“Run and Catch the Wind” was the theme of this year's Freshmen Orientation Week. It was a busy time, filled with places to go; things to do; and people to meet. It was confusing, hurried, and yet generally an enjoyable time. As one Group leader said, “This week will seem a month long; after that, time flies!”

The first three days were spent in group discussion meetings, tours of the Library, Physical Education facilities, Science Building, the various offices of ASPLU and Student Affairs. It was also a time for meeting with advisers, taking placement tests and either observing or taking part in the spectacle of registration and re-registration. High spirits were sometimes tempered by Bookstore bills. The evenings brought such traditional activities as “No Sweat Night”, Faculty Home Visitation, and the President's reception. With the end of the week came classes, Opening Convocation, Merrilee Rush, Bandana, and the Big-Little Sis picnic. “It was the best of times; It was the worst of times.” It was fun.

# “Red Riding Hood” With A Twist

Once upon a time, there lived a young wolf who thought he was as good as a human being. He thought this so strongly that he tried to be accepted as a human. He stole Little Red Riding Hood’s cloak and learned to walk and talk exactly like her to prove he could do anything a human could do. He even learned the password used between Little Red and her grandma.

But, alas, the young wolf could not quite control all his wolfish instincts and in the end was tripped up by Grandma, who may look old and helpless, but is really always on her toes.

Well, that’s not quite the way I heard it, but I guess everything has to change; even Little Red Riding Hood.

Once again, the intramural football field was the place for making new acquaintances and renewing old grudges. An ever-present supply of referees and crowds of contact-craving young men provided a welcome break from the adjustment of getting back to school. But it was the pigskin dynasties that triumphed: Evergreen A and Rainier B.

# PLU's Dreams End in Nightmare;

One of three stumps, Dan Pritchard, breaks into the open.

The 1970 Football Season began with a dream and ended with a nightmare. In the season opener against Whitworth the three stumps Halstead, Hammer, and Pritchard ran wild. In addition to the fine performances by veterans, freshmen Tom O'Rourke, Dick Amundson, John Amidon, and George Van Over made impressive debuts. The victory the following week over WWSC was generated by Jim Hadland, who set up one TD and scored two. Jim's brother Glenn led the Viking offense but was foiled on the ground by the PLU defensive unit; led by Pete Ugstad who made seven tackles and two assists.

Against Linfield, Ed McGrath's 37 yard field goal, with 2:31 left, was nullified by a three-pointer, with 4 seconds remaining, by the Wildcats. Gary Hammer put the Lutes on the scoreboard early in the second quarter against UPS. However, the Loggers capitalized on four fumbles to run the score up in their favor. Passing and pass defense combined to give the Lutes an easy victory over Pacific. Two catches by Bernard Johnson and one each by Ed McGrath and Dave Greenwood gave the

**Knights their first aerial scores of the season. The Knights intercepted six times to stifle the Boxer air game.**

**The Knights scored the first five times they got the ball before a Homecoming crowd of 3500 as the Whitman Missionaries were routed. Bernard Johnson returned the opening kick-off 74 yards. Later Don McPherson and Jim Hadland sprinted for TD's of 54 and 51 respectively while Hans Lindstrom hauled in an aerial bomb for another score. Next the Lutes posted their first victory over the Willamette Bearcats in five outings, with senior Grant Spencer making two interceptions and helping on twelve tackles.**

**In the season's finale, the Lutes lost to L & C and dropped into a second place tie with L & C. Thus the season that had begun with such high hopes and dreams ended in a Nightmare.**

**Summarizing the season coach Carlson said "We had our problems at times on defense throughout the season, but the fellows gave it their best effort, so what more can you ask ... This certainly was one.**

*If anyone wonders why PLU had the powerful running attack that they did they can study this picture. Notice the wall of blocking that has formed.*

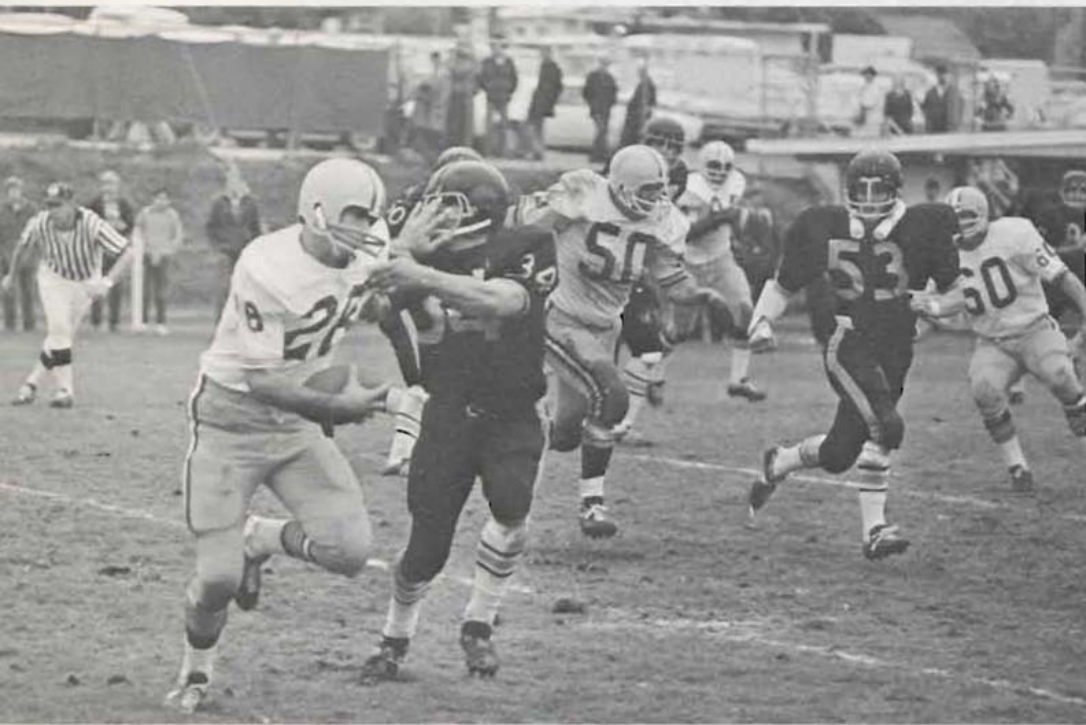

*Freshman Greg Coleman stops a UPS running play.*

*PLU's field-goal team provides excellent protection for one of Ed McGrath's record setting field-goals. There were nine three pointers for a conference record.*

*Rob Sherwood and all-district linebacker Pete Ugstad close in on a UPS runner.*

*Cheerleader Michele Reed leads a yell at one of the Lutes games.*

*One of the best teams I've been privileged to work with; offensively, without question, the best; and although we lost some key personnel, there is a fine nucleus of talent returning for next year."*

