

P. L. C. CHOIR COMPLETES TRIP; IS SUCCESSFUL

Seven Concerts Given in North-west Cities; Nils Rehn Assists With Violin Groups

The P. L. C. a cappella choir has just completed a successful and enjoyable concert tour. The entire choir, with Nils Rehn, violinist, and Helen Congdon, accompanist, traveled in one large stage. The first concert was given in Mt. Vernon, sponsored by Rev. Heimdahl's and Rev. Rasmussen's congregations, and was given in the auditorium of the Mt. Vernon High School.

In Bellingham on the 9th of April, the choir appeared in concert at the First Methodist Church under the auspices of the Lutheran Churches of which Rev. Norby and Rev. Ordal are pastors. The next evening the Vancouver Lutheran Church—Rev. Skilled in charge, sponsored the choir concert given at the Grand Hall. On April the 11th the choir sang in Stanwood at the Ideal Theatre under the auspices of the Lutheran Church. Rev. Lane, pastor.

Concerts were also given in Everett at the Central Lutheran Church, Rev. Ving's charge and in Ballard at Rev. Howick's Lutheran Church and in Seattle at Rev. Neavig's church.

The choir was royally entertained at private homes in the various localities, with meals at the churches and homes. The choir members feel that it was a very worth-while trip as so many new friends were made and the trip will be remembered as a great source of experience and pleasure.

Other concerts will be given in May. On the 18th a concert will be given in Silverton, Oregon and on the 19th the choir will sing at the Luther League Convention in Portland, Oregon. The plans are not definite as yet as to the time of leaving but it is thought that the choir will leave Parkland Friday morning and return Sunday afternoon.

We feel that the P. L. C. choir has a great future and though this is the first year of actual choir concert work, much success has been attained, due to the efforts of the director, Prof. Joseph Edwards.

ORGANIZATION TO HELP GRADUATES

A Teachers' Appointment Committee has been organized at the school, the purpose being to keep the graduate teachers informed of the vacancies in various schools. Notices have been sent out over the state asking cooperation in the placement of P. L. C. graduates.

NEW BOOKS

According to Professor Stuen's report—a great number of new books have been purchased and placed in the library. A complete set of forty volumes of the Harvard Classics by C. W. Elliot have been added to the library besides eight volumes of fiction and six volumes of English Literature. The National Geographic Magazines have just been bound and placed on the shelf. These will be of great advantage to the students and faculty.

D. O. R. MEMBERS TO MEET MAY 1

Will Entertain Officers of the W. M. F. at Last Meeting; Special Plans Made

The last meeting of the Daughters of Reformation was held on April 16 in the Girls' Reception Room. It was mainly a business meeting, the only feature being a reading by Margarete Jacobsen. Plans were made for the final meeting of the year to be held on May 1. According to present plans this meeting will be a social affair, and the officers of the Women's Missionary Federation of the South Puget Sound Circuit will be present and will bring a message to the girls. Special music selections and refreshments are other features of the meeting.

BOYS WILL LEAVE SOON FOR ALASKA

Large Group of P. L. C. Students Plan to Spend Summer on Northern Coast

Last Tuesday marked the beginning of the long trek to the north. Every summer many of the P. L. C. boys go to Alaska and other northern points to work so that they may continue their education in the fall. Peter Flott, the first to leave, made his departure Tuesday. He was called upon for a speech during the chapel hour and responded very nicely.

The other boys who are to go north are: John Wiese, and Walter French, leaving April 27; Fred Scheel, May 1; Marvin Howick, Wilfred Hoban, Evans Carlsson, William Fowler, June 6. Ed Iversen, Walter Christensen, Sverre Omdal, Ingvald Felt, Rudolph Sanderson, Alfred Lund, Carl Colman and Norris Langford, June 9.

Some of the boys will be near Bellingham and others will be off the coast of Alaska. The Morning Mast taken this opportunity to wish them all the best of luck and a safe voyage back to P. L. C.

