Faculty retreat marks start of fall

Live out those last dreams of summer and prepare for the new school year. The Faculty Fall Retreat begins on Sept. 2 with new faculty orientation, and runs through Sept. 4. This year's program focuses on assessment and advising, and utilizes consultants from Alverno College, who will provide an outside view on assessment at PLU. Staff, faculty and administrators are all invited to the first day of activities, beginning with a sunrise chapel service at 8 am on Sept. 3 in Leraas Lecture Hall and ending with dinner at the Gonyea House from 5 to 8 pm that evening (staff will be excused from 3:30 to 5 that day, and all of Sept. 4). Don't forget, today is the last day to send your Gonyea dinner reservation to the Provost's Office.

Academic year is about to begin

'Though you probably can't forget, classes begin at 8 am on Sept. 8, with a recess for opening convocation at 10:30 am. Classes resume later that day at 1:45 pm.

Summer grades available only via phone

Alert: the Registrar's Office is not sending out summer grade reports. No need to panic, though. Call the teleregistration number (4011 on campus, or 531-4011 from off campus), and you can access your grades over the phone. If you need a printed copy, you can pick up an unofficial copy of your transcript at Student Services.

Student Services just a phone call away

The Student Services Center now has an automatic phone line. If you call 7161, you can follow the menu choices to access information on Perkins or Nursing Loans, obtain official transcripts, find out how to make corrections to your student aid report or learn about '97-'98 financial aid awards. If none of the choices match your needs, you'll be connected to the main office line.

Baker Plaza and Rose Garden (across from Tacoma General

Recycling paper conserves water

It's easier than you think to conserve 7,000 gallons of water. Each time you recycle a ton of office paper, that many gallons are saved from manufacturing a new ton. Your contributions to PLU's 18.7 tons of office paper recycled last year saved a whopping 131,000 gallons of water. And there's another benefit to recycling office paper: the goods are sold to recyclers for \$30 per ton.