*This past year could well be called the record breaking year. The total offense for the year of 3588 yards replaced the previous record set in 1969 of 3210 yards. Total offense for a single was set at 653 yards against Whitworth. A new season record for penalties (58) and yards penalized (561) broke the 1968 infamous records. Senior Dave Halstead smashed the old season rushing mark with 895 yards. This gave him the new career rushing mark of 2485 yards, plus the new career rushing attempt record of 501. Senior Ed McGrath set two conversion records for the Knights, five in a single game and twenty eight in the season. He also set a new NWC mark for nine field goals in a season.*

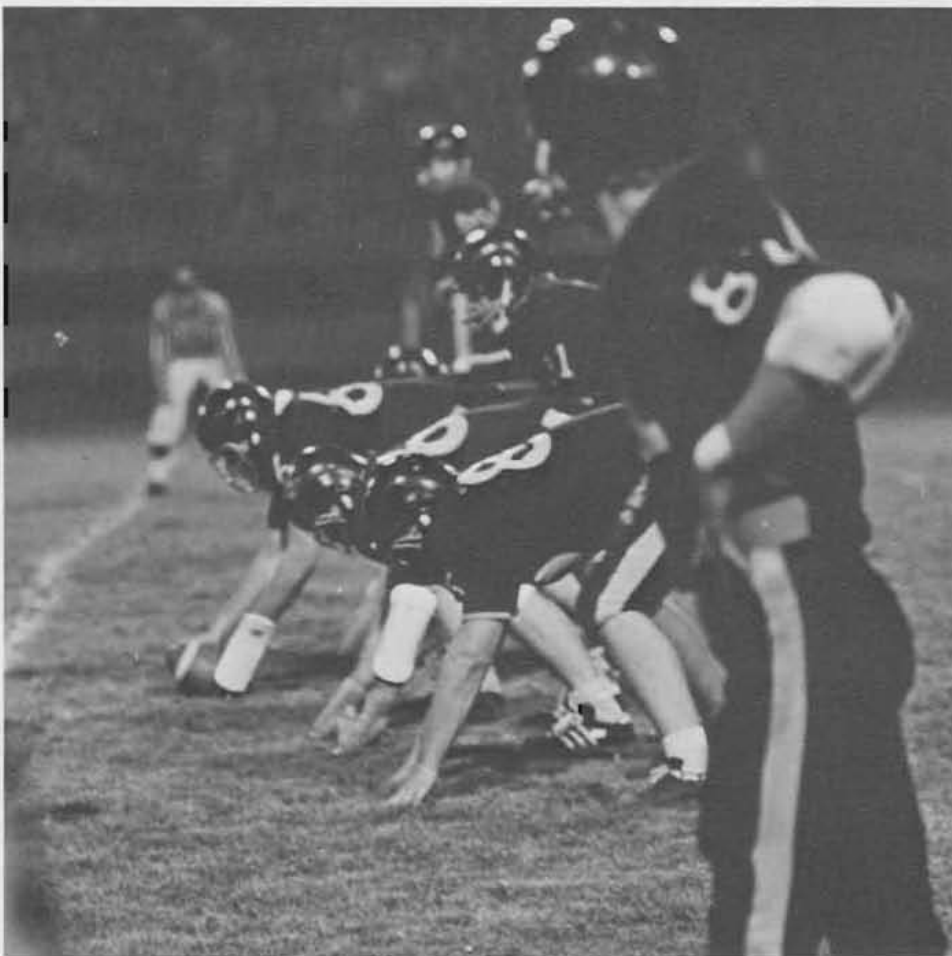

*Rookie quarterback Tom O'Rourke takes the option and sweeps the left end for good yardage.*

