

## Gladiators Play Ellensburg Next In Crucial Game

Lutherans Journey to Yakima For Game Sponsored By American Legion

The Pacific Lutheran College football team will leave Monday morning for Yakima where they will play the strong Ellensburg Normal team. The game which will be played on Tuesday afternoon, November 11, will be the first time that the two schools have met. A large crowd is expected to witness the game, since the American Legion is holding a convention in Yakima and will be on hand to see the game. In all probability, this game will be the hardest on the schedule of the Lutherans. Incidentally, they have been playing to this encounter, and will be primed to give the Normal School a great battle. Although both Pacific Lutheran and Ellensburg have won from Centralia Junior College, not much is known of the power of the Normal School.

Ellensburg boasts a team that is the best in the history of the school. Not only has it gone through its schedule so far without defeat, but has battled to a scoreless tie with the powerful Gonzaga team.

Losing to the under-rated Aberdeen Junior College last week marred the otherwise clean slate of the Lutherans. In that game they lacked one of the main essentials of a good football team, and that is fight. But what was our loss was also our gain, in that the team's spirit will be greatly augmented against Ellensburg.

A few of the regulars are on the injured list, but will be sufficiently recovered to start the game. They are Lisherness, Schiermann, and Thonson. Nevertheless, Coach Olson is well fortified with reserve material since he has more capable reserves on hand than has been the case in former years. Included in the list of reserves are: Scott, Carter, Campbell and Dammle, guards; Tietjen and Knappund, tackles; Hageness and Southworth, ends; and Palo, Sanderson, Quale, Vernon and Hauke, backfield.

Most of the remaining time of practice will be spent on performance plays and strengthening the offense and defense which will be used against Ellensburg. Many of the rough spots that showed up in the Aberdeen game will also be polished up. Since the Gladiators will rely mostly on speed and deception to overcome the Teachers, much time will undoubtedly be spent in practicing that phase of the game.

The squad representing Pacific Lutheran College in the struggle that has been developed in the history of the school. Of the eleven regulars, ten are lettermen from last year's squad, and it is around this nucleus that Coach Olson has developed such a powerful team.

## Football Fans Have Enjoyable Trip to Aberdeen With Team

Fog and blizzards provided thrills for the players and rooters who went to Aberdeen to attend the game last Friday night. A specially chartered bus was filled to capacity and many students were left behind because room was lacking. After the game, the bus raced through thick fog at high speed, missing several objects by a very narrow margin. Just beyond Olympia a tire blew up with a loud bang. After that there wasn't any sleep for the tired students, for the trip was two-thirds before the bus reached Parkland, and it is a remarkable fact that only a few got up for breakfast the next morning.

## SHORT COURSE MEN BEGIN YEARS WORK

Ten students, all men, have registered in the short course, which started on Monday, October 20. Most of the men have come from Alaska. The purpose of this eighteen weeks course is to help those students who, from want of opportunity, or from other causes, have not been able to get an education and by reason of this have been handicapped in their work. Students are still registering for this course.

## President's Trip Results in Many Important Acts

President Tingelstad Effects Important Business During His Recent Excursion To The Middle West

Although President O. A. Tingelstad's recent trip to the Middle-West may have had its interesting phases there was enough business connected with the journey to make it far more than a mere pleasure jaunt. When all the important transactions for which the trip was made had been taken care of, there was very little time left for other engagements.

The work started when President Tingelstad met in conference with Paul A. Preus at Minneapolis on October 5, for the purpose of obtaining that person's services as endowment field man. On the very next day, Mr. Tingelstad attended and took part in the Spiritual-Life Conference at Albert Lea, Minnesota, which lasted till October 10. Six days later he attended the installation of Dr. T. F. Gullixson as president of the Lutheran Theological Seminary. On October 18, just two days later, he delivered the Foundation Day Address at Luther College, Decorah, Iowa.

It would naturally be expected that after this strenuous two weeks, a rest would be forthcoming, but this did not prove to be the case. He spoke at Spring Grove, Minnesota, on October 25, and on the next day preached at Calcedonia and Wilmington in the same state. On the 29, 30 and 31 he attended the organization meeting of the American Lutheran Conference. He also appeared before the Board of Education of the Church on October 15.

President Tingelstad found the people in the Middle-West more fearful and discouraged as to the financial condition of the country than he thought necessary. He also declares that the weather was more erratic than was good for his health. On the first Saturday he spent in the Middle-West, he thermometer shot up to 86 degrees, one week later a cold wind sent it down below the freezing point.

In commenting on his trip President Tingelstad said, "There was one thing that struck me with particular force. I found that Pacific Lutheran College had many friends in the East, which pleased me mightily."

## Pep Club Initiates New Dormitory Girls

The last pep club meeting proved to be very peppy, as the sophomores initiated the new girls into the club. After a delicious lunch had been served, much amusement was created by extemporaneous speeches, songs, piano solos, and antics by various freshmen. One of the most interesting features of the initiation was the dancing of the "shoddy" by two of the prominent new girls. The next feature was the long and laborious climb of the humble, significant frosh up to the third floor, where they were greeted by down-bow the superior and mighty sophomores. After this the real initiation commenced.

