasmussen Anne—Anna Thompson Mr. Winstead—Svend Omdal Roger—Warren Bowman The Chauffeur—Elmer Hauke

The play was peppy and filled to the brim with subtle comedy that was well portrayed by all of a well-picked cast. Gerhard Soll as "kid brother" and Victoria Rasmussen as a younger sister carried on a typical brother and sister quarrel that kept the audience smiling if not laughing all the while. The little conspiracy of Roger and the "kid brother," to provide the radio program for the evening, opened the way for the budding romance of Roger and Anita, his long-sought consent to allow Herbert to attend a boys' camp for the summer.

"MAST" OFFICE IS PAPERED DURING VACATION DAYS

"Wonder of wonders! The Mooring Mast office has been refinished!" Glad shouts of delight echoed and resounded in the ears of the students as they returned from the Christmas holidays. To say that the members of the staff certainly appreciated the improvement would be putting it mild. Here's how:

The Editor (sly of thing that he has got together with the Junior (Mr. Hinderlie) and the team started to spread propaganda among the "higher ups." Evidently they succeeded in getting the consent of the powers that be and selah! It is half done! Then remained the perplexing question of picking out a wallpaper that would appear business-like—that is, if wallpaper does look business-like. At this stage, frequent quarrels ensued (according to reports) in which "passing the buck" became a science.

One of the conspirators "pulled a fast one" when he played sick. Mr. Stueh is well now. Mr. Hinderlie was too busy. The Editor was unanimously elected to buy the paper. Hinderlie suggested passing the buck numbers of the Mooring Mast on the wall for a little local color but he was promptly and severely squelched.

In due time, everything was finished and the Janitor and the editor went down and drank coffee and told the engineer (Olson) what wonderful paper-hangers they were. After everything (we refer to furniture) was in its regular places once again, the oil' office looked like it MIGHT be worthy of the product produced within its protecting walls. We invite your inspection.

Faculty Honors Reverend Ordal

Dinner Party Given at Home of Prof. and Mrs. Ph. E. Hauge; Clock Presented

Rev. and Mrs. Ordal were entertained on Monday evening, by a farewell dinner given by the Pacific Lutheran College faculty at the home of Prof. and Mrs. Ph. E. Hauge.

As a token of the faculty's appreciation the honor guests were presented with a mantel clock. Janet Hauge entered carrying the clock which Prof. Xavier presented. A short response was given by both Rev. and Mrs. Ordal. Games and contests for which prizes were offered, filled the evening. Mrs. Johnson and Prof. Xavier won the first prizes while Mrs. Larson and Mrs. Anderson contented themselves with the consolation prizes.

Those present besides the faculty were: Dr. and Mrs. Johnson, Mr. and Mrs. Anderson, Mr. and Mrs. L. Larson, Rev. and Mrs. Svare and Miss Mues

STUDENT COUNCIL MEMBERS ELECTED

At a meeting of the Men's Dormitory Union last Monday evening, a new Student Council was elected to serve next semester. Arling Sannerud was reelected president; Ed Iverson was chosen vice president; Chris Nelson, secretary; Peter Flett, treasurer; Walter Christen as a sergeant-at-arms.

PRESIDENT O. J. ORDAL

GRIDIRON HEROES RECEIVE AWARDS; COACH HONORED

"Hall Varsity" The champion college football conference was presented letters by Coach Ramstad on behalf of the school. Sixteen men earned the coveted "P" and had the distinction of playing on the first championship football team representing Pacific Lutheran College. All these men played at least five halves, for Pacific and most of them went through a heavy season to win their letters.

This is the second letter won by Captain A. Sannerud, Omdal, Kresidler, I. Felt and Weise. As football has been organized at this school only two years these boys have the honor of representing the school in football the first year and the first championship team.

Other men who won letters were: C. Adgeyson, Thompson—Halves; Carlgren and Fowler, Quarterbacks; Hoban, Fullback; Christensen, end; H. Sannerud, Scheels and T. Felt, guards; Knutser and Jacobsen, centers; and Weise, tackle. Mr. Ramstad was presented a coaches traveling bag by Captain Sannerud on behalf of the boys of the dormitory and the football team.