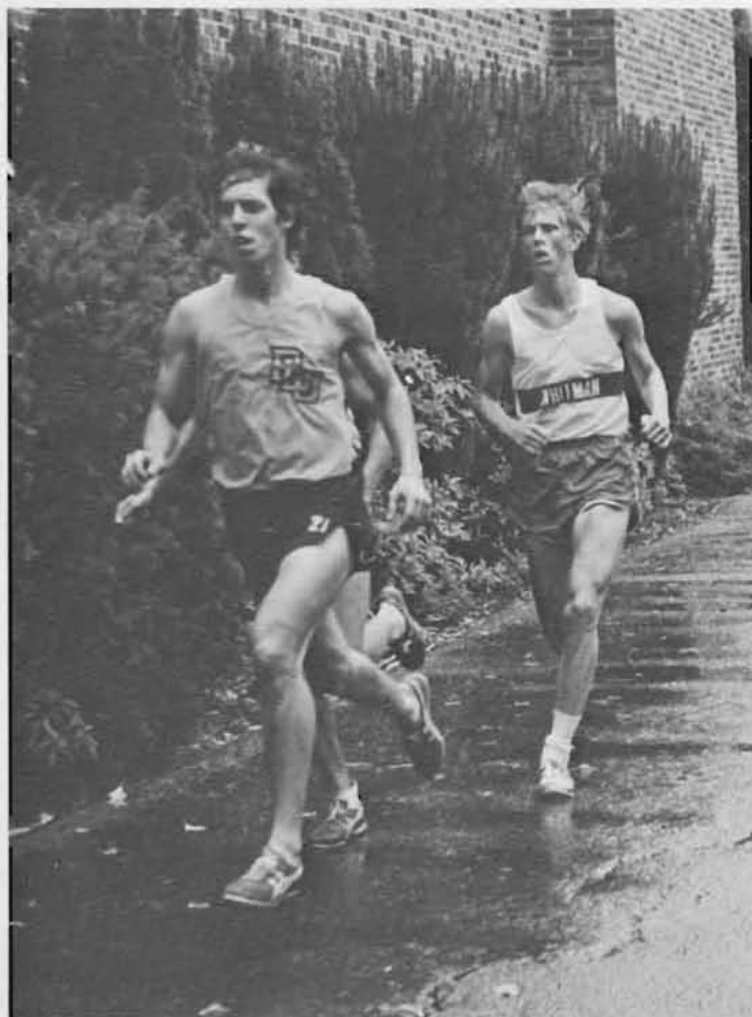

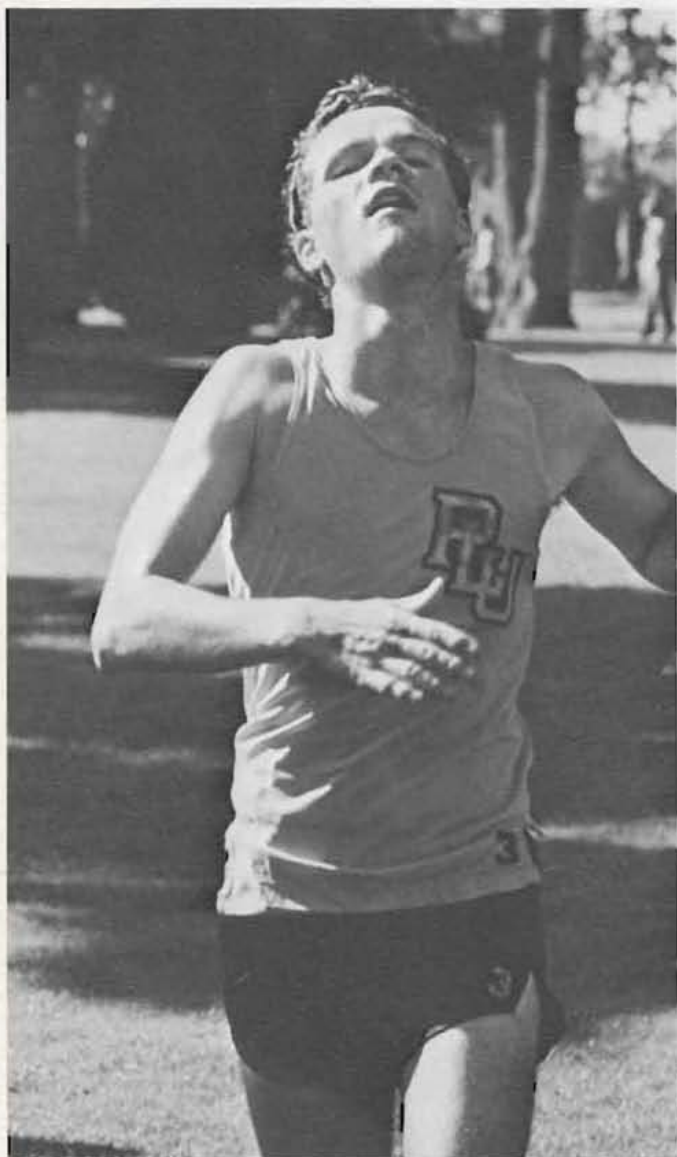

*Transfer Bernard Johnson makes the end around a formidable weapon as shown in this picture taken at the Whitman game.*

*PLU's offensive line was the best in the conference, here is a view that most opposing coaches wish they didn't have to see every year, the powerful Lute line.*

*Freshman Greg Coleman intercepted four passes against Pacific to set a new season interception record. Season Jack Irion surpassed the career interception mark with 19 thefts.*

*Numerous other achievements were made this year by members of the Knight squad. Offensive and defensive lineman Ross Boice led this year's award list with no fewer than six awards and was drafted into pro-football by the Los Angeles Rams. Among his awards were AP Little All-America, NAIA All-America Honorable Mention and All-Lutheran 1st Team. Defensive back Jack Irion received NAIA All-America Hon. Mention. On the All-Northwest 1st Team were linemen Bill Broeker and Boice and backs Dave Halstead and Irion. End and kicker Ed McGrath received Hon. Mention. Boice, Broeker, Irion, Halstead, and linebacker Pete Ugstad made the All-Northwest Conference 1st Team. Linemen Stan Pietras, Dennis Hillesland, and fullback Dan Pritchard received Hon. Mention. The team intends to be in contention again next season, which leaves a big job for the returning players and coaches to find defensive backs and offensive guards to replace graduating seniors.*

# 4th in Conference, 5th in District

*Lute harriers dominated the field with victories over Whitman and UPS during Homecoming.*

*Paced by returning letterman Jerry Gugel's seventh place finish, PLU placed fourth in the conference standings this year. PLU started the season by losing to Western by a score of 33 - 24 and then to Lewis and Clark 39-20. However, they won the next four matches; Pacific by a score of 20-39, Linfield 17-46, UPS 25-34, and Whitman 26-33. PLU's harriers lost their final two meets, one to Willamette 48-15, and the other to Seattle Pacific 47-15 before placing 7th in the NAIA District Meet. Performing for the Lutes this year were: Senior Jerry Gugel, Sophomore Chris Buck, Soph. Bruce Pyrah, Soph. Kirk Sandburg, Soph. Bob Matson, Soph. John Olson, Junior Russ Anderson, Junior Bob Wright, and Senior Tom Terjeson. Only Terjeson and Gugel will be lost by graduation. Outstanding performances during the season were made by Kirk Sandburg and Jerry Gugel who tied for first place against Linfield and Pacific in a triangle meet held on the PLU campus. In the Central Washington Invitational Meet, the PLU runners tied for 4th place in the seven team college division. Gugel placed 15th, Sandburg placed 19th, and Olson placed 22nd out of 50 in the race.*

However, the team during the Northwest Small College Tournament made the final round placing third among a field of six teams which included Portland State, Lewis and Clark, Central Washington, Southern Oregon College, and University of Victoria. Two players were selected for the All Star Team - Freshman Jay McClaugherty and Junior Larry Gliege. The team improved tremendously, and in the Spring managed to defeat UPS 5-3 in their pool for one of the major highlights of the season. Every member of this year's team will be returning next season.*

PLU's 6'7" center, Roger Wiley, controls a rebound in PLU's second victory over Pacific.

Team captain Lyle McIntosh cuts the nets after PLU won the NWC championship.

For the Twenty-fourth consecutive season, the Lutes kept intact a winning tradition of bettering the .500 win-loss mark. Following in the footsteps of Marv Harshman, Gene Lundgaard had completed his thirteenth year as head coach and has compiled a record of 225-125. One of the most impressive facts of the season is that PLU won their 500th game. It was an 81-65 trouncing of Pacific that gave the Lute squad that honor.

This season has got to be regarded as mildly surprising if not utterly fantastic considering the fortunes of PLU basketball. Besides the fact that PLU graduated its sixth and seventh leading all-time scorers, Leroy Sinnes and Al Kollar respectively, PLU started the season with five transfers and only three players with any experience in varsity ball. Those returning were Lyle McIntosh, team captain; Ake

Palm, and Greg Freitag. The additions to this years team were Tom Patnode and Don Martonik transferred from TCC while Greg Larson came from Olympic CC and Mike Willis came via GRCC and the Air Force. Denny Philips, the earliest newcomer transferred to PLU from Montana State last spring. Players moving up from last years JV team were Terry Finseth, Bruce Willis, and Roger Wiley.

An amazing facet of this years season was that PLU set an all-time record for points in a season with 2374. This was 3 points more than the 58-59 Lutes which finished second in NAIA competition. Back court ace Tom Patnode tallied the most points with 360 for a 12.8 average while Ake Palm finished the season with 352 points and a 16.0 point average. Greg Freitag the only senior on this years team netted 241 points for a 8.3 average.