## Dr. T. F. Gullixson

## Seminary Installs Gullixson As Head

Speaker at Lutheran Conference Last Year Given High Honors October 15

Dr. T. F. Gullixson was formally installed as professor of Practical Theology and president of Lutheran Theological Seminary on October 15. He will be remembered as a speaker at the Lutheran Students' convention here last year.

Many high church officials and representatives of other schools and colleges witnessed the ceremony. Our own president, Dr. Tingelstad, spoke at the banquet in the evening. Dr. J. A. Aasgaard, president of the Norwegian Lutheran Church of America, gave a brief address and then read the vows and pronounced the formal installation of the new president.

Dr. Gullixson gave his inaugural address and was bid welcome by the retiring president, Dr. M. O. Bockman, who wished him the best of success in his new position. In the afternoon representatives of various other colleges brought greetings, and in the evening a banquet honored the new president. Dr. Gullixson has been president of the Trinity Hospital Association, president of the Board of Foreign Missions, and vice president of the N. L. C. A.

## Groups Present Clever Stunts

Halloween Party Held Saturday Winds Up in Grand March Around Gym

Clever stunts amused the students who attended the annual Halloween party held Saturday, November 1, in the gymnasium. Original and effective ideas were presented by different groups.

The Delta Rho Gamma girls made fun of the different classes of people seen riding in a street car in an ingenious little farce. The campus Nix-wits, otherwise The Evjenth, Clarence Monson, and Bob Monson caused many laughs with their foolishness. The Dormitory girls had a mock wedding. In a representation of a faculty meeting, the faculty showed the students how they did not conduct their meetings in accordance with the best rulings of parliamentary law.

A tap dance by Frances Jane Lavin followed this. Ruth Howard accompanied her at the piano. The program closed with several selections by the Perival sisters, who played the piano, the violin, the saxophone, drums, and the xylophone.

After the program, the merry-makers looked up all corners and crevices for hidden pennies. The three who found the most received prizes. Some of the students did the Virginia Reel. Later a grand march headed by Miss Fowler and Al Beck wound its way over the floor and balcony, ending near the refreshments which went their way in due course.

## Alumni Choose First Officers

Irene Dahl Acts as Temporary President; Ida Hinderlie Vice-President

Irene Dahl was elected temporary president at the first meeting of the Parkland Alumni Association, held Friday, October 24. Other officers chosen were Ida Hinderlie, vice-president; Berdine Knutzen, secretary; and Stanley Dahl, treasurer. These officers will serve until the annual meeting of the Alumni Association.

L. Larson, Ruth Fadness, and Christine Knutzen were appointed as a committee to draw up a constitution.

At this meeting it was decided to invite the graduating classes of June 31 to join. There are no dues, and everyone eligible for membership is invited. Graduates from Pacific Lutheran Academy, Columbia Lutheran College, Spokane College, and Pacific Lutheran College are asked to join this organization.

The aim of the Association is to create an active interest in the Pacific Lutheran College among former students. The plan is to have a meeting each month. The next meeting will be a business and social gathering to be held Friday, November 21. Meetings will be in the Chapel basement.

The Parkland Alumni Association is one of many similar organizations that will be formed in the near future. The district organization of alumni was decided upon at the last Annual Alumni Association banquet, for it was felt that more effective work can be done when alumni are organized in local districts.

## "Saga" Committee To Report Soon

Many Problems To Be Solved Before Decision Can Be Made

The faculty "Saga" committee, consisting of Mr. Hauge, Mrs. Kreidler, Messrs. Olson, Larson, and Pflueger, has been making a thorough canvass of the possibility of publishing an annual this year and will be ready to report its findings to the Student Body on November 13.

There are three problems to be solved before a satisfactory decision can be reached in the publishing of the "Saga." The first is the question of whether or not the "Saga" should be published every year. The opinion at present seems to be to the effect that it is necessary to have a yearly publication in a school of this type. The financial depression has also been felt as a problem as there is a question whether the publishing of a "Saga" would interfere with the financial success of the "Moorings Mast."

The final question is that of finding the best method for choosing a staff. The method employed last year was not ideal, and the committee hopes that some plan may be worked out this year whereby the most efficient staff may be secured with a minimum amount of effort.

## FORMER STUDENTS EXTEND GREETINGS

Greetings from former Pacific Lutheran College students were extended by President Tingelstad on his return from the East.

Those who sent greetings were Alfred Anderson, Werner Quale, and Stanley Berntson, of St. Olaf College, and Gerhard Lane, Olaf Dahl, and Arthur Olson, of Luther College.

## Library Orders New Reference Volumes

With an order for \$700 worth of new books placed recently in the library of Pacific Lutheran College promises to become an even finer source of information than it has been in the past. The purchase of these volumes is a fine feature in the improvement program being carried out by our College library. During the past month 100 new books were placed on the library shelves. The following are noteworthy: Root's, "Poetry of Chaucer"; "The Chemistry of Today" by McPherson; and "Principles of Abnormal Psychology" by Conklin.

## Fellow Pastors Attend Funeral

Prominent Minister, Rev. Olaf Skattebol, Dies Quietly At His Home

Reverend Olaf Skattebol, 83, father-in-law of one of the Pacific Lutheran College faculty members, Professor J. U. Xavier, and former pastor and teacher in both Norway and the United States, died, as he had wished, to die a quiet death without pain or trouble, on Thursday, October 30.