Mr. Ramstad has made arrangements to have individual pictures taken of the players on the first championship team.

REV. ORDAL TO LEAVE; RECORD IS EXCELLENT

Resigns Presidency To Accept Call to Bellingham; Will Leave Feb. 1st.

After six and one half years of faithful service as president of Pacific Lutheran College, Rev. O. J. Ordal has resigned from his position at the college in order to accept the pastorate of Our Saviour's Lutheran Church in Bellingham. He leaves Parkland the first of February to take over his new charge.

Rev. Ordal accepted the presidency in 1922 with the understanding that he should be free to do the field work for the school which he considered the most needed of all, during this time. It was at this time that the financial condition of the school was at its lowest. There were no funds except five hundred dollars a year for current expenses received from the General Church Body, and at the end of the school year there was a deficit of nearly six thousand dollars.

One of the most important tasks in President Ordal's administration was undertaken by him as soon as he was installed as president. The Tacoma Chamber of Commerce had promised the college twenty-five thousand dollars and a great share of this amount had been pledged when the Scandinavian American Bank of Tacoma failed. On account of this, many pledges were cancelled and others were forgotten. A second tragedy, the Japanese earthquake occurred which prevented the campaign which was being started from materializing. Rev. Ordal succeeded in raising enough money to pay the total debt which amounted to over thirty thousand dollars. This he did quietly soliciting the amount.

A Junior College was started when President Ordal took office. The high school department was accredited by the state during his administration. During Rev. Ordal's administration many improvements have been made on the campus, including such things as the installation of a chemistry laboratory, beautifying and grading of the campus, etc. in 1925. FORMER TEACHER NOW IN ALASKA

It has been reported that one of the alumni has received word from Miss Parr, a former teacher at Pacific Lutheran, who is now teaching at Dillingham, Alaska, in a native school. The letter was dated Nov. 23rd but did not reach its destination until the latter part of December as it had to travel for two weeks by dog team and two weeks by boat before arriving in Seattle.

According to the letter Miss Parr seems to like her new environment, especially so when news from other parts of the world may be heard over the radio. One evening she listened to a lecture given in Wellington, New Zealand. The peculiar part was the fact that it was Monday evening in Alaska and Tuesday evening in New Zealand. Miss Parr sends greetings to the students.

Quartet Sings During Vacation

Members Sing at Program in Various Lutheran Churches During Visit

Pacific Lutheran College has again been well represented in song, this time by the second Male Quartet, in the churches of Silverton, Oregon.

The quartet consisted of Harry Sannerud, Milton Grambo, Peter Grambo, and Arling Sannerud. The first day of Christmas vacation found this merry four speeding on their way to Silverton, where they were scheduled to sing at the different Lutheran Churches during the Christmas holidays.

Sunday evening of Christmas Day, a Pacific Lutheran College program was given at the Lutheran Free Church of which Rev. Grambo, father of Milton and Peter Grambo is pastor. Selections by the quartet, vocal solos by Harry Sannerud, a reading by Milton Grambo, and talks by Arling Sannerud, Peter Grambo, and Rev. Grambo made up the program.

On Monday evening the quartet sang at the Christmas Festival at Trinity Lutheran of Silverton, of which Rev. H. L. Foss is pastor.

Then again on Wednesday the quartet with other Pacific students gave an impromptu program at a Christmas party at Immanuel Lutheran Church. At other times during the holidays the boys made informal appearances at special Christmas occasions.

On Monday after the holidays the quartet returned to Pacific to "rest up after vacation."

FACULTY ATTENDS FAREWELL PARTY

Rev. and Mrs. Ordal entertained the faculty of Pacific Lutheran College and others connected with the conducting of the school with a farewell dinner on Friday evening, Jan. 6th. Pres. Ordal is severing his connections with P. L. C. to accept a call to Our Saviour's Lutheran Church at Bellingham.