*"Eat 'em up, Lutes," yells the PLU bench as their teammates score against Willamette in the NW Conference title clincher.*

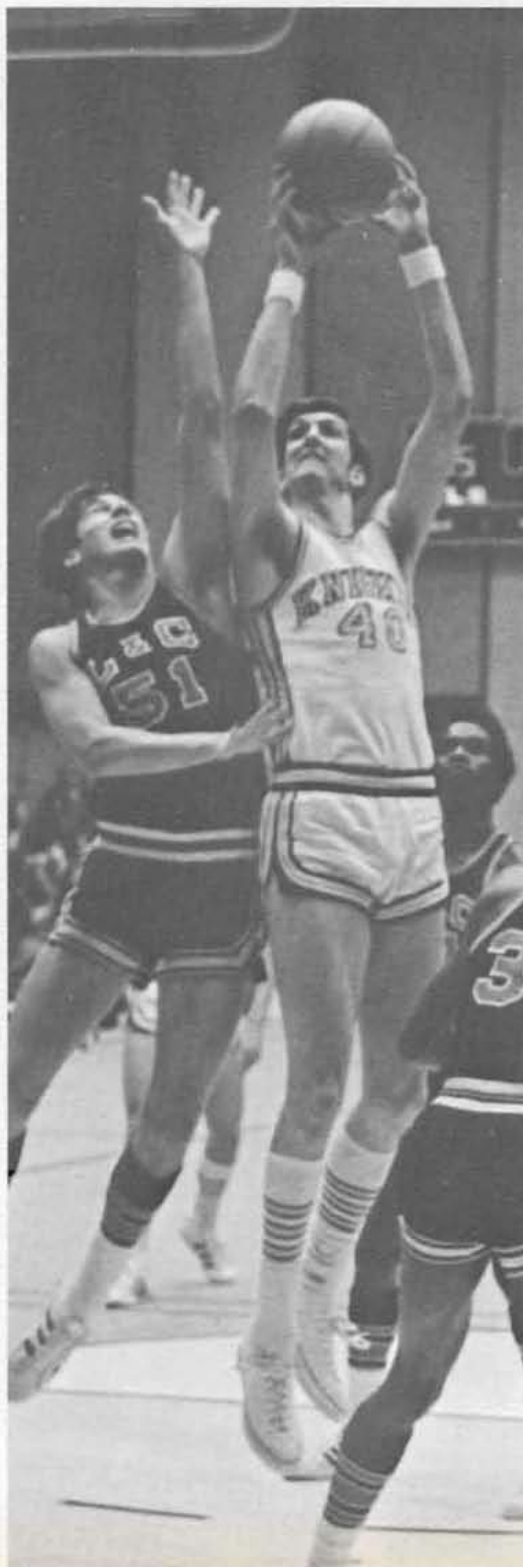

*Dr. David Olson, Pres. Eugene Wiegman, and head coach Gene Lundgaard proudly display the symbol of PLU's basketball prowess.*