TENNIS COURTS LACKING FUNDS

Prospects for the two new tennis courts alongside the old ones took a hard right to the chin that decided the count at the last Board meeting. It was decided not to construct the new courts this year and as a result the tennis enthusiasts will have to content themselves with getting up at 6:00 a. m. and playing with a light on the ball. That was a fast one—eh, what?

Mr. Ramstad remarks that the new courts will be graded at the earliest possible time so that the ground will be ready as soon as the new courts can be finished.

The tennis players have been handicapped by wet weather—although some of the more ardent devotees of the lawn sport have traveled to Point Defiance Park in Tacoma to play on real courts. Such enthusiasm points to a heated competition when the various singles, doubles and mixed doubles all-school championship is played off during the month of May.

The next issue of the Morning Mast will be edited by Prof. Ph. E. Hauge's college English class.

SENIOR CLASS CHOOSES 3 ACT COMEDY AS PLAY

"Martha-By-The-Day" is Three-Act Comedy Chosen As Play; Will Be Given May 25

Prof. Haug and Miss Stixrud have selected "Martha-By-The-Day" as the Senior Play for 1928. The cast has been chosen and rehearsals have begun in earnest. The play will be given Friday evening, May 25.

"Martha-By-The-Day" is a comedy in three acts, written by Julie M. Lippmann. It is an optimistic comedy, full of quaint humor, old-fashioned, homely sentiment. It is the kind that one will recall and chuckle over tomorrow and the next day.

Miss Lippmann has herself adapted her very successful book for stage service, and in doing this has selected from her novel the most telling incidents, infectious comedy and sentiment for the play, and the result is thoroughly delightful.

The cast in order of appearance is:

- Francis—Aegne Olson.
- Cora—Palma Johnson.
- Ma Slawson—Eather Towe.
- Martha Slawson—Jerdie Nordang.
- Steve Lefdy—Peter Grambo.
- Chris Lang—Victoria Rasmussen.
- Sem Slawson—Ingvald Felt.
- Frank Ronald—Norris Langford.
- Mrs. Allen Sherman—Margaret Jacobson.
- Amy Pelham—Dorothy Zimmerman.
- Shaw—Olaf Ords.
- Allen Sherman—Arling Sannerud.

FRATERNITY CLUB HUMBLLED BY HEAVY HITTING PACIFICS

In the third game of the season, the Gladiators garnered a one sided victory over the Lander Hall Pastimers of the University of Washington. The final score was 18-3. The game was played on a dry field at Parkland on Saturday, April 21, although threatening clouds hovered over the field during the game.

The game was a practice season for both teams but the strength of the Pacific Pastimers was masterfully displayed in this first home game. Lander Hall scored in the opening canto when Aldrich reached first on an error, stole second and came home on a sacrifice and steal. The Gladiators scored two markers in the second on two hits and two errors and from then on scored in every inning.

The Lander Hall lads were off form and especially so in the pitching department for the P. L. C. lads seemed to clout the horsehide at will. Big Bill Fowler pitched steady ball for the Gladiators and grew stronger as the game proceeded. He received plenty of support and used it to good advantage in certain stages of the fracas. This was the first game Bill has pitched this year and incidentally the first for P. L. C.

The game was good for both teams and it is hoped that more tussles will ensue between them. A small crowd of students were the only spectators because the game was unannounced.

RUNNING SPORT INTERESTS BOYS

Bob Knutsen, Peter Flott and Chris Nelson have been doing some cross-country running lately and seem to enjoy it immensely. The place thing about running, they say, is that it can be done in all kinds of weather which gives that sport decided odds this spring.

STUDENT BODY PARTY WILL BE GIVEN APR. 28

Aim to Increase Fund of Student Body; Leap Year Idea Arranged by Committee.

Plans have been completed for a student party to be given Saturday evening. The purpose of the party is to raise funds for the student body treasury. Therefore, a play to raise money was included in the arrangement for the entertainment.