At his funeral, held in the College Chapel Monday, November 3, there were nineteen of his fellow pastors present. The speakers were: The Reverends Sores, Naess, Edwards, Fox, Ove, and Tingelstad. Other friends among the pastors were the pall-bearers. Of his seven living children five were present. He had thirteen grand-children.

Reverend Skattebol was born at Aal, Hallingdal, Norway, in 1847. He attended Aas and Voss Latin school, and the Christiania University, and was also a minister while in Norway. He came to the United States in 1888, and preached near Briceley, Minnesota, in Lawrenceburg, Tennessee; Merrill, Wisconsin; Walcott, North Dakota; Thorsby, Alabama, and he taught in Columbia College at Everett, Washington. He wrote, "Aven Prests Erindringer" in 1897.

In 1916 he married Emma Josephine Heyerdahl, daughter of a minister. She died in 1915.

Since that time, Reverend Skattebol lived in Tacoma and Parkland until two years ago, at which time he went to live with his daughter, Mrs. John Tenwick in Aberdeen, Washington.

## DRAMATIC SOCIETY MEMBERS CHOSEN

Together with Mrs. Taylor who will act as club adviser and all-school coach, the faculty student organization committee, consisting of Mr. E. Hauge, Mrs. L. B. Kreidler, N. J. Hong, C. O. Olson, and A. J. Beck, has picked a group of students, after several tryouts had been held, to act as the nucleus of the dramatic-literary society. Others will have a chance to join later.

The object of this society is to put those experienced in dramatics in charge of the general society work with the help of Mrs. Taylor, adviser. During the year the society will sponsor one or two or three act play, several one-act plays, and probably other literary presentations.

Following is a list of those chosen: Evelyn Arneson, Frances Barr, Ruth Brown, Ted Evjenth, Ingrid Croitold, Ida Hageness, Ida Hinderlie, Dagny Hjermstad, Ruth Jacobson, John Johnson, Alice King, Edgar Larson, Pauline Larson, Frances Jane Lavin, Fred Lee, Eleanor Loftus, Clarence Monson, Evelyn Monson, Mildred Monson, Delmar Mortenson, Marie Omdal, Kathryn Patton, William Pflueger, Alveta Scholerman, Stella Sorboe, Marie Vandenburg, Solveig Waugen, Ruth Wernth, Esther Westby, Walter Wright, Walter Young.

## Pres. Tingelstad Secures Services Of New Field Man

College President's Trip to Middle West Marked by Direct Success; Choir May Go to Chicago

Several developments of moment to Pacific Lutheran College are a direct result of President O. A. Tingelstad's recent trip to the Middle West. The first accomplishment was the obtaining of Paul A. Preus, former treasurer of the United Federal Land Bank at St. Paul, Minnesota, and at present, organizer of the National Association of Outdoor Advertising Agencies, with headquarters at Cleveland, Ohio, as endowment field man for the College. He expects to begin his work on February 1, 1931.

Another matter of great interest to the College is the invitation that has been extended to the school a capella choir by the Young People's Luther League to sing at the International Convention to be held at Chicago next June. President Tingelstad states that there is gratifying interest shown in this proposition in many places in the Middle-West, and that V. E. Elvestrom, manager of the choir, will carefully investigate the possibility of accepting the invitation before he makes a final decision. He must decide by January 15.

The third matter of importance was the organization of the American Lutheran Conference, consisting of seven synods, on October 30. The following officers were elected: president, Dr. Otto Mees, who is also president of capital university, Columbus, Ohio; vice-president, Dr. T. F. Gullixson, newly installed president of the Lutheran Theological Seminary; secretary, Dr. P. O. Berzell, of Ottomwa, Iowa, who was one of the chautauque speakers on the College campus last summer.

The conference authorized the appointment of a commission on higher education, which will study educational problems from the standpoint of this larger group and will report at the next conference, which will be held in 1932.

In discussing this new organization Pres. Tingelstad said, "There is no doubt that an organization of this large group of a million and a half Lutherans lends great moral support to Pacific Lutheran College and greatly increases the responsibility and the opportunity for service on the part of our school."

## Mission Society Holds Good Meeting

A short informal talk on the horrors of heathenism given by Professor J. P. Pflueger was the most interesting feature of program of the Mission Society which met in the Recreation room at 7:30 o'clock Wednesday evening, October 29.

In his talk Reverend Pflueger told many interesting things about his work as a missionary in foreign fields, and particularly stressed the fact that there was yet a great deal of work to be done. He said that in many of the most remote places the Standard Oil Company had visited long before a missionary had.

Walter Young, president of the society, had charge of the meeting, which was opened with the singing of a hymn and Scripture reading, followed by an interesting program. Margaret Porath sang a solo and Grace Holte played the piano.

A short business meeting was held, and reports were made by various committees. Several changes were made in the personnel of these committees, and the meeting adjourned with the singing of the Doxology.