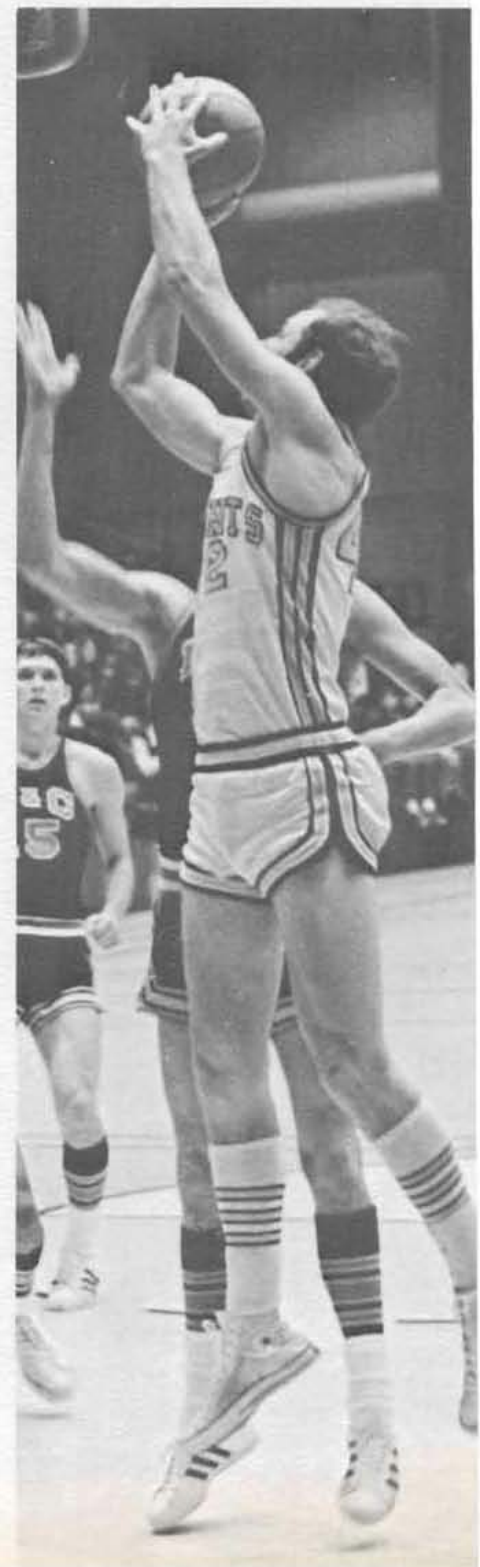

*Don Martonik does what he does best—the long jumper.*

*Deadeye Denny Philps, alias "the Bird," zeros in on the hoop against L & C.*

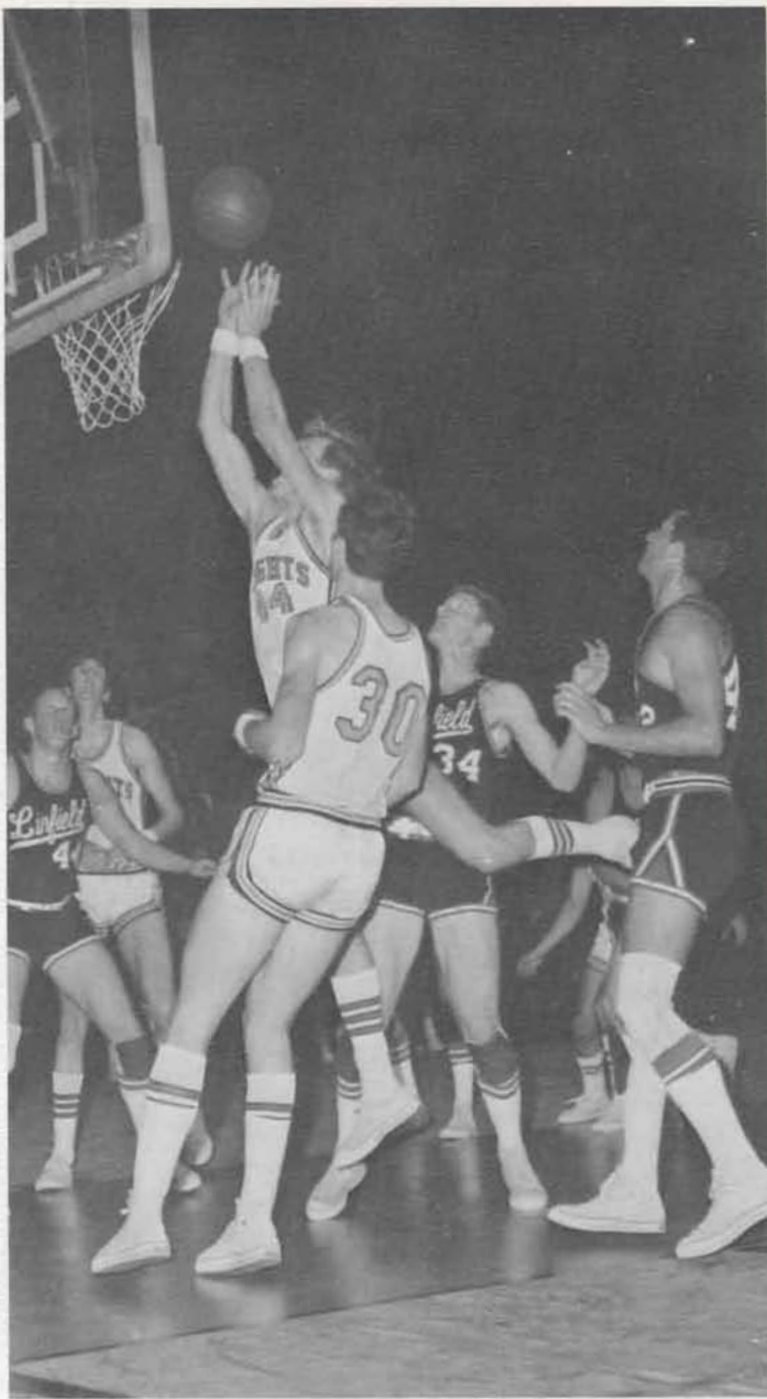

*Junior Terry Finseth scores on a short jumper as PLU wins 93 to 65.*

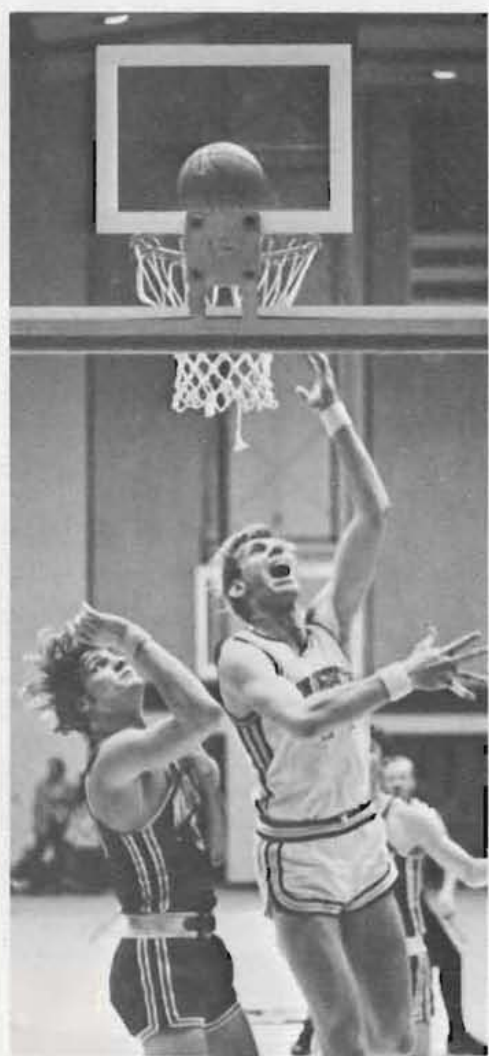

*"Leapin' Leroy," Mike Willis, pulls down a rebound against Alaska.*

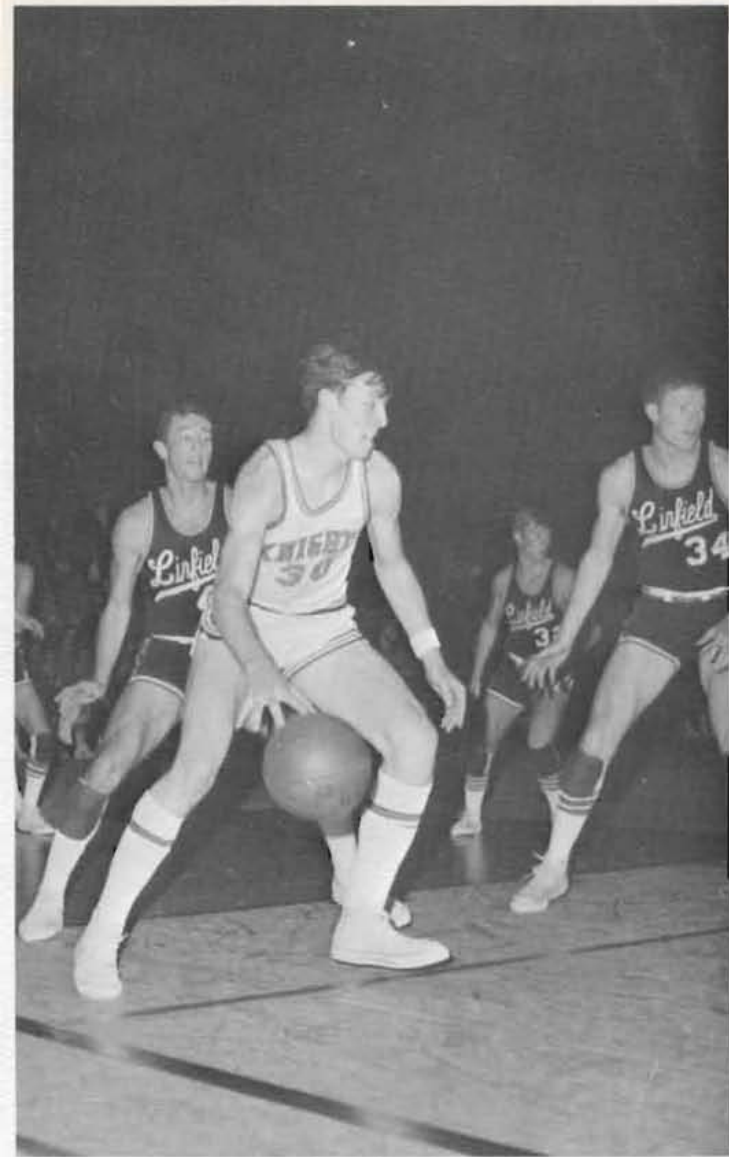

*Nimble footed Ake Palm scores against a flatfooted Linfield defense.*

*Junior Greg Larson plays keep away with a hapless L & C defender, as a host of Lutes watch in admiration.*