LIBRARY PRESERVATION

If forest preservation is an important national policy, then why isn't library preservation an equally important policy at Pacific? Some students can't realize that the library is their best friend. They "bite the hand that feeds them knowledge." That's appreciation. That's gratitude. Now, you students do not wilfully misuse the library—you do it in an unconscious way. You don't mean to jump up and down on a table to see if it will break.

Prof. Xavier has done and is doing all in his power to make you students "library conscious" but his utmost efforts have been met with a staunch indifference. What is the result? Books are strewn helter-skelter, furniture is damaged, and it is generally admitted that few who use the library as a study hall are able to do any actual school work there. Let's become "library-conscious"—and do it sp' dily!

PLEASE PASS SOME COURTESY

The students in the dormitories certainly have reason to be proud of their conduct in the dining rooms last Monday evening at dinner. It so happened that the deans were attending an entertainment and could not be present at that time. But they, it was not necessary that they be present because all of the dorm students were very orderly and conducted themselves as befits perfect gentlemen.

College lads should be able to be courteous even though there are no teachers present. I say they should be able to. Remember this and the next time you have an impulse to throw food-stuffs around, let us know and we'll notify some slap-stick comedy director of your talent.

CHAIRS FOR THE GYMNASIUM OR NOT?

There's a suggestion we would like to make concerning the purchase of a number of folding chairs to be used for the various plays and entertainments that are held in the gymnasium from time to time. All of you realize that a great deal of time and energy is wasted in carrying back and forth, to and fro, the large number of seats necessary to accommodate the crowds.

There is no doubt but what the chairs are necessary. If the school cannot see its way clear to provide for these chairs either some service clubs of the school or the student body should do so.

Chapel Talks

By Rev. Ordal

Now that we are beginning a new year we should begin it in the name of Jesus and in faith in Him. We should come to Jesus and repent for he gives power for a new life. People often laugh at new year resolutions and say that there is no use making them when they are broken so soon. This is, however, not the right attitude to take toward it. We should make our new resolutions in faith in Christ and they will be a blessing to us. In this New Year we should pledge our lives, deeds and actions to Jesus Christ and the year will be a blessed one.

the total of two hundred and ninety of their untiring and patient efforts thousand dollars was reached, which was above the goal of two hundred thousand dollars.

Rev. Ordal began his service in the ministry at Our Saviour's Lutheran Church in Bellingham. He remained in Bellingham for eight years and during his stay there the church grew rapidly.

In 1909 he was called to Red Wing, Minnesota, to take over the pastorate there, at which place he remained for four years. During his pastorate at Red Wing, he was instrumental in getting the debt of \$12,000 of the congregation paid off. Rev. Ordal was president of the National Luther League, for three years and he was also elected a member of the Board of Church Extension and the Board of the Theological Seminary at St. Paul, Minnesota.

He accepted a call as pastor of Our Saviour's Lutheran Church in Tacoma in 1913. As pastor of this church for eight years he paid off its debts amounting to nine thousand dollars and saved fifteen hundred dollars for the purchase of a new pipe organ.

Rev. Ordal has been a member of the Tacoma Chamber of Commerce and the Kiwanis Club for several years. He is also a member of the national society for the Advancement of Scandinavian Study. His name is included among those in "Who's Who" and he is a member of the national science honor society of Pi Gamma Mu.

Pacific Lutheran College has much to be thankful for, found in President Ordal the college has found an efficient, capable and untiring worker for the college. Pacific Lutheran College is greatly indebted in many ways to President Ordal, whose years of faithful and continual service have wrought many benefits for the college.

PARKLAND ALL STARS SUFFER DEFEAT 32-21

Both Teams Show Poor Team Work and Lack of Practice Although Game Is Fast

Pacific continued its non-defeat record for the season by downing the Parkland All Stars in the college gym by a score of 32-21, January 7.

The game was featured by poor team work. The All Stars were handicapped by little training and no team work, the players depending on individual ability to win the game. The team composed mostly of former students, played a good game considering the time spent in practicing and gave the students a good run for the shakies. The Gladiators, although they outplayed their opponents, did not play their usual snappy game, perhaps because of the lay-off during vacation. Their team work was very poor and many times they lost the ball because of poor passing. Even the close checking of the All Stars did not hinder them but they could not keep the ball in their possession as they went down the floor. The Gladiators can play a far better game than they did.