## LET'S WORK

Just before he left for the East, President Tingstedt warned the students and faculty of a depression in study which would come at the middle of October. His prediction seems to have been accurate, since the quality of work done by students during the past few weeks has not been quite up to the best standard. Some had not yet begun to work, while others had slackened their pace somewhat. Now is the logical time to begin to do some real, earnest studying. The depression period is over, and everyone should get down and dig. Remember, you are attending school for a definite purpose, and the study habits you form now will probably stay with you for the rest of the year.

Hallowe'en passed this year without many of the usual pranks. Even in Tacoma most youngsters contented themselves with soaping windows. Can it be that old customs are dying out—or are we becoming more civilized?

## DEBATE SOCIETY

As a result of the decision reached recently to organize a debating society, students who are interested in debating will be given the opportunity to gratify their wishes for more experience in public speaking. In the past, only those persons who were able to make the varsity squad have enjoyed the opportunity to receive any experience in debate. True, credit is given for a course in argumentation, but there is little room for actual debating here. Also, many of those who would have liked to do so did not find it convenient to sign up for this subject.

The proposed debating society will be open to all students, and will give its members practical training, for all in the organization will have the opportunity to participate in the debates to be staged by the society during the year. Besides debate, there will be work on original orations and declamation, both of which would be important and helpful to anyone interested in this field.

Examinations are here again and instructors are acquiring that "this hurts me more than it does you" air.

## TALENTED CHEMIST FINDS REFUGE IN PEACEFUL ARMS OF MORPHEUS

Despite his all-absorbing interest in chemistry, one of our talented scientists had great difficulty last week in holding his wavering attention on that pleasant subject. He used all his mighty will power attempting to concentrate on so trivial a subject as the atomic theory, but his mind refused to be tempted by such a meager bait. Profound and abstract theories claimed his attention for a while, until he had steeped himself in them to a great depth. So great was the fall into this depth, that he became unconscious and remained in that state for some time.

When their flippant conversation about atomic theory was at an end, the other members of this class went their way into other classes of like nature. Our scholar, however, was still so firmly clasped in the arms of Morpheus; that neither the noise of the departing class nor the call of duty disturbed him. Of what account is an English class in the face of an opportunity like this? His parting with Morpheus must have been touching, for it took him most of the next period, and by the time he had climbed out of the great depth, the period was over.

Pacific Lutheran College  
Free Scholarship for Qualified Freshmen  
Parkland, Washington

Dear Ma 'n Pa,  
This has been a very exciting week. There was a football game at Aberdeen Friday night and we had a Hallowe'en party at the school on Saturday night.

I didn't go to the Aberdeen game, because I didn't have enough money left from that 3 dollars you sent me. You see I had to buy some stockings, that was 69 cents, some shoe laces for 15 cents. I was in a hurry last Monday morning, and I broke my shoe string and by the time I had tied a knot that would hold I didn't have enough left to lace my shoe with. That's the reason why I had to buy them. And I had to get a pencil and things for school too. You see it is the little things that are so big when you have to buy them all at once.

Everybody had a very good time at the Hallowe'en party. During the program the teachers had a meeting right in front of us kids. Can you imagine! And we heard every word they said. Mrs. Kresler said that seats should be placed at the foot of the girls' dorm stairs. Mr. Ramstad got up and said that the light globes should also be unsecured. I guess they want to make it easier for John and Nedra, Viola and Carsten, and a few others. Maybe sometime Aloveshus will feel that way toward me.

The girls from the day room and the dorm each gave a skit. Curly Goplerud got married to Marie Omdal. I'll bet that Alvene wished that he was Marie. Ma, why is it that nobody will fall for me? I've heard people say that boys like dumb girls, and everybody here thinks I'm awful dumb, so why is it? There were some other real good acts too. The last act was Earl Percival's sisters. They're an orchestra. Everybody liked them.

After the program we had a peanut hunt, and after that we ate. Mr. Beck and Miss Fowler started to lead us to the table where the food was, but I guess they got mad at each other, because they separated and went where they felt like. I was in Mr. Beck's line, and he led us way up stairs away from the table, and I was very scared that I wouldn't get anything to eat, but I did. The girls are going for a walk now, so I will close for this time, and I hope to hear from you soon, because I need the money.

Your obedient daughter,  
Cheroba Tertia.

## 5 Years Ago

Five years ago the High School Division applied for membership in the National Forensic League, an honorary debate society for high schools. This year a chapter under the Phi Rho Pi is to be formed for the Junior College Department of the national organization.

The Federated Lutheran Brotherhood of Tacoma and Parkland held a banquet in the school dining-room. Covers were laid for 150 people.

All who attended the P. L. C. Hallowe'en party had a good time. Mr. Edwards took up his duties as director of the choir and orchestra.

## Chapel Talk

Honor thy father and mother; which is the first commandment with promise; that it may be well with thee, and thou mayest live long on the earth.—Eph. 6: 2, 3

This commandment seems more real to us than any other, because it touches us so closely.

As sons and daughters of homes, we have a responsibility. God says that we should honor our father and mother. By giving this commandment, God recognizes that the home is the foundation, institution of society.

No nation is stronger than the homelife of that nation. If a nation's homelife begins to deteriorate, we know that the days of that nation are numbered. The reason for deterioration in homes is that the children have ceased to honor their fathers and mothers. All of us can help build a strong nation by honoring our parents. Surely they are worthy of all the honor we can give them—and more!