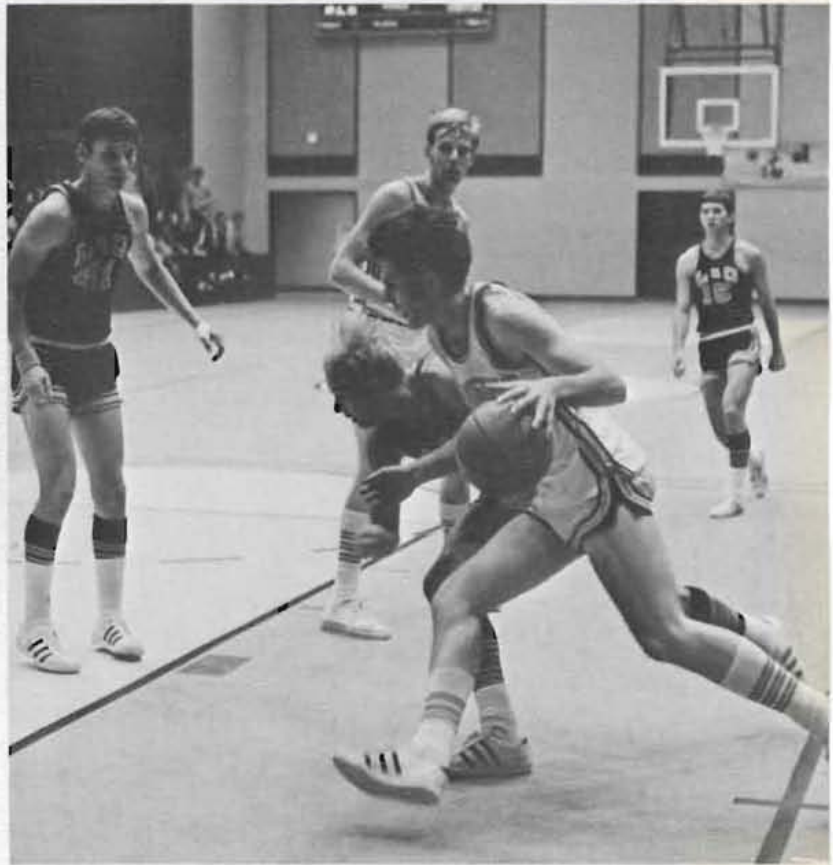

*Sophomore ace Roger Wiley works the baseline against Linfield.*

*The only senior on the team, Greg Freitag drives the baseline.*

*"Watermelon, watermelon, watermelon rind — look at the scoreboard and see who's behind," shouts the PLU crowd as Tom Patnode scores two.*

# Wildcats Edge Lutes in NAIA Playoffs

*Greg Larson, with excellent body control, goes high in the air to score two points.*

*The team won fifteen and lost fourteen. The record is not all that impressive but when one looks at the whole season and discovers that at one time PLU was 1-7 and that PLU won fourteen of their last twenty-one and ten of their last fifteen and won the conference championship with a 10-2 record then the season is quite extraordinary. PLU then met CWSC in the NAIA playoffs. In the first game PLU, paced by Palm's 21 and Patnodes 17, came back in the second half to smother Central in its mighty offense. The final score was 70-61. In the second game Central proved that they weren't about to roll over and play dead by jumping to a twenty point lead early in the second half and won 81-71. In the final game it was nip and tuck all the way as PLU couldn't buy a rebound in the last thirty seconds and lost 62-59.*

*Tommy Patnode hangs in the air just long enough to get his pilots license as he scores two of his seventeen points. PLU won the first game 70-61.*

*Ake Palm, PLU's eleventh all-time leading scorer, adds two more points to his career total as PLU defeats CWSC in the first District 1 playoff game.*

*Sophomore Roger Wiley grabs a rebound on a missed lay up at the end of a Central fastbreak.*

# and Third Gretchen Fraser Trophy

Freshman Dan Christopherson shows good form as he rounds a turn in the slalom.

PLU had another successful season in 1971. In the final conference standings the men were tied for first with UPS and the women were fifth. The Highlight of the season was the final meet, the Daffodil Cup at Crystal, where both the men's and women's team finished first. For the third consecutive year PLU won the Gretchen Fraser trophy for the combined team championship in the Daffodil Meet.

Individual standouts for women were Jan Lenox in the Alpine events and Becky Keller in cross country. For the men Kirk Sandburg was the top cross country, Bob Larsen, in the slalom and Bill Zander in the giant slalom and downhill.

In May the Lutes will lose three of their top men to graduation. Dave Christopherson, John Larsen and Bill Zander will be missed both for their ability as skiers and their leadership.

A new athletic activity for women made its debut at PLU this spring. Stemming from a demonstrated interest by a dozen students, Girls' Track became a reality. This year's members include: Chris McCormack, Kim Green, Sandie Fairly, Nancy Myklebust, Leslee Adams, Leslie Dickman, and Evelyn Tidel. Events that the girls participated in consist of hurdles, relays, distance running, sprints, javelin, shot put, discus, high jump, and long jump.