A general committee of three, chosen from the student body was elected. Arling Sannerud was chairman and the committee includes Evelyn Sneve and Gerbard Soll. After several consultations the committee decided that a pie sale should be included in the evening's round of fun. A small admission fee was also decided upon and several committees selected at these meetings.

The central committee decided that each girl should ask a boy to go with her to the party. The young lady pays twenty-five cents as admittance charge. However, if she comes alone she is required to pay fifty cents for entrance. The same ruling applies to the boys also.

Besides this entrance fee, each girl is to bring a pie which will be sold to the boys. Gerbard Soll was elected to act as auctioneer for the pie sale.

Committees chosen by the central committee are as follows:

- Decorations: Gladys Jorgensen, Mary Fowler, Walter Christensen, Gladys Knutsen, Carl Ellefson.
- Entertainment: Ethel Johnso, Dorothy Zimmerman, Ingvald Felt.
- Refreshment: Sophie Peterson, Marie Eapesteth, Peter Grambo, Stanley Dahl.

The first named on each committee is chairman of the committee.

REV. CHRISTENSEN TALKS IN CHAPEL

Rev. Christensen of Astoria, Oregon, gave a splendid talk at chapel exercises Monday, April 23. The main substance of his talk was as follows:

"Be ready for your job when you get it, no matter what the job may be. There are two educations—education gained through books and study and education in character building. Both are essential to success. Booker T. Washington once told his darkie pupils not to be satisfied always with whitewashing fences but to look for the interior decorator. They must train themselves to beat the interior decorator at his own job. So must the college student prepare himself so that he may be superior in his work and to be so finished in his education that he will soon develop from the ordinary whitewasher to the interior decorator."

LATE BULLETIN

P. L. C. pastimers defeated the St. Leo tossers of Tacoma in a heated nine-innings to take the lions end of a 7-4 count yesterday afternoon here at Pacific. Flynn and Quinn formed the battery for St. Leo's while Jacobson pitched and Soll, Thostenson and I. Felt caught for Pacific. Pacific's record now stands at two wins and two losses.

RESPONSIBILITY

Single out the student who realizes the value of taking part in outside activities. Together with the curricula knowledge he absorbs, that student also receives invaluable practical experience in his outside activity. He is given responsibilities that tend to develop strong dependability. Many young journalists of today are thankful and more than thankful that they took part in the journalistic activities of their high school or college days. Young business men too, owe their positions to the excellent training they received in outside activity at school.

Such practical training means the assumption of responsibilities that many students are afraid to shoulder. In rejecting the opportunity that comes through extra-curricular activity, a student is ignoring a training that has been proven an invaluable aid in holding responsible positions in the outside world. Our advice to our student readers is this: "Take advantage of your opportunities!"

"As I was trudging down a long, long lane, and dreary,

With a pack of care upon my back, and feet so weary,

I met the sudden flash of a friendly smile!

It made that long road shrink to half a mile;

Away went that irksome load of care—

In less than half a minute it wasn't there.

I stared and straightened. It had come so quick.

The change had been so sunny and so all! And then I tramped onward, singing all the while—

Such a wondrous sense of comradeship there is in just a smile!"

TIGHT GAME WON BY CENTRALIA BASEBALL CLUB

Thrills Feature 11-Inning Fracas; Home Run Decides Count.

The P. L. C. Gladiators opened the baseball season April 20th, at Noble Field, Centralia. The game resulted in a pitching duel between Howick of P. C. L. and Klem and Blankenship of Centralia. The game went eleven innings when Wagner hit a homer over center field fence winning the game.

The Gladiators were first to score in the first inning when Sanderson scored on a wild throw to third.

The Gladiators were a little excited during the first inning, and four errors cost them three runs which might have won the game for them.

The next run for the Gladiators came in the fourth inning when Smith scored Jacobson's grounder. Fowler followed with a two-base hit. Klem walked the next two and Jacobson walked home. In the last of the fourth Fowler robbed Wagner of a hit by the most sensational catch of the day.