By honoring our parents, we show obedience to God, and respect for His Word. These are two vital essentials in a Christian life.

I wonder how many of us have always shown an unselfish love for our parents. Many of us probably feel ashamed as we think of times when our advice or reasoning seemed better than Mother's or Father's. However, the majority still have a chance to obey and respect our parents' word.

This commandment was given with the promise, "That it may be well with thee, and thou mayest live long on the earth." There is more than one point to this promise than the immediate conception one has as he glances upon the words. This promise applies not only to individual but to nations.

There is perhaps no nation where children show such respect to their parents as among the Jews. At the present time there is not an ancient nation as prominent as the Jewish one. All the other Biblical nations have passed away.

When a wonderful nation, if every home had children who honored their parents.

# SOCIETY

Miss Ruth Fadness entertained a group of P. L. C. friends at her home in Parkland Saturday night, October 25.

Mrs. Anna Molnich, of Portland, was a visitor of her sister, Miss Alena Wagbo, Thursday evening, October 30.

The following girls spent the week-end at their respective homes: Marie Omdal and Stella Johnson in Edison, and Grace Holte in Fr.

Miss Ruth Brown spent the week-end, October 24-26, in Seattle, visiting friends.

Margaret Porath had as her guest over the week-end, October 24-26, her mother, Mrs. A. W. Porath of Portland.

Rev. and Mrs. Hjermstad visited their daughter, Dagny, Wednesday, October 29.

The Junior League of the Trinity Lutheran Church gave a Halloween party in the church basement, Thursday evening, October 30. Miss Irene Dahl was in charge of the party.

Thora Rasmussen and Hulda Sjunson spent the week-end, October 24-26, at their homes in Astoria, Oregon.

## Parkland News

Mr. Arntson, an old resident of Parkland, passed away at his home early last week. The funeral services were held Thursday afternoon, October 30, in the Trinity Church, with Rev. T. O. Svare officiating. Mr. and Mrs. Paul Holm-Jensen have been living with Mr. Arntson since school began.

The ladies of the Country Women's Club were entertained by their husbands at a phosty Halloween party held at the home of Mr. and Mrs. Spence, of Parkland, on Saturday evening, November 1. The rooms were beautifully decorated in autumn foliage and hallowe'en motifs. A very enjoyable program of spooky thrills and contests was followed by a delightful supper held on the glass enclosed porch of the Spence home. Thirty-four guests were present.

The Trinity Junior League held its regular business meeting on Sunday afternoon, November 2.

Miss Thelma Fenney entertained a group of friends at a Halloween party held Saturday evening, November 1, at her home in Parkland.

## Student Opinion

Does school life mean only books and studies, a serene and cloistered life? The answer to this question is flatly, no.

Activities are the foundation of a successful education. It is evident they deal with things we meet in a life time. Why not get used to them? Let's make a survey of our school activities. Only athletics and choir. Where is our debating society and literary society?

Are we going to take a back seat for other schools merely because we have not tried to develop an interest in this activity?

This is absurd. We have plenty of ability, we also are lucky enough to have an experienced and competent coach, and I trust the student body has the right attitude towards debating; but permit me to state that we, like many others, want the other fellow to do it.

—Clarence Monson

How about it, students? What do you think of having a pepband? We have missed one so far this fall, but the football season is not over yet.

# News-ing Around

Dr. S. C. Ylvisaker is New President Luther League Meets at Postland

On October 15 at the recent convention at Bethany Lutheran College, the Norwegian Synod elected Dr. Sigurd C. Ylvisaker, president. Dr. Ylvisaker has served faithfully for several years on the Board of Regents of Bethany.

He was graduated from Luther College, Decatur, Iowa, in 1903. From 1903 to 1904 he did graduate work at the University of Minnesota and in 1907 was graduated from Luther Theological Seminary, Hamline, Minnesota. For three years he studied at the University of Leipzig, Germany, and in July, 1910, received the degree of Doctor of Philosophy from that university. He majored in the Semitic languages, especially Assyrian, and minored in philosophy and Arabic.

He taught Hebrew and Greek at Luther College. He then taught for four years at Concordia College, St. Paul. For the past seven years he has served Our Savior's Lutheran Church, Madison, Wisconsin.

—Bethany Scroll.

## Faculty Member Nominated For Literature Prize

That the Nobel prize in literature may be awarded to a member of the St. Olaf faculty was revealed at a meeting of the Rotary club of Northfield on October 16, when Mr. H. C. Hotaling of St. Paul, state tourist commissioner, made public the nomination of Dr. O. E. Rolvaag.

Mr. Rolvaag's book, "Giants in the Earth" and numerous writings are considered among the very finest contributions to literature, not only for modern times, but for all time.

The Nobel prize was created November 27, 1896, through the legacy of Mr. Arthur Nobel, a Swedish nobleman who made his fortune by the invention of dynamite.

Not one American has received the award for literature. Eight Americans had received Nobel prizes in other branches. These are Theodore Roosevelt in 1906 for Peace, A. A. Michelson in 1907 for Physics, A. Correll in 1912 for Medicine, Elihu Root in 1912 for Peace, Woodrow Wilson in 1919 for Peace, R. A. Millikan in 1923 for Physics, Charles D. Daves in 1929 for Physics.