# The PLU Crew Combines Experience and

*This is the heavy weight eight which defeated all the small colleges in the area.*

*The PLU all-stars consisted of Dave Peterson, Kimo Jow, Jeff Dreyer, Doug Herland, Joe Evans, Tom Degan, Per Lindstrom, Bob Heavey, and Bruce Dahl.*

*The varsity eight in action from left to right are Commodore Tim Brueckner, Stan Olson, Jeff Greenstreet, Leo Hilsinger, Gerry Gugel, Malcom Klug, Conrad Hunziker, Jim Puttler, and cox Ralph Neils. Here they are stroking ahead of their opponents.*

# Dedication to Provide Best Year in History

*Tradition demands that the cox gets thrown into the water after a victory. Here Ralph gets his.*

*Following a season that sent the late varsity rowing club's heavy weight four with cox to a west coast championship and a 3rd place finish in the nationals, PLU's oarsmen retained their momentum to finish with their best year ever.*

*The heavyweight eight, packed with an experienced stern four and a bow section with a great desire to excell, streaked to a victorious season beating all the small college crews on the west coast. In doing so they carted home the LaFrombois Cup from the small college race in Seattle and also walked off with the Meyer Cup for an unprecedented eight straight time. The heavyweight four finished the season with only one loss, that being up at British Columbia in rough water. They went on to win the Corvallis Invitational Regatta in April. The fours are looking forward to the Western Sprints and IRA this summer.*

*Most of the emphasis during the season was put on the eight and heavyweight four but the lightweight four showed much promise and did well at Corvallis. The Lutes will send both heavy and light weight crews to the West Coast Championships this summer and are looking to show their prowess in all events.*

*Next year the Lutes will comeback with the same crew except for senior cox Ralph Neils, who will be lost due to graduation.*

*The crew carries the shell to the water.*

*The 1970-71 crew exhibits the LaFrombois Cup and the Meyer Cup which they won this year.*

# Inexperience and Illness Plague

*Freshman Steve Zubalik returns a serve from his opponent during the C of I dual meet.*

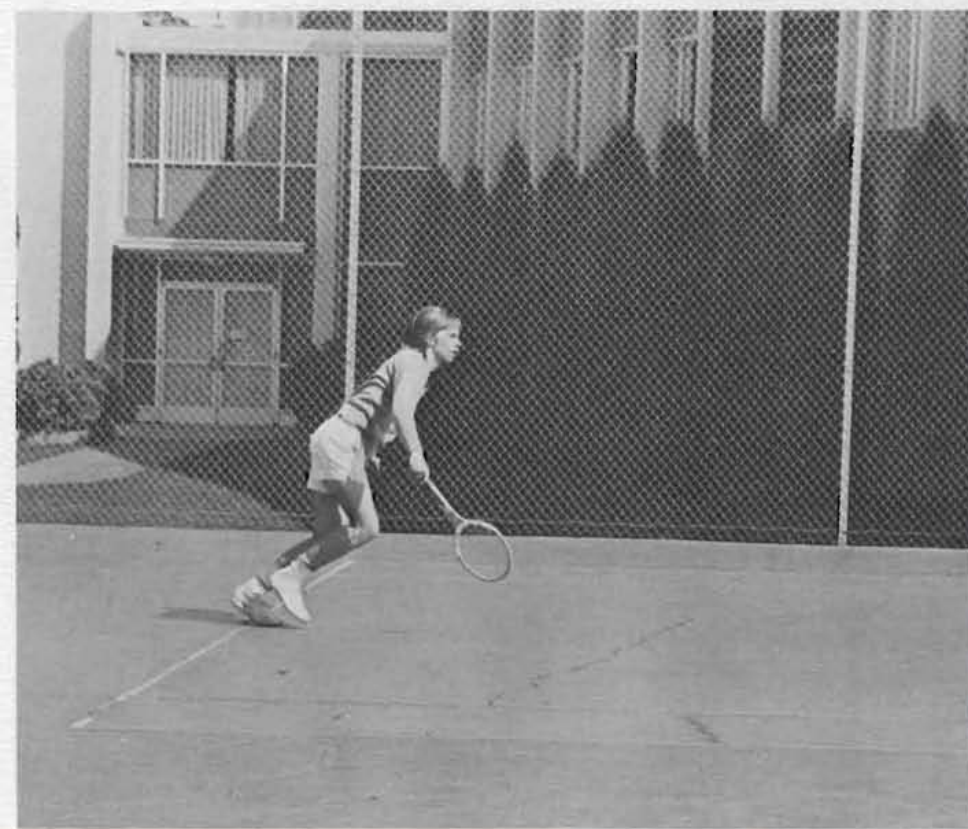

# The Young Lute Tennis Team

*Freshman, Ted Carlson shows what made his serve famous.*

*Freshman Tom Baker measures the angle of incidence and calculates his return.*

*Tim Thies's return after having mono was a gallant attempt but too late to help his teammates.*

*The Lute tennis team, with only two lettermen returning from last year's squad, was young and lacking in experience. This inexperience, coupled with the absence of key players due to illness and class conflicts, produced a rather dismal season in which the Lutes were able to win only three dual matches in 13 attempts. Among the 10 losses, however, were 2 close 5-4 defeats. PLU did defeat Linfield, Pacific, and Tacoma Community College.*

*In the Northwest Conference Tournament, which determines conference standings, PLU finished in a disappointing tie for 6th place.*

*1971 lettermen were junior Jim Sheets, sophomore Tim Thies, and freshmen, Tom Baker, Ted Carlson, and Steve Zubalik. PLU was represented in District 1 NAIA competition at the end of May by Jim Sheets and Ted Carlson.*

# Experienced Stars and Promising Newcomers

*The 1971 PLU baseball team, front row; Paul Wuest, Jeff Gladow, Scott Buser, Jim Dunn, Don Griffith, Doug Ruecker, Greg Lord and Ron Jones; back row, Coach Mays, Mike Villiott, Ron Murphy, Dan Ruud, Kyle Hopstad, Doug Sackville, Art Ruud, Phil Lavik, Brandt Knutson, Dave Bennett, and Coach Kittilsby.*

*President Eugene Wiegman throws a baseball out at the U of W game to start the season.*

*First baseman Mike Villiott stretches to get a Linfield runner.*

# Point to Banner Season for PLU Next Year

PLU's ace hurler, Ron Jones, fires a high hard one past a batter from Lewis and Clark.

Powerful Mike Villiott, a senior, strides out to hit a slow breaking curve against UPS.

The Lutes bettered their record over last year, but found little consolation in the 4-21 win-loss standing. However, there is reason for optimism next year, since the young team which lost only four players via graduation was competitive throughout, dropping six games by a single run.

Pitching is the name of the game and the Lute mound staff, lacking in depth, yielded 3.69 runs per game, highest in the league. Sterling performances were turned in by Dave Bennett, sophomore righthander from Bend, Oregon, who posted a 2-3 conference record with a 1.89 earned run average, and Dan Ruud, reliever pressed into a starting role, who was 1-2 with a 1.92 ERA.

Phil Lavik, with a 2.69 swat mark, was a human magnet at third base and was selected to the All-Conference first team. Phil was named the team's MVP while first sacker Mike Villiott, who shared the club home run lead with two circuit clouts, was tabbed the outstanding senior.

Centerfielder Don Griffith stroked for a .328 average to lead the club and was an All-Conference honorable mention pick. Rightfielder Art Ruud, after a slow start hoisted his NWC average to .275 and displayed a powerful throwing arm.