Both teams began by setting a very fast pace, but the All Stars were not in training and the P. L. C. boys forged ahead in the early part of the second quarter and maintained their lead throughout the game. "Tink" Fedt was high-point man scoring 12 markers for the winners; Samuelson was the high-point man for the All Stars and scored nine points.

Both teams desire a return game and a good tussle will be on tap when they meet again.

Lineups:

MIDGETS DEFEAT AMERICAN LAKE IN CLOSE GAME

Having played the Varsity Team and beaten them once or twice the Midgets sought harder games; they traveled over and won a game from American Lake, a score of 31-17 being the final result, last Friday.

The Midgets were handicapped by the low ceiling in the gym and could not forge ahead till the last few minutes of play. The score was 17 to 18 in favor of the lake boys when a dispute started by the coach halted the game. After much arguing in all directions, P. L. C. was allowed a free throw and Johnny Gardlin converted the score to a tie. This tie remained till the Midgets threw two baskets in rapid succession making the points necessary to win the game.

The practice against the first team showed up in the playing of the little Gladiators. They played like veterans after they had once started. At first nearly every shot was stopped by the ceiling or rolled in, then out of the basket. The visitors kept at it however, and finally gained enough points to win the game.

All the players did well and their team-work was good.

The lineup:
Midgets—21 American Lake—17
Dahl (6) F (4) Nersey
L. Sanderson (6) F (4) Shufkie
Thostensen (6) C (5) Furus
Gardlin (6) C (5) Mias
E. Kautzen G R. Roth
Substitutions: P. L. C.—Hoff for Knutzen, American Lake—J. Hufkie for R. Roth.

Quintette Quips

Well folks, if Rudy Sanderson has his way, all remaining games will be played near Silverton. We're not telling why!

The team will take a trip to Spokane. That's settled, and nothing can keep the boys from seeing that large metropolis.

The U. of W. Freshmen are going to play here February 11th. Boys, get the basketball out. You have a game ahead.

There will be a game in the gym next Saturday night. Everybody be here for another good game.

Sandy Clause didn't bring any new basketball suits either. Some of the boys say he took one or two just to get even with us. It's peculiar how everything is lost just before a game. Basketball suits do have a way of hiding just before a game, anyway.

"Red" ought to be able to play better basketball now since—

Just wait till the Midgets play the first team. Then we'll see a real game. The Midgets have a good team and are looking for stiffer competition.

These "loving" Fedt brothers, they surely can play basketball, though.

—The Basketeer.

Talk about pep—these P. L. C. youngsters surely have it. Even at the class basket ball games, plenty of support was given to the players. If the school spirit prevails throughout the season the team should not complain of the support.

GIRLS DEFEAT KAPOWSIN TEAM BY LONG COUNT

The P. L. C. girls won the second game of the season on Dec. 30th when they defeated the Kapowsin "Whippets" in the P. L. C. gymnasium with a score of 35-12.

The peppy team work and clever passing of the P. L. C. guards and centers kept the ball in P. L. C.'s possession, making it possible for the forwards, who had little trouble in breaking thru the Whippet defense, to score. Both teams showed pep throughout the whole game, and had fighting spirit. Substitutions were made on both sides in practically every section. This game again made more pronounced the beginning of a successful season for the P. L. C. lassies.

Lineup:
P. L. C.—35 Kapowsin—12
Langlow (14) F (10) Wise

Facility Team Is Challenged By School Squads
Before Christmas Vacation the Faculty was advised to go easy on the turkey for a teachers' basket ball team was to be organized when school started again. The Short Course students did not forget this and are anxious to get even with the teachers. They feel that in a basketball game they have better chances of revenge than at any other time.

The Midgets, too, feel that they are entitled to a work out against the master-minds and are ready to meet their bigger rivals at any hour. Then, of course, at the third bridge we have the high and mighty varsity. After these teams have been overcome the Faculty can challenge anyone.