Only once has the Nobel award for literature been given to a non-European. This was in 1913, when it was won by Rabindranath Tagore, the mystic poet of India.

—Matoutou Messenger.

The Fourth Annual Convention of the Columbia Conference, Luther League was held at the Immanuel Lutheran Church, Portland, Oregon, August 30-September 1. The convention was invited to a sumptuous banquet in the church, at which time the delegation and other visitors were made welcome by Rev. H. P. Johnson, pastor of the Immanuel Lutheran church. Rev. E. H. Wandstrom, president of the Conference Luther League, in his greeting stated the convention theme: "Christ, the sole foundation of the whole of life," based on 1 Cor. 3:11. "For other foundation can no man lay than that which is laid, which is Christ Jesus." He appealed to the young people to build their life's structure upon that foundation for there are other foundations laid by man which they present themselves to our faith today to build upon, but are false foundations.

Rev. J. P. Pfeiffer, professor at the Pacific Lutheran College, of Parkland, gave a very interesting lecture on "Christ, the Foundation of Knowledge." He said that the Christ is the First Cause and that everything made is made through Him and by Him.

On Sunday, more worthwhile topics were given also and executive members of the Conference Luther League expressed their opinions as to the growth of the past year's work. It was decided to have the convention meet in Spokane next year—Columbia Lutheran.

## Four Aspiring Young Students Come Late to State Manual Class

Great was the consternation of four girls when they were prevented from attending State Manual class last Monday afternoon. The four, namely Ethel Stunnett, Nina Swanson, Dorothy Lehmann, and Olga Kell, had repaired to the library to spend the noon hour in assimilating and digesting the State Manual. All went well until about one o'clock. For some reason both Mr. Stuen and Mr. Xavier had neglected to unlock the door. The first bell for the one o'clock class rang in duance vile. Every one in a while they poked up their ears on hearing some one approaching to release them, but all of their hopes were shattered, and the four remained behind locked doors.

Finally Olga, reputed to be a lass of some courage, hurried to the porch, and rapped in to class. Mr. Haug was just getting ready to tell her what he thought of these people who came to class late, when she told him of the sad plight of her three friends. He then relented somewhat and like a knight of old, went to liberate the imprisoned maidens.

The four do not yet know whether they are to be commended for being studious or reprimanded for being late.

## PICTURE CONTRACT GOES TO HARTSOOK

After due consideration by the Sophomore Class Picture Committee, the contract for the taking of the 1931 pictures has been awarded to the Hartsook Studio, Townsend Building, Tacoma, Washington.

## With The Alumni

Mrs. Louie Peterson, formerly Inez Sjilund, has been ill for some time and has undergone an operation of her neck. She is recovering and will soon return from the hospital. Her daughter, Carol, is also sick.

Many of the alumni have been seen on the campus during the last week. Some of them are Christine Knutsen, Lelah Grass, 29, Elliot Mickelson, 29, all teachers of Yelm Grade School; William Brick, Milton the Kielder boys, 23, 24, Johnnie Wiese, Ruth Fadness, Margaret Fadness, Nelma Cullerson, Rena Strandberg, 29, Palmer Storie, 30, and George Cronquist, 30.

Martha Hjermstad, a teacher in Anacortes, spent the week-end with friends in Tacoma.

Polly Langlow is working in an abstract office in Santa Barbara, California. She sends greetings to all the readers of the Morning Star.

Walter French, 29, who has been convalescing from an operation, was taken to the hospital Monday, November 3, due to a condition which set in his spine.

Miss Signe Hjermstad, 26, who has been in the sanitarium in Millwaukie, Oregon, has been moved to Rverton sanitarium, near Seattle, where she will be closer to her relatives. Miss Hjermstad has shown much improvement and is gradually gaining weight.

Gladys Knutsen and Margaret Jacobson, both employees in the city of Seattle, spent the week-end at their alma mater.

There is also the basketball season to look forward to. A band would do much to help "pep up" the players, and, incidentally, also the spectators. Most large schools have their pep bands, and, although we are a comparatively small school, there is no reason why we could not have a band. Mr. Edwards would be glad to organize and direct it. If there are enough students who would play in the band, it should be organized as soon as possible. Anyone who plays an instrument which could be used in this organization should report to Mr. Edwards at once.

—Margaret Posath.

PACIFIC LUTHERAN COLLEGE, PARKLAND, WASHINGTON

## Aberdeen Jaycees Defeat Lutherans Under Arc Lights

### Gladiators Bruised As Result Of Beating At The Hands Of Harbor Jaycees

A bruised bunch of Gladiator football men came back from Aberdeen last Friday night on the short end of a 13 to 6 score. The game was played with the strong Grays Harbor Junior College eleven under the powerful arc lights of the Stewart Field in the first night game in which the Lutherans have ever participated.

Before the game nothing was known of the strength of the Harbor team as they had not played any games, but they were thought to be a comparatively weak team, so Coach Olson started the second team. It was not long before a touchdown was made on nine plays straight down the field.