*Bernard Johnson and John Oberg fly over hurdles in the 120 yd. Highs.*

*Bruce Pyrah is caught by the camera just prior to his kick and successful high jump attempt.*

*The 1971 track season began with cautious optimism on the part of the coaching staff. The plans for the year were centered around a physical and psychological preparation for the Conference Meet. For the second year in a row, PLU was favored to win the championship, but unlike 1970, pre-meet predictions turned into reality. Sixteen individuals contributed to the scoring which provided a total of 100 points to second place Willamette with 67. In 1968 seniors Tom Holmes, Phil Tundel and Tom Terjeson competed as freshman on a team which finished last place in the conference.*

*Outstanding performances were turned in by Randy Shipley, Dan Pritchard, and Steve Harshman who finished in the top three spots in the shot put event, while Stan Pietras joined with Pritchard in the top two positions in the discus.*

# Secure NWC Track Crown

*Sophomore Glen Higgins soars through the air with the greatest of ease.*

# Strong Core of Veterans Returning

*Freshman Tom O'Rourke leaps in the air in the last part of his hop-skip, and jump event.*

*John Amidon strains to clear cross-bar.*

*Another outstanding performance was given by John Oberg, who was a double winner in both hurdle events and who lowered the conference record in the intermediate hurdles. The turning point in the conference meet occurred in the 880 yd. dash when Neil Martin and Don Milholland finished one-two.*

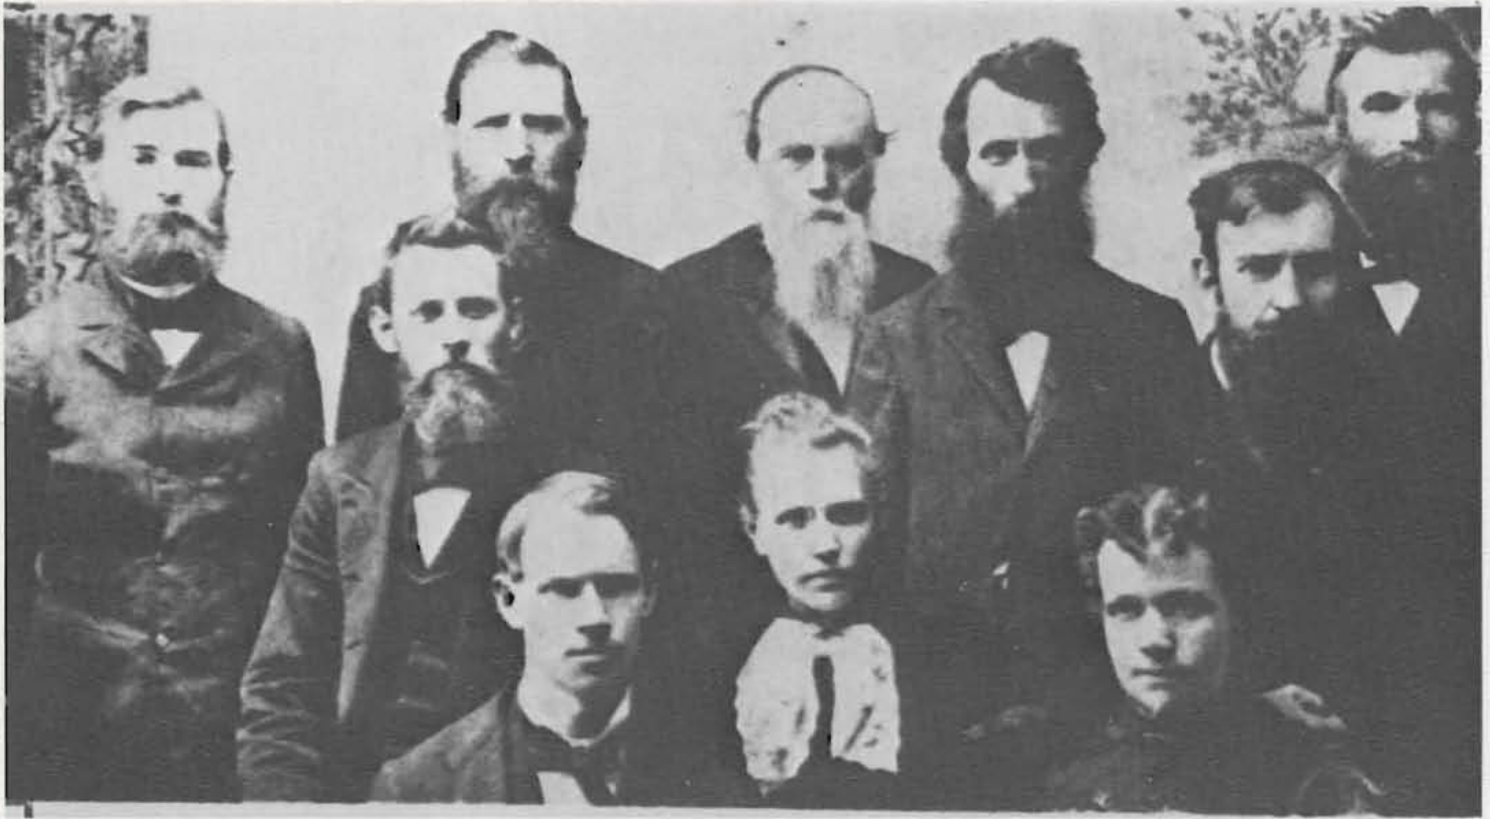

*The track future continues to look bright at PLU with a fine core of returning "veterans." PLU won five events at the Conference Meet, all by underclassmen.*

*The trophy for outstanding track performer went to sophomore John Oberg, while Steve Harshman was honored by his teammates as most inspirational.*

**Dedication**

In the early Lutheran College in the same form of appreciation, prayer and support by an ever growing family of Lutherans and other participating church groups in 1911 SAGA is gratefully dedicated. We hope that the college spirit and service preparation and energy the Lord and church will make it possible for SAGA to minister a hundred years among the colleges of the West - both spiritually and academically.

# ASPLU - All Together

*ASPLU made long strides this year in the execution of their duties. The greatest step was in November when they moved into their new headquarters on the mezzanine floor of the University Center.*

*A new form of legislation was initiated this year with the election of senators in lieu of the individual class representation.*

*Led by Bill Christensen, ASPLU showed great hopes in acquiring President Wiegman's striving for a year of commitment. The members of this year's executive committee were able to bring the university closer together by their efficient planning, personal involvement, and legislative reform. The chairmen of the various activity committees were also an aid in making participation a key word on the PLU campus.*

*President Dave Anderson had the IK's helping in the UC dedication. They were in charge of the Liberty Bell at all home football games.*

*Other service activities that the IK's performed were ushering at concerts, serving at banquets, and helping at chapel. All this shows why the IK's are one of the most active service clubs on campus.*