Smith added another for Centralia in the seventh when he clouted the ball over the fence for four bases. Tink Fedt stole home in the eighth inning, tying the score. It was in this play that he sprained his foot and was forced to retire from the game. Fowler replaced him at short and Frenchy went to the field.

Jacobson and Fowler were the hitting aces for the Gladiators each getting two bingles. Fowler got two doubles while Jacobson got a single and a double.

Howick on the mound pitched good ball and after the first inning was given air-tight support by both the outfield and infield.

May 9th we play Centralia on our home diamond, and with the same fight and pep we are sure the team will turn the table. Lineup:

GAMES SLATED FOR WEEK-END

Parkland Men's Club and St. Leo's to Tangle With P. L. C. Lads

The Gladiators will play two games this week, meeting the St. Leo's team on our field at 3:00 P.M. Saturday and the Parkland Men's Club on Saturday.

The Gladiators have been playing a great brand of baseball as they exhibited to the school last Saturday, for the first time. The team has been hitting well, and the fielding averages so far look good. The men now have plenty of competition to keep them working for positions.

The Lions have a very good pitcher this year it is reported and the local lads will have to do some hard work Friday afternoon if they wish to change the score from that of other years. They will put a peppy team on the field and the students of P. L. C. must get behind their team to keep the old spirit.

On Saturday the Gladiators will cross bats with the hard hitting Men's Club. What this team loses on account of lack of practice, it makes up in experience. The team is made up of former slickers and the team always makes a good showing.

These two games will test the real strength of Pacific and every one should be out to see both games. The field will be put in good order for the games and fast peppy baseball is promised the spectators.

PLAYS WILL BE GIVEN BY MEMBERS OF CLASS

The oral expression class under the instructorship of Miss Stirrud are now at work on a group of clever one-act plays. They will represent quite a variety of plays including a little comedy, of philosophy, and of pathos.

The plays will be given during the class period in the chapel on the following dates:

- The Bishop Candlesticks, April 25
- The Aunt from California, May 2
- In 1999, May 9.
- The Skeleton, May 14.
- Sauce for the Gossings, May 16.
- Cabbages, May 23.

And who gets down and out often than Col. Lindbergh?

MAN AND MAID

That one moral standard has suffered degradation is true. It is also true that this lower moral standard has been caused by economic change which has followed upon the heels of war and scientific development. To judge from this aspect, immorality is a natural trend of civilization—for discovery and invention go hand in hand with civility.

Thus we have a problem: our scientific renaissance has meant moral decline, and a check upon civilization has been established, if you wish to take it that seriously. Unless I have misjudged their intrinsic goodness, it is woman's duty to stir, us upon our way again; for with Tenyson—

Or no more subtle monster under heaven
 Than is the maiden passion for a maid.
 Not only to keep-down the base in man,
 But teach high thought and amiable words

And courtliness, and the desire of fame,
 And love of truth, and all that makes a man.

Some folks would rather blow their own horns than listen to Sousa's band.

A good way to make a man keep his word is to not take it.

Never meddle with a hornet or a man who is minding his own business.

Never judge a man by the opinion his best girl has of him.

Just about the time you think you can make ends meet, some one moves the ends.

One of the heaviest loads to carry is a bundle of bad habits.

HANDS

In a conversation by two popular College girls, one was heard to remark, "But, my dear, have you ever noticed her unsightly hands. So rough, red, scarred. They fairly scream of the dishpan and domesticity." "But," the other girl argued, "she has something which many girls lack—useful, unselfish hands."

It is pitiful to see mothers washing dishes, mending holes and slaving at disagreeable housework that their daughters' hands may remain unblemished. Little do these foolish mothers realize the harm they are doing their daughters. How much more full a girl's life is when she performs these homely little tasks: sewing, housecleaning, cooking. Perhaps her hands do suffer as a result but what does it matter when she has done good to herself and to others?

A well-known woman of eighty, while recently speaking to a group of College girls, led up her hands and said, "Girls, is it not wonderful to think of the hundreds of cookies these hands have made? The pies? The cakes? The stockings darned? The dishes washed? The relief to weary bodies? I want to leave a message with you: 'useful hands make full lives.' It is the factor which makes me, at eighty, a happy and a young woman." —M. F.