By the time Olson had the first string in, the Junior College had scored another touchdown, a lead which the Lutherans could never overcome. The first quarter of the game was confined mostly to punting, with the Harborites having a slight advantage. The Gladiators played mostly on the defense in the second period, always being able to hold the Aberdeen team when they got in scoring territory and punting out of danger. Towards the end of the period the Parklanders began to show a little more fight and began to gain on their opponents but the ball was in midfield at half time.

In the last half, the Gladiators had a decided advantage over the Harborites but were able to score but one touchdown. The third quarter was also a punting duel, with Carlson having the edge over Heffernan. The Gladiators made their only score in the first part of the final period. Coach Olson's team had the ball in their possession on the Aberdeen fourteen yard stripe as the quarter opened. Lisherness made a gain of five yards and Leque made six more on a pretty off-tackle play.

Lisherness then took the ball over on the next play through center. The try for point failed. Leque and Lisherness were the outstanding players for the Lutherans, making a great deal of the yardage.

## Stadium Game to Terminate Season

### Gladiators To Seek Revenge For Last Year's Defeat; Tigers Are Strong

On Friday afternoon, November 14, in the last scheduled game of the season, a determined squad of Gladiators will invade the Stadium bowl in an attempt to tame the Stadium Tigers.

With the memory of last year's 32 to 0 defeat handed them by the Bengal squad still fresh in their minds, the Parklanders will enter the game with the desire to change the role of the Tigers into punting kittens.

Stadium has a fairly good team this year, and anything may be expected of them when these two squads meet. So far this year they have won two of the five games they have played, having wins over Aberdeen and Hoquiam, and losses to Lincoln, Bellarmine, and Lewis and Clark High of Spokane.

The game with Stadium will follow the tough meeting with Grays Harbor Normal by only three days and will give the team but two days of rest. Because of this, Coach Olson will probably use a large number of reserve men.

## Sport Slants

By Harold Gray

Four wins and one loss! That is the record of our Gladiators this year and it is a record that any team would be proud to own. Until last Friday night, Coach Olson's men were undefeated, but like most teams they became slightly over-confident and took one on the chin. But that is no disgrace as the best of teams are often beaten.

Coach Olson should be given a great deal of credit for the team he turned out this year. There were ten lettermen to form the nucleus of the team but it took a good many nights of hard work to turn out the eleven that has represented Pacific Lutheran College on the gridiron this year.

The hardest game of the season will be played next Tuesday with the strong Ellensburg Normal eleven. Ellensburg has an unusually strong team this year as they have easily defeated both Bellingham and Cheney Normal schools. They absolutely outplayed Centralia Junior College and beat them by four touchdowns so you can figure out for yourself what type of a team we will be up against.

In a game played recently, the Normal school held the Gonzaga Bulldogs to a scoreless tie. Gonzaga was beaten by Coach Hollinberry's Washington State Cougar varsity by only four touchdowns so that puts us in a pretty high class of opposition.

If we do get beat by Ellensburg, it will be no disgrace, so we will go into that game with "nothing to lose and everything to gain." I will not predict a win for our team over the Normal school, because I have not had a chance to see them in action, but I will say that if they beat us they will know they have been in a game.

The game will be played in Yakima and is being sponsored by the American Legion. During the week of the game, the American Legion is holding a convention in Yakima, so there will undoubtedly be a large number of fans to witness the encounter.

If we win this game, it is going to mean a great deal to us, in scheduling games with other schools for years to come. It would leave C. P. S. without a good reason for refusing games with us.

On November 14, the Gladiators will be playing their last game of the season with Stadium at Stadium. I suppose we will be somewhat favorites to take that game, but you can never tell what the result is going to be when these two schools meet. It will follow the hard Ellensburg game by two or three days so the team will probably not be in the best of condition.

In her different games this year, Stadium has played good, average, and mediocre. If the Tigers play against our team like they did against Aberdeen and Hoquiam, it will be no picnic.

Allright team, come on and do your best. That is all we could expect of anybody!

## Reserves Lose to Stadium Jaycees

### Lutheran Seconds Lose Contest to Tigers; Sydow, Anderson, Johnson, Star

The Lutheran reserve gridmen lost a hard-fought and muddy battle to the Stadium Jaycees by a 6 to 0 score at Stadium last Thursday.

This victory gives the Stadium aggregation the lead in the series, as the other meeting ended in a 6 to 6 tie.

The only score of the game came in the second quarter when a P. L. C. punt was blocked and recovered by Stadium on the Gladiator 7-yard stripe. Three line plays netted a touchdown for the Bengals. A pass for the extra point failed.

Long gains were consistently made by the College team but frequent fumbles and penalties prevented them from crossing the Tiger goal. Of the Parkland backfield, Anderson made the most yardage while Quale did some fine work. Sydow and John Johnson showed up well on the line.

## Lutherans Barely Nose Out Jaycees

### Centralia Defeated by 7 to 6 Score on Parkland Field; Opponents Show Power

Pacific Lutheran College pigskin chasers barely emerged with a victory from Centralia Junior College on the Lutheran field, Friday, October 24. The final score was 7 to 6.

The game was hard-fought throughout, and gave the spectators plenty of excitement. The Jaycees recently were beaten by Ellensburg Normal by a decisive score and were out to make amends for that loss.

The Gladiators were outweighed by the Centralians, but a strong offense and a stubborn defense, together with a fighting spirit enabled them to hold a determined effort of their heavier opponents in the final quarter.