From the talk of the times the Faculty has good basketball material and could give any team here a good game. They played together two years ago and showed ability. All of last year's team are back and—if they ever start playing nothing can stop them.

"Mr. Old Age" is still a long way off, so come on Faculty and show the boys how to play.—Sports Editor.

Briggs: "Yes, he sprained his ukulele finger."

ROTTENGRAVURE REVUE

∴ An All-Comedy Special For Your Entertainment ∴

FRIENDS:

It is with the greatest of pleasure that we hereby announce and picture to you all our annual ROTTENGRAVURE REVUE. It is seldom that such a conservative paper is able to give to its readers so complete and devastating a revue. It has taken years of patient effort and sacrifice to collect these highly prized photos. If any complaints are in order, please direct them at "The Migger in the Coal Bin." We thank you.

OUR IDEA OF HUMOR:

John Wise taking his early morning cold water constitutional. Heh, heh, guess that'll hold him!

Lots of the boys around here are all wet. I know, because all the other boys told me so. They tho't they were so clever—the cute little tricks they've been pulling off lately. No, we can't tell you about it, we might make a mistake in the details, and anyway—well, as Merry sez, "you know." But then, boys will be boys until they're seventeen,—and then, they want to be shiks.

AT THE BEACH

Twelve rusty nails to the first one of our readers who can accurately guess the name of the individual here pictured. We'll help you out: Her middle name Asthma.

It would have served him right if he'd gotten "Fun In," said Verle. "Nowadays most boys seem to think every street is Park Avenue."

REAL ROTTENGRAVURE:

A home portrait of Cleopatra. Why ask me another?

Mike (in bed, to alarm clock as it goes off): "I fooled ye that time. I wasn't asleep at all."

John F.: "I'd make a pretty good typewriter, wouldn't I?"
Franklin L.: "I don't know, I've never tried you."

SCANDAL! SCANDAL!

A double zero to the lad or lassie who can tell us who these copy people may be.
Graduates of the Class of '94.

Disgusted lady—"Did your mother know that you were smoking?"

Small boy—"Does your husband know that you speak to strange men on the street?"

A Girls' Essay on Boys
Boys are men that have not grown as big as their papas and girls are women that will be young ladies by and by. Man was made before woman. When God made Adam, he looked at Adam and said to himself, "Well, I think I can do better if I try," and then he made Eve. God liked Eve so much better that there have been more women than men. Boys are a trouble. They wear out everything but soap. If I had my way all the boys in the world would be girls and the rest would be dolls. My papa is so nice that I think he must have been a little girl when he was a little boy.

Opportunity Comes But Once!

Can you write ? ? ?

Boys and Girls! Men and Women! You cannot afford to disregard this wonderful opportunity for personal advancement! Every picture tells a story! Wonderful fields of endeavor will instantly open onto you—your fame and fortune are secure if you will but clip the coupon (if any) and send for our free (Just pay the postman \$3.39) pamphlet on the science of pen slinging!

"This is my car and what I say about it goes."

"Well, then say engine, I've got to get home sometime tonight."

"In that dress Jean looks like a beautiful flower."

"Yeah, like a century plant."

SCOOP! SCOOP!

Absolutely the first picture available of Bill Fowler's car. They were telephoned from South Tacoma to Sunshine station and a Pony Express rider brought them on horseback to the school. Power, speed, durability and beauty of line together with plain, ordinary license plates are the main features of this car. Wait until Bill starts scooting it around!

A LASS!

So it has come to this! One of the girls. Just one of the girls. But to think! She is doing her exercises in a rather lackadaisical manner, we fear. Alas! What is this world coming to?

AIN'T IT TERRIBLE?

What one doesn't see when one hasn't a gun! Here is Harry, poor fellow, doing his very best to absorb some geometry and it is beyond his compensation. They say his grammar is bad too.

MORE SCANDAL!

None of you were there but really, doncherknow, a couple of the fellas had it out the other night down by the kicking post. It was a shameful encounter, of course, for Arling is so much larger than poor little David but they would have it out and say,—well..... There were no well—find out for yourself.