THINK IT OVER

Soon another successful year in the history of Pacific Lutheran College will have been completed. As a student do you realize the responsibility you carry in making this the best year ever for P. L. C.? Your

conduct and behavior, whether it be at school or away from school reflects upon the character of our institution. Are you doing all you can to uphold the honor of the school in this respect? Directly in connection with conduct and behavior can be mentioned scholarship. Every school is judged to a large extent by the capability and character of its students. This is especially true of graduates. Every school takes great pride in scholastic records made by its students. Have you done your part? Have you done what Pacific Lutheran College expects of you? If not, you still have one quarter left to which to redeem yourself. You may think that you have done your best or that you are not capable of doing better but do not forget that perfection can seldom, if ever, be attained. Just think of the marvelous progress of the world during the just decades. This progress is due to the fact that some people were not content with their first results. They strove to better the things which they had accomplished. In the same way, it should be the endeavor of every student to strive in effort to better his previous records. You still have one quarter left in which to do so. You will prosper by it and so will the school. Remember that you are a part of the institution and are responsible for its success. —E. J.

THE PATH

I shall go forward,
 Though the way is long;
 I shall go forward,
 On my lips a song.

I shall go forward,
 On my lips a prayer
 That I may keep
 My feet everywhere

The path leads upward,
 Though the way be steep;
 That I, unflinching
 May ever keep

My goal, upon
 A mountain peak, a star,
 May no height be to me
 Too great, too far.

Fearless and laughing
 On and up I go—
 Seeing the blue sky
 And not the depths below.

—Abigail W. Creason.

Too many rounds of pleasure weaken the ladder of success.

Resting on one's laurels shouldn't mean leaning on them.

HERE'S TO THE MAN

Here's to the steadfast, reliable man.
 The man with the tongue that's true.
 Who won't promise to do any more than he can.
 But who'll do what he says he'll do.

He may not be clever, he's often quite blunt,
 Without either polish or air,
 But though it's not in him to "put up a front."

When you need him he's always there.
 So here's to the man on whom one can rely,
 And here's to his lasting success!
 May his species continue to multiply,
 And his shadow never grow less!

Words of Wisdom

Our idea of an optimist is a man who takes a frying pan on a fishing trip.

A second-hand automobile has its advantages—it enables the owner to forget all his other troubles.

The man who "marks time" seldom makes any other marks.

Cheer up! The less you have the more there is to get.

Look pleasant; somebody is always taking your picture.

Noah was six hundred years old before he knew enough to build the ark. Don't lose your grip.

The less a man knows the easier it is to convince him that he knows it all.

He is a miserly man who has a gold tooth and won't give you a smile.

Keeping on your toes will prevent your getting down at the heel.

Don't think people judge your generosity by the amount of advice you give away.

The only thing that can cheat some people out of the last word is an echo.

All things come to the other fellow if you will only sit down and wait.

Stand on your own feet. If you don't some one else will.

Because they are fluent talkers, many young men get the idea they are natural horn orators, when nature intended them to be barbers.

DAILY DIARY

April 14—The P. L. C. Choir returned from their tour of the coast. What is this we hear about Vancouver being hard on the members?

April 15—One by one students returned to school and work.

April 18—School commenced at 8:15 as though nothing had happened.

April 17—Spring has sprung for Snookle and Marie spent the afternoon picking violets.

April 20—Lots of things occurred on this day. First, the doctor declared that the disease which caused the foundings of Margaret's face is the Mumps! The basketball team lost first conference game at Centralia 6-4. The boys are broken up over the struggle, especially Tink Fedt who is limping yet.

April 21—Tables turned, Henry Kiel and his Lander Hall boys were given the short end of an 18-3 score. "Nuff said."

April 23—Everyone set for Campus Day only to have it spoiled by California weather.

Footprints on the sands of time are not made by sitting down.