The Lutherans kicked off to the Jaycees to open the game. The two teams battled on even terms throughout the first period. The second quarter opened with the ball in possession of the Lutherans. A pass from Nyman to Johnson advanced the ball to the Centralia 25-yard line. The Lutherans were able to make first downs and advanced the pigskin to Centralia's 3-yard line, where Leque carried it over. Carlson added the extra point with a perfect place-kick.

The third quarter saw both teams fighting to a standstill, with neither one getting within scoring territory. In the final period, however, the Centralia line plays and passes began to function, and they threatened to score. The terrific battering began to have effect on the Lutherans, and the Jaycees were able to cross the goal. An off-tackle plunge for the extra point failed.

The Gladiators were in danger several times during the remainder of the final period, but in the crucial moments they held the Centralia team for downs and then punted out of danger. Just before the final whistle, the Jaycees were within one yard of a touchdown but again, as at the end of the first half, the whistle saved the day for the Gladiators.

Fadness at center, and Schiermann at guard, Nyman at quarter, and Carlson at half, were the outstanding players of the Lutheran team. Bailey at quarter, Odgen at tackle, and Gelatt at halfback, showed up well for the visitors.

**The lineup:**  
**P. L. C.** Thostenson REL, Young LTR, Schiermann REL, Fadness C, Schell LTR, Nyman G, Leque LTR, Lisherness LTR.  
**Centralia** Odgen RB, Holbrook RB, Killoburn RB, Bachman LTR, Pollman LTR, Bailey LTR, Nyman G, Hovine LTR, Carlson LTR, Gelatt LTR, Armstrong LTR.  
**Substitutions:** P. L. C.—Campbell, Haugen, Palo, Stortenson, Carlson—Licht, Duesch, Koski, Indeke, Jones.  
**Passes attempted:** P. L. C. 5; Centralia, 15.  
**Plays completed:** P. L. C. 2; Centralia, 8.  
**Downs intercepted:** P. L. C. 9; Centralia, 2.  
**Plays missed:** P. L. C. 19; Centralia, 15.  
**Plays made:** P. L. C. 7 times for 65; Centralia, 7 times for 55.  
**Scoring:** P. L. C. Leque, touchdown; Carlson, try-for-point; Centralia, Koski, touchdown.  
**Officials:** Demman, referee; Hill, umpire; Ramstad, head linesman; Lisherness, timekeeper.

## Giants Draw Blood But Grasshoppers Win Hectic Battle

### "And there we saw the giants, and we were in our own sight as grasshoppers, and so we were in their sight."

October 24 saw eleven giants pitted against eleven grasshoppers. At 2:45 the fight began. The grasshoppers drew first blood. The battle was strenuous. Often the little fellows were in danger but they fought bravely. When the giants did draw blood, they drew one drop short. That one drop was just enough to give the grasshoppers the victory.

"The land is a land that eateth up the inhabitants thereof; and all the people that we saw in it are men of a great stature."

All the men we saw were men of a great stature; but they failed to win the battle.

Although the Jaycees Giants from Centralia were much larger than our Gladiator Grasshoppers, our team went into the fray full of fight and determination, and came out of it victorious. We're proud of all our Grasshoppers!

## Prospects Bright For Successful Hoop Season

### Gladiator basketball prospects this year are bright, although Coach Olson will be handicapped by the loss of three stellar hoopers from last year's squad.

There is a good supply of guard material on hand, so Mentor Olson's biggest task will be to develop a scoring combination of forwards. It is more than likely that one or two of the guards may be shifted to a forward berth so as to have experienced players in all positions. In order to produce a winning team, Coach Olson will depend upon deception, a fast-breaking offense, and an all-tight defense.

The three last year's regulars who will not be available this year are Milton Gardin, and Colton. Six lettermen will be back in suit, with five of these turning out for the guard positions. They are Palo, C.

## Golf Tournament Will Soon Close

### Ben Palo Reaches Finals In Play For Championship Of The College

The winner of the S. Johnson-O. J. Stuen match will meet B. Palo for the golf championship of the College. This will bring the tournament to a close in the championship class. Play is still on in the first flight, but is drawing to an end.

Results to date are: B. Palo defeated Southworth 5 & 3; C. Olson defeated J. Stuen; O. J. Stuen defeated O. Lehmann 2 & 1; Johnson defeated R. Hindlerle, 1 up; B. Palo defeated Olson, default. First flight results are: Schiermann defeated L. Larson, default; Edwards defeated W. Rasmussen; Leque defeated J. Zachriston.

Parings of the second flight matches are: Edwards vs. Leque; Schiermann, vs. winner of the Dammell-Yonman match.

Monson, Nyman, Thostenson, Schiermann, guards; and Johnson, forward.

"Red" Carlson, Gladiator hoop star two years back will be a great help in strengthening the team and solving the center problem. At the present he is the outstanding candidate for the pivot job.

Coach Olson is contemplating upon making arrangements for a trip into the Inland Empire. It is probable that five games will be played on this trip. Intensive practice will begin about the latter part of November, and it is probable that some new material will cause the letterman a great deal of worry. The amount of new material available can not be ascertained until after Coach Olson has sounded the call for turnouts.
